be designated in a Request and approved by the Trustee. At the same time the Company shall, if necessary, deposit with the Trustee, or to its credit as aforesaid, any advance rental payable by the Company to the Trustee under Section 5.04(A)(1).

Thereupon, without waiting for the recording or filing of this Agreement or of any other instrument respecting the Trust Equipment, the Trustee shall issue and deliver, as the Company shall direct by Request, Trust Certificates in the aggregate principal amount so sold.

The aggregate principal amount of Trust Certificates which shall be executed and delivered by the Trustee hereunder shall not exceed $100,000,000, except as provided in Sections 2.05, 2.06, 2.07 and 3.02.

SECTION 2.05. Temporary Trust Certificates. Temporary printed Trust Certificates in such form and denominations as the Company may determine with the approval of the Trustee may be issued by the Trustee, and shall be exchangeable, without charge to the holder thereof, upon surrender thereof to the Trustee for definitive Trust Certificates bearing the same maturity when the same shall have been prepared. (c) Anything contained herein to the contrary notwithstanding, the parties hereto and any paying agent may deem and treat the registered holder of any Trust Certificate as the absolute owner of such Trust Certificate for all purposes and shall not be affected by any notice to the contrary.

(d) The Trustee shall cause to be kept at the Corporate Trust Office books for the registration and registration of transfer of the Trust Certificates.

(e) For any registration of transfer or exchange the Trustee shall require the payment of a sum sufficient to reimburse it for any governmental charge connected therewith.

(g) The Trustee shall not be required (1) to issue, register the transfer of or exchange any Trust Certificate during a period beginning at the opening of business fifteen days before any selection of Trust Certificates to be redeemed and ending at the close of business on the day of the mailing of the relevant notice of redemption, or (2) to register the transfer of or exchange any Trust Certificate called or being called for redemption in whole or in part, except as provided in Section 3.02.

SECTION 2.07. Replacement of Lost Trust Certificates. In case any Trust Certificate shall become mutilated or defaced or be lost, destroyed or stolen, then on the terms herein set forth, and not otherwise, the Trustee shall execute and deliver a new Trust Certificate of like tenor and date, and bearing such identifying number or designation as the Trustee may determine, in exchange and substitution for, and upon cancellation of, the mutilated or defaced Trust Certificate, or in lieu of and in substitution for the same if lost, destroyed or stolen. The Company shall execute its guaranty on any Trust Certificate so delivered. The applicant for a new Trust Certificate shall furnish to the Trustee and the Company evidence to their satisfaction of the loss, destruction or theft of such Trust Certificate alleged to have been lost, destroyed or stolen and of the ownership and authenticity of such mutilated, defaced, lost, destroyed or stolen Trust Certificate, and also shall furnish such security or indemnity as may be re-

quired by the Trustee and the Company in their discretion, and shall pay all expenses and charges of such substitution and exchange. All Trust Certificates are held and owned upon the express condition that, to the extent permitted by law, the foregoing provisions are exclusive in respect of the replacement of mutilated, defaced, lost, destroyed or stolen Trust Certificates and shall preclude any and all other rights and remedies, any law or statute now existing or hereafter enacted to the contrary notwithstanding.

ARTICLE THREE

REDEMPTION OF TRUST CERTIFICATES

SECTION 3.01. Right of Redemption and Redemption Price. (a) The Trust Certificates are subject to redemption in part through the application of the applicable portions of the rental payable to the Trustee as a sinking fund pursuant to Sections 5.04(B)(3) and 5.04(B)(4), on February 1, 1993, and on each February 1 thereafter to and including February 1, 2005, at the redemption price of 100% of the principal amount thereof, together with accrued and unpaid interest to the date fixed for redemption.

(b) The Trust Certificates are also subject to redemption, at the option of the Company, as a whole at any time or in part from time to time, through the application of the applicable portions of the rental payable to the Trustee pursuant to Sections 5.04(B)(3) and 5.04(B)(4), on and after February 1, 1998 and at the redemption prices specified in the form of Trust Certificate hereinbefore set forth, together with accrued and unpaid interest to the date fixed for redemption.

SECTION 3.02. Selection of Trust Certificates for Sinking Fund Redemption; Notice of Redemption. On or before January 1, 1993, and on or before January 1 in each year thereafter to and including January 1, 2005, the Trustee shall select for redemption, in such manner as in its discretion it shall deem appropriate and fair, a principal amount of Trust Certificates so as to exhaust the amount of rental to be paid by the Company to it in cash pursuant to Section 5.04(B)(4) on or before the Business Day next preceding the next succeeding February 1 subject to the provisions of the next succeeding

sentence and the sentence immediately following Section 5.04(B)(5), provided that Trust Certificates may be redeemed in part only in integral multiples of $1,000. Any holder of Trust Certificates in whose name is registered an aggregate principal amount of Trust Certificates at least equal to $100,000 may, by written notice to the Trustee delivered at least 90 days prior to a sinking fund redemption date, direct the Trustee to select for redemption on each sinking fund redemption date thereafter occurring such principal amount of Trust Certificates registered in the name of such holder having an aggregate redemption price which bears the same proportion to the aggregate redemption price of all the Trust Certificates to be called for redemption on such sinking fund redemption date as (y) the aggregate principal amount of Trust Certificates registered in the name of such holder on a date selected by the Trustee not more than ten days prior to the selection by the Trustee of Trust Certificates for redemption on such sinking fund redemption date pursuant to the next preceding sentence, bears to (z) the aggregate principal amount of Trust Certificates outstanding on such date. In such event (i) the principal amount of Trust Certificates to be selected by the Trustee, as provided in the first sentence of this paragraph, shall be proportionately reduced and (ii) there shall not be included in the selection made, as provided in the first sentence of this paragraph in respect of such sinking fund redemption date, any Trust Certificates registered in the name of any holder of Trust Certificates whose Trust Certificates are selected for redemption as provided in the second sentence of this paragraph. Any notice given by any holder of Trust Certificates as provided in the second sentence of this paragraph shall remain in effect as long as there is registered in the name of such holder an aggregate principal amount of Trust Certificates at least equal to $100,000, and unless and until revoked by written notice delivered by such holder to the Trustee at least 90 days prior to the sinking fund redemption date or dates in respect of which such revocation is expressed to be applicable. In any selection of Trust Certificates for redemption pursuant to the second sentence of this paragraph, the Trustee shall, according to such method as it shall deem to be proper, make such adjustments, by increasing or decreasing by not more than $1,000 the principal amount of Trust Certificates of each holder selected pursuant to said second sentence, as may be necessary to the end that the principal amount of Trust Cer-

tificates of such holder selected for redemption shall be $1,000 or an integral multiple thereof.

The Trustee shall mail by first class mail, postage prepaid, a notice of redemption at least 30 days but not more than 75 days prior to each sinking fund redemption date to the holders of the Trust Certificates so to be redeemed in whole or in part, at their last addresses as they shall appear upon the registry books, but failure to give such notice with respect to any Trust Certificate, or any defect therein, shall not affect the validity of any proceedings for the redemption of any other Trust Certificates.

The notice of redemption shall specify the date for redemption, the redemption price and shall state that payment of the principal amount of the Trust Certificates or portions thereof to be redeemed (together with all accrued and unpaid interest thereon) will be made, provided the Company has deposited the necessary funds for such redemption with the Trustee, at the Corporate Trust Office upon presentation and surrender of such Trust Certificates, that accrued interest to the date fixed for redemption will be paid as specified in said notice, and that from and after said date interest thereon or on the portions thereof to be redeemed will cease to accrue. The notice of redemption sent to each holder of Trust Certificates shall also state the aggregate principal amount of Trust Certificates of such holder to be redeemed and the serial numbers thereof; and in case there shall have been selected as aforesaid less than the entire principal amount of any Trust Certificate, the notice shall specify the serial number of such Trust Certificate and the principal amount thereof called for redemption, and shall state that on and after the redemption date, upon surrender of such Trust Certificate, the holder will receive the redemption price in respect of the principal amount thereof called for redemption and, without charge, a new Trust Certificate for the principal amount thereof remaining unredeemed. The serial numbers of any Trust Certificates to be redeemed, required to be included in any such notice, may be stated in any one or more of the following ways: individually; in groups from one number to another number, both inclusive, except such as shall previously have been called for redemption or otherwise retired; or in such other manner as the Trustee shall deem appropriate.

SECTION 3.03. Procedure for Optional Redemption of Trust Certificates. The procedure for the optional redemption of Trust Certificates shall be as follows:

(1) In case the Company shall desire to redeem Trust Certificates pursuant to Section 3.01(b), it shall deliver an Officers' Certificate to the Trustee giving notice of the exercise of such right of redemption and specifying the aggregate principal amount of Trust Certificates to be redeemed and the date fixed for redemption (which date shall be at least 60 days after delivery of such Officers' Certificate).

(2) Notice of redemption shall be given and, if less than all the outstanding Trust Certificates are to be redeemed, selection of the particular Trust Certificates (or portions thereof, but only in multiples of $1,000) to be redeemed shall be made, in like manner as specified in Section 3.02.

SECTION 3.04. Payment of Trust Certificates Called for Redemption. The Company on or before the Business Day next preceding the redemption date specified in the notice of redemption having deposited with the Trustee an amount in cash sufficient to redeem all the Trust Certificates or portions thereof called for redemption, the Trust Certificates or portions thereof called for redemption shall become due and payable on such redemption date at the Corporate Trust Office and from and after such redemption date interest on such Trust Certificates or portions thereof shall cease to accrue and such Trust Certificates or portions thereof shall no longer be deemed to be outstanding hereunder and shall cease to be entitled to the benefit of this Agreement except to receive payment from the moneys reserved therefor in the hands of the Trustee. Subject to the second paragraph of Section 5.05, the Trustee shall hold the redemption moneys in trust for the holders of the Trust Certificates or portions thereof called for redemption and shall pay the same to such holders respectively upon presentation and surrender of such Trust Certificates.

All Trust Certificates redeemed and paid under this Article Three shall be cancelled by the Trustee, and no Trust Certificates shall be issued hereunder in place thereof.

Such Equipment shall be delivered to the person or persons designated by the Trustee as its agent or agents to receive such delivery (who may be one or more of the officers or agents of the Company) and the certificate of any such agent or agents as to such delivery shall be conclusive evidence of such delivery.

In the event that the Company shall deem it necessary or desirable to procure for the use of the Company, and to include in the trust hereby created, other Equipment in lieu of or in addition to any of the Equipment specifically described in Schedule A hereto prior to the delivery of such Equipment to the Trustee or its agent or agents, the Company may cause to be sold, assigned and transferred to the Trustee such other Equipment, to be included under the trust.

SECTION 4.02. Payment of Deposited Cash. From time to time, when and as any of the Trust Equipment shall have been delivered to the Trustee or its agent or agents pursuant to Section 4.01, the Trustee shall (subject to the provisions of Section 4.03) pay, upon Request, to the manufacturers or owners (or the Company if it shall be the owner) of the delivered Trust Equipment out of Deposited Cash an amount which will equal 80% of the aggregate Cost (adjusted as provided in the next succeeding sentence) of such Trust Equipment, as specified in the Officers' Certificate furnished to the Trustee pursuant to Section 4.04(b). If such Trust Equipment has been in use for a period of one year or more prior to the date it is delivered to the Trustee or its agent or agents, there shall, for the purposes of determining the amount payable out of Deposited Cash pursuant to this Section 4.02, be deducted from the Cost of such Trust Equipment an amount equal to 3.0% in the case of tank cars and 3.6% in the case of all other Trust Equipment of the Cost of such Trust Equipment for each full period of one year elapsed between the date such

Trust Equipment was first put into use, as specified in the Officers' Certificate furnished to the Trustee pursuant to Section 4.04(b), and the date on which such Trust Equipment was so delivered.

The Company covenants that, with respect to any part of the Trust Equipment not owned by it, contemporaneously with any payment by the Trustee pursuant to Section 4.02, it will pay to the Trustee the advance rental provided in Section 5.04(A)(2), and thereupon the Trustee shall, upon Request, pay to the manufacturers or owners of the delivered Trust Equipment, by the use of such advance rental, the portion (if any) of the Cost of the delivered Trust Equipment which has not been either (i) paid out of Deposited Cash as provided in Section 4.02 or (ii) paid by delivery to the manufacturer or other vendor of the delivered Trust Equipment of unsecured notes or other unsecured evidences of indebtedness or stock of the Company or cash; the intention being that the Company shall have paid or shall ultimately pay not less than 20% of the Cost of all the Trust Equipment delivered to the Trustee pursuant to this Article Four, and the Trustee and the Company shall at any time, if occasion arises, adjust their accounts and payments to the end that the Trustee shall pay with Deposited Cash not more than 80% of such Cost (subject to adjustment as provided in Section 4.02) and the Company shall ultimately pay the remainder, to be not less than 20% of such Cost.

SECTION 4.04. Supporting Papers. The Trustee shall not pay out any Deposited Cash against the delivery of any of the Trust Equipment unless and until it shall have received:

(a) a certificate of the agent or agents designated by the Trustee to receive delivery of the Trust Equipment, stating that the Trust Equipment described and specified therein by number or numbers has been delivered to such agent or agents;

(b) an Officers' Certificate which shall state (i) that such Trust Equipment is Equipment as herein defined, (ii) that the Cost of such Trust Equipment is an amount therein specified or is not less than an amount therein specified, (iii) the date each unit of such Trust Equipment was first put into use or that such unit was first put into use not earlier

than a specified date, (iv) whether such Trust Equipment has, within six months prior to the date of its acquisition by the Company, been used or operated by a person or persons other than the Company in a business similar to that in which it has been or is to be used or operated by the Company, (v) whether such Trust Equipment is then subject to a lease and, if so, the name of each lessee, and (vi) that, in the opinion of the signers, all conditions precedent provided for in this Agreement, relating to the payment in question, have been complied with;

(c) an Engineer's Certificate which shall state the fair value to the Company, in the opinion of the signer, of such Trust Equipment as of the date of the Request with respect thereto given pursuant to Section 4.02;

(d) a bill or bills of sale of such Trust Equipment from the manufacturers or owners (including the Company if it shall be the owner) thereof to the Trustee, which bill or bills of sale shall contain a warranty or guaranty to the Trustee that the title to the Trust Equipment described therein is free from all liens and encumbrances (including any leasehold interest therein) other than subleases permitted by Section 5.09 and other than the rights of the Company hereunder; and

(e) an Opinion of Counsel to the effect (i) that such bill or bills of sale are valid and effective, either alone or in connection with any other instrument referred to in and accompanying such opinion, to vest in the Trustee title to such Trust Equipment free from all liens and encumbrances (including any leasehold interest therein) other than subleases permitted by Section 5.09 and other than the rights of the Company hereunder, (ii) that in the case of any Trust Equipment not specifically described herein, a proper supplement hereto in respect of such Trust Equipment has been duly executed by the Trustee and the Company and (iii) that, in the opinion of such counsel, all conditions precedent provided for in this Agreement, relating to the payment in question, have been complied with.

If the Trust Equipment for which payment is being made has, within six months prior to the date of its acquisition by the Company, been used or operated by a person or persons other than the Company in a business similar to that in which it has been or is to be used or operated by the Company and the fair value to the Company of such Trust Equipment is not less than $25,000 and not less than 1% of the aggregate principal amount of Trust Certificates at the time outstanding, the Engineer's Certificate referred to in subparagraph (c) above shall be signed by an Independent Engineer.

Any Officers' Certificate delivered pursuant to this Section 4.04 may state that the Cost of the Trust Equipment therein referred to is tentatively determined, subject to final adjustment to be evidenced in a final Officers' Certificate to be delivered to the Trustee.

If the aggregate final Cost (less an amount equal to 3.0% in the case of tank cars and 3.6% in the case of all other Trust Equipment of the final Cost of each unit for each full period of one year elapsed between the date when first put into use and the date when delivered) or fair value to the Company, whichever is less, as specified in the certificates theretofore delivered to the Trustee pursuant to this Section 4.04, of the Trust Equipment delivered to the Trustee or its agent or agents pursuant to this Article Four shall be less than 125% of the aggregate amount of Deposited Cash paid by the Trustee pursuant to the provisions of Section 4.02, the Company will cause to be sold, assigned and transferred to the Trustee additional Equipment in such amount and of such Cost that the aggregate final Cost (less an amount equal to 3.0% in the case of tank cars and 3.6% in the case of all other Trust Equipment of the final Cost of each unit for each full period of one year elapsed between the date when first put into use and the date when delivered) or fair value to the Company, whichever is less, of the Trust Equipment will be at least 125% of the aggregate amount of said Deposited Cash.

ARTICLE FIVE

term of 17 years and 11 months from and after March 1, 1988, all of the Trust Equipment.

SECTION 5.02. Equipment Automatically Subjected. As and when any equipment shall from time to time be delivered hereunder to the Trustee or its agent or agents, the same shall, ipso facto and without further instrument of lease or transfer, pass under and become subject to all the terms and provisions hereof.

SECTION 5.03. Substituted Equipment Subject Hereto. In the event that the Company shall, as provided in Section 4.01, 4.04, 5.06 or 5.08, cause to be transferred to the Trustee other Equipment in addition to or in substitution for any of the Equipment herein specifically described or subjected hereto, such other Equipment shall be included as part of the Trust Equipment by supplement hereto and shall be subject to all the terms and conditions hereof in all respects as though it had been part of the Trust Equipment herein specifically described.

SECTION 5.04. Rental Payments. The Company hereby accepts the lease of all the Trust Equipment, and covenants and agrees to accept delivery and possession hereunder of the Trust Equipment; and the Company covenants and agrees to pay to the Trustee at the Corporate Trust Office (or, in the case of taxes, to the proper taxing authority), in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, rent hereunder which shall be sufficient to pay and discharge the following items, when and as the same shall become due and payable (whether or not any of such items shall become due and payable prior to the delivery and lease to the Company of any of the Trust Equipment):

(A) The Company shall pay to the Trustee, as hereinafter provided, as advance rental hereunder:

(1) at the time of issue of Trust Certificates pursuant to Section 2.01 a sum which,

when added to such net proceeds of the sale of the Trust Certificates deposited with or to the credit of the Trustee, will make the total sum deposited equal to the principal amount of the Trust Certificates so issued; and

(2) upon delivery of the Trust Equipment, a sum equal to the portion (if any) of the Cost of the delivered Trust Equipment which has not been either (i) paid out of Deposited Cash as provided in Section 4.02 or (ii) paid by delivery to the manufacturer or other vendor of the delivered Trust Equipment of unsecured notes or other unsecured evidences of indebtedness or stock of the Company or cash.

(B) In addition to such advance rental the Company shall pay to the Trustee, as hereinafter provided, as rental for the Trust Equipment (notwithstanding that any of the Trust Certificates shall have been acquired by the Company or shall not have been presented for payment), the following:

(1) from time to time upon demand of the Trustee (a) the necessary and reasonable expenses of the trust hereby created, including compensation and expenses provided for herein, and (b) an amount equal to any expenses incurred or loss of principal (including interest accrued thereupon at time of purchase) in connection with any purchase, sale or redemption by the Trustee of Investment Securities;

(3) (a) on or before the Business Day next preceding each Interest Payment Date the amounts of the interest payable on the Trust Certificates on such Interest Payment Date and (b) interest at the rate per annum set forth in the Trust Certificates from the due date, upon the amount of any installments of rental payable under this subparagraph (3) and the following subparagraphs (4) and (5) which shall

not be paid when due, to the extent legally enforceable;

(4) as a sinking fund for the Trust Certificates, on or before the Business Day next preceding February 1 in each year, commencing February 1, 1993 and continuing to and including February 1, 2005, an amount in cash sufficient to redeem $7,500,000 aggregate principal amount of Trust Certificates in each of the years 1993 through 2005. In addition on or before the Business Day next preceding any optional redemption date established pursuant to Sections 3.01(b) and 3.03, the Company may pay additional rentals to redeem any Trust Certificates to be redeemed pursuant to Section 3.01(b); and

(5) the principal of the Trust Certificates (other than those called for redemption pursuant to Section 3.01) upon the maturity thereof, whether by declaration or otherwise.

Notwithstanding the provisions of subparagraph (4) above, the Company, at its option, in lieu of making all or any part of any rental payment provided for in said subparagraph (4) in cash, may credit, against such rental payment pursuant to a Request delivered on or before the December 1 next preceding the February 1 on which such rental payment is due any Trust Certificate specified (as to serial numbers and principal amounts) in such Request (not theretofore credited) acquired otherwise than as provided in Section 3.01. The Company shall, prior to such December 1 (or such later date as the Trustee may approve), deliver to the Trustee for cancellation (if not theretofore delivered to the Trustee) all such Trust Certificates. The amount of the rental payment in anticipation of which the Company specifies in such Request that any Trust Certificate is to be credited shall be reduced by an amount equal to the redemption price

(including accrued interest) referred to in Section 3.01(a) hereof of such Trust Certificate on the February 1 in respect of which such credit is taken.

To the extent that the right of the Company to pay rental pursuant to subparagraph (4) above as a sinking fund in excess of the amount required to be paid thereunder is not exercised in any year, such right shall not be cumulative or carried forward to any subsequent year.

Nothing herein or in the Trust Certificates contained shall be deemed to impose on the Trustee or on the Company any obligation to pay to the holder of any Trust Certificate any tax, assessment or governmental charge required by any present or future law of the United States of America, or of any state, county, municipality or other taxing authority thereof, to be paid on behalf of, or withheld from the amount payable to, the holder of any Trust Certificate.

The Company shall not be required to pay any tax, assessment or governmental charge so long as it shall in good faith and by appropriate legal proceedings contest the validity thereof, provided that the rights or interests of the Trustee or of the holders of the Trust Certificates will not be materially endangered thereby and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect.

SECTION 5.05. Termination of Lease. At the termination of the lease provided herein and after all payments due or to become due from the Company hereunder shall have been completed and fully made to the Trustee (1) such payments shall be applied and treated as purchase money and as the full purchase price of the Trust Equipment, (2) any moneys remaining in the hands of the Trustee after providing for payment in full of all outstanding Trust Certificates and after paying the expenses of the Trustee, including its reasonable compensation, shall be paid to the Company, (3) title to all the Trust Equipment shall vest in the Company and (4) the Trustee shall execute for record in public offices, at the expense of the Company, such instrument or instruments in writing as reasonably shall be requested by the Company in order to make clear upon public records the Company's title to all the Trust Equipment under the laws of any jurisdiction; provided, however, that until that time title to the Trust Equipment shall not pass to or vest in

the Company, but title to and ownership of all the Trust Equipment shall be and remain in the Trustee, notwithstanding the delivery of the Trust Equipment to and the possession and use thereof by the Company.

Anything in the foregoing paragraph to the contrary notwithstanding, any moneys deposited with the Trustee or any paying agent for the payment of the principal of or interest on any Trust Certificate and not so applied but remaining unclaimed by the holder of such Trust Certificate for four years after the date upon which the principal of or interest on such Trust Certificate shall have become due and payable shall be repaid to the Company by the Trustee or such paying agent on demand; and the holder of any such Trust Certificate entitled to receive such payment shall thereafter look only to the Company for the payment thereof and all liability of the Trustee or such paying agent with respect to such moneys shall thereupon cease; provided, however, that the Trustee before being required to make repayment of any such moneys may at the expense of the Company cause to be published once a week for two successive weeks (in each case on any Business Day), in any newspaper printed in the English language and customarily published at least once a day on each Business Day in each calendar week and of general circulation in the Borough of Manhattan, the City and State of New York, a notice that such moneys remain unclaimed and that after a date named therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such moneys then remaining will be returned to the Company.

SECTION 5.06. Substitution and Replacement of Equipment. Upon Request, the Trustee shall, at any time and from time to time, execute and deliver a bill of sale assigning and transferring to the transferee named by the Company all the right, title and interest of the Trustee in and to any or all of the Trust Equipment; provided, however, that none of the Trust Equipment shall be so assigned or transferred (except as provided in Section 5.05) unless simultaneously (a) there shall be conveyed to the Trustee other Equipment of a fair value to the Company not less than the fair value, as of the date of such Request, of the Trust Equipment so assigned or transferred by the Trustee or (b) there shall be paid to the Trustee cash in an amount not less than the fair value, as of said date, of the Trust Equipment so assigned or transferred by the Trustee.

At the time of delivery of any Request pursuant to the first paragraph of this Section 5.06, the Company shall, if other Equipment is to be conveyed to the Trustee in substitution for the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee the following papers:

(1) an Engineer's Certificate stating (i) the fair value, as of the date of said Request, of the Trust Equipment so to be assigned or transferred by the Trustee, (ii) that such assignment or transfer will not impair the security under this Agreement in contravention of the provisions hereof and (iii) the fair value to the Company of such substituted units of Equipment as of such date;

(2) an Officers' Certificate stating (i) the date each unit of Trust Equipment so to be assigned or transferred by the Trustee was first put into use (or that such unit was first put into use not later than a specified date), (ii) the original Cost of each unit of the Equipment so to be substituted and the date it was first put into use (or that such unit was first put into use not earlier than a specified date), (iii) that each such unit so to be substituted is Equipment as herein defined, (iv) that no Event of Default has occurred and is continuing and (v) that, in the opinions of the signers, all conditions precedent provided for in this Agreement, relating to such substitution, have been complied with;

(3) a certificate and a bill or bills of sale in respect of such substituted Equipment as provided for in subparagraphs (a) and (d) of the first paragraph of Section 4.04; and

(4) an Opinion of Counsel to the effect (i) that such bill or bills of sale are valid and effective, either alone or together with any other instruments referred to in and accompanying such opinion, to vest in the Trustee title to such substituted Equipment free from all liens and encumbrances (including any leasehold interest therein) other than subleases permitted by Section 5.09 hereof and other than the rights of the Company hereunder, (ii) that a proper supplement hereto in respect of such substituted Equipment has been duly executed by the

Trustee and the Company and (iii) that, in the opinion of such counsel, all conditions precedent provided for in this Agreement, with respect to such substitution have been complied with.

If the fair value of the Trust Equipment to be assigned or transferred by the Trustee, together with all other property so assigned or transferred since the commencement of the then current calendar year, as set forth in the certificate or certificates required by this Section 5.06, is 10% or more of the aggregate principal amount of Trust Certificates at the time outstanding, the Engineer's Certificate referred to in subparagraph (1) above shall be signed by an Independent Engineer unless the fair value of the Trust Equipment to be assigned or transferred, as set forth in such certificate, is less than $25,000 or less than 1% of the aggregate principal amount of Trust Certificates at the time outstanding. If any Equipment to be conveyed to the Trustee pursuant to this Section 5.06 has, within six months prior to the date of its acquisition by the Company, been used or operated, by a person or persons other than the Company, in a business similar to that in which it has been or is to be used or operated by the Company and the fair value to the Company of such Equipment is not less than $25,000 and not less than 1% of the aggregate principal amount of Trust Certificates at the time outstanding, the Engineer's Certificate referred to in subparagraph (1) above shall be signed by an Independent Engineer.

At the time of delivery of any Request pursuant to the first paragraph of this Section 5.06, the Company shall, if cash is to be paid to the Trustee in respect of the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee papers corresponding to those set forth in the second paragraph of this Section 5.06 insofar as they relate to the action requested.

Cash deposited with the Trustee pursuant to this Section 5.06 or pursuant to Section 5.08 shall, from time to time, be paid over by the Trustee to the Company upon Request, against conveyance to the Trustee of Equipment having a fair value to the Company, as of the date of said Request, not less than the amount of cash so paid, and upon compliance by the Company with all of the provisions of the second paragraph of this Section 5.06 (including an Engineer's Certificate corresponding to that required by subparagraph (1) of said second para-

graph with respect to said Equipment) insofar as they relate to the action requested.

For all purposes of this Section 5.06, where fair value or fair value to the Company is not required to be determined by an Independent Engineer, fair value and fair value to the Company shall be determined as follows (and the manner of such determination shall be set forth in each Engineer's Certificate furnished in respect thereof, including a statement of actual fair value or actual fair value to the Company, as the case may be):

(1) The fair value of any unit of Trust Equipment assigned or transferred by the Trustee as provided in this Section 5.06 shall be deemed to be the greater of (a) the actual fair value thereof and (b) the Cost thereof as theretofore certified to the Trustee less an amount equal to 3.0% in the case of tank cars and 3.6% in the case of all other Trust Equipment of such Cost for each full period of one year elapsed between the date such unit was first put into use as certified to the Trustee and the date as of which fair value is to be determined.

(2) The fair value to the Company of any unit of Equipment conveyed to the Trustee as provided in this Section 5.06 shall be deemed to be the lesser of (a) the actual fair value to the Company thereof and (b) the Cost of such unit, if new, or, in the case of any unit of Equipment not new, (i) the depreciated book value thereof on the books of the owner thereof, as of the date of the transfer thereof to the Trustee, or (ii) the Cost thereof, less an amount equal to 3.0% in the case of tank cars and 3.6% in the case of all other Trust Equipment of such Cost for each full period of one year elapsed between the date such unit was first put into use and the date of the transfer thereof to the Trustee or (iii) the value thereof, as of said last mentioned date, as determined in accordance with the Code of Rules Governing the Condition of and Repairs to Freight and Passenger Cars for the Interchange of Traffic, Adopted by the Association of American Railroads, Operations and Maintenance Department, Mechanical Division, as in effect at the time in question (or, if there is no such Code then in ef-

fect, sound accounting principles), whichever shall be less.

For all purposes of this Section 5.06, where fair value or fair value to the Company is required to be determined by an Independent Engineer, such fair value shall be determined without requiring reference to the provisions of subparagraphs (1) and (2) of the next preceding paragraph.

SECTION 5.07. Marking of Trust Equipment. The Company agrees that if the Opinion of Counsel specified in Section 5.08 hereof shall not be delivered to the Trustee as provided in said Section 5.08 or if, in the opinion of the Company, marking of one or more units of Trust Equipment is required by law to properly protect the title of the Trustee to the Trust Equipment or the rights of the holders of Trust Certificates, the Company will, as soon as practicable after determining that such marking is required or after the failure of the Company to deliver the aforementioned Opinion of Counsel, arrange for the marking of each such unit of Trust Equipment in the following manner. There shall be plainly, distinctly, permanently and conspicuously placed and fastened upon each side of each such unit a metal plate bearing the following words, or such words shall be otherwise plainly, distinctly, permanently and conspicuously marked on each side of such unit, in either case in letters not less than seven-sixteenths of one inch in height:

OWNERSHIP SUBJECT TO A SECURITY AGREEMENT FILED WITH THE INTERSTATE COMMERCE COMMISSION

Such plates or marks shall be such as to be readily visible and as to indicate plainly the Trustee's ownership of each such unit of the Trust Equipment.

In case, prior to the termination of the lease provided for herein, any of such plates or marks shall at any time be removed, defaced or destroyed, the Company shall forthwith cause the same to be restored or replaced. The Company shall not change, or permit to be changed, the numbers of any of the Trust Equipment at any time covered hereby (or any numbers which may have been substituted as herein provided) except in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Trustee

by the Company and which shall be filed and recorded in like manner as this Agreement.

Any unit of Trust Equipment required to be marked pursuant to this Section 5.07 may be lettered, "Signal Capital Corporation", or in some other appropriate manner for convenience of identification of the leasehold interest of the Company therein, and may also be lettered, in case of a sublease of any Trust Equipment permitted by Section 5.09 hereof, in such manner as may be appropriate for convenience of identification of the subleased interest therein; but, except as provided in the preceding paragraph, the Company, from and after the date hereof and during the continuance of the lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on or to remain on any unit of Trust Equipment as a designation which might be interpreted as a claim of ownership thereof by the Company or by any person, firm, association or corporation other than the Trustee.

SECTION 5.08. Maintenance of Trust Equipment. The Company agrees that it will maintain and keep or cause others to maintain and keep each unit of Trust Equipment in good order and proper repair without cost or expense to the Trustee, unless and until it becomes worn-out, unsuitable for use, lost or destroyed (hereinafter called a Casualty Occurrence). Whenever any unit of Trust Equipment shall suffer a Casualty Occurrence, the Company shall, within 30 days after it shall have been informed of such Casualty Occurrence, deliver to the Trustee an Officers' Certificate describing such Trust Equipment and stating the fair value thereof as of the date of such Casualty Occurrence. Within 30 days after the Company shall have been informed of Casualty Occurrences to units of Trust Equipment (exclusive of units having suffered a Casualty Occurrence in respect of which a payment shall have been made to the Trustee pursuant to this Section) the aggregate fair value of which, as of the dates of the respective Casualty Occurrences specified in the Officers' Certificates related thereto delivered pursuant to the foregoing sentence, exceed $1,500,000 (or such lesser amount as the Company may elect), the Company shall deposit with the Trustee an amount in cash equal to such fair value, provided, however, that the Company shall have the option, in lieu of making all or any part of such cash payment, to convey to the Trustee, in the manner and subject to the conditions

set forth in Section 5.06 hereof, Equipment of a fair value to the Company equal to the amount of all or any part of the cash payment which would otherwise be required. The rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of such wearing out, unsuitableness for use, loss or destruction. Cash deposited with the Trustee pursuant to this Section 5.08 shall be held and applied as provided in the fourth paragraph of Section 5.06. For all purposes of this paragraph, fair value and fair value to the Company shall be determined in the manner provided in the penultimate paragraph of Section 5.06.

The Company covenants and agrees to furnish to the Trustee, whenever required by the Trustee, and at least once, on or before April 1 in every calendar year following the calendar year in which occurs the first delivery of any of the Trust Equipment to the Trustee or its agent or agents hereunder and during the continuance of the lease provided for herein, (a) an Officers' Certificate, dated as of the preceding December 31, stating (1) the number of units of the Trust Equipment then covered hereby and then under sublease, together with a list of such sublessees and the units of Trust Equipment leased by each of them, (2) the amount, description and numbers of all Trust Equipment that may have suffered a Casualty Occurrence by accident or otherwise since the date of the last preceding statement (or the date of this Agreement in the case of the first statement), (3) the number of units of the Trust Equipment which the Company has been notified are then undergoing repairs, other than running repairs, or then withdrawn from use for such repairs and (4) that in the case of all the Trust Equipment repainted or repaired since the date of the last preceding statement (or the date of this Agreement in the case of the first statement) the plates or marks required by Section 5.07, if any, have been preserved, or that such Trust Equipment when repainted or repaired has been again plated or marked as required thereby and, if the Company does not intend to mark the units of Trust Equipment as provided in Section 5.07, (b) an Opinion of Counsel to the effect that the marking of one or more units of Trust Equipment as provided in Section 5.07 hereof is not required by law to properly protect the title of the Trustee to the Trust Equipment or the rights of the holders of Trust Certificates. The Trustee, by its agents, shall have the right once in each calendar year, but

shall be under no duty, to inspect the Trust Equipment at the then existing locations thereof.

SECTION 5.09. Possession of Trust Equipment. Except as provided in this Section 5.09, the Company will not assign or transfer its rights hereunder, or transfer or sublet the Trust Equipment or any part thereof or assign, pledge, mortgage, transfer or otherwise dispose of any rights under any sublease of any of the Trust Equipment, without the written consent of the Trustee first had and obtained, and the Company shall not, without such written consent, except as herein provided, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment. An assignment or transfer to a corporation which shall acquire all or substantially all of the property of the Company and which, by execution of an appropriate instrument satisfactory to the Trustee, shall assume and agree to perform each and all of the obligations and covenants of the Company hereunder and under the guaranty endorsed on the Trust Certificates shall not be deemed a breach of this covenant. The appointment of a receiver or receivers in equity or reorganization or a trustee or trustees in bankruptcy or reorganization for the Company or for all or substantially all of its property shall not be deemed an unauthorized assignment if, prior to any action by the Trustee to exercise the remedies herein provided, such receiver or receivers or trustee or trustees shall be discharged or such receiver or receivers or trustee or trustees shall, pursuant to court order or decree, in writing duly assume and agree to pay or perform each and all of the obligations and covenants of the Company hereunder and under the guaranty endorsed on the Trust Certificates, in such manner that such obligations shall have the same status as obligations incurred by such receiver or receivers or trustee or trustees.

So long as the Company shall not be in default under this Agreement, the Company and any of its Affiliates shall be entitled to the possession and use of the Trust Equipment in accordance with the terms hereof, and the Company may also (a) furnish the Trust Equipment or any part thereof to railroad companies for use upon the lines of railroads owned or operated by them or over which they have trackage rights and upon connecting and other lines of railroad in the usual interchange traffic, or to others than railroad companies for use in their

business, or (b) sublet all or any part of the Trust Equipment.

Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled to the possession and use of the Trust Equipment covered thereby, and, subject to the provisions of Section 5.07, may provide for lettering or marking upon such Equipment for convenience of identification of the leasehold interest of such sublessee therein; provided, however, that anything in the foregoing provisions of this sentence to the contrary notwithstanding, any such sublease shall expressly provide that all or any part of the rights of the Company thereunder may be assigned, pledged, mortgaged, transferred or otherwise disposed of; and provided, further, that anything in the foregoing provisions of this sentence to the contrary notwithstanding, every such sublease shall expressly subject the right of the sublessee under such sublease to the rights of the trustee under any equipment trust agreement covering such Trust Equipment upon the occurrence of an Event of Default.

The Trustee shall have the right to declare the lease provided for herein terminated in case of any unauthorized assignment or transfer of the Company's rights hereunder or in case of any unauthorized transfer or sublease of any of the Trust Equipment. The election of the Trustee to terminate the lease provided for herein shall have the same effect as the retaking of the Trust Equipment by the Trustee as hereinafter provided.

SECTION 5.10. Assignment of Lease Rentals and Other Payments. Subject to the rights of the sublessee, the Company hereby assigns, transfers, and sets over unto the Trustee, as security for the payment and performance of all the Company's obligations under the lease provided for herein, (1) all the Company's right, title and interest as lessor in, to and under any sublease permitted by Section 5.09 of any units of Trust Equipment covered thereby, together with all rights, powers, privileges, options and other benefits of the Company as lessor under such sublease in respect of such units of Trust Equipment, including, but not limited to, the Company's right to receive and collect all rentals and other payments now or hereafter to become payable to or receivable by the Company under or pursuant to the provisions of such sublease and, in addition, (2) all the Company's right to

receive and collect all per diem, mileage or other payments now or hereafter to become payable to or receivable by the Company in respect of the Trust Equipment whether under or pursuant to the provisions of any such sublease or otherwise; provided, however, that until the happening of an Event of Default, the Trustee shall not collect or receive any of such rentals or other payments or take any other action in respect thereof. The Company represents and warrants that it has not heretofore made, and agrees it will not hereafter make, in respect of the Trust Equipment, any other assignment of any such sublease or the rentals or other payments payable to or receivable by the Company under any such sublease or otherwise.

In addition to, and without in any way limiting, the powers conferred upon the Trustee by Sections 6.01 and 6.02, the Trustee may, upon the happening of an Event of Default and not otherwise, in the Trustee's own name, or in the name of the Trustee's nominee, or in the name of the Company or as the Company's attorney, (i) ask, demand, sue for, collect and receive any and all rentals or per diem, mileage or other payments to which the Company is or may become entitled in respect of the Trust Equipment, and (ii) with respect to any sublease permitted by Section 5.09 to which any units of Trust Equipment shall then be subject, enforce compliance by the lessee under such sublease with all the terms and provisions thereof and make all waivers and agreements, give all notices, consents and releases, take all action upon the happening of an event of default specified in such sublease, and do any and all other things whatsoever which the Company, as lessor, is or may become entitled to do under such sublease.

The assignment made by this Section 5.10 is made only as security and, therefore, shall not subject the Trustee to, or transfer, or pass, or in any way affect or modify, the liability of the Company under any sublease or otherwise, it being understood that notwithstanding such assignment, all obligations of the Company under any sublease or otherwise shall be and remain enforceable against, and only against, the Company.

Upon the full discharge and satisfaction of the Company's obligations under the lease provided for herein, the assignment made by this Section 5.10 shall terminate and all right, title and interest of the Trustee as assignee hereunder in and to any sublease or

any payments in respect of the Trust Equipment shall revert to the Company.

The Company covenants and agrees with the Trustee that in any suit, proceeding or action brought by the Trustee pursuant to the provisions of this Section 5.10 for any rentals or per diem, mileage or other payments in respect of the Trust Equipment, whether under or pursuant to the provisions of any sublease or otherwise, or to enforce any provisions of any sublease, the Company will save, indemnify and keep the Trustee harmless from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim or recoupment whatsoever against the Company.

SECTION 5.11. Patent Indemnity. The Company covenants and agrees to indemnify the Trustee against any and all claims arising out of or connected with the ownership or use of any of the Trust Equipment, and particularly against any and all claims arising out of the use of any patented inventions in and about the Trust Equipment, and to comply in all respects with the laws of the United States of America and of all the states and other jurisdictions in which the Trust Equipment, or any thereof, may be operated, and with all lawful acts, rules, regulations and orders of any commissions, boards and other legislative, executive, administrative or judicial bodies or officers having power to regulate or supervise any of the Trust Equipment, including without limitation, all lawful acts, rules, regulations and orders of any body having competent jurisdiction relating to automatic coupler devices or attachments, air brakes or other appliances; provided, however, that the Company may in good faith contest the validity of any such law, act, rule, regulation or order, or the application thereof to the Trust Equipment or any part thereof, in any reasonable manner which will not in the judgment of the Trustee materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates. The Company shall not be relieved from any of its obligations hereunder by reason of the assertion or enforcement of any such claims or the commencement or prosecution of any litigation in respect thereof. This covenant of indemnity shall continue in full force and effect notwithstanding the full payment of principal and interest on the Trust Certificates and the conveyance of the Trust Equipment, as provided in Section 5.05 hereof, or the termination of this Agreement in any manner whatsoever.

The Company will bear the risk of, and shall not be released from its obligations hereunder in the event of, any damage to or the destruction or loss of any unit of or all of the Trust Equipment.

ARTICLE SIX

REMEDIES IN EVENT OF DEFAULT

SECTION 6.01. Events of Default. The Company covenants and agrees that in case

(a) the Company shall default in the payment of any part of the rental payable hereunder (including advance rental and any rental payable in respect of a sinking fund payment pursuant to Section 5.04(B)(4) or a payment of principal of the Trust Certificates pursuant to Section 5.04(B)(5)) for more than 30 days after the same shall have become due and payable, or

(b) the Company shall make or suffer any unauthorized assignment or transfer of its rights hereunder or shall make any unauthorized transfer or sublease of any unit of the Trust Equipment, or, except as herein authorized, shall part with the possession of any unit of the Trust Equipment, and shall fail or refuse either to cause such assignment or transfer or sublease to be canceled by agreement of all parties having any interest therein and recover possession of such Trust Equipment within 30 days after the Trustee shall have demanded in writing such cancellation and recovery of possession, or, within said 30 days, to deposit with the Trustee a sum in cash equal to the Cost (less an amount equal to 3.0% in the case of tank cars and 3.6% in the case of all other Trust Equipment of such Cost for each full period of one year between the date such unit was first put into use and the date on which the Trustee shall have demanded in writing such cancellation and recovery of possession) of, or, in the case of Trust Equipment conveyed to the Trustee pursuant to Section 5.06 hereof, the fair value (less depreciation at the rate of 3.0% in the case of tank cars and 3.6% in the case of all other Trust Equipment for each full period of one year between such date of conveyance and the date on

which the Trustee shall have demanded in writing such cancellation and recovery of possession) of, the Trust Equipment so assigned or transferred or subleased or the possession of which shall have been parted with otherwise than as herein authorized, as certified to the Trustee pursuant to Section 4.04 or Section 5.06 (any sum so deposited to be returned to the Company upon the cancellation of such assignment, transfer or sublease and the recovery of possession by the Company of such Trust Equipment), or

(c) the Company shall, for more than 60 days after the Trustee shall have demanded in writing performance thereof, fail or refuse to comply with any other of the terms and covenants hereof on its part to be kept and performed, or to make provision satisfactory to the Trustee for such compliance,

then, in any such case (herein sometimes called an Event of Default, the Trustee, by notice in writing to the Company, or the holders of not less than 25% in principal amount of the then outstanding Trust Certificates, by notice in writing to the Company and the Trustee, may declare to be due and payable forthwith the entire amount of the rentals (including any unpaid advance rental, but not including rentals required for the payment of interest accruing after the date of such declaration or rentals payable pursuant to Section 5.04(B)(4) after the date of such declaration) payable by the Company as set forth in Section 5.04 and not theretofore paid. Thereupon the entire amount of such rentals shall forthwith become and shall be due and payable immediately without further demand, together with interest at the respective rates per annum set forth in the outstanding Trust Certificates, to the extent legally enforceable, on any portion thereof overdue.

In addition, in case one or more Events of Default shall happen, the Trustee, by notice in writing to the Company, or the holders of not less than 25% in principal amount of the then outstanding Trust Certificates, by notice in writing to the Company and the Trustee, may declare the principal of all the Trust Certificates then outstanding to be due and payable, and thereupon the same shall become and be immediately due and payable.

In case the Company shall fail to pay any installment of rental payable pursuant to Section 5.04(B)(3), (B)(4) or (B)(5) when and as the same shall have become due and payable hereunder, and, in the case of a default in the payment of any installment of rental payable pursuant to Section 5.04(B)(3), such default shall have continued for a period of 30 days, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the rentals so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Company or other obligor upon the Trust Certificates and collect in the manner provided by law out of the property of the Company or other obligor upon the Trust Certificates wherever situated the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor upon the Trust Certificates under any bankruptcy, insolvency or other similar law, or in case a receiver or trustee shall have been appointed for the property of the Company or such other obligor, or in case of any other judicial proceedings relative to the Company or such other obligor, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the rental payments hereunder or the principal of the Trust Certificates shall then be due and payable as herein or therein expressed whether by declaration or otherwise and irrespective of whether the Trustee shall have made any demand or declaration pursuant to the provisions of this Section 6.01, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the entire amount of the rentals (including any unpaid advance rental, but not including rentals required for the payment of interest accruing after the date of such claim or claims or rentals payable pursuant to Section 5.04(B)(4) after the date of such claim or claims) and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee, its agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or bad

faith) and of the holders of the Trust Certificates allowed in such proceedings and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the holders of the Trust Certificates and of the Trustee on their behalf; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the holders of the Trust Certificates to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the holders of the Trust Certificates, to pay to the Trustee such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or bad faith.

All rights of action and to assert claims under this Agreement, or under any of the Trust Certificates, may be enforced by the Trustee without the possession of any of the Trust Certificates or the production thereof on any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be for the ratable benefit of the holders of the Trust Certificates. In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this Agreement to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Trust Certificates, and it shall not be necessary to make any holders of the Trust Certificates parties to such proceedings.

SECTION 6.02. Remedies. In case of the happening of any Event of Default, the Trustee (a) may by its agents enter upon the premises of the Company and of any Affiliate of the Company or of any sublessee where any of the Trust Equipment may be and take possession of all or any part of the Trust Equipment and withdraw the same from said premises, retaining all payments which up to that time may have been made on account of rental for the Trust Equipment and otherwise, (b) shall be entitled to collect, receive and retain all per diem, mileage, sublease rentals or other charges of any kind then due on account of or thereafter earned by the Trust Equipment or any part thereof, (c) may lease the Trust Equipment or

any part thereof, (d) with or without retaking possession thereof (but only after declaring due and payable the entire amount of rentals payable by the Company as provided in Section 6.01 hereof) may sell the same or any part thereof, free from any and all claims of the Company at law or in equity, in one lot and as an entirety or in separate lots, insofar as may be necessary to perform and fulfill the trust hereunder, at public or private sale, for cash or upon credit, in its discretion, or (e) may proceed otherwise to enforce its rights and the rights of the holders of interests hereunder in the manner herein provided. Upon any such sale, the Trustee itself may bid for the property offered for sale or any part thereof. Any such sale may be held or conducted at such place and at such time as the Trustee may specify, or as may be required by law, and without gathering at the place of sale the Trust Equipment to be sold, and in general in such manner as the Trustee may determine, but so that the Company may and shall have a reasonable opportunity to bid at any such sale. Upon such taking possession or withdrawal or lease or sale of the Trust Equipment, the Company shall cease to have any rights or remedies in respect of the Trust Equipment hereunder, but all such rights and remedies shall be deemed thenceforth to have been waived and surrendered by the Company, and no payments theretofore made by the Company for the rent or use of the Trust Equipment or any of it shall, in case of the happening of any Event of Default and such taking possession, withdrawal, lease or sale by the Trustee, give to the Company any legal or equitable interest or title in or to the Trust Equipment or any of it or any cause or right of action at law or in equity in respect of the Trust Equipment against the Trustee or the holders of interests hereunder. No such taking, possession, withdrawal, lease or sale of the Trust Equipment by the Trustee shall be a bar to the recovery by the Trustee from the Company of rentals then or thereafter due and payable, and the Company shall be and remain liable for the same until such sums shall have been realized as, with the proceeds of the lease or sale of the Trust Equipment, shall be sufficient for the discharge and payment in full of all the items mentioned in Section 5.04 (other than rentals required for the payment of interest accruing, or rentals payable pursuant to Section 5.04(B)(4) due, after the date of the declaration referred to in Section 6.01), whether or not they shall have then matured.

Section 6.03. Application of Proceeds. If, in case of the happening of any Event of Default, the Trustee shall exercise any of the powers conferred upon it by Sections 6.01 and 6.02, all payments made by the Company to the Trustee hereunder after such Event of Default, and the proceeds of any judgment collected from the Company by the Trustee hereunder of any of the Trust Equipment, together with any other sums which may then be held by the Trustee under any of the provisions hereof (other than sums held in trust for the payment of specific Trust Certificates), shall be applied by the Trustee to the payment, in the following order of priority, (a) of all proper charges, expenses or advances made or incurred by the Trustee in accordance with the provisions of this Agreement and (b) of the interest then due, with interest on overdue interest with respect to any Trust Certificate at the rate per annum set forth in such Trust Certificate to the extent legally enforceable, and of the principal of all the outstanding Trust Certificates, with interest on each such Trust Certificate at the rate per annum set forth in such Trust Certificate to the extent legally enforceable from the last preceding interest payment date, whether such Trust Certificates shall have then matured by their terms or not, all such payments to be in full if such proceeds shall be sufficient, and if not sufficient, then pro rata without preference between principal and interest.

After all such payments shall have been made in full, the title to any of the Trust Equipment remaining unsold shall be conveyed by the Trustee to the Company free from any further liabilities or obligations to the Trustee hereunder. If after applying all such sums of money realized by the Trustee as aforesaid there shall remain any amount due to the Trustee under the provisions hereof, the Company agrees to pay the amount of such deficit to the Trustee. If after applying as aforesaid the sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, such surplus shall be paid to the Company.

Section 6.04. Waivers of Default. Prior to the declaration of the acceleration of the maturity of the rentals and of the maturity of all the Trust Certificates as provided in Section 6.01, the holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding may on behalf of the holders of all the Trust Certificates waive any past

Event of Default and its consequences, except an Event of Default in the payment of any installment of rental payable pursuant to Section 5.04(B)(3), (B)(4) or (B)(5), but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

If at any time after the principal of all the Trust Certificates shall have been declared and become due and payable or if at any time after the entire amount of rentals shall have been declared and become due and payable, all as in Section 6.01 provided, but before February 1, 2006, all arrears of rent (with interest at the respective rates per annum set forth in the outstanding Trust Certificates upon any overdue installments, to the extent legally enforceable), the expenses and reasonable compensation of the Trustee, together with all expenses of the Trust occasioned by the Company's default, and all other sums which shall have become due and payable by the Company hereunder (other than the principal of Trust Certificates, and any other rental installments, which shall not at the time have matured according to their terms) shall be paid by the Company before any sale or lease by the Trustee of any of the Trust Equipment, and every other default in the observance or performance of any covenant or condition hereof shall be made good or secured to the satisfaction of the Trustee, or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such case, the Trustee, if so requested by the holders of a majority in aggregate principal amount of the Trust Certificates then outstanding, shall by written notice to the Company waive the default by reason of which there shall have been such declaration or declarations and the consequences of such default, but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

Section 6.05. Obligations of Company Not Affected by Remedies. No retaking of possession of the Trust Equipment by the Trustee, or any withdrawal, lease or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment on the part of the Trustee or on the part of the holder of any Trust Certificate, nor any delay or indulgence granted to the Company by the Trustee or by any such holder, shall affect the obligations of the Company hereunder or the obligations of the Company under the guaranty endorsed on the Trust Certificates. The Company hereby waives presentation and demand in respect of any

of the Trust Certificates and waives notice of presentation, of demand and of any default in the payment of the principal of and interest on the Trust Certificates.

Section 6.06. Company to Deliver Trust Equipment to Trustee. In case the Trustee shall rightfully demand possession of any of the Trust Equipment, the Company will, at its own expense, forthwith and in the usual manner and at usual speed, cause such Trust Equipment to be drawn to such point or points as shall reasonably be designated by the Trustee and will there deliver or cause to be delivered the same to the Trustee; or, at the option of the Trustee, the Trustee may keep such Trust Equipment, at the expense of the Company, on any lines of railroad or premises approved by the Trustee until the Trustee shall have leased, sold or otherwise disposed of the same. The performance of the foregoing covenant is of the essence of this Agreement and upon application to any court having jurisdiction in the premises, the Trustee shall be entitled to a decree against the Company requiring the specific performance thereof.

Section 6.07. Trustee to Give Notice of Default, but May Withhold under Certain Circumstances. The Trustee shall give to the holders of the Trust Certificates in the manner and to the extent provided in Section 8.04(c) with respect to reports pursuant to Section 8.04(a) notice of each default hereunder known to the Trustee within 90 days after the occurrence thereof, unless such default shall have been remedied or cured before the giving of such notice; provided that, except in the case of default in the payment of any part of the rental payable hereunder pursuant to Section 5.04(B)(3), (B)(4) or (B)(5) hereof, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors and/or Responsible Officers in good faith determine that the withholding of such notice is in the interests of the holders of the Trust Certificates. The term "default" as used in this Section 6.07 shall mean the happening of any event defined as an Event of Default in Section 6.01, except that, for the purposes of this Section 6.07 only, there shall be eliminated from the definition of any such event as specified in Section 6.01 any reference to the making of a written demand or the continuance, or the continuance in force, for any period of days of any default or failure on the part of the Company referred to in such definition.

SECTION 6.08. Limitations on Suits by Holders of Trust Certificates. No holder of any Trust Certificate shall have any right by virtue or by availing of any provision of this Agreement to institute any action or proceedings at law or in equity or in bankruptcy or otherwise, upon or under or with respect to this Agreement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless such holder previously shall have given to the Trustee written notice of default and of the continuance thereof, as hereinbefore provided, and unless the holders of a majority in aggregate principal amount of the Trust Certificates then outstanding shall have made written request to the Trustee to institute such action or proceedings in its own name as trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such action or proceedings and no direction inconsistent with such written request shall have been given to the Trustee pursuant to Section 6.10; it being understood and intended, and being expressly covenanted by the holder of every Trust Certificate with every other holder and the Trustee, that no one or more holders of Trust Certificates shall have any right in any manner whatever, by virtue or by availing of any provision of this Agreement, to affect, disturb, or prejudice the rights of any other holder of Trust Certificates, or to obtain or seek to obtain priority over or preference to any other such holder or to enforce any right under this Agreement, except in the manner herein provided and for the equal, ratable and common benefit of all holders of Trust Certificates. For the protection and enforcement of the provisions of this Section 6.08, each and every holder of a Trust Certificate and the Trustee shall be entitled to such relief as can be given either at law or in equity.

SECTION 6.09. Unconditional Right of Holders of Trust Certificates to Sue for Principal and Interest. Notwithstanding any other provision in this Agreement, the right of any holder of any Trust Certificate to receive payment of the principal of and interest on such Trust Certificate, on or after the respective due dates expressed in such Trust Certificate, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected with-

out the consent of such holder, except no such suit shall be instituted if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the title reserved under this Agreement upon any property subject hereto.

SECTION 6.10. Control by Holders of Trust Certificates. The holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; provided, however, that such direction shall not be otherwise than in accordance with law and the provisions of this Agreement, and the Trustee, subject to the provision of Section 9.02, shall have the right to decline to follow any such direction if the Trustee being advised by counsel shall determine that the proceedings so directed may not lawfully be taken, or if the Trustee in good faith shall, by a Responsible Officer or Officers of the Trustee, determine that the proceeding so directed would involve it in a personal liability, or if the Trustee in good faith shall determine that the action so directed would be unjustly prejudicial to the holders of the Trust Certificates not taking part in such direction; and provided, further, that nothing in this Agreement contained shall impair the right of the Trustee to take any action deemed proper by the Trustee and which is not inconsistent with such direction by the holders of the Trust Certificates.

SECTION 6.11. Right of Court to Require Filing of Undertaking to Pay Costs. All parties to this Agreement agree, and each holder of any Trust Certificate by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Agreement, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 6.11 shall not apply to any suit instituted by the Trustee, to any suit instituted by

any holder of a Trust Certificate, or group of holders of the Trust Certificates, holding in the aggregate more than 10% in principal amount of the Trust Certificates outstanding, or to any suit instituted by any holder of a Trust Certificate for the enforcement of the payment of the principal of or interest on any Trust Certificate on or after the due date expressed in such Trust Certificate.

SECTION 6.12. Remedies Cumulative. The remedies in this Agreement provided in favor of the Trustee and the holders of the Trust Certificates, or any of them, shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity.

ARTICLE SEVEN

ADDITIONAL COVENANTS AND AGREEMENTS BY THE COMPANY

SECTION 7.01. Guaranty of Company. The Company covenants, agrees and guarantees that the holder of each of the Trust Certificates shall receive the principal amount thereof in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof or of this Agreement (and, if not so paid, with interest thereon until paid at the respective rates per annum contained in the guarantees set forth on the Trust Certificates to the extent legally enforceable), and shall receive interest thereon in like money at the rate specified therein, at the times and place and otherwise as expressed in the Trust Certificates and, if not so paid, with interest thereon until paid at the respective rates per annum contained in the guarantees set forth on the Trust Certificates to the extent legally enforceable); and the Company further covenants and agrees to endorse upon each of the Trust Certificates, at or before the authentication and delivery thereof by the Trustee, its guaranty of the prompt payment of the principal thereof and of the interest thereon, in substantially the form hereinbefore set forth. Said guaranty so endorsed shall be signed in the name and on behalf of the Company by the manual or facsimile signature of its President or a Vice President.

In case any officer of the Company whose signature shall appear on said guaranty shall cease to be such officer before the Trust Certificates shall have been issued, authenticated and delivered by the Trustee, or shall not have been acting in such capacity on the date of the Trust Certificates, such guaranty shall nevertheless be as effective and binding upon the Company as though the person who signed said guaranty had not ceased to be or had then been such officer.

SECTION 7.02. Discharge of Liens. The Company covenants and agrees that it will pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction or discharge of, any debt, tax, charge, assessment, obligation or claim which if unpaid might become a lien or charge upon or against any of the Trust Equipment, except upon the leasehold interest of the Company therein; but this provision shall not require the payment of any such debt, tax, charge, assessment, obligation or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, provided that such contest will not materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect.

SECTION 7.03. Payment of Expenses; Recording. The Company covenants and agrees to pay the expenses incident to the preparation and execution of the Trust Certificates to be issued hereunder, or connected with the preparation, execution, recording and filing hereof and of any instruments executed under the provisions hereof with respect to the Trust Equipment. The Company will, promptly after the execution and delivery of this Agreement and each supplement hereto, respectively, cause this Agreement and such supplement hereto, respectively, to be duly filed and recorded with the Interstate Commerce Commission in accordance with 49 U.S.C. § 11303. The Company will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register and record any and all further instruments and file, register and record this Agreement and each supplement hereto in all other jurisdictions required by law or reasonably requested by the Trustee for the purposes of proper protection of the title of the Trustee and the rights of the holders of the Trust Certificate and of

fully carrying out and effectuating this Agreement and the intent hereof.

Promptly after the execution and delivery of this Agreement and each supplement hereto, the Company will furnish to the Trustee an Opinion of Counsel stating that in the opinion of such counsel, this Agreement or such supplement, as the case may be, has been properly recorded and filed so as effectively to protect the title of the Trustee to the Trust Equipment and its rights and the rights of the holders of the Trust Certificates thereunder and hereunder (to the extent possible under applicable law) and reciting the details of such action or stating that in the opinion of such counsel no such action is necessary for any of such purposes; and the Company shall furnish to the Trustee, not more than three months after the anniversary in each year, commencing with the year 1989, of the first recording or filing of this Agreement, an Opinion of Counsel stating either that, in the opinion of such counsel, (i) such action has been taken with respect to the recording, filing, re-recording and refiling of this Agreement and each supplement hereto as is necessary for the proper protection of the title of the Trustee to the Trust Equipment and the rights of the Trustee and holders of the Trust Certificates hereunder and thereunder (to the extent possible under applicable law) and reciting the details of such action, or (ii) no such action is necessary for any of such purposes.

SECTION 7.04. Further Assurances. The Company covenants and agrees from time to time to do all such acts and execute all such instruments of further assurance as it shall be reasonably requested by the Trustee to do or execute for the purpose of fully carrying out and effectuating this Agreement and the intent hereof.

ARTICLE EIGHT

LISTS OF HOLDERS OF THE TRUST CERTIFICATES AND REPORTS BY THE COMPANY AND THE TRUSTEE

SECTION 8.01. Company to Furnish Trustee Information as to Names and Addresses of Holders of the Trust Certificates. The Company covenants and agrees that it will furnish or cause to be furnished to the Trustee (1) semiannually during the periods January 15 to

February 1, inclusive, and July 15 to August 1, inclusive, in each year, beginning with July 15, 1988, a list in such form as the Trustee may reasonably require, of the names and addresses of the holders of Trust Certificates as of such January 15 or July 15 and (2) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the date such list is furnished; provided, however, that so long as the Trustee is the sole registrar of the Trust Certificates pursuant to Section 2.06, no such list need be furnished.

SECTION 8.02. Preservation of Information; Communications to Holders of the Trust Certificates. (a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the holders of Trust Certificates (1) contained in the most recent list furnished to it as provided in Section 8.01, (2) received by it in the capacity of paying agent or sole registrar (if so acting) hereunder and (3) filed with it within the two preceding years pursuant to the provisions of Section 8.04(c)(2).

The Trustee may (1) destroy any list furnished to it as provided in Section 8.01 upon receipt of a new list so furnished, (2) destroy any information received by it as paying agent or registrar (if so acting) hereunder upon delivering to itself as Trustee, not earlier than 45 days after an interest payment date on the Trust Certificates, a list containing the names and addresses of the holders of Trust Certificates obtained from such information since the delivery of the next previous list, if any, (3) destroy any list delivered to itself as Trustee which was compiled from information received by it as paying agent or registrar (if so acting) hereunder upon the receipt of a new list so delivered and (4) destroy any information filed with it pursuant to the provisions of Section 8.04(c)(2) but not until two years after such information had been filed with it.

(b) In case three or more holders of Trust Certificates (hereinafter referred to as applicants) apply in writing to the Trustee, and furnish to the Trustee reasonable proof that each such applicant has owned a Trust Certificate for a period of at least six months preceding the date of such application, and such application states that the applicants desire to communi-

cate with other holders of Trust Certificates with respect to their rights under this Agreement or under the Trust Certificates and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Trustee shall, within five business days after the receipt of such application, at its election, either

(1) afford such applicants access to the information preserved at the time by the Trustee in accordance with the provisions of Section 8.02(a), or

(2) inform such applicants as to the approximate number of holders of Trust Certificates whose names and addresses appear in the information preserved at the time by the Trustee in accordance with the provisions of Section 8.02(a), and as to the approximate cost of mailing to such holders of the Trust Certificates the form of proxy or other communication, if any, specified in such application.

If the Trustee shall elect not to afford such applicants access to such information, the Trustee shall, upon the written request of such applicants, mail to each holder of a Trust Certificate whose name and address appears in the information preserved at the time by the Trustee in accordance with the provisions of Section 8.02(a), a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Trustee of the material to be mailed and of payment or provision for the payment of the reasonable expenses of mailing, unless within five days after such tender the Trustee shall mail to such applicants, and file with the Commission together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Trustee, such mailing would be contrary to the best interests of the holders of Trust Certificates or would be in violation of applicable law. Such written statement shall specify the basis of such opinion. If the Commission, after opportunity for a hearing upon the objections specified in the written statement so filed, shall enter an order refusing to sustain any of such objections or if, after the entry of an order sustaining one or more of such objections, the Commission shall find, after notice and opportunity for hearing, that all objections so sustained have been met and shall enter an order so declar-

ing, the Trustee shall mail copies of such material to all such holders of the Trust Certificates with reasonable promptness after the entry of such order and the renewal of such tender; otherwise the Trustee shall be relieved of any obligation or duty to such applicants respecting their application.

(c) Each and every holder of the Trust Certificates, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any paying agent shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the holders of the Trust Certificates in accordance with the provisions of Section 8.02(b), regardless of the source from which such information was derived, and that the Trustee shall not be held accountable by reason of mailing any material pursuant to a request made under Section 8.02(b).

SECTION 8.03. Reports by the Company. The Company covenants:

(a) to file with the Trustee, within 15 days after the Company is required to file the same with the Commission, copies of the annual reports and of the information, documents, and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Company may be required to file with the Commission pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934; or, if the Company is not required to file information, documents, or reports pursuant to either of said sections, then to file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(b) to file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with

respect to compliance by the Company with the conditions and covenants provided for in this Agreement as may be required from time to time by such rules and regulations; and

(c) to transmit to the holders of the Trust Certificates, within 30 days after the filing thereof with the Trustee, in the manner and to the extent provided in Section 8.04(c) with respect to reports pursuant to Section 8.04(a), such summaries of any information, documents and reports required to be filed by the Company pursuant to Section 8.03(a) and (b) as may be required by rules and regulations prescribed from time to time by the Commission.

SECTION 8.04. Reports by the Trustee. (a) On or before February 1, 1989 and on or before February 1 in every year thereafter, so long as any Trust Certificates are outstanding hereunder, the Trustee shall transmit to the holders of the Trust Certificates, as hereinafter in this Section 8.04 provided, a brief report dated as of the preceding December 1 with respect to:

(1) its eligibility under Section 9.08 and its qualifications under Section 9.07, or in lieu thereof, if to the best of its knowledge it has continued to be eligible and qualified under said Sections, a written statement to such effect;

(2) the character and amount of any advances (and if the Trustee elects so to state, the circumstances surrounding the making thereof) made by the Trustee (as such) which remain unpaid on the date of such report, and for the reimbursement of which it claims or may claim a lien or charge, prior to that of the Trust Certificates, on the trust estate or on any property or funds held or collected by it as Trustee, except that the Trustee shall not be required (but may elect) to report such advances if such advances so remaining unpaid aggregate not more than 1/2 of 1% of the principal amount of the Trust Certificates outstanding on the date of such report;

(3) the amount, interest rate and maturity date of all other indebtedness owing by the Company (or by any other obligor on the Trust Certificates) to the Trustee in its individual capacity, on the date of such report, with a brief description of any

property held as collateral security therefor, except an indebtedness based upon a creditor relationship arising in any manner described in Section 9.12(b)(2), (3), (4) or (6);

(4) the property and funds, if any, physically in the possession of the Trustee as such on the date of such report;

(5) any release, assignment or transfer, or release, assignment or transfer and substitution, of any Trust Equipment (and the consideration therefor, if any) which it has not previously reported; provided, however, that to the extent that the aggregate value (as shown by the Engineer's Certificates furnished to the Trustee in respect thereof) or any or all of such released, assigned or transferred Trust Equipment does not exceed an amount equal to 1% of the principal amount of Trust Certificates then outstanding, the report need only indicate the number of such releases, assignments or transfers, the total value of Trust Equipment released, assigned or transferred as shown by said Engineer's Certificates, the aggregate amount of cash received and the aggregate value of Trust Equipment received in substitution therefor as shown by said Engineer's Certificates;

(6) any additional issue of Trust Certificates which it has not previously reported; and

(7) any action taken by the Trustee in the performance of its duties under this Agreement which it has not previously reported and which in its opinion materially affects the Trust Certificates or the trust estate, except action in respect of a default, notice of which has been or is to be withheld by it in accordance with the provisions of Section 6.07.

(b) The Trustee shall transmit to the holders of the Trust Certificates, as provided in Section 8.04(c), a brief report with respect to (i) the release, assignment or transfer, or release, assignment or transfer and substitution, of any Trust Equipment (and the consideration therefor, if any) unless the fair value of such Trust Equipment (as set forth in the Engineer's Certificate furnished to the Trustee in respect thereof)

is less than 10% of the principal amount of Trust Certificates outstanding at the time of such release, assignment or transfer, or such release, assignment or transfer and substitution, such report to be so transmitted within 90 days after such time, and (ii) the character and amount of any advances (and if the Trustee elects so to state, the circumstances surrounding the making thereof) made by the Trustee (as such) since the date of the last report transmitted pursuant to the provisions of Section 8.04(a) (or if no such report has yet been so transmitted, since the date of execution of this Agreement), for the reimbursement of which it claims or may claim a lien or charge, prior to that of the Trust Certificates, on the trust estate or on property or funds held or collected by it as Trustee, and which it has not previously reported pursuant to this Section 8.04(b), except that the Trustee shall not be required (but may elect) to report such advances if such advances remaining unpaid at any time aggregate 10% or less of the principal amount of Trust Certificates outstanding at such time, such report to be transmitted within 90 days after such time.

(c) Reports pursuant to this Section 8.04 shall be transmitted by mail:

(1) to all holders of Trust Certificates, as the names and addresses of such holders appear upon the registration books of the Trustee;

(2) to such holders of Trust Certificates as have, within the two years preceding such transmission, filed their names and addresses with the Trustee for that purpose; and

(3) except in the case of reports pursuant to Section 8.04(b), to each holder of a Trust Certificate whose name and address is preserved at the time by the Trustee, as provided in Section 8.02(a).

(d) A copy of each such report shall, at the time of such transmission to holders of the Trust Certificates, be filed by the Trustee with each stock exchange, if any, upon which the Trust Certificates are listed and also with the Commission. The Company agrees to notify the Trustee when and as the Trust Certificates become listed on any stock exchange.

ARTICLE NINE

THE TRUSTEE

SECTION 9.01. Acceptance of Trusts. The Trustee hereby accepts the trust imposed upon it by this Agreement, and covenants and agrees to perform the same as herein expressed.

SECTION 9.02. Duties and Responsibilities of the Trustee; During Default; Prior to Default. In case an Event of Default has occurred (which has not been cured), the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own wilful misconduct, except that

(a) prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred:

(1) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Agreement, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Trustee; and

(2) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to

determine whether or not they conform to the requirements of this Agreement;

(b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding, determined as provided in Section 10.03, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Agreement.

None of the provisions contained in this Agreement shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

SECTION 9.03. Certain Rights of the Trustee. Except as otherwise provided in Section 9.02:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, trust certificate, guaranty or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) the Trustee may consult with counsel, and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with such Opinion of Counsel;

(c) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it

by this Agreement at the request, order or direction of any of the holders of the Trust Certificates, pursuant to the provisions of this Agreement, unless such holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred therein or thereby; and

(d) the Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement.

SECTION 9.04. Application of Rentals; Responsibility of Trustee to Insure or Record. The Trustee covenants and agrees to apply the rentals received by it under Section 5.04(B) when and as the same shall be received, and to the extent that such rentals shall be sufficient therefor, for the purposes specified in said Section 5.04(B).

Except as otherwise provided in Section 9.02, the Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Agreement until fully indemnified by the Company or by one or more of the holders of the Trust Certificates against all liability and expenses; and, except as aforesaid, the Trustee shall not be responsible for the filing or recording or refiling or rerecording of this Agreement or of any supplement hereto or statement of new numbers.

SECTION 9.05. Funds May be Held by Trustee; Investments in Investment Securities. Any money at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on deposit with itself.

At any time, and from time to time, if at the time no Event of Default shall have occurred and be continuing, the Trustee, on Request, shall invest and reinvest Deposited Cash held by it or cash deposited with it pursuant to Section 5.06 or Section 5.08 (hereinafter in this Section 9.05 called Replacement Funds) in Investment Securities, at such prices, including any premium and accrued interest, as are set forth in such Request, such Investment Securities to be held by the Trustee in trust

for the benefit of the holders of the Trust Certificates. The Trustee may make any and all such investments through its own Bond Department unless otherwise directed by the Company.

The Trustee shall, on Request, or the Trustee may, in the event funds are required for payment against delivery of Trust Equipment, sell such Investment Securities, or any portion thereof, and restore to Deposited Cash or Replacement Funds, as the case may be, the proceeds of any such sale up to the amount paid for such Investment Securities, including accrued interest.

The Trustee shall restore to Deposited Cash or Replacement Funds, as the case may be, rent received by it for that purpose under the provisions of Section 5.04(B)(1)(b).

The Company, if not to the knowledge of the Trustee in default under the terms hereof, shall be entitled to receive any interest paid by any bank or banks on deposits to the credit of the Trustee with such bank or banks pursuant to Section 2.01, and any interest on (in excess of accrued interest paid from Deposited Cash or Replacement Funds at the time of purchase) or other profit which may be realized from any sale or redemption of Investment Securities.

SECTION 9.06. Trustee Not Liable for Delivery Delays or Defects in Equipment or Title; May Perform Duties by Agents; Reimbursement of Expenses; Holding of Trust Certificates; Moneys Held in Trust. Except as otherwise provided in Section 9.02, the Trustee shall not be liable to anyone for any delay in the delivery of any of the Trust Equipment, or for any default on the part of the manufacturers or owners thereof or of the Company, or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation on the part of the Trustee in respect of the value thereof or in respect of the title thereto.

Except as otherwise provided in Section 9.02, the Trustee may perform its powers and duties hereunder by or through such attorneys, agents and servants as it shall appoint, and shall be answerable for only its own acts, negligence and wilful defaults and not for the

default or misconduct of any attorney, agent or servant appointed by it with reasonable care. The Trustee shall not be responsible in any way for the recitals herein contained or for the execution or validity of this Agreement or of the Trust Certificates (except for its own execution thereof), or for the guaranty by the Company.

The Trustee shall be entitled to receive payment for all of its expenses and disbursements hereunder, including reasonable counsel fees, and to receive reasonable compensation for all services rendered by it in the execution of the trust hereby created, all of which shall be paid by the Company.

The Trustee in its individual capacity may own, hold and dispose of Trust Certificates with the same rights which it would have if it were not Trustee.

Any moneys at any time held by the Trustee or any paying agent hereunder shall, until paid out or invested by the Trustee or any paying agent as herein provided, be held by it in trust as herein provided for the benefit of the holders of the Trust Certificates.

SECTION 9.07. Disqualification of Trustee; Conflicting Interests. (a) If the Trustee has or shall acquire any conflicting interest, as defined in this Section 9.07, it shall, within 90 days after ascertaining that it has such conflicting interest, either eliminate such conflicting interest or resign in the manner and with the effect specified in Section 9.09.

(b) In the event that the Trustee shall fail to comply with the provisions of Section 9.07(a) the Trustee shall, within ten days after the expiration of such 90-day period, transmit notice of such failure to the holders of the Trust Certificates in the manner and to the extent provided in Section 8.04(c) with respect to reports pursuant to Section 8.04(a).

(c) For the purposes of this Section 9.07 the Trustee shall be deemed to have a conflicting interest if

(1) the Trustee is trustee under another indenture under which any other securities, or certificates of interest or participation in any other securities, of the Company are outstanding, unless such other indenture is a collateral trust indenture

under which the only collateral consists of Trust Certificates issued under this Agreement, provided that there shall be excluded from the operation of this paragraph any indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Company are outstanding if the Company shall have sustained the burden of proving, on application to the Commission and after opportunity for hearing thereon, that trusteeship under this Agreement and such other indenture or indentures is not so likely to involve a material conflict of interest as to make it necessary in the public interest or for the protection of investors to disqualify the Trustee from acting as such under one of such indentures;

(2) the Trustee or any of its directors or executive officers is an obligor upon the Trust Certificates or an underwriter for the Company;

(3) the Trustee directly or indirectly controls or is directly or indirectly controlled by or is under direct or indirect common control with the Company or an underwriter for the Company;

(4) the Trustee or any of its directors or executive officers is a director, officer, partner, employee, appointee, or representative of the Company, or of an underwriter (other than the Trustee itself) for the Company who is currently engaged in the business of underwriting, except that (i) one individual may be a director or an executive officer, or both, of the Trustee and a director or an executive officer, or both, of the Company, but may not be at the same time an executive officer of both the Trustee and the Company, (ii) if and so long as the number of directors of the Trustee is more than nine, one additional individual may be a director or an executive officer, or both, of the Trustee and a director of the Company, and (iii) the Trustee may be designated by the Company or by any underwriter for the Company to act in the capacity of transfer agent, registrar, custodian, paying agent, fiscal agent, escrow agent, or depositary, or in any other similar capacity, or, subject to the provisions of Section 9.07(c)(1), to act as trustee, whether under an indenture or otherwise;

(5) 10% or more of the voting securities of the Trustee is beneficially owned either by the Company or by any director, partner, or executive officer thereof, or 20% or more of such voting securities is beneficially owned, collectively, by any two or more such persons; or 10% or more of the voting securities of the Trustee is beneficially owned either by an underwriter for the Company or by any director, partner, or executive officer thereof, or is beneficially owned, collectively, by any two or more such persons;

(6) the Trustee is the beneficial owner of, or holds as collateral security for an obligation which is in default as hereinafter defined, (i) 5% or more of the voting securities, or 10% or more of any other class of security, of the Company, not including the Trust Certificates and securities issued under any other indenture under which the Trustee is also trustee or (ii) 10% or more of any class of security of an underwriter for the Company;

(7) the Trustee is the beneficial owner of, or holds as collateral security for an obligation which is in default as hereinafter defined, 5% or more of the voting securities of any person who, to the knowledge of the Trustee, owns 10% or more of the voting securities of, or controls directly or indirectly or is under direct or indirect common control with, the Company;

(8) the Trustee is the beneficial owner of, or holds as collateral security for an obligation which is in default as hereinafter defined, 10% or more of any class of security of any person who, to the knowledge of the Trustee, owns 50% or more of the voting securities of the Company; or

(9) the Trustee owns, on May 15th in any calendar year, in the capacity of executor, administrator, testamentary or inter vivos trustee, guardian, committee or conservator, or in any other similar capacity, an aggregate of 25% or more of the voting securities, or of any class of security, of any person, the beneficial ownership of a specified percentage of which would have constituted a conflicting interest under Section 9.07(c)(6), (7) or (8). As to any such securities of which the Trustee

acquired ownership through becoming executor, administrator, or testamentary trustee of an estate which included them, the provisions of the preceding sentence shall not apply, for a period of two years from the date of such acquisition, to the extent that such securities included in such estate do not exceed 25% of such voting securities or 25% of any such class of security. Promptly after May 15th in each calendar year, the Trustee shall make a check of its holdings of such securities in any of the above-mentioned capacities as of such May 15th. If the Company fails to make payment in full of the rentals payable hereunder in respect of the principal of or interest on any of the Trust Certificates when and as the same become due and payable, and such failure continues for 30 days thereafter, the Trustee shall make a prompt check of its holdings of such securities in any of the above-mentioned capacities as of the date of the expiration of such 30-day period, and after such date, notwithstanding the foregoing provisions of this paragraph, all such securities so held by the Trustee, with sole or joint control over such securities vested in it, shall, but only so long as such failure shall continue, be considered as though beneficially owned by the Trustee for the purposes of Section 9.07(c)(6), (7) and (8).

The specification of percentages in Section 9.07(c)(5) to (9), inclusive, shall not be construed as indicating that the ownership of such percentages of the securities of a person is or is not necessary or sufficient to constitute direct or indirect control for the purposes of Section 9.07(c)(3) or (7).

For the purposes of Section 9.07(c)(6), (7), (8) and (9) only, (i) the terms "security" and "securities" shall include only such securities as are generally known as corporate securities, but shall not include any note or other evidence of indebtedness issued to evidence an obligation to repay moneys lent to a person by one or more banks, trust companies or banking firms, or any certificate of interest or participation in any such note or evidence of indebtedness; (ii) an obligation shall be deemed to be in default when a default in payment of principal shall have continued for 30 days or more and shall not have been cured; and (iii) the Trustee shall not be deemed to be the owner or holder of (x) any secu-

rity which it holds as collateral security, as trustee or otherwise, for an obligation which is not in default as defined in clause (ii) above, or (y) any security which it holds as collateral security under this Agreement, irrespective of any default hereunder, or (z) any security which it holds as agent for collection, or as custodian, escrow agent, or depositary, or in any similar representative capacity.

Except as provided above, the word "security" or "securities" as used in this Agreement shall mean any equipment trust certificate, note, stock, treasury stock, bond, debenture, evidence of indebtedness, certificate of interest or participation in any profit-sharing agreement, collateral-trust certificate, preorganization certificate or subscription, transferable share, investment contract, voting-trust certificate, certificate of deposit for a security, fractional undivided interest in oil, gas, or other mineral rights, or, in general, any interest or instrument commonly known as a "security," or any certificate of interest or participation in, temporary or interim certificate for, receipt for, guarantee of, or warrant or right to subscribe to or purchase, any of the foregoing.

(d) For the purposes of this Section 9.07:

(1) The term "underwriter" when used with reference to the Company shall mean every person who, within three years prior to the time as of which the determination is made, has purchased from the Company with a view to, or has offered or sold for the Company in connection with, the distribution of any security of the Company outstanding at such time, or has participated or has had a direct or indirect participation in any such undertaking, or has participated or has had a participation in the direct or indirect underwriting of any such undertaking, but such term shall not include a person whose interest was limited to a commission from an underwriter or dealer not in excess of the usual and customary distributors' or sellers' commission.

(2) The term "director" shall mean any director of a corporation, or any individual performing similar functions with respect to any organization whether incorporated or unincorporated.

(3) The term "person" shall mean an individual, a corporation, a partnership, an association, a joint-stock company, a trust, an unincorporated organization, or a government or political subdivision thereof. As used in this paragraph (3), the term "trust" shall include only a trust where the interest or interests of the beneficiary or beneficiaries are evidenced by a security.

(4) The term "voting security" shall mean any security presently entitling the owner or holder thereof to vote in the direction or management of the affairs of a person, or any security issued under or pursuant to any trust, agreement, or arrangement whereby a trustee or trustees or agent or agents for the owner or holder of such security are presently entitled to vote in the direction or management of the affairs of a person.

(5) The term "Company" shall mean any obligor upon the Trust Certificates.

(6) The term "executive officer" shall mean the president, every vice-president, every trust officer, the cashier, the secretary, and the treasurer of a corporation, and any individual customarily performing similar functions with respect to any organization whether incorporated or unincorporated, but shall not include the chairman of the board of directors.

The percentages of voting securities and other securities specified in this Section 9.07 shall be calculated in accordance with the following provisions:

(A) A specified percentage of the voting securities of the Trustee, the Company or any other person referred to in this Section 9.07 (each of whom is referred to as a "person" in this paragraph) means such amount of the outstanding voting securities of such person as entitles the holder or holders thereof to cast such specified percentage of the aggregate votes which the holders of all the outstanding voting securities of such person are entitled to cast in the direction or management of the affairs of such person.

(B) A specified percentage of a class of securities of a person means such percentage of the aggregate amount of securities of the class outstanding.

(C) The term "amount," when used in regard to securities, means the principal amount if relating to evidences of indebtedness, the number of shares if relating to capital shares, and the number of units if relating to any other kind of security.

(D) The term "outstanding" means issued and not held by or for the account of the issuer. The following securities shall not be deemed outstanding within the meaning of this definition:

(i) securities of an issuer held in a sinking fund relating to securities of the issuer of the same class;

(ii) securities of an issuer held in a sinking fund relating to another class of securities of the issuer, if the obligation evidenced by such other class of securities is not in default as to principal or interest or otherwise;

(iii) securities pledged by the issuer thereof as security for an obligation of the issuer not in default as to principal or interest or otherwise; and

(iv) securities held in escrow if placed in escrow by the issuer thereof;

provided, however, that any voting securities of an issuer shall be deemed outstanding if any person other than the issuer is entitled to exercise the voting rights thereof.

(E) A security shall be deemed to be of the same class as another security if both securities confer upon the holder or holders thereof substantially the same rights and privileges; provided, however, that, in the case of secured evidences of indebtedness, all of which are issued under a single indenture, differences in the interest rates or maturity dates of various series thereof shall not

be deemed sufficient to constitute such series different classes; and provided, further, that, in the case of unsecured evidences of indebtedness, differences in the interest rates or maturity dates thereof shall not be deemed sufficient to constitute them securities of different classes, whether or not they are issued under a single indenture.

SECTION 9.08. Persons Eligible for Appointment as Trustee. There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America or of the State of Illinois or State of New York, having its principal office and place of business in Chicago, Illinois or in the Borough of Manhattan, City and State of New York, having a combined capital and surplus of at least $10,000,000, and which is authorized under such laws to exercise corporate trust powers and is subject to supervision or examination by federal or state authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 9.08, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 9.08, the Trustee shall resign immediately in the manner and with the effect specified in Section 9.09.

SECTION 9.09. Resignation and Removal; Appointment of Successor Trustee. (a) The Trustee may at any time resign by giving written notice of resignation to the Company and by mailing notice of resignation to all holders of Trust Certificates at their last addresses appearing on the registry books. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors of the Company, one copy of which instrument shall be delivered to the Trustee so resigning and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 30 days after the giving of such notice of resignation, the resigning trustee may petition any court of competent jurisdiction for the appointment of a successor trustee, or any holder of a Trust Certificate who has been a bona

fide holder of a Trust Certificate or Trust Certificates for at least six months may, subject to the provisions of Section 6.11, on behalf of himself and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(1) the Trustee shall fail to comply with the provisions of Section 9.07(a) after written request therefor by the Company or by any holder of a Trust Certificate who has been a bona fide holder of a Trust Certificate or Trust Certificates for at least six months, or

(2) the Trustee shall cease to be eligible in accordance with the provisions of Section 9.08 and shall fail to resign after written request therefor by the Company or by any such holder of a Trust Certificate, or

(3) the Trustee shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, the Company may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, executed by order of its Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 6.11, any holder of a Trust Certificate who has been a bona fide holder of a Trust Certificate or Trust Certificates for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) The holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding may at any time remove the Trustee and appoint a successor trustee by delivering to the Trustee to be removed, to the successor trustee so appointed and to the Company the evidence provided for in Section 10.01 of the action taken by the holders of the Trust Certificates.

(d) Any resignation or removal of the Trustee and any appointment of a successor trustee pursuant to any of the provisions of this Section 9.09 shall become effective upon acceptance of appointment by the successor trustee as provided in Section 9.10.

SECTION 9.10. Acceptance of Appointment by Successor Trustee. Any successor trustee appointed as provided in Section 9.09 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder; but, nevertheless, on the written request of the Company or of the successor trustee, upon payment of its charges then unpaid, the trustees ceasing to act shall execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustees ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 9.06.

No successor trustee shall accept appointment as provided in this Section 9.10 unless at the time of such acceptance such successor trustee shall be qualified under the provisions of Section 9.07 and eligible under the provisions of Section 9.08.

Upon acceptance of appointment by a successor trustee as provided in this Section 9.10, the Company shall mail notice of the succession of such trustee here-

under to the holders of the Trust Certificates at their last addresses appearing upon the registry books. If the Company fails to mail such notice within ten days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be mailed at the expense of the Company.

SECTION 9.11. Merger or Consolidation of Trustee. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger or conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be qualified under the provisions of Section 9.07 and eligible under the provisions of Section 9.08, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 9.12. Preferential Collection of Claims Against the Company. (a) Subject to the provisions of Section 9.12(b), if the Trustee shall be or shall become a creditor, directly or indirectly, secured or unsecured, of the Company within four months prior to a default, as defined in Section 9.12(c), or subsequent to such a default, then, unless and until such default shall be cured, the Trustee shall set apart and hold in a special account for the benefit of the Trustee individually, the holders of the Trust Certificates and the holders of other indenture securities (as defined in Section 9.12(c)):

(1) an amount equal to any and all reductions in the amount due and owing upon any claim as such creditor in respect of principal or interest, effected after the beginning of such four-months' period and valid as against the Company and its other creditors, except any such reduction resulting from the receipt or disposition of any property described in Section 9.12(a)(2), or from the exercise of any right of setoff which the Trustee could have exercised if a petition in bankruptcy had been filed by or against the Company upon the date of such default; and

(2) all property received by the Trustee in respect of any claim as such creditor, either as security therefor, or in satisfaction or composition thereof, or otherwise, after the beginning of such four-months' period, or an amount equal to the proceeds of any such property, if disposed of, subject, however, to the rights, if any, of the Company and its other creditors in such property or such proceeds.

Nothing herein contained, however, shall affect the right of the Trustee

(A) to retain for its own account (i) payments made on account of any such claim by any person (other than the Company) who is liable thereon, and (ii) the proceeds of the bona fide sale of any such claim by the Trustee to a third person, and (iii) distributions made in cash, securities, or other property in respect of claims filed against the Company in bankruptcy or receivership or in proceedings for reorganization pursuant to the Bankruptcy Act or applicable state law;

(B) to realize, for its own account, upon any property held by it as security for any such claim, if such property was so held prior to the beginning of such four-months' period;

(C) to realize, for its own account, but only to the extent of the claim hereinafter mentioned, upon any property held by it as security for any such claim, if such claim was created after the beginning of such four-months' period and such property was received as security therefor simultaneously with the creation thereof, and if the Trustee shall sustain the burden of proving that at the time such property was so received the Trustee had no reasonable cause to believe that a default as defined in Section 9.12(c) would occur within four months; or

(D) to receive payment on any claim referred to in paragraph (B) or (C), against the release of any property held as security for such claim as provided in paragraph (B) or (C), as the case may be, to the extent of the fair value of the property.

For the purposes of paragraphs (B), (C) and (D), property substituted after the beginning of such four-months' period for property held as security at the time of such substitution shall, to the extent of the fair value of the property released, have the same status as the property released, and, to the extent that any claim referred to in any of such paragraphs is created in renewal of or in substitution for or for the purpose of repaying or refunding any pre-existing claim of the Trustee as such creditor, such claim shall have the same status as such pre-existing claim.

If the Trustee shall be required to account, the funds and property held in such special account and the proceeds thereof shall be apportioned between the Trustee, the holders of the Trust Certificates and the holders of other indenture securities in such manner that the Trustee, the holders of the Trust Certificates and the holders of other indenture securities realize, as a result of payments from such special account and payments of dividends on claims filed against the Company in bankruptcy or receivership or in proceedings for reorganization pursuant to the Bankruptcy Act or applicable state law, the same percentage of their respective claims, figured before crediting to the claim of the Trustee anything on account of the receipt by it from the Company of the funds and property in such special account and before crediting to the respective claims of the Trustee, the holders of the Trust Certificates and the holders of other indenture securities dividends on claims filed against the Company in bankruptcy or receivership or in proceedings for reorganization pursuant to the Bankruptcy Act or applicable state law, but after crediting thereon receipts on account of the indebtedness represented by their respective claims from all sources other than from such dividends and from the funds and property so held in such special account. As used in this paragraph, with respect to any claim, the term "dividends" shall include any distribution with respect to such claim, in bankruptcy or receivership or in proceedings for reorganization pursuant to the Bankruptcy Act or applicable state law, whether such distribution is made in cash, securities, or other property, but shall not include any such distribution with respect to the secured portion, if any, of such claim. The court in which such bankruptcy, receivership, or proceedings for reorganization is pending shall have jurisdiction (i) to apportion between the Trustee, the holders of the Trust Certificates and the

holders of other indenture securities, in accordance with the provisions of this paragraph, the funds and property held in such special account and the proceeds thereof, or (ii) in lieu of such apportionment, in whole or in part, to give to the provisions of this paragraph due consideration in determining the fairness of the distribution to be made to the Trustee, the holders of the Trust Certificates and the holders of other indenture securities with respect to their respective claims, in which event it shall not be necessary to liquidate or to appraise the value of any securities or other property held in such special account or as security for any such claim, or to make a specific allocation of such distributions as between the secured and unsecured portions of such claims, or otherwise to apply the provisions of this paragraph as a mathematical formula.

Any Trustee who has resigned or been removed after the beginning of such four-months' period shall be subject to the provisions of this subsection (a) as though such resignation or removal had not occurred. If any Trustee has resigned or been removed prior to the beginning of such four-months' period, it shall be subject to the provisions of this subsection (a) if and only if the following conditions exists:

(i) the receipt of property or reduction of claim, which would have given rise to the obligation to account, if such Trustee had continued as trustee, occurred after the beginning of such four-months' period; and

(ii) such receipt of property or reduction of claim occurred within four months after such resignation or removal.

(b) There shall be excluded from the operation of Section 9.12(a) a creditor relationship arising from

(1) the ownership or acquisition of securities issued under any indenture, or any security or securities having a maturity of one year or more at the time of acquisition by the Trustee;

(2) advances authorized by a receivership or bankruptcy court of competent jurisdiction, or by this Agreement, for the purpose of preserving any property which shall at any time be subject to the

lien of this Agreement or of discharging tax liens or other prior liens or encumbrances thereon, if notice of such advance and of the circumstances surrounding the making thereof is given to the holders of the Trust Certificates at the time and in the manner provided in this Agreement;

(3) disbursements made in the ordinary course of business in the capacity of trustee under an indenture, transfer agent, registrar, custodian, paying agent, fiscal agent or depositary, or other similar capacity;

(4) an indebtedness created as a result of services rendered or premises rented; or an indebtedness created as a result of goods or securities sold in a cash transaction as defined in Section 9.12(c);

(5) the ownership of stock or of other securities of a corporation organized under the provisions of section 25(a) of the Federal Reserve Act, as amended, which is directly or indirectly a creditor of the Company; or

(6) the acquisition, ownership, acceptance or negotiation of any drafts, bills of exchange, acceptances, or obligations which fall within the classification of self-liquidating paper as defined in Section 9.12(c).

(c) As used in this Section 9.12:

(1) The term "default" shall mean any failure to make payment in full of the principal of or interest on any of the Trust Certificates or upon the other indenture securities when and as such principal or interest becomes due and payable.

(2) The term "other indenture securities" shall mean securities upon which the Company is an obligor (as defined in the Trust Indenture Act of 1939) outstanding under any other indenture (i) under which the Trustee is also trustee, (ii) which contains provisions substantially similar to the provisions of this Section 9.12 and (iii) under which a default exists at the time of the apportion-

ment of the funds and property held in such special account.

(3) The term "cash transaction" shall mean any transaction in which full payment for goods or securities sold is made within seven days after delivery of the goods or securities in currency or in checks or other orders drawn upon banks or bankers and payable upon demand.

(4) The term "self-liquidating paper" shall mean any draft, bill of exchange, acceptance or obligation which is made, drawn, negotiated or incurred by the Company for the purpose of financing the purchase, processing, manufacturing, shipment, storage or sale of goods, wares or merchandise and which is secured by documents evidencing title to, possession of, or a lien upon, the goods, wares or merchandise or the receivables or proceeds arising from the sale of the goods, wares or merchandise previously constituting the security, provided the security is received by the Trustee simultaneously with the creation of the creditor relationship with the Company arising from the making, drawing, negotiating or incurring of the draft, bill of exchange, acceptance or obligation.

(5) The term "Company" shall mean any obligor upon the Trust Certificates.

(6) The term "Bankruptcy Act" means the Bankruptcy Act or title 11 of the United States Code.

SECTION 9.13. Paying Agents. (a) Whenever the Trustee shall appoint a paying agent other than the Company, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 9.13:

(1) that it will hold sums held by it as such agent for the payment of the principal of or interest on the Trust Certificates (whether such sums have been paid to it by the Company or by any other obligor on the Trust Certificates) in trust for the benefit of the holders of the Trust Certificates and will notify the Trustee of the receipt of sums to be so held, and

(2) that it will give the Trustee notice of any failure by the Company (or by any other obligor on the Trust Certificates) to make any payment of the principal of or interest on the Trust Certificates when the same shall be due and payable.

(b) If the Company shall act as paying agent for the Trustee, it will, on or before each due date of the principal of or interest on the Trust Certificates, set aside, segregate and hold in trust for the benefit of the holders of the Trust Certificates a sum sufficient to pay such principal or interest so becoming due. The Company will promptly notify the Trustee of any failure to take such action.

SECTION 10.01. Evidence of Action Taken by Holders of Trust Certificates. Whenever in this Agreement it is provided that the holders of a specified percentage in aggregate principal amount of the Trust Certificates may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by holders of Trust Certificates in person or by agent or proxy appointed in writing, or (b) by the record of the holders of Trust Certificates voting in favor thereof at any meeting of holders of Trust Certificates duly called and held in accordance with the provisions of Article Eleven, or (c) by a combination of such instrument or instruments and any such record of such a meeting of holders of Trust Certificates.

SECTION 10.02. Proof of Execution of Instruments and Holding of Trust Certificates. Subject to the provisions of Sections 9.02 and 11.05, proof of the execution of any instrument by a holder of Trust Certificates or his agent or proxy and proof of the holding by any person of any of the Trust Certificates shall be sufficient if made in the following manner:

The fact and date of the execution by any such person of any instrument may be proved by the certificate of any notary public or other officer of any jurisdiction within the United States of America authorized to take acknowledgments of deeds to be recorded in such jurisdiction that the person executing such instrument acknowledged to him the execution thereof, or by an affidavit of a witness to such execution sworn to before any such notary or other such officer, or by a guarantee of the signature of such person by a trust company, bank or member firm of the New York Stock Exchange.

The ownership of Trust Certificates may be proved by the register of such Trust Certificates or by a certificate of the registrar thereof.

The Trustee may require such additional proof of any matter referred to in this Section 10.02 as it shall deem necessary.

The record of any meeting of holders of Trust Certificates shall be proved in the manner provided in Section 11.06.

SECTION 10.03. Trust Certificates Owned by Company Deemed Not Outstanding. In determining whether the holders of the requisite principal amount of the Trust Certificates have concurred in any direction, request or consent under this Agreement, Trust Certificates which are owned by the Company or by any other obligor on the Trust Certificates or by any Affiliate of the Company or any such obligor shall be disregarded, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, request or consent, only Trust Certificates which the Trustee knows are so owned shall be disregarded.

SECTION 10.04. Right of Revocation of Action Taken. At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 10.01, of the taking of any action by the holders of the percentage in aggregate principal amount of the Trust Certificates specified in this Agreement in connection with such action, any holder of a Trust Certificate in the serial number of which is shown by the evidence to be included in the Trust Certificates the holders of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof

Except as aforesaid any such action taken by the holder of any Trust Certificate shall be conclusive and binding upon such holder and upon all future holders and owners of such Trust Certificate and of any Trust Certificate issued in exchange or substitution therefor, irrespective of whether or not any notation in regard thereto is made upon such Trust Certificate. Any action taken by the holders of the percentage in aggregate principal amount of the Trust Certificates specified in this Agreement in connection with such action shall be conclusive and binding upon the Company, the Trustee and the holders of all the Trust Certificates.

ARTICLE ELEVEN

MEETINGS OF HOLDERS OF TRUST CERTIFICATES

SECTION 11.01. Purposes for Which Meetings of Holders of Trust Certificates May Be Called. A meeting of holders of Trust Certificates may be called at any time and from time to time pursuant to the provisions of this Article Eleven for any of the following purposes:

(a) to give any notice to the Company or to the Trustee, or to give any directions to the Trustee or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by holders of Trust Certificates, pursuant to any of the provisions of Article Six;

(b) to remove the Trustee and appoint a successor trustee pursuant to the provisions of Section 9.09; or

(c) to take any other action authorized to be taken by or on behalf of the holders of any specified aggregate principal amount of the Trust Certificates under any other provision of this Agreement or under applicable law.

SECTION 11.02. Call of Meetings by Trustee. The Trustee may at any time call a meeting of holders of Trust Certificates to take any action specified in Section 11.01, to be held at such time and at such place in Chicago, Illinois or in the Borough of Manhattan, City

and State of New York as the Trustee shall determine. Notice of every meeting of the holders of Trust Certificates, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be mailed by the Trustee at least 30 days prior to such meeting to the holders of the Trust Certificates at their last addresses appearing upon the registry books.

SECTION 11.03. Company and Holders of Trust Certificates May Call Meeting. In case at any time the Company, pursuant to a resolution of its Board of Directors, or the holders of at least 10% in aggregate principal amount of the Trust Certificates then outstanding, shall have requested the Trustee to call a meeting of holders of Trust Certificates to take any action authorized in Section 11.01, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall have not mailed notice of such meeting within 20 days after receipt of such request, then the Company or the holders of the Trust Certificates in the amount above specified may determine the time and the place in Chicago, Illinois or in the Borough of Manhattan, City and State of New York, for such meeting and may call such meeting by mailing notice thereof as provided in Section 11.02.

SECTION 11.04. Persons Entitled to Vote at Meeting. To be entitled to vote at any meeting of holders of Trust Certificates a person shall (a) be a holder of one or more Trust Certificates or (b) be a person appointed by an instrument in writing as proxy by a holder of one or more Trust Certificates. The only persons who shall be entitled to be present or to speak at any meeting of the holders of the Trust Certificates shall be the persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

SECTION 11.05. Determination of Voting Rights; Conduct and Adjournment of Meeting. Notwithstanding any other provisions of this Agreement, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of holders of the Trust Certificates, in regard to proof of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies and

other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit. Except as otherwise permitted or required by any such regulations, the holding of Trust Certificates shall be proved in the manner specified in Section 10.02 and the appointment of any proxy shall be proved in the manner specified in said Section 10.02 or by having the signature of the person executing the proxy witnessed or guaranteed by any bank, banker or trust company satisfactory to the Trustee.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by holders of the Trust Certificates as provided in Section 11.03, in which case the Company or the holders of the Trust Certificates calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the holders of a majority in principal amount of the Trust Certificates represented at the meeting and entitled to vote.

Subject to the provisions of Section 10.03, at any meeting each holder of Trust Certificates or proxy shall be entitled to one vote for each $1,000 principal amount of Trust Certificates held or represented by him; provided, however, that no vote shall be cast or counted at any meeting in respect of any Trust Certificate challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote except as a holder of Trust Certificates or proxy. Any meeting of holders of Trust Certificates duly called pursuant to the provisions of Section 11.02 or 11.03 may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

At any meeting of holders of Trust Certificates, the presence of persons holding or representing Trust Certificates in an aggregate principal amount sufficient to take action upon the business for the transaction of which such meeting was called shall be necessary to constitute a quorum; but, if less than a quorum be present, the persons holding or representing a majority in aggregate principal amount of the Trust Certificates represented at the meeting may adjourn such meeting with

the same effect, for all intents and purposes, as though a quorum had been present.

SECTION 11.06. Counting Vote and Recording Action of Meeting. The vote upon any resolution submitted to any meeting of holders of Trust Certificates shall be by written ballots on which shall be subscribed the signatures of the holders of Trust Certificates or proxies and the serial number or numbers of the Trust Certificates held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of holders of Trust Certificates shall be prepared by the secretary of the meeting, and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts, setting forth a copy of the notice of the meeting and showing that said notice was mailed as provided in Section 11.02. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting, and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 11.07. Call of Meeting Not to Affect Rights of Trustee and Holders of Trust Certificates. Nothing in this Article Eleven contained shall be deemed or construed to authorize or permit, by reason of any call of a meeting of holders of Trust Certificates or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or to the holders of Trust Certificates under any of the provisions of this Agreement or of the Trust Certificates.

ARTICLE TWELVE

SUPPLEMENTAL AGREEMENTS

SECTION 12.01. Supplemental Agreements without Consent of Holders of Trust Certificates. The company, when authorized by resolution or resolutions of its Board of Directors, and the Trustee may from time to time and at any time enter into an agreement or agreements supplemental hereto for one or more of the following purposes:

(a) to add to the covenants of the Company such further covenants, restrictions, conditions or provisions for the protection of the holders of the Trust Certificates as the Board of Directors of the Company and the Trustee shall consider to be for the protection of the holders of Trust Certificates, and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions, conditions or provisions a default or an Event of Default permitting the enforcement of all or any of the several remedies provided in this Agreement as herein set forth; provided, however, that in respect of any such additional covenant, restriction, condition or provision such supplemental agreement may provide for a particular period of grace after default, which period may but need not be shorter or longer than allowed in the case of other defaults, or may provide for an immediate enforcement upon such default or may limit the remedies available to the Trustee upon such default; and

(b) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental agreement which may be defective or inconsistent with any other provision contained herein or in any supplemental agreement, or to make such other provisions in regard to matters or questions arising under this Agreement which shall not adversely affect the interests of the holders of the Trust Certificates.

The Trustee is hereby authorized to join with the Company in the execution of any such supplemental agreement, to make any further appropriate agreements and stipulations which may be therein contained and to accept the conveyance, transfer and assignment of any property

thereunder, but the Trustee shall not be obligated to enter into any such supplemental agreement which affects the Trustee's own rights, duties or immunities under this Agreement or otherwise.

Any supplemental agreement authorized by the provisions of this Section 12.01 may be executed by the Company and the Trustee without the consent of the holders of any of the Trust Certificates at the time outstanding notwithstanding any of the provisions of Section 12.02.

SECTION 12.02. Supplemental Agreements with Consent of Holders of Trust Certificates. With the consent, evidenced as provided in Section 10.01, of the holders of not less than 60% in aggregate principal amount of the Trust Certificates at the time outstanding, the Company, when authorized by resolution or resolutions of its Board of Directors, and the Trustee may from time to time and at any time enter into an agreement or agreements supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of any supplemental agreement or of modifying in any manner the rights of the holders of the Trust Certificates; provided, however, that no such supplemental agreement shall (i) extend the fixed maturity of any Trust Certificates, or reduce the rate or extend the time of payment of interest thereon, or reduce the principal amount thereof or any premium thereon, or make the principal thereof or any premium or interest thereon payable in any coin or currency other than that provided in the Trust Certificates, without the consent of the holder of each Trust Certificate so affected, or (ii) reduce the aforesaid percentage of Trust Certificates, the holders of which are required to consent to any such supplemental agreement, without the consent of the holders of all Trust Certificates then outstanding.

Upon the request of the Company, accompanied by a copy of the resolution or resolutions of its Board of Directors certified by its Secretary or an Assistant Secretary authorizing the execution of any such supplemental agreement, and upon the filing with the Trustee of evidence of the consent of holders of Trust Certificates as aforesaid, the Trustee shall join with the Company in the execution of such supplemental agreement unless such supplemental agreement affects the Trustee's own rights,

duties or immunities under this Agreement or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental agreement.

It shall not be necessary for the consent of the holders of Trust Certificates under this Section 12.02 to approve the particular form of any proposed supplemental agreement, but it shall be sufficient if such consent shall approve the substance thereof.

SECTION 12.03. Compliance with Trust Indenture Act; Effect of Supplemental Agreements. Any supplemental agreement executed pursuant to the provisions of this Article Twelve shall comply with the Trust Indenture Act of 1939 as then in effect. Upon the execution of any supplemental agreement pursuant to the provisions of this Article Twelve, this Agreement shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Agreement of the Trustee, the Company and the holders of Trust Certificates shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental agreement shall be and be deemed to be part of the terms and conditions of this Agreement for any and all purposes.

SECTION 12.04. Notation on Trust Certificates. Trust Certificates delivered after the execution of any supplemental agreement pursuant to the provisions of this Article Twelve may bear a notation in form approved by the Trustee as to any matter provided for in such supplemental agreement. If the Trustee shall so determine, new Trust Certificates so modified as to conform, in the opinion of the Trustee, to any modification of this Agreement contained in any such supplemental agreement may be prepared and executed by the Trustee and delivered in exchange for the Trust Certificates then outstanding.

SECTION 12.05. Evidence of Compliance of Supplemental Agreement to be Furnished Trustee. The Trustee, subject to the provisions of Sections 9.02 and 9.03, may receive an Officers' Certificate and an Opinion of Counsel as conclusive evidence that any supplemental agreement executed pursuant hereto complies with the requirements of this Article Twelve.
