(b) Adjustment to Purchase Price. If at any time after the date of this Agreement it shall be determined that the adjusted basis of the Lessor for Federal income tax purposes in the Property or any Item thereof shall exceed the Lessee's Adjusted Basis in the Property or in such Item, the Purchase Price with respect thereto shall be reduced by an amount equal to such excess (the "Excess Basis"). Such reduction shall be effected by (i) delivery by the Lessee to the Lessor of a wire transfer of immediately available funds in an amount equal to 36.751 percent of the Excess Basis and (ii) the adjustment of the principal amount of the Deemed Loan to equal the outstanding principal amount of the Deemed Loan reduced by an amount equal to 63.249 percent of the Excess Basis. Upon expiration of the Lease Term, such of Lessor's right and interest in and to each Item of Property as will enable Lessor to claim the Tax Benefits with respect to each Item of Property and to the transaction contemplated by this Agreement will pass to the Lessee without further action by the Lessor or the Lessee, whereupon all of the Lessor's rights and interests with respect to each Item of Property shall terminate.

SECTION 3. DEEMED LEASES

(a) Characterization. The provisions of this Section describe the relationship between Lessee as lessee under leases deemed to be created hereby for Federal income tax purposes, and for such purposes only, and Lessor as lessor and owner under such Deemed Leases for such purposes only. Accordingly, Lessor, as lessor and owner, and Lessee, as such lessee, hereby elect to have the provisions of section 168(f)(8) of the Code apply with respect to this Agreement and hereby characterize this Agreement, for Federal income tax purposes and for such purposes only, as a separate lease for each Item of Property. For all purposes other than Federal income tax purposes, this Agreement shall be construed as it is intended by the parties hereto, namely, the transfer by Lessee to Lessor of an intangible asset, the Tax Benefits.

(b) Deemed Lease. By virtue of the characterization and elections set forth herein, Lessor, as owner of each Item of Property for Federal income tax purposes and for such purposes only, is hereby deemed to have leased each Item of Property to Lessee, and Lessee is hereby deemed to have leased each Item of Property from Lessor, for Federal income tax purposes and for such purposes only, for the Lease Term. This Agreement constitutes a separate lease as to each Item of Property. Each such lease for such purposes is herein referred to as a "Deemed Lease".

(c) Section 168(f)(8) Election. For Federal income tax purposes and for such purposes only, this Agreement shall constitute an agreement with respect to "qualified leased property", as such term is defined in section 168(f)(8) of the Code. Lessor, as lessor for Federal income tax purposes and for such purposes only, and Lessee, as lessee for only such purposes, hereby (i) irrevocably elect to have the provisions of section 168(f)(8) of the Code apply hereto and (ii) agree to inform the Internal Revenue Service of their election by filing information returns with their Federal income tax returns as provided by the Regulations and applicable statutory provisions identifying the parties hereto and the Property. The Lessee agrees (i) to provide to the Lessor all the information required pursuant to section 5c.168(f)(8)-2(a)(3) of the Regulations and applicable statutory provisions with respect to the Lessee and the Property, (ii) to sign the information return prepared by the Lessor pursuant to the Regulations and applicable statutory provisions, and to return such return, as signed by the Lessee, to the Lessor no more than five days after its

delivery to the Lessee for signature and (iii) to prepare, sign, and deliver to the Lessor for signature and file, all in accordance with the Regulations and applicable statutory provisions, the information return required of the Lessee pursuant to the Regulations and applicable statutory provisions. The Lessor agrees (i) to provide to the Lessee all the information required pursuant to section 5c.168(f)(8)-2(a)(3) of the Regulations and applicable statutory provisions with respect to the Lessor, (ii) to sign the return prepared by the Lessee pursuant to the Regulations and applicable statutory provisions, and to return such return, as signed by the Lessor, to the Lessee no more than five days after its delivery to the Lessor for signature and (iii) to prepare, sign and deliver to the Lessee for signature and file, all in accordance with the Regulations and applicable statutory provisions, the information return required of the Lessor pursuant to the Regulations and applicable statutory provisions.

(d) Deemed Loan. As part of the aggregate Purchase Price paid by Lessor to Lessee pursuant to Section 2 hereof, Lessor is hereby deemed, for Federal income tax purposes and for such purposes only, to have borrowed from Lessee, and Lessee is hereby deemed, for Federal income tax purposes and for such purposes only, to have lent to Lessor on a nonrecourse basis an amount equal to 63.249 percent of the aggregate Purchase Price paid with respect to the Property pursuant to Section 2 hereof. Such loan for such purposes is herein referred to as the "Deemed Loan". The Deemed Loan shall be deemed to bear "interest" at the rate of 18 percent on the unpaid "principal" balance thereof, semi-annually in arrears. Except as provided in the Schedule of Deemed Loan Payments, "principal" and "interest" shall be deemed to be due and payable in equal consecutive semi-annual installment payments, calculated on a level payment mortgage assumption, payable on each Payment Date. Each such payment shall be in the amount set forth in the Schedule of Deemed Loan Payments (as such Schedule shall be in effect on the applicable Payment Date) and shall be allocated to "principal" and "interest" in accordance with such Schedule.

(e) Prepayment of Deemed Loan. Notwithstanding the provisions of paragraph (d) of this Section, the Deemed Loan shall be deemed to be prepaid, as provided in this paragraph, if a Termination Occurrence shall occur with respect to one or more Items of Property. On the Payment Date next following the date of such Termination Occurrence, Lessor shall be deemed to have paid to Lessee, in partial prepayment of the Deemed Loan, the Allocable Portion of the unpaid "principal" amount of the Deemed Loan, with the effect that the amount of such prepayment made by Lessor

shall, for all purposes other than Federal income tax purposes, be, and be deemed to be, made without cash payment by one party to the other party. Promptly after the prepayment of the Deemed Loan pursuant to this paragraph, Lessee will prepare and distribute to Lessor a new Schedule of Deemed Loan Payments reflecting the consequences of such prepayment and a new Schedule of Deemed Rent Payments prepared in accordance with paragraph (g) of this Section.

As used herein, "Allocable Portion" shall mean that amount which bears the same relation to the unpaid "principal" amount of the Deemed Loan as the Lessor's Purchase Price of the Item of Property suffering such Termination Occurrence bears to the aggregate Purchase Price for all Items of Property not previously suffering a Termination Occurrence.

(f) Deemed Rent. Lessee shall be deemed to pay, for Federal income tax purposes and such purposes only, to Lessor, on each Payment Date during the Lease Term, "rent" with respect to all Items of Property in the amount set forth in the Schedule of Deemed Rent Payments. Such "rent" for such purpose is herein referred to as "Deemed Rent".

(g) Adjustment of Deemed Rent. Notwithstanding the provisions of paragraph (f) of this Section, the Schedule of Deemed Rent Payments shall be subject to adjustment if the Deemed Loan shall be deemed prepaid pursuant to paragraph (e) of this Section. Deemed Rent in such adjusted Schedule shall be equal in timing and amount to installments of the Deemed Loan under the Schedule of Deemed Loan Payments, as adjusted in accordance with paragraph (e) of this Section.

(h) Payments for Federal Income Tax Purposes. Lessor and Lessee hereby agree that the timing and amount of all payments of Deemed Rent in the Schedule of Deemed Rent Payments shall at all times be exactly equal to the timing and amount of all payments on the Deemed Loan in the Schedule of Deemed Loan Payments. Notwithstanding anything in this Agreement to the contrary, the parties hereto agree that, for Federal income tax purposes, all payments of Deemed Rent to be made on each Payment Date, and all payments on the Deemed Loan to be made on each Payment Date, shall be, and shall be deemed to be, made without cash payment by one party to the other party, and no cash payment by one party to the other shall be made.

(i) Federal Income Tax Returns. Lessor and Lessee agree that for Federal income tax purposes they will report on their respective Federal income tax returns all payments deemed to have been made by Lessee in accordance with the Schedule of Deemed Rent Payments as "rent" paid by Lessee and received by Lessor on each Payment Date, and all payments of "interest" deemed to have been made by Lessor in accordance with the Schedule of Deemed Loan Payments as "interest" paid by Lessor and received by Lessee on each Payment Date.

(j) Acknowledgements. Lessor and Lessee hereby acknowledge and agree that, except for the Tax Benefits transferred to Lessor pursuant to Section 2, Lessee is the owner of each Item of Property for all purposes. Accordingly, Lessor agrees that Lessee has all of the benefits and burdens of each Item of Property, including, without limitation, the exclusive right or obligation to possess, control, sublease, repair, modify, make additions to, maintain, retire and use each Item of Property without interference from Lessor or any Person claiming by, through or under Lessor. Lessee hereby acknowledges and agrees that Lessor shall have no responsibility for such possession, control, repair, maintenance, retirement or use.

SECTION 4. CONDITIONAL OBLIGATIONS

Lessor and Lessee agree that all payments of Deemed Rent to be made on all Payment Dates and all payments on the Deemed Loan to be made on all Payment Dates are deemed to be made for Federal income tax purposes only, and that the obligations of Lessor with respect to the Deemed Loan and the obligations of Lessee with respect to the Deemed Rent shall be mutually concurrent conditions and shall be performed at the same time.

SECTION 5. REPRESENTATIONS, WARRANTIES AND AGREEMENTS OF LESSEE

(a) Representations and Warranties. The Lessee represents and warrants that:

(i) Due Organization. Lessee is duly organized and validly existing as a corporation in good standing under the laws of the Commonwealth of Pennsylvania, and has full power and authority to carry on its business as presently conducted and to enter into and perform its obligations under this Agreement.

(ii) Due Authorization. The execution, delivery and performance by Lessee of this Agreement has been duly authorized by all necessary corporate action.

(iii) Due Execution. This Agreement has been duly executed and delivered by Lessee, and constitutes the legal, valid and binding obligation of Lessee, enforceable against Lessee in accordance with its terms, except that such enforcement may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights.

(iv) No Violation. Neither the execution or delivery of this Agreement, nor the consummation of the transactions contemplated hereby, nor the performance by Lessee of its obligations hereunder, violates or will violate any law, governmental rule or regulation or any judgment, order or decree of any court, administrative agency or other governmental authority, or conflicts or will conflict with, or results or will result in a breach of any of the terms, conditions or provisions of, or constitutes or will constitute a default under, or results or will result in the creation or imposition of any Lien upon any of the properties or assets of Lessee pursuant to its Restated Articles of Incorporation or By-laws or any agreement or instrument to which it is subject or is a party or by which it or its properties are bound, or requires or will require the consent or approval of any trustee or holders of its indebtedness or obligations, except such as have been duly obtained and copies of which have been delivered to Lessor.

(v) No Registration, etc. No consent or approval of, giving of notice to, registration with, or taking of any other action in respect of or by, any Federal, state or local governmental authority or agency or other Person is or will be required in connection with the execution, delivery or performance by Lessee of, or the consummation by Lessee of the transactions contemplated by, this Agreement, except such as have been duly obtained, given or accomplished.

(vi) Title to Property. Lessee is the owner of each Item of Property free and clear of all Liens.

(vii) No Similar Agreement. Lessee has not entered into, and will not during the Lease Term enter into, any contract, agreement or understanding of any nature or description relating to any Item of Property which treats or purports to treat a Person other than Lessor as owner of such Item of Property for Federal income tax purposes.

(viii) Federal Income Tax Characteristics of the Property.

(A) Each Item of Equipment is "qualified leased property" within the meaning of section 168(f)(8) of the Code and, further, is "5-year property" as indicated on Exhibit A within the meaning of section 168(c)(2)(B) of the Code with respect to which Recovery Deductions in the respective percentages of Lessor's cost set forth in section 168(b)(1)(A) of the Code are allowable in each recovery year.

(B) Lessee's Adjusted Basis in each Item of Property, for purposes of section 168(f)(8)(D)(ii)(III) of the Code, is not less than the Purchase Price with respect to such Item of Property.

(C) Each Item of Property identified in Exhibit A hereto is "new section 38 property" within the meaning of section 48(b) of the Code, and an amount equal to 10 percent of the Purchase Price constitutes the amount of the Investment Credit allowable under section 46 of the Code.

(D) Each Item of Property was, but for the provisions of section 168(f)(8)(D)(ii) of the Code, placed in service by Lessee after October 31, 1981 and on or before the date hereof.

(E) The Lease Term for any Item of Property does not exceed the greater of (i) 90 percent of the useful life of such Item of Property for purposes of section 167(m) of the Code, or (ii) 150 percent of the present class life ("midpoint") of such Item of Property under section 167(m) of the Code applicable as of January 1, 1981 (without regard to section 167(m)(4) of the Code), as published in Rev. Proc. 77-10, 1977-1 C.B. 548, as amended.

(b) Further Assurances. Lessee, at its own cost and expense, will cause to be promptly and duly taken, executed, acknowledged and delivered all such further elections, acts, documents and assurances as Lessor may from time to time reasonably request in order more effectively to carry out the intent and purposes of this Agreement.

(c) Covenants. Lessee covenants and agrees with Lessor as follows:

(i) Amendment to Conform to Regulations. If hereafter, Regulations are published which are applicable to the transactions contemplated by this Agreement and which are, for any reason and in any respect, contrary to, or inconsistent with, the terms and provisions of this Agreement, and in connection therewith, the parties hereto are required or permitted to amend or modify this Agreement to conform to, or comply with, such Regulations, Lessee agrees to negotiate with Lessor in good faith all such amendments and modifications as shall be necessary or advisable in order to preserve for the respective parties hereto the rights and benefits which each seeks in the execution hereof.

(ii) Restriction on Transfer. Lessee shall not sell, assign, transfer or convey any interest in any Item of Property to any other person if such sale, assignment, transfer or conveyance would result in this Agreement ceasing to be a lease under section 168(f)(8) of the Code with respect to such Item of Property unless, prior to consummation of the transaction, (A) any transferee or assignee has consented in writing to take such Item of Property subject to this Agreement and to Lessor's position as tax owner of such Item of Property, (B) the Lessee has agreed in writing with Lessor to file a statement of information with its Federal income tax return, to perform any other act required by the Regulations under section 168(f)(8) of the Code necessary to prevent this Agreement from ceasing to be

treated as a lease for Federal income tax purposes with respect to such Item of Property, and to be bound by the provisions of this Agreement, and (C) the Lessee has agreed in writing, in form and substance satisfactory to Lessor, to indemnify Lessor for any breach of such transferee's or assignee's obligations.

(iii) Restriction on Use. So long as this Agreement shall be in effect, Lessee shall not permit the use of any Item of Property by (A) an organization which is by law exempt from the tax imposed by Chapter 1 of Subtitle A of the Code, (B) the United States, any state or political subdivision thereof, any international organization, or any agency or instrumentality of any of the foregoing, or (C) any other Person, if, in any such case, in consequence of such use, any such Item of Property shall cease to be treated as "section 38 property" under the Code. So long as this Agreement shall be in effect, Lessee shall not use or permit the use of any Item of Property (A) in such a manner so as to cause any item of Lessor's expense with respect thereto to be allocable to income from sources without the United States of America, or (B) in such a manner as to cause such Item of Property to cease to be treated as "section 38 property" under the Code.

(iv) Anything in paragraphs (ii) or (iii) of this Section 5(c) to the contrary notwithstanding, Lessee may use, permit the use of, sell, assign, transfer or convey any Item of Property or any interest therein, in the ordinary course of business or in connection with abandonments of rail properties or pursuant to Section 405 et seq. of the Regional Rail Reorganization Act of 1973, as amended, if the Termination Value in respect of such Item of Property shall be paid to Lessor. In any such sale, assignment, transfer or conveyance of any Item of Property or any interest therein, Lessee shall, if practical, use its best efforts to ensure that any transferee of any such Item of Property or interest therein shall consent in writing to take such Item of Property or interest therein subject to this Agreement and to Lessor's position as tax owner of such Item of Property or interest therein.

(v) Cooperation. Lessee agrees to keep and make available for inspection and copying by Lessor, and to provide full support at Lessee's cost, such records as will enable Lessor to determine the extent to which it is entitled

to the benefits of the Recovery Deductions, the Interest Deductions, and the Investment Credit with respect to each Item of Property and to determine the source of each item of income, deduction, loss, and credit with respect to the transactions contemplated by this Agreement.

(vi) Negative Pledge. During the entire Lease Term, the Lessee will not, without the prior written consent of the Lessor, directly or indirectly create, incur, assume or suffer to exist any Lien with respect to any of its real or personal property except (i) Liens on real or personal property purchased by the Lessee securing the purchase price of the property on which such Lien is given, or Liens securing the cost of construction, reconstruction or betterment of structures or other improvements on or to Lessee's property, or Liens existing on such property at the time of its acquisition, in each case provided that any such Lien shall at all times be confined solely to the property so acquired, constructed or improved; (ii) Liens on real or personal property imposed in connection with debt incurred to retire other debt, provided that any such Lien shall cover only the property subject to the Lien securing the debt being so retired and that the terms and conditions of the new Lien shall not be more onerous, nor the amount of debt be greater, than the terms and conditions of the Lien existing on such property on the date of the retirement of the preexisting debt, (iii) Liens on real or personal property imposed in connection with debt incurred for the acquisition by lease (including sale and leaseback transactions), conditional sale agreement or equipment trust agreement, or the construction, reconstruction or betterment of Lessee's property, provided that any such Lien shall at all times be confined solely to the newly acquired, constructed or improved property for which such debt was incurred or (iv) Liens resulting from other agreements pursuant to which the Lessee transfers tax benefits in transactions similar to the transactions contemplated in this Agreement to the extent that such other agreements are not in violation of Section 5(a)(vii) and do not provide for any first security interest in tangible property of the Lessee, unless prior to any such creation, incurrence, or assumption the Lessee shall have granted to the Lessor a first security interest (a "Lessor's Senior Security Interest") in other tangible property of the Lessee with an aggregate fair market value equal to at least the maximum amount to which the Lessor would be entitled pursuant to Sections 7, 9, 10 or 11 of this Agreement in the event of a breach by the Lessee of any of the provisions of this

Agreement at the time of the granting of such Lessor's Senior Security Interest. For purposes of this Section 5(c)(vi), the fair market value of the Lessee's tangible property which is to be subject to the Lessor's Senior Security Interest shall be as agreed to by the Lessee and the Lessor; provided that in the event the Lessor and the Lessee are unable so to agree, the determination of such fair market value shall be referred to an independent appraiser whose determination shall be binding on, and non-appealable by, the Lessor and the Lessee.

SECTION 6. REPRESENTATIONS, WARRANTIES AND AGREEMENTS OF LESSOR

(a) Representations and Warranties. Lessor represents and warrants that:

(i) Due Organization. Lessor is duly organized and validly existing as a corporation in good standing under the laws of the Commonwealth of Pennsylvania, and has full power and authority to carry on its business as presently conducted, to purchase the Tax Benefits, to own or hold property under lease and to enter into and perform its obligations under this Agreement.

(ii) Due Authorization. The execution, delivery and performance by Lessor of this Agreement have been duly authorized by all necessary corporate action.

(iii) Due Execution. This Agreement has been duly executed and delivered by Lessor and constitutes the legal, valid and binding obligation of Lessor enforceable against Lessor in accordance with its terms, except that such enforcement may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights.

(iv) Federal Income Tax Return. The Lessor will not include any amount other than the Purchase Price with respect to any Item of Property in its basis for Federal income tax purposes of such Item and will currently deduct or amortize on a straight-line basis over the term of this Agreement the amount of any costs or expenses incurred by it in connection with entering into the transactions contemplated by this Agreement.

(v) Information Returns. The Lessor agrees to timely file the information return required to be filed by section 5c.168(f)(8)-2 of the Regulations and by applicable statutory provisions.

(vi) Qualified Lessor. The Lessor is, and will continue to be, a "qualified lessor", within the meaning of section 5c.168(f)(8)-3(a) of the Regulations (or any comparable successor regulations), and section 168(f)(8)(B)(i) of the Code.

(b) Further Assurances. Lessor will, at the cost and expense of Lessor, cause to be promptly and duly taken, executed, acknowledged and delivered all such further elections, acts, documents and assurances as Lessee may from time to time reasonably request in order more effectively to carry out the intent and purposes of this Agreement.

(c) Amendments to Conform to Regulation. Lessor covenants and agrees with Lessee that if hereafter Regulations are published under section 168 of the Code which are applicable to the transactions contemplated by this Agreement and which are, for any reason and in any respect, contrary to, or inconsistent with, the terms and provisions of this Agreement, and, in connection therewith, the parties hereto are required or permitted to amend or modify this Agreement to conform to, or comply with, such Regulations, Lessor agrees to negotiate with Lessee in good faith all such amendments and modifications as shall be necessary or advisable in order to preserve for the respective parties hereto the rights and benefits which each seeks in the execution hereof.

SECTION 7. TERMINATION OCCURRENCES

(a) Notification in Event of Termination Occurrence. If, during the term of the Deemed Lease with respect to an Item of Property, an event with respect to such Item of Property occurs, other than as a direct result of an occurrence described in Section 11(e) of this Agreement, requiring the Lessor to recapture or to lose the right to claim all or a portion of Investment Credit and/or Recovery Deductions with respect to such Item of Property (any such event being hereinafter called a "Termination Occurrence", and any Item of Property which becomes the subject of a Termination Occurrence being hereinafter referred to as the "Disqualified Item"), then the Lessee shall promptly and fully notify the Lessor with respect thereto.

(b) Sale Treatment. On the date of the Termination Occurrence with respect to the Disqualified Item, the Disqualified Item shall be treated for Federal income tax purposes (and only such purposes) as having been sold by the Lessor to the Lessee for the amount set forth in the next sentence and the term of the Deemed Lease for the Disqualified Item shall terminate. The amount realized by the Lessor on the sale of the Disqualified Item shall be equal to (i) the Allocable Portion of the unpaid principal balance of the Deemed Loan with respect to the Disqualified Item (after taking into account the payments provided for in the following paragraph), which unpaid balance shall be treated as having been cancelled by the Lessee, plus (ii) an amount to be paid in cash by the Lessee to the Lessor equal to the Termination Value determined in accordance with Schedule I hereto for the Disqualified Item. The Termination Value set forth in Schedule I hereto for the Disqualified Item on the Payment Date next succeeding the date of the Termination Occurrence shall be paid in cash on the later of (i) the Payment Date set forth in Schedule II hereto next succeeding the date of the Termination Occurrence or (ii) thirty days after the date of the Termination Occurrence.

(c) Partial Payment of Deemed Rent and Deemed Loan. The Lessee shall be treated as having agreed for Federal income tax purposes (and only such purposes) to make a payment of Deemed Rent to the Lessor under the Deemed Lease on the date of the Termination Occurrence with respect to the Disqualified Item equal in amount to the payment on the Deemed Loan referred to in the next sentence. The Lessor shall be treated as having agreed for Federal income tax purposes (and only such purposes) to make a payment to the

Lessee on the date of the Termination Occurrence with respect to the Disqualified Item of principal and interest on the Deemed Loan with respect to the Disqualified Item in an amount equal to the Deemed Loan Payment due on the next succeeding Payment Date set forth in Schedule I hereto multiplied by a fraction, the numerator of which equals the number of days from the day after the last Payment Date set forth in Schedule II hereto to and including the date of the Termination Occurrence, and the denominator of which equals the number of days from the day after the last such Payment Date to and including the next succeeding Payment Date. The payment of Deemed Rent and the payment on the Deemed Loan referred to in this paragraph shall for Federal income tax purposes (and only such purposes) each be treated as having been paid automatically and without any action by either party on the date of the Termination Occurrence.

(d) Reports. The Lessee shall report to the Lessor no less than annually (or at such other intervals as may be agreed upon in writing by the parties hereto), but in no event later than the time required for timely inclusion in the Federal income tax returns of the Lessor, such Item or Items of the Property which have been the subject of a disposition or any other event (whether or not such disposition or event would otherwise be required to be reported under this Agreement) which will, or in the reasonable opinion of the Lessee could, result in a Termination Occurrence. The report shall provide such specificity as the Lessor shall reasonably require to complete its Federal income tax returns for any years to which such Termination Occurrence relates. The Lessee shall keep such records and provide such assistance to the Lessor as the Lessor may find necessary to file its Federal income tax returns and to contest any related matter before any level of the Internal Revenue Service or before any court.

(e) Lessee Recordkeeping Obligations. The Lessee shall maintain, and shall furnish to Lessor, such information and records as shall be necessary to comply with all rules and regulations or other documents or statements, proposed or adopted, of the Internal Revenue Service or the U.S. Treasury Department (including, without limitation, revenue rulings and procedures and Treasury notices and decisions) which address the proper accounting treatment for Federal income tax purposes for property of the type and character of the Items of Property covered by this Agreement, or which

require or may require the recapture of Tax Benefits with respect to any Item of Property. In the absence of the Internal Revenue Service or the U.S. Treasury Department proposing or adopting such rules and regulations, the Lessee shall maintain, and shall furnish to Lessor, such information and records as shall be necessary to comply with procedures proposed or adopted by the Association of American Railroads or generally used in the railroad industry.

SECTION 8. INSURANCE

Lessee will, at its own expense, cause to be carried and maintained insurance with respect to all Items of Property at the time subject hereto and the use and operation thereof, including, without limitation, property insurance and public liability insurance, in such amounts, subject to such deductibles and for such risks and with such insurance companies as are at least comparable to insurance coverage customary in Lessee's industry in respect of similar equipment owned or leased by it. Lessee hereby assigns and transfers to Lessor all right, title, and interest in and to any insurance proceeds paid under any policy of insurance to the extent such proceeds relate to the Items of Property or the use and operation thereof as aforesaid; provided, however, that if Lessee shall fully comply with all the provisions of this Section 8 in respect of the risk insured against as to which such proceeds are paid and Lessee is in compliance with the provisions of this Agreement, including, without limitation, payments of Termination Values pursuant to section 7, Lessee shall be entitled to retain all such proceeds. Lessee will furnish to Lessor on request a description of its insurance coverage with respect to the Property and will furnish to Lessor 30 days' prior written notice of any material change in such coverage; provided, however, that if it is not practicable for Lessee to have knowledge of a material change in coverage at least 30 days prior to the occurrence thereof, Lessee shall give Lessor written notice as soon as Lessee learns of such change.

SECTION 9. GENERAL INDEMNITY

If liability is imposed or sought to be imposed on Lessor as a result of its entitlement to the limited rights in each Item of Property transferred to Lessor under Section 2(a) or as the result of the inaccuracy of Lessee's representations, warranties and agreements under Section 5, Lessee agrees to assume liability for, and does hereby agree to indemnify, protect, save and hold harmless Lessor on an after-tax basis from and against, any and all liabilities, obligations, losses, damages, penalties, claims (including, without limitation, claims involving strict or absolute liability in tort), actions, suits, judgments, costs, expenses and disbursements (including, without limitation, legal fees and expenses of any kind and nature whatsoever without any limitations as to amount ("Claims") which may be imposed on, incurred by or asserted against Lessor, whether or not Lessor shall also be indemnified as to any such Claim by any other Person, in any way relating to or arising out of the design, manufacture, erection, ownership, lease, possession, use, operation, maintenance, condition, registration, sale, storage or in connection therewith (including, without limitation, latent and other defects, whether or not discoverable) and reasonable expenses incurred by Lessor in connection with any such Claim (including, without limitation, the reasonable fees and disbursements of outside counsel incurred in connection therewith). Notwithstanding the foregoing, Lessor shall not be indemnified under this Section 9 to the extent that it is fully indemnified for such liability under Section 10 or Section 11 (or would have been so indemnified if Section 10(b) or Sections 11(e) or (f) did not apply). To the extent that Lessor in fact received indemnification payment from Lessee under this Section, Lessee shall be subrogated, to the extent of the indemnity paid, to Lessor's rights with respect to the transaction or event requiring or giving rise to such indemnity. Lessor shall give Lessee prompt written notice of claims covered under this Section 9 and Lessee shall have the right to monitor the defense of such claims by Lessor.

SECTION 10. GENERAL TAX INDEMNITY

(a) Indemnity. Lessee does hereby agree to pay and, on written demand, to indemnify, protect, save and hold harmless Lessor from and against any and all license and registration fees and any and all taxes, assessments, levies, imposts, duties, charges and withholdings of any nature whatsoever together with any penalties, fines, additions to tax or interest thereon (collectively, "Taxes") imposed against Lessor or any Item of Property by any governmental or taxing authority upon or with respect to any Item of Property, or upon or with respect to the design, manufacture, execution, purchase, ownership, delivery, lease, possession, use, operation, maintenance, condition, registration, sale, storage or disposition thereof, or upon or with respect to the rentals, receipts or earnings arising therefrom, or upon or with respect to this Agreement, or arising from any breach by Lessee of any representation, warranty, or covenant contained in this Agreement, unless, and only to the extent that, any such Taxes which are not imposed by way of withholding are being contested by Lessee in good faith (and for the payment of which adequate reserves have been provided) with due diligence and by appropriate proceedings. Lessee further agrees that, with respect to any payment or indemnity hereunder, such payment or indemnity shall include any amount necessary to hold Lessor harmless, on an after-tax basis, for its costs and expenses with respect to the audit, contest or determination of such Taxes and from any and all Taxes required to be paid by Lessor with respect to such payment or indemnity.

(b) Limitation on Indemnity. Notwithstanding the provisions of paragraph (a) of this Section, Lessee shall not have any obligation thereunder as to:

(i) any taxes, fees or other charges on, based on, or measured by, the net income of Lessor imposed by the United States of America or by any state or local taxing authorities; or

(ii) any taxes, fees or other charges included in Lessee's Adjusted Basis and actually paid to the Person entitled thereto.

SECTION 11. SPECIAL TAX INDEMNITY

(a) Tax Assumptions. This Agreement has been entered into on the assumption that Lessor as purchaser of the Tax Benefits, will be entitled for Federal income tax purposes to take into account such credits, deductions and other benefits as are provided by the Code, including, without limitation:

(i) The investment credit (the "Investment Credit") for each Item of Property, in an amount equal to not less than 10 percent of the Purchase Price of such Item of Property, in Lessor's current taxable year.

(ii) Recovery deductions ("Recovery Deductions") under section 168(a) of the Code for each Item of Property, commencing with Lessor's 1981 taxable year, in an amount determined by multiplying the Purchase Price of such Item of Property by the applicable percentages under section 168(b)(1)(A) of the Code with respect to "5-year property" as indicated on Exhibit A within the meaning of section 168(c)(2)(B) of the Code.

(iii) Deductions with respect to "interest" deemed paid on the Deemed Loan ("Interest Deductions") in the amounts, in respect of each period, set forth in the Schedule of Deemed Loan Payments, as such Schedule shall be adjusted from time to time pursuant to Section 3(e) hereof.

(iv) Amortization of expenses paid or to be paid by Lessor pursuant to Section 12 hereof (the "Amortization Deductions") at a rate no less rapid than straight line over the Lease Term.

(v) The gross income attributable to the Property from all sources is derived from a trade or business located within the United States of America.

Lessor will claim the Investment Credit on its Federal income tax return for its current taxable year and the Recovery Deductions, the Interest Deductions and the Amortization Deductions on its Federal income tax returns in each year commencing with its current taxable year.

(b) Additional Tax Assumptions. This Agreement has been entered into on the further assumptions that the Lessor shall be required to include in gross income with

respect to the transactions contemplated by this Agreement (i) rental payments in the amounts herein specified accrued ratably over the periods to which such payments relate, (ii) the amount of any indemnities paid by the Lessee at the time of such payment, and (iii) the amount of any Termination Value payment in excess of Lessor's adjusted basis in the Item of Property with respect to which such payment is made.

(c) Consistent Federal Tax Returns. Lessee agrees that neither Lessee nor any affiliate will at any time take any action, directly or indirectly, or file any Federal tax returns or other Federal tax documents inconsistent with the assumptions reflected in paragraphs (a) and (b) hereof.

(d) Indemnification. If due to any breach by Lessee of any representation, warranty or covenant contained in this Agreement, or any other act or omission of Lessee, whether voluntary or involuntary, Lessor shall not be allowed for any taxable year (or portion thereof) all or any portion of the Investment Credit, the Recovery Deductions, the Interest Deductions or the Amortization Deductions, or if all or any portion of the Investment Credit or the Recovery Deductions is recaptured pursuant to section 47 or section 1245 of the Code or any other similar provision (any such non-allowance or recapture being referred to hereafter as a "Loss"), then, unless excused by the provisions of paragraphs (e) or (f) hereof, Lessee shall pay to Lessor, following written notice to Lessee by Lessor of such Loss, a lump sum amount as shall, in the reasonable opinion of Lessor, maintain Lessor's after-tax rate of return and total after-tax cash flows, taking into account any deductions or other offsetting tax benefits realized in connection therewith (e.g., acceleration of deduction for transactional costs) (computed on the same assumptions utilized by Lessor in originally evaluating this transaction, including, without limitation, assumptions as to Federal income tax rates) in respect of the Property hereunder at not less than the level that would have been available if such Loss had not occurred, and taking into consideration any interest, penalty, or addition to tax incurred by Lessor in connection with such Loss. If, as a result of a Loss, the aggregate income taxes paid by Lessor for any taxable year shall be less than the amount of such income taxes which would have been payable by Lessor had no such Loss occurred, then Lessor will pay to Lessee promptly the amount of such difference in income taxes plus any additional income tax benefits realized by Lessor as a result of such payment, provided, however, that in no event

shall the total amount paid to Lessee pursuant to this sentence with respect to a particular Loss exceed the amount paid by Lessee to Lessor in connection therewith. All amounts payable hereunder by the Lessee to the Lessor will be paid on 60 days' written notice to the Lessee by the Lessor of such Loss, but not prior to the earlier of (i) the payment by the Lessor of the additional Federal, state or local income tax, as the case may be, which becomes due as a result of the Loss or (ii) the receipt by the Lessor of a refund reflecting the inclusion of such Loss. Any payment payable hereunder to Lessee by the Lessor pursuant to this paragraph shall be paid promptly and in any event within 60 days after Lessor realizes any such savings in its income taxes or additional income tax benefits, as the case may be.

(e) Limitation on Indemnification. Notwithstanding anything to the contrary set forth in paragraph (d) of this Section, Lessee shall have no liability to Lessor for indemnification under this Agreement for any Loss, to the extent that such Loss is a direct result of the occurrence of any of the following events:

(i) A voluntary transfer or other voluntary disposition by Lessor of any interest in this Agreement or any Item of Property or any interest in the rentals derived therefrom for Federal income tax purposes or a transfer or other disposition of an Item of Property or any interest therein or any interest in the Deemed Rent derived therefrom or any interest in this Agreement which results from bankruptcy or other proceedings for the relief of debtors in which Lessor is the debtor.

(ii) The failure of Lessor to claim in a timely manner (including making all appropriate elections under the applicable Regulations) or to follow the proper procedure in claiming the Investment Credit, the Recovery Deductions, the Interest Deductions or the Amortization Deductions, or to file the information returns required by Section 3(c) hereof, or to include in income rental or other items of income described in Section 11(b) of this Agreement.

(iii) The failure of Lessor to have sufficient liability for tax within the meaning of section 46 of the Code against which to credit the Investment Credit or to have sufficient gross income within the meaning of section 61(a) of the Code to benefit from the Recovery Deductions, the Interest Deductions or the Amortization Deductions, as the case may be.

(iv) The failure of Lessor to maintain during the Lease Term its status as a "United States Person" within the meaning of section 48(a)(2)(B)(ii) of the Code, or its status as a corporation within the meaning of section 168(f)(8)(B)(i)(I) of the Code and section 5c.168(f)(8)-3(a)(1) of the Regulations, as amended.

(v) The failure of Lessor to maintain at any time during the Lease Term a minimum investment in each Item of Property then subject to this Agreement in an amount not less than the amount required by section 168(f)(8)(B)(ii) of the Code.

(vi) The willful misconduct or gross negligence of Lessor.

(vii) The failure of Lessor to file any tax return or returns in a manner consistent with the assumptions set forth in subsections (a) and (b) of this Section 11.

(viii) The failure of Lessor to be a calendar year taxpayer.

(ix) The applicability of Sections 465, 46(c)(8), 46(c)(9), 47(d) or 57(a) of the Code to Lessor.

(x) The occurrence of a change in the Code or the Regulations after the date of this Agreement.

(f) Further Limitation on Indemnification. Notwithstanding anything to the contrary set forth in paragraph (d) of this Section, Lessee shall have no liability to Lessor for indemnification under this Agreement with respect to an Item of Property suffering a Termination Occurrence to the extent Lessee has paid the Termination Value with respect to such Termination Occurrence pursuant to Section 7.

(g) Contest of Disallowance of Tax Benefits. Upon receipt of formal notification by the Internal Revenue Service of a proposed disallowance or adjustment of any credit or deduction arising from this Agreement for which an amount may be payable by Lessee in accordance with this Section 11 (hereinafter "Disallowance"), the Lessor shall promptly notify Lessee of such Disallowance.

In the event of such Disallowance or in the event any other claim shall be made against Lessor which, if successful, would result in payments under this Section 11

by Lessee, or would result in a Termination Occurrence, and if, in the opinion of independent tax counsel selected by Lessor and acceptable to Lessee (hereinafter "Counsel"), a reasonable basis for a defense to such claim exists, Lessor shall, upon request and at the expense of Lessee, contest such claim in such forum as Lessor, in its sole judgment, shall select; provided, however, that Lessor shall not be obligated to take any such legal or other appropriate action unless (i) the aggregate payment to be made hereunder exceeds $100,000 for the taxable year involved, (ii) Lessor has received an opinion from Counsel that there is a reasonable basis for contesting such matter and (iii) Lessee shall first have agreed to indemnify Lessor for all expenses which may be entailed therein and shall have provided such security for the indemnification as Lessor may reasonably request. Lessor may, at its option, take such action prior to making payment of any tax and interest and/or penalty attributable to such claim (a "Tax Payment") or may make such Tax Payment and then sue for a refund. If Lessor takes such action prior to making such Tax Payment, such sums payable hereunder need not be paid by Lessee while such action is pending; provided, however, that Lessee shall pay the liabilities and expenses relating to such action when and as the same shall become due. In such case, if the Final Determination (as defined hereinafter) shall be adverse to Lessor, the indemnity payment payable hereunder shall be computed by Lessor as of the date of such Final Determination, Lessor shall notify Lessee of such computation and furnish copies thereof to Lessee, and Lessee shall make payment thereof within thirty (30) days after such notification.

If Lessor shall elect to contest a proposed adjustment by paying the tax claimed (including such other amounts payable as interest, penalties, or additions to the tax) and seeking a refund, and if the proposed adjustment would be a Loss with respect to which Lessee would be required to indemnify Lessor, then Lessee shall advance to Lessor on an interest-free basis the aggregate amount arising from the Loss of such taxes, interest, penalties and additions to the tax which Lessor shall have elected to pay, and if Lessor subsequently receives directly or indirectly a refund of all or any taxes, interest, penalties or additions to the tax, it shall promptly pay to Lessee the amount of such refunded taxes, interest, penalties or additions to the tax plus the amount of any interest received by Lessor from the United States Government with respect to such refunded taxes, interest, penalties or additions to the tax.

If any such claim referred to above shall be made by the Internal Revenue Service and Lessee shall reasonably have requested Lessor to contest such claim as above provided and shall have duly complied with all of the terms of this Section 11, Lessor may elect not to contest any such claim despite the request of the Lessee, made in accordance with the terms of this Section 11(g), or to discontinue any proceedings previously commenced as a consequence of such request, and thereupon Lessee shall be relieved of all liability to indemnify Lessor with respect to the Loss involved in respect of such claim. In the event Lessee is relieved of its obligation to indemnify Lessor pursuant to the preceding sentence and Lessee has paid any sums hereunder in indemnification of Lessor, Lessor shall repay to Lessee all such sums (including such sums paid as interest and/or penalties) with interest at the fluctuating prime rate of The Chase Manhattan Bank, N.A. (the "Prime Rate") in effect from time to time during the period during which each of such sums has been paid by Lessee.

"Final Determination" for the purpose of this Section 11(g), means a final decision of a court of competent jurisdiction after all allowable appeals have been exhausted by either party to the action. Neither concession by Lessor of any of the aforementioned claims in the overall settlement of a controversy with the Internal Revenue Service, either at the administrative level or at the court level, nor the failure to recover a refund in whole or in part with respect to such claims which failure is the result of a set-off against a claim for refund based upon such claims where the matters set-off do not relate to such claims, will constitute an adverse "Final Determination" causing the aforementioned additional payments to accrue to Lessor, unless such overall settlement or set-off of a tax controversy with the Internal Revenue Service is approved by Lessee in a separate agreement between Lessor and Lessee. If Lessee does not request Lessor to contest a claim, or if Lessor after reasonable prior written notice to Lessee decided not to claim the tax benefit which gives rise to the Loss because Lessor has received an opinion of Counsel to the effect that there is no reasonable basis to claim such benefit, then Lessee's liability hereunder shall become fixed when Lessee receives notice of a Loss from Lessor.

In the event payments shall be due Lessor under this Section 11, the Termination Values referred to in Section 7 hereof shall be adjusted accordingly, computed on

the same assumptions as are utilized by Lessor in originally evaluating this transaction, except for the assumption that resulted in such adjustment.

(h) Consolidated Tax Returns. For purposes of this Section the term Lessor shall mean and include Lessor and any affiliated group within the meaning of section 1504 of the Code of which Lessor is a member, but only if a consolidated Federal income tax return is filed by such affiliated group for the taxable year or years with respect to which indemnification may be required.

SECTION 12. FEES AND EXPENSES

Each party shall bear its own fees and expenses in connection with entering into this Agreement.

SECTION 13. SURVIVAL; SUCCESSORS AND ASSIGNS; CERTAIN PAYMENTS UNCONDITIONAL; MANDATORY PREPAYMENT OF DEEMED LOAN

(a) Survival. All agreements, representations and warranties contained herein and in certificates and other instruments delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and shall continue in effect so long as this Agreement is in effect. All of Lessor's rights and privileges arising from the indemnities contained in Sections 9, 10 and 11 shall survive the expiration or other termination of this Agreement.

(b) Successors and Assigns. All agreements, representations and warranties in this Agreement or in certificates and other instruments delivered pursuant hereto or in connection herewith shall bind the party making the same and its successors and permitted assigns and shall inure to the benefit of and be enforceable by the other party and its successors and permitted assigns. With respect to the provisions of Sections 9, 10 and 11 hereof, Lessor, its successors and assigns shall each be indemnified thereunder as though specifically named therein.

(c) Certain Payments Unconditional. Lessee acknowledges and agrees that Lessee's obligations as to indemnification under Sections 9, 10 and 11 hereof and as to payment of Termination Values (other than with respect to the prepayment of the Deemed Loan as provided in Section 3(e) hereof) shall be absolute and unconditional and shall not be subject to any abatement, reduction, set-off, defense, counterclaim or recoupment for any reason whatsoever.

(d) Mandatory Prepayment of Deemed Loan. In the event that any Regulations or any Internal Revenue Service revenue ruling or other official pronouncement, or court decision, issued after the date hereof, in the reasonable opinion of Lessor, shall allow Lessor to claim a Recovery Deduction for any Item of Property which is "RRB replacement property" as defined in section 168(f)(3)(B) of the Code in an amount equal to 100 percent of the Purchase Price for such item in 1981, and if Lessor should so claim such a Recovery Deduction in respect thereof, Lessor shall so notify Lessee, and not less than 30 days after giving such notice, shall prepay the Deemed Loan in immediately available

funds in an amount equal to one-half of the increased after-tax yield realized by Lessor, as reasonably determined by Lessor. In such event, such prepayment shall be applied pro rata to all remaining Deemed Loan principal installments based on the respective amounts of such installments scheduled to become due on all remaining Payment Dates, appropriate adjustments to the Schedules of Deemed Loan Payments, Deemed Rent Payments and Termination Values shall be made, and such prepayment shall be included within the scope of Sections 7 and 11.

SECTION 14. BROKERS AND FINDERS

Lessee as to Lessor, and Lessor as to Lessee, hereby agree to indemnify and hold harmless each as to the other in respect of any commissions, fees, judgments or other expenses of any nature or kind which each may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents in connection with the transactions contemplated by this Agreement, or any litigation or similar proceeding arising from such claims. Lessee and Lessor each represents and warrants that it has not made any contract in respect of any commissions, fees, judgments or other expenses of the type referred to above, except as may be disclosed by Lessor to Lessee at closing.

SECTION 15. CONDITIONS PRECEDENT

(a) Conditions Precedent to Lessor's Obligation. Lessor's obligation to execute and deliver this Agreement and to lease each Item of Property to Lessee hereunder shall be subject to Lessor's having received the following on or prior to the date hereof:

(i) an incumbency certificate as to the person or persons who execute and deliver this Agreement and any instruments or documents incidental hereto on behalf of Lessee;

(ii) A certificate of an officer of Lessee to the effect that Lessee's representations and warranties are correct as of the date hereof and that Lessee is in compliance with all terms and provisions of this Agreement as of the date hereof;

(iii) An opinion of counsel satisfactory to Lessor to the effect of Lessee's representations set forth in Sections 5(a)(i), (ii), (iii), (iv), and (v) of this Agreement; and

(iv) a certified copy of the resolutions of the Board of Directors of the United States Railway Association (the "Association") waiving compliance with certain terms and conditions of the Amended and Restated Financing Agreement dated May 12, 1979 between Lessee and the Association, as such provisions would relate to this Agreement.

(b) Conditions Precedent to Lessee's Obligation. Lessee's obligation to execute and deliver this Agreement and to lease each Item of Equipment from Lessor hereunder shall be subject to Lessee's having received on or prior to the date hereof:

(i) An incumbency certificate as to the person or persons who execute and deliver this Agreement and any instruments or documents incidental hereto on behalf of the Lessor;

(ii) A certificate of an officer of Lessor to the effect that Lessor's representations and warranties are correct as of the date hereof and that Lessor is in compliance with all terms and provisions of this Agreement as of the date hereof; and

(iii) An opinion of counsel satisfactory to Lessee to the effect of Lessor's representations set forth in Sections 6(a)(i), (ii) and (iii) of this Agreement.

SECTION 16. NOTICES

(ii) Due Authorization. The execution, delivery and performance by Lessee of the Agreements have been duly authorized by all necessary corporate action.

(iv) No Violation. Neither the execution or delivery of the Agreements, nor the consummation of the transactions contemplated thereby, nor the performance by Lessee of its obligations thereunder, violates or will violate any law, governmental rule or regulation or any judgment, order or decree of any court, administrative agency or other governmental authority, or conflicts or will conflict with, or results or will result in a breach of any of the terms, conditions or provisions of, or constitutes or will constitute a default under, or results or will result in the creation or imposition of any Lien upon any of the properties

or assets of Lessee pursuant to its Restated Articles of Incorporation or By-laws or any agreement or instrument to which it is subject or is a party or by which it or its properties are bound, or requires or will require the consent or approval of any trustee or holders of its indebtedness or obligations, except such as have been duly obtained and copies of which have been delivered to Lessor.

(vi) Title to Property. Lessee is the owner of each Item of Property free and clear of all Liens.

(vii) No Similar Agreement. Lessee has not entered into, and will not during the Lease Term enter into, any contract, agreement or understanding of any nature or description relating to any Item of Property which treats or purports to treat a Person other than Lessor as owner of such Item of Property for Federal income tax purposes.

(viii) Federal Income Tax Characteristics of the Property.

(B) Lessee's Adjusted Basis in each Item of Property, for purposes of section 168(f)(8)(D)(ii)(III) of the Code, is not less than the Purchase Price with respect to such Item of Property.

(C) Each Item of Property identified in Exhibit A hereto is "new section 38 property" within the meaning of section 48(b) of the Code, and an amount equal to 10 percent of the Purchase Price constitutes the amount of the Investment Credit allowable under section 46 of the Code.

(D) Each Item of Property was, but for the provisions of section 168(f)(8)(D)(ii) of the Code, placed in service by Lessee after September 30, 1981 and on or before the date hereof.

(E) The Lease Term for any Item of Property does not exceed the greater of (i) 90 percent of the useful life of such Item of Property for purposes of section 167(m) of the Code, or (ii) 150 percent of the present class life ("midpoint") of such Item of Property under section 167(m) of the Code applicable as of January 1, 1981 (without regard to section 167(m)(4) of the Code), as published in Rev. Proc. 77-10, 1977-1 C.B. 548, as amended.

(ix) Compliance. The Lessee is in compliance with all terms and provisions of the Agreements as of the date hereof.

All capitalized terms used herein and not defined shall have the respective meanings set forth in the Agreements.

RESOLUTION OF THE
BOARD OF DIRECTORS OF THE

December 3, 1981

WHEREAS, the United States Railway Association ("Association"), acting jointly with the Finance Committee of the Board of Directors of the Association ("Finance Committee"), and the Consolidated Rail Corporation ("Conrail") are parties to the Amended and Restated Financing Agreement dated May 10, 1979 ("Financing Agreement");

WHEREAS, Section 1147 of the Northeast Rail Service Act of 1981, provides that the Board of Directors of the Association ("Association Board") shall assume the functions of the Finance Committee;

WHEREAS, the Financing Agreement is in the process of being revised and amended;

WHEREAS, by letter dated November 24, 1981, Conrail has informed the Association Board that Conrail proposes to enter into certain lease transactions in order to obtain economic benefits from transferring certain of its investment tax credits and depreciation allowances pursuant to the provisions of the Economic Recovery Tax Act of 1981;

WHEREAS, in the letter of November 24, 1981, Conrail has requested the Association Board to waive compliance with certain provisions of the Financing Agreement that would impede or prohibit such proposed lease transactions:

WHEREAS, on October 21, 1981, Conrail's Board of Directors was informed that Conrail intended to enter into such a transaction in December 1981, and at its December 16, 1981, meeting will be requested to approve a resolution authorizing Conrail to enter into such lease transactions which close on or before December 31, 1981, as well as subsequent such lease transactions, and to authorize the Chairman and Chief Executive Officer (and his delegates) to take such action as may be necessary to complete such transactions;

WHEREAS, Conrail is prohibited by

(a) section 6.02(d)(1) of the Financing Agreement from issuing any securities, with certain exceptions not applicable to the proposed transactions;

(b) section 6.02(f) of the Financing Agreement from incurring Debt, as that term is defined in section 1.01 of the Financing Agreement, with certain exceptions not applicable to the proposed transactions;

(c) section 6.02(h) of the Financing Agreement from allowing any security interests, liens or other encumbrances or title retention arrangements securing any Debt to exist on any of its assets, with certain exceptions not applicable to the proposed transactions;

(d) Section 6.02(i) of the Financing Agreement from agreeing to furnish funds for the payment of the indebtedness or obligation of any Person, as that term in defined in section 1.01 of the Financing Agreement, in excess of $25,000,000;

(e) section 6.02(j) of the Financing Agreement from incurring any obligation to pay rent under a lease, with certain exceptions not applicable to the proposed transactions;

(f) section 6.02(l)(9) of the Financing Agreement from disposing of assets in excess of a specified amount;

(g) section 6.02(n) of the Financing Agreement from entering into sale and leaseback transactions, with certain exceptions not applicable to the proposed transactions; and

(h) section 6.02(o) of the Financing Agreement from making loans with certain exceptions not applicable to the proposed transactions;

unless otherwise authorized by a modification by the Association Board or a waiver by the Association Board pursuant to section 216(e) of the Regional Rail Reorganization Act of 1973, as amended ("Rail Act");

WHEREAS, section 216(e) of the Rail Act, in part, provides that:

> The Finance Committee [Association Board] may, in its discretion and upon a finding that such action is necessary or appropriate to achieve the purposes of this Act or the goals of the final system plan, waive compliance with any term, condition, provision of covenant of the securities of the Corporation held by the Association, . . . , or any term or condition governing the purchase of such securities.

NOW, THEREFORE, BE IT RESOLVED THAT:

(1) The Association Board hereby finds that a waiver of the requirements of sections 6.02(d)(1), 6.02(f), 6.02(h), 6.02(i), 6.02(j), 6.02(l)(9), 6.02(n), 6.02(o), and such other provisions of the Financing Agreement that would prohibit or otherwise restrict Conrail from effectuating lease transactions of the kind described in the November 24, 1981, letter that are completed before the execution of a revised and amended financing agreement is necessary to achieve the purpose of the Rail Act;

(2) The Board hereby waives the application of sections 6.02(d)(1), 6.02(f), 6.02(h), 6.02(i), 6.02(j), 6.02(l)(9), 6.02(n), 6.02(0), and the other provisions of the Financing Agreement to the extent and only to the extent these sections and other provisions would prohibit or otherwise restrict Conrail from effectuating lease transactions of the kind described in the November 24, 1981, letter as such lease transactions are completed before the execution of a revised and amended financing agreement; provided, however, that this waiver shall not be effective unless and until the Conrail Board of Directors shall have approved such lease transactions.

Gentlemen:

In connection with those certain Agreements dated December 31, 1981 (the "Agreements") between Armstrong World Industries, Inc., a Pennsylvania corporation ("Armstrong") and Consolidated Rail Corporation, a Pennsylvania corporation, we are familiar with the following:

1. The Agreements;

2. The Articles of Incorporation and By-laws of Armstrong;

3. The proceedings of the Board of Directors of Armstrong and of its Executive Committee pertaining to the authorization of the execution and delivery of the Agreements; and

4. Certificates of certain public officials.

In the examination of such documents we have assumed the genuineness of all signatures and the authenticity of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as certified or xerographic copies. We have relied upon the aforesaid certificates with respect to the accuracy of material factual matters contained therein which were not independently established. We have made no independent examination of the Articles of Incorporation and the By-laws of Armstrong as now in effect and of the corporate proceedings taken by the Directors of Armstrong.

Based upon the foregoing, we are of the opinion that:

(a) Armstrong is duly organized and validly existing as a corporation in good standing under the laws of the State of Pennsylvania, and has full power and authority to carry on its business as presently conducted, to purchase the Tax Benefits as defined in the Agreements, to own or hold property under lease and to enter into and perform its obligations under these Agreements.

(b) The execution, delivery and performance by Armstrong of the Agreements have been duly authorized by all necessary corporate action.

(c) The Agreements have been duly executed and delivered by Armstrong and constitute the legal, valid and binding obligation of Armstrong, enforceable against Armstrong in accordance with their terms, except that such enforcement may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights.

Very truly yours,

Dear Sirs:

We are counsel to Consolidated Rail Corporation (the "Company"). As such, we are familiar with the Company's Restated Articles of Incorporation and By-Laws and are generally familiar with the affairs of the Company and the actions taken by the Company in connection with certain agreements dated as of December 31, 1981 (the "Agreements") between you and the Company relating to the transfer for Federal income tax purposes only of certain Property, as defined therein, from the Company to you. We understand that the Company and you intend that the Agreements be characterized as leases for Federal income tax purposes pursuant to Section 168(f)(8) of the Internal Revenue Code, as amended.

For purposes of rendering this opinion, we have examined originals, or copies certified or otherwise identified to our satisfaction, of such records, documents, certificates and other instruments as in our judgment are necessary or appropriate to enable us to render the opinion expressed below. In connection therewith, we have also relied upon the opinions of the Company's in-house counsel as to certain

matters covered herein. Terms used herein as defined terms shall have the meaning set forth in the Agreements unless the context requires otherwise.

Based upon the foregoing, it is our opinion that:

1. The Company is duly organized and validly existing as a corporation in good standing under the laws of the Commonwealth of Pennsylvania, and has full power and authority to carry on its business as presently conducted and to enter into and perform its obligations under the Agreements. The execution, delivery and performance by the Company of the Agreements have been duly authorized by all necessary corporate action. The Agreements have been duly executed and delivered by the Company, and constitute the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with their terms, except that such enforcement may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights.

2. To the best of our knowledge, neither the execution or delivery of the Agreements, nor the consummation of the transactions contemplated thereby, nor the performance by the Company of its obligations thereunder, violates or will violate any law, governmental rule or regulation or any judgment, order or decree of any court, administrative agency or other governmental authority, or conflicts or will conflict with, or results or will result in a breach of any of the terms, conditions or provisions of, or constitutes or will constitute a default under, or results or will result in the creation or imposition of any Lien upon any of the properties or assets of the Company pursuant to its Restated Articles of Incorporation or By-laws or any agreement or instrument to which it is subject or is a party or by which it or its properties are bound, or requires or will require the consent or approval of any trustee or holders of its indebtedness or obligations, except such as have been duly obtained and copies of which have been delivered to you.

3. No consent or approval of, giving of notice to, registration with, or taking of any other action in respect of or by, any Federal, state or local governmental

authority or agency or other Person is or will be required in connection with the execution, delivery or performance by the Company of, or the consummation by the Company of the transactions contemplated by, the Agreements, except such as have been duly obtained, given or accomplished.

Very truly yours,

PEPPER, HAMILTON & SCHEETZ

ARMSTRONG WORLD INDUSTRIES, INC.

ARTICLES OF INCORPORATION

1st. The name of the corporation is Armstrong World Industries, Inc.

2nd. The location and post office address of its registered office in this Commonwealth is Liberty and Charlotte Streets, Lancaster, Lancaster County, Pennsylvania.

3rd. The purpose or purposes for which the corporation is incorporated under the Business Corporation Law of the Commonwealth of Pennsylvania are to engage in, and do any lawful act concerning, any or all lawful business for which corporations may be incorporated under the Business Corporation Law, including, but not limited to, manufacturing, purchasing and selling a variety of interior furnishings, interior finish materials and related services for residential, commercial and institutional interiors, including resilient floors and carpeting, ceiling materials and ceiling systems, furniture and related accessory items; as well as insulation materials and industrial specialties; engaging in research and development, furnishing services, and acquiring, owning, using, and disposing of real property of any nature whatsoever.

4th. The term of its existence is perpetual.

5th. The authorized capital stock of the Corporation shall be 161,821 shares of No Par Preferred Stock (without par value), 1,500,000 shares of Voting Preferred Stock (without par value) and 60,000,000 shares of Common Stock of the par value of $1.00 per share.

A description of each class of shares and a statement of the preferences, voting powers, qualifications, limitations, restrictions and the special or relative rights granted to or imposed upon the shares of each class and of the authority vested in the Board of Directors of the corporation to establish series of the No Par Preferred Stock and series of Voting Preferred Stock and to fix and determine the variations in the relative rights and preferences as between the series of each class are as follows:

1. No Par Preferred Stock and Voting Preferred Stock shall each be issued in one or more series. Each series shall be designated by the Board of Directors so as to distinguish the shares thereof from the shares of all other series and classes. The Board of Directors is hereby authorized, by resolution, from time to time to divide shares of No Par Preferred Stock into series and to divide shares of Voting Preferred Stock into series and to fix and determine the number of shares and, subject to the provisions of this Article 5th, the relative rights and preferences of any series so established, provided that all shares of No Par Preferred Stock shall be identical to all other shares of No Par Preferred Stock and all shares of Voting Preferred Stock

shall be identical to all other shares of Voting Preferred Stock except, in each case, as to the following relative rights and preferences in respect of any or all of which there may be variations between different series, namely, the rate of dividend (including the date from which dividends shall be cumulative), the price at, and the terms and conditions on, which shares may be redeemed, the amounts payable on shares in the event of voluntary or involuntary liquidation, sinking fund provisions for the redemption or purchase of shares in the event shares of any series are issued with sinking fund provisions and the terms and conditions on which the shares of any series may be converted in the event the shares of any series are issued with the privilege of conversion. Each share of any series of No Par Preferred Stock and each share of any series of Voting Preferred Stock shall be identical with all other shares of such series, except as to date from which dividends shall be cumulative.

2. The holders of shares of No Par Preferred Stock of any series and the holders of shares of Voting Preferred Stock of any series shall be entitled to receive, when and as declared by the Board of Directors, out of funds legally available therefor, cumulative dividends at the rate of dividend fixed by the Board of Directors for such series as hereinbefore provided, and no more, payable quarter-yearly on the 15th day of March, June, September and December in each year, provided, however, that no dividend shall be declared or paid nor any distribution made on the Voting Preferred Stock so long as any of the No Par Preferred Stock remains outstanding, unless all quarter-yearly dividends accrued on the No Par Preferred Stock and the dividend thereon for the current quarter-yearly dividend period shall have been paid or declared and a sum sufficient for the payment thereof set apart. The dividends on any shares of No Par Preferred Stock or Voting Preferred Stock shall be cumulative from such date as shall be fixed for that purpose by the Board of Directors prior to the issue of such shares or, if no such date shall be so fixed by the Board of Directors, from the quarter-yearly dividend payment date next preceding the date of issue of such shares.

The holders of Common Stock shall be entitled to receive dividends, when and as declared by the Board of Directors, out of surplus legally available therefor, provided, however, that no dividend shall be declared or paid nor any distribution made on the Common Stock so long as any of the No Par Preferred Stock or Voting Preferred Stock remains outstanding, unless all quarter-yearly dividends accrued on the No Par Preferred Stock and the Voting Preferred Stock and the dividends thereon for the current quarter-yearly dividend period shall have been paid or declared and sums sufficient for the payment thereof set apart.

3. The corporation at the option of the Board of Directors may redeem the whole or any part of the No Par Preferred Stock or the Voting Preferred Stock, or the whole or any part of any series of either of them, at any time or from time to time, at such redemption price therefor as shall have been fixed by the Board of Directors as hereinbefore provided, plus all dividends which on the redemption date have accrued

on the shares to be redeemed and have not been paid or declared and a sum sufficient for the payment thereof set apart; provided, however, that if and whenever any quarter-yearly dividend shall have accrued on No Par Preferred Stock which has not been paid or declared and a sum sufficient for the payment thereof set apart, the corporation may not redeem any shares of No Par Preferred Stock unless all shares of such stock at the time outstanding are so redeemed and provided, further, that if and whenever any quarter-yearly dividend shall have accrued on Voting Preferred Stock which has not been paid or declared and a sum sufficient for the payment thereof set apart, the corporation may not redeem any shares of Voting Preferred Stock unless all shares of such stock at the time outstanding are so redeemed. Notice of every such redemption shall be published not less than thirty (30) days nor more than sixty (60) days prior to the date fixed for redemption in a daily newspaper printed in the English language and published and of general circulation in the Borough of Manhattan, City and State of New York. Notice of every such redemption shall also be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date fixed for redemption to the holders of record of the shares of No Par Preferred Stock or Voting Preferred Stock to be redeemed at their respective addresses as the same appear upon the books of the corporation; but no failure to mail such notice or any defect therein or in the mailing thereof shall affect the validity of the proceedings for the redemption of any shares of No Par Preferred Stock or Voting Preferred Stock. In case of a redemption of a part only of any series of the No Par Preferred Stock or Voting Preferred Stock at the time outstanding, the corporation shall select shares so to be redeemed by lot or in such other manner as the Board of Directors may determine. Subject to the provisions herein contained, the Board of Directors shall have full power and authority to prescribe the manner in which and the terms and conditions on which the No Par Preferred Stock and the Voting Preferred Stock shall be redeemed from time to time. If notice of redemption shall have been published as hereinbefore provided and if before the redemption date specified in such notice all funds necessary for such redemption shall have been set apart so as to be available therefor, then on and after the date fixed for redemption the shares of No Par Preferred Stock or Voting Preferred Stock so called for redemption, notwithstanding that any certificate therefor shall not have been surrendered for cancellation, shall no longer be deemed outstanding and all rights with respect to such shares shall forthwith cease and terminate except only the right of the holders thereof to receive upon surrender of certificates therefor the amount payable upon redemption thereof, but without interest; provided, however, that if the corporation shall, after the publication of notice of any such redemption and prior to the redemption date, deposit in trust for the account of the holders of the No Par Preferred Stock or Voting Preferred Stock to be redeemed with a bank or trust company in good standing, designated in such notice, organized under the laws of the United States of America or of the State of New York, doing business in the Borough of Manhattan, The City of New York, and having a capital, undivided profits and surplus aggregating at least five million dollars ($5,000,000), all funds

necessary for such redemption, then from and after the time of such deposit the shares of No Par Preferred Stock or Voting Preferred Stock so called for redemption, notwithstanding that any certificate therefor shall not have been surrendered for cancellation, shall no longer be deemed outstanding and all rights with respect to such shares shall forthwith cease and terminate except the right of the holders of such shares to receive from such bank or trust company upon surrender of certificates therefor the amount payable upon redemption thereof, but without interest and except, in the case of shares of Voting Preferred Stock so called for redemption, the right to exercise before the close of business on the second full business day prior to the date fixed for redemption the rights, if any, of conversion not theretofore expiring.

All shares of No Par Preferred Stock so redeemed shall be cancelled and shall not be reissued.

4. In the event of any liquidation, dissolution or winding up of the affairs of the corporation then before any payment or distribution shall be made to the holders of the Voting Preferred Stock or Common Stock the holders of shares of No Par Preferred Stock shall be entitled to be paid in cash such amount as shall have been fixed by the Board of Directors as hereinbefore provided, plus all dividends which shall have accrued on the No Par Preferred Stock and have not been paid or declared and a sum sufficient for the payment thereof set apart. In the event of any such liquidation, dissolution or winding up then before any payment or distribution shall be made to the holders of the Common Stock the holders of shares of Voting Preferred Stock shall be entitled to be paid in cash such amount as shall have been fixed by the Board of Directors as hereinbefore provided, plus all dividends which shall have accrued on the Voting Preferred Stock and have not been paid or declared and a sum sufficient for the payment thereof set apart, and the remaining assets shall belong to and be divided among the holders of the Common Stock.

5. A. *No Par Preferred Stock.* The holders of No Par Preferred Stock shall have no voting rights except as otherwise required by law or hereinafter provided:

(a) If at any time the amount of any dividends on No Par Preferred Stock which have accrued and which have not been paid or declared and a sum sufficient for the payment thereof set apart shall be at least equal to the amount of six quarter-yearly dividends, the holders of No Par Preferred Stock, voting as a class, shall be entitled to elect two directors, in addition to the directors to be elected by the holders of other shares of the corporation entitled to vote for the election of directors, and in such event the authorized number of directors of the corporation shall, without further corporate action, be increased by two; provided, however, that such voting rights of the holders of No Par Preferred Stock shall continue only until all quarter-yearly dividends accrued on the No

Par Preferred Stock have been paid or declared and a sum sufficient for the payment thereof set apart, at which time the authorized number of directors shall, without further corporate action, be decreased by two and the terms of office of any directors so elected by the holders of No Par Preferred Stock shall then expire. In any such election the holders of No Par Preferred Stock shall be entitled to one vote per share. The directors to be elected by the holders of No Par Preferred Stock shall be elected at annual meetings of the shareholders of the corporation and, except as hereinbefore provided, shall serve until the next annual meeting of the shareholders and until their successors shall have been elected and qualified; provided, however, that if at any time there shall be a vacancy in any office of director to be elected by the holders of No Par Preferred Stock the Secretary of the corporation may, and upon the written request of the holders of record of ten (10) per cent or more of the number of shares of No Par Preferred Stock then outstanding shall, call a special meeting of the holders of No Par Preferred Stock for the purpose of filling any vacancy or vacancies then existing. If the Secretary of the corporation shall fail to call any such meeting within ten (10) days after any such request, such meeting may be called by any holder of No Par Preferred Stock designated for that purpose by the holders of record of ten (10) per cent. or more of the number of shares of No Par Preferred Stock then outstanding.

(b) Without the consent of the holders of at least fifty (50) per cent. of the number of shares of No Par Preferred Stock at the time outstanding, given in person or by proxy, either in writing or by vote at a meeting called for that purpose at which the holders of No Par Preferred Stock shall vote as a class,

(i) no additional class of stock ranking senior to or on a parity with the No Par Preferred Stock as to dividends or assets shall be authorized;

(ii) the authorized number of shares of No Par Preferred Stock or of any class of stock ranking senior to or on a parity with the No Par Preferred Stock as to dividends or assets shall not be increased;

(iii) the corporation shall not sell, lease or convey all or substantially all of its property or business or voluntarily liquidate, dissolve or wind up its affairs; and

(iv) the corporation shall not merge or consolidate with any other corporation if the corporation resulting from such merger or consolidation would have after such merger or consolidation any authorized class of stock ranking senior to or on a parity with the No Par Preferred Stock except the same number of shares of stock with the same rights and preferences as the authorized stock of the corporation immediately preceding such merger or consolidation.

(c) Without the consent of the holders of at least sixty-six and two-thirds (66-2/3) per cent. of the number of shares of No Par Preferred Stock at the time outstanding, given in person or by proxy, either in writing or by vote at a meeting called for that purpose at which the holders of No Par Preferred Stock shall vote as a class, no change shall be made in the rights and preferences of the No Par Preferred Stock as set forth in the Articles of Incorporation or as fixed by the Board of Directors so as to affect such stock adversely; provided, however, that if any such change would affect any series of No Par Preferred Stock adversely as compared with the effect thereof upon any other series of No Par Preferred Stock, no such change shall be made without the additional consent given as aforesaid of the holders of at least sixty-six and two-thirds (66-2/3) per cent. of the number of shares at the time outstanding of the No Par Preferred Stock of the series which would be so adversely affected.

B. *Voting Preferred Stock and Common Stock.* The holders of Voting Preferred Stock and the holders of Common Stock shall have one vote per share. In addition, the holders of Voting Preferred Stock shall have the following voting rights:

(a) If at any time the amount of any dividends on Voting Preferred Stock which have accrued and which have not been paid or declared and a sum sufficient for the payment thereof set apart shall be at least equal to the amount of six quarter-yearly dividends, the holders of Voting Preferred Stock, voting as a class, shall be entitled to elect two directors, in addition to the other directors to be elected by the holders of shares of the corporation entitled to vote for the election of directors, and in such event the authorized number of directors of the corporation shall, without further corporate action, be increased by two; provided, however, that such voting rights of the holders of Voting Preferred Stock shall continue only until all quarter-yearly dividends accrued on the Voting Preferred Stock have been paid or declared and a sum sufficient for the payment thereof set apart, at which time the authorized number of directors shall, without further corporate action, be decreased by two and the terms of office of any directors so elected by the holders of Voting Preferred Stock shall then expire. In any such election the holders of Voting Preferred Stock shall be entitled to one vote per share. The directors to be elected by the holders of Voting Preferred Stock shall be elected at annual meetings of the shareholders of the corporation and, except as hereinbefore provided, shall serve until the next annual meeting of the shareholders and until their successors shall have been elected and qualified; provided, however, that if at any time there shall be a vacancy in any office of director to be elected by the holders of Voting Preferred Stock the Secretary of the corporation may, and upon the written request of the holders of record of ten (10) per cent. or more of the number of shares of Voting Preferred Stock then outstanding shall, call a special meeting of the holders of Voting Preferred Stock for the purpose of

filling any vacancy or vacancies then existing. If the Secretary of the corporation shall fail to call any such meeting within ten (10) days after any such request, such meeting may be called by any holder of Voting Preferred Stock designated for that purpose by the holders of record of ten (10) per cent. or more of the number of shares of Voting Preferred Stock then outstanding.

(b) Without the consent of the holders of at least fifty (50) per cent. of the number of shares of Voting Preferred Stock at the time outstanding, given in person or by proxy, either in writing or by vote at a meeting called for that purpose at which the holders of Voting Preferred Stock shall vote as a class,

(i) the Articles of Incorporation shall not be changed to authorize any additional class of stock ranking on a parity with the Voting Preferred Stock as to dividends or assets or to increase the authorized number of shares of Voting Preferred Stock or of any class of stock ranking on a parity with the Voting Preferred Stock as to dividends or assets;

(ii) the corporation shall not sell, lease or convey all or substantially all of its property or business or voluntarily liquidate, dissolve or wind up its affairs.

For purposes of the preceding clause (i) of this subdivision (b), any merger or consolidation to which the corporation shall be a party shall be deemed to involve a change of the Articles of Incorporation to the articles of incorporation of the corporation surviving or resulting from such merger or consolidation.

(c) Without the consent of the holders of at least sixty-six and two-thirds (66-2/3) per cent. of the number of shares of Voting Preferred Stock at the time outstanding, given in person or by proxy, either in writing or by vote at a meeting called for that purpose at which the holders of Voting Preferred Stock shall vote as a class, the Articles of Incorporation shall not be changed,

FURTHER RESOLVED That the Company agrees to characterize the said Agreement(s) as a separate lease (or leases) between the Company as Lessor and Consolidated Rail Corporation as Lessee, for federal income tax purposes only, with respect to each item of such "qualified leased property" and irrevocably elects to have the provisions of Section 168(f)(8) of the Internal Revenue Code of 1954, as amended, apply thereto.

FURTHER RESOLVED That the Treasurer, Assistant Treasurer, Secretary or Assistant Secretary is hereby authorized to execute and deliver such other documents and to take such other actions as may be reasonably necessary and appropriate to implement the intent of the foregoing resolutions, including the performance by the Company under the Agreement(s).
