The Trustee shall, without waiting for the recording, filing or deposit of this Agreement or of any other instrument respecting the Trust Equipment, issue and deliver, as the Company shall direct by Request, Trust Certificates substantially in the form set forth herein and in the aggregate principal amount so sold. The net proceeds (excluding premium and accrued dividends, if any) of the sale of any of the Trust Certificates shall be deposited in cash with the Trustee. At the same time the Company shall, if necessary, deposit with the Trustee any advance rental payable by the Company pursuant to Section 4.04(A)(1) hereof.

Section 2.02. Interests Represented by Trust Certificates; Aggregate Principal Amount; Dividends; Maturity.

Each Trust Certificate shall represent an interest in the Trust of a principal amount specified therein and shall bear dividends on said principal amount, at a rate to be determined for each installment at the time of delivery thereof by the Trustee, payable semiannually on the first days of February and August in each year. The dividend rate may be changed by an agreement in writing between the Company and the holder of all the outstanding Trust Certificates. A counterpart of any such agreement shall be filed with the Trustee.

The aggregate principal amount of Trust Certificates which shall be executed and delivered by the Trustee hereunder shall not exceed \$24,000,000, except as provided in Sections 2.05 and 2.06 hereof. Each Trust Certificate shall bear upon its face the due date thereof together with such numbers, descriptions or marks of identification as the Trustee may determine.

The principal amount of the Trust Certificates shall become due in 15 equal annual installments payable on February 1 in each year, beginning February 1, 1983, and ending February 1, 1997.

**Section 2.03. Form of Trust Certificates and Guaranty.**

**Section 2.04. Execution by Trustee.**

The Trust Certificates shall be signed in the name and on behalf of the Trustee by the facsimile signature of one of its Vice Presidents and a facsimile of its corporate seal shall be affixed thereto and attested by its Secretary or one of its Assistant Secretaries. In case any officer of the Trustee whose signature, whether facsimile or not, shall appear on any of the Trust Certificates shall cease to be such officer of the Trustee before the Trust Certificates shall have been issued and delivered by the Trustee, such Trust Certificates shall be adopted by the Trustee and be issued and delivered as though such person had not ceased to be such officer of the Trustee.

**Section 2.05. Transfer of Trust Certificates; Owners Thereof; Exchange of Trust Certificates.**

Trust Certificates shall be in denominations of \$1,000 and any integral multiple of \$1,000, be registered as to both principal and dividends in the name of the holder, be transferable upon presentation and surrender thereof at the principal office of the Trustee in the City of Philadelphia, Pennsylvania (accompanied by appropriate instruments of assignment and transfer duly executed by the registered holder of the surrendered Trust Certificate or Certificates or by duly authorized attorney, in form satisfactory to the Trustee) and be dated and bear dividends from February 1, 1982, or the dividend payment date to which dividends shall have been paid next preceding or coinciding with the date of issue, whichever is later.

Trust Certificates may be exchanged for a like aggregate principal amount of Trust Certificates of the same maturity but of varying authorized denominations. Trust Certificates to be exchanged shall be surrendered at said principal office of the Trustee in the City of Philadelphia, Pennsylvania.

Notwithstanding anything to the contrary herein, the parties hereto may deem and treat the registered holder of any Trust Certificate as the absolute owner of that Trust Certificate for all purposes and shall not be affected by any notice to the contrary.

For any registration, transfer, exchange or discharge from registration, the Trustee shall require the payment of a sum sufficient to cover reimbursement for any governmental charge connected therewith, and, in addition, in case of any exchange of Trust Certificates as hereinabove provided, such sum, not exceeding \$5 for each Trust Certificate issued on such exchange, as the Company may specify in a Request.

The Trustee shall not be required to issue, register, transfer or exchange Trust Certificates during the ten-day period immediately preceding any dividend payment date.

Subject to the foregoing record date provisions, each Trust Certificate delivered pursuant to any provision of this Agreement in exchange or substitution for, or upon the transfer of, the whole or any part of one or more other Trust Certificates shall carry all of the rights to dividends accrued and unpaid, and to accrue, which were carried by the whole or part of any one or more of said Trust Certificates; and notwithstanding anything to the contrary herein, each Trust Certificate so delivered shall be so dated that neither gain nor loss in dividends shall result from such exchange, substitution or transfer.

Section 2.06. Replacement of Lost or Mutilated Trust Certificates.

In case any Trust Certificate shall become mutilated or defaced or be lost, stolen or destroyed, then upon presentation of the evidence and security required hereby and upon the terms set forth herein and not otherwise, the Trustee, upon Request, shall (a) pay any matured and unpaid dividends on any mutilated or defaced Trust Certificates and (b) execute and deliver, in exchange and substitution for and upon cancellation of any mutilated or defaced Trust Certificate, or in substitution for the same if lost, stolen or destroyed, a new fully registered Trust Certificate. The Company shall execute its guaranty on any replacement Trust

Certificates so delivered. The applicant for a replacement Trust Certificate shall furnish to the Trustee and to the Company (i) evidence to their satisfaction of the mutilation, defacement, loss, theft or destruction of the Trust Certificate alleged to have been lost, stolen or destroyed and of the ownership and authenticity of such mutilated, defaced, lost, stolen or destroyed Trust Certificate and (ii) such security and indemnity as the Trustee and the Company may, in their discretion, require. Said applicant shall pay all expenses and charges of any substitution or exchange. All Trust Certificates shall be issued, held and owned upon the express condition that the foregoing provisions are exclusive in respect of the replacement of mutilated, defaced, lost, stolen or destroyed Trust Certificates and shall preclude any and all other rights and remedies.

Section 2.07. Temporary Trust Certificates.

At any time prior to the issuance of definitive Trust Certificates, the Trustee shall, upon receipt of a Request, issue and deliver, in lieu of definitive Trust Certificates, temporary Trust Certificates in any denomination or denominations specified in such Request. Said temporary Trust Certificates shall be substantially of the tenor of the definitive Trust Certificates in lieu of which they are issued with such variations as may be appropriate. Temporary Trust Certificates may be subject to prepayment, without penalty, by the Company at any time prior to the issuance of definitive Trust Certificates, and if the Company shall prepay the outstanding balance of the principal of the temporary Trust Certificates, or any of them, the same shall be surrendered to the Company.

Temporary Trust Certificates shall be exchangeable for the definitive Trust Certificates in lieu of which they are issued. Upon surrender and cancellation of any temporary Trust Certificates, the Trustee shall without charge to the holder issue and deliver in exchange therefor definitive Trust Certificates of the same maturity and for the same aggregate principal amount. Until so exchanged, the holders of the temporary Trust Certificates shall be entitled to the same rights hereunder as if the temporary Trust Certificates were definitive.

To that end, the Company, upon entering into a contract for the construction of said other Equipment (other than a contract providing for the construction of Equipment by the Company), shall assign to the Trustee all of its right, title and interest under said contract.

**Section 3.02. Payments Out of Deposited Cash.**

From time to time, when and as any of the Trust Equipment shall have been delivered to the Trustee or to the Company as its agent pursuant to this Article Three, the Trustee shall (subject to the provisions of Section 3.03 hereof and upon Request) pay to the manufacturer or manufacturers or owner or owners of the delivered Trust Equipment out of Deposited Cash an amount which, together with all payments previously made out of Deposited Cash upon deliveries of Trust Equipment, will equal not more than 80% of the aggregate Cost of the Trust Equipment then and theretofore delivered to the Trustee.

**Section 3.03. Payments of and from Advance Rental.**

The Company, contemporaneously with any payment by the Trustee pursuant to Section 3.02 hereof, shall pay to the Trustee the advance rental provided for in Section 4.04(A)(2) hereof. Thereupon the Trustee shall, upon Request, pay to the manufacturer or manufacturers or vendor or vendors of the delivered Trust Equipment from said advance rental that portion of the Cost of the delivered Trust Equipment not paid out of Deposited Cash pursuant to Section 3.02 hereof. The intent of the parties hereto is that the Company shall ultimately pay not less than 20% of the final Cost of all of the Trust Equipment; and the Trustee and the Company shall at any time if occasion arises adjust their accounts and payments so that the Trustee shall pay with Deposited Cash not more than 80% of said final Cost, and the Company shall pay as advance rental the remainder which shall not be less than 20% of said final Cost.

**Section 3.04. Supporting Documents.**

The Trustee shall not pay out any Deposited Cash against the delivery of any units of the Trust Equipment until it shall have received:

- (a) An Officer's Certificate stating that (i) said units are Equipment as herein defined, (ii) the Cost of said units is an amount specified therein and (iii) said units have been delivered to the Company as agent for the Trustee and marked in accordance with Section 4.06 hereof;

(b) A bill or bills of sale of said units from the manufacturer or manufacturers or owner or owners thereof to the Trustee, which bill or bills of sale shall contain a warranty to the Trustee that the title to the units described therein is free from all liens and encumbrances;

(c) An invoice or invoices from the manufacturer or manufacturers or owner or owners thereof covering said units described in said bill or bills of sale, upon which invoice or invoices shall be noted the written approval of the Company; and

(d) An Opinion of Counsel to the effect that (i) said bill or bills of sale are valid and effective, either alone or in connection with any other instrument referred to in that opinion, to vest in the Trustee title to said units free from all liens and encumbrances and (ii) in the case of any Trust Equipment not specifically described herein, a proper supplement hereto in respect thereof has been duly executed by the Trustee and the Company and filed, recorded and deposited in accordance with Section 6.04 hereof.

Any Officer's Certificate delivered pursuant to this Section 3.04 may state that the Cost of the Trust Equipment referred to therein is tentatively determined, subject to final adjustment to be evidenced in a final Officer's Certificate to be delivered to the Trustee.

If the aggregate final Cost of the Trust Equipment shall be less than 125% of the aggregate principal amount of Trust Certificates issued hereunder, the Company will cause to be transferred to the Trustee additional Trust Equipment in an amount and of the Cost that the aggregate final Cost of the Trust Equipment will be at least equal to 125% of the aggregate principal amount of Trust Certificates issued hereunder and, whether or not Deposited Cash is to be paid

out in respect of said additional Trust Equipment, will furnish to the Trustee in respect of said additional Trust Equipment the documents described in the first paragraph of this Section 3.04.

Section 3.05. Interest on Deposited Cash.

Interest, if any, allowed by the Trustee upon any moneys received by it under the provisions hereof and any interest (in excess of accrued interest paid from Deposited Cash at the time of purchase) or other profit accruing upon any Investments purchased with Deposited Cash as permitted by Section 7.08 hereof shall belong to the Company and be paid to it by the Trustee unless, to the knowledge of the Trustee, the Company shall be in default hereunder.

ARTICLE FOUR

Lease of Trust Equipment to Company

Section 4.01. Lease of Trust Equipment.

The Trustee hereby leases all of the Trust Equipment to the Company for a term of 15 years commencing February 1, 1982.

Section 4.02. Substituted or Additional Trust Equipment to be Covered by Supplement Hereto.

In the event the Company shall, as provided in Sections 3.01 and 3.04 hereof or in Sections 4.07 and 4.09 hereof, cause to be transferred to the Trustee other Equipment in addition to or in substitution for any of the Equipment specifically described herein, said other Equipment shall be included as part of the Trust Equipment by supplement hereto and shall be subject to all of the terms and conditions hereof in all respects as though it had been part of the Trust Equipment specifically described herein.

Section 4.03. Failure to Execute Supplement Hereto for Substituted or Additional Trust Equipment.

Notwithstanding the failure of either or both of the parties hereto to execute any supplement hereto as required by Section 4.02 hereof, any Equipment which shall from time to time be transferred or delivered to the Company as agent for the Trustee hereunder shall, at and from the time of such transfer or delivery and without further instrument of lease or transfer, become subject to all of the terms and conditions hereof.

Section 4.04. Rental Payments.

The Company hereby accepts the lease of all the Trust Equipment and covenants and agrees to accept delivery and possession hereunder of the Trust Equipment as provided herein. The Company shall pay to the Trustee, in the coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, rent hereunder which shall be sufficient to pay and discharge the following items, when and as the same shall become due and payable (whether or not any of said items shall become due and payable prior to the delivery and lease to the Company of any of the Trust Equipment):

(a) As advance rental hereunder, sums which shall be equal to the difference between the Cost of the Trust Equipment (other than Trust Equipment subjected hereto pursuant to Section 4.07 and 4.09 or the last paragraph of Section 3.04 hereof) and the portion of such Cost to be provided out of the net proceeds (excluding premium and accrued dividends, if any) of the sale of the Trust Certificates so that when all such Trust Equipment shall have been delivered to the Company as agent for the Trustee the Company shall have paid or shall pay to the Trustee, as advance rental hereunder, a sum equal to the amount by which the aggregate Cost of such Trust Equipment exceeds such net proceeds of the sale of the Trust Certificates, such advance rental to be paid as follows:

(1) At the time of issue of the Trust Certificates a sum which, when added to such net proceeds of the sale of the Trust Certificates deposited with the Trustee, will make the total sum deposited equal to the principal amount of the Trust Certificates issued; and

(2) Upon delivery of any of the Trust Equipment a sum equal to the portion of the Cost of the delivered Trust Equipment not paid out of Deposited Cash pursuant to Section 3.02 hereof, but not less than 20% of the Cost thereof.

(b) In addition to said advance rental, and whether or not at the time any Trust Equipment shall have been delivered to the Company, the following:

(1) The necessary and reasonable expenses of the Trust, including compensation and expenses provided for herein and an amount equal to any expenses incurred and any loss of principal (including interest accrued thereupon at time of purchase) in connection with any purchase, sale or redemption of Investments by the Trustee;

(2) The amounts of the dividends payable on the Trust Certificates, when and as the same shall become payable, and interest (to the extent legally enforceable) at the dividend rate from the due date until the date of payment upon the amount of any installments of rental payable under this subparagraph (2) and the following subparagraph (3) which shall not be paid when due; and

(3) The principal of the Trust Certificates, when and as the same shall become payable, whether upon the respective stated date of maturity thereof or otherwise under the provisions thereof or of this Agreement (with interest on any overdue principal at the dividend rate to the extent legally enforceable) from the due date until the date of payment.

In addition to the foregoing rental payments, the Company shall pay to the proper taxing authority any taxes, assessments or government charges levied upon or on account of this Agreement or the income or property of the Trust; provided, however, that the Company shall not be required to pay any tax, assessment or governmental charge so long as it shall in good faith and by appropriate legal proceedings contest the validity thereof, unless in the judgment of the Trustee the rights or interests of the Trustee or of the holders of the Trust Certificates may be materially endangered thereby. If any such taxes, assessments, or governmental charges shall have been charged or levied against the Trustee directly and paid by the Trustee, the Company shall reimburse the Trustee on presentation of invoice therefor; provided, however, that the Company shall not be obligated to reimburse the Trustee for any taxes, assessments or governmental charges so paid unless the Trustee shall have been legally liable with respect thereto or the Company shall have approved the payment thereof.

Section 4.05. Termination of Lease; Unclaimed Moneys.

At the termination of the lease provided for herein and after all payments due or to become due from the Company hereunder shall have been made to the Trustee, (1) those payments shall be applied and treated as purchase money and as the full purchase price of the Trust Equipment, (2) any moneys remaining in the hands of the Trustee after providing for all outstanding Trust Certificates and after paying the expenses of the Trustee, including its reasonable compensation, shall be paid to the Company, (3) title to all the Trust Equipment shall vest in the Company and (4) the Trustee shall, at the expense of the Company, execute an instrument in writing reasonably requested by the Company to be made of record in order to make clear upon the public

records of all appropriate jurisdictions the Company's title to all the Trust Equipment; provided, however, that until that time title to the Trust Equipment shall not pass to or vest in the Company, but title to and ownership of all the Trust Equipment shall be and remain in the Trustee, notwithstanding the delivery of the Trust Equipment to, and the possession and use thereof by the Company.

**Section 4.06. Marking of Trust Equipment.**

The Company agrees that, at or before the delivery to the Company of each unit of the Trust Equipment, there shall be plainly, distinctly, permanently and conspicuously marked in stencil or otherwise on each side of such unit the following legend in letters not less than one inch in height:

OWNERSHIP SUBJECT TO A SECURITY AGREEMENT  
FILED WITH THE INTERSTATE COMMERCE COMMISSION

In case, prior to the termination of the lease provided for herein, any of said marks shall at any time be removed, defaced or destroyed, the Company shall promptly cause the same to be restored or replaced. The Company shall not change or permit to be changed the numbers of any unit of the Trust Equipment at any time (or any numbers which may have been substituted as herein provided) except in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Trustee by the Company and which shall be filed, recorded and deposited as provided in Section 6.04 hereof.

The Trust Equipment may be lettered with the name, initials or insignia of the Company, or any Affiliate, sublessee or transferee of the Company which is permitted to use the Trust Equipment as provided herein, or in some other appropriate manner, for convenience of identification of the leasehold interest therein of the Company or any said Affiliate, sublessee or transferee. Except as aforesaid, during the continuance of the lease provided for herein, the Company will not permit the name of any person, association or corporation to be placed on any unit of the Trust Equipment as a designation which might be interpreted as a claim of ownership thereof by the Company or by any person, association or corporation other than the Trustee. The Trustee

shall, however, upon Request, consent to the placing of the name of any person, association or corporation specified in such Request upon any unit of the Trust Equipment if the Company shall deliver to the Trustee at the time of such Request an Opinion of Counsel stating that the right, title and interest of the Trustee in and to said unit will not be impaired or invalidated by the placing of the specified name thereon.

Section 4.07. Maintenance of Trust Equipment; Casualty Occurrences.

The Company agrees that it will maintain and keep all the Trust Equipment in good order and proper repair at its own cost and expense, unless and until such Trust Equipment shall be withdrawn from use for substantial repairs (other than running repairs), worn out, unsuitable for use, not needed or lost or destroyed (such occurrences being herein called "Casualty Occurrences"). The rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of any such Casualty Occurrence.

Whenever any of the Trust Equipment shall suffer a Casualty Occurrence, the Company shall deliver to the Trustee an Officer's Certificate describing such Trust Equipment and stating the fair value thereof and the Company shall either (a) deposit with the Trustee an amount in cash equal to the higher of the selling price or such fair value as of the date of such deposit, or (b) cause to be transferred to the Trustee additional Equipment, free from all liens, security interests and other encumbrances (other than those which have been duly subordinated to the Trustee's rights in such Equipment), of a fair value (which shall not be in excess of the actual fair market value of such Equipment) at least equal to the fair value of such Trust Equipment having suffered Casualty Occurrences, and deliver to the Trustee, in respect of such additional Equipment, certificates, bills of sale and Opinions of Counsel comparable to those provided in Section 3.04 hereof, and, in addition, an Officer's Certificate describing such additional Equipment and stating the Cost and fair value thereof. If at any time the fair value of all additional units of Equipment so transferred to the Trustee shall be in excess of the fair value of all units of the Trust Equipment having suffered Casualty Occurrences prior to that time, the excess shall constitute a credit toward any further replacement of any units of Trust Equipment which thereafter suffer

a Casualty Occurrence. Cash deposited with the Trustee pursuant to this Section 4.07 shall be held and applied as provided hereinafter.

Any such units of the Trust Equipment for which settlement has been made by the Company pursuant to the next preceding paragraph shall, upon Request, be released by the Trustee, to or upon the order of the Company.

Any monies paid to the Trustee pursuant to this Section 4.07 hereof (all such monies being herein called "Replacement Funds") shall be received and held by the Trustee in trust hereunder pending delivery of additional Equipment. Upon the filing with it of a Request and an Officer's Certificate which shall specify the kind and number of units of additional Equipment to be purchased and the Cost thereof, Replacement Funds shall, upon receipt by the Trustee of certificates, bills of sale and Opinions of Counsel comparable to those provided in Section 3.04 hereof, be applied to the purchase of such additional Equipment. In the event that the Cost of said units shall exceed the amount of monies held by the Trustee pending delivery of additional units of Equipment, the Company shall pay the excess, which amount shall constitute a credit toward the obligation of any further replacement of any units of Trust Equipment (pursuant to this Section 4.07 hereof) which thereafter may suffer a Casualty Occurrence.

On or before April 30 in each year, commencing with the year 1983, and during the continuance of the lease provided for herein, the Company shall furnish to the Trustee an Officer's Certificate stating, as of the preceding December 31, (1) the description, number of units and road numbers of all units of the Trust Equipment then covered hereby, (2) the description, number of units and road numbers of all units of the Trust Equipment that have suffered a Casualty Occurrence during the preceding 12 months (or in the case of the first of said statements since the date of delivery hereunder of the Trust Equipment) and (3) that, in the case of any units of the Trust Equipment repainted or repaired during the period covered thereby, the legends required by Section 4.06 hereof have been preserved or replaced. The Trustee, by its agents, shall have the right, but shall be under no duty, to inspect the Trust Equipment at the then existing locations thereof once in each calendar year.

Section 4.08. Possession of Trust Equipment;  
Assignments or Transfers.

The Company, so long as it is not in default hereunder, shall be entitled to the possession of the Trust Equipment from and after delivery thereof to the Company and the use thereof upon the lines of railroad owned or operated by the Company (either alone or jointly with another) or by any Affiliate, or upon lines over which the Company or any Affiliate shall have trackage or other operating rights, and the Company shall also be entitled to permit the use of the Trust Equipment upon connecting and other railroads in the usual interchange of traffic or over which through service may from time to time be afforded, but only upon and subject to all the terms and conditions of this Agreement.

The Company may sell, assign, transfer or otherwise dispose of the right to possession and use of any unit of the Trust Equipment, but no sale, assignment, transfer or other disposition thereof shall affect or reduce any of the obligations of the Company hereunder, which obligations of the Company shall continue in full force and effect to the same extent as if no sale, assignment, transfer or other disposition thereof had been made, it being understood, however, that certain sales, assignments, transfers and other dispositions of Trust Equipment may constitute an Event of Default under Section 5.01 hereof.

Section 4.09. Company's Indemnities.

The Company shall indemnify the Trustee against any and all claims arising from or connected with the ownership or use of any unit of Trust Equipment and against any and all claims arising from the use of any patented inventions in and about the Trust Equipment. The Company shall comply in all respects with the laws of the United States of America and of any state thereof in which any unit of the Trust Equipment may be operated and with all lawful acts, rules, regulations and orders of the Interstate Commerce Commission and any other commission, board or other legislative, executive, administrative or judicial body or officer having the power to regulate or supervise the use or condition of any unit of the Trust Equipment; provided, however, that the Company may in good faith contest the validity of any of said acts, rules, regulations or orders, or the application thereof to any unit of the Trust Equipment or

any part thereof, in any reasonable manner which will not in the judgment of the Trustee materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates or dividend warrants. The Company shall not be relieved of any of its obligations hereunder by reason of the assertion or enforcement of any said claim or the commencement or prosecution of any litigation in respect thereof.

## ARTICLE FIVE

### Remedies in Event of Default

#### Section 5.01. Events of Default.

The Company covenants and agrees that in case:

(a) the Company shall default in the payment of any part of the rental payable hereunder (including advance rental) for more than 30 days after the same shall have become due and payable, or

(b) the Company shall, for more than 90 days after the Trustee shall have demanded in writing performance thereof, fail or refuse to comply with any other term or covenant hereof or of any supplement hereto or to make provisions satisfactory to the Trustee for such compliance, or

(c) the Company, without the prior written consent of the Trustee, shall make or suffer any sale, assignment, transfer or other disposition of the right of possession and use of any unit of the Trust Equipment other than to an Affiliate or to a railroad company or other purchaser which shall acquire all or substantially all of the property of the Company and which, by execution of an appropriate instrument satisfactory to the Trustee, shall assume and agree to perform each and every obligation and covenant of the Company hereunder and under the guaranty endorsed on the Trust Certificates, or

(d) the lease provided for herein shall be terminated by operation of law, or

(e) a petition for reorganization under Chapter 11 of Title 11 of the United States Code, as now constituted or as may be hereafter amended, shall be filed by or against the Company and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all of the obligations of the Company under this Agreement and under its guaranty endorsed on the Trust Certificates shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 60 days after such appointment, if any, or 90 days after such petition shall have been filed, whichever shall be earlier, or

(f) any proceedings shall be commenced by or against the Company for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the indebtedness payable hereunder) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall or such ineffectiveness shall continue), all of the obligations of the Company under this Agreement and under its guaranty endorsed on the Trust Certificates shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Company or for the property of the Company in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers within 60 days after such appointment, if any, or 90 days after such proceedings shall have been commenced, whichever shall be earlier,

then, upon the happening of any one of these events (herein sometimes called an Event of Default), the Trustee in its discretion may, and upon the written request of the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare the Default Rental to be due and payable forthwith. Thereupon the Default Rental shall become and be due and payable immediately without further demand, and the Trustee shall be entitled to recover judgment for the total amount so becoming payable by the Company and to collect that judgment out of any property of the Company wherever situated.

In addition, in case one or more Events of Default shall have occurred and be continuing, the Trustee in its discretion may, and upon the written request of the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare the principal of all of the Trust Certificates then outstanding to be due and payable; and thereupon the same shall become and be due and payable immediately without further demand.

#### Section 5.02. Remedies.

In case of the happening of any Event of Default, the Trustee may declare the lease provided for herein terminated and may by its agents enter upon the lines of railroad and premises of the Company or of any Affiliate and take possession of all or any unit of the Trust Equipment and withdraw the same from said lines of railroad and premises, retaining all payments which up to that time may have been made by the Company hereunder. The Trustee shall also be entitled to collect, receive and retain all unpaid per diem, mileage or other charges of any kind earned by any unit of the Trust Equipment. The Company hereby expressly waives any and all claims against the Trustee and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Trust Equipment in any reasonable manner.

At any time after the Default Rental shall have been declared due and payable, the Trustee (after retaking possession of the Trust Equipment as hereinbefore provided) may at its election and upon such notice as is hereinafter prescribed retain the Trust Equipment in satisfaction of the Default Rental and make such disposition thereof as the Trustee shall deem fit. Written notice of the Trustee's election to retain

the Trust Equipment shall be given to the Company by telegram or registered mail, addressed as provided in Section 8.04 hereof, and to any other persons to whom notice may be required by law, within 30 days after the Default Rental shall have been declared immediately due and payable. In the event the Trustee should elect to retain the Trust Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all of the Company's rights in the Trust Equipment shall thereupon terminate and all payments made by the Company to the Trustee may be retained by the Trustee as compensation for use of the Trust Equipment; provided, however, that if the Company before the expiration of the 30-day period described in the proviso below should pay or cause to be paid to the Trustee the Default Rental, then in such event absolute right to the possession of, title to and property in the Trust Equipment shall pass to and vest in the Company; and provided, further, that, if the Company or any other person notified under the terms of this paragraph objects in writing to the Trustee within 30 days after receipt of notice of the Trustee's election to retain the Trust Equipment, the Trustee may not so retain the Trust Equipment but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as herein-after provided or as may otherwise be permitted by law. If the Trustee shall have given no notice to retain as herein-above provided or notice of intention to dispose of the Trust Equipment in any other manner, it shall be deemed to have elected to sell the Trust Equipment in accordance with the provisions of this Section 5.02.

At any time after the Default Rental shall have been declared due and payable as hereinbefore provided, the Trustee, with or without retaking possession thereof, at its election and upon reasonable notice to the Company (and to any other person pursuant to law) of the time and place, may sell all or any unit of the Trust Equipment free from any and all claims of the Company or any other party claiming from, through or under the Company at law or in equity, at public or private sale and with or without advertisement as the Trustee may determine; provided, however, that if, prior to the sale and prior to the making of a contract for sale, the Company should tender full payment of the Default Rental as well as expenses of the Trustee in retaking possession of, removing, storing, holding and preparing the Trust Equipment for, and otherwise arranging for, said sale and the Trustee's reasonable attorneys' fees, then in that event absolute right to the possession of, title to and property in the Trust

Equipment shall pass to and vest in the Company. The proceeds of any sale, less the attorneys' fees and any other expenses incurred by the Trustee in retaking possession of, removing, storing, holding, preparing for sale and selling the Trust Equipment, shall be credited on the amount due to the Trustee under the provisions of this Section 5.02.

Any sale hereunder may be held or conducted at such place or places and at such time or times as the Trustee may specify, in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in the manner determined by the Trustee. The Company shall be given written notice of any sale not less than 10 days prior thereto by telegram or registered mail addressed to the Company as provided in Section 8.04 hereof. If any sale shall be a private sale, it shall be subject to the right of the Company to purchase or provide a purchaser, within 10 days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. The Trustee or the Company may bid for and become the purchaser of all or any unit of the Trust Equipment so offered for sale. In the event that the Trustee shall be the purchaser thereof, it shall not be accountable to the Company (except to the extent of surplus money received as hereinafter provided in Section 5.03 hereof), and in payment of the purchase price therefor the Trustee shall be entitled to have credited against said purchase price all sums due to the Trustee from the Company hereunder.

The holders of a majority in principal amount of the then outstanding Trust Certificates shall have the right from time to time to direct which of the proceedings above provided for shall be taken for the enforcement of the remedies contained herein.

#### Section 5.03. Application of Proceeds.

If the Trustee shall exercise any of the powers conferred upon it by Sections 5.01 and 5.02 hereof, all payments made by the Company to the Trustee hereunder after said exercise of powers, the proceeds of any judgment collected by the Trustee hereunder and the proceeds of every sale or lease by the Trustee hereunder of any unit of the Trust Equipment, together with any other sums which may then be held by the Trustee under any of the provisions hereof (other than sums held in trust for the payment of specific Trust Certificates and/or dividend warrants), shall be

applied by the Trustee to the payment in the following order of priority; (a) of all proper charges, expenses or advances made or incurred by the Trustee in accordance with the provisions of this Agreement and (b) of the dividends then due (with interest on overdue dividends at the dividend rate to the extent legally enforceable) and of the principal of all of the outstanding Trust Certificates (with interest thereon at the dividend rate to the extent legally enforceable from the last preceding dividend date to the date of payment, whether such Trust Certificates shall have then matured by their terms or not), all said payments to be in full if said proceeds shall be sufficient, and, if not sufficient, then pro rata without preference between principal and dividends.

After all said payments shall have been made in full, the title to any of the Trust Equipment remaining unsold shall be conveyed by the Trustee to the Company free from any further liabilities or obligations to the Trustee hereunder. If after applying all sums of money realized by the Trustee as aforesaid there shall remain any amount due to the Trustee under the provisions hereof, the Company agrees to pay the amount of the deficit to the Trustee. If after applying as aforesaid the sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, said surplus shall be paid to the Company.

Section 5.04. Obligations of Company Not Affected by Remedies.

No retaking of possession of the Trust Equipment by the Trustee, nor any withdrawal, lease or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment, on the part of the Trustee or on the part of the holder of any Trust Certificate, nor any delay or indulgence granted by the Trustee or by such holder shall affect the obligations of the Company hereunder or the obligations of the Company under its guaranty endorsed on the Trust Certificates. The Company hereby waives presentation and demand in respect of any of the Trust Certificates and waives notice of presentation, of demand and of any default in the payment of the principal of and dividends on the Trust Certificates.

Section 5.05. Company to Deliver Trust Equipment to Trustee.

In case the Trustee shall demand possession of the Trust Equipment pursuant to the foregoing provisions and shall reasonably designate a point or points upon the lines of railroad of the Company or of any Affiliate for the delivery of the Trust Equipment to it, the Company shall at its own expense forthwith and in the usual manner cause the Trust Equipment to be moved to such point or points and shall there deliver or cause the same to be delivered to the Trustee, or the Trustee may at its option keep the Trust Equipment on any of the lines of railroad or premises of the Company or of any Affiliate until the Trustee shall have leased, sold or otherwise disposed of the same under the foregoing provisions; and for such purpose the Company agrees to furnish without charge for rent or storage the necessary facilities at any convenient point or points selected by the Trustee reasonably convenient to the Company. The agreement to deliver the Trust Equipment and furnish facilities as hereinbefore provided is of the essence of this Agreement and, upon application to any court having jurisdiction in the premises, the Trustee shall be entitled to a decree against the Company requiring the specific performance thereof.

Section 5.06. Remedies Cumulative.

The remedies provided in this Agreement in favor of the Trustee and the holders of the Trust Certificates, or any of them, shall not be deemed exclusive, but shall be cumulative and in addition to all other remedies in their favor existing at law or in equity.

ARTICLE SIX

Additional Covenants and Agreements  
the Company

Section 6.01. Payments to be Made by Company.

The Company shall make payment of (a) the reasonable expenses and compensation of the Trustee and of all taxes, assessments and governmental charges mentioned herein for

which the Trustee may be liable and (b) the rentals and other amounts provided for herein.

Section 6.02. Guaranty to Holders of Trust Certificates.

The Company covenants, agrees and guarantees that the holder of each of the Trust Certificates shall receive the principal amount thereof in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof and of this Agreement, and, if not so paid, with interest thereon at the dividend rate (to the extent legally enforceable) from the due date until the date of payment and shall receive dividends thereon in like money at the rate specified therein at the times and place and otherwise as expressed in the Trust Certificates and, if not so paid, with interest thereon at the dividend rate (to the extent legally enforceable) from the due date until the date of payment. The Company further covenants and agrees to endorse upon each of the Trust Certificates, at or before the issuance and delivery thereof by the Trustee, its guaranty of the prompt payment of the principal thereof and of the dividends thereon, in substantially the forms set forth in Section 1.01 hereof. Said guaranty shall be signed on behalf of the Company by the facsimile signature of its President or a Vice President. In case the President or Vice President of the Company whose signature shall appear on said guaranty shall cease to be an officer of the Company before the trust Certificates shall have been issued and delivered by the Trustee, said guaranty shall nevertheless be as effective and binding upon the Company as though the person who signed said guaranty on behalf of the Company had at all times been an officer thereof and acted in that capacity.

Section 6.03. Discharge of Liens.

The Company shall pay and discharge, or cause to be paid and discharged, or make adequate provisions for the satisfaction or discharge of, any debt, tax, charge, assessment, obligation or claim which if unpaid might become a lien or charge upon or against any unit of the Trust Equipment, except upon the leasehold interest of the Company therein; but this provision shall not require the payment of any such

debt, tax, charge, assessment, obligation or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, unless such contest will in the judgment of the Trustee materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates.

Section 6.04. Payment of Expenses; Recording.

The Company shall pay the expenses incident to the preparation and execution of the Trust Certificates to be issued hereunder, or connected with the preparation, execution, recording and filing hereof and of any instruments executed under the provisions hereof with respect to the Trust Equipment. The Company shall cause this Agreement and all supplements hereto to be duly (a) filed and recorded with the Interstate Commerce Commission and (b) deposited with the Registrar General of Canada. The Company from time to time shall do and perform any other act and execute, acknowledge, deliver, file, record, deposit or register any and all further instruments required by law or reasonably requested by the Trustee for the purposes of properly protecting the title of the Trustee to the Trust Equipment and the rights of the holders of the Trust Certificates and of fully carrying out and effectuating this Agreement and the intent hereof. The Company shall promptly furnish to the Trustee certificates or other evidences of the filing, recording or deposit of this Agreement and an Opinion of Counsel with respect thereto.

Section 6.05. Further Assurances.

The Company from time to time shall do all such acts and execute all such instruments of further assurance as may be reasonably requested by the Trustee for the purpose of fully carrying out and effectuating this Agreement and the intent hereof.

## ARTICLE SEVEN

## The Trustee

Section 7.01. Acceptance of Trusts.

The Trustee hereby accepts the trusts imposed upon it by this Agreement and covenants and agrees to perform the same as herein expressed.

Section 7.02. Application of Rentals.

The Trustee shall apply and distribute the rentals received by it under Section 4.04(B) hereof (other than sums restored to Deposited Cash from rentals pursuant to Section 4.04(B)(1) hereof) when and as the same shall be received and, to the extent that such rentals shall be sufficient therefor, for the purposes specified in said Section 4.04(B).

Section 7.03. Duties of Registration, Exchange, and Transfer of Trust Certificates.

The Trustee shall cause to be kept at its principal office in the City of Philadelphia, Pennsylvania, books for the registration, exchange and transfer of the Trust Certificates. Upon presentation for any such purpose, the Trustee shall register, exchange or transfer any of the Trust Certificates or cause any of the same to be registered, exchanged or transferred as hereinbefore provided and under such other reasonable regulations as it may prescribe.

Section 7.04. Right to Indemnity from Company; Reliance on Documents.

The Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Agreement until fully indemnified against all liability and expenses by the Company or by one or more of the holders of the Trust Certificates. The Trustee shall not be responsible for the filing, recording or deposit of this Agreement or of any supplement hereto. The Trustee may issue and deliver Trust Certificates in advance of such

filing, recording or deposit. In accepting delivery of and making payment for the Trust Equipment hereunder, or in accepting any cash payable hereunder in respect of Trust Equipment, the Trustee may rely upon and shall be fully protected by the Certificates, bills of sale and Opinions of Counsel to be furnished to it under Sections 3.04, 4.07 and 4.09 hereof, and shall not be required to make any further investigation of or inquiry concerning any matter covered thereby.

Section 7.05. No Obligation to Enforce Trust Unless Requested and Indemnified.

The Trustee shall be under no obligation to take any action for the execution or enforcement of the Trust unless so requested in writing by the holders of not less than 25% in principal amount of the then outstanding Trust Certificates and unless indemnified to its satisfaction against expense and liability with respect thereto, and unless also furnished with proof satisfactory to it as to the ownership of the Trust Certificates in respect of which any such request may be made; but this provision, in the absence of said request, shall not affect any discretion herein given to the Trustee to determine whether it shall take action in respect of any default hereunder or what action it shall take.

Section 7.06. Limitations on Actions by Holders of Trust Certificates.

No holder of any Trust Certificate shall have any right to institute any suit, action or proceeding for the execution and enforcement of the Trust unless, after the aforesaid request in writing by the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall have been made to the Trustee, and after indemnity satisfactory to it shall have been provided, and after 90 days shall have elapsed after receipt by the Trustee of such request, it shall decline, fail or neglect to institute any proceedings pursuant thereto. Neither the provisions of this Section 7.06 nor the provisions of Section 7.05 hereof shall affect or limit in any way the obligations of the Company under its guaranty hereinabove provided or the rights of the holders of Trust Certificates to institute suit against the Company for the enforcement of payments due under said guaranty in respect of the Trust Certificates.

Section 7.07. Assumption of No Default; Reliance on Notices and Other Instruments.

The Trustee may for all purposes conclusively assume that the Company is not in default under the terms hereof until notified in writing to the contrary by the holders of at least 10% in principal amount of the then outstanding Trust Certificates, which notice shall distinctly specify the Event of Default desired to be brought to the attention of the Trustee. As to any fact or matter the manner of determining which is not specifically prescribed herein, the Trustee may for all purposes rely upon an Officer's Certificate as to such fact or matter. The Trustee shall not incur any liability to anyone in relying conclusively on, and in acting upon, any notice, consent, order, certificate, warrant or other paper or instrument believed by it to be genuine and authentic and to be signed by the proper party or parties.

Section 7.08. Investment of Money Held by Trustee.

Any money at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on deposit with itself, and the Trustee will allow interest upon any such moneys held by it in trust at the rate generally prevailing among banks and trust companies located in the City of Philadelphia, Pennsylvania, or allowed by it upon deposits of a similar character.

At any time, and from time to time, if at the time there shall be no default under the terms of this Agreement, the Trustee, on Request, shall invest and reinvest Deposited Cash and Replacement Funds held by it in Investments, either directly or under repurchase agreement, at such prices, including any premium and accrued interest, as are set forth in such Request, such Investments to be held by the Trustee in trust for the benefit of the holders of the Trust Certificates and dividend warrants.

The Trustee shall, on Request, or the Trustee may, in the event funds are required for payment against delivery of Equipment, sell such Investments, or any portion thereof, and restore to Deposited Cash or Replacement Funds, as the case may be, the proceeds of any sale thereof up to the amount paid for Investments, including accrued interest.

The Trustee shall restore to Deposited Cash or Replacement Funds, as the case may be, out of rent received by it for that purpose under the provisions of Section 4.04(B)(1) hereof, an amount equal to any expenses incurred in connection with any purchase or sale of Investments and also an amount equal to any loss of principal incident to the sale or redemption of any Investments for a sum less than the amount paid therefor, including accrued interest. The Company, if not in default under the terms hereof, shall be entitled to receive any profit which may be realized from any sale or redemption of Investments.

Section 7.09. No Liability for Trust Equipment; Agents and Attorneys; Compensation; Owning Trust Certificates; Unclaimed Moneys.

The Trustee shall not be liable to any one for any delay in the delivery of any of the Trust Equipment or for any defect in any unit of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation in respect of the value thereof or the title thereto.

The Trustee may perform its powers and duties hereunder by or through such attorneys, agents and employees as it shall appoint, and shall be entitled to rely upon the advice of counsel (who may be counsel for the Company), and shall be answerable only for its own acts, negligence and wilful defaults and not for the default or misconduct of any attorney, agent or employees appointed by it with reasonable care. The Trustee shall not be responsible in any way for the recitals contained herein or for the execution or validity of this Agreement or the Trust Certificates (except for its own execution thereof), or for the guaranty by the Company, or for any mistake of fact or law.

The Company shall pay all of the expenses and disbursements of the Trustee hereunder, including reasonable counsel fees and reasonable compensation for all services rendered by the Trustee in the execution of the Trust.

The Trustee in its individual capacity may own, hold and dispose of Trust Certificates with the same rights which it would have if it were not Trustee and may act as trustee under other instruments under which obligations of the Company are outstanding.

Upon Request, any moneys held by the Trustee which shall have been deposited or are held for the payment of the principal amount of or dividends on any Trust Certificates remaining unclaimed for five years after the date of maturity of such Trust Certificates or the date such dividends were due and payable, as the case may be, shall be repaid by the Trustee to the Company, and all liability of the Trustee with respect to said money shall thereupon cease and the holders of said Trust Certificates shall thereafter be entitled to look only to the Company for payment thereof; provided, however, that the Trustee, before being required to make any repayment of moneys, may at the expense of the Company cause notice to be given by publication that said moneys have not been claimed and that after a date specified therein (which shall be not less than thirty days after the date of publication) any unclaimed balance of said moneys then remaining on deposit with the Trustee will be repaid to the Company. Said notice shall be published once in a daily newspaper of general circulation published in the City of Philadelphia, Pennsylvania. In no event shall the holders of said Trust Certificates be entitled to interest upon said money whether held by the Trustee or so repaid to the Company.

Any moneys at any time held by the Trustee hereunder shall, until paid out or invested by the Trustee as herein provided, be held by it in trust as herein provided for the benefit of the holders of the Trust Certificates.

Section 7.10 Annual Statement.

The Trustee shall, at least once in each year, render to the Company a statement relating to the Trust and covering other matters that the Company may properly require. The Company may from time to time examine the books and accounts of the Trustee relating to the Trust, the Trust Certificates, this Agreement and the acts of the Trustee hereunder.

Section 7.11. Resignation of Trustee; Appointment of Successor.

If at any time the Trustee shall desire to divest itself of title to the Trust Equipment and to terminate its

duties and obligations hereunder and under the Trust Certificates, it shall so notify the Company in writing. The Company shall thereupon designate in writing to the Trustee a bank or a trust company, qualified as below specified, to serve until a successor is appointed by the holders of Trust Certificates as hereinafter provided, to which may be assigned the Trustee's entire right, title and interest and in which may be vested the Trustee's rights, powers, duties and obligations hereunder and under the Trust Certificates. Upon the transfer and delivery of all moneys, any Investments and all Trust Equipment held by the retiring trustee, the execution by the retiring trustee of such instruments of transfer as may be reasonably requested by the successor trustee and the acceptance by the successor trustee of the assignment and of the Trust, the retiring trustee shall be relieved and discharged of all the title, rights, powers, duties and obligations hereunder and under the Trust Certificates, and the same shall become vested in such successor trustee. Thereafter every provision hereof applicable to the retiring trustee shall apply to such successor trustee with like effect as if such successor trustee had been originally named herein in the place and stead of the Trustee. In the event that the Company shall fail to designate such a successor trustee by instrument in writing delivered to the retiring trustee within 15 days from the time of receiving such notice in writing from the retiring trustee, the retiring trustee may thereupon designate such successor trustee or apply to any court of competent jurisdiction for the appointment of a successor trustee. The foregoing provisions are, however, subject to the right of the holders of the majority in principal amount of the then outstanding Trust Certificates to appoint any successor trustee if such appointment is made by an instrument in writing within one year from the date of the giving of such notice to the Company. The Company shall execute all writings recognizing the transfer of title as aforesaid and all instruments of further assurance or otherwise as reasonably may be requested by the successor trustee in the premises, and will do and perform any and all acts necessary to establish and maintain the title and rights of the successor trustee in and to the Trust Equipment. Every successor trustee shall be a bank or a trust company doing business in the City of Philadelphia, Pennsylvania, or in the Borough of Manhattan, City and State of New York, having a capital and surplus aggregating at least \$5,000,000, if there be such bank or trust company willing and able to accept the Trust upon reasonable and customary terms and duly qualified to act as such trustee.

Section 7.12. Merger or Consolidation of Trustee.

Any corporation resulting from any merger or consolidation to which the Trustee or any successor to it shall be a party, or any corporation in any manner succeeding to all or substantially all of the business of the Trustee or any successor trustee, provided such corporation shall be a bank or a trust company doing business in the City of Philadelphia, Pennsylvania, or in the Borough of Manhattan, City and State of New York, and shall have a capital and surplus aggregating at least \$5,000,000, shall be the successor trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto.

Section 7.13. Trust Certificates Deemed Not Outstanding.

In determining whether the holders of the requisite aggregate principal amount of Trust Certificates have concurred in any direction, notice, request, consent or waiver under this Agreement, Trust Certificates which are owned by the Company or an Affiliate shall be disregarded and deemed not to be outstanding for the purpose of making any determination, except that, for the purposes of determining whether the Trustee shall be protected in relying on any such direction, notice, request, consent or waiver, only Trust Certificates which the Trustee knows are so owned shall be so disregarded.
