RIVER OAKS BANK & TRUST COMPANY

Houston, Texas

OCT 1 1982 - 3 00 PM

Section I. COLLATERAL AND OBLIGATIONS

To secure the performance and payment of all obligations and indebtedness of each of the undersigned ("Borrower") to River Oaks Bank & Trust Company ("Bank") of whatever kind or however or whenever created or incurred, whether incurred directly or acquired from third parties, whether acquired as collateral, by participation or otherwise, whether evidenced by promissory notes, guaranty or other agreements, overdrafts, letters of credit or otherwise, whether advanced prior to, contemporaneously with or subsequent to the execution hereof, and whether now or hereafter existing, Borrower hereby grants to Bank a security interest in the property hereinafter described, and all proceeds, products, increases, profits, substitutions, replacements, renewals, additions, amendments and accessions thereof, thereto or therefor, including without limitation any money, securities, rights to subscribe, liquidating dividends, cash dividends or other dividends, distributions, assets or rights which Borrower or any other person may hereafter become entitled to receive on account of securities pledged hereunder (all such property, proceeds, products, increases, profits, substitutions, replacements, renewals, additions, amendments and accessions are hereinafter collectively called "Collateral"):

One (1) 1969 33,000 gallon railroad hopper car, initialed GLNX 9312, specification DOT 207A40W, and any and all of Debtor's contract rights as specified in that certain Management Agreement dated July 20, 1982, and entered into by and between GLNX Corporation and Debtor and covering the management of said 1969 33,000 gallon railroad hopper car.

The Collateral also includes and Borrower hereby grants to Bank a security interest in any goods, the sale or disposition of which creates any account which is included in the Collateral, which are returned to Borrower for credit. The Collateral does not include any after-acquired consumer goods, other than accessions, unless Borrower acquires rights in such goods within ten (10) days from the date hereof.

Borrower warrants, covenants, and agrees that the Collateral will be used for: personal, family or household purposes; farming operations; business other than farming; and is being acquired with the proceeds of the Note which Bank may disburse directly to the seller of the Collateral. If any Collateral is to be affixed to real estate or other goods, a description of the real estate or other goods is as follows:

N/A

and the name of the record owner of such real estate or other goods is _____ Borrower will furnish Bank with statements signed by all persons having an interest in such real estate or other goods disclaiming any interest prior to that of Bank. Unless the blank spaces in this paragraph are filled in when this Security Agreement is executed, the Collateral will not be affixed to any real estate or other goods so as to become fixtures or accessions.

At its option, Bank may make payments to discharge taxes, liens, or security interests or other encumbrances at any time levied or placed on the Collateral and take any other action necessary to maintain and preserve the Collateral. Such payments and any other expenses incurred by Bank in taking such action shall become, to the extent permitted by law, part of the principal of the indebtedness secured by this Security Agreement due and payable on demand. If any insurance required hereby expires or otherwise is not in full force and effect and Borrower fails to obtain replacement insurance, Bank may, but need not, obtain replacement insurance (which may be single or dual interest at Bank's option), pay the premiums thereunder and, to the extent permitted by law, add the amount of such premiums to the indebtedness secured hereby, and Borrower agrees to reimburse Bank for such amount. Policies evidencing any required property insurance shall contain a standard mortgagee's endorsement providing for payment of any loss to Bank and shall provide for a minimum of ten (10) days' prior written notice to Bank of any cancellation. Borrower shall furnish Bank with certificates or other evidence of compliance with the foregoing insurance provisions. Bank may act as attorney for Borrower in obtaining, adjusting, selling and cancelling such insurance and endorsing any draft drawn by insurers of the Collateral. Bank may apply any proceeds of such insurance which may be received by it in payment on account of the obligations secured hereby, whether due or not.

Section II. BORROWER'S REPRESENTATIONS, WARRANTIES AND AGREEMENTS.

Borrower represents, warrants and agrees that:

1. Borrower shall pay to Bank when due any amount which may be due from Borrower to Bank. Borrower shall account fully and faithfully to Bank for all proceeds from disposition of Collateral and shall upon demand pay or turn over promptly in money, instruments, drafts, assigned accounts or chattel paper all proceeds from each such disposition to be applied to Borrower's indebtedness to Bank, subject, if other than cash, to final payment or collection. The Borrower shall have no authority to dispose of any Collateral except as specifically consented to by Bank in writing and as set forth in paragraph 9 of Section II hereof, subject, however, to the right of Bank to terminate such authority as set forth in clause (i) of paragraph 1 of Section III hereof.

2. All information supplied and statements made to Bank in connection with any obligation or indebtedness hereby secured are and shall be true, correct, complete, valid and genuine, whether supplied or made prior to, contemporaneously with or following the execution hereof, whether made or supplied by Borrower or any other person and whether contained in any financial, credit, accounting or other statement, certificate, application for credit or otherwise. Borrower shall keep accurate and complete records of the Collateral, shall give Bank or its representatives access to such records at all times and shall provide such information concerning the Borrower and the Collateral as the Bank may require. The address of Borrower's residence and place of business, if any, is as set forth beside Borrower's signature on this Security Agreement. Borrower shall immediately notify Bank of any discontinuance of or change in such address of residence or place of business, if any. There has been no change in such address during the four months immediately preceding the date of this Security Agreement.

3. No Certificate of Title, financing statement or other writing showing any lien on or security interest in the Collateral except that of Bank is or will be outstanding or on file in any public office. Borrower has good and marketable title to the Collateral, subject only to the security interest of Bank and subject to no other security interest, encumbrance or restriction whatsoever. Borrower has full power and lawful authority to sell and assign the Collateral and to grant to Bank a first and prior security interest therein as herein provided, and Borrower will defend the Collateral against the claims and demands of all third persons. All Collateral in the form of accounts, general intangibles, chattel paper or instruments (i) is genuine, free from default, prepayment, counterclaims, offsets and defenses and all persons appearing to be obligated thereon are bound thereon as they appear to be from the face thereof; and (ii) complies with applicable laws concerning form, content, disclosure and manner of preparation, execution and issuance. Borrower will take all necessary steps to preserve the liability of account debtors, obligors, and secondary parties whose obligations are a part of the Collateral. The Borrower will at all times cause its books and records pertaining to any Collateral in the form of accounts, general intangibles, chattel paper or instruments to be permanently marked (a) to reflect the Bank's security interest therein created hereby, and (b) as Bank may otherwise direct from time to time.

4. Bank's duty with reference to the Collateral shall be solely to use reasonable care in the physical preservation of that Collateral which is in Bank's possession. Bank shall not be responsible in any way for any depreciation in the value of the Collateral, nor shall any duty or responsibility whatsoever rest upon Bank to take necessary steps to preserve rights against prior parties. Protest and all demands and notices of any action taken by Bank under this Security Agreement, or in connection with any Collateral, except as otherwise provided in this Security Agreement, are hereby waived, and any indulgence of Bank, substitution for, exchange or release of any person liable on the Collateral is hereby assented and consented to. Unless the Collateral is in Bank's possession, it shall remain in Borrower's possession or control. At all times Borrower shall bear all risk of loss with respect to the Collateral. Bank may inspect at any time the Collateral and Borrower's books and records pertaining to the Collateral. Borrower shall assist Bank in making any such inspection. Except for its temporary removal in connection with its ordinary use, Borrower shall not remove the Collateral from the State of Texas without obtaining prior written consent from Bank, and no Collateral has been located outside of the State of Texas during the four months immediately preceding the date of this Security Agreement. The Collateral will not be misused, wasted or allowed to deteriorate, except for the ordinary wear and tear in connection with its intended primary use, and will not be used in violation of any statute or ordinance. Without notice or demand from Bank, Borrower agrees to transfer possession of all money, instruments, documents and chattel paper which are Collateral, other than proceeds from the disposition of Collateral which is inventory, to Bank immediately, or, as to those hereafter acquired, immediately following acquisition.

5. Borrower will maintain all risks insurance on inventory and equipment which is Collateral in an amount at least equal to the value of such inventory and equipment. Policies evidencing any such insurance shall contain a standard mortgagee's endorsement providing for payment of any loss to Bank and shall provide for a minimum of ten (10) days prior written notice to Bank of any cancellation. Borrower shall furnish Bank with certificates or other evidence of compliance with the foregoing insurance provisions. Bank may act as attorney for Borrower in obtaining, adjusting, settling and cancelling such insurance and endorsing any draft drawn by any insurer of the Collateral. Bank may apply any proceeds of such insurance which may be received by it in payment on account of the obligations secured hereby, whether due or not. If any insurance required hereby expires, is cancelled or is otherwise not in full force and effect, at Bank's option, Bank may obtain replacement insurance which may, but need not, be single interest insurance in favor of Bank. Bank may pay the premiums thereunder and add the amount of such premiums to the indebtedness secured hereby. Borrower agrees to reimburse Bank on demand for any amounts so paid, plus interest thereon at the maximum rate permitted by law.

6. Without the prior written consent of Bank, the Collateral will not be sold, leased, rented or otherwise transferred or disposed of by Borrower, except goods identified herein as inventory, or be subjected to any unpaid charge, including rent and taxes, or to any subsequent interest of a third person created or suffered by Borrower voluntarily or involuntarily. Borrower will do, make, procure, execute and deliver all acts, things, writings and assurances as Bank may at any time request to protect, assure or enforce its interest, rights and remedies created by or arising in connection with this Security Agreement, including, without limitation, the execution of financing statements, applications for certificates of title or like documents. Without notice or demand from Bank, Borrower agrees to deliver to Bank all certificates of title pertaining to Collateral as to which a certificate of title has been or may be issued. If Bank should at any time be of the opinion that the Collateral is not sufficient or has declined or may decline in value or should Bank for any reason deem itself to be insecure, then Bank may call for additional security satisfactory to Bank, and Borrower promises to furnish such additional security forthwith. Borrower will advise Bank in writing prior to Borrower's pledge of, or grant of any security interest in, to anyone except Bank, any property which is not included in the Collateral subject to this Security Agreement.

7. The execution, delivery and performance of this Security Agreement and all other instruments and agreements executed by Borrower are with Borrower's power and authority, are not in contravention of law or any charter, bylaws or other incorporation papers, or any indenture, agreement or undertaking to which Borrower is a party or by which Borrower is bound. If a corporation, Borrower is and will remain duly organized and existing under the laws of the state of its incorporation and is and will remain duly qualified and in good standing in every jurisdiction in which the nature of its business requires it to be so qualified.

8. Borrower agrees that in performing any act under this Security Agreement and any note, guaranty agreement or other obligation secured hereby, time shall be of the essence and Bank's acceptance of partial or delinquent payments, or failure of Bank to exercise any right or remedy, shall not be a waiver of any obligation of Borrower or right of Bank or constitute a waiver of any similar or dissimilar default subsequently occurring.

9. If the Collateral includes or constitutes inventory, then until the occurrence of an Event of Default, Borrower may use its inventory in any lawful manner not inconsistent with this Security Agreement and with the terms of insurance thereon and may sell its inventory in the ordinary course of business. Borrower shall not be permitted to use any item of inventory in a manner inconsistent with the holding thereof for sale in the ordinary course of business or for goods in kind without receipt of additional consideration or transfers made in satisfaction of indebtedness.

Further covenants and conditions of this Security Agreement are contained on the reverse of this document

Borrower acknowledges receipt of a copy of the instrument completed as to all essential provisions and disclosures before it was signed.

EXECUTED this 30th day of SEPTEMBER, 1982

10. Borrower further represents, warrants and agrees as to each account, whether now or hereafter existing, which constitutes Collateral that (i) each such account arose or will arise from the performance of services by Borrower which have been or will be fully and satisfactorily performed or from the absolute sale of goods of Borrower; (ii) each such account is and will be due and payable not more than ninety (90) days from the date such services are performed or such goods are sold; (iii) Borrower shall notify Bank promptly in writing when any such account becomes more than sixty (60) days past due or ceases to meet any of the requirements of this Security Agreement; (iv) each such account arose or will arise in the ordinary course of Borrower's business and no notice of bankruptcy, insolvency or financial difficulty of an account debtor has been received by Borrower; and (v) in the event any goods, the sale or other disposition of which creates any account which is included in the Collateral, are returned to Borrower for credit, Borrower will, on written demand, promptly pay to Bank the full amount of the invoice price of such goods, and until such payment has been made Borrower will, if demanded, hold such goods separate and apart from Borrower's own property in trust for Bank and will immediately notify Bank of such return.

11. If the Collateral includes one or more savings or other deposit accounts, this Security Agreement shall constitute an assignment and pledge thereof to Bank to secure all obligations and indebtedness referred to in Section I hereof. Bank is fully authorized and directed without notice to charge and withdraw from such account(s) the unpaid balance of such obligations and indebtedness at maturity or thereafter to apply the proceeds thereof to the payment of all such obligations and indebtedness then due and payable to Bank. Bank shall not be obligated or required to pay or account for any revenue or amount charged to such account(s) which has been or may be applied to the payment of such obligations and indebtedness.

Section III. RIGHTS OF BANK.

1. Bank may, in its discretion, before or after default: (i) terminate, on notice to Borrower, Borrower's authority to sell, lease, otherwise transfer, manufacture, process or assemble or furnish under contracts of service, inventory Collateral or any other Collateral as to which such authority has been given; (ii) notify any account debtor or obligors on instruments to make payments directly to Bank; (iii) contact account debtors or obligors on instruments directly to verify information furnished by Borrower; (iv) transfer or register any of the Collateral in the name of Bank or its nominee, and receive any income, property, rights or dividends on account thereof, including without limitation cash and stock dividends, liquidating dividends and rights to subscribe; (v) take control of proceeds and use cash proceeds to reduce any part of the obligations secured hereby, in such order as it elects, whether or not due and payable; (vi) bring any action at law or in equity to protect its interest in the Collateral or to obtain damages for or to prevent deterioration or destruction of the Collateral other than ordinary wear and tear in connection with its intended primary use; and (vii) make demand for payment of, file suit on, make any compromise or settlement with respect to, collect, compromise, endorse or otherwise deal with the Collateral in its own name or the name of the Borrower. Upon the occurrence of an Event of Default and at any time thereafter the Bank may exercise all voting rights appertaining to any of the Collateral.

2. At its option, Bank may make payments to discharge taxes, liens or security interests or other encumbrances at any time levied or placed on the Collateral and take any other action necessary to obtain, preserve, and enforce the security interest and the rights and remedies granted in this Security Agreement and maintain and preserve the Collateral. Such payments and documents or Borrower or in Borrower's possession or control relating to the Collateral and may enter upon any premises upon which any of the Collateral or any other expenses incurred by Bank in taking such action shall become part of the indebtedness secured by this Security Agreement. Borrower agrees to reimburse Bank on demand for any such payments made or expenses incurred by Bank, plus interest thereon at the maximum rate permitted by applicable law.

3. Upon the occurrence of an Event of Default, and at any time thereafter, Bank may declare all obligations secured hereby immediately due and payable and shall have the rights and remedies of a secured party under the Uniform Commercial Code of Texas including without limitation the right to sell, lease or otherwise dispose of any or all of the Collateral in any manner allowed by such Uniform Commercial Code. Bank may require Borrower to assemble the Collateral and make it available to Bank at a place to be designated which is reasonably convenient for both parties; and Bank shall have the right to take possession, with or without prior notice to Borrower, of all or any part of the Collateral or any security therefor and of all books, records, papers and documents of Borrower or in Borrower's possession or control relating to the Collateral and may enter upon any premises upon which any of the Collateral or any security therefor or of any such books, records, papers or documents are situated and remove the same therefrom without any liability for trespass or damages thereby occasioned. Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Bank will send Borrower reasonable notice of the time and place of any public sale or other disposition thereof or of the time after which any private sale or other disposition thereof is to be made. The requirement of sending reasonable notice shall be met if such notice is deposited in the U.S. Mail, postage prepaid, addressed to Borrower at the address set forth beside Borrower's signature on this Security Agreement at least ten (10) days before the time of the sale or disposition. Borrower shall be liable for all expenses, including without limitation, reasonable attorneys' fees and court costs, actually incurred by Bank in repossessing, storing, preparing for sale, lease or other disposition, or selling, leasing or otherwise disposing of the Collateral. The Collateral may be sold, leased or otherwise disposed of as an entirety or in such parcels as Bank may elect, and it shall not be necessary for Bank to have actual possession of the Collateral or to have it present when the sale, lease or other disposition is made. Bank may deliver to the purchasers or transferees of the Collateral a Bill of Sale or Transfer, binding Borrower forever to warrant and defend title to such Collateral. Borrower shall remain liable for any deficiency.

4. Bank may remedy any default and may waive any default without waiving the requirements that the default be remedied and without waiving any other default. The remedies of Bank are cumulative, and the exercise or partial exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any of the other remedies of Bank. No delay of Bank in exercising any power or right shall operate as a waiver thereof.

5. This Security Agreement, Bank's rights hereunder or the indebtedness hereby secured may be assigned from time to time, and in any such case the assignee shall be entitled to all of the rights, privileges and remedies granted in this Security Agreement to Bank.

6. Bank may execute, sign, endorse, transfer or deliver in its own name or in the name of Borrower, notes, checks, drafts of other instruments for the payment of money and receipts, certificates of origin, applications for certificates of title or any other documents necessary to evidence, perfect or realize upon the security interest and obligations created by this Security Agreement.

Section IV. EVENTS OF DEFAULT.

Borrower shall be in default under this Security Agreement upon the happening of any of the following events or conditions (herein called an "Event of Default"):

1. Failure of Borrower or any endorser, guarantor, surety, accommodation party or other person liable upon or for payment of any indebtedness or obligation secured by this Security Agreement (each hereinafter called an "Other Liable Party") to pay punctually when due any indebtedness due to Bank or to perform punctually any other obligation covenant, term or provision contained in or referred to in this Security Agreement, any notes or other agreement secured hereby or any other agreement executed in connection with this Security Agreement or any note secured hereby;

2. Any warranty, representation or statement contained in this Security Agreement or made or furnished to Bank by or on behalf of Borrower or any Other Liable Party proves to have been false in any respect when made or furnished;

3. Except as specifically authorized herein, any loss, theft, substantial damage, destruction or sale of or to any of the Collateral occurs or the Collateral is subjected to any lien or encumbrance including, without limitation, any storage, artisan's, mechanic's or landlord's lien or any levy, seizure or attachment;

4. Death, dissolution, termination of existence, insolvency or business failure of Borrower or any Other Liable Party occurs, or a receiver of all or any part of the property of Borrower or any Other Liable Party is appointed or an assignment is made for the benefit of the creditors of Borrower or any Other Liable Party or a meeting of creditors for Borrower or any Other Liable Party is called or any proceeding under any bankruptcy or insolvency laws by or against Borrower or any Other Liable Party is commenced;

5. Any event occurs which results in the acceleration of the maturity of the indebtedness of Borrower or any Other Liable Party to others under any indenture, agreement or undertaking;

6. The Collateral becomes, in the sole judgment of Bank, unsatisfactory or insufficient in character or value;

7. Any event occurs which causes Bank to believe that the prospect of payment of any indebtedness or obligation secured hereby or the performance of this Security Agreement is impaired; or

8. The Borrower or any Other Liable Party fails to comply with any provision of any agreement with or obligation to the Bank or there occurs any default or "Event of Default" thereunder.

Section V. ADDITIONAL AGREEMENTS.

1. The term "Borrower" as used in this Security Agreement shall be construed as the singular or plural to correspond with the number of persons executing this instrument as Borrower. "Bank" and "Borrower" as used in this Security Agreement include the heirs, executors or administrators, successors, legal representatives, receivers and assigns of those parties. If more than one person executes this Security Agreement as Borrower, their obligations under this Security Agreement shall be joint and several. Unless the context otherwise requires, terms used in this Security agreement which are defined in the Uniform Commercial Code of Texas are used with the meanings as therein defined. The division of this Security Agreement into sections and subsections has been made for convenience only and shall be given no substantive meaning or significance whatsoever in construing the terms and provisions of this Security Agreement. The law governing this secured transaction shall be that of the State of Texas, subject to applicable federal law.

2. If any provision of this Security Agreement is rendered or declared invalid, illegal or ineffective by reason of any existing or subsequently enacted legislation or by decree of a court of competent jurisdiction, such legislation or decree shall not impair, invalidate or nullify the remainder of the Security Agreement which shall remain in full force and effect.

3. Any notice or demand to Borrower hereunder or in connection herewith may be given and shall conclusively be deemed and considered to have been given and received upon the deposit thereof, in writing, duly stamped and addressed to Borrower at the address set forth beside Borrower's signature on this Security Agreement, in the U.S. Mail; but actual notice, however given or received, shall always be effective. Notwithstanding anything contained in this Security Agreement to the contrary, nothing contained in this Security Agreement or any other document executed in connection herewith shall be construed as impairing or limiting the right of Bank to demand at any time payment in full of any indebtedness secured hereby which is due and payable on demand.
