RAILROAD CAR LEASE

THIS RAILROAD CAR LEASE, made this 15th day of June, 1970, by and between Rail-U.S. Leasing, Incorporated a California corporation (hereinafter "Rail-U.S. Leasing") and Gloria R. Wagner and O.S. Wagner, As of San Francisco, State of California (hereinafter "Owner"), Joint Tenants With Right of Survivorship.

WITNESSETH:

WHEREAS Owner holds title or will hold title to the following railroad cars:

- (a) TGOX 2203 ; --
- (b) -- ; and
- (c) -- , --

(hereinafter collectively "railroad cars"); and

WHEREAS Owner desires to lease such railroad cars to Rail-U.S. Leasing;
Now, Therefore, in consideration of the promises and agreements hereinafter set forth:

1. Owner hereby leases to Rail-U.S. Leasing the following railroad cars:

- (a) TGOX 2203 ; --
- (b) -- ; and
- (c) -- , --

each said Lease to commence upon the date of the first loaded movement from the initial loading point designated by Rail-U.S. Leasing.

2. Rail-U.S. Leasing agrees:

(a) To use its best efforts to sublease such railroad cars, collectively or individually, to shippers, railroads and other users of railroad cars on long - or short-term leases, or on such other terms and conditions as may be satisfactory to it;

(b) To perform all managerial and administrative functions necessary for the subleasing of such railroad cars, including (but not limited to) repairing and maintaining the cars for Owner's account and keeping adequate records of their operations;

Per month

(c) To pay Owner a basic "quarterly rental fee" of two hundred dollars (\$200.00) for each car subject to this Lease. Such rental fee shall be payable only from the car's "quarterly net operating profit" (see Paragraph 3); it shall not be cumulative in the event such "quarterly net operating profit" is insufficient to pay such rent in full;

(d) Where a car's "quarterly net operating profit", beginning with the first full quarter the car is operated under this Lease, is greater than six hundred dollars (\$600.00), as calculated under Paragraph 3 below, Rail-U.S. Leasing agrees to pay Owner, as an additional rental fee, the whole of "quarterly net operating profit" in excess of six hundred dollars (\$600.00), not to exceed fifty dollars (\$50.00), and fifty percent (50%) of the amount by which such "quarterly net operating profit" exceeds six hundred and fifty dollars (\$650.00).

3. The pro rata "quarterly net operating profit" for each of Owner's railroad cars shall be determined as follows:

(a) Rail-U.S. Leasing shall compute by calendar quarter the "aggregate gross income" earned during each such calendar quarter for all cars of the same class operated by it under this form of Railroad Car Lease.

(b) Rail-U.S. Leasing shall deduct from such aggregate gross income a minimum management fee of one hundred dollars (\$100.00)* per month for each car operated by it under this form of Railroad Car Lease, plus a sum equal to all costs and expenses paid during the quarter for the operation and control of all such cars, regardless of when incurred or to what cars charged, including (but not limited to) refunds due railroads or car users for overpayment of mileage earnings or for mileage equalization charges, all maintenance and repairs, registration fees and ad valorem property taxes. All such costs and expenses shall be charged against "aggregate gross income" for the calendar quarter when actually paid by Rail-U.S. Leasing.

(c) The amount by which such "aggregate gross income" exceeds the aforesaid expense deductions shall be deemed the "quarterly net operating profit" for the cars operated under this form of Lease. Such "quarterly net operating profit" shall then be allocated to each car operating within each calendar quarter on a pro rata basis determined by the number of days each car was operated by Rail-U.S. Leasing within the quarter, to reach the "quarterly rental fee" and overage provided for in Paragraph 2 (c) and (d) above, and said "quarterly rental fee" shall be paid to car owners after collection, as hereinafter provided in Paragraph 4, but if not collected within thirteen (13) months, all revenues thereafter collected shall be included in the "aggregate gross income" for the calendar quarter when collected and shall be disbursed to car owners actually operating cars in that calendar quarter.

4. Rental fees to the extent payable pursuant to Paragraph 3 (c) shall be paid to Owner within ninety (90) days after the end of each calendar quarterly accounting period. That portion of "quarterly net operating" profit not paid as rental pursuant to the provisions of Paragraph 3 (c) shall be retained by Rail-U.S. Leasing as additional revenue to it.

5. Owner agrees that Rail-U.S. Leasing may maintain a continuous reserve for expenses of all types and kinds, in an amount not to exceed six hundred dollars (\$600.00) per car for each car subject to this Lease and that such six hundred dollars (\$600.00) may be deducted from the "quarterly rental fees" payable to Owner hereunder. Upon termination of this Lease, in accordance with the terms for termination as set forth in this Lease, and after all pro rata expenses allocable to Owner's railroad cars have been deducted by Rail-U.S. Leasing, any sums remaining in said reserve for expenses shall be paid to Owner. All funds retained by Rail-U.S. Leasing in a reserve shall be held in official bank accounts, which will not be commingled with the working capital or other funds of Rail-U.S. Leasing or any affiliated company.

6. Owner agrees to reimburse Rail-U.S. Leasing promptly upon demand for the amount of any pro rata expenses, except the minimum management fees described in Paragraph 3 (b), allocated to any of Owner's railroad cars, and if a reserve is being maintained, then in excess of any amount set aside in the reserve therefore, if in any quarter such expenses exceed the "aggregate gross income" for that quarter.

*For multiple car ownership, the management fee to be charged by Rail-U.S. Leasing shall be as set forth in Attachment A, attached hereto.

7. Owner agrees to indemnify and hold Rail—U.S. Leasing harmless from and against any and all loss or damage, including any and all risk of loss or damage to the railroad cars subject to this Lease, and to indemnify and hold Rail—U.S. Leasing harmless from and against any and all claims, damages, expenses or liabilities incurred by, or asserted against it as a result of its (or any other party's) operations, possession, control or use of such railroad cars. Further, Owner agrees to provide policies of insurance, including (but not limited to) business interruption, all risks, physical damage and public liability insurance, in kinds and amount required by Rail—U.S. Leasing, naming Rail—U.S. Leasing as beneficiary and insuring it against business risks and liabilities deemed required by Rail—U.S. Leasing. All insurance proceeds payable for business interruption and for car repair will be paid to Rail—U.S. Leasing, and will be included as part of "aggregate gross income" pursuant to Paragraph 3 (a) hereunder. All insurance proceeds payable for a completely destroyed car will be collected by Rail—U.S. Leasing and turned over to the Owner of the destroyed car.

8. Owner agrees that Rail—U.S. Leasing shall collect all mileage allowances due from railroads as well as other Lease income generated by Owner's car(s).

9. Owner further agrees not to sell or dispose of any railroad car subject hereto without offering Rail—U.S. Leasing the right to purchase such car for the said consideration (computed in United States dollars) at which it is being offered to others, less the amount of any brokers' fees or sales commissions which would have been incurred by Owner in connection therewith. Rail—U.S. Leasing shall have thirty (30) days after receipt of written notification from Owner of such proposed sale or disposition within which to exercise its right for final refusal. [This clause shall not be operative if Owner selects Box 3, Paragraph 12, below (a five (5) year Lease term).]

10. Owner agrees that Rail—U.S. Leasing may paint the railroad cars subject to this Lease in such colors as Rail—U.S. Leasing may desire and that Rail—U.S. Leasing shall have the right to place any one of its identification marks and any other marks or legends it deems appropriate in conspicuous places on such railroad cars.

11. Rail—U.S. Leasing agrees that it will not knowingly discriminate against Owner's cars in seeking subleases for cars.

12. This Lease may be terminated upon the following terms and conditions: Owner and Rail—U.S. Leasing, Incorporated by checking and initialing Box 1, Box 2 or Box 3 below herewith agree to the terms and conditions following the said box which is checked.
