INTERSTATE COMMERCE COMMISSION

LEASE ASSIGNMENT, ASSUMPTION AND SUPPLEMENT AGREEMENT, dated as of November 13, 1980, among BRAE CORPORATION, a Delaware corporation (the "Assignor"), RAILEASE INC, a Washington corporation (the "Lessor"), and COLUMBIA & COWLITZ RAILWAY COMPANY (the "Lessee").

WHEREAS, Lessor has entered into a Purchase Order with PACCAR INC (the "Builder") providing for the purchase by Lessor from the Builder of 200 100-ton bulkhead flatcars (the "Equipment") described in Equipment Schedules No. 5, 6, 7 and 8 to Annex "A" attached hereto;

WHEREAS, the Assignor has entered into a Lease Agreement, dated July 13, 1979, as supplemented and amended (such Lease Agreement, as heretofore supplemented and amended and subject to this Agreement, and as supplemented hereby, being herein called the "Lease"), with the Lessee, a complete copy of which, as subject to this Agreement, is attached as Annex "A" hereto, providing for the lease by Assignor to the Lessee of certain units of railroad equipment, including the Equipment;

WHEREAS, the Assignor has agreed to assign, and shall herein assign, to the Lessor all its right, title and interest as Lessor under the Lease to the extent that the Lease relates to the Equipment;

WHEREAS, the Lessor shall herein assume the obligations and duties of the Assignor as Lessor under the Lease to the extent that the Lease relates to the Equipment, and the Lessee shall release the Assignor from such obligations and duties to the extent so assumed;

WHEREAS, the Lessor is entering into an Equipment Trust Agreement (the "Security Document") with The Connecticut Bank and Trust Company (herein, together with its successors and assigns, the "Trustee"), pursuant to which equipment trust certificates will be issued and sold to finance a portion of the purchase price of the Equipment;

WHEREAS, the Security Document contemplates and requires that any lease of the Equipment be subject and subordinate to the rights of the Trustee under the Security Document;

NOW, THEREFORE, in consideration of the covenants and agreements hereinafter contained, the parties hereto hereby agree as follows:

1. Any agreements herein contained respecting the Lease and any references herein to the Lease pertain solely to the Lease as and only to the extent that the Lease relates to the Equipment, whether or not such specific limitation be set forth.

2. The Assignor hereby assigns, transfers and sets over unto the Lessor outright, and not as collateral security, all the Assignor's rights, titles and interests, power, privileges, and other benefits in, to and under the Lease including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable from the Lessee by the Assignor under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the "Payments") and the right to make all waivers, modifications and agreements to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, to amend and supplement the Lease, and to do any and all other things whatsoever which the Assignor is or may become entitled to do under or with respect to the Lease. In furtherance of the foregoing assignment, the Assignor hereby irrevocably authorizes and empowers the Lessor in its own name, or in the name of its nominee, or in the name of the Assignor or as attorney for the Assignor to ask, demand, sue for, collect and receive any and all Payments to which the Assignor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

Assignor represents and warrants to Lessor, on and as of the date of execution hereof, and on and as of each date when funds are advanced for the purchase of equipment trust certificates or of equipment under the Security Document, as follows:

(i) The Lease is in full force and effect, neither Assignor nor, to the best of Assignor's knowledge, Lessee is in default in performance of its obligations in respect thereof, and there is no claim or dispute pending thereunder between Assignor and Lessee;

(ii) The Lease, and each amendment or supplement to the Lease subject to this Agreement (other than this Agreement), has been duly filed and recorded with the Interstate Commerce Commission pursuant to 49 U.S.C. §11303 as indicated thereon in Annex "A" hereto;

(iii) Assignor has not entered into any assignment of its interests in the Lease other than this Agreement, has not entered into any amendment or modification of the Lease subject to this Agreement other than as shown in Annex "A" hereto, and has not created, incurred or suffered to exist in respect of the Lease or any of its interests therein any claim, lien, charge or other encumbrance;

(iv) Assignor has full legal power and authority to make and perform this Agreement and to perform its obligations to Lessor in respect of the Lease (as heretofore agreed in writing between Assignor and Lessor); and Assignor's performance of this Agreement and said obligations to Lessor will not result in any breach or violation of any law, contractual restriction or other agreement binding upon Assignor or affecting performance of such obligations to Lessor in respect of the Lease;

(v) No unit of Equipment has been delivered to the Lessee under the Lease at or before execution of this Agreement; and

(vi) There is no fact which Assignor has not disclosed to Lessor in writing, nor is Assignor a party to any agreement or instrument or subject to any corporate or legal restriction which, so far as the Assignor can now reasonably foresee, will individually or in the aggregate materially adversely affect the ability of the Assignor to perform its obligations to Lessor in respect of the Lease (as heretofore agreed in writing between Assignor and Lessor).

3. The Lessor hereby assumes and agrees to pay, perform and discharge all obligations and liabilities of the Assignor (as Lessor) arising under the Lease.

Subject to the rights, if any, of the Trustee under the Security Document upon the happening of an Event of Default thereunder, Lessor shall be entitled to permit exercise of any Lessor right or to cause performance of any Lessor obligation or liability under the Lease by Assignor and/or others designated by Lessor, and any such exercise or performance thereof shall satisfy Lessor's responsibility therefor to Lessee pro tanto. Lessor and Assignor hereby represent and warrant to Lessee that as of the date hereof, Lessor has, by means of a car management agreement, designated Assignor, and Assignor has undertaken, to exercise substantially all of Lessor's rights and perform substantially all of Lessor's obligations under the Lease, for the benefit of Lessor. Except as Lessor (or such Trustee in the exercise of any such rights) shall advise Lessee in writing from time to time of any change or limitation in such Lessor designation and Assignor undertaking, Lessee shall be entitled to rely on the foregoing representation and warranty and in reliance thereon Lessee agrees that it shall look first to Assignor to accomplish the exercise of any Lessor right or performance of any Lessor obligation under the Lease (it being understood that no such action by Lessee is intended, as between Lessor and Lessee, to release Lessor from any of its obligations or liabilities to Lessee under the Lease to the extent not satisfied by Assignor and/or others for Lessor).

4. Without limiting the provisions of Section 3 hereof, the Lessee hereby releases and discharges the Assignor in its capacity as lessor under the Lease from the payment, performance and discharge of the obligations and liabilities of the Assignor as lessor under the Lease which are assumed by Lessor pursuant to Section 3 hereof.

5. The Lessee hereby consents to all the terms and conditions of this Agreement, hereby acknowledges Lessor to be substituted as lessor under the Lease, and further agrees that:

(i) It will pay or cause to be paid all Payments due and to become due under the Lease or otherwise in respect of the Equipment directly to the Lessor, care of Assignor, at Three Embarcadero Center, Suite #1760, San Francisco, California 94111, or at such other address as is specified by Assignor; provided that if Lessor (or the Trustee under the Security Document in the exercise of its rights subsequent to an Event of Default thereunder) shall have notified the Lessee that such Payment arrangements are no longer in effect, then such Payments shall be made to the Lessor (or such Trustee), at the address specified by the Lessor (or such Trustee);

(ii) It shall not be entitled to any abatement of rent or additional rent, reduction thereof or setoff against or recoupment of rent or additional rent payable under the Lease (including, but not limited to, abatements, reductions, setoffs or recoupments due or alleged to be due with respect to the Equipment), by reason of any past or present claims or counterclaims of the Lessee against the Assignor, or, as to any Trustee under the Security Document exercising the rights of Lessor upon an Event of Default thereunder, by reason of any claims or counterclaims of Lessee against Lessor.

6. The Assignor and Lessee will, from time to time, execute, acknowledge and deliver any and all further instruments reasonably requested by the Lessor in order to confirm the interest of the Lessor hereunder and as contemplated by Section 13B of the Lease relative to the financing of the Equipment;

7. The Agreement and the Lease (insofar as subject to this Agreement and notwithstanding the provisions of Section 13E of the Lease) are agreements entered into in, and shall be governed by, the laws of the State of California.

8. This Agreement may be executed in any number of counterparts, all of which together shall constitute a single instrument. It shall not be necessary that any counterpart be signed by all the parties so long as each party hereto shall sign at least one counterpart.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective names by persons thereunto duly authorized, all as of the date first above written.

LEASE AGREEMENT
INTERSTATE COMMERCE COMMISSION

THIS LEASE AGREEMENT, made as of this thirteenth day of July, 1979, between BRAE Corporation, Three Embarcadero Center, San Francisco, California 94111, a Delaware Corporation (Lessor), as Lessor, and COLUMBIA & COWLITZ RAILWAY COMPANY (Lessee), as Lessee.

1. Scope of Agreement

A. BRAE agrees to lease to Lessee, and Lessee agrees to lease from BRAE, freight cars as set forth in any lease schedules executed by the parties concurrently herewith or hereafter and made a part of this Agreement. The word "Schedule" as used herein includes the Schedule or Schedules executed herewith and any additional Schedules and amendments thereto, each of which when signed by both parties shall be a part of this Agreement. The scheduled items of equipment are hereinafter called collectively the "Cars."

B. It is the intent of the parties to this Agreement that BRAE shall at all times be and remain the lessor of all Cars. Lessee agrees that it will at no time take any action or file any document which is inconsistent with the foregoing intent and that it will take such action and execute such documents as may be necessary to accomplish this intent.

C. BRAE and Lessee agree that as first users of the Cars, Lessee shall be entitled as between BRAE and Lessee to claim the investment tax credit for Federal Income Tax purposes. BRAE represents and warrants that the Cars are "New section 38 property," within the meaning of Internal Revenue Code; that BRAE has, or will, take all steps as requested by Lessee including the making of any election which may be required by the Internal Revenue Code or regulation thereunder that may be required to evidence assignment of the Investment Tax Credit to Lessee; and that BRAE has not taken, and will not take, any actions which will make the Cars ineligible for the Investment Tax Credit, other than the exercise of any right or remedy which BRAE may take in the event of a default by Lessee hereunder.

2. Term

A. This Agreement shall remain in full force until it shall have been terminated as to all of the Cars as provided herein. The lease shall commence on the date hereof and unless sooner terminated as provided herein shall continue with respect to all

of the Cars described in each Schedule until 15 years after the date on which the last Car on such Schedule has been delivered as set forth in Section 3A hereof.

B. If this Agreement has not been earlier terminated and no default has occurred and is continuing, it shall automatically be extended for not more than five consecutive periods of twelve months each (the "extended lease term") with respect to all of the Cars described on each Schedule, provided, however, that BRAE or Lessee may terminate this Agreement as to all, but not fewer than all, of the Cars on any such Schedule by written notice delivered to the other not less than twelve months prior to the end of the initial lease term or any extended lease term.

3. Supply Provisions

A. BRAE will inspect each of the Cars tendered by the manufacturer for delivery to Lessee. Prior to such inspection, however, Lessee shall confirm in writing to BRAE that the sample Car which will be made available for Lessee's inspection prior to the commencement of deliveries conforms to the specifications of the equipment agreed to by Lessee. Upon such approval by Lessee and BRAE's determination that the Car conforms to the specifications order by BRAE and to all applicable governmental regulatory specifications, and this Agreement has not been terminated, BRAE will accept delivery thereof at the manufacturer's facility and shall notify Lessee in writing of such acceptance. Each of the Cars shall be deemed delivered to Lessee upon acceptance by BRAE. The Cars shall be moved to Lessee's railroad line at no cost to Lessee as soon after acceptance of delivery by BRAE as is consistent with mutual convenience and economy. Due to the nature of railroad operations in the United States, BRAE can neither control nor determine when the Cars leased hereunder will actually be available to Lessee for its use on its railroad tracks. Notwithstanding that Lessee may not have immediate physical possession of the Cars leased hereunder, the lease hereunder with respect thereto shall commence upon acceptance by BRAE from the manufacturer, and Lessee agrees to pay to BRAE the rent set forth in this Agreement. To move the Cars to Lessee's railroad line and insure optimal use of the Cars after the first loading of freight for each Car (the "Initial Loading"), BRAE agrees to assist Lessee in monitoring Car movements and, when deemed necessary by Lessee and BRAE, to issue movement orders with respect to such Cars to other railroad lines in accordance with ICC and AAR interchange agreements and rules.

B. If during any one calendar month the average utilization of all Cars falls below 78.3%, then BRAE may by written notice to Lessee of such an event require Lessee to load the Cars leased from BRAE hereunder prior to loading substantially similar cars leased from other parties, or purchased by Lessee or interchanged with railroads, in each case subsequent to the date of this Agreement; provided, however, that this shall in no event prevent or prohibit Lessee from fulfilling its obligations to provide transportation and

facilities upon reasonable request therefor to shippers on its rail-road tracks. Any priority loading required under this paragraph shall be commenced as soon as practicable after receipt of BRAE's notice by Lessee (but not to exceed two days) and shall continue until such time as the average utilization of all Cars shall equal or exceed 78.3% for one calendar month.

C. Additional Cars may be leased from BRAE by Lessee only upon the mutual agreement of the parties hereto. Upon such agreement, such additional Cars shall be identified in Schedules to this Agreement and shall benefit from and be subject to this Agreement upon execution of the Schedules by BRAE and Lessee. Notwithstanding the execution of any Schedules including Scheduling for additional Cars, the delivery of any Cars to Lessee shall be subject to manufacturer's delivery schedules, financing satisfactory to BRAE and the mutual acknowledgment of the parties that the addition of such Cars is not likely to reduce utilization of all Cars on lease to Lessee to less than 78.3% in any calendar quarter. In the event Brae fails to obtain satisfactory financing on any cars, Lessee shall have the option to assume BRAE's delivery position and its contracts with the manufacturers for any or all of the Cars for which BRAE is unable to arrange financing; provided, however, Lessee may not utilize such delivery position or contract to enter into a non-equity lease for such cars. If, due to the factors listed in the preceding sentence, fewer than all of the Cars listed on a Schedule shall be delivered to Lessee, the term of the lease shall be deemed to have commenced on the date the final Car of the most recent group of Cars was delivered to Lessee.

4. Railroad Markings and Record Keeping

A. BRAE and Lessee agree that on or before delivery of any Cars to Lessee, said Cars will be lettered with the railroad marking of Lessee and may also be marked with the name and/or other insignia used by Lessee. Such name and/or insignia shall comply with all applicable regulations.

B. At no cost to Lessee, BRAE shall during the term of this Agreement prepare for Lessee's signature and filing all documents relating to the registration, maintenance and record keeping functions involving the Cars and such other items of freight equipment used in interchange service as Lessee may operate and control as of the date of this Agreement ("Other Equipment"). Such documents shall include but are not limited to the following: (i) appropriate AAR documents; (ii) registration in the Official Railway Equipment Register and the Universal Machine Language Equipment Register; and (iii) such reports as may be required from time to time by the ICC and/or other regulatory agencies.

C. Each Car leased hereunder shall be registered at no cost to Lessee in the Official Railway Equipment Register and the Universal Machine Language Equipment Register. BRAE shall, on behalf of Lessee, perform all record keeping functions related to the use by Lessee of the Cars and Other Equipment and other railroads in accordance with AAR railroad interchange agreements and rules, such as car hire reconciliation. Correspondence from railroads using such Cars and Other Equipment shall be addressed to Lessee at such address as BRAE shall select.

D. All record keeping performed by BRAE hereunder and all record of a ents char es and corres ondence related to the Cars

and Other Equipment shall be separately recorded and maintained by BRAE in a form suitable for reasonable inspection by Lessee from time to time during regular BRAE business hours. Lessee shall supply BRAE with such reports, including daily telephone reports of the number of Cars on Lessee's tracks, regarding the use of the Cars by Lessee on its railroad line as BRAE may reasonably request.

5. - Maintenance, Taxes and Insurance

A. Except as otherwise provided herein, BRAE will pay all costs, expenses, fees and charges incurred in connection with the use and operation of each of the Cars during its lease term and any extension thereof, including but not limited to repairs, maintenance and servicing, unless the same was occasioned by the fault of Lessee. Lessee shall inspect all Cars interchanged to it to insure that such Cars are in good working order and condition and shall be liable to BRAE for any repairs required for damage not noted at the time of interchange. Lessee hereby transfers and assigns to BRAE for and during the lease term of each Car all of its right, title and interest in any warranty in respect to the Cars. All claims or actions on any warranty so assigned shall be made and prosecuted by BRAE at its sole expense and Lessee shall have no obligation to make any claim on such warranty. Any recovery under such warranty shall be payable solely to BRAE.

B. Except as provided above, BRAE shall make or cause to be made such inspection of, and maintenance and repairs to, the Cars as may be required. Upon request of BRAE, Lessee shall perform any necessary maintenance and repairs to Cars on Lessee's railroad tracks as may be reasonably requested by BRAE. BRAE shall also make, at its expense, all alterations, modifications or replacement of parts as shall be necessary to maintain the Cars in good operating condition throughout the term of the lease of such Cars. Lessee at BRAE's expense, may make running repairs at the AAR billing rate to facilitate continued immediate use of a Car, but shall not otherwise make any repairs, alterations, improvements or additions to the Cars without BRAE's prior written consent. If Lessee makes an alteration, improvement or addition to any Car without BRAE's prior written consent, Lessee shall be liable to BRAE for any revenues lost due to such alteration. Title to any such alteration, improvement or addition shall be and remain with BRAE.

C. Lessee will at all times while this Agreement is in effect be responsible for the Cars while on Lessee's railroad tracks in the same manner that Lessee is responsible under Rule 7 of the AAR Car Service and Car Hire Agreement: Code of Car Service Rules - Freight for freight cars not owned by Lessee on Lessee's railroad tracks. Lessee shall protect against the consequences of an event of loss involving the Cars while on Lessee's railroad tracks by obtaining insurance or maintaining a self-insurance program satisfactory to BRAE. In the event Lessee elects to carry insurance, Lessee shall furnish BRAE concurrently with the execution hereof with certificates of insurance evidencing bodily injury and property

damage liability insurance signed by an independent insurance broker with 30 day written notice of cancellation to BRAE. All insurance shall be taken out in the name of Lessee and BRAE (or its assignee) as their interests may appear.

D. BRAE agrees to reimburse Lessee for all taxes, assessments and other governmental charges of whatsoever kind or character paid by Lessee relating to each Car and on the lease, delivery or operation thereof which may remain unpaid as of the date of delivery of such Car to Lessee or which may be accrued, levied, assessed or imposed during the lease term, except taxes on income imposed on Lessee and sales or use taxes imposed on car hire revenues which are retained by Lessee. BRAE shall forward to Lessee all sales and use tax payments received by it on behalf of Lessee. BRAE and Lessee shall each pay the sales or use taxes imposed on the car hire revenues earned by them respectively under the terms of this Agreement. Lessee will comply with all state and local laws requiring the filing of ad valorem tax returns. Notwithstanding the above, Lessee at its sole expense agrees to pay and bear all property and/or ad valorem taxes due or payable with respect to the Cars during the term of the lease.

6. Lease Rental

A. (i) Lessee agrees to pay BRAE annual rent for the use of the Cars pursuant to this Agreement computed as follows:

(a) In the event that utilization, as defined in Article 6A(ii), for all Cars on an aggregate basis for the applicable calendar year is greater than 78.3%, an amount equal to:

(1) All straight (non-incentive) car hire payments earned by the Cars during the calendar year multiplied by a fraction the numerator of which is 78.3% and the denominator of which is the utilization for the Cars for such calendar year, as defined in Article 6A(ii) (hereinafter called the "Base Rental"); plus

(2) All mileage payments earned by all Cars.

(b) In the event that utilization, as defined in Article 6A(ii), for all Cars on an aggregate basis for the applicable calendar year is equal to or less than 78.3%, an amount equal to:

(1) All straight (non-incentive) car hire payments earned by the Cars during the calendar year; plus

(2) All mileage payments earned by the Cars; plus

(3) All demurrage earned by the Cars from persons other than Weyerhaeuser Company and its affiliates, but only to the extent necessary to cause the aggregate rental paid by Lessee under this Agreement for such calendar year to equal the Base Rental.

(c) All revenue earned by each of the Cars prior to its Initial Loading shall be paid to BRAE; provided, however, if Initial Loading has not occurred within 45 days after delivery of a Car by the manufacturer, BRAE and Lessee shall share revenues from such Cars as if Initial Loading had occurred on the 46th day after delivery from the manufacturer in accordance with Article 6A(i)(a) and (b) above.

(ii) "Utilization" of Cars for any period shall mean a fraction the numerator of which is (X) the aggregate number of Car Hours in such period that car hire payments are earned by Cars and the denominator of which is (Y) the aggregate number of Car Hours during such period. "Car Hour" shall mean one hour during which one Car is on lease hereunder, commencing upon the Initial Loading of such Car.

(iii) The rent payable by Lessee to BRAE under this Section 6A shall be derived from the revenues earned by the Cars in the following order: (1) incentive Car hire payments, (2) straight car hire payments, (3) mileage charges, (4) demurrage, and (5) other. In no event shall Lessee be required to pay rent to BRAE under this Agreement in an amount in excess of the total revenues earned by the Cars.

B. In the event damage beyond repair or destruction of a Car has been reported in accordance with Rule 7 of the AAR Car Service and Car Hire Agreement Code of Car Hire Rules-Freight and the appropriate amount due as a result thereof is received by BRAE, said damaged or destroyed Car will be removed from the coverage of this Agreement as of the date that payment of car hire payments ceased.

C. The calculations required above shall be made within five months after the end of each calendar year. However, to enable BRAE to meet its financial commitments, BRAE may, prior to such calculations, retain the payments received by it on behalf of Lessee. Further, since the parties desire to determine on a quarterly basis the approximate amount of the rental charges due BRAE, BRAE shall within three months after the end of each calendar quarter, calculate on a quarterly basis rather than a yearly basis the amount due it pursuant to this section. Any amounts payable pursuant to the preceding sentence shall be paid promptly following such calculation, provided, however, that following the yearly calculation, any amount paid to either party in excess of the amounts required by the yearly calculation shall be promptly refunded to the appropriate party.

D. If at any time during a calendar quarter, the number of days that the Cars have not earned car hire payments is such as to make it mathematically certain that the utilization in such calendar quarter cannot be equal to or greater than 78.3%, BRAE may, at its option and upon not less than 10 days' prior written notice to Lessee, terminate this Agreement as to such Cars as BRAE shall determine, provided, however, that prior to such termination Lessee may have the option of paying BRAE an amount equal to the difference between the amount BRAE actually received during said calendar quarter and the amount BRAE would have received had a utilization rate for the Cars of 78.3% been achieved.

E. Subsequent to the Initial Loading, if any Car remains on Lessee's railroad tracks for more than seven consecutive days, BRAE may, at its option and upon not less than 24 hours' prior written notice, terminate this Agreement as to such Car and withdraw such Car from Lessee's railroad tracks. BRAE will exercise this option only if it believes that utilization of the Cars will be less than 78.3%, for the following 90 days.

7. Possession and Use

A. So long as Lessee shall not be in default under this Agreement, Lessee shall be entitled to the possession, use and quiet enjoyment of the Cars in accordance with the terms of this Agreement and in the manner and to the extent Cars are customarily used in the railroad freight business, provided that Lessee retain on its railroad tracks no more Cars than are necessary to fulfill its immediate requirements to provide transportation and facilities upon reasonable request therefor to shippers on its railroad tracks. However, Lessee's rights shall be subject and subordinate to the rights of any owner or secured party under any financing agreement entered into by BRAE in connection with the acquisition of Cars, i.e., upon notice to Lessee from any such secured party or owner that an event of default has occurred and is continuing under such financing agreement, such party may require that all rent shall be made directly to such party and/or that the Cars be returned to such party.

B. Lessee agrees that to the extent it has physical possession and can control use of the Cars, the Cars will at all times be used and operated under and in compliance with the laws of the jurisdiction in which the same may be located and in compliance with all lawful acts, rules and regulations and orders of any governmental bodies or officers having power to regulate or supervise the use of such property, except that either BRAE or Lessee may in good faith and by appropriate proceedings contest the application of any such rule, regulation or order in any reasonable manner at the expense of the contesting party.

C. Lessee will not directly or indirectly create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or other security interest or claim on or with respect to the Cars or any interest therein or in this Agreement or Schedule

hereto. Lessee will promptly, at its expense, take such action as may be necessary to duly discharge any such mortgage, pledge, lien, charge, encumbrances, security interest, or claim if the same shall arise at any time.

8. Default

A. The occurrence of any of the following events shall be an event of default:

(i) The nonpayment by Lessee of any sum required herein to be paid by Lessee within 10 days after the date any such payment is due.

(ii) The breach by Lessee of any other term, covenant, or condition of this Agreement, which is not cured within 10 days after written notice.

(iii) Any act of insolvency by Lessee, or the filing by Lessee of any petition or action under any bankruptcy, reorganization, insolvency or moratorium law, or any other law or laws for the relief of, or relating to, debtors.

(iv) The filing of any involuntary petition under any bankruptcy, reorganization, insolvency or moratorium law against Lessee that is not dismissed within sixty (60) days thereafter, or the appointment of any receiver or trustee to take possession of the properties of Lessee, unless such petition or appointment is set aside or withdrawn or ceases to be in effect within sixty (60) days from the date of said filing or appointment.

(v) Any action by Lessee to discontinue rail service on all or a portion of its tracks or abandon any of its rail properties pursuant to applicable provisions of the Interstate Commerce Act or the laws of any state, if such actions, in the opinion of BRAE, are likely to decrease utilization below 78.3%.

B. Upon the occurrence of any event of default, BRAE may, at its option, terminate this Agreement (which termination shall not release Lessee from any obligation to pay any and all rent or other sums that may then be due or accrued to such date to BRAE or from the obligation to perform any duty or discharge any other liability occurring prior thereto) and may

(i) Proceed by any lawful means to enforce performance by Lessee of such obligations or to recover damages for a breach thereof (and Lessee agrees to bear BRAE's costs and expenses, including reasonable attorneys' fees) in securing such enforcement, or

(ii) By notice in writing to Lessee, terminate Lessee's right of possession and use of the Cars whereupon all right and interest of Lessee in the Cars shall terminate; and thereupon BRAE may enter upon any premises where the Cars may be located and take

possession of them and henceforth hold, possess and enjoy the same free from any right of Lessee.

9. Termination

Upon termination of this Agreement as to any Cars, Lessee will surrender possession of such Cars to BRAE by delivering the same to BRAE. A Car shall be no longer subject to this Agreement upon the removal of Lessee's railroad markings from the Car and the placing thereon of such markings as may be designated by BRAE, either at the option of BRAE (1) by Lessee upon return of such Cars to Lessee's railroad line or (2) by another railroad line which has physical possession of the Car at the time of or subsequent to termination of the lease term as to such Car. If such Cars are not on the railroad line of Lessee upon termination, any cost of assembling, delivering, storing and transporting such Cars to Lessee's railroad line or the railroad line of a subsequent lessee shall be borne by BRAE. If such Cars are on the railroad line of Lessee upon such expiration or termination or are subsequently returned to Lessee's railroadline, Lessee shall at its own expense within five working days remove Lessee's railroad markings from the Cars and place thereon such markings as may be designated by BRAE. After the removal and replacement of markings, Lessee shall use its best efforts to load such Cars with freight and deliver them to a connecting carrier for shipment. Lessee shall provide up to sixty (60) days free storage on its railroad tracks for BRAE or the subsequent lessee of any terminated Car. If any Car is terminated pursuant to subsections 6D or 6E or Section 8 prior to the end of its lease term, Lessee shall be liable to BRAE for all costs and expenses incurred by BRAE to repaint the Cars and place thereon the markings and name or other insignia of BRAE's subsequent lessee.

10. Indemnities

BRAE will defend, indemnify and hold Lessee harmless from and against (1) any and all loss or damage of or to the Cars, usual wear and tear excepted, unless occurring while Lessee has physical possession of Cars and (2) any claim, cause of action, damage, liability, cost or expense which may be asserted against Lessee with respect to the Cars (other than loss or physical damage to the Cars as provided in (1) above) unless occurring through the fault of Lessee, including without limitation the construction, purchase and delivery of the Cars to Lessee's railroad line, ownership, leasing or return of the Cars, or as a result of the use, maintenance, repair, replacement, operation or the condition thereof (whether defects, if any, are latent or are discoverable by BRAE or Lessee).

11. Representations, Warranties and Covenants

Lessee represents, warrants and covenants that:

(i) Lessee is a corporation duly organized, validly existing and in good standing under the laws of the state where it is incorporated and has the corporate power, authority and is duly qualified and authorized to do business wherever necessary, to carry out its present business and operations and to own or hold under lease its properties and to perform its obligations under this Agreement.

(ii) The entering into and performance of this Agreement will not violate any judgment, order, law or regulation applicable to Lessee, or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance upon any assets of Lessee or on the Cars pursuant to any instrument to which Lessee is a party or by which it or its assets may be bound.

(iii) There is no action or proceeding pending or threatened against Lessee before any court or administrative agency or other governmental body which might result in any material adverse effect on the business, properties and assets, or conditions, financial or otherwise, of Lessee.

(iv) There is no fact which Lessee has not disclosed to BRAE in writing, nor is Lessee a party to any agreement or instrument or subject to any charter or other corporate restriction which, so far as the Lessee can now reasonably foresee, will individually or in the aggregate materially adversely affect the ability of the Lessee to perform its obligations under this Agreement.

(v) Lessee has not during the years 1964-1968 built, leased, purchased or nonequity leased new boxcars or rebuilt any boxcars.

12. Inspection

BRAE shall at any time during normal business hours have the right to enter the premises where the Cars may be located for the purpose of inspecting and examining the Cars to insure Lessee's compliance with its obligations hereunder. Lessee shall promptly notify BRAE of any accident connected with the malfunctioning or operation of the Cars, including in such report the time, place and nature of the accident and the damage caused, the names and addresses of any persons injured and of witnesses, and other information pertinent to Lessee's investigation of the accident. Lessee shall also notify BRAE in writing within five (5) days after any attachment, tax lien or other judicial process shall attach to any Car. Lessee shall furnish to BRAE upon request, a copy of its annual report submitted to the ICC and, when requested, copies of any other income or balance sheet statements required to be submitted to the ICC.

13. Miscellaneous

A. This Agreement and the Schedules contemplated hereby shall be binding upon and shall inure to the benefit of the parties hereto

and their respective successors and assigns, except that Lessee may not without the prior written consent of BRAE assign this Agreement or any of its rights hereunder or sublease the Cars to any party, and any purported assignment or sublease in violation hereof shall be void; provided, however, that Lessee shall not be prohibited from placing Cars in assigned service at another majority-owned common carrier railroad subsidiary of Weyerhaeuser Company. "Lessee hereby agrees that any such assignment may be with respect to all or part of the Cars to be leased hereunder and may relate to all or part of the Cars on any Schedule hereto. Any assignment of this Agreement by BRAE to an owner or secured party shall not subject that owner or secured party to any of BRAE's obligations hereunder. Those obligations shall remain enforceable by Lessee solely against BRAE."

B. Both parties agree to execute the documents contemplated by this transaction and such other documents as may be required in furtherance of any financing agreement entered into by BRAE in connection with the acquisition of the Cars in order to confirm the financing party's interest in and to the Cars, this Agreement and Schedules hereto and to confirm the subordination provisions contained in Section 7 and in furtherance of this Agreement.

C. It is expressly understood and agreed by the parties hereto that this Agreement constitutes a lease of the Cars only and no joint venture or partnership is being created. Notwithstanding the calculation of rental payments, nothing herein shall be construed as conveying to Lessee any right, title or interest in the Cars except as a lessee only.

D. No failure or delay by BRAE shall constitute a waiver or otherwise affect or impair any right, power or remedy available to BRAE nor shall any waiver or indulgence by BRAE or any partial or single exercise of any right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

E. This Agreement shall be governed by and construed according to the laws of the State of California.

F. All notices hereunder shall be in writing and shall be deemed given when delivered personally or when deposited in the United States mail, postage prepaid, certified or registered, addressed to the president of the other party at the address set forth above.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.
