CONDITIONAL SALE AGREEMENT dated as of February 15, 1980, between GENERAL AMERICAN TRANSPORTATION CORPORATION, a New York corporation (the foregoing corporation being hereinafter sometimes called the Vendor or the Builder as more particularly set forth in Article 1 hereof), and NEW ENGLAND MERCHANTS LEASING CORPORATION B-7, a Massachusetts corporation (hereinafter called the Vendee).

WHEREAS the Builder agrees to construct, sell and deliver to the Vendee, and the Vendee agrees to purchase, the railroad equipment described in Annex B hereto (hereinafter called the Equipment); and

WHEREAS the Vendee is entering into a lease dated as of the date hereof with GENERAL AMERICAN TRANSPORTATION CORPORATION (hereinafter in such capacity called the Lessee), substantially in the form annexed hereto as Annex C (hereinafter called the Lease); and

WHEREAS The Connecticut Bank and Trust Company (hereinafter sometimes called the Assignee or the Vendor) is acting as agent for Connecticut General Life Insurance Company (hereinafter called the Investor and, together with its successors and assigns, the Investors) pursuant to the Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement), among the Assignee, the Owner Parent, the Lessee, the Vendee and the Investor.

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. Assignment; Definitions. The parties hereto contemplate that the Vendee will furnish that portion of the Purchase Price (as hereinafter defined) for the Equipment as is required under subparagraph (a) of the third paragraph of Article 4 hereof and that an amount equal to the balance of such Purchase Price shall be paid to the Builder by the Assignee pursuant to an Agreement and Assignment dated as of the date hereof between the Builder and the Assignee (such Agreement and Assignment being hereinafter called the Assignment).

The term "Vendor", whenever used in this Agreement, means, before any assignment of their rights hereunder, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its respective manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or, excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business.

In case of such assignment, the Vendee will assign to the Vendor, as security for the payment and performance of all the Vendee's obligations hereunder, all the right, title, and interest of the Vendee in and to the Lease, pursuant to an Assignment of Lease and Agreement in the form of Annex D hereto (hereinafter called the Lease Assignment), and the Lessee shall consent thereto pursuant to the Consent and Agreement in the form attached to Annex D (hereinafter called the Consent).

ARTICLE 2. Construction and Sale. Pursuant to this Agreement, the Builder shall construct the Equipment (such Equipment with respect to the Builder being hereinafter sometimes called its Equipment) at its plant or plants set forth in Annex B hereto, and the Builder will sell and deliver to the Vendee, and the Vendee will purchase from the Builder and accept delivery of and pay for (as hereinafter provided), such Builder's Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between the Builder, the Vendee and the Lessee (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture thereof, to all Department of Transportation and Interstate Commerce Commission requirements and specifications and to all standards, if any, recommended by the Association of American Railroads reasonably interpreted as then being applicable to each such unit of Equipment, and each such unit will be new railroad equipment.

ARTICLE 3. Inspection and Delivery. The Builder will deliver the units of the Equipment to the Vendee at the place or places specified in Annex B hereto (or at such other place or places designated from time to time by the Vendee), freight and storage charges, if any, prepaid and included in the Purchase Price (as hereinafter defined) in accordance with the delivery schedule set forth in Annex B hereto; provided, however, that delivery of any unit of the Equipment shall not be made until this Agreement and the Lease have been filed pursuant to 49 U.S.C. § 11303; and provided, further, that the Builder shall have no obligation to deliver any unit of Equipment hereunder (i) subsequent to the commencement of any proceedings specified in clause (c) of Article 15 hereof or the occurrence of any event of default (as defined in Article 15 hereof), or event which, with the lapse of time and/or demand, could constitute such an event of default or (ii) unless the Builder shall have been notified by the Assignee that the conditions contained in Paragraph 6 of the Participation Agreement have been met and the Builder shall have been notified by the Vendee that the conditions contained in Paragraph 7 of the Participation Agreement have been met or waived. The Builder agrees not to deliver any unit of Equipment hereunder if said Builder shall have actual knowledge or following receipt of written notice from the Vendee or the Assignee (a) of the commencement of any such proceedings or the occurrence of any such event, as aforesaid, (b) that any of the conditions contained in Paragraph 6 or 7 of the Participation Agreement have not been met or waived or (c) that there has been since December 30, 1978, a material adverse change in the assets, liabilities, business or condition (financial or otherwise) of the Lessee until such time as such written notice may be canceled by a further written notice or the Vendee and Assignee consent to the resumption of deliveries.

Any Equipment not delivered at the time of receipt by the Builder of the notice specified in the second sentence of the first paragraph of this Article 3 shall be excluded from this Agreement, and the Vendee shall be relieved of its obligation under this Agreement to purchase and pay for such Equipment. If any Equipment shall be excluded herefrom pursuant to the immediately preceding sentence, the Builder and the Vendor shall execute an agreement supplemental hereto limiting this Agreement to the Equipment not so excluded herefrom.

The Builder's obligation as to the time of delivery set forth in Annex B is subject, however, to delays result-

ing from causes beyond the Builder's reasonable control, including but not limited to acts of God, acts of government such as embargoes, priorities and allocations, war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Lessee), and the Builder shall grant to such authorized inspectors reasonable access to its plant. The Builder agrees to inspect the materials used in the construction of its Equipment in accordance with the standard quality control practices of the Builder. Upon completion of each unit or a number of units of the Equipment, such unit or units shall be presented to an inspector of the Vendee for inspection at the place specified for delivery of such unit or units, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Vendee (who may be an employee of the Lessee) shall execute and deliver to the Builder a certificate of acceptance (hereinafter called the Certificate of Acceptance), stating that such unit or units have been inspected and accepted on behalf of the Vendee and are marked in accordance with Article 9 hereof; provided, however, that the Builder thereof shall not thereby be relieved of its warranty referred to in Article 13 hereof.

On delivery and acceptance of each such unit hereunder at the place specified for delivery, the Builder thereof shall not have any further responsibility for, nor bear any risk of, any damage to or the destruction or loss of such unit; provided, however, that the Builder shall not thereby be relieved of its warranty referred to in Article 13 hereof.

Notwithstanding the foregoing or any other provision of this Agreement to the contrary, the delivery to and acceptance by or on behalf of the Vendee of any unit of Equipment excluded from this Agreement pursuant to the first paragraph of Article 4 hereof shall be ineffective, ab initio, to create in or transfer to the Vendee any legal or beneficial right or interest in such unit or (except as provided in the first paragraph of Article 4 hereof) to impose on the Vendee any liability, obligation or responsibility with

respect thereto; any right or interest in any such unit created in or transferred to or purported to be created in or transferred to, the Vendee shall be held by the Vendee solely as trustee for the benefit of the Lessee.

ARTICLE 4. Purchase Price and Payment. The base price or prices per unit of the Equipment are set forth in Annex B hereto. Such base price or prices are subject to such increase or decrease as is agreed to by the Builder, the Vendee and the Lessee. The term "Purchase Price" as used herein shall mean the base price or prices as so increased or decreased as set forth in the invoice or invoices of the Builder thereof delivered to the Vendee and, if the Purchase Price is other than the base price or prices set forth in Annex B, the invoice or invoices shall be accompanied by, or have endorsed thereon, the agreement or approval of the Lessee and the Vendee (such invoice or invoices being hereinafter called the Invoices). The Purchase Price of a unit of Equipment shall not in any event exceed by more than 10% the base price set forth in Annex B hereto with respect to such unit of Equipment unless the Assignee and Vendee otherwise agree in writing provided, that in no case shall the Purchase Price be greater than the fair market value of such unit of Equipment. If on any Closing Date (as hereinafter defined in this Article) the aggregate Purchase Price of Equipment for which settlement has theretofore been and is then being made under this Agreement would, but for the provisions of this sentence, exceed the Maximum Purchase Price specified in Item 5 of Annex A hereto (or such higher amount as the Vendee may at its option agree to prior to delivery of any unit or units of Equipment that, but for such agreement, would be excluded from this Agreement), the Builder (and any assignee of such Builder) and the Vendee will enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Vendee, as will, after giving effect to such exclusion, reduce such aggregate Purchase Price under this Agreement to not more than the Maximum Purchase Price specified in Item 5 of Annex A hereto (or such higher amount as aforesaid), and the Vendee shall take such other steps, including the execution of instruments of transfer, as it may be reasonably requested by the Lessee for the purpose of acknowledging and perfecting the interest of the Lessee in any unit of Equipment so

excluded from this Agreement, and the Vendee shall have no further obligation or liability in respect of units so excluded.

The Equipment shall be settled for in such number of groups of units of the Equipment delivered to and accepted by the Vendee as is provided in Item 2 of Annex A hereto (each such group being hereinafter called a Group). The term "Closing Date" with respect to any Group shall mean such date or dates (not later than June 30, 1980, such later date being herein called the Cut-Off Date), occurring not more than five business days following presentation by the Builder to the Vendee of the Invoices and of the Certificate or Certificates of Acceptance for the Equipment and written notice thereof by the Builder to the Lessee, as shall be fixed by the Builder by written notice delivered to the Vendee and the Assignee at least six business days prior to the Closing Date designated therein. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in Boston, Massachusetts, New York, New York, Chicago, Illinois, or Hartford, Connecticut, are authorized or obligated to remain closed.

The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment, as follows:

(a) not later than 11:00 a.m., Baltimore time, on the Closing Date with respect to each Group (i) an amount equal to 43.545458% of the aggregate Purchase Price of Equipment included in such Group plus (ii) the amount, if any, by which (x) the remainder of the Purchase Price of all units of the Equipment covered by this Agreement for which settlement has theretofore and is then being made, as set forth in the Invoice or Invoices therefor (said invoiced prices being herein called the Invoiced Purchase Prices), exceeds (y) the Maximum CSA Indebtedness specified in Item 6 of Annex A and any amount or amounts previously paid or payable with respect to the Invoiced Purchase Prices pursuant to this clause (ii); and

(b) in 40 semiannual installments, as hereinafter provided, an amount equal to the aggregate Purchase Price of the units of Equipment for which settlement is then being made, less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of this paragraph.

The portion of the Purchase Price payable pursuant to subparagraph (b) of the preceding paragraph (herein called the CSA Indebtedness) shall be payable in 40 consecutive semiannual installments commencing January 5, 1981, to and including July 5, 2000, each such date being hereinafter called a Payment Date. The unpaid balance of the CSA Indebtedness from time to time outstanding shall bear interest at the rate of 12-7/8% per annum payable, to the extent accrued, on July 5, 1980, and on each Payment Date thereafter. The installments of principal payable on each Payment Date shall be calculated so that the amount and allocation of principal and interest payable on each Payment Date shall be substantially in proportion to the allocation set forth in Schedule I hereto (subject to the provisions of Article 7 hereof) and the aggregate of such installments of principal will completely amortize the CSA Indebtedness. The Vendee will furnish to the Vendor and the Lessee promptly after the last Closing Date a schedule showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of 12 30-day months except that the interest due on July 5, 1980, and interest due pursuant to the next succeeding paragraph shall be determined on an actual elapsed day, 365-day year, basis.

The Vendee will pay, to the extent legally enforceable, interest upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof at the rate of 13-7/8% per annum.

All payments provided for in this Agreement shall be made, not later than 11:00 a.m., Hartford, Connecticut, time, on the date such payment is due, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. Except as provided in Articles 7 and 15 hereof, the Vendee shall not have the privilege of prepaying any portion of the CSA Indebtedness prior to the date it becomes due.

Any payment due hereunder on a date that is not a business day shall be payable on the next preceding business day, without adjustment for interest on such payment for the intervening period.

The obligation of the Vendee to pay to the Vendor the amount required to be paid pursuant to subparagraph (a) of the third paragraph of this Article 4 with respect to any Group shall be subject to the receipt by the Vendee of copies

of the documents required to be furnished by the Builder pursuant to Section 4 of the Assignment in respect of such Group.

Notwithstanding any other provision of this Agreement (including, but not limited to, any provision of Articles 15 and 16 hereof) but not limiting the effect of Article 21 hereof, it is understood and agreed by the Vendor that the liability of the Vendee or any assignee of the Vendee for all payments to be made by it under and pursuant to this Agreement, other than any liability arising out of or in connection with its representations in the Participation Agreement, or the performance of its obligations hereunder and excluding only (i) the obligations set forth in the proviso in the third paragraph of Article 12 hereof and (ii) the payments to be made pursuant to subparagraph (a) of the third paragraph of this Article, shall not exceed an amount equal to, and shall be payable only out of, the "income and proceeds from the Equipment" as actually received by the Vendee or any Assignee of the Vendee. As used herein the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 15 hereof shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Vendee or any assignee of the Vendee at any time after any such event and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences, Redemptions (as defined in Article 7 hereof) or Terminations (as defined in Article 7 hereof) paid for or with respect to the Equipment pursuant to the Lease and any and all other payments received under § 10 or any other provision of the Lease and (b) any and all payments or proceeds received for or with respect to the Equipment as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition, and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) as are indefeasibly received by the Vendee or any assignee of the Vendee and as shall equal the portion of the CSA Indebtedness (including prepayments thereof required in respect of Casualty Occurrences, Redemptions or Terminations) and/or interest thereon due and payable on the date such amounts were required to be paid pursuant to the Lease or as shall equal any other payments then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include (A) amounts referred to in the foregoing clauses (a) and (b) received by the Vendee or any assignee of the Vendee prior to the existence of such an event of default which exceeded the amounts

required to discharge that portion of the CSA Indebtedness (including prepayments thereof required in respect of Casualty Occurrences, Redemptions or Terminations) and/or interest thereon due and payable on the date on which amounts with respect thereto received by the Vendee or any assignee of the Vendee were required to be paid to it pursuant to the Lease or which exceeded any other payments due and payable under this Agreement at the time such amounts were payable under the Lease or (B) amounts excluded from the Lease Assignment pursuant to the first paragraph of Paragraph 1 thereof. Notwithstanding anything to the contrary contained in Article 15 or 16 hereof, the Vendor agrees that in the event it shall obtain a judgment against the Vendee for an amount in excess of the amounts payable by the Vendee pursuant to the limitations set forth in this paragraph, it will limit its execution of such judgment to amounts payable pursuant to the limitations set forth in this paragraph. Nothing contained herein limiting the liability of the Vendee shall derogate from the right of the Vendor to proceed against the Equipment for the full unpaid Purchase Price of the Equipment and interest thereon and all other payments and obligations hereunder.

ARTICLE 5. Security Interest in the Equipment.

The Vendor shall and hereby does retain a security interest in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and performed all its agreements herein contained, notwithstanding any provision of this Agreement limiting the liability of the Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Lessee as provided in this Agreement and the Lease.

Except as otherwise specifically provided in Article 7 hereof, when and only when the Vendor shall have been paid the full indebtedness in respect of the Purchase Price of the Equipment, together with interest and all other payments as herein provided, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute a bill or bills of sale for the Equipment releasing its security interest therein to the Vendee or upon its order, free of all liens, security interests and other encumbrances created or retained hereby and deliver such bill or bills of sale to the Vendee at its address referred to in Article 20 hereof, (b)

execute and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant to Article 7 hereof and not theretofore applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 6. Taxes. All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, Federal or foreign taxes (other than gross receipts taxes [except gross receipt taxes in the nature of or in lieu of sales or use or rental taxes], taxes measured by net income, excess profits taxes and similar taxes) or license fees, assessments, charges, fines or penalties hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions), all of which such impositions the Vendee assumes and agrees to pay on demand in addition to the Purchase Price of the Equipment. The Vendee will also pay promptly all impositions which may be imposed upon the Equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Vendor solely by reason of its ownership thereof (except as provided above) and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the security interest of the Vendor or result in a lien upon any part of the Equipment; provided, however, that the Vendee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal or administrative proceedings such impositions and the nonpayment thereof does not, in the rea-

sonable opinion of the Vendor, adversely affect the security interest or property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; provided, however, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor) or unless the Vendee shall have approved in writing the payment thereof.

ARTICLE 7. Maintenance; Termination; Casualty Occurrences; Optional Prepayment. The Vendee shall, at its own cost and expense, maintain and service each unit of Equipment and comply with a preventive maintenance schedule consistent with the Builder's preventive maintenance schedules and which will include testing, repair and overhaul of each unit of Equipment so that each unit of Equipment will remain (a) in as good operating condition as when delivered (ordinary wear and tear excepted), (b) in compliance with any and all applicable laws and regulations, and (c) desirable to and suitable for immediate purchase or lease and use by a Class I line-haul railroad (not then or prospectively a debtor in any insolvency or reorganization proceedings) in the event of resale or re-lease upon an event of default hereunder.

In the event that the Lessee elects to terminate the Lease with respect to any units pursuant to § 7 of the Lease (hereinafter called a Termination) or any unit of the Equipment shall be or become worn out, lost, stolen, destroyed, or, in the opinion of the Vendee or the Lessee, irreparably damaged, from any cause whatsoever, or any unit shall be taken or requisitioned by condemnation or otherwise resulting in loss of possession by the Lessee for a period of 90 consecutive days, except requisition for use by the United States Government (such occurrences being herein called Casualty Occurrences), the Vendee shall, promptly after it shall have received notice from the Lessee or has otherwise been informed of the Lessee's election to cause a Termination or that such unit has suffered a Casualty Occurrence, cause the Vendor to be fully informed in writing in regard thereto. On the Payment Date next succeeding such notice from the Lessee concerning a Casualty Occurrence or on a Termination Date (as defined in the Lease) in the case of a

Termination (each such date hereinafter called a Settlement Date), the Vendee shall, subject to the limitations contained in the tenth paragraph of Article 4 hereof, pay to the Vendor a sum equal to the Casualty Value (as hereinafter defined in this Article 7) of such unit suffering a Casualty Occurrence or subject to a Termination as of such Settlement Date. The Vendee shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit. Any money paid to the Vendor pursuant to this paragraph shall be applied (after the payment of the interest and principal on and of the CSA Indebtedness due on such date) on the date of such payment to prepay without penalty or premium ratably in accordance with the unpaid balance of each installment, the CSA Indebtedness, together with all interest accrued on the portion of the CSA Indebtedness being prepaid. The Vendee shall promptly cause to be furnished to the Vendor and the Lessee a revised schedule of payments of principal and interest thereafter to be made, in such number of counterparts as the Assignee may request, calculated as provided in Article 4 hereof. In the event of the requisition for use by the United States Government of any unit of the Equipment, all of the Vendee's obligations hereunder with respect to such unit shall continue to the same extent as if such requisition had not occurred.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence or subject to a Termination shall be deemed to be that portion of the original Purchase Price thereof remaining unpaid on the Settlement Date, after giving effect to the payment of the interest and principal on and of the CSA Indebtedness due on such date, with respect to such unit (without giving effect to any prepayment or prepayments theretofore made under this Article with respect to any other unit), plus interest accrued thereon but unpaid as of such Settlement Date. For the purpose of this paragraph, each payment of the Purchase Price made pursuant to Article 4 hereof shall be deemed to be a payment with respect to each unit of Equipment in like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of all the Equipment.

Upon payment by the Vendee to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence or of any unit subject to a Termination, absolute right to the possession of, title to and property in such unit shall pass to and vest in the Vendee, without further transfer or action on the part of the Vendor, except

that the Vendor, if requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, an appropriate instrument confirming such passage to the Vendee of all the Vendor's right, title and interest, and the release of the Vendor's security interest, in such unit, in recordable form, in order that the Vendee may make clear upon the public records the title of the Vendee to such unit.

If the Vendor shall receive any insurance proceeds or condemnation payments in respect of such units suffering a Casualty Occurrence, the Vendor shall, subject to the Vendor having received payment of the Casualty Value hereunder and provided no event of default hereunder shall have occurred and be continuing, pay such insurance proceeds or condemnation payments to the Vendee. All insurance proceeds or condemnation payments received by the Vendor in respect of any unit or units of Equipment not suffering a Casualty Occurrence shall be paid to the Vendee upon proof satisfactory to the Vendor that any damage to such unit in respect of which such proceeds were paid has been fully repaired.

The Vendee shall have the option, with the prior written consent of the Lessee, to prepay the CSA Indebtedness, or any portion thereof (any such prepayment being hereinafter called a Redemption), on any Payment Date (hereinafter called a Redemption Date) occurring on or after July 5, 1990. On such Redemption Date the Vendee shall pay to the Vendor (i) that portion of the outstanding CSA Indebtedness with respect to which the Vendee shall have given 90 days' prior written notice to the Vendor of its election to prepay, (ii) a prepayment premium equal to the product of that portion of the CSA Indebtedness being prepaid multiplied by the applicable percentage set forth in Schedule II hereto and (iii) the interest payment due on such Redemption Date on the CSA Indebtedness being prepaid.

ARTICLE 8. Reports and Inspections. On or before April 30 in each year, commencing with the year 1981, the Vendee shall cause to be furnished to the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the Equipment then subject to this Agreement, the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence during the preceding calendar year or are then undergoing repairs (other than running repairs) or then withdrawn from use pending such

repairs (other than running repairs) and setting forth such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 9 hereof have been preserved or replaced. The Vendor shall have the right, by its agents, to inspect the Equipment and the Lessee's records with respect thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 9. Marking of Equipment. The Vendee will cause each unit of the Equipment to be kept numbered and marked as provided in § 5 of the Lease. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such markings shall have been made thereon and will replace or will cause to be replaced promptly any such markings which may be removed, obliterated, defaced or destroyed. The Vendee will not permit the identifying number of any unit of the Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and filed, recorded and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded and deposited.

The Units may be lettered, "General American Transportation Corporation", "Union Refrigerator Transit Lines", "GATX", "ATLX", "HFPX", "SWTX", "TCX", "MHLX", "GDCX", "GAOX", "LAPX", "GARX", "SRLX", "URTX", "KGNX", "GACX", "IMFX", "GPBX", "GPEX", "GAEX", "UOCX", "ASHX", "PVRX", "TPBX", "GASX", "GUEX", "AROX", "GCRX", "DOWX", "GGPX", "DRGW", or in some other appropriate manner for convenience of identification of the leasehold interest of the Lessee therein, and may also be lettered, in case of a sublease of any equipment made pursuant to § 12 of the Lease, in such manner as may be appropriate for convenience of identification of the subleasehold interest therein; but the Vendee, will not allow the name of any person, firm, association or corporation to be placed on any of the units as a designation which might be interpreted as a claim of ownership thereof by the Lessee or by any person, firm, association or corporation other than the Vendee.

ARTICLE 10. Compliance with Laws and Rules. During the term of this Agreement, the Vendee will comply, and

will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all laws of the jurisdictions in which its or such lessee's or user's operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration, replacement or modification of or to any part of any unit of the Equipment, the Vendee will conform therewith at its own expense; provided, however, that the Vendee or the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the reasonable opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 11. Possession and Use. The Vendee, so long as an event of default shall not have occurred and be continuing under this Agreement, shall be entitled, from and after delivery of the Equipment by the Builder to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The parties hereto acknowledge that the Vendee simultaneously is leasing the Equipment to the Lessee as provided in the Lease, and the rights of the Lessee and its permitted assigns under the Lease shall be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement. The Lease shall not be terminated (except in accordance with its terms) or amended without the prior written consent of the Vendor. The Vendor agrees to notify the Lessee of its decision to give or withhold such consent within thirty business days or such longer reasonable period as the Vendor may deem appropriate after the Vendor shall have received in writing a request for any such amendment from the Lessee.

ARTICLE 12. Prohibition Against Liens. The Vendee will pay or discharge any and all sums claimed by any party from, through or under the Vendee or its successors or assigns which, if unpaid, might become a lien, charge or

security interest on or with respect to the Equipment, or any unit thereof, or the Vendee's interests in the Lease and the payments to be made thereunder equal or superior to the Vendor's security interest therein, and will promptly discharge any such lien, charge or security interest which arises, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

The foregoing provisions of this Article 12 shall be subject to the limitations set forth in the last paragraph of Article 4 hereof and the provisions of Article 21 hereof; provided, however, that the Vendee will pay or discharge any and all claims, liens, charges or security interests claimed by any party from, through or under the Vendee or its successors or assigns (other than the Vendor), not arising out of the transactions contemplated hereby (but including tax liens arising out of the receipt by or for the account of the Vendee of the income and proceeds from the Equipment), equal or superior to the Vendor's security interest therein, which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the Vendee's interest in the Lease and the payments to be made thereunder, but the Vendee shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement or in and to the Lease and the payments to be made thereunder.

ARTICLE 13. Indemnities and Warranties. The Vendee agrees to indemnify, protect and hold harmless the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including but not limited to counsel fees and expenses, penalties and interest, arising out of or as the result of the entering into or the performance of this Agreement, the retention by the Vendor of title to or a security interest in the Equipment, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any of the Equipment, any accident in connection with the operation, use, condition, possession, storage or return of any of the Equipment resulting in damage to property or injury or death to any person during the period when title thereto or a security interest therein remains in the Vendor or the transfer of title to the Equipment by the Vendor pursuant to any of the provisions of this Agreement; provided, however, that in the case of the Builder, the Vendee shall have no obligation under this Article 13 to indemnify, protect or hold harmless, the Builder in its capacity as Vendor hereunder for any losses, damages, injuries, liabilities, claims and demands whatsoever arising out of any tort, breach of warranty or failure to perform any covenant hereunder by the Builder. This covenant of indemnity shall continue in full force and effect notwithstanding the full payment of the indebtedness in respect of the Purchase Price of, and the release of the security interest in, the Equipment, as provided in Article 5 hereof, or the termination of this Agreement in any manner whatsoever.

The Vendee will bear the responsibility for and risk of, and shall not be released from its obligations hereunder (except as provided in Article 21 hereof) in the event of, any damage to or the destruction or loss of any unit of or all the Equipment.

The Builder represents and warrants to the Vendee that, at the time of delivery and acceptance of each unit of its Equipment under this Agreement, the Vendee will have good and marketable title to such unit, free and clear of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendor under this Agreement and the rights of the Lessee under the Lease.

The Builder represents that it is not entering into this Agreement, or entering into any assignment of this

Agreement, directly or indirectly in connection with any arrangement or understanding in any way involving any employee benefit plan (other than a governmental plan) with respect to which it is a party in interest, all within the meaning of the Employee Retirement Income Security Act of 1974.

The agreement of the parties relating to the Builder's warranty of material and workmanship and the agreement of the parties relating to patent indemnification are set forth in Items 3 and 4 of Annex A hereto.

ARTICLE 14. Assignments. The Vendee agrees that, except as provided in Article 11 hereof, it shall not assign, convey or otherwise transfer any of its right, title or interest in and to any unit of the Equipment or sell, assign or otherwise dispose of any rights under the CSA or the Lease, except that all, but not less than all, of the right, title and interest of the Vendee in and to any unit of the Equipment, the CSA or the Lease may be assigned, conveyed or transferred by the Vendee to (a) any bank or trust company organized under the laws of the United States or any State and having a combined capital and surplus of at least \$50,000,000 or (b) any corporation which is an affiliate or subsidiary, wholly owned or otherwise, of the Vendee (such institution or corporation to whom such interest may be assigned, conveyed or transferred being hereinafter referred to as the Transferee). In the event of any such assignment, conveyance or transfer, the Transferee shall assume all the obligations of the Vendee and will agree to be bound by all the terms of and will undertake all of the obligations of the Vendee contained in this Agreement, the Participation Agreement and the Lease in such manner as is satisfactory to the Vendor; and if the Transferee shall be a corporation of the type described in clause (b) above, the Vendee shall remain responsible and liable for all obligations of the Transferee. No such assignment, conveyance or transfer shall violate any provision of law or regulation or create a relationship which would be in violation thereof. Upon any such disposition by the Vendee to a Transferee as above provided, such Transferee shall be deemed the "Vendee" for all purposes hereof, and shall be deemed to have made all the payments previously made by its transferor and to have acquired all the Vendee's rights, title and interest in and to the Equipment together with its rights under the CSA and the Lease as theretofore held by its transferor; and each reference herein to the Vendee shall thereafter be deemed to include such Transferee.

If the Vendee shall propose to transfer its interests hereunder, it shall give written notice to the Vendor at least 30 days prior to such proposed transfer, specifying the name and address of the proposed Transferee, and enclosing the agreement or agreements referred to herein.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee, may be assigned by the Vendor and reassigned by any assignee at any time or from time to time. No such assignment shall subject any assignee to, or relieve the Builder from, any of the obligations of such Builder to construct and deliver its Equipment in accordance herewith or to respond to its warranties and indemnities referred to in Article 13 hereof, or relieve the Vendee of its obligations to such Builder contained in Articles 2, 3, 4, 6 and 13 hereof, Annex A hereto and this Article 14, or any other obligation which, according to its terms or context, is intended to survive an assignment.

Upon any such assignment, either the assignor or the assignee shall give written notice to the Vendee and the Lessee, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee of the notification of any such assignment, all payments thereafter to be made by the Vendee under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct.

The Vendee recognizes that this Agreement will be assigned to the Assignee as provided in the Assignment. The Vendee expressly represents, for the purpose of assurance to any person, firm or corporation considering the acquisition of this Agreement or of all or any of the rights of the Vendor hereunder, and for the purpose of inducing such acquisition, that the rights of the Assignee to the entire unpaid indebtedness in respect of the Purchase Price of the Equipment or such part thereof as may be assigned together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, set-off, counterclaim or recoupment whatsoever arising out of any breach of any obligation of the Builder with respect to the

Equipment or the manufacture, construction, delivery or warranty thereof, or with respect to any indemnity herein contained, nor subject to any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Lessee by the Builder. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Vendee or the Lessee, as the case may be, against and only against the Builder.

ARTICLE 15. Defaults. In the event that any one or more of the following events of default shall occur and be continuing, to wit:

(a) the Vendee shall fail to pay in full any sum payable by the Vendee when payment thereof shall be due hereunder (irrespective of the provisions of Article 4 or 21 hereof or any other provision of this Agreement limiting the liability of the Vendee) and such default shall continue for 10 business days after the date such payment is due and payable; or

(b) the Vendee (irrespective of the provisions of Article 4 or 21 hereof or any other provision of this Agreement limiting the liability of the Vendee) or the Lessee shall, for more than 30 days after the Vendor shall have demanded in writing performance thereof, fail or refuse to comply with any other covenant, agreement, term or provision of this Agreement, or of any agreement entered into concurrently herewith relating to the financing of the Equipment, on its part to be kept and performed or to make provision satisfactory to the Vendor for such compliance; or

(c) any proceeding shall be commenced by or against the Vendee or the Lessee for any relief which includes, or might result in, any modification of the obligations of the Vendee hereunder or of the Lessee under the Lease or the Consent under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of such obligations), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obliga-

tions of the Vendee under this Agreement or of the Lessee under the Lease and the Consent, as the case may be, shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Vendee, or the Lessee, as the case may be, or for their respective property in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced;

(d) the Vendee shall make or permit any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment and the Vendee shall, for more than 30 days after demand in writing by the Vendor, fail to secure a reassignment or retransfer to the Vendee of such Agreement, interest or right; or

(e) an Event of Default shall have occurred under the Lease; provided, however, that an Event of Default under clause (A) of § 10 of the Lease shall not be deemed to be an event of default hereunder if (1) within the 10 business-day period provided by subparagraph (a) of this Article 15, the Vendee shall make payment of all amounts in default under said subparagraph (a) hereunder, (2) there is no other event of default under this Article 15 and (3) the total number of occasions on which a default under such clause (A) has occurred since the date hereof does not exceed two;

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Vendee and the Lessee and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) subject to the proviso in the second paragraph of § 4 of the Lease relating to the Lessee's rights of possession, use and assignment under § 12 of the Lease, cause the Lease immediately upon such notice to terminate (and the Vendee acknowledges the right of the Vendor to terminate the Lease), but without affecting the indemnities which by the provisions of the Lease survive its termination; provided,

however, that such termination shall not be in derogation of or impair the rights of the Vendee to enforce compliance by the Lessee with any of its covenants and agreements under the Lease or to enforce any of its rights and remedies under § 10 of the Lease (subject to the Vendor's rights to repossess and sell the Equipment as provided herein), including the rights of the Vendor to sue for and recover damages provided for in § 10(a) of the Lease upon the occurrence of an Event of Default under the Lease, and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid CSA Indebtedness, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of the CSA Indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. Upon a Declaration of Default, subject to Article 4 hereof, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the CSA Indebtedness so payable, with interest as aforesaid, and to collect such judgment out of any property of the Vendee, subject to the provisions of Articles 4 and 21 hereof, wherever situated. The Vendee shall promptly notify the Vendor of any event of which it has knowledge which constitutes, or with the giving of notice and/or lapse of time could constitute, an event of default under this Agreement.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee and the Lessee in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Leases had been made or given. Notwithstanding the provisions of this paragraph, it is expressly understood and agreed by the Vendee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 16. Remedies. Subject to the Lessee's rights of possession, use and assignment under §§ 4 and 12 of the Lease, at any time during the continuance of a Declaration of Default, the Vendor may, and upon such further

notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by its agent or agents, immediate possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 16 expressly provided, and may remove the same from possession and use of the Vendee or any other person and for such purpose may enter upon the premises of the Vendee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee, subject to all mandatory requirements of due process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points for the delivery of the Equipment to the Vendor, the Vendee shall, at its own expense and risk:

(a) forthwith and in the usual manner (including, but not by way of limitation, causing prompt telegraphic and written notice to be given to the Association of American Railroads and all railroads to which any unit or units of the Equipment have been interchanged to return the unit or units so interchanged) cause the Equipment to be placed upon such storage tracks of the Lessee or, at the expense of the Vendee, upon any other storage tracks, as the Vendor reasonably may designate;

(b) permit the Vendor to store the Equipment on such tracks at the risk of the Vendee without charge for rent or storage until the Equipment has been sold, leased or otherwise disposed of by the Vendor; and

(c) cause the Equipment to be transported to any reasonable place on any lines of railroad or to any connecting carrier for shipment, all as directed by the Vendor.

During any storage period, the Vendee will, at its own cost and expense, insure, maintain and keep each such unit in good order and repair and will permit the inspection of the Equipment by the Vendor, the Vendor's representatives and prospective purchasers, lessees and users. This agreement to deliver the Equipment and furnish facilities as herein-

before provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee requiring specific performance hereof. The Vendee hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 16 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire CSA Indebtedness and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Lessee by telegram or registered mail, addressed as provided in Article 20 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee or for its account may be retained by the Vendor as compensation for the use of the Equipment; provided, however, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the CSA Indebtedness (without penalty or premium), together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; provided, further, that if the Vendee, the Lessee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall not have given notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 16.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee, the Lessee and any other persons to whom the law may require notice of the time and place, may sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Lessee or any other party claiming from, through or under the Vendee or the Lessee, at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; provided, however, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the CSA Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then upon receipt of such payment, expenses and fees by the Vendor, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine, so long as such sale shall be in a commercially reasonable manner. The Vendor, the Vendee or the Lessee may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. The Vendee and the Lessee shall be given written notice of such sale not less than ten days prior thereto, by telegram or registered mail addressed as provided in Article 20 hereof. If such sale shall be a private sale (which shall be deemed to mean only a sale where an advertisement for bids has not been published in a newspaper of general circulation or a sale where less than 40 railroads have been solicited in writing to submit bids), it

shall be subject to the rights of the Lessee and the Vendee to purchase or provide a purchaser, within ten days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. In the event that the Vendor shall be the purchaser of the Equipment, it shall not be accountable to the Vendee or the Lessee (except to the extent of surplus money received as hereinafter provided in this Article 16), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all or any part of sums due to the Vendor hereunder. From and after the date of any such sale, the Vendee shall pay to the Vendor an amount equal to the interest rate on the unpaid CSA Indebtedness with respect to any such unit which shall not have been assembled, as hereinabove provided, by the date of such sale for each day from the date of such sale to the date of delivery to the purchaser at such sale.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Lessee shall not otherwise alter or affect the Vendor's rights or the Vendee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand, together with interest thereon from the date of such demand to the date of payment at the rate per annum specified in Article 4 hereof as being appli-

cable to amounts remaining unpaid after becoming due and payable, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall, subject to the limitations of the last paragraph of Article 4 hereof, be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 16 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 17. Applicable State Laws. Any provision of this Agreement prohibited by any applicable law of any jurisdiction shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 18. Recording. The Vendee will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed in accordance with 49 U.S.C. § 11303; and the Vendee will from time to time do and perform any other act and will execute, acknowledge,

deliver, file, register, deposit and record (and will refile reregister, redeposit or rerecord whenever required) any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its interest in the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee will promptly furnish or cause to be furnished to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 19. Article Headings; Effect and Modification of Agreement. All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

Except for the Participation Agreement and the Assignment, this Agreement, including the Annexes hereto, exclusively and completely states the rights of the Vendor and the Vendee with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor and the Vendee.

ARTICLE 20. Notice. Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered or mailed to it by first class mail, postage prepaid, at the following addresses

(a) to the Vendee, at One Washington Mall, 16th Floor, Boston, Massachusetts 02108, Attention of Vice President, Administration, with a copy thereof to GATX Leasing Corporation at such addresses as they shall have furnished for such purpose;

(b) to the Lessee, at 120 South Riverside Plaza, Chicago, Illinois 60606, Attention of Law Department;

(c) to the Builder, at its address specified in Item 1 of Annex A hereto;

(d) to any assignee of the Vendor, or of the Vendee, at such address as may have been furnished in writing to the Vendee, or the Vendor, as the case may

be, and to the Lessee, by such assignee;

or at such other address as may have been furnished in writing by such party to the other parties to this Agreement.

ARTICLE 21. Immunities; Satisfaction of Undertakings. No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the parties hereto, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Agreement.

The obligations of the Vendee under the second and eighth paragraphs of Article 16 and under Articles 3, 6, 7 (other than the second and third sentences of the second paragraph thereof to the extent that certificates or payment schedules are required to be prepared and furnished therein), 8, 9, 10, 12 (other than the proviso to the last paragraph thereof), 13 and 18 hereof shall be deemed in all respects satisfied by the Lessee's undertakings contained in the Lease. The Vendee shall not have any responsibility for the Lessee's failure to perform such obligations, but if the same shall not be performed they shall constitute the basis for an event of default hereunder pursuant to Article 15 hereof. No waiver or amendment of the Lessee's undertakings under the Lease shall be effective unless joined in by the Vendor.

ARTICLE 22. Law Governing. The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the Commonwealth of Massachusetts; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303, such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited or in which any unit of Equipment shall be located, and any rights arising out of the marking on the units of Equipment.

ARTICLE 23. Execution. This Agreement may be executed in any number of counterparts, such counterparts

together constituting but one and the same contract, but the counterpart delivered to the Assignee pursuant to the Assignment shall be deemed the original and all other counterparts shall be deemed duplicates thereof. Although for convenience this Agreement is dated as of the date first above written, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed all as of the date first above written.

Annex A

to

Conditional Sale Agreement

- Item 1: General American Transportation Corporation, 120 South Riverside Plaza, Chicago, Illinois 60606, Attention of Law Department.
- Item 2: The Equipment shall be settled for in not more than two Groups of units of the Equipment, each Group to consist of units delivered to and accepted by the Vendee during each calendar month.
- Item 3: The Builder warrants that the Equipment built by it will be built in accordance with the Specifications and the standards and requirements set forth in Article 2 of the CSA to which this Annex is attached (hereinafter called the Agreement) and warrants that the Equipment will be free from defects in material (except as to specialties incorporated therein and workmanship with respect thereto specified by the Lessee and not manufactured by such Builder) and workmanship under normal use and service. The Builder's liability under this Item 3 is limited to repair or replacement at its plant of any part or parts of any unit of its Equipment which shall, within one year after the delivery of such unit of Equipment to the Vendee (or, in the case of patent defects, within 10 days after delivery), be returned to such Builder with transportation charges prepaid and which examination by such Builder shall disclose to its satisfaction to have been thus defective. Any unit of the Builder's Equipment repaired, replaced or altered outside of such Builder's plant, the repair, replacement or alteration of which in such Builder's judgment has adversely affected in any way the strength and performance of such unit of Equipment, is removed from this warranty. In no event shall the Builder be liable to anyone for any incidental, special or consequential damages of any kind. THE FOREGOING WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, and the Builder

neither assumes nor authorizes any person to assume for it any other liability in connection with the construction and delivery of the Equipment, except for the patent indemnification included in Item 4 hereof and as aforesaid.

The Builder further agrees with the Vendee that neither the inspection as provided in Article 3 of the Agreement, nor any examination, nor the acceptance of any units of the Equipment as provided in said Article 3 shall be deemed a waiver or a modification by the Vendee of any of its rights under this Item 3.

Item 4: Except in cases of articles or materials specified by the Lessee and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Lessee and not developed or purported to be developed by the Builder, the Builder agrees to indemnify, protect and hold harmless the Vendee and the Lessee from and against any and all liability, claims, costs, charges and expense, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendee or the Lessee, their assigns or the users of its Equipment, because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Vendee and the Lessee will give prompt notice to the Builder of any claim known to them, respectively, from which liability may be charged against the Builder hereunder. At its expense and cost, the Builder with its counsel shall defend such claim. The Vendee and the Lessee shall provide such information as they may possess reasonably to enable the Builder to defend such claim. The Builder agrees to and hereby does, to the extent legally possible without impairing any claim, right or cause of action hereinafter referred to, assign, set over and deliver to the Vendee and the Lessee every claim, right and cause of action which the Builder has or hereafter shall have against the seller or sellers of any designs, systems, processes, formulae, combinations, articles or materials specified by the Lessee and purchased or otherwise acquired by the

Builder for use in or about the construction or operation of any of its Equipment on the ground that any such design, system, process, formula, combination, article or material or operation thereof infringes or is claimed to infringe on any patent or other right. The Builder further agrees to execute and deliver to the Vendee and the Lessee or the users of its Equipment all and every such further assurance as may be reasonably requested more fully to effectuate the assignment and delivery of every such claim, right and cause of action. Such covenants of indemnity shall continue in full force and effect notwithstanding the full payment of all sums due under this Agreement, or the satisfaction, discharge or termination of this Agreement in any manner whatsoever.

Item 5: The Maximum Purchase Price referred to in Article 4 of this Agreement is \$7,708,842.90.

Item 6: The Maximum CSA Indebtedness referred to in Article 4 of this Agreement is \$4,351,991.95.

LEASE OF RAILROAD EQUIPMENT dated as of February 15, 1980, between GENERAL AMERICAN TRANSPORTATION COMPANY, a New York corporation (hereinafter called the Lessee), and NEW ENGLAND MERCHANTS LEASING CORPORATION B-7, a Massachusetts corporation (hereinafter called the Lessor).

WHEREAS the Lessor is entering into a conditional sale agreement dated as of the date hereof with General American Transportation Corporation, a New York corporation (hereinafter in such capacity called the Builder) (such agreement being hereinafter called the CSA), wherein the Builder has agreed to manufacture, sell and deliver to the Lessor the units of railroad equipment described in Schedule A hereto (hereinafter called the Equipment);

WHEREAS the Builder is assigning its interest in the CSA to The Connecticut Bank and Trust Company, a Connecticut banking corporation, acting as agent (hereinafter together with its successors and assigns called the Vendor) under a participation agreement dated as of the date hereof (hereinafter called the Participation Agreement) with the Lessee, the Lessor, the Owner Parent and the party named in Schedule A thereto;

WHEREAS the Lessee desires to lease such number of units of the Equipment as are delivered and accepted and settled for under the CSA (hereinafter called the Units) at the rentals and for the terms and upon the conditions hereinafter provided; and

WHEREAS the Lessor will assign this Lease for security to the Vendor pursuant to an Assignment of Lease and Agreement (hereinafter called the Lease Assignment) and the Lessee will consent to the Lease Assignment pursuant to a Lessee's Consent and Agreement (hereinafter called the Consent);

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions:

§ 1. Net Lease. This Lease is a net lease, and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under the CSA, or against the Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or any bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final, and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

§ 2. Delivery and Acceptance of Units. The Lessor hereby appoints the Lessee (and any employee thereof designated by the Lessee) its agent for inspection and acceptance of the Units pursuant to the CSA. The Lessor will cause each Unit to be delivered to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the CSA. Upon such delivery, the Lessee will cause an employee of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit, and the Lessee shall execute and deliver to the Lessor a certificate of acceptance (here-

inafter called the Certificate of Acceptance), in accordance with the provisions of Article 3 of the CSA, stating that such Unit has been inspected and accepted on behalf of the Lessee and the Lessor on the date of such Certificate of Acceptance and is marked in accordance with § 5 hereof, whereupon, except as provided in the next sentence hereof, such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease. The delivery, inspection and acceptance hereunder of any unit of Equipment excluded from the CSA pursuant to the first paragraph of Article 4 thereof shall be null and void and ineffective to subject such unit to this Lease. The inspection and acceptance by the Lessee of any Unit shall not in any way release any rights which the Lessee may have against the Builder thereof under any warranty relating to such Unit.

§ 3. Rentals. The Lessee agrees to pay to the Lessor, as rental for each Unit, one interim and 50 consecutive semiannual payments in advance. The interim payment is payable on July 5, 1980 (such date being hereinafter called the Basic Rent Commencement Date). The 50 semiannual payments are payable on January 5 and July 5 of each year, commencing on July 5, 1980, to and including January 5, 2005 (each of such 50 consecutive dates being hereinafter called a Rental Payment Date). The interim rental payable on the Basic Rent Commencement Date for each Unit shall be in an amount equal to the product of (a) the number of calendar days elapsed from and including the Closing Date (as defined in the CSA) for such Unit to, but not including, the Basic Rent Commencement Date, times (b) .035764% of the Purchase Price (as defined in the CSA) of such Unit. The 50 semiannual rental payments shall each be in an amount equal to the Semi-Annual Lease Factor (as hereinafter defined) of the Purchase Price of each Unit then subject to this Lease. As used herein, the term "Semi-Annual Lease Factor" means 3.966733% or such percentage as it may be adjusted pursuant hereto. The Lessee acknowledges that the semiannual rentals, Casualty Values and Termination Values have been computed without taking into account the costs and expenses that the Lessor is obligated to pay pursuant to clauses (i) through (iv) of Paragraph 11 of the Participation Agreement, and any Investment Deficiency paid pursuant to the third paragraph of Paragraph 2 of the Participation Agreement and any payments paid by the Lessor pursuant to Paragraph 8 of the Participation Agreement. At such time as the full amount of such costs, expenses and payments are known to the Lessor, the Lessee agrees that semiannual rentals, Casualty Values and

Termination Values shall be increased as may be necessary in the reasonable opinion of the Lessor so that the semiannual rentals, Casualty Values and Termination Values payable by the Lessee hereunder shall be sufficient to maintain the Lessor's after tax return on, and rate of recovery of, investment and total cash flows (computed on the same assumptions as utilized by the Lessor in originally evaluating this Lease) at the same level that would have been available to the Lessor before taking such costs, expenses and payments into account and so that the Lessor receives such costs, expenses and payments over the remaining original term of this Lease with interest at the rate of 15-1/4% per annum. Notwithstanding anything to the contrary set forth herein, the rentals and Casualty Values set forth in Schedule B hereto, and the Termination Values set forth in Schedule C hereto, shall at all times be sufficient to satisfy the obligations of the Lessor under the CSA.

If any of the rental payment dates referred to above is not a business day the semiannual rental payment otherwise payable on such date shall be payable on the next preceding business day without adjustment for interest on such payment for the intervening period. The term "business day" as used herein means a calendar day, excluding Saturdays, Sundays and any other day on which banking institutions in Boston, Massachusetts, Chicago, Illinois, Hartford, Connecticut, or New York, New York, are authorized or obligated to remain closed.

The Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease, including, but not limited to, the payments provided for in this § 3 and in § 7 hereof, at the principal office of the Vendor, for the account of the Lessor in care of the Vendor, with instructions to the Vendor first, to apply such payments to satisfy the obligations of the Lessor under the CSA, and second, so long as no event of default or event which with the lapse of time and/or demand provided for in the CSA could constitute an event of default under the CSA shall have occurred and be continuing, to pay any balance promptly to the Lessor at such place as the Lessor shall specify in writing; provided that any indemnity payable to the Lessor in its individual capacity or to the Beneficiary pursuant to § 9 hereof and taxes and indemnities payable or reimbursed to the Lessor under § 6 hereof shall be paid by check of the Lessee directly to the party to receive the same. The Lessee agrees to make each payment provided for herein as contemplated by this paragraph in immediately available funds to the Vendor by 11:00 a.m., Hartford time, on the date such payment is due.

All amounts earned in respect of the Units (including, without limitation, mileage charges) during the term of this Lease shall belong to the Lessee and, if received by the Lessor, shall be promptly turned over to the Lessee so long as no Event of Default exists hereunder.

§ 4. Term of Lease. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit hereunder and, subject to the provisions of §§ 7, 10 and 13 hereof, shall terminate on the date on which the final payment of rent in respect thereof is due pursuant to § 3 hereof. The obligations of the Lessee hereunder (including, but not limited to, the obligations under §§ 6, 7, 9, 14 and 17 hereof) shall survive the expiration of the term of this Lease.

Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Vendor under the CSA. If an event of default should occur under the CSA, the Vendor may terminate this Lease or rescind its terms, all as provided therein; provided, however, that, so long as (i) no Event of Default exists hereunder, (ii) the Lessee is complying with the provisions of the Consent and (iii) the Vendor is entitled to apply the Payments (as defined in the Lease Assignment) in accordance with the Lease Assignment, this Lease may not be terminated and the Lessee shall be entitled to the rights of possession, use and assignment under § 12 hereof.

§ 5. Identification Marks. The Lessee will cause each Unit to be kept numbered with the road number set forth in Schedule A hereto, or in the case of any Unit not there listed, such road number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one-half inch in height, the words "Ownership Subject to a Security Agreement Filed with the Interstate Commerce Commission" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Lessor's and Vendor's title to and interest in such Unit and the rights of the Lessor under this Lease and of the rights of the Vendor under the CSA. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked and will replace promptly any such markings which may be removed, obliterated, defaced or

destroyed. The Lessee will not change the road number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Lessor and duly filed, recorded and deposited by the Lessee in all public offices where this Lease and the CSA shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Vendor and the Lessor an opinion of counsel to such effect.

The Units may be lettered, "General American Transportation Corporation", "Union Refrigerator Transit Lines", "GATX", "ATLX", "HFPX", "SWTX", "TCX", "MHLX", "GDCX", "GAOX", "LAPX", "GARX", "SRLX", "URTX", "KGNX", "GACX", "IMFX", "GPBX", "GPEX", "GAEX", "UOCX", "ASHX", "PVRX", "TPBX", "GASX", "GUEX", "AROX", "GCRX", "DOWX", "GGPX", "DRGW", or in some other appropriate manner for convenience of identification of the leasehold interest of the Lessee therein, and may also be lettered, in case of a sublease of any equipment made pursuant to § 12 hereof, in such manner as may be appropriate for convenience of identification of the subleasehold interest therein; but the Lessee, during the continuance of this Lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on any of the Units as a designation which might be interpreted as a claim of ownership thereof by the Lessee or by any person, firm, association or corporation other than the Lessor.

§ 6. Taxes. All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, Federal or foreign taxes (other than any United States Federal income tax payable by the Lessor in consequence of the receipt of payments provided for herein and other than the aggregate of all state or local taxes measured by net income based on such receipts, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the CSA, all of which impositions the Lessee assumes and agrees to pay before they become delinquent in addition to the payments to be made by it

provided for herein. The Lessee will also pay before they become delinquent all impositions which may be imposed upon any Unit or for the use or operation thereof (except as provided above) or upon the earnings arising therefrom (except as provided above) or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; provided, however, that the Lessee shall not be under any obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal or administrative proceedings such impositions and the nonpayment thereof does not, in the reasonable opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or the Vendor under the CSA. The Lessee agrees to give the Lessor notice of such contest within 30 days after institution thereof, and the Lessor agrees to provide such information as may be reasonably requested by the Lessee in furtherance of such contest. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of an invoice therefor; provided, however, that the Lessor shall have given the Lessee written notice of such imposition prior to such payment.

In the event that the Lessor shall become obligated to make any payment pursuant to Article 6 of the CSA to the Builder or the Vendor or otherwise pursuant to any correlative provision of the CSA not covered by the foregoing paragraph of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said provision.

In the event any reports with regard to impositions are required to be made, the Lessee will, where permitted so to do under applicable rules or regulations, make and timely file such reports in such manner as to show the interest of the Lessor and the Vendor as shall be reasonably satisfactory to the Lessor and the Vendor or, where not so permitted, will notify the Lessor and the Vendor of such requirement and will prepare and deliver such reports to the Lessor and the Vendor within a reasonable time prior to the time such reports are to be filed in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any imposition, pursuant to this § 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

To the extent the Lessee may be prohibited by law from performing in its own name the duties required by this § 6, the Lessor hereby authorizes the Lessee to act in the Lessor's own name and on the Lessor's behalf to perform such duties; provided, however, that the Lessee shall indemnify and hold the Lessor harmless from and against any and all claims, costs, expenses, damages, losses and liabilities incurred in connection therewith as a result of, or incident to, any action by the Lessee pursuant to this authorization.

The Lessee shall, whenever reasonably requested by the Lessor, submit to the Lessor copies of returns, statements, reports, billings and remittances, or furnish other evidence satisfactory to the Lessor of the Lessee's performance of its duties under this § 6. The Lessee shall also furnish promptly upon request such data as the Lessor may reasonably require to permit the Lessor's compliance with the requirements of taxing jurisdictions.

§ 7. Maintenance; Casualty Occurrences; Insurance; Termination. The Lessee shall, at its own cost and expense, maintain and service each unit of Equipment and comply with a preventive maintenance schedule consistent with the Builder's preventive maintenance schedules and which will include testing, repair and overhaul of each unit of Equipment so that each unit of Equipment will remain (a) in as good operating condition as when delivered (ordinary wear and tear excepted), (b) in compliance with any and all applicable laws and regulations, and (c) desirable to and suitable for immediate purchase or lease and use by a Class I line-haul railroad (not then or prospectively a debtor in any insolvency or reorganization proceedings) in the event of resale or re-lease upon an Event of Default hereunder.

In the event that any Unit shall be or become worn out, lost, stolen, destroyed, or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise resulting in loss of possession by the Lessee for a period of 90 consecutive days, except requisition for use by the United States Government (such occurrences being hereinafter called Casualty Occurrences), prior to

the return of such Unit in the manner set forth in § 14 hereof, the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto. On the rental payment date next succeeding such notice the Lessee shall pay to the Lessor in lieu of the rental payment due and payable on such date an amount equal to the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with the schedule referred to below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable under the circumstances on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the proceeds of such sale (after deduction of all selling costs).

The Casualty Value of each Unit as of the payment date on which payment is to be made as aforesaid shall be an amount equal to that percentage of the Purchase Price of such Unit as is set forth in the schedule in Table 1 of Schedule B hereto opposite such date.

Whenever any Unit shall suffer a Casualty Occurrence after termination of this Lease and before such Unit shall have been returned in the manner provided in § 14 hereof, the Lessee shall promptly and fully notify the Lessor with respect thereto and pay to the Lessor an amount equal to the Casualty Value of such Unit, which shall be an amount equal to 23.97% of the Purchase Price of such Unit in the case of the original term of this Lease. In the event that the Lessee exercises its option to extend the original term of this Lease as provided in § 13 hereof, the Lessee and Lessor hereby agree to establish Casualty Values, at such time, for such extended term of this Lease. Upon the making of any such payment by the Lessee in respect of any Unit (except in the case of the loss, theft or complete destruction of such Unit), the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable under the circumstances on an "as is, where is" basis. Provided that the Lessee has previously paid the

Casualty Value to the Lessor, the Lessee shall be entitled to the proceeds of such sale (after deduction of all selling costs).

In the event of the requisition for use by the United States Government (hereinafter called the Government) of any Unit during the term of this Lease or any renewal thereof all of the Lessee's obligations under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred, except that if such Unit is returned by the Government at any time after the end of the term of this Lease or any renewal thereof, the Lessee shall be obligated to return such Unit to the Lessor pursuant to § 11 or 14 hereof, as the case may be, promptly upon such return by the Government rather than at the end of the term of this Lease or any renewal thereof, but the Lessee shall in all other respects comply with the provisions of said § 11 or § 14, as the case may be, with respect to such Unit. All payments received by the Lessor or the Lessee from the Government for the use of such Unit during the term of this Lease or any renewal thereof shall be paid over to, or retained by, the Lessee provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing; and all payments received by the Lessor or the Lessee from the Government for the use of such Unit after the term of this Lease or any renewal thereof, shall be paid over to, or retained by, the Lessor.

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times prior to the return of the Units to the Lessor, at its own expense, cause to be carried and maintained (i) property insurance in respect of the Units at the time subject hereto; and (ii) public liability insurance with respect to third party personal and property damage. The Lessee will continue to carry such insurance against such risks, in such amounts, with such deductibles and/or self-insurance, and on such terms and conditions as are satisfactory to the Lessor and the Vendor, subject to market availability, and, in any event, not less comprehensive in amounts and against risks customarily insured against by the Lessee in respect of similar equipment owned or leased by it, but in no event shall such coverage be for amounts or against risks less than the

prudent industry standard. The proceeds of any property insurance shall be payable to the Vendor and the Lessee, as their interests may appear, so long as the indebtedness, if any, evidenced by the CSA shall not have been paid in full, and thereafter to the Lessor and the Lessee as their interests may appear. Any policies of insurance carried in accordance with this paragraph shall (i) require 30 days' prior notice of cancelation or material change in coverage to the Lessor and the Vendor and (ii) name the Lessor and the Vendor as additional named insureds or loss payees, as their respective interests may appear, and, in the event such policies shall contain breach of warranty provisions, such policies shall provide that in respect of the interests of the Lessor and the Vendor in such policies the insurance shall not be invalidated by any action or inaction of the Lessee or any other person (other than the Lessor and the Vendor) and shall insure the Lessor and the Vendor regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Lessee or by any other person (other than the Lessor and the Vendor). Prior to the first date of delivery of any Unit pursuant to the CSA, and thereafter not less than 15 days prior to the expiration dates of the expiring policies theretofore delivered pursuant to this § 7, the Lessee shall deliver to the Lessor and the Vendor evidence satisfactory to them of the insurance required to be maintained pursuant to this § 7.

In the event of failure on the part of the Lessee to provide and furnish any of the aforesaid insurance, the Lessor or the Vendor, upon notice to the Lessee, may, but shall not be obligated to, procure such insurance and the Lessee shall, upon demand, reimburse the Lessor and the Vendor for all expenditures made by the Lessor or the Vendor for such insurance, together with interest thereon computed at the maximum rate of interest permitted by law, but no more than the greater of 12-7/8% or 2-1/2% over the prime interest rate being charged by New England Merchants National Bank on one-year loans to its principal corporate borrowers per annum, determined on an actual elapsed day, 365-day year, basis, from the date of the Vendor's or the Lessor's payment until reimbursed by the Lessee.

If the Lessor shall receive any insurance proceeds from insurance maintained by the Lessee pursuant hereto or condemnation payments in respect of a Unit suffering a Casualty Occurrence, the Lessor shall, subject to the Lessee having made payment of the Casualty Value in respect of such Unit, pay such proceeds or condemnation payments to the Lessee. All insurance proceeds received by the Lessor in respect of any Unit not suffering a Casualty Occurrence shall

be paid to the Lessee upon proof satisfactory to the Lessor and the Vendor that any damage to such Unit in respect of which such proceeds were paid has been fully repaired.

In the event that the Lessee shall, in its reasonable and good faith judgment, evidenced by a resolution adopted by its Board of Directors, determine that any Unit or Units have become economically obsolete or surplus in the Lessee's business (such Unit or Units hereinafter called the Termination Group), the Lessee shall have the right, at its option and on at least 180 days' prior written notice to the Lessor, to terminate (hereinafter called a Termination) this Lease as to all (but not less than all) of the Units in such Termination Group (provided, however, that such determination by the Lessee must be with respect of all but not less than all Units with the same Builder's Specifications as set forth in Annex B to the CSA) as of any succeeding rental payment date specified in such notice (the termination date specified in such notice being hereinafter called the Termination Date); provided, however, that (i) no Termination Date shall be earlier than July 5, 1987, (ii) on the Termination Date, no Event of Default or other event which with the lapse of time or notice or both would become an Event of Default shall have occurred and be continuing, (iii) on the Termination Date each Unit in such Termination Group shall be in the same condition as if being redelivered pursuant to § 14 hereof and (iv) on the Termination Date the Lessor shall have paid to the Vendor the Casualty Value (as defined in the CSA) of the Units in the Termination Group in accordance with the second paragraph of Article 7 of the CSA.

If the Lessee shall give notice of its election to terminate under the preceding paragraph, the Lessor may, by written notice to the Lessee given within 30 days after the termination notice is given to the Lessor, elect to retain the Units in the Termination Group for its own account or for sale, in which case on the Termination Date the Lessor shall pay to the Vendor a sum sufficient to pay the Casualty Value (as defined in the CSA) of the Units in the Termination Group in accordance with Article 7 of the CSA; provided, however, that the Lessor may not make such election unless it can demonstrate, to the satisfaction of the Lessee and the Vendor within said 30-day notice period, that it has made firm arrangements with a creditworthy entity to cause the Casualty Value (as defined in the CSA) of the Units in the Termination Group to be paid to the Vendor on the Termination Date.

If the Lessor shall not make the election described in the next preceding paragraph, during the period from the 90th day of the giving of the notice by the Lessee until the 35th business day preceding the Termination Date, the Lessee shall use its best efforts to obtain bids for the purchase of all Units in the Termination Group then subject to this Lease, and the Lessee shall at least 35 business days prior to the Termination Date certify to the Lessor the amount of each such bid and the name and address of the party submitting such bid (which shall not be the Lessee or a person affiliated with the Lessee or any party from whom the Lessee or any such affiliate intends thereafter to lease such Units). Unless the Lessee shall have directed that all such bids be rejected, on the 30th business day preceding the Termination Date the Lessor shall agree to sell all the Units in the Termination Group for cash, payable on such Termination Date, to the bidder which shall have submitted the highest bid prior to the 30th business day preceding the Termination Date. The net sales proceeds realized, after payments to the Vendor as provided below, shall be retained by the Lessor. On the Termination Date (a) the Lessee shall pay to the Lessor the excess, if any, of the Termination Value (as hereinafter defined) for such Units over the net sales proceeds of such Units, after the deduction of all expenses incurred in connection with such sale, and (b) the Lessor shall pay to the Vendor the Casualty Value (as defined in the CSA) of the Units in the Termination Group in accordance with Article 7 of the CSA. If the Lessee shall have directed that all bids be rejected or no sale shall occur pursuant to this paragraph, this Lease shall continue in full force and effect without change.

The Termination Value of each Unit in the Termination Group as of the Termination Date shall be that percentage of the Purchase Price of such Unit as is set forth in Schedule C hereto opposite such date, but in no event shall such amount be less than the Casualty Value (as defined in Article 7 of the CSA) as of such date.

Upon the satisfaction of the conditions set forth in the proviso to the tenth paragraph of this § 7, the obligation of the Lessee to pay rent pursuant to § 3 hereof in respect of such Unit on each rental payment date as of the Termination Date shall then terminate. The Lessor shall be under no duty to solicit bids, to inquire into the efforts of the Lessee to obtain bids or otherwise to take any action or incur any cost or expense in connection with any sale other than to transfer or to cause to be transferred all of the Lessor's right, title and interest in and to such Unit to the purchaser named in the highest bid certified by the

Lessee to the Lessor as above provided. Any such sale shall be free and clear of all of the Lessee's rights to such Unit, but otherwise shall be made without warranties other than against the Lessor's acts.

§ 8. Reports. On or before April 30 in each year, commencing with the calendar year 1981, the Lessee will furnish to the Lessor and the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the CSA, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year or are then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs (other than running repairs) and such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request and (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and markings required by § 5 hereof and by the CSA have been preserved or replaced. The Lessor and the Vendor or its designee, at its sole cost and expense, shall have the right by its agents, but not the obligation, to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Lessor may request during the continuance of this Lease.

§ 9. Disclaimer of Warranties; Compliance with Laws and Rules; Indemnification. THE LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE OR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT, EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE, it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the Builder under the provisions of Items 3 and 4 of Annex A of the CSA; provided, however, that if at

any time an Event of Default shall have occurred and be continuing, the Lessor may assert and enforce, at the Lessee's sole cost and expense, such claims and rights. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee and the Lessor that the Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects (including without limitation, with respect to the use, maintenance and operation of each Unit) with all applicable laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units, and in the event that, prior to the expiration of this Lease or any renewal hereof, such laws or rules require any alteration, replacement, addition or modification of or to any part on any Unit, the Lessee will conform therewith at its own expense, and title to any additions or improvements so made shall thereupon vest in the Lessor; provided, however, that the Lessee may at its own expense upon written notice thereof to the Lessor and the Vendor, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor under this Lease or under the CSA. The Lessee, at its own cost and expense, may furnish additions, modifications and improvements to the Units during the term of this Lease provided that such additions, modifica-

tions and improvements are readily removable without causing material damage to the Units. The additions, modifications and improvements made by the Lessee under the preceding sentence shall be owned by the Lessee, and shall be removed by the Lessee, at its expense, upon or prior to return of any Unit to the Lessor pursuant to § 11 or § 14 hereof, unless the Lessor otherwise agrees. The Lessor agrees that it will include in its gross income an amount equal to the fair market value of any improvement or addition to a Unit made by the Lessee which is not readily removable from such Unit without causing material damage to such Unit.

The Lessee agrees to indemnify, protect and hold harmless the Lessor and the Vendor from and against all losses, damages, injuries, liabilities (including, without limitation, strict liability in tort), claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of (i) the entering into or the performance of, or the occurrence of a default, an event of default or an Event of Default under, the Participation Agreement, the CSA or this Lease, (ii) the ownership of any Unit, (iii) the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, leasing, manufacturing, storage or return of any Unit, (iv) any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in § 14 of this Lease, or (v) the transfer of title to the Equipment by the Vendor pursuant to any provision of the CSA. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Lease or the expiration or termination of the term of this Lease.

The indemnities contained in this § 9 shall not extend to any loss, damage, injury, liability, claim, demand, cost, charge, or expense (a) incurred by any indemnified party which is caused by the wilful misconduct of such indemnified party, (b) incurred by the Lessor which is caused by the gross negligence of such indemnified party, (c) incurred by the Vendor which is caused by the gross negligence of such indemnified party, (d) incurred by any indemnified party resulting from acts or events with respect to any Unit which commence after such Unit has been returned to the Lessor in accordance with § 14 hereof, (e) incurred by any indemnified

party which results from any lien, charge, security interest or other encumbrance which the Lessee is not required by § 12 hereof to pay or discharge, or (f) incurred by any indemnified party which is otherwise expressly stated in § 6 or § 17 or in any of the other documents related to the transactions contemplated hereby to be borne by such indemnified party.

The Lessee will prepare and deliver to the Lessor and the Vendor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than tax returns except as required by the provisions of § 6 hereof) to be filed by the Lessor with any Federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 10. Default. If, during the continuance of this Lease, one or more of the following events (each such event being herein sometimes called an Event of Default) shall occur:

(A) default shall be made in payment of any amount provided for in §§ 3, 7 or 13 hereof, and such default shall continue for five business days;

(B) the Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or any interest herein, or of the right to possession of the Units, or any thereof;

(C) default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Participation Agreement or in the Consent, and such default shall continue for 30 days;

(D) any representation or warranty made by the Lessee herein or in the Participation Agreement or in any certificate or statement furnished to the Owner pursuant to or in connection with any such agreements proves untrue in any material respect as of the date of issuance or making thereof; or

(E) any proceedings shall be commenced by or

against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee under this Lease, the Participation Agreement or the Consent, under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease, the Participation Agreement and the Consent shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein and in the CSA provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess, sell, operate, lease to others and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever and without any duty to account to the Lessee for such action or inaction or for any proceeds arising therefrom; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to

the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee as damages for loss of a bargain and not as a penalty, whichever of the following amounts the Lessor, in its sole discretion, shall specify: (x) a sum, with respect to each Unit, equal to the excess of the present value, at the time of such termination, of the entire unpaid balance of all rental for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over the then present value of the rental which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on the basis of a 5% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated or (y) an amount equal to the excess, if any, of the Casualty Value as of the rental payment date on or next preceding the date of termination over the amount the Lessor reasonably estimates to be the sales value of such Unit at such time; provided, however, that in the event the Lessor shall have sold any Unit, the Lessor, in lieu of collecting any amounts payable to the Lessor by the Lessee pursuant to the preceding clauses (x) and (y) of this part (b) with respect to such Unit, may, if it shall so elect, demand that the Lessee pay the Lessor and the Lessee shall pay to the Lessor on the date of such sale, as liquidated damages for loss of a bargain and not as a penalty, an amount equal to the excess, if any, of the Casualty Value for such Unit, as of the rental payment date on or next preceding the date of termination over the net proceeds of such sale.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the Lessor's remedies with respect thereto, including all costs and expenses incurred in connection with the return of any Unit. It is understood,

however, that if the Lessor shall terminate this Lease pursuant to clause (b) of this § 10, the unpaid amounts due hereunder after such termination for which the Lessee shall remain liable pursuant to the next preceding sentence shall not be deemed to include any rentals described in the first paragraph of § 3 hereof other than those described in clause (b) of this § 10.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and may be exercised concurrently or consecutively, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is not, at the time in question, prohibited by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make such payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

The Lessee covenants to furnish the Vendee and the Vendor, promptly upon any responsible officer becoming aware of any condition which constituted or constitutes an Event of Default under this Lease or which, after notice or lapse of time, or both, would constitute such an Event of Default, written notice specifying such condition and the nature and status thereof. For the purposes of this paragraph, a "responsible officer" shall mean, with respect to the subject matter of any covenant, agreement or obligation of the Lessee in this Lease contained, any corporate officer of the Lessee who, in the normal performance of his operational responsibilities, would have knowledge of such matter and the requirements of this Lease with respect thereto.

§ 11. Return of Units upon Default. If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit so delivered shall be in the same operating order, repair and condition as when originally delivered to the

Lessee, reasonable wear and tear excepted, and meet the standards then in effect of the Interchange Rules of the Association of American Railroads and/or the applicable rules of any governmental agency or other organization with jurisdiction. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner (including, but not by way of limitation, giving prompt telegraphic and written notice to the Association of American Railroads and all railroads to which any Unit or Units have been interchanged to return the Unit or Units so interchanged) place such Units upon such storage tracks of the Lessee or any of its affiliates or, at the expense of the Lessee, on any other storage tracks, as the Lessor may reasonably designate;

(b) permit the Lessor to store such Units on such tracks at the risk of the Lessee without charge for insurance, rent or storage until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on any lines of railroad or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage, insurance and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will, at its own cost and expense, insure, maintain and keep the Equipment in good order and repair and will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser or lessee of any such Unit, to inspect the same. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 60 days after such termination, the Lessee shall, in addition, pay to the Lessor for each day thereafter an amount equal to the amount,

if any, by which .02204% of the Purchase Price of such Unit for each such day exceeds the actual earnings received by the Lessor on such Unit for each such day.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. Assignment; Possession and Use. This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§ 6, 7, 9 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Lessor's assigns including the Vendor, except as may be limited in any assignment thereof.

So long as no Event of Default or event of default exists hereunder or under the CSA and the Lessee shall have fully complied with the provisions of this § 12, the Lessee and any of its Affiliates (as hereinafter defined) shall be entitled to the possession and use of the Units. The Lessee shall also be entitled as long as it shall not then be in default under this Lease, to sublease the Units to, or to permit their use under the terms of car contracts by, (i) a railroad company or companies incorporated in the United States of America (or any State thereof or the District of Columbia) or Canada (or any Province thereof), upon lines of railroad owned or operated by such railroad company or companies incorporated in the United States of America (or any State thereof or the District of Columbia) or Canada (or any Province thereof), or over which such railroad company or companies have trackage rights or rights for operation of their trains, and upon connecting and other carriers in the usual interchange of traffic in the continental United States or (ii) to responsible companies other than railroad companies for use in their business, in either case only upon and subject to all the terms and conditions of this Lease; provided, however, that if the Lessee subleases or permits the use of any Unit in Canada or Mexico the Lessee shall, except as

otherwise provided in § 15 hereof, first have (a) taken all necessary action to protect the right, title and interest of the Lessor and the Vendor in the Units to be so subleased or used and (b) furnished the Lessor and the Vendor with an opinion of Canadian or Mexican counsel, as the case may be, satisfactory to the Lessor and the Vendor to the effect that such action is all that is necessary to protect the right, title and interest of the Lessor and the Vendor in such Units; provided, further, that no Unit shall be used predominantly outside the United States of America within the meaning of section 48(a) of the Internal Revenue Code of 1954, as amended to the date hereof, nor shall the Lessee sublease any Unit to, or permit its use by, any person in whose hands such Unit would not qualify as "section 38" property within the meaning of such Code.

Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled to the possession of the Units subject to such sublease and the use thereof and may, subject to § 5 hereof, mark the Units subject to such sublease for convenience of identification of the leasehold of such sublessee therein; provided, however, that every such sublease shall expressly subject the rights of the sublessee under such sublease to the rights and remedies of the Vendor under the CSA and the Lessor under this Lease in respect of the Units covered by such sublease upon the occurrence of an event of default thereunder or an Event of Default hereunder; provided, further, that every sublease shall provide that upon notice from the Vendor to any sublessor that an Event of Default (or other event which, with the lapse of time and/or demand could constitute an Event of Default) shall have occurred and be continuing under this Lease, such sublessee shall pay all rental payments under such sublease thereafter falling due to the Vendor. No such sublease shall relieve the Lessee of its obligations hereunder which shall be and remain those of a principal and not a surety.

Except as otherwise provided in this § 12, the Lessee will not assign or transfer its leasehold interest hereunder, or transfer or sublet any of the Units without the prior written consent of the Lessor and the Vendor. The Lessee shall not, without the prior written consent of the Lessor and the Vendor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of this § 12. The Lessee, at its own expense, will as soon as possible cause to be duly discharged any lien, charge, security interest or other encumbrance (except any sublease or car contract as aforesaid and other than an

encumbrance resulting from claims against the Lessor or the Vendor not related to the ownership or leasing of, or the security interest of the Vendor in, the Units) which may at any time be imposed on or with respect to any Unit including any accession thereto or the interest of the Lessor, the Beneficiary, the Vendor or the Lessee therein.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any solvent corporation (which shall have expressly assumed the obligations of the Lessee hereunder, under the Consent and under the Participation Agreement by an appropriate instrument in writing) incorporated under the laws of any state of the United States of America or the District of Columbia into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger, consolidation or acquisition be in default under any provision of this Lease.

For the purpose of this § 12, "Affiliate" shall mean any corporation which, directly or indirectly, controls or is controlled by, or is under common control with, the Lessee. For the purposes of this definition, "control (including controlled by and under common control with)", as used with respect to any corporation, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such corporation, whether through the ownership of voting securities or by contract or otherwise.

§ 13. Renewal Option; Right of First Refusal.
Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may, by written notice delivered to the Lessor not less than 180 days prior to the end of the original term of this Lease, elect to extend such original term of this Lease in respect of any of the Units then subject to this Lease for an additional five-year period commencing on the scheduled expiration of such original term of this Lease. The rental payable with respect to the extended term shall be a "Fair Market Rental". Rentals under the extended term shall be payable, in advance, in semiannual payments on the days of the months on which such rentals were payable for the Units in each year of the original term.

Fair Market Rental shall be determined on the basis

of, and shall be equal in amount to, the rental which would obtain in an arm's-length transaction between an informed and willing lessee (other than a lessee currently in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such rental. If, after 40 days from the giving of notice by the Lessee of the Lessee's election to extend the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Rental of the Units, such rental shall be determined in accordance with this appraisal procedure, the parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 20 business days after such notice is given, each party shall appoint an independent appraiser within 25 business days after such notice is given, and the two appraisers so appointed shall within 35 business days after such notice is given appoint a third independent appraiser. If no such third appraiser is appointed within 35 business days after such notice is given, either party may apply, to make such appointment, to the American Arbitration Association, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental of the Units subject to the proposed extended term within 30 days after his or their appointment. If the parties shall have appointed a single appraiser or if either party shall have failed to appoint an appraiser, the determination of Fair Market Rental of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from the other two appraisers shall be excluded, the remaining two determinations shall be averaged and such latter average shall be final and binding upon the parties hereto as the Fair Market Rental. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. The expenses of the appraisal procedure shall be borne equally by the Lessee and the Lessor.

Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, in the event the Lessor elects to sell any Units to third parties at the expiration of the original or the extended term of this Lease, the Lessee shall be given written notice of such intention prior to the expiration of such term. In the event that the Lessor shall receive, within one year after the end of such original or extended term of the Lease, a bona fide offer in writing from another party unrelated to the Lessee to purchase the Units and the Lessor elects to sell the Units pursuant to such offer at the expiration of such original or extended term of this Lease, the Lessor shall give written notice to the Lessee of such offer. Such notice shall include the price and the terms and conditions of payment offered by the other party in writing to the Lessor. The Lessee shall have the sole right and option to purchase the Units for cash at the price at which the Units are proposed to be sold or under the other terms and conditions of payment offered by the other party, as hereinafter provided. Within 10 business days of receipt of notice from the Lessor, the Lessee shall exercise such purchase right by delivery to the Lessor of a written notice specifying a date of purchase, which date shall not be later than the later of (i) 15 days after the date of delivery of such notice by the Lessee to the Lessor, or (ii) one year after the expiration of such original or extended term of this Lease. In the event that the Lessee shall have delivered a notice of its election to purchase the Units, this Lease (including the obligation to pay rent) shall be further extended upon the same terms and conditions set forth herein from the date such notice is delivered to the Lessor until the date of such purchase.

§ 14. Return of Units upon Expiration of Term. As soon as practicable but not longer than 60 days after a Termination or the expiration of the original or the extended term of this Lease with respect to any Unit, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of each Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may designate and permit the Lessor to store such Unit on such tracks for a period not exceeding three months and transport the same, at any time within such three-month period, to the nearest railroad interconnection, all as directed by the Lessor, the movement and storage of such Units to be at the expense and risk of the Lessee. During any such storage period the Lessee will, at its own cost and expense, insure, maintain and keep each Unit in good order and repair and will permit

the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee or user of such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, lessee or user, the rights of inspection granted under this sentence. Each Unit returned to the Lessor pursuant to this § 14 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, and (ii) meet the standards in effect upon the expiration of this Lease under the Interchange Rules of the Association of American Railroads and/or the applicable rules of any governmental agency or other organization with jurisdiction. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. All amounts earned after the expiration or a Termination of this Lease with respect to a Unit shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 45 days after a Termination, the Lessee shall, in addition pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which .02204% of the Purchase Price of such Unit for each such day exceeds the actual earnings received by the Lessor on such Unit for each such day.

§ 15. Recording. The Lessee, at its own expense, will cause this Lease, the CSA and any assignment hereof or thereof to be filed with the Interstate Commerce Commission in accordance with 49 U.S.C. § 11303. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the CSA and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the CSA and the assignment thereof to the Vendor; provided, however, that the Lessee shall not be required to take any such action in

respect of any jurisdiction outside the United States of America if (1) such action is unduly burdensome, (2) after giving effect to the failure to take such action, the Lessee has taken all action required by law to protect the title of the Lessor to and the security interest of the Vendor in Units having a Fair Value (as hereinafter defined) of not less than 90% of the aggregate Fair Value of all the Units then subject to this Lease, and (3) any Unit at any time located in such jurisdiction shall have been marked with the markings specified in § 5 hereof.

For the purpose of this § 15, the Fair Value of any Unit shall be deemed to be the greater of (a) the actual fair market value thereof and (b) the Cost thereof (as defined in Article 4 of the CSA) less 1/25th of such Cost for each full period of one year elapsed between the date such Unit was first placed in service and the date as of which Fair Value is to be determined.

The Lessee will promptly furnish to the Vendor and the Lessor evidence of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the CSA shall be filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303 prior to the delivery and acceptance hereunder of any Unit.

§ 16. Interest on Overdue Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount equal to interest at the rate of 12-7/8% or 2-1/2% over the prime interest rate being charged by New England Merchants National Bank on one-year loans to principal corporate borrowers per annum, determined on an actual elapsed day, 365-day year, basis, on the overdue rentals and other obligations for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

§ 17. Indemnity for Federal and Other Income Taxes. (a) In entering into this Lease it is the intention of the Lessor and the Lessee that this Lease will be recognized as a true lease for Federal, state and local income tax purposes. The Lessor and the Lessee hereby represent that, for the purposes of Federal, state and local income tax, the Lessor, as owner of the Units, will be entitled to deductions, credits and other benefits as are provided by the Internal Revenue Code of 1954, as amended (the "Code"), the

Treasury Regulations thereunder, and state and local taxing statutes to an owner of property (hereinafter called the "Tax Benefits"), including, without limitation:

(i) the maximum deductions for depreciation of the Units under section 167 of the Code (the "ADR Deductions") computed on the basis (A) that the Units will have a depreciable basis under section 167(g) of the Code at least equivalent to the Purchase Price of the Units and that the Federal corporate income tax rate in effect for 1980 will be 46%, (B) of the double-declining balance method of depreciation authorized by section 167(b)(2) of the Code, switching to the sum of the years-digits method of depreciation authorized by section 167(b)(3) of the Code without the consent of the Commissioner of Internal Revenue when most beneficial to the Beneficiary, (C) of the asset depreciation range system of Treasury Regulation Section 1.167(a)-11, (D) of an asset depreciation period of 12 years prescribed in the Asset Guideline Class No. 00.25 in accordance with Section 167(m) of the Code, (E) of a salvage value of zero after giving effect to the reduction allowed by 167(f)(1) of the Code and (F) utilizing the modified half-year convention as provided in Reg. Sec. 1.167(a) (including 12 months of depreciation in 1980);

(ii) deductions with respect to interest and premium payable on the CSA Indebtedness (as defined in the CSA) (the "Interest Deductions") for any period during which the CSA Indebtedness is held by any person other than the Lessor; and

(iii) the credit allowed by section 38 and related sections of the Code for "new section 38 property" (the "Investment Tax Credit") equal to 10% of the Purchase Price of Units.

The Lessee agrees that neither it nor any corporation controlled by it, in control of it, or under common control with it, directly or indirectly, will at any time take any action or file any returns or other documents inconsistent with the foregoing or which would increase the amount of rentals required to be taken into income by the Lessor over the amount specified to be payable under this Lease on the dates due thereunder, except as specifically provided in this Lease, and that the Lessee will file such returns, take such actions and execute such documents as may be reasonable and necessary to facilitate accomplishment of the intent hereof. The Lessee agrees to keep and make available for inspection and copying by the Lessor

such records as will enable the Lessor to determine the extent to which it is entitled to the benefit of the ADR Deduction and the Interest Deduction with respect to the Units. The Lessee agrees to cooperate with the Lessor in the event that the Lessor seeks to obtain a tax ruling from the Internal Revenue Service concerning this transaction.

The Lessee represents and warrants that (i) at the time the Lessor becomes the owner of the Units, the Units will constitute "new section 38 property" within the meaning of Sections 46 and 48 of the Code, and at the time the Lessor becomes the owner of the Units, the Units will not have been used by any person so as to preclude "the original use of such property" within the meaning of Sections 48(b) and 167(c)(2) of the Code from commencing with the Lessor; (ii) the Lessee will not at any time during the term of this Lease use or fail to use any Unit in such a way as to disqualify it as "section 38 property" within the meaning of Section 48(a) of the Code. The Lessee agrees to maintain sufficient records to verify use of the Units in the manner above provided, which records will be made available for inspection and copying to the Beneficiary within 30 days after receipt of a written demand therefor.

The Lessee represents and warrants that (i) the expected useful life of the Units is at least 33.13 years and (ii) it expects that at the end of the original and first extended term of this Lease, the Units will have a fair market value of at least 20% of the Purchase Price thereof without including in such value any increase or decrease for inflation or deflation during the term of this Lease and after subtracting from such value any cost to the Lessor for removal and delivery of possession of the Units to the Lessor at the end of the primary term of this Lease. The Lessee agrees that not later than the First Delivery Date (as defined in the Participation Agreement) it will deliver, or cause to be delivered, to the Lessor a certificate, addressed to the Lessor and to the Beneficiary, of an independent appraiser satisfactory in form and substance to the Beneficiary.

If by reason of the inaccuracy in law or in fact of any of the representations and warranties, or by reason of the inaccuracy of the useful life and fair market value expectations, set forth in this § 17(a), or any amendment enacted or adopted up through and including December 31, 1980, to the tax laws or any regulations thereunder, or the breach by the Lessee of any of its agreements hereunder or any act or omission of the Lessee (regardless of whether any such

act or omission is permitted by the terms of this Lease or required by the terms of § 9 hereof) the Lessor shall lose, or shall not have, or shall lose the right to claim, or shall suffer a disallowance of or shall be required to recapture all or any portion of the Tax Benefits with respect to all or any part of any Unit (any such loss, disallowance, recapture or treatment being hereinafter called a "Loss"), then in any such case the Lessee shall pay to the Lessor on each of the dates provided in this Lease thereafter for payment of the installments of rental thereunder commencing with the first such date following the date on which the liability of the Lessee hereunder shall become fixed as hereinafter provided, such sums which (after deduction of all taxes required to be paid by the Lessor on the payment of such sums under the laws of the United States or any political subdivision thereof or any foreign taxing authority, in each case calculated on the assumption that such tax is payable at the highest then applicable marginal tax rate), when taken together with the portion of the rental installments due on such dates under the Lease which are to be distributed to the Lessor, will, in the reasonable opinion of the Lessor, maintain the Lessor's after-tax return on and rate of recovery of investment and the total cash flows (computed on the same assumptions as utilized by the Lessor in originally evaluating this transaction) in respect of such Unit hereunder and under the Participation Agreement at the same level that would have been available if such Loss had not occurred, and the Lessee shall forthwith pay to the Lessor an amount which (after the deduction of any additional taxes required to be paid in respect of the receipt of such amount calculated on the assumption that such taxes are payable at the highest then applicable marginal tax rate) shall be equal to the amount of any interest or penalty which may be imposed in connection with such Loss. In the event that this Lease is terminated with respect to any Unit prior to the time the Lessee is obligated to make payments to the Lessor as set forth in the preceding sentence (either because no such payment obligation had become fixed under such sentence prior to such termination or because the due date of such payment or payments shall occur following such termination), then the Lessee shall pay to the Lessor, in lieu of such payment or payments, on or before 30 days after the liability of the Lessee in respect of such termination and hereunder shall become fixed as hereinafter provided, such lump sum (calculated in the same manner as set forth in the preceding sentence) as shall be necessary in the reasonable opinion of the Lessor to

maintain the Lessor's after-tax return on and rate of recovery of investment and the total cash flows (computed on the same assumptions as utilized by the Lessor in originally evaluating this transaction) in respect of such Unit hereunder and under the Participation Agreement at the same level that would have been available if such Loss had not occurred. In determining the extent to which the Lessor receives credit for any foreign tax against its Federal income tax liability, it shall be assumed that credit is received for all other foreign taxes claimed as credits for the taxable year in question before credit is received for any foreign taxes indemnified hereunder which are claimed as credits for such year.

Anything in the preceding paragraph to the contrary notwithstanding, the Lessee shall not be required to make any payment to the Lessor provided for therein if the Lessor shall have suffered any Loss with respect to all or part of any Unit as a direct result of the occurrence of any of the following events:

(i) a Casualty Occurrence with respect to such Unit, if the Lessee shall have paid to the Agent the amounts stipulated under § 7 hereof;

(ii) a voluntary transfer or other voluntary disposition by the Lessor of any of its interest in such Unit or the voluntary reduction by the Lessor of its interest in the rentals from such Unit hereunder (other than pursuant to the assignment of this Lease to the Agent), unless, in each case, an Event of Default shall have occurred and be continuing;

(iii) the failure of the Lessor to claim in a timely manner the Investment Tax Credit, the ADR Deduction or the Interest Deduction (unless the Beneficiary shall have received an opinion of its tax counsel to the effect that it is not entitled to make such claim); or

(iv) the failure of the Lessor to have sufficient liability for tax against which to credit the Investment Tax Credit or sufficient income to benefit from the ADR Deduction or the Interest Deduction, as applicable.

In the event a claim shall be made against the Lessor which, if successful, would result in payments by the Lessee hereunder and if, in the opinion of independent

tax counsel selected by the Lessee who is acceptable to such Lessor (herein referred to as Counsel), a bona fide defense to such claim exists, the Lessor shall, upon request and at the expense of the Lessee, contest such matter in such forum as the Lessee, in its sole judgment, shall select. The Lessor shall not be obligated to take any such legal or other appropriate action unless it has received an opinion from Counsel that there is a reasonable basis for contesting such matter and the Lessee shall first have indemnified the Lessor for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested. At the Lessee's option, the action to be taken can be commenced prior to making payment of any tax and interest and/or penalty attributable to such claim (a "Tax Payment") or after making such Tax Payment and then sue for a refund. If the Lessor takes such action prior to making such Tax Payment, such sums payable hereunder need not be paid by the Lessee while such action is pending; provided that the Lessee shall pay the liabilities and expenses relating to such action when and as the same shall become due. In such case, if the Final Determination shall be adverse to the Lessor, the sums payable hereunder shall be computed by the Lessor as of the date of such Final Determination, the Lessor shall notify the Lessee of such computation and the Lessee shall commence payment thereof on the rental payment date hereunder next succeeding such Final Determination and, on or before such rental payment date, the Lessee shall pay to the Lessor as an additional payment hereunder an amount which (after deduction of all taxes required to be paid by the Lessor on the payment of such sums under the laws of the United States or any political subdivision thereof or any foreign taxing authority, in each case calculated on the assumption that such tax is payable at the highest then applicable marginal tax rate) shall be equal to all interest and penalty paid by the Lessor in respect of such Final Determination, together with interest thereon from the date such payment is made by the Lessor to the date the Lessee reimburses the Lessor thereof at the rate of the greater of 12-7/8% or 2-1/2% over the prime interest rate being charged by New England Merchants National Bank on one-year loans to its principal corporate borrowers per annum, determined on an actual elapsed day, 365-day year, basis. If the Lessor makes such Tax Payment prior to contesting the matter, and then sues for a refund, the sums payable hereunder shall commence to be payable by the Lessee on the first rental payment date hereunder after the Lessor notifies the Lessee that such Tax Payment has been made and, on or before such rental payment date, the Lessee shall pay to the Lessor as an

additional payment hereunder an amount which (after deduction of all taxes required to be paid by the Lessor on the payment of such sums under the laws of the United States or any political subdivision thereof or any foreign taxing authority in each case calculated on the assumption that such tax is payable at the highest then applicable marginal tax rate), shall be equal to all interest and penalty paid by the Lessor included in such Tax Payment. If the Lessor sues for a refund after making such Tax Payment, and if the Final Determination shall be in favor of the Lessor, no future payments shall be due hereunder in respect of such matter (or an appropriate reduction shall be made if the Final Determination is partly in favor of and partly adverse to the Lessor). In addition, the Lessee and the Lessor shall adjust their accounts so that (a) the Lessor pays to the Lessee (x) an amount equal to the sums theretofore paid by the Lessee to the Lessor in respect of the Tax Payment (or a proportionate part thereof if the Final Determination is partly adverse to the Lessor) on or before such next succeeding rental payment date together with interest on the amount of such sums refunded by the United States at the interest rate currently paid on tax overpayments by the United States for the period such sums were paid to the Lessor to the date the Lessor pays to the Lessee an amount equal to such sums, and (y) the amount of any penalty or interest refunded to the Lessor as a result of such Final Determination and any interest paid to the Lessor by the Government on such refund, promptly upon receipt thereof and (b) the Lessee pays to the Lessor an amount equal to interest at the rate of the greater of 12-7/8% or 2-1/2% over the prime interest rate being charged by New England Merchants National Bank on one-year loans to its principal corporate borrowers per annum, determined on an actual elapsed day, 365-day year basis, on the amount of the tax refund made in respect of the Tax Payment (excluding any interest or penalty included therein) for the period from the date of the original payment of the Tax Payment by the Lessor to the date such tax refund is received by the Lessor. If any such claim referred to above shall be made by the Internal Revenue Service and the Lessee shall reasonably have requested the Lessor to contest such claim as above provided and shall have duly complied with all of the terms of this § 17(a), the Lessor may elect not to contest any such claim despite the request of the Lessee, made in accordance with the terms of this paragraph, or to discontinue any proceedings previously commenced as a consequence of such request, and thereupon the Lessee shall be relieved of all liability to indemnify the Lessor with respect to the Tax Benefits involved in respect of such claim.

"Final Determination" for the purpose of the preceding paragraph, means a final decision of a court of competent jurisdiction after all allowable appeals have been exhausted by either party to the action. Neither concession by the Lessor of any of the aforementioned claims in the overall settlement of a controversy with the Internal Revenue Service either at the administrative level or at the court level nor the failure to recover a refund in whole or in part with respect to such claims which failure is the result of a setoff against a claim for refund based upon such claims where the matters set off do not relate to such claims will constitute an adverse "final determination" causing the aforementioned additional payments to accrue to such Beneficiary, unless such overall settlement or setoff of a tax controversy with the Internal Revenue Service is approved by the Lessee in a separate agreement with the Lessor and the Lessee. If the Lessee does not request such Beneficiary to contest a claim, then the Lessee's liability hereunder shall become fixed when the Lessee receives notice of a Loss from the Lessor.

In the event payments shall be due the Lessor under this § 17, the Casualty Values and the Termination Values set forth in § 7 hereof shall be adjusted accordingly; provided, however, that no adjustment of such Casualty Values or Termination Values shall be made that will result in reducing either such Value below the amount of the outstanding CSA Indebtedness, in which case payments otherwise due under this § 17 shall be adjusted accordingly.

In addition to the foregoing, if by reason of any act or commission or omission (including any act required by the terms hereof), misrepresentation, breach of any agreement, covenant or warranty contained herein or in the Participation Agreement, on the part of the Lessee or any sublessee of the Lessee or of any sublessee, or if by reason of any act or omission of the Lessor or its agents following the occurrence and continuation of an Event of Default under the Lease which constitutes a proper exercise of a remedy therefor under this Lease, any payments by the Lessee under this Lease shall be characterized for Federal income tax purposes of the Lessor as gross income from sources without the United States and any part of the ADR Deductions and/or the Interest Deduction of the Lessor is required to be allocated to such gross income with the result that there is any taxable period of the Lessor negative taxable income from sources without the United States attributable to the

Units ("Foreign Source Losses") and if such Foreign Source Losses result in a reduction of the foreign tax credits which would otherwise be available to the Lessor in such taxable period in the absence of such Foreign Source Losses, the Lessee shall pay to the Lessor an amount which, after deduction of the net amount of all taxes which would be required to be paid by the Lessor in respect of the receipt of such amount under the laws of any Federal, state or local government or taxing authority in the United States or in any foreign country which has jurisdiction to tax the Lessor, shall be equal to the amount of any interest, penalties or additions to tax payable with respect thereto.

(b) In the event and to the extent that the cost of any replacement, improvement and/or addition to any Unit or any expenditure by the Lessee in respect of any Unit or this Lease (hereinafter called Additional Expenditures) made by the Lessee, under and pursuant to the terms of this Lease or otherwise, is required to be included in the gross income of the Lessor for Federal, state or local income tax purposes at any time prior to the time such Unit is disposed of in a taxable transaction, then the Lessee hereby agrees that it will pay to the Lessor on each of the dates provided in this Lease for payment of the installments of rental thereunder in respect of such Unit commencing with the first such date following the date on which such inclusion is required, such sums (on account of taxes and related interest and penalties) which (after deduction of all taxes required to be paid by the Lessor with respect to the receipt thereof under the laws of the United States or any political subdivision thereof at the highest marginal corporate rates), when taken together with the rental installments due on such dates hereunder in respect of such Unit, will, in the reasonable opinion of the Lessor, maintain the Lessor's after-tax return on and rate of recovery of investment and the annual net cash flows (computed on the same assumptions as utilized by the Lessor in originally evaluating this transaction) in respect of such Unit hereunder and under the Participation Agreement at the same level that would have been available if the cost or value of such Additional Expenditures had not been treated as income to the Lessor.

(c) For purposes of this § 17, the term "Lessor" shall include any affiliated group of which the Lessor is a member if consolidated, joint, or combined returns are filed for such affiliated group for Federal, state or local income

tax purposes. For the purposes of this § 17, the term "penalty" or "penalties" shall mean only a penalty or penalties no part of which would have been imposed but for this Lease.

(d) All payments provided to be made to the Lessor by the Lessee pursuant to this § 17 shall be made by wire transfer of immediately available funds to such bank in the continental United States for the account of the Lessor as the Lessor from time to time shall have directed the Lessee in writing.

(e) All the rights and privileges of the Lessor arising from the indemnities contained in this § 17 shall survive the expiration or other termination of this Lease and such indemnities are expressly made for the benefit of and shall be enforceable by the Lessor, its successors and assigns.

§ 18. Notices. Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when mailed, first class, postage prepaid, addressed as follows:

(a) if to the Lessor, at One Washington Mall, 16th Floor, Boston, Massachusetts 02108, Attention of Vice President, Administration, with a copy to GATX Leasing Corporation at such address as it shall have furnished for such purpose;

(b) if to the Lessee, at 120 South Riverside Plaza, Chicago, Illinois 60606, Attention of Law Department;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing. Copies of each such notice shall be given to the Vendor at One Constitution Plaza, Hartford, Connecticut 06115, Attention of Corporate Trust Department, with a copy to the Investor at its address set forth in Schedule A to the Participation Agreement.

§ 19. Severability; Effect and Modification of Lease. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability

in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Except for the Participation Agreement and the exhibits thereto, this Lease exclusively and completely states the rights and obligations of the Lessor and the Lessee with respect to the leasing of the Units and supercedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Lessor and the Lessee.

The Lessee shall be liable for all reasonable attorneys' fees and other costs and expenses incurred in connection with any amendments, supplements and waivers with respect to this Lease.

§ 20. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor pursuant to the Assignment hereof to the Vendor shall be deemed to be the original, and all other counterparts shall be deemed duplicates thereof. Although for convenience this Lease is dated as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 21. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303, such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Lease or any assignment hereof shall be filed, recorded or deposited or in which any Unit of Equipment shall be located, and any rights arising out of the marking on the Units of Equipment.

§ 22. No Guarantee of CSA Indebtedness or Residual Value. Nothing in this Agreement is intended or shall be construed to constitute a guarantee by the Lessee of the CSA Indebtedness of the Vendee under the CSA or a guarantee of the residual value of any Unit.

§ 23. Immunities; No Recourse. No recourse shall be had in respect of any obligation due under this Lease, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the parties hereto, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Lease.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.

ANNEX D
TO
Conditional Sale Agreement

ASSIGNMENT OF LEASE AND AGREEMENT
dated as of February 15, 1980 (hereinafter
called this Assignment), by and between NEW
ENGLAND MERCHANTS LEASING CORPORATION B-7
(hereinafter called the Lessor or the Vendee)
and THE CONNECTICUT BANK AND TRUST COMPANY, as
Agent (hereinafter called the Vendor) under a
Participation Agreement dated as of the date
hereof.

WHEREAS the Vendee is entering into a conditional sale agreement dated as of the date hereof (hereinafter called the CSA) with General American Transportation Corporation (hereinafter in such capacity called the Builder), providing for the sale to the Vendee of such units of railroad equipment (hereinafter called the Units) described in the Annex thereto as are delivered to and accepted by the Vendee thereunder;

WHEREAS the Lessor and General American Transportation Company (hereinafter in such capacity called the Lessee) have entered into a Lease of Railroad Equipment dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units; and

WHEREAS, in order to provide security for the obligations of the Lessor under the CSA and as an inducement to the Vendor to invest in the CSA Indebtedness (as that term is defined in the CSA), the Lessor agrees to assign to the Vendor for security purposes the Lessor's rights in, to and under the Lease;

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. The Lessor hereby assigns, transfers and sets over unto the Vendor, as collateral security for the payment and performance of the obligations of the Lessor as Vendee under the CSA, all the Lessor's right, title and interest, powers, privileges, and other benefits under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or

receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the Payments), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease; provided, however, that the term Payments as used herein shall not be deemed to include (i) payments made by the Lessee to the Lessor pursuant to §§ 6 and 9 of the Lease (except indemnification payments intended to satisfy the obligations of the Lessor to indemnify the Vendor pursuant to Article 6 of the CSA or the obligation of the Lessee to indemnify The Connecticut Bank and Trust Company in its capacity as assignee of the Lease and except to the extent that the Lessor is obligated to pay and discharge claims, liens, charges or security interests under Paragraph 6 of this Assignment) and (ii) any indemnity payable to or receivable by the Lessor pursuant to § 17 of the Lease, and such amounts shall be paid directly to the party to receive the same. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or in the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all Payments to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to the Lease. To the extent received, the Vendor will apply such Payments to satisfy the obligations of the Lessor under the CSA, and, so long as no event of default shall have occurred and be continuing under the CSA, any balance shall be paid to the Lessor on the same date such Payment is applied to satisfy such obligations of the Lessor, by check mailed to the Lessor on such date or, upon written request of the Lessor, by bank wire to the Lessor at such address as may be specified to the Vendor in writing, and such balance shall be retained by the Lessor. If the Vendor shall not receive any rental payment under the first paragraph of § 3 of the Lease when due, the Vendor shall forthwith notify the Lessor by telephone (confirmed in writing) or telegraph at the address set forth in the Lease; provided, however, that the failure of the Vendor so to notify the Lessor shall not affect

the obligations of the Lessor hereunder or under the CSA.

2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify the liability of the Lessor under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor.

3. The Lessor will faithfully abide by, perform and discharge each and every obligation, covenant and agreement which the Lease provides is to be performed by the Lessor; without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease, and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void.

4. The Lessor does hereby constitute the Vendor the Lessor's true and lawful attorney, irrevocably, with full power (in the name of the Lessor, or otherwise), to ask, require, demand, receive and give acquittance for any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which to the Vendor may seem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all sums due from the Lessor under the CSA, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Lessor.

6. The Lessor will pay and discharge any and all

claims, liens, charges or security interests (other than those created by the CSA) on the Lease or the rentals or other payments due or to become due thereunder claimed by any party from, through or under the Lessor, or its successors and assigns (other than the Vendor), not arising out of the transactions contemplated by the CSA or the Lease (but including tax liens arising out of the receipt by or for the account of the Lessor of the income and proceeds from the Units) which, if unpaid, might become a claim, lien, charge or security interest on or with respect to the Lease or such rentals or other payments equal or superior to the Vendor's interest therein, unless the Lessor shall be contesting the same in good faith by appropriate proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect such interests of the Vendor.

7. The Lessor will, from time to time, execute, acknowledge and deliver any and all further instruments required by law or as reasonably requested by the Vendor in order to confirm or further assure, the interest of the Vendor hereunder.

8. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder.

9. The terms of this Assignment and all rights and obligations hereunder shall be governed by the laws of the Commonwealth of Massachusetts; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303, such additional rights arising out of the filing, recording or deposit hereof, if any, as shall be conferred by the laws of the several jurisdictions in which this Assignment hereof shall be filed, recorded or deposited or in which any Unit of equipment shall be located, and any rights arising out of the marking on the Units of Equipment.

10. The Lessor shall cause copies of all notices received in connection with the Lease and all payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Article 20 of the CSA, or at such other

address as the Vendor shall designate.

11. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no Event of Default under the Lease or event of default under the CSA has occurred and is continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Lessor to the Vendor by this Assignment, except the right to receive and apply the Payments as provided in Paragraph 1 hereof, and that, subject to the terms of the Lease and the CSA, the Lessor may, so long as no event of default under the CSA or Event of Default under the Lease has occurred and is continuing, exercise or enforce, or seek to exercise or enforce or avail itself of, such rights, powers, privileges, authorizations or benefits.

12. Notwithstanding any other provision of this Assignment (including, but not limited to, any provision of the first paragraph of Paragraph 1 and Paragraph 3 hereof) (a) the terms of this Assignment shall not impose any obligations on the Lessor in addition to the obligations of the Lessor under the Lease or under the CSA or in any way limit the effect of the last paragraph of Article 4 of the CSA, Article 21 of the CSA or § 23 of the Lease and (b) so long as there is no event of default under the CSA, and to the extent that the Vendor does not seek to receive and collect any Payments under the Lease required to discharge the obligations of the Lessor under the CSA, the terms of this Assignment shall not limit or in any way affect the Lessor's right to receive and collect any Payments under the Lease in excess of amounts required to discharge the obligations of the Lessor under the CSA, or empower the Vendor in any way to waive or release the Lessee's obligation to pay such excess amounts, and the Lessor shall continue to be empowered to ask, demand, sue for, collect and receive any and all of such excess amounts, but shall not take any action under subparagraph (b) of § 10 of the Lease without the written consent of the Vendor.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their

respective corporate seals to be affixed and duly attested,
all as of the date first above written.
