LEASE AMENDMENT AND MODIFICATION AGREEMENT

INTERSTATE COMMERCE COMMISSION

DATE: July 31, 1981

PARTIES: Rorelease Inc, a Washington corporation ("RAILEASE"), BRAE Corporation, a Delaware corporation ("BRAE"), and Willamina and Grand Ronde Railroad Company, a California corporation ("Lessee").

RECITALS:

- A. BRAE and Lessee entered into a Lease Agreement dated as of October 9, 1979, which, together with any Riders concluded heretofore, will be herein referred to as the "Lease".
- B. Pursuant to a Lease Assignment, Assumption and Supplement Agreement dated as of October 1, 1980, between BRAE, RAILEASE and Lessee, BRAE assigned all its right, title and interest in the Lease to RAILEASE.
- C. The Parties desire to amend and modify the terms of the Lease as follows:

AGREEMENTS:

- 1. The terms used in this Agreement which are defined in the Lease shall have the same meanings herein as specified therein, except when specifically redefined.
- 2. Notwithstanding the terms of the Lease, RAILEASE and Lessee agree that Lessee shall not be entitled to claim the benefits of any available investment tax credit for federal income tax purposes in connection with the acquisition of the Cars bearing the identifying numbers WGRR 2000 through WGRR 2099 set forth on Equipment Schedules No. 1 and No. 2 to the Lease, and Lessee hereby releases any claim and waives all rights which Lessee may have to any such investment tax credits with respect to any such Car.
- 3. The Lease is hereby amended by the deletion, in its entirety, of Rider No. 2 to the Lease, in which is set forth Sections 6A(VII) through 6A(X) of the Lease.
- 4. Notwithstanding the terms of the Lease, the Parties agree that Utilization shall be determined separately with reference to the Cars bearing the identifying numbers WGRR 2000 through WGRR 2024 set forth on Equipment Schedule No. 1 to the Lease (the "Primary Cars"), and with reference to the Cars bearing the identifying numbers WGRR 2025 through WGRR 2099 set forth on Equipment Schedules No. 1 and No. 2 to

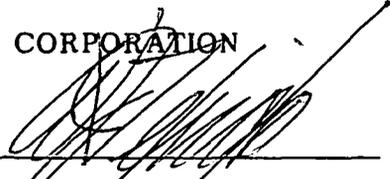

the Lease (the "Secondary Cars").

5. Notwithstanding the terms of the Lease, the Parties agree that the rental provisions set forth in Section 6 of the Lease shall apply to only the Primary Cars; and that RAILEASE shall receive all payments made to Lessee by other railroad companies for their use or handling of the Secondary Cars and the Terminated Secondary Cars (as that term is hereinbelow defined), including but not limited to mileage charges and car hire payments, regardless of the Utilization levels of the Secondary Cars and the Terminated Secondary Cars.
  
6. Notwithstanding the terms of the Lease, the Parties agree that, upon execution of this Agreement by all Parties, the Lease will be terminated with respect to the Secondary Cars bearing the identifying numbers WGRR 2050 through WGRR 2099, and that on November 30, 1981 the Lease will be terminated with respect to the Secondary Cars bearing the identifying numbers WGRR 2025 through WGRR 2049. The Parties further agree that RAILEASE may, at its option at any time throughout the term of the Lease, and upon not less than 24 hours prior written notice to Lessee, terminate the Lease with respect to any or all of the Primary Cars or Secondary Cars. Any and all such Primary Cars or Secondary Cars terminated as herein provided shall hereinafter be referred to as "Terminated Primary Cars" or "Terminated Secondary Cars," as the case may be.
  
7. If RAILEASE shall, within one year from the date hereof, terminate the Lease with respect to any Primary Car Lessee shall, upon request by RAILEASE, store any and all such Terminated Primary Cars without charge on its railroad tracks for RAILEASE, or the subsequent lessee of any such Car, for a period of up to one year from the date on which such Car was terminated. Lessee shall also, upon request by RAILEASE, store any and all Terminated Secondary Cars without charge, on its railroad tracks for RAILEASE, or the subsequent lessee of any such Car, for a period of up to one year from the date on which such Car was terminated. At all times during any such storage period Lessee shall bear all risk of loss and damage, and be responsible for all liability to third parties, with respect to any of the Terminated Secondary Cars bearing the identifying numbers WGRR 2025 through WGRR 2049 being so stored. Lessee shall also bear all risk of loss and damage, and be responsible for all liability to third parties, with respect to any Terminated Primary Car being so stored, if RAILEASE terminated any such Primary Car from the Lease pursuant to any default by Lessee under the Lease. Lessee shall protect against all such risks and responsibilities by continuing to maintain insurance in the same manner as provided in the Lease. RAILEASE shall bear all risk of loss and damage, and be responsible for all liability to third parties, with respect to any of the Terminated Secondary Cars bearing identifying numbers WGRR 2050 through WGRR 2099 being so stored, and with respect to all Terminated Primary Cars being so stored, if such Primary Cars were not terminated from the Lease by RAILEASE pursuant to any default by Lessee under the Lease.

8. Notwithstanding the terms of the Lease, the Parties agree that Lessee shall grant preference, as provided in Section 3 of the Lease to all of the Cars which have not been terminated from the Lease provided, however, that Lessee shall load the Primary Cars prior to loading any Secondary Cars.
  
9. Notwithstanding the terms of the Lease, Lessee shall not be liable to RAILEASE for any costs or expenses incurred by RAILEASE at any time with respect to any of the Cars for painting and placing thereon the markings and name or other insignia of RAILEASE'S subsequent Lessee, provided, however, that if RAILEASE terminates the Lease with respect to any Primary Car pursuant to any default by Lessee under the Lease, Lessee shall be liable to RAILEASE for any costs or expenses incurred by RAILEASE at any time with respect to any such Primary Car for painting and placing thereon the markings and name or other insignia of RAILEASE's subsequent Lessee, at a cost not to exceed \$750 per Car.
  
10. Lessee hereby agrees that, at any time during which any Car is being stored pursuant to paragraph 7 hereof, Lessee shall, upon written request by RAILEASE, use best efforts to load any Car terminated from the Lease toward the destination specified by RAILEASE in such request.
  
11. The Parties agree that so long as Lessee shall have on lease any of the Cars, if Lessee proposes to lease additional cars substantially similar to the Cars from any other party, Lessee shall give RAILEASE at least 15 days prior written notice of its desire to lease such additional cars, and such notice shall specify the identity of such other party, and all the terms and conditions of such proposed lease. RAILEASE shall then have the opportunity to procure and lease to Lessee, at terms no less favorable to Lessee than those specified in such notice, all such additional cars up to and including that number of additional cars which would be equal in number to the number of Terminated Secondary Cars. If RAILEASE elects not to lease such additional cars to Lessee, Lessee may enter into a lease with such other party upon the terms and conditions specified in such notice. If Lessee does not enter into a lease with such other party upon the terms and conditions specified in such notice, Lessee must give notice to RAILEASE, as herein provided, of any subsequent lease Lessee proposes to enter into with the same or any other party for cars substantially similar to the Cars, and RAILEASE shall have the right to lease such additional cars to Lessee as provided herein.
  
12. Except as set forth herein, the Lease shall remain in full force and effect in accordance with its terms.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and it shall not be necessary in making proof of this Agreement to produce or account for more than one such counterpart.

IN WITNESS WHEREOF, the parties have executed this Agreement the day and year first above written.

BRAE CORPORATION

LEASE AGREEMENT

LEASE AGREEMENT, made as of this 9 day of OCTOBER, 1979, between BRAE CORPORATION, a Delaware corporation, Three Embarcadero Center, San Francisco, California 94111 ("BRAE"), as Lessor, and WILLAMINA & GRAND RONDE RAILROAD COMPANY, a California corporation, PO. Box 5724 San Bernardino, Calif. 92412

(address of Lessee)

("Lessee"), as Lessee.

1. Scope of Agreement

A. BRAE agrees to lease to Lessee, and Lessee agrees to lease from BRAE, freight cars as set forth in any lease schedules executed by the parties concurrently herewith or hereafter and made a part of this Agreement. The word "Schedule" as used herein includes the Schedule or Schedules executed herewith and any additional Schedules and amendments thereto, each of which when signed by both parties shall be a part of this Agreement. The scheduled items of equipment are hereinafter called collectively the "Cars."

B. It is the intent of the parties to this Agreement that BRAE shall at all times be and remain the lessor of the Cars. Lessee agrees that it will at no time take any action or file any document which is inconsistent with the foregoing intent and that it will take such action and execute such documents as may be necessary to accomplish this intent.

2. Term

A. This Agreement shall remain in full force until it shall have been terminated as to all of the Cars as provided herein. The lease pursuant to this Agreement with respect to each Car shall commence when such Car has been delivered, as provided in Section 3A hereof, and shall continue until fifteen (15) years (the "initial lease term") have expired from the actual date of delivery, as provided in Section 3A hereof, for the last of the Cars described on the Schedule on which such Car is described.

B. If this Agreement has not been earlier terminated and no default has occurred and is continuing, it shall automatically be extended for not more than five consecutive periods of twelve months each (the "extended lease term") with respect to all of the

~~Date 10/8/79~~  
[Handwritten signatures]

Cars described on each Schedule, provided, however, that BRAE or Lessee may terminate this Agreement at the expiration of the initial or any extended lease term as to all, but not fewer than all, of the Cars on any Schedule by written notice delivered to the other not less than twelve months prior to the end of the initial or such extended lease term, as the case may be.

### 3. Supply Provisions

A. BRAE will inspect each of the Cars tendered by the manufacturer for delivery to Lessee. Prior to such inspection, however, Lessee shall confirm in writing to BRAE that the sample Car which will be made available for Lessee's inspection prior to the commencement of deliveries conforms to the specifications of the equipment agreed to by Lessee. Upon such approval by Lessee and BRAE's determination that the Car conforms to the specifications ordered by BRAE and to all applicable governmental regulatory specifications, and if this Agreement has not then been terminated, BRAE will accept delivery thereof at the manufacturer's facility and shall notify Lessee in writing of such acceptance. Each of the Cars shall be deemed delivered to Lessee upon acceptance by BRAE. The Cars shall be moved to Lessee's railroad line at no cost to Lessee as soon after acceptance of delivery by BRAE as is consistent with mutual convenience and economy. Due to the nature of the railroad operations in the United States, BRAE can neither control nor determine when the Cars leased hereunder will actually be available to Lessee for its use on its railroad tracks. Notwithstanding that Lessee may not have immediate physical possession of a Car, the lease hereunder with respect thereto shall commence and Lessee shall pay to BRAE the rent for such Car set forth in this Agreement, all upon acceptance of such Car by BRAE from the manufacturer. To move the Cars to Lessee's railroad line and insure optimal use of the Cars after the first loading of freight for each Car on the railroad line of Lessee (the "initial loading"), BRAE agrees to assist Lessee in monitoring Car movements and, when deemed necessary by Lessee and BRAE, to issue movement orders with respect to such Cars to other railroad lines in accordance with ICC and AAR interchange agreements and rules.

B. Lessee agrees that so long as it shall have on lease any Cars, it shall not lease freight cars from any other party until it shall have received all of the Cars on the Schedule or Schedules. Lessee shall give preference to BRAE and shall load the Cars leased from BRAE prior to loading substantially similar freight cars leased from other parties or purchased by Lessee subsequent to the date of this Agreement or interchanged with railroads; provided, however, that this shall in no event prevent or prohibit Lessee from fulfilling its obligations to provide transportation and facilities upon reasonable request therefor to shippers on its railroad tracks.

C. Additional Cars may be leased from BRAE by Lessee only upon the mutual agreement of the parties hereto. Such additional Cars shall be identified in Schedules to this Agreement and shall benefit from and be subject to this Agreement upon execution of the Schedules by BRAE and Lessee. Notwithstanding the execution of any Schedules, including Schedules for additional Cars, the delivery

of any Car to Lessee shall be subject to manufacturer's delivery schedules, the availability of financing on terms satisfactory to BRAE and the mutual acknowledgement of the parties that the addition of such Cars is not likely to reduce Utilization (as defined in Section 6A hereof) of all Cars on lease to Lessee to less than 87.5 per cent in any calendar quarter. If, due to any of the factors listed in the preceding sentence, fewer than all of the Cars listed on a Schedule shall be delivered to Lessee, the initial lease term shall terminate fifteen (15) years from the delivery date for the final Car actually delivered, as provided in Section 3A hereof.

#### 4. Railroad Markings and Record Keeping

A. BRAE and Lessee agree that on or before delivery of any Cars to Lessee, such Cars will be lettered with the railroad markings of Lessee and may also be marked with the name and/or other insignia used by Lessee. BRAE and Lessee further agree that any Car may also be marked with the name of BRAE and any other information required by an owner or secured party under a financing agreement entered into by BRAE in connection with the acquisition of such Car. All such names, insignia and other information shall comply with all applicable regulations.

B. At no cost to Lessee, BRAE shall during the term of this Agreement prepare for Lessee's signature and filing all documents relating to the registration, maintenance and record keeping functions involving the Cars. Such documents shall include but shall not be limited to the following: (i) appropriate AAR documents including an application for relief from AAR Car Service Rules 1 and 2; (ii) registration in the Official Railway Equipment Register and the Universal Machine Language Equipment Register; and (iii) such reports as may be required from time to time by the ICC and/or other regulatory agencies.

C. Each Car leased hereunder shall be registered at no cost to Lessee in the Official Railway Equipment Register and the Universal Machine Language Equipment Register. BRAE shall, on behalf of Lessee, perform all record keeping functions related to the use of the Cars by Lessee and other railroads in accordance with AAR railroad interchange agreements and rules, such as car hire reconciliation. Correspondence from railroads using such Cars shall be addressed to Lessee at such address as BRAE shall select.

D. All record keeping performed by BRAE hereunder and a record of all payments, charges and correspondence related to the Cars shall be separately recorded and maintained by BRAE in a form suitable for reasonable inspection by Lessee from time to time during BRAE's regular business hours. Lessee shall supply BRAE with such reports, including daily telephone reports of the number of Cars on Lessee's tracks, regarding the use of the Cars by Lessee on its railroad line as BRAE may reasonably request.

## 5. Maintenance, Taxes and Insurance

A. Except as otherwise provided herein, BRAE will pay all costs, expenses, fees and charges incurred in connection with the use and operation of each of the Cars during its initial lease term and any extended lease term, including but not limited to repairs, maintenance and servicing, unless the same was occasioned by the fault of Lessee. Lessee shall inspect all Cars interchanged to it to insure that such Cars are in good working order and condition and shall be liable to BRAE for any repairs required for damage not noted at the time of interchange. Lessee hereby transfers and assigns to BRAE all of its right, title and interest in any warranty in respect of the Cars. All claims or actions on any warranty so assigned shall be made and prosecuted by BRAE at its sole expense and Lessee shall have no obligation to make any claim on such warranty. Any recovery under such warranty shall be payable solely to BRAE.

B. Except as provided in Section 5A hereof, BRAE shall make or cause to be made such inspections of, and maintenance and repairs to, the Cars as may be required. Upon request of BRAE, Lessee shall perform any necessary maintenance and repairs to Cars on Lessee's railroad tracks as may be reasonably requested by BRAE. BRAE shall also make, at its expense, all alterations, modifications or replacement of parts as shall be necessary to maintain the Cars in good operating condition throughout the term of the lease of such Cars. Lessee may make running repairs, at BRAE's expense, to facilitate continued immediate use of a Car, but shall not otherwise make any repairs, alterations, improvements or additions to the Cars without BRAE's prior written consent. If Lessee makes an alteration, improvement or addition to any capital car without BRAE's prior written consent, Lessee shall be liable to BRAE for any revenues lost due to such alteration. Title to any such alteration, improvement or addition shall be and remain with BRAE (or its assignee).

C. Lessee will at all times while this Agreement is in effect be responsible for the Cars while on Lessee's railroad tracks in the same manner that Lessee is responsible under Rule 7 of the AAR Car Service and Car Hire Agreement Code of Car Service Rules - Freight for freight cars not owned by Lessee on Lessee's railroad tracks. Lessee shall protect against the consequences of an event of loss involving the Cars while on Lessee's railroad tracks by obtaining insurance. Lessee shall also maintain bodily injury and property damage liability insurance. Lessee shall furnish to BRAE concurrently with the execution hereof and thereafter at intervals of not more than 12 calendar months certificates of insurance with respect to such insurance signed by an independent insurance broker. All insurance shall be taken out in the name of Lessee and BRAE (or its assignee) as their interests may appear.

D. Lessee agrees to pay all taxes, assessments and other governmental charges of whatsoever kind or character paid by Lessee relating to each Car and on the lease, delivery or operation thereof which may remain unpaid as of the date of delivery of such Car to Lessee or which may be accrued, levied, assessed or imposed during the lease term, except taxes on income imposed on Lessee and sales or use taxes imposed on the mileage charges and/or car hire revenues. BRAE shall forward to Lessee all sales and use tax payments received by it on behalf of Lessee. BRAE and Lessee will comply with all state and local laws requiring the filing of ad valorem tax returns on the Cars. BRAE shall review all applicable tax returns prior to filing.

## 6. Lease Rental

A. Lessee agrees, subject to Section 6D hereof, to pay the following rent to BRAE for the use of the Cars:

(i) BRAE shall receive all payments made to Lessee by other railroad companies for their use or handling of the Cars, including but not limited to mileage charges, straight car hire payments and incentive car hire payments (all of which payments made to Lessee are hereinafter collectively referred to as "payments") if the Utilization of all of the Cars delivered to Lessee on an aggregate basis for each calendar year shall be equal to or less than 90 per cent. For the purpose of determining Utilization, "Car Hour" shall mean one hour during which one Car is on lease hereunder, commencing on the initial loading of such Car. For the purpose of this Agreement, "Utilization" shall mean with respect to any period a fraction the numerator of which is (x) the aggregate number of Car Hours for which payments are earned by the Lessee during such period, and the denominator of which is (y) the aggregate number of Car Hours during such period. In addition, BRAE will receive, as additional rental, all monies earned by the Cars prior to their initial loading.

(ii) In the event Utilization exceeds 90 per cent in any calendar year, BRAE shall receive an amount equal to the BRAE Base Rental. For the purpose hereof, BRAE Base Rental shall be an amount equal to the total straight car hire payments for the calendar year multiplied by a fraction, the numerator of which is 90 per cent and the denominator of which is the Utilization for such calendar year. (The above determination of BRAE Base Rental insures that Lessee will, if Utilization is greater than 90 per cent in any calendar year, receive ~~of~~ all the straight car hire payments made by other railroads for use or handling of the Cars in excess of the BRAE Base Rental.)

(iii) In the event that the average daily mileage for all Cars during any calendar year exceeds 80 miles per day, all mileage payments in excess of 80 miles per day will be paid to Lessee and all mileage payments up to and including 80 miles per day will be paid as rent to BRAE.

(iv) If BRAE pays other railroads to move Cars in accordance with Section 3A hereof, except for any payments incurred to deliver such Cars to Lessee's railroad line, Lessee shall reimburse BRAE for such payments, but only from and out of the monies received by Lessee pursuant to Subsection 6A(ii) hereof.

(v) The rental charges payable to BRAE by Lessee shall be paid from the payments received by the Lessee in the following order until BRAE receives the amounts due it pursuant to this Section 6A: (1) incentive car hire payments; (2) straight car hire payments; (3) mileage charges and (4) other.

(vi) In the event damage beyond repair or destruction of a Car has been reported in accordance with Rule 7 of the AAR Car Service and Car Hire Agreement Code of Car Hire Rules - Freight and the appropriate amount due as a result thereof is received by BRAE, the damaged or destroyed Car will be removed from the coverage of this Agreement as of the date that car hire payments ceased.

B. The calculations required above shall be made within five months after the end of each calendar year. However, to enable BRAE to meet its financial commitments, BRAE may, prior to such calculations, retain the payments received by it on behalf of Lessee. Further, since the parties desire to determine on a quarterly basis the approximate amount of the rental charges due BRAE, BRAE shall within three months after the end of each calendar quarter, calculate on a quarterly basis rather than a yearly basis the amount due it pursuant to this Section 6. Any amounts payable pursuant to the preceding sentence shall be paid promptly following such calculation, provided, however, that following the yearly calculation, any amount paid to either party in excess of the amounts required by the yearly calculation shall be promptly refunded to the appropriate party.

C. If at any time during a calendar quarter, the number of days that the Cars have not earned car hire payments is such as to make it mathematically certain that the Utilization in such calendar quarter cannot be equal to or greater than 87.5 per cent, BRAE may, at its option and upon not less than ten (10) days' prior written notice to Lessee, terminate this Agreement as to such Cars as BRAE shall determine.

D. If the ICC shall, at any time, (1) issue an order reducing incentive car hire payments for Cars on an annual basis to less than three months without a corresponding increase (including the increase contemplated by the ICC order served April 6, 1979 in Ex Parte 334) in straight car hire payments or other monies available to both BRAE and Lessee at least equal in amount to such reduction or (2) determine that Lessee may not apply its incentive car hire receipts in payment of the rental charges set forth in this Section 6, BRAE may, at its election which shall be effective promptly

upon written notice to Lessee, either (i) terminate this Agreement, or (ii) keep this Agreement in effect except that it shall be modified so that thereafter the rent which Lessee shall pay to BRAE for the use of the Cars, notwithstanding anything contained in Section 6A hereof to the contrary, shall be 100% of the payments, of whatever character, made to Lessee by other railroad companies for their use or handling of the Cars, including but not limited to, mileage charges, straight car hire payments and incentive car hire payments.

E. During the term of this Agreement, if any Car remains on Lessee's railroad tracks for more than seven consecutive days, BRAE may, at its option and upon not less than twenty-four (24) hours' prior written notice, terminate this Agreement as to such Car and withdraw such Car from Lessee's railroad tracks. If any such Car remains on Lessee's railroad tracks more than seven consecutive days because Lessee has not given preference to the Cars as specified in Section 3B hereof, Lessee shall be liable for and remit to BRAE an amount equal to the payments Lessee would have earned if such Cars were in the physical possession and use of another railroad for the entire period.

## 7. Possession and Use

A. So long as Lessee shall not be in default under this Agreement, Lessee shall be entitled to the possession, use and quiet enjoyment of the Cars in accordance with the terms of this Agreement and in the manner and to the extent Cars are customarily used in the railroad freight business, provided that Lessee retain on its railroad tracks no more Cars than are necessary to fulfill its immediate requirements to provide transportation and facilities upon reasonable request therefor to shippers on its railroad tracks. However, Lessee's rights shall be subject and subordinate to the rights of any owner or secured party under any financing agreement entered into by BRAE in connection with the acquisition of some or all of Cars, i.e., upon notice to Lessee from any such secured party or owner that an event of default has occurred and is continuing under such financing agreement, such party may require that all rent shall be made directly to such party and/or that Cars be returned to such party. Lessee agrees that to the extent it has physical possession and can control use of the Cars, the Cars will at all times be used and operated under and in compliance with the laws of the jurisdiction in which the same may be located and in compliance with all lawful acts, rules and regulations, and orders of any governmental bodies or officers having power to regulate or supervise the use of such property, except that either BRAE or Lessee may in good faith and by appropriate proceedings contest the application of any such rule, regulation or order in any reasonable manner at the expense of the contesting party.

B. Lessee will not directly or indirectly create, incur, assume, or suffer to exist (except as provided in Section 7A) any mortgage, pledge, lien, charge, encumbrance, or other security interest or claim on or with respect to the Cars or any interest therein or in this Agreement or any Schedule hereto. Lessee will promptly, at its expense, take such action as may be necessary duly to discharge any such mortgage, pledge, lien, charge, encumbrance, security interest, or claim if the same shall arise at any time.

8. Default:

A. The occurrence of any of the following events shall be an event of default:

(i) The nonpayment by Lessee of any sum required herein to be paid by Lessee within ten (10) days after the date any such payment is due.

(ii) The breach by Lessee of any other term, covenant, or condition of this Agreement, which is not cured within ten (10) days thereafter.

(iii) Any act of insolvency or bankruptcy by Lessee, or the filing by Lessee of any petition or action under any bankruptcy, reorganization, insolvency or moratorium law, or any other law or laws for the relief of, or relating to, debtors.

(iv) The filing of any involuntary petition under any bankruptcy, reorganization, insolvency or moratorium law against Lessee that is not dismissed within sixty (60) days thereafter, or the appointment of any receiver or trustee to take possession of the properties of Lessee, unless such petition or appointment is set aside or withdrawn or ceases to be in effect within sixty (60) days from the date of filing or appointment.

(v) The subjection of any of Lessee's property to any levy, seizure, assignment, application or sale for or by any creditor or governmental agency.

(vi) Any action by Lessee to discontinue rail service on all or a portion of its tracks or abandon any of its rail properties pursuant to applicable provisions of the laws of the United States of America or of any state.

(vii) Lessee shall be merged with or consolidated into another corporation which after such merger or consolidation shall have a net worth less than that of Lessee immediately prior thereto.

B. Upon the occurrence of any event of default, BRAE may, at its option:

(i) Terminate this Agreement, proceed by any lawful means to recover damages for a breach hereof, and terminate Lessee's right of possession and use of the Cars, whereupon all right and interest of Lessee in the Cars shall terminate and thereupon BRAE may enter upon any premises where the Cars may be located and take possession of them and henceforth hold, possess and enjoy the same free from any right of Lessee, provided that BRAE shall nevertheless have the right to recover from Lessee any and all rental amounts which under the terms of this Agreement may then be due or which may have accrued to the date on which BRAE took such possession; or

(ii) Proceed by any lawful means to enforce performance by Lessee of this Agreement. Lessee agrees to bear the costs and expenses, including without limitation reasonable attorneys' fees, incurred by BRAE in connection with the exercise of its remedies pursuant to this Section 8B.

## 9. Termination

At the expiration or termination of this Agreement as to any Car, Lessee will surrender possession of such Car to BRAE by delivering the same to BRAE at such place reasonably convenient to Lessee as BRAE shall designate. A Car shall be no longer subject to this Agreement upon the removal of Lessee's railroad markings from such Car and the placing thereon of such markings as may be designated by BRAE, either, at the option of BRAE, (1) by Lessee upon return of such Car to Lessee's railroad line or (2) by another railroad line which has physical possession of the Car at the time of or subsequent to termination of the lease term as to such Car. If such Car is not on the railroad line of Lessee upon termination, any cost of assembling, delivering, storing, and transporting such Car to Lessee's railroad line or the railroad line of a subsequent lessee shall be borne by BRAE. If such Car is on the railroad line of Lessee upon such expiration or termination or is subsequently returned to Lessee's railroad line, Lessee shall at its own expense within five (5) working days remove Lessee's railroad markings from such Car and place thereon such markings as may be designated by BRAE. After the removal and replacement of markings, Lessee shall use its best efforts to load such Car with freight and deliver it to a connecting carrier for shipment. Lessee shall provide up to thirty (30) days' free storage on its railroad tracks for BRAE or the subsequent lessee of any terminated Car. If any Car is terminated pursuant to Sections 6C, 6E or 8 hereof prior to the end of its lease term, Lessee shall be liable to BRAE for all costs and expenses incurred by BRAE to repaint such Car and place thereon the markings and name or other insignia of BRAE's subsequent lessee.

## 10. Indemnities

BRAE will defend, indemnify and hold Lessee harmless from and against (1) any and all claims based upon loss or damage to

the Cars, unless occurring while Lessee has physical possession of Cars and (2) any other type of claim, cause of action, damage, liability; cost or expense which may be asserted against Lessee with respect to the Cars (unless occurring through the fault of Lessee), including without limitation claims with respect to the construction, purchase, delivery to Lessee's railroad line, ownership, leasing, return, use, maintenance, repair, replacement, operation or condition (whether defects, if any, are latent or are discoverable by BRAE or Lessee) of the Cars.

## 11. Representations, Warranties and Covenants

Lessee represents, warrants and covenants that:

(i) Lessee is a corporation duly organized, validly existing and in good standing under the laws of the state where it is incorporated and has all necessary corporate power and authority, permits and licenses to perform its obligations under this Agreement.

(ii) The entering into and performance of this Agreement will not violate any judgment, order, law or regulation applicable to Lessee, or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance upon any assets of Lessee or on the Cars pursuant to any instrument to which Lessee is a party or by which it or its assets may be bound.

(iii) There is no action or proceeding pending or threatened against Lessee before any court or administrative agency or other governmental body which might result in any material adverse effect on the business, properties and assets, or conditions, financial or otherwise, of Lessee.

(iv) There is no fact which Lessee has not disclosed to BRAE in writing, nor is Lessee a party to any agreement or instrument nor subject to any charter or other corporate restriction which, so far as the Lessee can now reasonably foresee, will individually or in the aggregate materially adversely affect the ability of the Lessee to perform its obligations under this Agreement.

(v) Lessee has during the years 1964-1968 neither built, leased nor purchased any new or rebuilt freight cars.

## 12. Inspection

BRAE shall at any time during normal business hours have the right to enter the premises where the Cars may be located for the purpose of inspecting and examining the Cars to insure Lessee's compliance with its obligations hereunder. Lessee shall immediately notify BRAE of any accident connected with the malfunctioning or operation of the Cars, including in such report the

time, place and nature of the accident and the damage caused, the names and addresses of any persons injured and of witnesses, and other information pertinent to Lessee's investigation of the accident. Lessee shall also notify BRAE in writing within five (5) days after any attachment, tax lien or other judicial process shall attach to any Car. Lessee shall furnish to BRAE promptly upon its becoming available, a copy of its annual report submitted to the ICC and, when requested, copies of any other income or balance sheet statements submitted to the ICC or its shareholders generally.

### 13. Miscellaneous

A. This Agreement and the Schedules contemplated hereby shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns, except that Lessee may not without the prior written consent of BRAE assign this Agreement or any of its rights hereunder or sublease the Cars to any party, and any purported assignment or sublease in violation hereof shall be void. Lessee agrees to acknowledge, upon receipt, any assignment of this Agreement by BRAE to an owner or secured party under any financing agreement entered into by BRAE in connection with the acquisition of all or part of the Cars leased hereunder. Lessee hereby agrees that any such assignment may be with respect to all or part of the Cars to be leased hereunder and may relate to all or part of the Cars on any Schedule hereto. Any assignment of this Agreement by BRAE to an owner or secured party shall not subject that owner or secured party to any of BRAE's obligations hereunder. Those obligations shall remain enforceable by Lessee solely against BRAE.

B. Both parties agree to execute the documents contemplated by this transaction and such other documents as may be required in furtherance of any financing agreement entered into by BRAE in connection with the acquisition of the Cars in order to confirm the financing party's interest in and to the Cars, this Agreement and Schedules hereto and to confirm the subordination provisions contained in Section 7 hereof and in furtherance of this Agreement.

C. It is expressly understood and agreed by the parties hereto that this Agreement constitutes a lease of the Cars only and no joint venture or partnership is being created. Notwithstanding the calculation of rental payments, nothing herein shall be construed as conveying to Lessee any right, title or interest in the Cars except as a lessee only.

D. No failure or delay by BRAE shall constitute a waiver or otherwise affect or impair any right, power or remedy available to BRAE nor shall any waiver or indulgence by BRAE or any partial or single exercise of any right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

E. This Agreement shall be governed by and construed according to the laws of the State of California.

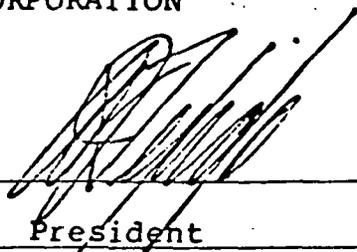

F. All notices hereunder shall be in writing and shall be deemed given when delivered personally or three days after deposit in the United States mail, postage prepaid, certified or registered, addressed to the president of the other party at the address set forth in the preamble to this Agreement.

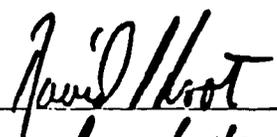

G. No security interest in this Agreement, as chattel paper (as defined in the Uniform Commercial Code), may be created by the transfer of possession except by transfer of an original, duplicate or photocopy of this Agreement and the only original counterpart of the applicable Schedule or Schedules. The original counterpart of each Schedule shall be marked "Original" and delivered to BRAE and all other counterparts thereof shall be duplicates and shall be marked "Duplicate."

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

Rider No. 2 to the Lease Agreement made as of October 9  
1979, between BRAE and Willamina & Grand Ronde Railroad Company.

Add the following to Section 6A:

VII. In the event that the cars do not average 80 miles per car per day during any calendar year, lessee shall be liable to BRAE as provided in section 6A VIII.

VIII. The amount, if any, owed BRAE by lessee pursuant to above for any period shall be determined by multiplying 80 times the aggregate number of "Car Days" during such period and subtracting from that product the total number of miles <sup>paid on</sup> ~~traveled~~ by all Cars during that period. If the difference is a positive number, then the difference shall be multiplied by the mileage rate then prescribed by the Interstate Commerce Commission ("ICC") as applicable to railcars of the same type as the Cars and which bear railroad markings and that product shall be the mileage deficiency fee for such period. If the difference is a negative number, then there shall be no mileage deficiency fee for such period, but that difference shall be multiplied by the mileage rate then prescribed by the ICC as applicable to railcars of the same type as the Cars and which bear railroad markings and the product shall be a credit available for application as provided in 6A iii. For the purpose of making these determinations, "Car Day" shall mean one day on which one Car is subject to this Agreement, commencing upon the acceptance of such Car by lessee at the railroad for initial load.

IX. BRAE shall determine the mileage deficiency fee quarterly within 90 days after the last day of each March, June, September and December during the term of this Agreement. BRAE shall also make an annual determination within 90 days after the last day of each December 31 during the term of this Agreement and shall make a final determination within 60 days after the date this Agreement expires. BRAE shall notify lessee of each such determination promptly after it has been made.

X. Lessee shall pay as rent to BRAE the mileage deficiency fee, if any, quarterly in arrears not later than 15 days after BRAE has notified lessee of its quarterly determination. Notwithstanding the fact that the mileage deficiency fee is payable quarterly, it shall be computed on an annual basis. Accordingly, if during any quarter the average daily mileage of the Cars exceeds 80 miles per Car per day, the credit available from such excess mileage shall be used to offset any mileage deficiency fee paid in respect of any preceding quarter during such year and, to the extent not so used, shall remain available for use as a credit to offset any mileage deficiency fee which may become

payable in respect of any subsequent quarter during such year. If, because of quarterly variations in average daily mileage, lessee has paid excess mileage deficiency fees to BRAE during any calendar year, BRAE shall refund such excess mileage deficiency fees to lessee within 15 days after notifying lessee of its annual determination for such year. If no deficiency exists in any calendar year, then credits resulting from average daily mileage exceeding 80 miles per Car per day shall remit to lessee as provided in section 6A iii.

## LEASE AMENDMENT AND MODIFICATION AGREEMENT

DATE: July 31, 1981

PARTIES: Railease Inc, a Washington corporation ("RAILEASE"), BRAE Corporation, a Delaware corporation ("BRAE"), and Willamina and Grand Ronde Railroad Company, a California corporation ("Lessee").

### RECITALS:

- A. BRAE and Lessee entered into a Lease Agreement dated as of October 9, 1979, which, together with any Riders concluded heretofore, will be herein referred to as the "Lease".
- B. Pursuant to a Lease Assignment, Assumption and Supplement Agreement dated as of October 1, 1980, between BRAE, RAILEASE and Lessee, BRAE assigned all its right, title and interest in the Lease to RAILEASE.
- C. The Parties desire to amend and modify the terms of the Lease as follows:

### AGREEMENTS:

1. The terms used in this Agreement which are defined in the Lease shall have the same meanings herein as specified therein, except when specifically redefined.
2. Notwithstanding the terms of the Lease, RAILEASE and Lessee agree that Lessee shall not be entitled to claim the benefits of any available investment tax credit for federal income tax purposes in connection with the acquisition of the Cars bearing the identifying numbers WGRR 2000 through WGRR 2099 set forth on Equipment Schedules No. 1 and No. 2 to the Lease, and Lessee hereby releases any claim and waives all rights which Lessee may have to any such investment tax credits with respect to any such Car.
3. The Lease is hereby amended by the deletion, in its entirety, of Rider No. 2 to the Lease, in which is set forth Sections 6A(VII) through 6A(X) of the Lease.
4. Notwithstanding the terms of the Lease, the Parties agree that Utilization shall be determined separately with reference to the Cars bearing the identifying numbers WGRR 2000 through WGRR 2024 set forth on Equipment Schedule No. 1 to the Lease (the "Primary Cars"), and with reference to the Cars bearing the identifying numbers WGRR 2025 through WGRR 2099 set forth on Equipment Schedules No. 1 and No. 2 to

the Lease (the "Secondary Cars").

5. Notwithstanding the terms of the Lease, the Parties agree that the rental provisions set forth in Section 6 of the Lease shall apply to only the Primary Cars; and that RAILEASE shall receive all payments made to Lessee by other railroad companies for their use or handling of the Secondary Cars and the Terminated Secondary Cars (as that term is hereinbelow defined), including but not limited to mileage charges and car hire payments, regardless of the Utilization levels of the Secondary Cars and the Terminated Secondary Cars.
  
6. Notwithstanding the terms of the Lease, the Parties agree that, upon execution of this Agreement by all Parties, the Lease will be terminated with respect to the Secondary Cars bearing the identifying numbers WGRR 2050 through WGRR 2099, and that on November 30, 1981 the Lease will be terminated with respect to the Secondary Cars bearing the identifying numbers WGRR 2025 through WGRR 2049. The Parties further agree that RAILEASE may, at its option at any time throughout the term of the Lease, and upon not less than 24 hours prior written notice to Lessee, terminate the Lease with respect to any or all of the Primary Cars or Secondary Cars. Any and all such Primary Cars or Secondary Cars terminated as herein provided shall hereinafter be referred to as "Terminated Primary Cars" or "Terminated Secondary Cars," as the case may be.
  
7. If RAILEASE shall, within one year from the date hereof, terminate the Lease with respect to any Primary Car Lessee shall, upon request by RAILEASE, store any and all such Terminated Primary Cars without charge on its railroad tracks for RAILEASE, or the subsequent lessee of any such Car, for a period of up to one year from the date on which such Car was terminated. Lessee shall also, upon request by RAILEASE, store any and all Terminated Secondary Cars without charge, on its railroad tracks for RAILEASE, or the subsequent lessee of any such Car, for a period of up to one year from the date on which such Car was terminated. At all times during any such storage period Lessee shall bear all risk of loss and damage, and be responsible for all liability to third parties, with respect to any of the Terminated Secondary Cars bearing the identifying numbers WGRR 2025 through WGRR 2049 being so stored. Lessee shall also bear all risk of loss and damage, and be responsible for all liability to third parties, with respect to any Terminated Primary Car being so stored, if RAILEASE terminated any such Primary Car from the Lease pursuant to any default by Lessee under the Lease. Lessee shall protect against all such risks and responsibilities by continuing to maintain insurance in the same manner as provided in the Lease. RAILEASE shall bear all risk of loss and damage, and be responsible for all liability to third parties, with respect to any of the Terminated Secondary Cars bearing identifying numbers WGRR 2050 through WGRR 2099 being so stored, and with respect to all Terminated Primary Cars being so stored, if such Primary Cars were not terminated from the Lease by RAILEASE pursuant to any default by Lessee under the Lease.

8. Notwithstanding the terms of the Lease, the Parties agree that Lessee shall grant preference, as provided in Section 3 of the Lease to all of the Cars which have not been terminated from the Lease provided, however, that Lessee shall load the Primary Cars prior to loading any Secondary Cars.
9. Notwithstanding the terms of the Lease, Lessee shall not be liable to RAILEASE for any costs or expenses incurred by RAILEASE at any time with respect to any of the Cars for painting and placing thereon the markings and name or other insignia of RAILEASE'S subsequent Lessee, provided, however, that if RAILEASE terminates the Lease with respect to any Primary Car pursuant to any default by Lessee under the Lease, Lessee shall be liable to RAILEASE for any costs or expenses incurred by RAILEASE at any time with respect to any such Primary Car for painting and placing thereon the markings and name or other insignia of RAILEASE's subsequent Lessee, at a cost not to exceed \$750 per Car.
10. Lessee hereby agrees that, at any time during which any Car is being stored pursuant to paragraph 7 hereof, Lessee shall, upon written request by RAILEASE, use best efforts to load any Car terminated from the Lease toward the destination specified by RAILEASE in such request.
11. The Parties agree that so long as Lessee shall have on lease any of the Cars, if Lessee proposes to lease additional cars substantially similar to the Cars from any other party, Lessee shall give RAILEASE at least 15 days prior written notice of its desire to lease such additional cars, and such notice shall specify the identity of such other party, and all the terms and conditions of such proposed lease. RAILEASE shall then have the opportunity to procure and lease to Lessee, at terms no less favorable to Lessee than those specified in such notice, all such additional cars up to and including that number of additional cars which would be equal in number to the number of Terminated Secondary Cars. If RAILEASE elects not to lease such additional cars to Lessee, Lessee may enter into a lease with such other party upon the terms and conditions specified in such notice. If Lessee does not enter into a lease with such other party upon the terms and conditions specified in such notice, Lessee must give notice to RAILEASE, as herein provided, of any subsequent lease Lessee proposes to enter into with the same or any other party for cars substantially similar to the Cars, and RAILEASE shall have the right to lease such additional cars to Lessee as provided herein.
12. Except as set forth herein, the Lease shall remain in full force and effect in accordance with its terms.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and it shall not be necessary in making proof of this Agreement to produce or account for more than one such counterpart.

IN WITNESS WHEREOF, the parties have executed this Agreement the day and year first above written.
