PURCHASE AGREEMENT

INTERSTATE COMMERCE COMMISSION

PURCHASE AGREEMENT dated as of October 1, 1983, among BURLINGTON NORTHERN RAILROAD COMPANY, a Delaware corporation (the "Lessee"), FIRST NATIONAL BANK AND TRUST COMPANY OF EVANSTON, not individually but solely as trustee under the Trust Agreement hereinafter referred to (the "Trustee") and THE FIRST AMERICAN NATIONAL BANK OF ST. CLOUD, a national banking association (the "Trustor").

WHEREAS, (i) the Trustee and the Trustor are parties to a Trust Agreement dated as of May 1, 1976 (the "Trust Agreement"), and (ii) the Trustee and the Lessee are parties to an Equipment Lease dated as of May 1, 1976 (the "Lease"); and

WHEREAS, the Lessee wishes to purchase the Equipment (as defined in the Lease and described in Schedule 1 to Exhibit A hereto), the Trustor wishes to cause the sale of the Equipment and the Trustee wishes to acknowledge such arrangements, all on the following terms and conditions.

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained, the Lessee, the Trustor and the Trustee agree as follows:

1. Agreement to Purchase. The Trustee agrees to sell and the Lessee agrees to purchase the Equipment for the sum of \$212,420.00 (the "Purchase Price"), payable to the

Trustee in immediately available funds on October 3, 1983 (the "Sale Date").

2. Sale to Lessee. Provided no Event of Default (as defined in the Lease) or event which, with the giving of notice of lapse of time, or both, would become an Event of Default, has occurred and is continuing, upon receipt of the Purchase Price the Trustee shall convey all its right, title and interest in and to the Equipment to the Lessee on the Sale Date on an as-is, where-is basis, without representation or warranty of any kind, except (i) a warranty that the Trustee has legal title to the Equipment, free and clear of liens and claims created or granted by the Trustor or the Trustee, or resulting from claims against the Trustor or the Trustee not related to the ownership of the Equipment or any interest therein or to the transactions contemplated by the Lease and (ii) a warranty that the Trustee has the authority pursuant to the instructions of the Trustor set forth in Section 4 hereof to convey all its right, title and interest in and to the Equipment as contemplated hereby. The Trustee will evidence such conveyance by delivery to the Lessee of a bill of sale in the form attached hereto as Exhibit A, dated the Sale Date. Any sales taxes payable with respect to the transactions contemplated hereby shall be paid by the Lessee.

3. Assignment of Warranties. Upon delivery of the bill of sale referred to in Section 2 hereof, the Trustee

shall be deemed to have assigned to the Lessee any and all warranty rights the Trustee may have against any manufacturer or supplier of the Equipment, or any part thereof, with respect to the Equipment, or any part thereof.

4. Instructions to Trustee. The Trustor instructs the Trustee (i) to take the actions of the Trustee set forth in Section 1, 2 and 3 hereof and (ii), upon the written request of the Trustor, to execute and deliver such further instruments as may be necessary to effect the transactions contemplated hereby, and confirms that the provisions of the Trust Agreement, including, without limitation, Section 9.2 thereof, apply to the taking of such actions as though the Trustee were specifically directed to take such actions by the terms of the Trust Agreement.

IN WITNESS WHEREOF, the Lessee, the Trustor and the Trustee have caused this Agreement to be duly executed, all as of the day here first above written.
