THIS EQUIPMENT LEASE dated as of May 1, 1976 between FIRST NATIONAL BANK AND TRUST COMPANY OF EVANSTON, as Trustee under a Trust Agreement (the "Trust Agreement") with BWL, INC., a Delaware corporation (the "Trustor") dated as of May 1, 1976 relating to Illinois Terminal Trust No. 76-1 (the "Lessor") and ILLINOIS TERMINAL RAILROAD COMPANY, a Delaware corporation (the "Lessee");

W I T N E S S E T H:

WHEREAS, the Lessor and the Lessee have entered into a Conditional Sale Agreement, dated the date hereof (the "Conditional Sale Agreement"), with PULLMAN INCORPORATED (Pullman Standard Division (the "Manufacturer") providing for the construction, sale and delivery to the Lessor of the railroad equipment (collectively the "Equipment" and individually an "Item of Equipment") described in Schedule A attached hereto and made a part hereof; and

WHEREAS, by instrument of Agreement and Assignment dated the date hereof, the Manufacturer has assigned or will assign its right, security title and interest under the Conditional Sale Agreement to First National Bank of Minneapolis, as Assignee (the "Assignee"); and

WHEREAS, the Lessee desires to lease all of the Items of Equipment or such lesser number as are delivered to and accepted under the Conditional Sale Agreement on or prior to the outside delivery date set forth in said Schedule, at the rentals and for the terms and upon the conditions hereinafter provided;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Equipment to the Lessee upon the following terms and conditions.

SECTION 1. DELIVERY AND ACCEPTANCE OF EQUIPMENT

The Lessor will cause each Item of Equipment to be tendered to the Lessee at the place of delivery set forth in Schedule A. Upon such tender, the Lessee will cause an authorized representative of the Lessee to inspect the same, and if such Item of Equipment is found to conform to the specifications therefor, to accept delivery of such Item of Equipment and to execute and deliver to the Lessor and to the Manufacturer a certificate of acceptance (hereinafter called "Certificate of Acceptance") substantially in the form attached hereto as Schedule B, whereupon such Item of

Equipment shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all of the terms and conditions of this Lease; provided however that the Lessee shall not accept and the Lessor shall have no obligation to lease any Item of Equipment delivered after the Outside Delivery Date therefor set forth in Schedule A.

SECTION 2. RENTALS AND PAYMENT DATES.

2.1. Rentals for Equipment. The Lessee agrees to pay the Lessor the following Rent for the Items of Equipment leased hereunder:

(a) Interim Rental. As interim rental (the "Interim Rental") for all Items of Equipment leased hereunder, the sum of:

(i) an amount equal to the difference between (A) 0.027143% per day of the sum of the respective amounts deposited with the Assignee pursuant to Sections 3 and 13 of the Finance Agreement dated as of May 1, 1976 (the "Finance Agreement") among the Lessee, the Trustor, the Assignee and the institutional investor therein named (the "Investor") for the period from and including the date of any such deposit (and whether or not any such amounts shall be disbursed thereafter) to but not including the Cut-Off Date (as defined in the Finance Agreement) and (B) the aggregate amounts remitted to the Trustor pursuant to Sections 4(a) and 14(a) of the Finance Agreement, plus

(ii) an amount equal to 0.027143% per day of the Purchase Price (as defined in the Conditional Sale Agreement) for all Items of Equipment then leased hereunder for the period from and including the Cut-Off Date to but not including July 30, 1976.

(b) Fixed Rental. For each Item of Equipment thirty (30) consecutive semiannual installments (the "Fixed Rental") each payable in arrears in the amount provided for such Item of Equipment in Schedule A hereto.

2.2. Rental Payment Dates. The Interim Rental due pursuant to Section 2.1(a) above shall be due and payable on July 30, 1976. The installments of Fixed Rental for all Items of Equipment shall be due and payable on the thirtieth day of January and July in each year commencing January 30, 1977 to and including July 30, 1991.

2.3. Place of Rent Payment. All payments provided for in this Lease to be made to the Lessor shall be made to the Lessor by wire transfer of Federal funds or otherwise immediately available funds at its address set forth in Section 21.1 hereof, or at such other place as the Lessor or its assigns shall specify in writing.

2.4. Net Lease. This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent or reduction thereof, including, but not limited to, abatements or reductions due to any present or future claims of the Lessee against the Lessor under this Lease or otherwise or against the Manufacturer or against the Assignee, or against any entity having a beneficial interest in the obligations to be performed under the Conditional Sale Agreement; nor except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss or destruction of all or any of the Equipment from whatsoever cause, the taking or requisitioning of the Equipment by condemnation or otherwise, the lawful prohibition of the Lessee's use of the Equipment, the interference with such use by any private person or corporation, the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease, or lack of right, power or authority of the Lessor to enter into this Lease, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events unless the obligation to pay the same shall be terminated pursuant to Section 11 hereof, or until, pursuant to Section 13 hereof, the Equipment is placed and ready for delivery to the Lessor on the Lessee's lines, or is stored for the Lessor on the Lessee's lines or leaves the Lessee's lines for off-line delivery to the Lessor. The Lessee acknowledges and agrees that the amounts payable by the Lessee pursuant to Section 2.1(a)(1) are and will remain payable regardless of the issuance of any Certificate of Acceptance and regardless if and whether any or all Items of Equipment are ever accepted hereunder.

SECTION 3. TERM OF THE LEASE.

The term of this Lease shall begin on the Date of Deposit (as defined in the Finance Agreement) and, subject to the provisions of Sections 11 and 20 hereof, shall terminate on July 30, 1991.

SECTION 4. TITLE TO THE EQUIPMENT.

4.1. Retention of Title. The Lessor is acquiring full legal title to the Equipment as Vendee under the Conditional Sale Agreement (but only upon compliance with all the terms and conditions

thereof) and, it is understood that Lessee shall acquire no right, title and interest to the Equipment except hereunder notwithstanding the delivery of the Equipment to and the possession and use thereof by the Lessee.

4.2 Duty to Number and Mark Equipment. The Lessee will cause each Item of Equipment to be kept numbered with its road number as set forth in Schedule A, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked by a plate or stencil printed in contrasting color upon each side of each Item of Equipment in letters not less than one inch in height as follows:

"Leased from FIRST NATIONAL BANK AND TRUST COMPANY OF EVANSTON, as Lessor and Trustee-Vendee, and subject to a Security Interest recorded with the I.C.C."

with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the title of the Lessor to such Item of Equipment, its rights under this Lease and the rights of any assignee under Section 16 hereof. The Lessee will not place any such Item of Equipment in operation or exercise any control or dominion over the same until the required legend shall have been so marked on both sides thereof and will replace promptly any such names and word or words which may be removed, defaced or destroyed. The Lessee will not change the road number of any Item of Equipment except with the consent of the Lessor and in accordance with a statement of new road numbers to be substituted therefor, which consent and statement previously shall have been filed with the Lessor by the Lessee and filed, recorded or deposited in all public offices where this Lease shall have been filed, recorded or deposited.

4.3. Prohibition Against Certain Designations. Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may cause the Equipment to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by it of the same or a similar type for convenience of identification of the right of the Lessee to use the Equipment under this Lease.

SECTION 5. DISCLAIMER OF WARRANTIES.

THE LESSOR LEASES THIS EQUIPMENT, AS-IS, IN WHATEVER CONDITION IT MAY BE, WITHOUT ANY AGREEMENT, WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, BY EITHER THE LESSOR OR ANY TRUSTOR, EACH EXPRESSLY DISCLAIMING ANY WARRANTY OR REPRESENTATION, EITHER EXPRESSED OR IMPLIED, AS TO (A) THE FITNESS FOR ANY PARTICULAR PURPOSE OR MERCHANTABILITY OF ANY ITEM OR ITEMS OF EQUIPMENT

INCLUDING BUT NOT LIMITED TO THEIR VALUE, CONDITION, DESIGN OR OPERATION, (B) THE LESSOR'S TITLE THERETO, (C) THE LESSEE'S RIGHT TO THE QUIET ENJOYMENT THEREOF, (D) THE DESIGN OR CONDITION OF, OR THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE EQUIPMENT, OR (E) ANY OTHER MATTER WHATSOEVER, IT BEING AGREED THAT ALL SUCH RISKS, AS BETWEEN THE LESSOR AND THE LESSEE, ARE TO BE BORNE BY THE LESSEE. The Lessor hereby appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce, from time to time, in the name and for the account of the Lessor and the Lessee, as their interests may appear, but in all cases at the sole cost and expense of the Lessee, whatever claims and rights the Lessor may have as owner of the Equipment against the Manufacturers.

SECTION 6. LESSEE'S INDEMNITY.

6.1. Scope of Indemnity. The Lessee shall defend, indemnify and save harmless the Lessor and the Trustor and their successors and assigns from and against:

(a) any and all loss or damage of or to the Equipment, usual wear and tear excepted, and

(b) any claim, cause of action, damages, liability, cost or expense (including counsel fees and costs in connection therewith) which may be incurred in any manner by or for the account of any of them (i) relating to the Equipment or any part thereof, including without limitation, the construction, purchase, delivery, installation, ownership, leasing or return of the Equipment or as a result of the use, maintenance, repair, replacement, operation or the condition thereof (whether defects are latent or discoverable by the Lessor or by the Lessee), (ii) by reason or as the result of any act or omission of the Lessee for itself as agent or attorney-in-fact for the Lessor hereunder, (iii) as a result of claims for patent infringements, or (iv) as a result of claims for negligence or strict liability in tort.

6.2. Continuation of Indemnities and Assumptions. The indemnities and assumptions of liability in this Section 6 contained shall continue in full force and effect notwithstanding the termination of this Lease, or the termination of the term hereof in respect of any one or more Items of Equipment, whether by expiration of time, by operation of law or otherwise; provided, however, that such indemnities and assumption of liability shall not apply in respect of any matters referred to in subsection (a) or clause (i) of subsection (b) of Section 6.1 hereof, occurring after the termination of this Lease, except for any such matters occurring after the termination arising in connection with the Lessee's assembling, delivering,

storing or transporting of the Equipment as provided in Sections 13 or 15 as the case may be. The Lessee shall be entitled to control, and shall assume full responsibility for, the defense of such claim or liability.

SECTION 7. RULES, LAWS AND REGULATIONS.

The Lessee agrees to comply with all governmental laws, regulations, requirements and rules (including the rules of the United States Department of Transportation) with respect to the use, maintenance and operation of each Item of Equipment subject to this Lease. In case any equipment or appliance is required to be installed on such Item of Equipment in order to comply with such laws, regulations, requirements and rules, the Lessee agrees to make such changes, additions and replacements.

SECTION 8. USE AND MAINTENANCE OF EQUIPMENT.

The Lessee shall use the Equipment only in the manner for which it was designed and intended and so as to subject it only to ordinary wear and tear. The Lessee shall, at its own cost and expense, maintain and keep the Equipment in good order, condition and repair, ordinary wear and tear excepted, suitable for use in interchange. The Lessee shall not modify any Item of Equipment without the written authority and approval of the Lessor which shall not be unreasonably withheld. Any parts installed or replacements made by the Lessee upon any Item of Equipment (not including, however, any parts installed on and additions to any Item of Equipment, any portion of whose cost is furnished by the Lessee and which are readily removable without causing material damage to such Item of Equipment, but including parts installed on and replacements made to any Item of Equipment which constitute ordinary maintenance and repairs made by the Lessee pursuant to the second sentence of this Section 8) shall be considered accessions to such Item of Equipment and title thereto shall be immediately vested in the Lessor, without cost or expense to the Lessor.

SECTION 9. LIENS ON THE EQUIPMENT.

The Lessee shall pay or satisfy and discharge any and all claims against, through or under the Lessee and its successors or assigns which, if unpaid, might constitute or become a lien or a charge upon the Equipment, and any liens or charges which may be levied against or imposed upon any Item of Equipment as a result of the failure of the Lessee to perform or observe any of its covenants or agreements under this Lease, but the Lessee shall not be required to pay or discharge any such claims so long as it shall, in good faith and by appropriate legal proceedings contest the validity thereof in any reasonable manner which will not, in the advance opinion of the Lessor, adversely affect or endanger the title and interest of the Lessor to the Equipment. The Lessee's obligations under this Section 9 shall survive termination of the Lease.

SECTION 10. FILING, PAYMENT OF FEES AND TAXES.

10.1. Filing. Prior to the delivery and acceptance of the first Item of Equipment, the Lessee will, at its sole expense, cause this Lease, the Conditional Sale Agreement and the first assignment thereof to be duly filed, recorded or deposited in conformity with Section 20c of the Interstate Commerce Act and in such other places within or without the United States as the Lessor may reasonably request for the protection of its title or the security interest of the Assignee and will furnish the Lessor proof thereof. The Lessee will, from time to time, do and perform any other act and will execute, acknowledge, deliver, file, register and record (and will re-file, re-register, or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor, for the purpose of protecting the Lessor's title to, or the Assignee's security interest in, the Equipment to the satisfaction of the Lessor's or the Assignee's counsel or for the purpose of carrying out the intention of this Lease, and in connection with any such action, will deliver to the Lessor proof of such filings and an opinion of the Lessee's counsel that such action has been properly taken. The Lessee will pay all costs, charges and expenses incident to any such filing, re-filing, recording and re-recording or depositing and re-depositing of any such instruments or incident to the taking of such action.

10.2. Payment of Taxes. All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, federal or foreign taxes (other than any United States federal income tax [and, to the extent that the Lessor receives credit therefor against its United States federal income tax liability, any foreign income tax] payable by the Lessor in consequence of the receipt of payments provided herein and other than the aggregate of all franchise taxes measured by net income based on such receipts, up to the amount of any such taxes which would be payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided), assessments or license fees and any charges, fines or penalties in connection therewith (hereinafter called "Impositions") hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Conditional Sale Agreement, all of which Impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all Impositions which may be imposed upon any Item of Equipment or for

the use or operation thereof or upon the earnings arising therefrom or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Item of Equipment free and clear of all Impositions which might in any way affect the title of the Lessor or result in a lien upon any such Item of Equipment; provided, however, that the Lessee shall be under no obligation to pay any Impositions so long as it is contesting in good faith and by appropriate legal proceedings such Impositions and the nonpayment thereof does not, in the advance opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or under the Conditional Sale Agreement. If any Impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of invoice therefor. Prior to making such payment, the Lessor shall promptly notify the Lessee of the Impositions charged or levied.

In the event any reports with respect to Impositions are required to be made on the basis of individual Items of Equipment, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Assignee in such Items of Equipment or notify the Lessor and the Assignee of such requirement and make such reports in such manner as shall be satisfactory to the Lessor and the Assignee.

In the event that, during the continuance of this Lease, any Imposition accrues or becomes payable or is levied or assessed (or is attributable to the period of time during which this Lease is in existence) which the Lessee is or will be obligated to pay or reimburse, pursuant to this Section 10.2, such liability shall continue, notwithstanding the expiration of this Lease, until all such Impositions are paid or reimbursed by the Lessee.

SECTION 11. INSURANCE, PAYMENT FOR CASUALTY OCCURRENCE OR EQUIPMENT UNSERVICEABLE FOR USE.

11.1. Insurance. The Lessee will at all times after delivery and acceptance of each Item of Equipment, at its own expense, keep or cause to be kept each such Item insured by a reputable insurance company or companies in amounts and against risks customarily insured against by other railroad companies on similar equipment. Such insurance may provide that losses shall be adjusted with the Lessee and shall provide that the proceeds thereof shall be payable to the Lessor, the Assignee, and the Lessee as their interests shall appear. All proceeds of insurance received by the Lessor and the Assignee with respect to any Items of Equipment not suffering a Casualty Occurrence (as hereinafter defined) shall be paid to the Lessee upon proof satisfactory to the Lessor and the Assignee that any damage to any Item with respect to which such proceeds were

paid has been fully repaired. Any such proceeds of insurance received by the Lessor and the Assignee with respect to a Casualty Occurrence shall be credited toward the payment required by this Section 11 with respect to such Casualty Occurrence.

11.2. Duty of Lessee to Notify Lessor. In the event that any Item of Equipment shall be or become lost, stolen, destroyed, or, in the opinion of the Lessee, irreparably damaged during the term of this Lease, including any renewal term hereunder, or thereafter while the Item of Equipment is in the possession of the Lessee pursuant to Section 13 or 15 hereof, or shall be requisitioned or taken over by any governmental authority under the power of eminent domain or otherwise during the term of this Lease, including any renewal terms hereunder (any such occurrence, except for any requisition which by its terms is for an indefinite period or is for a stated period which does not exceed the term of this Lease, being hereinafter called a Casualty Occurrence), the Lessee shall promptly and fully (after it has knowledge of such Casualty Occurrence) inform the Lessor and the Assignee in regard thereto and shall pay the Casualty Value (as herein defined) of such Item in accordance with the terms hereof.

11.3. Payment for Casualty Loss. The Lessee, on the next succeeding Interim Rental or Fixed Rental payment date following a Casualty Occurrence with respect to any Item of Equipment, shall pay to the Lessor the rental installment due on such rental payment date for such Item of Equipment plus a sum equal to the Casualty Value of such Item of Equipment as of the date of such payment.

11.4. Rent Termination. Upon (and not until) payment of the Casualty Value in respect of any Item of Equipment and the Interim Rental or Fixed Rental installment due on such payment date, the obligation to pay rent for such Item of Equipment accruing subsequent to the Casualty Value payment date shall terminate, but the Lessee shall continue to pay rent for all other Items of Equipment.

11.5. Disposition of Equipment. The Lessee shall, as agent for the Lessor, dispose of such Item of Equipment having suffered a Casualty Occurrence as soon as it is able to do so for the fair market value thereof. Any such disposition shall be on an "as is", "where is" basis without representation or warranty, express or implied. As to each separate Item of Equipment so disposed of the Lessee may, provided that a Casualty Payment therefor has been made, retain all amounts of such price plus any insurance proceeds and damages received by the Lessee by reason of such Casualty Occurrence up to the Casualty Value attributable thereto and shall remit the excess, if any, to the Lessor. In disposing of such Item of Equipment, the Lessee shall take such action as the Lessor shall reasonably request to terminate any contingent liability which the Lessor might have arising after such disposition from or connected with such Item of Equipment.

11.6. Casualty Value. The Casualty Value of each Item of Equipment shall be an amount determined as of the date the Casualty Value is paid as provided in this Section 11 (and not the date of the Casualty Occurrence) equal to that percentage of the Purchase Price of such Item of Equipment set forth in the Schedule of Casualty Value attached hereto as Schedule C opposite such date of payment.

11.7. Risk of Loss. The Lessee shall bear the risk of loss and, except as hereinabove in this Section 11 provided, shall not be released from its obligations hereunder in the event of any Casualty Occurrence to any Item of Equipment from and after the date hereof and continuing until payment of the Casualty Value and the Interim Rental or Fixed Rental installments due on and prior to the date of payment of such Casualty Value in respect of such Item of Equipment has been made, such Item or the salvage thereof has been disposed of by the Lessee and the title to such Item or the salvage thereof and all risk of loss and liabilities incident to ownership have been transferred to the purchaser of such Item or the salvage thereof.

11.8. Eminent Domain. In the event that during the term of this Lease the use of any Item of Equipment is requisitioned or taken by any governmental authority under the power of eminent domain or otherwise for an indefinite period or for a stated period which does not exceed the term of this Lease, the Lessee's obligation to pay rent shall continue for the duration of such requisitioning or taking. The Lessee shall be entitled to receive and retain for its own account all sums payable for any such period by such governmental authority as compensation for requisition or taking of possession to an amount equal to the rent paid or payable hereunder for such period, and the balance, if any, shall be payable to and retained by the Lessor as its sole property.

SECTION 12. ANNUAL REPORTS.

12.1. Duty of Lessee to Furnish. On or before May 1 in each year, commencing with the year 1977, the Lessee will furnish to the Lessor and the Assignee an accurate statement, as of the preceding December 31 (a) showing the amount, description and numbers of the Items of Equipment then leased hereunder, the amount, description and numbers of all Items of Equipment that may have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Lease, in the case of the first such statement), and such other information regarding the condition or repair of the Equipment as Lessor may reasonably request, (b) stating that, in the case of all Equipment repainted during the period covered by such statement, the markings required by Section 4.2 hereof shall have been preserved or replaced, and (c) describing the insurance coverage, if any, maintained by the Lessee pursuant to Section 11.1 hereof.

12.2. Lessor's Inspection Rights. The Lessor and the Assignee each shall have the right, at its sole cost and expense by its authorized representative, to inspect the Equipment and the Lessee's records with respect thereto, at such times as shall be reasonably necessary to confirm to the Lessor or, as the case may be, the Assignee the existence and proper maintenance thereof during the continuance of this Lease.

12.3. Financial Reports. The Lessee will furnish to the Lessor and the Trustor at the same time reports are required to be furnished to the Investors hereinafter referred to such reports as are required to be furnished to the Investors pursuant to Section 10 of the Finance Agreement.

The Lessee will also furnish such additional information as the Lessor or the Trustor may reasonably request concerning the Lessee, in order to enable such party to determine whether the covenants, terms and provisions of this Lease have been complied with by the Lessee.

SECTION 13. RETURN OF EQUIPMENT UPON EXPIRATION OF TERM.

Upon the expiration of the term of this Lease with respect to any Item of Equipment, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Item of Equipment to the Lessor upon such storage tracks of the Lessee as the Lessor may designate, or in the absence of such designation, as the Lessee may select, and permit the Lessor to store such Item of Equipment on such tracks for a period not exceeding 90 days and transport the same at any time within such 90 day period to any reasonable place on the lines of railroad operated by the Lessee or to any connecting carrier for shipment, all as directed by the Lessor upon not less than 30 days' written notice to the Lessee. All movement and storage of each such Item is to be at the risk and expense of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Item, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. During any such storage period the Lessee shall maintain the Items of Equipment in such manner as the Lessee normally

maintains similar equipment owned or leased by it in similar storage circumstances. The assembling, delivery, storage and transporting of the Equipment as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee to so assemble, deliver, store and transport the Equipment.

SECTION 14. DEFAULT.

14.1. Events of Default. Any of the following events shall constitute an Event of Default hereunder:

(a) Default shall be made in the payment of any part of the rental or other sums provided in Section 2 hereof or in Section 11 hereof and such default shall continue for ten days; or

(b) The Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or of possession of the Equipment, or any portion thereof; or

(c) Default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Conditional Sale Agreement and such default shall continue for 30 days after written notice from the Lessor to the Lessee, specifying the default and demanding the same to be remedied; or

(d) Any representation or warranty made by the Lessee herein or in any statement or certificate furnished to the Lessor or its assigns pursuant to or in connection with this Lease, the Conditional Sale Agreement or the Finance Agreement proves untrue in any material respect as of the date of issuance or making thereof; or

(e) A petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may be hereafter amended, shall be filed by or against the Lessee and (unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective but then only so long as such stay shall continue in force or such ineffectiveness shall continue) all the obligations of the Lessee under this Lease shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have

the same status as obligations incurred by such a trustee or trustees within 30 days after such appointment or 60 days after such petition shall have been filed, whichever shall be earlier; or

(f) Any other proceedings shall be commenced by or against the Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the indebtedness payable hereunder) and (unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective but then only so long as such stay shall continue in force or such ineffectiveness shall continue) all the obligations of the Lessee under this Lease shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment or 60 days after such proceedings shall have been commenced, whichever shall be earlier.

14.2. Remedies. If any Event of Default has occurred and is continuing, the Lessor, at its option, may:

(a) Proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) By notice in writing to the Lessee, terminate this Lease, whereupon all right of the Lessee to the use of the Equipment shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon, the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Equipment may be located and take possession of all or any of such Equipment and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Equipment for any purpose whatever, but the Lessor, shall, nevertheless, have a right to recover from the Lessee any and all amounts which may have accrued to the date of

such termination (computing the rental for any number of days less than a full rental period by a fraction of which the numerator is such accrued number of days in such full rental period and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Item of Equipment, which represents the excess of the present worth, at the time of such termination, of all rentals for such Item which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease over the then present worth of the then fair rental value of such Item for such period computed by discounting from the end of such term to the date of such termination rentals which the Lessor reasonably estimates to be obtainable for the use of the Item during such period, such present worth to be computed in each case on a basis of a 6.5% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, and (ii) any damages and expenses including reasonable attorney's fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease, other than for the payment of rental.

14.3. Cumulative Remedies. The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any requirements of law, now or hereafter in effect, which might limit or modify any of the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims of any right to assert any off-set against the rent payments due hereunder, and agrees to make the rent payments regardless of any off-set or claim which may be asserted by the Lessee on its behalf in connection with the lease of the Equipment.

14.4 Lessor's Failure to Exercise Rights. The failure of the Lessor to exercise the rights granted it hereunder upon any occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

14.5. Holding Over. In the event the Lessee fails to deliver possession of each Item of Equipment to the Lessor upon expiration of the term of this Lease in accordance with the provisions hereof, the Lessor shall have a right to recover from the

Lessee, in addition to and not by way of limitation of any rights or remedies of the Lessor pursuant to Section 14.2(a) above, (i) damages for loss of the bargain and not as a penalty for each Item of Equipment not so delivered in an amount equal to double the rate of Fixed Rent herein provided for, and (ii) all damages and expenses including reasonable attorney's fees, in addition thereto which the Lessor or the Trustor shall have sustained by reason of the Lessee's retention of possession; provided, however, no such damages pursuant to subclause (i) above shall be payable by the Lessee in respect of any Item or Items of Equipment which, without the fault or consent of the Lessee and after best efforts by the Lessee to secure the return thereof, continue to be used by connecting and other carriers in the usual interchange of traffic. No payment pursuant to this Section 14.5 by the Lessee, and no acceptance thereof by the Lessor, following the expiration of this Lease shall be deemed to constitute an express or implied renewal of this Lease, or of the rights of the Lessee hereunder, and shall be without prejudice to any of the other rights or remedies of the Lessor herein or by law provided.

SECTION 15. RETURN OF EQUIPMENT UPON DEFAULT.

15.1. Lessee's Duty to Return. If the Lessor or the Assignee shall terminate this Lease pursuant to Section 14 hereof, the Lessee shall forthwith deliver possession of the Equipment to the Lessor. For the purpose of delivering possession of any Item of Equipment to the Lessor as above required, the Lessee shall at its own cost, expense and risk (except as hereinafter stated):

(a) Forthwith place such Equipment in such reasonable storage place on the Lessee's lines of railroad as the Lessor may designate or, in the absence of such designation, as the Lessee may select;

(b) Permit the Lessor to store such Equipment in such reasonable storage place on the Lessee's lines of railroad without charge for insurance, rent or storage until such Equipment has been sold, leased or otherwise disposed of by the Lessor; and

(c) Transport the Equipment to any place on the lines of railroad operated by the Lessee or to any connecting carrier for shipment, all as the Lessor may direct in writing.

15.2. Specific Performance. The assembling, delivery, storage and transporting of the Equipment as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Equipment.

15.3. Lessor Appointed Lessee's Agent. Without in any way limiting the obligations of the Lessee under the foregoing provisions of this Section 15, the Lessee hereby irrevocably appoints

the Lessor as the agent and attorney of Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Items of Equipment to Lessor, to demand and take possession of such Item in the name and on behalf of the Lessee from whosoever shall be at the time in possession of such Item.

SECTION 16. ASSIGNMENTS BY LESSOR.

This Lease and all rent and other sums due and to become due hereunder have been assigned to the Assignee pursuant to Section 24 of the Conditional Sale Agreement, and all rent and other sums due and to become due hereunder shall be paid to the Assignee at 120 South Sixth Street, Minneapolis, Minnesota 55480, Attention: Corporate Trust Department, or at such other place as the Assignee shall specify in writing. Without limiting the foregoing, the Lessee further acknowledges and agrees that (i) the rights of the Assignee in and to the sums payable by the Lessee under any provisions of this Lease shall not be subject to any abatement whatsoever, and shall not be subject to any defense, set-off, counterclaim or recoupment whatsoever whether by reason of or defect in Lessor's title, or any interruption from whatsoever cause (other than from a wrongful act of the Assignee) in the use, operation or possession of the Equipment or any part thereof, or any damage to or loss or destruction of the Equipment or any part thereof, or by reason of any other indebtedness or liability, howsoever and whenever arising, of the Lessor to the Lessee or to any other person, firm or corporation or to any governmental authority or for any cause whatsoever, it being the intent hereof that, except in the event of a wrongful act on the part of the Assignee, the Lessee shall be unconditionally and absolutely obligated to pay the Assignee all of the rents and other sums which are the subject matter of the assignment, and (ii) the Assignee shall have the sole right to exercise all rights, privileges and remedies (either in its own name or in the name of the Lessor for the use and benefit of the Assignee) which by the terms of this Lease are permitted or provided to be exercised by the Lessor.

It is understood and agreed that the right, title and interest of the Assignee is, by the express terms of the Conditional Sale Agreement, subject to the rights and interests hereunder of the Lessee in and to the Equipment.

SECTION 17. ASSIGNMENTS BY LESSEE; USE AND POSSESSION.

17.1. Lessee's Rights to the Equipment. So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession and use of the Equipment in accordance with the terms of this Lease, but, without the prior written consent of the Lessor, the Lessee shall not assign, transfer or encumber its leasehold interest under this Lease in any of the Equipment. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Equipment, except to the extent permitted by the provisions of Section 17.2 hereof.

17.2. Use and Possession on Lines Other Than Lessee's Own. So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession of the Equipment and to the use thereof upon the lines of railroad owned or operated by it (either alone or jointly) or by any corporation a majority of whose voting stock (i.e., having ordinary voting power for the election of a majority of its Board of Directors) is owned directly or indirectly by the Lessee, or upon lines of railroad over which the Lessee or such corporation has trackage or other operating rights or over which Equipment of the Lessee is regularly operated pursuant to contract, and also to permit the use of Items of Equipment upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease. Notwithstanding the foregoing, the Lessee will not assign any Item of Equipment to service including the regular operation and maintenance thereof outside the United States of America. No assignment or sublease entered into by the Lessee hereunder shall relieve the Lessee of any liability or obligations hereunder which shall be and remain those of a principal and not a surety.

17.3. Merger, Consolidation or Acquisition of Lessee. Nothing in this Section 17 shall be deemed to restrict the right of Lessee to assign or transfer its leasehold interest under this Lease in the Equipment or possession of the Equipment to any corporation (which shall have duly assumed the obligations hereunder of Lessee) into or with which the Lessee shall have become merged or consolidated or which shall have acquired or leased all or substantially all of the lines of the railroad of the Lessee, provided that such assignees, successors or transferees will not, upon the effectiveness of such merger or consolidation or acquisition of properties, be in default under any provision of this Lease and that such merger or consolidation or acquisition of properties shall not alter in any way the Lessee's obligation to the Lessor hereunder which shall be and remain those of a principal and not a surety.

SECTION 18. OPINION OF LESSEE'S COUNSEL.

Concurrently with the delivery and acceptance of the first Item of Equipment hereunder, the Lessee will deliver to the Lessor eight counterparts of the written opinion of counsel for the Lessee addressed to the Lessor, the Trustor, the Assignee and the Investor, in scope and substance satisfactory to such parties, to the effect that:

(a) The Lessee is a corporation legally incorporated and validly existing, in good standing, under the laws of the State of Delaware;

(b) The Lessee has the corporate or other power and authority to own its property and carry on its business as now being conducted and is duly qualified to do business as a foreign corporation in all states in which such qualification is necessary to carry out the terms of the Lease;

(c) This Lease, the Conditional Sale Agreement, the Indemnity Agreement dated as of May 1, 1976 (the "Indemnity Agreement") between the Lessee and the Trustor and the Finance Agreement have each been duly authorized, executed and delivered by the Lessee and constitute the valid, legal and binding agreements of the Lessee enforceable in accordance with their respective terms;

(d) This Lease has been filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and no other filing, recording or depositing is necessary to protect the Lessor's title to the Equipment in the United States of America;

(e) No approval, consent or withholding of objection is required from any public regulatory body with respect to the entering into or performance by the Lessee of the Conditional Sale Agreement, the Finance Agreement, the Indemnity Agreement or this Lease.

(f) The execution and delivery by the Lessee of the Conditional Sale Agreement, the Finance Agreement, the Indemnity Agreement and this Lease do not violate any provision of any law, any order of any court or governmental agency, the Charter or By-laws of the Lessee, or any indenture, agreement, or other instrument to which the Lessee is a party or by which it, or any of its property is bound, and will not be in conflict with, result in the breach of, or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Lessee, except as contemplated and permitted hereby; and

(g) As to any other matter which the Lessor shall reasonably request.

SECTION 19. INTEREST ON OVERDUE RENTALS AND AMOUNTS PAID BY LESSOR.

Anything to the contrary herein contained notwithstanding, any nonpayment of rentals or part thereof due hereunder, or amounts expended by the Lessor on behalf of the Lessee, shall result in the additional obligation on the part of the Lessee to pay an amount equal to 10.50% per annum (or the lawful rate, whichever is less) on the overdue rentals or part thereof and amounts expended for the period of time during which they are overdue or expended and not repaid.

SECTION 20. RIGHT OF FIRST REFUSAL AND OPTION TO RENEW.

20.1. Right of First Refusal. Provided that no Event of Default (or event which with the lapse of time or giving of notice, or both, would become an Event of Default) shall have occurred and be continuing, the Lessor agrees that 60 days prior to any sale, assignment, transfer or conveyance of any interest in the Equipment or any Item thereof by the Lessor at any time after the expiration of the original term of this Lease or any extended term hereof, the Lessor shall first offer such interest to the Lessee, who is hereby granted the preferential right to purchase for cash such interest (but not a lesser or different interest) on the same terms offered by or to any independent, bona fide, prospective purchaser, ready, willing and able to so purchase. In the event that the consideration offered to be paid for such interest is not wholly in cash or if the Lessor and the Lessee shall not agree upon the cash value of the offered consideration other than cash, then such cash value shall be determined by appraisal in accordance with the second full paragraph of this Section 20.1. In any such case the Lessor shall promptly communicate in writing to the Lessee the offer made to or received by it from such purchaser, together with the name and address of such purchaser (unless such purchaser demands confidentiality in which event the Lessor shall supply evidence in form satisfactory to the Lessee of the bona fide nature of such offer), and the Lessee shall have the right for a period of thirty days after the giving of said notice to elect to purchase such interest as aforesaid by giving written notice within such thirty-day period to the Lessor. If the Lessee does not elect to purchase such interest within such thirty-day period, the Lessor shall have the right to complete said sale, assignment, transfer or conveyance in accordance with said offer within 90 days after the expiration of said thirty-day period, provided that if the Lessor fails to complete said sale, assignment, transfer or conveyance within said period of 90 days, the preferential purchase right of the Lessee pursuant to this Section shall apply to any subsequent sale, assignment, transfer or conveyance. Upon any purchase of any Item of Equipment pursuant to this Section by the Lessee, the Lessor shall upon request of the Lessee execute and deliver to the Lessee, or to the Lessee's assignee or nominee, a Bill of Sale (without warranties) for each Item of Equipment such as will transfer to the Lessee such title to such Item of Equipment as the Lessor derived from the Manufacturer free and clear of all liens, security interests and other encumbrances arising through the Lessor.

The "Cash Value" of an Item of Equipment shall be determined on the basis of, and shall be equal in amount to, the cash value which would obtain in an arm's-length transaction between an informed and willing buyer-user (other than (i) a lessee currently in possession and (ii) a used equipment dealer) and an informed and willing seller under no compulsion to sell. If on or before 40 days prior to the date of purchase elected by the Lessee, the Lessor and the Lessee are unable to agree upon a determination of the cash value of an Item of Equipment, such cash value shall be determined in accordance with the following definition by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor

and the Lessee may mutually agree upon, or failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 15 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. The expenses and fees of the Appraiser shall be borne by the Lessee.

Notwithstanding any election of the Lessee to purchase as provided in this Section 20.1, the provisions of Section 11 hereof shall continue in full force and effect until the date of purchase and the passage of ownership of the Items of Equipment purchased by the Lessee upon such date unless the purchase price has been agreed upon by the parties pursuant to this Section 20.1, in which event the amount payable under Section 11 hereof shall be the greater of the amount otherwise payable under said Section 11 or such purchase price.

It is understood and agreed by the parties hereto that the Lessee's right to purchase the Equipment or any Item thereof pursuant to this Section 20.1 shall terminate two years after the date of expiration of the Lease, including any renewal term thereof.

20.2. Renewal Options. Provided that the Lessee is not in default hereunder, the Lessee shall have the following renewal options:

(a) The Lessee shall have the option to renew and extend this Lease as to all, but not less than all, of the Items of Equipment then leased hereunder for one or more (but not more than three) consecutive renewal terms of two years each upon and subject to the terms and conditions herein contained for the original term of this Lease; provided that the semiannual Fixed Rental payable for and during any such renewal term shall be an amount equal to the Fair Rental Value (as hereinafter defined) of such Items of Equipment. Each renewal term shall commence immediately upon the expiration of the preceding term. The Lessee shall give the Lessor written notice of any such election 180 days prior to the commencement of any renewal term provided for in this Section 20.2.

(b) The Fair Rental Value of an Item of Equipment shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing lessee (other than a lessee currently in possession) and an informed and willing lessor under no compulsion to lease. If on or before 60 days prior to the date of commencement of the renewal term elected by the Lessee, the Lessor and the Lessee are unable to agree upon a determination of the Fair Rental Value of the Item of Equipment, such value shall be determined in accordance with the foregoing definition by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree

upon, or failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. The expenses and fees of the Appraiser shall be borne by the Lessee.

20.3. Delivery of Equipment. Unless the Lessee has elected to purchase the Items of Equipment then leased hereunder or to renew this Lease in respect of such Items of Equipment as provided in this Section 20, all of such Items of Equipment shall be returned to the Lessor at the end of the original term, or the then current renewal term, as the case may be, in accordance with Section 13 hereof.

SECTION 21. MISCELLANEOUS.

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

21.2 Execution in Counterparts. This Lease, and any lease supplemental hereto, may be executed in several counterparts, each of which so executed shall be deemed to be an original and in each case such counterparts shall constitute but one and the same instrument.

21.3. Law Governing. This Lease shall be construed in accordance with the laws of Illinois; provided, however, that the parties shall be entitled to all rights conferred by any applicable federal statute, rule or regulation.

21.4. Limitations of Liability. It is expressly understood and agreed by and between the Lessor, the Trustor and the Lessee and their respective successors and assigns, that this Lease is executed by First National Bank and Trust Company of Evanston, not individually or personally but solely as Trustee under the Trust Agreement in the exercise of the power and authority conferred and vested in it as such Trustee (and First National Bank and Trust Company of Evanston hereby warrants that it possesses full power and authority to enter into and perform this Lease); and it is expressly understood and agreed that nothing herein contained shall be construed as creating any liability on the Lessor or the Trustor, individually or personally, to perform any covenant either express or implied contained herein, all such liability, if any, being expressly waived by the Lessee and by each and every person now or hereafter claiming by, through or under the Lessee; and that so far as the Lessor or the Trustor, individually or personally are concerned the Lessee and any person claiming by, through or under the Lessee shall look solely to the Trust Estate as defined in the Trust Agreement for the performance of any obligation under this Lease. Notwithstanding the foregoing, nothing in this Section 21.4 shall be deemed to prevent enforcement of any claim for damages based upon the gross negligence or wilful misconduct of the Lessor or the Trustor.

21.5. Severability. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall be, as to such jurisdiction ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provisions in any other jurisdiction
