WHEREAS, the Owners and the Lessee entered into an Indemnity Agreement dated as of December 1, 1979 (the "Indemnity Agreement").

WHEREAS, the Lessee, the Agent, the Owners, the Lessor, the Investors, The Connecticut National Bank, as security trustee (the "Security Trustee"), and others are entering into a Master Agreement Regarding the Restructuring of Obligations of The Pittsburgh and Lake Erie Railroad Company dated as of May 1, 1985 (as amended from time to time, the "Master Agreement"), pursuant to which, among other things, the lease obligations of the Lessee under the Lease and under certain of its other existing lease obligations are to be restructured.

WHEREAS, the parties hereto have agreed to amend the Participation Agreement, the CSA, the Lease, the Lease Assignment, the Consent, the Trust Agreement and the Indemnity Agreement so that such instruments, as amended, shall be consistent with the Master Agreement and the transactions contemplated thereby.

NOW, THEREFORE, in consideration of the representations and agreements hereinafter contained and as an inducement to the Agent, the Owners, the Lessor, the Lessee and the Investors to enter into and to perform their obligations under the Master

Agreement and the other transactions contemplated thereby, the parties hereto hereby agree as follows:

1. Pursuant to the Master Agreement, each of the Investors is delivering and assigning the certificate or certificates of interest previously received by such Investor from the Agent and issued to such Investor in accordance with the terms of the Participation Agreement to the Security Trustee in exchange for a new Certificate or Certificates of Interest to be issued by the Security Trustee under the Master Agreement. This Amendment Agreement is effective from and after the Closing Date, as defined in the Master Agreement, at which time all exchanges of certificates of interest shall have been accomplished. Accordingly, from and after the effective date of this Amendment Agreement, each reference to the Investors in the Participation Agreement or the Annexes or Exhibits thereto, as each such document is amended hereby, shall mean and refer to the Security Trustee or any of its successors, transferees or assigns.

2. Each of the payments and deposits required to be made by the Owners or the Investors pursuant to the Participation Agreement has been made and each such party has fully performed each of its undertakings and obligations under the Participation Agreement which was to be performed on or prior to the date hereof. Each of the payments and deposits required to be made by the Agent under Section 9 of the Participation Agreement has been

made. As of the date hereof, 834 units of equipment (the "Units"), as more fully described in Annex A hereto, have been conditionally sold by the Agent, as assignee of the Builder, to the Lessor pursuant to the CSA, and are under lease to the Lessee pursuant to the Lease. The aggregate Purchase Price, as defined in Section 4.1 of the CSA, for all such units was \$33,231,750. The aggregate amount of CSA Indebtedness, as defined in the CSA, outstanding at June 30, 1983, including interest thereon accrued to such date, is \$21,494,001. All rentals and other payments required to be made by the Lessee under the Lease on or before June 30, 1983 were timely paid and all principal, interest and other payments required to be made by the Lessor under the CSA on or before June 30, 1983 were timely paid. (b) The respective certificates of interest of the Investors issued pursuant to the Participation Agreement (and substantially in the form of Exhibit C to the Participation Agreement) and transferred to the Security Trustee pursuant to Section 3.1 of the Master Agreement shall be deemed amended to be consistent with the terms and provisions of this Amendment. The

Security Trustee is hereby authorized to place a legend on each such certificate of interest as follows:

Morgan Interfunding Corp. and The Connecticut Bank and Trust Company, N.A., not in its individual capacity but solely as trustee. In the case of any inconsistency between any provision in this Certificate of Interest and any provision in the aforesaid Amendment Agreement No. 1, the provisions of said Amendment Agreement No. 1 shall govern. Further inquiry as to the terms and provisions of said Amendment Agreement No. 1 should be made of First Security Bank of Utah, N.A., as agent.

4. The CSA is amended, as follows:

(a) Article 1 is amended, as follows:

(i) The caption to Article 1 is deleted and the following inserted in lieu thereof:

"(a) on the Closing Date with respect to each Group, and in installments which became due on or before June 30, 1983, the Trustee has paid to the Vendor an amount equal to the aggregate Purchase Price of the Equipment minus the portion thereof which is payable in installments pursuant to subparagraph (b) of this paragraph 4.3; and

(b) in 44 quarterly installments, as hereinafter provided, an amount equal to \$21,494,001, representing the portion of the Purchase Price of the Equipment (including accrued interest) remaining unpaid on and as of June 30, 1983, (the portion of the Purchase Price payable under this subparagraph (b) being hereinafter called the "CSA Indebtedness")."

(c) Article 4 is amended by deleting the present paragraph 4.4 thereof in its entirety and by substituting therefor the following:

Except as expressly set forth in this Agreement or in Amendment No. 1, the Trustee shall not have the right to prepay all or any portion of the CSA Indebtedness.

(2) If any of the dates for payment of principal or interest is not a "Business Day" (as defined in the Master Agreement), such payment shall be payable on the next succeeding Business Day, without adjustment for interest on such payment for the intervening period."

### § 3. RENTALS

3.1 Amount and Date of Payment. For the period from the date each Unit was first leased to the Lessee hereunder to and including June 30, 1983, the Lessee paid to the Trustee, as rental, the amounts required to be paid pursuant to the provisions of this Lease then in effect. For the period from July 1, 1983 to and including June 30, 1985, the Lessee agrees to issue, or to cause the Security Trustee to issue, to the Trustee, as rental for such period, "Preferred Certificates" or "Preferred Stock" (as defined in the Master Agreement) in the "Preferred Certificate Par Value Amount" (as defined in the Master Agreement) or the Preferred Stock par value amount equal to \$4,298,800. For the period from July 1, 1985, to and including September 30, 2000, as to each Unit rental shall accrue and the Lessee shall pay to the Trustee, quarterly on September 30, December 31, March 31 and June 30 in each year commencing September 30, 1985 to and including September 30, 2000, (each such date being hereinafter called a "Payment Date"), an amount equal to (x) the amount then required to be paid by the Trustee pursuant to Article 4 of the CSA to pay the installment of principal then due, if any, and any accrued interest divided by (y) the number of Units subject to this Lease as of such Payment Date. In addition, subject to §3.2 and §3.3, there shall also accrue and the Lessee shall pay on and as of each Payment Date from and after December 31, 1996, to and including September 30, 2000, rentals as to each Unit in an amount equal to \$474.94, hereinafter referred to as "Excess Rentals."

3.2 Deferred Rentals. Notwithstanding §3.1, the payment of 80% of the Excess Rentals accrued and payable as of each Payment Date commencing December 31, 1996 through and including September 30, 2000 (or such earlier date as the New Obligations, as defined in the Master Agreement, are satisfied in full) shall be deferred (the aggregate amount of Excess Rentals so deferred as to each Unit being hereinafter referred to as the "Deferred Rentals"). The Deferred Rentals shall be payable, without interest, in 28 equal quarterly installments, until fully paid, on each December 31, March 31, June 30, and September 30, commencing December 31, 2000 through and including September 30, 2007. Unless sooner paid, any remaining obligation of the Lessee with respect to the Deferred Rentals shall be paid in full to the Trustee on September 30, 2007. Notwithstanding the above, on the first Payment Date occurring after all such New Obligations have been satisfied in full, the Lessee's payment obligation shall be adjusted to be in an amount sufficient to fully satisfy in eight equal quarterly payments the balance of its entire obligation with respect to Deferred Rentals.

3.3. Adjustment to Excess and Deferred Rentals. Upon a Unit ceasing to be subject to this Lease or a Casualty Occurrence (as defined in §7 hereof) to a Unit, no Excess or Deferred Rentals shall accrue or be payable with respect to such Units.

3.4 Payment on Non-Business Days. In any case where the date fixed hereunder for the payment of any amount by the Lessee shall not be a "Business Day" (as defined in the Master Agreement), then payment of the amount due need not be made on such date but shall be made, without interest, on the preceding "Business Day" (as defined in the Master Agreement).

3.5 Instructions to Pay Vendor. Until the Vendor shall have advised the Lessee in writing that all sums due from the Trustee under the CSA have been fully satisfied and discharged, the Trustee irrevocably instructs the Lessee, and the Lessee hereby acknowledges

the receipt of such instruction, to make all the payments provided for in this Lease (except the portion of the Excess Rental payable to the Trustee pursuant to § 3.1 hereof which is not being deferred pursuant to § 3.2 hereof, which shall be paid by the Lessee to the Trustee to the extent that the Trustee is entitled thereto) to the Vendor, for the account of the Trustee, with instructions to the Vendor to apply such payments to satisfy the obligations of the Trustee under the CSA. If the Lessee shall have been advised by the Vendor in writing that all sums due from the Trustee under the CSA have been fully discharged and satisfied, the installments of rental and any other amounts payable by the Lessee hereunder shall be paid directly to the Trustee.

3.6. Payment in Immediately Available Funds. The Lessee agrees to make each payment provided for herein as contemplated by § 3.1 in immediately available funds at or prior to 10:00 a.m. in the city where such payment is to be made."

having suffered a "Casualty Occurrence" (as defined in the Master Agreement) during the term of the Lease.

7.2 Definition of Casualty Occurrence and Casualty Value; Payments. (1) In the event that any Unit shall suffer a "Casualty Occurrence", as defined in the Master Agreement, during the term of this Lease or until such Unit is returned pursuant to § 14 or 17 hereof, or the Purchase Price of any Unit shall have been refunded by the Builder of such Unit pursuant to the terms of its patent indemnity therefor or any Unit shall be sold or disposed of by the Lessee as agent of the Trustee, in accordance with the provisions of § 7.1 hereof (any such occurrence being hereinafter called a "Casualty Occurrence"), the Lessee shall promptly and fully notify the Trustee and the Vendor with respect thereto.

(2) The Casualty Value of each Unit suffering a Casualty Occurrence shall be the Net Disposition Proceeds, as defined in the Master Agreement, received by the Lessee from the sale, scrapping or other disposition of such Unit, including any insurance proceeds received by the Lessee on account of any policy of insurance maintained by the Lessee and any other payments paid to the Lessee by a sublessee or other third party and attributable to the loss or destruction of such Unit, and in the case of the use of any component of any Unit by the Lessee, Casualty Value shall include the fair market value of such component. The Casualty Value of any Unit sustaining a Casualty Occurrence shall be paid by the Lessee to the Trustee, for application pursuant to the provisions of the CSA, promptly upon the receipt by the Lessee of funds constituting "Net Disposition Proceeds", as defined in the Master Agreement, with respect to such Unit, and in the case of the use of any component of any Unit by the Lessee, promptly after the Lessee first makes use of such component. Upon the making of such payment by the Lessee in respect of any Unit, the term of this Lease as to such Unit shall terminate but the Lessee's obligations hereunder, including obligations to pay rentals, shall continue unabated.

(3) Upon a Casualty Occurrence to a Unit and the payment of the Casualty Value thereof to the Trustee for application as aforesaid, all right, title and interest of the Trustee in and to such Unit (other than the right to receive the Casualty Value of such Unit, as described above) shall terminate and, from and after such date, the Lessee or its designee shall be entitled to the use and possession of such Unit free and clear of the interest of the Trustee and, if so requested by the Lessee, the Trustee shall execute and deliver to the Lessee or its designee a bill of sale or other instrument as may be reasonably requested by the Lessee conveying to the Lessee or its designee, without warranty, the Trustee's interest in such Unit."

If the Trustee shall receive (directly or from the Lessee) any insurance proceeds or condemnation payments in respect of any Units suffering a Casualty Occurrence, the Trustee shall promptly pay such insurance proceeds or condemnation payments to the Vendor for application pursuant to the provisions of the CSA."

(h) Section 13.1 is amended by adding the following Subsection thereto:

"(H) Any Event of Default under Subparagraph 16.1(f) of the CSA shall have occurred."

(i) Section 13 is amended by deleting the portion of Section 13.1 appearing after paragraph (H) thereof and by substituting therefor the following:

"then (i) in the case of any one or more Events of Default having occurred under Section 13.1(H) hereof, this Lease shall automatically terminate and the Lessor shall have all of the rights and remedies set forth in clause (b) below; provided, however, if any such Event of Default shall have occurred as a result solely of an event of default having occurred under paragraph 16.1(g) of the CSA and such event of default is deemed waived pursuant to the terms and provisions of said paragraph 16.1(g) of the CSA, the aforesaid Event of Default under Section 13.1(H) hereof arising therefrom shall be deemed waived and this Lease, and all the terms and provisions hereof, shall be reinstated as if such Event of Default never occurred or (ii) in the case of any other Events of Default hereunder, if a "Declaration of Default" (as defined in the CSA) shall have been declared by the Vendor under the CSA and not withdrawn, the Trustee, at its option but subject to the provisions of the Master Agreement, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Trustee may by its agents enter upon the premises of the Lessee or other premises, insofar as the Lessee may be lawfully authorized so to permit, where any of the Units may be located, without judicial process if this can be done without breach of the peace and in accordance with due process of law, and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from

any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Trustee shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee as damages for loss of the bargain and not as a penalty an amount equal to the excess, if any, of the Stipulated Loss Value, determined pursuant to Annex B hereto, as of the rental Payment Date (referred to in § 3.1 hereof) on or next preceding the date of termination over the amount the Trustee reasonably estimates to be the sales value of such Unit at such time.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the Trustee's remedies with respect thereto, including all costs and expenses incurred in connection with the return of any Unit."

(i) Section 13 is amended by adding a new Section 13.4

as follows:

13.4 Additional Remedies. In addition to any other remedies, including, without limitation, Stipulated Loss Value, upon a Unit ceasing to be subject to this Lease or a Casualty Occurrence (as defined in Section 7 hereof) to a Unit, the Lessee shall be obli-

gated to pay, as liquidated damages for loss of a bargain, and not as a penalty, to the Vendor in quarterly, without interest, installments commencing on what would have been the next Payment Date (as defined in §3.2 hereof) or December 31, 1996, whichever is later, the amounts set forth in Schedule A as of each Payment Date thereafter, if the New Obligations, as defined in the Master Agreement, are outstanding on such Payment Date. On the first such Payment Date occurring after such New Obligations are satisfied in full, the Lessee's obligation to pay the remaining amounts provided for in Schedule A shall be satisfied in eight equal quarterly payments, commencing on such first Payment Date occurring after the New Obligations are satisfied in full. Notwithstanding the foregoing, no amounts shall be payable by the Lessee under this §13.2 upon an early termination of this Lease with respect to any Unit as to which the Trustee obtained possession as a result of the exercise by the Trustee of its right to possession of all of the Units pursuant to Section 10(a) or 10(d) of Amendment No. 1 to this Lease.

(j) Section 15 is amended by deleting Section 15.1 thereof and by substituting therefor the following:

"15.1 Assignment; Consent. The Lessee hereby acknowledges the assignment of the Lease pursuant to the Lease Assignment. No further assignment of this Lease or any portion hereof by the Trustee shall be permitted without the written consent of the Vendor and the Security Trustee. The Vendor may assign the Lease or its interest therein without the consent of the Trustee, the Lessee or the Owners."

(k) Section 15 is further amended by deleting paragraph (2) of Section 15.2 thereof and by substituting therefor the following:

"(2) So long as no Event of Default exists hereunder and no event of default exists under the CSA, the Lessee shall be entitled to (i) the possession and use of the

Units by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract and shall be entitled to permit the use of the Units upon connecting and other carriers in the United States of America or as otherwise permitted by the Master Agreement in the usual interchange of traffic or pursuant to run-through agreements and (ii) subject to the provisions of the Master Agreement, to assign its rights to the Units or to sublease the Units, but only upon and subject to all the terms and conditions of this Lease, the CSA and the Master Agreement; provided, however, that the Lessee shall not assign or sublease to, or permit the sublease or use of the Units by, any person in whose hands such Units would not qualify as "section 38 property" within the meaning of the Internal Revenue Code of 1954, as amended. For so long as no Event of Default exists hereunder and no event of default exists under the CSA and subject to the provisions of the Master Agreement, the Lessee may receive and retain compensation for the use of any of the Units from railroads or other entities so using such Units. Each sublease or assignment may provide that the rights of the sublessee or assignee to the quiet use, enjoyment and possession of the Units covered thereby shall not be impaired by any action of the Lessee, the Trustee, the Agent or the Security Trustee (or by any person claiming by, through or under any thereof) so long as such sublessee or assignee is not in default under the terms of such sublease or assignment. No sublease or assignment shall extend beyond the term of this Lease. Each sublease or assignment which is for a term in excess of three (3) years shall provide that such sublease or assignment can be terminated by the Trustee without penalty upon three (3) years prior written notice to the sublessee or assignee in the event the Trustee acquires the Units covered thereby pursuant to the provisions of Section 10 of Amendment No. 1."

Upon request of the Trustee, the Lessee or any Subsidiary of the Lessee shall execute such documents as the Lessor may reasonably request to evidence the termination of this Lease in respect of the aforesaid Units.

1.1 Amendment Agreement No. 1 Controlling. The Trustee, the Vendor and the Lessee are parties to Amendment Agreement No. 1 ("Amendment No. 1"), dated as of May 1, 1985, pursuant to which certain amendments were effected to the GECC Financing Agreements (as such term is defined in the Master Agreement Regarding the Restructuring of the Obligations of The Pittsburgh and Lake Erie Railroad Company (as amended from time to time, the "Master Agreement"), dated as of May 1, 1985, among the parties to Amendment No. 1 and certain other parties named therein). the CSA, including obligations to pay accrued interest on and the principal of the CSA Indebtedness (as defined in the CSA), whether or not then due in accordance with the terms of the CSA,

(h) any Loss which results from any action taken by the Lessee or any other party to the Master Agreement with the express consent of the Owners."

(b) Section 17 is amended by adding the following at the end thereof:

10. The following provisions shall apply to the Participation Agreement, the Lease, the Lease Assignment, the Consent and the CSA. In the event of any inconsistency between the provisions of any such document, as amended hereby, and the provisions of this Section 10, the provisions of this Section 10 shall govern:

(a) Right of Prepayment of CSA Indebtedness.

Notwithstanding anything contained in the Participation Agreement, the Lease, the Lease Assignment, the Consent, or the CSA to the contrary, the Lessor shall have the right to obtain possession of all, but not less than all, of the Units, free and clear of the rights of the Lessee and its subsidiaries under the Lease and the lien in favor of the Agent under the CSA, upon the satisfaction in full of the following conditions precedent:

(i) The Lessor shall have given the Agent twenty (20) Business Days (as such term is defined in the Master Agreement) prior written notice of its intent to prepay the CSA Indebtedness and shall have paid to the Agent in immediately available funds an amount equal to the sum of (1) the then remaining aggregate principal amount of the CSA Indebtedness plus interest accrued thereon to the date of prepayment plus (2) a premium equal to twenty percent (20%) of such principal amount;

(ii) no Payment Order (as such term is defined in the Master Agreement) shall have

been delivered to the Lessee, or, if any such Payment Order shall have been delivered, it shall have been rescinded and annulled pursuant to Section 9.3 of the Master Agreement; and

(iii) the Lessor, simultaneously with its exercise of its rights under this Section 10(a), shall have exercised its identical rights under, and fulfilled all the conditions set forth in, Section 10(a) of each of the other GECC Amendments (as such term is defined in the Master Agreement).

Upon satisfaction of such conditions precedent, the Lease and the lien in favor of the Agent under the CSA shall, without further action, terminate (subject to the rights of any sublessee), and all of the Lessee's and its subsidiaries' rights, title, interest and obligations in, to and under the Lease, and all of the Agent's rights, title, interest and obligations in, to and under the CSA, shall likewise, without further action, terminate; provided, however, that upon request from the Lessor, the Agent, the Lessee or any of the Lessee's subsidiaries, the Lessor, the Agent, the Lessee or any such subsidiary, as the case may be, shall execute such documents to evidence such termination as such party may reasonably request.

(b) Additional Lessor Rights.

(i) Disposition of Units. The Lessee shall make no Disposition (as such term is defined in the Master Agreement) of any Unit or Units or any interest of the Lessee therein except as provided in Section 7.2 of the Lease, Section 15.2 of the Lease or as hereinafter provided in this Section 10(b).

(ii) Offer Criteria. Any offer to purchase a Unit solicited by the Lessee pursuant to the exercise of its rights under Section 7.20 and Section 7.21 of the Master Agreement

may be proposed to the Lessor, in accordance with the terms of Section 10(b)(iii) of this Amendment, if:

(A) the sale is to be consummated on or after January 30, 1987.

(B) the sale conforms to the requirements of Section 11.2 of the Master Agreement, and,

(C) the sale conforms to the requirements of Section 11.7 of the Master Agreement.

Any offer which does not meet the above criteria shall not be proposed to the Lessor and shall not be consummated; provided, however, notwithstanding clause (B) and clause (C) above and the prohibition in respect of proposing and consummating sales which do not meet the criteria thereof, on and after the date of any Low Price Sale (as such term is defined in the Master Agreement) in respect of any Unit or Units, the Lessee may propose to the Lessor and consummate, in accordance with the terms of Section 10(b)(iii) of Amendment No. 1, any sale of any Unit meeting only the requirements of clause (A) above; provided further, however, that at all times after the Reinstatement Date (as such term is defined in the Master Agreement) with respect to any Low Price Sale, the requirements of clause (B) and clause (C) above and the prohibition in respect of proposing and consummating sales which do not meet the criteria thereof shall again be applicable.

(iii) Right of Possession. The Lessee shall deliver to the Lessor, at least fifteen (15) Business Days (as such term is defined in the Master Agreement) prior to the date of any proposed sale meeting the conditions set forth in Section 10(b)(ii) of this Amendment, a

written notice specifying the terms and conditions of such proposed sale, and the Lessor shall have the right, exercisable by delivery of a written acceptance notice not later than five (5) Business Days prior to the date of such proposed sale, to prepay CSA Indebtedness (as provided in this Section 10(b)) and to obtain possession of the Units which are the subject of such sale upon the same terms and conditions as are set forth in the aforesaid Lessee's written notice (such right being hereinafter referred to as a "Right of Possession"). If the Lessor shall elect not to exercise its Right of Possession, the Lessor shall take such steps as shall be necessary to aid in the consummation of such proposed sale. Upon the consummation of any such sale and the receipt by the Agent of the Net Disposition Proceeds (as such term is defined in the Master Agreement) arising therefrom or upon the exercise by the Lessor of its Right of Possession and the receipt by the Agent from the Lessor of an amount equal to such Net Disposition Proceeds (determined as if such sale had been consummated), title to the Units subject to such sale or Right of Possession shall vest in the Person purchasing such Units or the Lessor, as the case may be, free and clear of any lien securing the CSA Indebtedness and any right, title, or interest of the Lessee (or any of its subsidiaries) in, to or under the Lease (subject to the rights of any sublessees thereunder).

(iv) Application of Proceeds. The Net Disposition Proceeds from any such sale or the amount equal thereto (determined as if such sale had been consummated) payable by the Lessor upon the exercise of its Right of Possession shall constitute a prepayment of the CSA Indebtedness and shall reduce ratably the unpaid balance (and accrued and unpaid interest thereon) of each installment of CSA Indebtedness.

(v) Time for Consummation. Upon the failure of the Lessor to exercise its Right of Possession or to pay to the Agent the amount provided for in Section 10(b)(iii) of this Amendment which is payable in connection with the exercise of such Right of Possession, the Lessee shall have the right to sell to any

Person (as such term is defined in the Master Agreement) the Unit or Units in respect of which such Right of Possession was or was not exercised, as the case may be, on the terms and conditions not more favorable than the terms and conditions of which the Lessor had been given written notice pursuant to Section 10(b)(iii) of this Amendment, and to execute and deliver any and all documents and instruments in connection therewith. The right to sell the aforesaid Units shall terminate on, and any sale of such Units shall be consummated on or prior to, the date which is one hundred (100) days after the date of the receipt by the Lessor of the written notice from the Lessee referred to in Section 10(b)(iii) of this Amendment.

(vi) Finder's Fee. The Lessee shall be entitled to no fees or compensation of any kind for soliciting offers to purchase Units or for any assistance rendered in the sale of Units but shall be entitled to deduct its costs and expenses from the Gross Proceeds (as such term is defined in the Master Agreement) thereof, as provided for in Section 7.21 of the Master Agreement.

(c) Sale of Units by Agent.

(i) Subject to this Section 10(c), any sale by the Agent pursuant to Article 17 of the CSA may be held or conducted at New York, New York, at such time or times as the Agent may specify (unless the Agent shall specify a different place or places, in which case the sale shall be held at such place or places as the Agent may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general, in such manner as the Agent may determine, so long as such sale shall be in a commercially reasonable manner. The Agent, the Lessor or the Lessee may bid for and become the purchaser of all or any of the Units so offered for sale; provided, however, that any bid offered by the Lessor at such sale shall be an all-cash bid. The Lessor and the Lessee shall be given written notice of such sale not less than thirty (30) days prior thereto, by telegram or registered mail addressed as provided

in Article 21 of the CSA. In the event that the amount of any all-cash bid offered by the Lessor at such sale shall equal or exceed the amount of the highest other purchase offer in respect of the Units then being sold (the "Railcar Purchase Offer") as determined by the Agent in its sole discretion (subject to Section 10(c)(iv)) of Amendment No. 1, the Lessor shall have the right, upon payment of such all cash bid, either

(A) to acquire the Units which are the subject of such sale or

(B) to redeem (herein referred to as the "Redemption Option") all of said Units (the "Redeemed Units").

(ii) Any successful bidder, including, without limitation, the Lessor, at the sale shall take title in and to the Units which are the subject of such sale or the Redeemed Units, as the case maybe, free and clear of any lien thereon securing the CSA Indebtedness and any right or interest therein of the Lessee (or any of its subsidiaries) under the Lease (subject to the rights of any sublessee thereunder). If the Lessor shall exercise its Redemption Option, any Units not constituting Redeemed Units shall continue, notwithstanding the exercise of said Option, to be subject to the lien of the CSA securing the then outstanding CSA Indebtedness. The funds received in respect of any Railcar Purchase Offer shall be applied, pursuant to and in accordance with the terms of the CSA, to the CSA Indebtedness, the accrued and unpaid interest thereon, and the other amounts owing thereunder to the Agent. The funds received in respect of any all cash bid of the Lessor, less any Applicable Premium, shall be applied, pursuant to and in accordance with the terms of the CSA, to the CSA Indebtedness, the accrued and unpaid interest thereon, and the other amounts owing thereunder to the Agent. The Applicable Premium paid in connection with all cash bid of the Lessor shall satisfy, in full, any premium then due pursuant to Section 16.1 of the CSA. The exercise by the Lessor of its Redemption Option shall not constitute a waiver of any Declaration of Default which gave rise to such Redemption Option. In the

event that the Agent shall be the purchaser of any of the Units which are the subject of such sale, it shall not be accountable to the Lessor (except to the extent of surplus money received as provided in Article 17 of the CSA), and in payment of the purchase price therefor, the Agent shall be entitled to have credited on account thereof all or any part of the sums due to the Agent under the CSA,

(iii) The "Applicable Premium" means, with respect to each all cash bid of the Lessor, the lesser of (1) the excess, if any, of the all cash bid of the Lessor over the aggregate amount of the CSA Indebtedness Per Unit for each of the Units which is the subject of the sale giving rise to such bid or (2) 20% of the aggregate principal amount of the CSA Indebtedness per Unit for each of the Units which is the subject of such sale. The "CSA Indebtedness Per Unit" means, as to any Unit, an amount equal to the quotient of (x) the CSA Indebtedness outstanding on the date of the receipt by the Agent of the funds in respect of the Lessor's all cash bid divided by (y) the number of Units subject to this Agreement on said date.

(iv) In comparing the all-cash offer of the Lessor with all other Railcar Purchase Offers, the value of all noncurrent payments, if any, included in such other Railcar Purchase Offers shall be discounted annually to the date of the sale at a rate per annum equal to the Base Rate (as such term is defined in the Master Agreement) in effect at the time of comparison.

(v) If any sale or redemption pursuant to Section 10(c)(i) of Amendment No. 1 occurs on or after both the 25% Date and the date of any Low Price Sale (as such terms are defined in the Master Agreement and determined in respect of only the Units covered by the CSA) or, in the case of a sale, constitutes such Low Price Sale or, in the case of a redemption, would have constituted such Low Price Sale if the Lessor acquired, rather than redeemed, the Redeemed Units, the Agent, upon prompt written notice thereof from the Lessee or the Lessor and receipt of appropriate instructions from the Security Trustee, shall,

by exercising its rights under the CSA, on or before one hundred and eighty (180) days after the date of such Low Price Sale, sell at one or more public or private sales and in such lot or lots and at such prices and on such terms as it, in its sole discretion, may determine all of the then remaining Units; provided, however, if during such one hundred and eighty (180) day period, the Agent or Security Trustee shall sell or cause a sale or sales of Unit or Units and as a result thereof the CSA Indebtedness Per Unit determined immediately after such sale or sales equals or is less than the CSA Indebtedness Per Unit immediately preceding such Low Price Sale, the Agent shall not be obligated to complete the sale of the then remaining units within said one-hundred and eighty (180) day period; provided further, however, if as a result of any further sale or sales by the Security Trustee or Agent, a subsequent Low Price Sale or Low Price Sales shall result, the terms of this Section 10(c)(v) shall again apply.

(d) Certain Lessor Rights. At any time during the continuance of a Declaration of Default (as such term is defined in the CSA) the Agent, with or without retaking possession thereof, at its election and upon reasonable notice to the Lessor, the Lessee and any other persons to whom the law may require notice of the time and place, may sell any or all of the Units, free from any and all claims of the Lessor, the Lessee or any other party claiming from, through or under the Lessor or the Lessee, at law or in equity, at public or private sale and with or without advertisement as the Agent may determine; provided, however, that if, prior to such sale and prior to the making of a contract for such sale and subject to the further provision set forth hereinafter, the Lessor should tender full payment of the total unpaid balance of the CSA Indebtedness, plus a premium

equal to twenty percent (20%) of the principal amount thereof, together with interest thereon accrued and unpaid and all other payments due under the CSA as well as expenses, if any, of the Agent in retaking possession of, removing, storing, holding and preparing the Units for sale, and otherwise arranging for the sale thereof and the Agent's reasonable attorneys' fees in connection therewith, then upon receipt of such payment, expenses and fees by the Agent, absolute right to the possession of, title to, and property in, the Units shall pass to and vest in the Lessor free and clear of any lien securing the CSA Indebtedness and any right or interest in the Units of the Lessee (or any of its subsidiaries) under the Lease (subject to the rights of any sublessee thereunder); provided further, however, that if, (i) after payment in full of all principal of, and accrued and unpaid interest on, all Certificates of Interest (as such term is defined in the Master Agreement) and (ii) prior to the aforesaid sale and prior to the making of a contract for such sale, the Lessor (A) should tender (1) fifty percent (50%) of the total unpaid balance of the CSA Indebtedness together with accrued and unpaid interest thereon, and (2) all other payments due under the CSA as well as all expenses of the Lessor, if any, in retaking possession of, removing, storing, holding and preparing the Units for sale, and otherwise arranging for the sale thereof and the Agent's reasonable attorneys' fees in connection therewith, and (B) shall exercise its identical rights under, and fulfill all the conditions thereto set forth in, Section 10(d) of all of the

other GECC Amendments (as such term is defined in the Master Agreement), then upon receipt of such payment, expenses and fees by the Agent within thirty (30) days after giving the Lessor written notice as provided in Section 10(c) of Amendment No. 1 of such sale, absolute right to the possession of, title to, and property in, all of the Units shall pass to and vest in the Lessor free and clear of any lien thereon securing the CSA Indebtedness and any right or interest therein of the Lessee (or any of its subsidiaries) under the Lease (subject to the rights of any sublessee thereunder). The proceeds of such sale or other disposition, less any reasonable attorneys' fees and any other expenses incurred by the Agent in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of any of the Units, shall be credited on the amount due to the Agent pursuant to the CSA.

11. Except as amended hereby, the Participation Agreement, the CSA, the Lease, the Lease Assignment, the Consent, the Trust Agreement and the Indemnity Agreement shall continue in full force and effect and any reference to such documents in any agreement contemplated thereby shall mean such documents as amended hereby.

12. This Amendment may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall constitute a single instrument.

13. The Lessee shall cause this Amendment to be filed with the Interstate Commerce Commission pursuant to 49 U.S.C. §11303.

14. The execution and delivery of this Amendment by the Owners shall constitute the authorization and direction to the Trustee to execute and deliver this Amendment.
