RE: Filing of Supplementary Rider No. 1 ("Rider") dated as of September 11, 1979 to Car Leasing Agreement 8564 ("Lease") between North American Car Corporation ("NAC") and Turner Grain Company ("Lessee")

Dear Madam:

Enclosed for recording under 49 U.S.C. Section 11303 are an executed counterpart and four certified true copies of the Rider, which has been assigned to General Electric Credit and Leasing Corporation ("Assignee"), pursuant to a Bailment Agreement and Assignment of Leases ("Bailment Agreement") dated as of December 18, 1978 and amended on November 15, 1979 and recorded with the Interstate Commerce Commission on January 23, 1980, under Recordation No. 11417. Please record this Rider under that Recordation number.

The equipment is covered in the Rider and the names and addresses of the parties are as follows. The address of the Lessor, North American Car Corporation, is 222 South Riverside Plaza, Chicago, Illinois 60606 and the address of the above named Lessee is Box 246, Main Street, Cairo, Nebraska 68824. Please cross index this filing against the name of that Lessee.

The Rider supplements the Lease by subjecting the equipment described in the Rider to the terms of the Lease, thereby leasing the same to the Lessee. The Bailment Agreement provides that NAC shall hold, lease, maintain and perform certain administrative and other services with respect to the equipment covered by the Lease and that NAC assigns to Assignee all its interest in, but not its obligations under, the Lease (including amounts received or credited for mileage compensation relating to that leased equipment). The equipment covered by the Lease has been or is to be sold to Assignee.
