1.3 Duration of Security Interest. The Secured Party, its successors and assigns, shall have and hold the Collateral forever; provided, always, however, that if the Payor shall pay or cause to be paid all the indebtedness hereby secured and shall observe, keep and perform all the terms and conditions, covenants and agreements herein, in the Finance Agreement, the Management Agreement, the Other Agreements and the Notes contained, then these presents and the estate hereby granted and conveyed shall cease and this Security Agreement shall become null and void; otherwise to remain in full force and effect.

1.4 Excepted Rights in Collateral. There are expressly excepted and reserved from the security interest and operation of this Security Agreement the following described properties, rights, interests and privileges (hereinafter sometimes referred to as the Excepted Rights in Collateral) and nothing herein or in any other agreement contained shall constitute an assignment of the Excepted Rights in Collateral to the Secured Party:

(a) All payments of any indemnity under Sections 6 and 10.2 of the Management Agreement which by the terms thereof are payable to the Debtor for its own account;

(b) All rights of Debtor to demand, collect, sue for or otherwise obtain all amounts due on account of any indemnities or payments due or required to be paid to Debtor by the Railroad pursuant to Sections 6 and 10.2 of the Management Agreement; provided, however, that the rights excepted and reserved by this paragraph (b) shall not be deemed to include the exercise of any remedies provided for in Section 15 of the Management Agreement except those contained in Section 15.1(f)(1) thereof;

(e) All proceeds derived by Debtor from the transfer of its interest in the Equipment pursuant to Section 6 hereof.

Section 2. COVENANTS AND WARRANTIES OF THE PAYOR.

The Debtor covenants, warrants and agrees as to itself as follows:

2.1 Debtor's Duties. The Debtor covenants and agrees well and truly to perform, abide by and to be governed and restricted by each and all of the terms, provisions, restrictions, covenants and agreements set forth in this Security Agreement, the Finance Agreement, the Management Agreement, the Other Agreements and the Notes and in each and every supplement thereto or amendment thereof which may at any time or from time to time be executed and delivered by the parties thereto or their successors and assigns, to the same extent as though each and all of said terms, provisions, restrictions, covenants and agreements were fully set out herein and as though any amendment or supplement to the Finance Agree-

ment, the Management Agreement, the Other Agreements and the Notes were fully set out in an amendment or supplement to this Security Agreement.

2.2 Warranty of Title. The Debtor has the right, power and authority to grant a security interest in the Collateral to the Secured Party for the uses and purposes herein set forth; and the Debtor will warrant and defend the title to the Collateral against all claims and demands of persons claiming by, through or under the Debtor. The Debtor will not create, assume or suffer to exist any Lien on the Collateral other than Permitted Liens. As used herein, "Lien" shall mean any mortgage, pledge, security interest, encumbrance, lease, lien or charge of any kind (including any agreement to give any of the foregoing, any conditional sale or other title retention agreement and the filing of or agreement to give any financing statement under the Uniform Commercial Code of any jurisdiction). As used herein, "Permitted Liens" shall mean (a) the lien created by this Agreement; (b) the lien of taxes, assessments or governmental charges which are not at the time delinquent; and (c) the lien of taxes, assessments or governmental charges which are delinquent but the validity of which is being contested in good faith by appropriate action diligently pursued, provided that such proceeding shall suspend the collection of such taxes, assessments or governmental charges and, in the reasonable opinion of the Secured Party, the security interest in the Collateral, or any part thereof, would not be adversely affected or forfeited during the period of such contest; and (d) the rights of the Railroad under the Management Agreement; and (e) any liens and leases created pursuant to any transfers of the Equipment in accordance with Section 6 hereof which are subject and subordinate to the lien of Secured Party (which liens and lease shall not be foreclosed on without the express written consent of Secured Party, said consent not to be unreasonably withheld).

2.3 Further Assurances. The Debtor will, at its expense, do, execute, acknowledge and deliver all and every further acts, deeds, conveyances, transfers and assurances necessary or proper for the perfection of the security interest being herein provided for in the Collateral, whether now owned or hereafter acquired. Without limiting the foregoing but in furtherance of the security interest herein granted in revenues and other sums due and to become due under the Management Agreement, the Debtor covenants and agrees that it will cause the Railroad to be notified of such assignment and direct the Railroad to make all payments of such revenues and other sums due and to become due under the Man-

agement Agreement, other than the Excepted Rights in Collateral, directly to the Secured Party or as the Secured Party may direct.

2.4 After-acquired Property. Any and all property described or referred to in the granting clauses hereof which is hereafter acquired shall ipso facto, and without any further conveyance, assignment or act on the part of the Debtor or the Secured Party, become and be subject to the security interest herein granted as fully and completely as though specifically described herein, but nothing in this Section 2.4 contained shall be deemed to modify or change the obligation of the Debtor under Section 2.3 hereof.

2.5 Recordation and Filing. The Debtor will cause this Security Agreement and any supplements hereto, the Management Agreement, and any supplements thereto, and all financing and continuation statements and similar notices required by applicable law, at all times to be kept, recorded and filed at no expense to the Secured Party in such manner and in such places as may be required by law in order fully to preserve and protect the rights of the Secured Party hereunder, and Debtor shall give proof thereof to the Secured Party.

2.6 Modification of the Management Agreement. The Debtor will not:

(a) Declare a default or exercise the remedies of the Debtor under, or terminate or modify or accept a surrender of, or offer or agree to, any termination or modification or surrender of or waiver with respect to, the Management Agreement;

(b) Receive or collect or permit the receipt or collection of any payment under the Management Agreement, prior to the date for payment thereof provided for by the Management Agreement or assign, transfer or hypothecate (other than to the Secured Party or, subject and subordinate in all respects to the rights of Secured Party, to the Owner (as hereinafter defined) as referred to in Section 6 hereof) any rental payment then due or to accrue in the future under the Management Agreement;

(c) Sell, mortgage, transfer, assign or hypothecate (other than to the Secured Party hereunder and except as provided in Section 6 hereof) its interest in the Collateral or any part thereof or in any amount to be received by it from the use or disposition of the Equipment.

2.7 Power of Attorney in Respect of the Management Agreement. Debtor does hereby irrevocably constitute and appoint the Secured Party its true and lawful attorney with full power of substitution for it and in its name, place and stead, to ask, demand, collect, receive, receipt for, sue for, compound and give acquittance for any and all rents, income and other sums which are assigned under Sections 1.1 and 1.2 hereof with full power to settle, adjust or compromise any claim thereunder as fully as the Debtor could itself do, and to endorse the name of the Debtor on all commercial paper given in payment or in part payment thereof, and in its discretion to file any claim or take any other action or proceedings, either in its own name or in the name of the Debtor or otherwise, which the Secured Party may deem necessary or appropriate to protect and preserve the right, title and interest of the Secured Party in and to such rents and other sums and the security intended to be afforded hereby.

Section 3. POSSESSION USE AND MAINTENANCE OF PROPERTY; INSURANCE

3.1 Possession of Collateral. So long as there is no Event of Default hereunder or an event which with the giving of notice or lapse of time or both would constitute such an Event of Default, the Debtor shall be suffered and permitted to remain in full possession, enjoyment and control of the Equipment and to manage, operate and use the same and each part thereof with the rights and franchises appertaining thereto. It is expressly understood that the use, possession and control of the Equipment by the Railroad in compliance with the terms of the Management Agreement shall not constitute a violation of this Section 3.1.

3.2 Release of Property. So long as no default referred to in Section 15 of the Management Agreement has occurred and is continuing to the knowledge of the Secured Party, the Secured Party shall execute a release in respect of any Item of Equipment designated by the Railroad for settlement pursuant to Section 12 of the Management Agreement upon receipt from the Railroad of written notice designating the Item of Equipment in respect of which the Management Agreement will terminate, together with a statement that there is no such default thereunder, and the receipt from the Railroad of payment for the Casualty Value for such Item of Equipment in compliance with Section 12 of the Management Agreement.

3.3 Protection of Purchaser. No purchaser in good faith of property purporting to be released hereunder shall be bound to ascertain the authority of the Secured Party to execute the release, or to inquire as to any facts required by the provisions hereof for the exercise of such authority; nor shall any purchaser, in good faith, of any item or unit of the Collateral be under obligation to ascertain or inquire into the conditions upon which any such sale is hereby authorized.

Section 4. APPLICATION OF ASSIGNED RENTALS AND CERTAIN OTHER MONEYS RECEIVED BY THE SECURED PARTY

4.1 Application of Rentals; Certain Prepayments. So long as no Event of Default hereunder or event which with the giving of notice or lapse of time or both would constitute such an Event of Default has occurred and is continuing, the amounts from time to time received by the Secured Party which constitute payment of the installments of rental under the Management Agreement shall be applied, first, to the payment of the installments of principal and interest (and in each case first to interest and then to principal) on the installments of the Notes which have matured or will mature on or before the due date of the installments of rental which are received by the Secured Party, and second, the balance, if any, of such amounts held by the Secured Party after making the applications provided for herein shall be released promptly to or upon the order of the Debtor.

4.2 Application of Casualty Value Payments. So long as no Event of Default or event which with the giving of notice or lapse of time or both would constitute such an Event of Default has occurred and is continuing, the amounts from time to time received by the Secured Party which constitute settlement of the Casualty Value for any Item of Equipment pursuant to Section 12 of the Management Agreement shall be paid and applied as follows:

(a) First, an amount equal to the accrued and unpaid interest on that portion of the Notes to be prepaid pursuant to the following subparagraph (b) shall be applied on the Notes;

(b) Second, an amount equal to the Loan Value (as hereinafter defined) of such Item of Equipment for which settlement is then being made shall be applied to the prepayment of the Notes, without premium, so that each of the remaining installments of each Note shall be reduced in the proportion that the principal amount of the prepayment bears to the unpaid principal amount of the Notes immediately prior to the prepayment; and

(c) Third, the balance, if any, of such amounts held by the Secured Party after making the applications provided for by the preceding subparagraphs (a) and (b) shall be released promptly to or upon the order of the Debtor.

For purposes of this Section 4.2, the Loan Value, in respect of any Item of Equipment, shall be an amount equal to the product of (A) a fraction, the numerator of which is an amount equal to the Purchase Price of such Item of Equipment for which settlement is then being made and the denominator of which is the aggregate Purchase Price of all Items of Equipment then subject hereto times (B) the unpaid principal amount of the Notes immediately prior to the prepayment provided for in this Section 4.2 (after giving effect to all payments of installments of principal made or to be made on the date of prepayment provided for in this Section 4.2).

4.3 Application of Casualty Insurance Proceeds. The amounts received by the Secured Party from time to time which constitute proceeds of casualty insurance maintained by the Railroad in respect of the Equipment shall be applied by the Secured Party from time to time to any one or more of the following purposes:

(a) So long as no Event of Default has occurred and is continuing, the proceeds of such insurance shall, if the Equipment is to be repaired, be released to the Debtor to reimburse the Railroad for expenditures made for such repair upon receipt by the Secured Party of a certificate of an appropriate officer of the Railroad as required by the last paragraph of Section 12.1 of the Management Agreement;

(b) If the insurance proceeds shall not have been released to the Debtor pursuant to the preceding paragraph (a) within 180 days from the receipt thereof by the Secured Party, or if within such period the Railroad shall have notified the Secured Party in writing that the Management Agree-

ment in respect to any Item of Equipment is to be terminated in accordance with the provisions of Section 12 thereof, then so long as no Event of Default has occurred and is continuing to the knowledge of the Secured Party, the insurance proceeds shall be applied by the Secured Party as follows:

(i) First, to the prepayment of the Notes all in the manner and to the extent provided for by Section 4.2 hereof; and

(ii) Second, the balance, if any, of such insurance proceeds held by the Secured Party after making the applications provided for by the preceding subparagraph (i) shall be released promptly to or upon the order of the Debtor.

4.4 Multiple Notes. If more than one Note is outstanding at the time any such application is made, such application shall be made on all outstanding Notes ratably in accordance with the aggregate principal amount remaining unpaid thereon.

4.5 Default. If an Event of Default has occurred and is continuing, all amounts received by the Secured Party pursuant to Section 1.2 hereof shall be applied in the manner provided for in Section 5 in respect of proceeds and avails of the Collateral.

Section 5. DEFAULTS AND OTHER PROVISIONS.

5.1 Events of Default. The term Event of Default shall mean one or more of the following:

(a) Failure to receive payment of principal or interest on any Note as and when the same shall become due and payable, whether at the due date thereof or at the date fixed for any prepayment or by acceleration or otherwise, and any such default shall continue unremedied for five days; or

(b) An Event of Default, as defined and set forth in Section 15 of the Management Agreement; or

(c) Default on the part of the Payor in the due observance or performance of any covenant or agreement to be observed or performed by the Payor under this Security Agreement, and such default shall continue unremedied for

30 days after written notice from the Secured Party to the Payor specifying the default and demanding the same to be remedied; or

(d) Any representation or warranty on the part of the Payor or the Railroad made herein or in the Finance Agreement, the Management Agreement or the Other Agreements or in any report, certificate, financial or other statement furnished in connection with this Security Agreement, the Finance Agreement, the Management Agreement, the Other Agreements or the transactions contemplated herein or therein shall prove to be false or misleading in any material respect when made; or

(e) Any claim, lien or charge (other than Permitted Liens) shall be asserted against or levied or imposed upon the Equipment, and such claim, lien or charge shall not be discharged or removed within thirty calendar days thereafter; or

(f) Any proceeding shall be commenced by or against the Payor for any relief which includes or might result in any modification of the obligations of the Payor hereunder or under the Note under any bankruptcy or insolvency law or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions.

5.2 Secured Party's Rights. The Debtor agrees that when any Event of Default has occurred and is continuing, the Secured Party shall have the rights, options, duties and remedies of a secured party, and the Debtor shall have the rights and duties of a debtor, under the Uniform Commercial Code of the Commonwealth of Pennsylvania (regardless of whether such Code or a law similar thereto has been enacted in a jurisdiction wherein the rights or remedies are asserted) and, in addition, the Secured Party shall also have any and all rights conferred by 49 U.S.C. Section 11303 as well as the following rights and remedies:

(a) The Secured Party may, by notice in writing to the Payor declare the entire unpaid balance of the Notes to be immediately due and payable; and thereupon all such unpaid balance, together with all accrued interest thereon, shall be and become immediately due and payable. Notwithstanding anything to the contrary contained herein, the Debtor and its successors and assigns (the "Redeeming Party") shall have the right to redeem all but not less than all of the Items of Equipment owned by said Redeeming Party by

paying to Secured Party, within ten (10) days of the receipt by Debtor of the notice from the Secured Party, an amount equal to the Redemption Value (as hereinafter defined) for each Item of Equipment to be redeemed. For the purposes of this Section 5.2(a), the Redemption Value, in respect of any Item of Equipment shall be an amount equal to the product of (A) a fraction, the numerator of which is an amount equal to the Purchase Price (as defined in the Finance Agreement) of the Item or Items of Equipment to be redeemed and the denominator of which is the aggregate Purchase Price of all Items of Equipment then subject hereto, times (B) the unpaid principal amount of the Notes plus accrued and unpaid interest as of the date of payment of the Redemption Value. In addition to the Redemption Value, the Redeeming Party must also pay any and all costs and expenses incurred by Secured Party applicable to those Items of Equipment to be redeemed as would have been paid under Paragraph 5.6(a) hereinafter from the proceeds and/or avails of any sale. Upon payment of the Redemption Value and the costs and expenses referred to above, the redeemed Items of Equipment shall be released from all liens, claims or encumbrances of the Secured Party.

(b) The Secured Party personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Debtor, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession, remove, keep and store the Collateral, or use and operate or lease the Collateral until sold.

(c) The Secured Party may, if at the time such action shall be lawful (subject to compliance with any mandatory legal requirements), either with or without taking possession and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Debtor once at least ten days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of said Collateral, or any part thereof, at public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Secured Party may determine, and at any place (whether or not it be the location of the Collateral or

any part thereof) designated in the notice above referred to; provided, however, that any such sale shall be held in a commercially reasonable manner. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further published notice, and the Secured Party or the holder or holders of the Notes, or of any interest therein, may bid and become the purchaser at any such sale.

(d) The Secured Party may proceed to protect and enforce this Security Agreement and said Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder or for the appointment of a receiver or receivers for the Collateral or any part thereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other proper, legal or equitable remedy available under applicable law;

(e) The Secured Party may, with or without taking possession of the Collateral, transfer the Collateral to any insurer or other party in connection with the collection of any residual value or similar insurance proceeds relating to the Collateral; and

(f) The Secured Party may proceed to execise all rights, privileges and remedies of the Debtor under the Management Agreement and may exercise all such rights and remedies either in the name of the Secured Party or in the name of the Debtor for the use and benefit of the Secured Party.

5.3 Acceleration Clause. In case of any sale of the Collateral, or of any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Security Agreement, the principal of the Notes, if not previously due, and the interest accrued thereon, shall at once become and be immediately due and payable; also in the case of any such sale, the purchaser or purchasers, for the purpose of making settlement for or payment of the purchase price, shall be entitled to turn in and use the Notes and any claims for interest matured and unpaid thereon, in order that there may be credited as paid on the purchase price the sum apportionable and applicable to the Notes including principal and interest thereof out of the net proceeds of such sale after allowing for the proportion of the total purchase price required to be paid in actual cash.

5.4 Waiver by Payor. To the extent permitted by law, the Payor covenants that it will not at any time insist upon or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisement of the Collateral or any part thereof, prior to any sale or sales thereof to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and, to the full extent legally permitted, hereby expressly waives for itself and on behalf of each and every person, except decree or judgment creditors of the Payor, acquiring any interest through the Payor in, or title to, the Collateral or any part thereof subsequent to the date of this Security Agreement, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Secured Party, but will suffer and permit the execution of every such power as though no such power, law or laws had been made or enacted.

5.5 Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the property sold and shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all persons claiming the property sold or any part thereof, under, by or through the Debtor, its successors or assigns.

5.6 Application of Sale Proceeds. The proceeds and avails of any sale of the Collateral, or any part thereof, and the proceeds and the avails of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of costs and expenses of foreclosure or suit, if any, and of such sale, and of all property expenses, liability and advances, including legal expenses and attorneys' fees, incurred or made hereunder by the Secured Party or the holder or holders of the Notes and of all taxes, assessments or liens superior to the lien of

these presents, except any taxes, assessments or other superior lien subject to which said sale may have been made;

(b) Second, to the payment to the holder or holders of the Notes of the amount then owing or unpaid on the Note for principal and interest; and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid upon the Notes, then ratably according to the aggregate of such principal and the accrued and unpaid interest with application on each Note to be made, first, to unpaid interest thereon and, second, to unpaid principal thereof; such application to be made upon presentation of the Notes, and the notation thereon of the payment, if partially paid, or the surrender and cancellation thereof, if fully paid; and

(c) Third, to the payment of the surplus, if any, to the Debtor, its successors and assigns, or to whomsoever may be lawfully entitled to receive the same.

5.7 Discontinuance of Remedies. In case the Secured Party shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then, and in every such case, the Debtor, the Secured Party and the holder or holders of the Notes shall be restored to their former positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

5.8 Cumulative Remedies. No delay or omission of the Secured Party or of the holder of any Note to exercise any right or power arising from any default on the part of the Payor, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Secured Party, or the holder of any Note of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therfrom except as may be otherwise provided herein. The Secured Party may exercise any one or more or all of the remedies hereunder and no remedy is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing now or hereafter at law or in equity; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness

secured under this Security Agreement operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Secured Party or holder of the Notes be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

Section 6. TRANSFER OF EQUIPMENT.

The Secured Party agrees that the Debtor may transfer (including transfers prior to delivery and acceptance of the Equipment by the Railroad under the Management Agreement) its interest in the Collateral to a third party (the "Transferee") pursuant to the terms and conditions hereinafter set forth and the Debtor agrees that it will not sell or otherwise transfer its interest in the Collateral or any part thereof, unless the following conditions are met:

(a) The Debtor will deliver to the Secured Party any and all documents and will make such filing, registering or depositing of such documents at its sole cost and expense as may be required to continue in effect the perfected first security interest of the Secured Party in and to the Collateral.

(b) Each Transferee shall expressly acknowledge and agree in writing that the interest transferred to it by the Debtor is subject, and subordinate in all respects, to the security interest of the Secured Party in the Collateral under this Agreement.

(c) The Debtor shall, and hereby does, expressly acknowledge and agree that no such transfer shall in any way discharge or limit any of the Debtor's obligations under this Security Agreement, the Finance Agreement, the Lease and Management Agreement, the Notes and the Other Agreements.

(d) The Debtor shall promptly furnish the Secured Party with copies of all documents relating to such transfer.

(e) Each Transferee shall provide to the Secured Party a certificate signed by a responsible officer thereof representing and warranting as follows:

(i) that the purchase from Debtor of the Equipment and any management arrangement with Debtor with

regard to such Equipment is subject, and subordinate in all respects, to the security interest of Secured Party in the Collateral;

(ii) that the Transferee shall pay or discharge any and all claims, liens, charges or security interests claimed by any party from, through or under the Transferee, its successors or assigns not arising out of the transactions contemplated by this Security Agreement (but including tax liens arising out of the receipt by Transferee of income and proceeds from the Collateral) equal or superior to the security interest of Secured Party in the Collateral which if unpaid might become a claim, lien, charge or security interest on or with respect to such Collateral; provided, however, that the Transferee shall not be required to discharge such claim, lien, charge or security interest on or with respect to such Collateral so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of Secured Party, adversely affect its security interest in or to such Collateral or any portion thereof;

(iii) that the Transferee has full right, power and authority and all necessary licenses and permits to execute and deliver and to carry out the terms and provisions of the agreements and related documents (the "Transfer Documents") relating to its purchase of the Equipment;

(iv) that there are no proceedings pending, or to the Trnasferee's knowledge threatened, and to the Transferee's knowledge there is no existing basis for any such proceedings, against or affecting the Transferee in any court or before any governmental authority or arbitration board or tribunal which, if adversely determined, would materially and adversely affect the Transferee's right, power and authority to enter into the Transfer Documents or perform its obligations thereunder;

(v) that the Equipment acquired by the Transferee is free and clear of any liens or encumbrances which result from claims against the Transferee not relating to ownership of such Equipment, and the Transferee has not by affirmative act conveyed title to such Equipment to any person or entity or subjected the Equipment to any lien or encumbrance other than the Permitted Liens; and

(vi) that the Transferee will not further transfer or assign its interest in the Collateral without the prior written consent of Secured Party, which consent is not to be unreasonably withheld.
