SUBJECT:COMBINED FEDERAL CAMPAIGN RESULTS

Now that this year's CFC campaign is history, I want to take this opportunity to thank each and every member of the staff who contributed to this important program.

We reached 70% of our total dollar goal (\$1,220.- in contributions out of a total goal of \$1,786.-) with 66% of our employees participating. While I was somewhat disappointed in our level of participation this year compared to last year, I still want everyone who did participate to know that their generosity and cooperation are sincerely appreciated.

We had three \$25.00 drawings throughout the course of the campaign and the winners were Terrie Davis, Carlton Crawley and Gilbert White.

Congratulations to the lucky winners and again my thanks to all participants for a job well done!
