INTERSTATE COMMERCE COMMISSION

Dear Secretary:

1. Please record (i) the enclosed Order No. 809 of the United States District Court for the Northern District of Illinois (Eastern Division) dated February 19, 1985 (the "Order"), and (ii) the Asset Purchase Agreement dated April 6, 1984 by and among Soo Line Railroad Company, a Minnesota corporation, SLRCO, Inc., a Minnesota corporation, and Richard B. Ogilvie, as Trustee of the Property of the Chicago, Milwaukee, St. Paul and Pacific Railroad Company (the "Purchase Agreement"). The Order and the Purchase Agreement are submitted concurrently to be recorded under the same recordation number.

2. The Order and Purchase Agreement are filed to evidence the release of the rail cars identified on Schedule 1 (the "Rail Cars") from the documents set forth opposite the respective Rail Cars on the Schedule (recordation numbers and dates for those documents have been included). In its Order, the Court approved the sale of certain Rail Assets (as defined in the Purchase Agreement) free and clear of all liens, security interests, claims and encumbrances. Rail Assets is defined in the Purchase Agreement to include the various rail cars listed on Exhibit A-4 attached to the Purchase Agreement. The Rail Cars are among the rail cars listed on Exhibit A-4 and, thus, are part of the Rail Assets.

3. Since the Purchase Agreement and Order are acting to evidence the release of the Rail Cars from the documents set forth on Schedule 1, it appears that they are secondary documents.

3. The Trustee agrees to sell and transfer to SLRCO and SLRCO agrees to purchase on and as of the Closing Date (defined in Paragraph 10), under the terms and conditions contained in this Agreement, all of the interest of the Trustee in the Rail Assets identified below and utilized or held for use in the conduct of the Railroad (the "Rail Assets"):

(a) All of the Milwaukee's current assets, determined in accordance with accounting regulations prescribed by the Commission, excluding current assets relating to the Non-Core Properties and excluding current assets held by the Trustee in escrow accounts established pursuant to orders of the Reorganization Court and in other special deposits relating to the Milwaukee's mortgages, sinking funds and capital funds identified in the Trustee's financial records.

(c) The principal equipment listed on Exhibits A-2 through A-7 to this Agreement, subject to such additions and dispositions made in the ordinary course from April 1, 1984 to the Closing Date, and all machinery, equipment, vehicles and items of tangible personal property owned by the Trustee and used or held for use in the conduct of the Railroad (other than leased property).

(d) All interests of the Trustee under leases

identified in Exhibit D, and all other leases, contracts and commitments utilized or held for use in the conduct of the Railroad.

(e) All interests of the Trustee in rights with respect to any warranties or guarantee of any manufacturer or supplier, grantor or other transferor of the Rail Assets.

(f) All interests of the Trustee in, including interests in applications for, copyrights, patents, trademarks, and tradenames utilized in the conduct of the Railroad, together with rights in and to the corporate names and logos of the Milwaukee, including, among other things, the term "Milwaukee" and "Milwaukee Road" and variants of those terms as used in the Railroad.

(g) All interests of the Trustee in rights in and to general intangibles relating to the conduct of Railroad, including franchises, governmental and contractual operating rights, licenses and privileges, deposits, refunds, rights under insurance policies with respect to occurrences prior to the Closing, insurance proceeds, claims and choses in action (excluding deposits, rights, claims and choses in action relating to federal and state income taxes or other liabilities not assumed by SLRCO).

(h) All interest of the Trustee in the shares

of stock of, and investments in, advances to and receivables from, the companies and joint ventures listed on Exhibit E to this Agreement.

(i) All deeds and other instruments, maps, profiles, books and other records of the Milwaukee that relate to the Rail Assets, including without limitation real estate, engineering and other property records and files, personnel files, accounting records and customer and supplier lists and correspondence and legal files.

(j) All assets used or held for use in the operation of the Railroad as of the Closing Date except those specifically excluded in clauses (a) through (i) of Paragraph 3 and except those specifically excluded in Paragraph 4 below and excluding the shares of stock of, and investments in, advances and receivables from the companies and joint ventures listed on Exhibit E-1 to this Agreement.

4. The Rail Properties do not include (a) any executory rights under obligations and commitments not assumed by SLRCO under this Agreement, (b) general ledgers, minute books and similar records required for the Milwaukee's corporate and tax purposes (except for copies reasonably required by SLRCO or Soo for the conduct of the Railroad following the Closing); and (c) Non-Core

Properties and records relating thereto (except for copies reasonably required by SLRCO or Soo for the conduct of the Railroad following the Closing).

5. The purchase price for the Rail Assets is (a) \$148,000,000 ("Cash Purchase Price") plus (b) the assumption of the Rail Liabilities. The Cash Purchase Price is subject to adjustment as of the Closing Date in accordance with Paragraphs 6, 7 and 8 below.

6. If between April 1, 1984 and the Closing Date, any of the Rail Assets having a fair market value in excess of \$1,000,000 are lost, damaged or destroyed as a result of direct physical loss or theft in any single incident or occurrence, the Cash Purchase Price shall be reduced to the extent the loss, damage or destruction is not covered by insurance (or claim of the Trustee, the value of which can reasonably be ascertained and which is not subject to significant risks or contingencies), the proceeds of which were realized by the Trustee prior to the Closing or will be realized by SLRCO or Soo following the Closing. The determination of the extent to which the loss, damage or destruction is not covered by insurance or claim shall be calculated on the basis of the difference between the insurance or claim proceeds, if any, and the net depreciated value of the asset recorded

in the financial records of the Milwaukee at the date of loss, damage or destruction (prepared in accordance with the accounting regulations of the Commission in effect on April 1, 1984), utilizing the Milwaukee's book depreciation rates. The net depreciated book value of an asset with respect to which the loss or damage is partial shall be calculated on a pro rata basis to the extent of the loss or damage. No adjustment to the Purchase Price shall be required under this Paragraph 6 if the aggregate amount of all losses not covered by insurance is less than \$1,000,000 from April 1, 1984 to the Closing.

7. (a) If, on the first day of the month in which the Closing occurs, the Current Ratio of the Rail Properties exceeds 1:1, the Trustee may withdraw cash, cash equivalents or any other current asset from the Rail Assets so that the Current Ratio equals 1:1.

(b) If, on the first day of the month in which the Closing occurs, the Current Ratio of the Rail Properties is less than 1:1, the Trustee shall transfer assets which should be classified as current to the Rail Assets, or shall reduce the Rail Liabilities (by selecting liabilities to remain with the Trustee), so that the Current Ratio equals 1:1.

(c) For the purposes of subparagraphs (a) and (b) above, "Current Ratio" means the ratio of those Rail Assets to those Rail Liabilities, calculated on a consolidated basis reflecting the current assets and current liabilities of the Motor Company, which under accounting regulations of the Commission in effect on April 1, 1984 are classified as "current"; except (i) second-hand and used equipment, materials and supplies shall be valued at the higher of fair market value or book value, and (ii) current assets representing insurance proceeds received or to be received from the destruction of a capital asset shall be deducted from Rail Assets.

(d) In lieu of adjustments pursuant to Subparagraphs (a) and (b) above, the Trustee may elect to increase or decrease the Cash Purchase Price by the amount of the adjustment.

(e) For the purposes of subparagraph (c)(i) above, the fair market value of second-hand and used equipment, materials and supplies shall be determined in accordance with the procedures set forth on Exhibit F attached to this Agreement.

8. (a) Except as permitted or specifically contemplated by this Agreement, no material transfers of non-current assets will be effected by the Trustee be-

tween Rail Properties and Non-Core Properties from:
April 1, 1984 to the Closing, except for transfers which
are fully compensatory on a fair market value basis, less
the actual expenses of sale. No transfers will be made
of Rail Assets which are necessary or material to the
operation of the Railroad.

(b) Within 90 days following the Closing, the
Trustee shall provide Soo and SRLCO with the certificate
of the Trustee's independent public accountants to the
effect that the Current Ratio used in the calculation of
the Cash Purchase Price was determined in accordance with
the provisions of this Agreement. Soo and SRLCO shall
be entitled to review the Trustee's records reflecting
the identification of the Rail Assets and Rail Liabil-
ities and all amounts payable under this Agreement.

(c) If the amount of any adjustment to the
Cash Purchase Price cannot be determined as of the Clos-
ing Date because of the existence of contingencies or
because the required data or information is not then
reasonably ascertainable or available, the Cash Purchase
Price as of the Closing shall be determined by the Trust-
ee and SLRCO on an estimated basis with respect to any
open items identified at the Closing, utilizing the in-
formation and data then reasonably ascertainable and

available. Any subsequent adjustments to the Cash Purchase Price with respect to any open items shall be made by the Trustee and SLRCO no later than 180 days from the date of the Closing, except for adjustments which are dependent upon the determination of insurance proceeds, which shall in any event be determined not later than 1 year following the Closing or the consummation date of a plan of reorganization of the Milwaukee under the Bankruptcy Act.

9. (a) The Trustee agrees that as soon as practicable and prior to the Closing, he will establish and maintain financial records on a basis which reasonably segregates the assets and liabilities of the Rail Properties from the assets and liabilities of the Non-Core Properties from a date not later than October 1, 1984 through the Closing. These records shall be maintained in accordance with accounting regulations prescribed by the Commission, consistently applied. In no event, however, shall the establishment of such financial records change the Rail Assets and Rail Liabilities to be conveyed and assumed hereunder from those specified in this Agreement.

(b) Subject to the listings and identifications set forth on Exhibits A and A-1 through A-7 and B, B-1

and B-2, the identification and segregation of the real properties between Rail Assets and Non-Core Properties shall, for the purpose of Paragraph 3(b) and (c) above, be determined on the basis of the Trustee's property inventories.

(c) In the event of a disagreement between the Trustee and SLRCO involving the identification of the Rail Properties or the calculation of the Cash Purchase Price, as adjusted, the dispute shall be referred to the Reorganization Court for resolution in accordance with the terms of this Agreement.

10. Subject to the satisfaction of the conditions provided for in Paragraphs 22 and 23, the closing of the transactions contemplated by this Agreement ("Closing") shall take place at the offices of the Trustee, 868 Chicago Union Station, 516 West Jackson Boulevard, Chicago, Illinois 60606, not later than 10 A.M. on the first business day following the effective date of the order of the Reorganization Court approving the execution and delivery and performance of this Agreement by the Trustee and the consummation of the transactions contemplated by this Agreement ("Closing Date"); provided, however, that in the event of an appeal prior to Closing, either the Trustee or SLRCO may on notice to the

other delay the Closing to a date 15 business days following the date on which the order of the Reorganization Court has either been affirmed by the highest court having jurisdiction over the matter or no further appeals may be taken from the order or affirmance of the order.

11. The Cash Purchase Price as adjusted, shall be paid at the Closing by wire transfer of immediately available funds to a bank account designated by the Trustee prior to or at the Closing or by other appropriate transfer of immediately available funds. Subsequent adjustments to the Cash Purchase Price shall be paid in immediately available funds as directed by the party entitled to the payment.

12. As of the Closing, SLRCO or Soo agree to assume, discharge and pay in accordance with their respective terms and will become responsible for each of the liabilities and obligations of the Trustee as of the Closing Date relating to the Railroad (excluding those of the Motor Company) set forth in subparagraphs (a) through (m) below ("Rail Liabilities").

(a) Except as otherwise herein specifically provided, all of the Milwaukee's current liabilities determined in accordance with accounting regulations prescribed by the Commission, other than current liabil-

ities payable specifically relating to Non-Core Properties and with the exceptions noted in Paragraph 13, below.

(b) Except for employees who remain employees of the Trustee following the Closing, the obligations regarding employee compensation, with respect to events and occurrences prior to the Closing, including employees' claims under the Milwaukee's group medical plans for employees, whether accrued, contingent or arising as a result of this Agreement, including salaries, wages, reimbursement, sick leave, holiday pay, back pay, pension obligations, overtime pay, vacation pay, disability and unemployment, including state, federal, local tax and foreign obligations based on employee compensation.

(f) Obligations under all contracts and leases relating to the Railroad, including capital leases and leases identified on Exhibit D hereto, but with respect to tax benefit transfer leases, only obligations for rents payable after the Closing and all obligations arising by reason of the transfer of, and casualty losses occurring to, Rail Assets after the Closing, and subject to the further limitations and conditions contained in Exhibit D.

(g) Obligations with respect to litigation and claims against the Milwaukee relating to the Railroad.

(h) Outstanding indebtedness to the United States Department of Transportation and the Federal Financing Bank issued pursuant to Sections 505 and 511 of the Railroad Revitalization and Regulatory Reform Act, evidenced by Trustee's Certificates 1978-A, 1978-B, 1978-C, 1980-C, 1980-D, 1980-E (subordinated ERSA Blue Line),

1980-G, 1980-H, and other Trustee's Certificates which may be issued after April 1, 1984 and before the Closing Date, and obligations under Series I Redeemable Preference Stock of the Milwaukee. The assumption by SLRCO of Trustee's certificates 1980-E (subordinated ERSA Blue Line) shall be effective only to the extent that the obligations of the Trustee under those certificates are not terminated or forgiven as of and by virtue of the closing of the transactions contemplated by this Agreement. The assumption by SLRCO of certificates of the Trustee issued subsequent to April 1, 1984 in connection with the Ortonville Line and the Davenport to Iowa City Line shall not exceed \$6,000,000 and \$9,100,000, respectively.

(i) Obligations under refundable side track, car repair, grants and rehabilitation agreements in effect on the Closing Date.

(j) Obligations under the Wage Reduction Agreement, effective as of January 1, 1982, among the Trustee and certain Labor Organizations, for 1980 and 1981 wages which would have been deferred with respect to the members of such labor organizations had they participated in the Wage Deferral Agreement referred to in subparagraph (k) below.

(k) Obligations with respect to the Wage Deferral Agreement executed pursuant to the Reorganization Court Order No. 397 among the Trustee and certain Labor Organizations.

(l) All liabilities and obligations to, and guarantees of liabilities and obligations of, any corporation or joint venture listed on Exhibit E.

(m) Subject to the exclusions and limitations set forth in subparagraphs (a) through (l) above, and except for obligations excluded by Paragraph 13 below, all other obligations relating to the Railroad.

13. (a) Notwithstanding any contrary provision of this Agreement, neither SLRCO nor Soo shall be obligated to assume any liability or obligation in connection with the matters described in the following clauses (i) through (vii):

(i) 1980-A & B Trustee Certificates (Subordinated ERSA).

(ii) any litigation, claim, or obligation (of any type, whether relating to its administration or otherwise) which does not arise out of, or relate to, the Railroad.

(iii) all claims arising prior to the filing by the Milwaukee for reorganization

(v) all claims against, interests in, or obligations of, the Milwaukee which are discharged or otherwise barred for any reason.

(vi) liabilities and obligations to, and guarantees of liabilities and obligations of, any corporation or joint venture any stock of which, or equity interest in which, is owned by the Trustee and not included in the Rail Assets.

(vii) obligations under the Wage Reduc-

tion Agreement effective as of January 1, 1982^f except for obligations referred to in subparagraph (j) of Paragraph 12 above.

(b) The provisions of Paragraph 12 of this Agreement shall not be construed to constitute the assumption of any liabilities or obligations in a manner which would avoid the applicability of any insurance policy with respect to any event or circumstance arising prior to Closing. The Trustee agrees that no insurance policies held by the Milwaukee shall be cancelled or modified prior to or after the Closing if the cancellation or modification would have the effect of waiving or limiting coverage with respect to obligations or liabilities assumed by SLRCO or Soo which relate to events occurring prior to the Closing Date. The Trustee further agrees that he shall maintain in full force and effect between April 1, 1984 and the Closing Date, standard Railroad Property All Risk and Liability Insurance, with self-insured retention of \$1,000,000 for owned and leased property and property in its care, custody and control and \$2,000,000 for liability and with upper limits of not less than \$19,000,000 for property and upper limits of not less than \$63,000,000 for liability. The provisions of this Paragraph shall not be construed to affect or

modify the assumption of any liabilities or obligations assumed by SLRCO or Soo to any extent not covered by insurance or subject to deductibles.

14. At the Closing, SLRCO will pay to the Trustee the Cash Purchase Price as adjusted and SLRCO and Soo will deliver to the Trustee their undertakings to assume, agree to perform, pay and discharge the liabilities and obligations of the Milwaukee and the Trustee to the extent assumed by SLRCO and Soo, respectively, under the terms of this Agreement and will provide such other instruments, consents and agreements as shall be necessary in order to carry out the transactions contemplated by this Agreement.

15. At the Closing, the Trustee shall:

(a) Effect the transfer of the Rail Assets to SLRCO by such quitclaim deeds, in recordable form (as permitted for filing by a transmitting utility where allowed), bills of sale, assignments and other documents of transfer (which deeds, bills of sale, assignments and other documents shall reflect payment of consideration in amounts as directed by Soo or SLRCO) reasonably required to transfer the interests of the Trustee in the Rail Assets to SLRCO consistent with the terms of this Agreement.

(b) Deliver to SLRCO such immediately effective resignations required by SLRCO of those officers and directors and managers of any corporation or joint venture controlled by the Trustee, the capital stock or other equity interest of which is included among the Rail Assets, and who will remain employees of the Trustee following the Closing.

(c) Deliver to SLRCO, properly endorsed, certificates for all shares of capital stock included among the Rail Assets.

(d) Grant to SLRCO, subject to the non-impairment of existing rights of the Northeastern Illinois Commuter Railroad Corporation to operate over the Commuter Service Properties, permanent trackage rights in and over the Commuter Service Properties substantially in the form attached as Exhibit G to this Agreement.

(e) Put SLRCO and Soo in actual possession and operating control of the Rail Assets and the Railroad.

16. Except as specifically provided for in Paragraph 20(b) below, the Trustee makes no warranties, express or implied, including, without limitation, warranties of title and merchantability or fitness for a particular purpose with respect to the Railroad or the Rail Properties. The Rail Properties will be conveyed to

SLRCO on an "as is, where is" basis. All instruments of transfer may negate all express or implied warranties, including any warranty of title.

17. Subject to such valid statutory liens and encumbrances which may arise as a result of the conveyances made pursuant to this Agreement, the Trustee's interest in Rail Assets will be transferred to SLRCO in accordance with the order of the Reorganization Court and this Agreement, free and clear of all liens, security interests or other encumbrances, except for (i) liens and security interests with respect to indebtedness assumed by SLRCO or Soo in accordance with Paragraph 12 of this Agreement, (ii) liens, security interests and encumbrances arising in the ordinary course of business of the operations of the Railroad, (iii) liens and encumbrances which do not interfere with the operation of the Railroad, and (iv) liens and encumbrances authorized by the Trustee under the agreements listed on Exhibit H to this Agreement.

18. (a) From time to time after the Closing, at SLRCO's or Soo's request and without further consideration, the Trustee will execute and deliver other instruments of conveyance and transfer and take other actions as SLRCO or Soo reasonably requires to convey, transfer

to and vest the Trustee's title to the Rail Assets in SLRCO and to put SLRCO in possession of any of the Rail Assets. In the case of contracts and rights, if any, which cannot be transferred effectively without the consent of third parties (and notwithstanding the orders of the Reorganization Court authorizing the transfers), the Trustee will at the request of SLRCO use his best efforts to obtain these consents on a basis which does not require any further consideration from the Trustee.

(b) After the Closing, SLRCO and Soo shall control all discussions, negotiations, settlements and other dealings with respect to any claim, litigation or obligation assumed by either of them, and the Trustee shall cooperate fully therein. Any expenses, including reasonable attorneys' fees, incurred by the Trustee in connection with his cooperation shall be reimbursed by Soo and SRLCO. No settlement or other disposition of a claim by Soo or SRLCO shall commit the Trustee to any injunction, prohibition or affirmative action, other than actions of a ministerial nature.

19. SLRCO shall be responsible for and pay all sales, transfer, or similar taxes or governmental charges with respect to the sale and purchase of the Rail Assets,

whether levied against the Rail Assets, the Trustee or SLRCO.

20. The Trustee represents and warrants to SLRCO and Soo as follows:

(a) Subject to the approval of the Commission and the Reorganization Court referred to in Paragraph 2 of this Agreement, all necessary authorizations and approvals required of the Trustee in connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement have been authorized or obtained, and this Agreement constitutes the valid and binding obligation of the Trustee.

(b) The Trustee has sufficient interest in the Rail Properties to permit, subject to the jurisdiction of the Reorganization Court, the operation of the Railroad as it is presently conducted, and the Trustee knows of no material claims affecting his interest in the Rail Properties which would adversely affect the interest of SLRCO in the Rail Properties in conducting the operations of the Railroad following the Closing, other than claims which may arise as a result of and by virtue of the conveyance of the Rail Properties pursuant to this Agreement.

21. SLRCO and Soo represent and warrant to the Trustee as follows:

(a) SLRCO is a validly organized and existing corporation, in good standing, under the laws of the State of Minnesota, and will be as of the Closing qualified and in good standing as a foreign corporation under the laws of the State of Illinois.

(b) All necessary corporate action of SLRCO required in connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement has been authorized or obtained, and this Agreement constitutes the valid and binding obligation of SLRCO.

(c) Soo is a validly organized and existing corporation, in good standing, under the laws of the State of Minnesota, and is qualified, in good standing, as a foreign corporation, under the laws of the State of Illinois.

(d) All necessary corporate action of Soo required in connection with the execution and delivery of this Agreement, the consummation of the transactions contemplated by this Agreement and Soo's guarantee dated April 6, 1984 ("Guarantee") of the obligations of SLRCO under this Agreement has been authorized or obtained, and this Agreement and the Guarantee constitutes the valid and binding obligations of Soo.

(e) The performance by SLRCO and Soo of their respective obligations under this Agreement and the Guarantee are not subject to any contingency or the occurrence or fulfillment of any event or condition which is not expressed in this Agreement and the Guarantee.

22. The obligations of SLRCO and Soo to effect the closing of the transactions contemplated by this Agreement are subject to the satisfaction prior to or at the Closing of the following conditions. The satisfaction of any condition may be waived by SLRCO and Soo in writing delivered at the Closing.

(a) The representations and warranties of the Trustee contained in this Agreement shall be true at the time of the Closing as if those representations and warranties had been made at that time.

(b) The Trustee shall have performed and complied with all agreements and conditions required by this Agreement to be performed or complied with by him prior to or at the Closing.

(c) The Trustee shall have entered into leases with SLRCO substantially in the form attached to this Agreement as Exhibit I for the properties referred to in Exhibit J, at rentals based on the fair rental value of the properties as determined by the Trustee in his reasonable judgment.

(d) The final orders of the Commission and the Reorganization Court referred to in Paragraph 2 of this Agreement shall have been entered and no order shall contain or impose on Soo or SLRCO any non-standard provisions for labor protection, financial obligations beyond those contemplated by this Agreement, or any other provision which in each case materially impairs the value to Soo or SLRCO of the transactions contemplated by this Agreement.

(e) Between April 1, 1984 and the Closing, no disposition or abandonment of a material portion of the Rail Assets, including trackage and right-of-way or the granting of trackage rights to another carrier which

materially diminishes the value of the transaction^f to SLRCO and Soo, shall have occurred.

(f) Prior to the Closing, Soo or SLRCO shall have entered into or obtained the commitment of the States Department of Transportation ("DOT") to an agreement with DOT covering the obligations specified in Paragraph 12(h) which does not materially deviate on a present value, after tax basis from the financial terms specified in Sections 5.1 and 5.3 of the Soo Line Railroad Company's Alternative Plan of Reorganization dated February 7, 1984.

23. The obligations of the Trustee to effect the transactions contemplated by this Agreement are subject to the satisfaction prior to or at the Closing of the following conditions. The satisfaction of any condition may be waived by the Trustee in writing delivered at the Closing.

(a) The representations and warranties of Soo and SLRCO set forth in this Agreement shall be true at the time of the Closing as if those representations and warranties had been made at that time.

(b) Soo and SLRCO shall have performed and complied with all agreements and conditions required by

this Agreement to be performed or complied with by them prior to or at the Closing.

(c) The Trustee shall have received the opinion of Byron D. Olsen, Esq., General Counsel to SLRCO and Soo, dated as of the Closing, in form satisfactory to counsel to the Trustee to the effect that the corporate existence, good standing and authorizations of SLRCO and Soo, respectively, are as represented and warranted in Paragraph 21, above.

(d) The final orders of the Commission and the Reorganization Court referred to in Paragraph 2 of this Agreement shall have been entered and no order shall contain or impose any condition which materially impairs the value to be realized by the Trustee on consummation of the transactions contemplated by this Agreement.

24. The Trustee agrees that, except with the written consent of SLRCO or as the Reorganization Court shall otherwise authorize or direct, from April 1, 1984 to the Closing:

(a) The Railroad will be conducted in the ordinary course, subject to the direction of the Reorganization Court.

(b) The Trustee will use his best efforts to preserve intact the business organization of the Railroad

and to keep available to SLRCO and Soo the services of the officers and employees of the Railroad, and will use his best efforts to preserve for SLRCO the goodwill of suppliers, customers and others having business relationships with the Railroad.

(c) The Trustee will not grant any trackage or operating rights affecting the Rail Assets other than in the ordinary course of business to enable the Milwaukee to effect service improvements in existing markets and then only on terms reasonable in light of then current conditions.

25. From and after the Trustee's execution of this Agreement, the Trustee, SLRCO, and Soo will use their best efforts (including the prosecution of appeals where reasonable) to obtain all consents and approvals required under this Agreement together with the order of the Reorganization Court which will permit the transfer of Rail Assets free and clear of claims of third parties arising out of, or by reason of, that transfer. The Trustee shall further use his best efforts to obtain the order of the Reorganization Court providing for full satisfaction of the employee deferred compensation claims assumed by SLRCO and Soo in Paragraphs 12(j) and 12(k), by payment of their face amount (approximately

\$20,500,000) in cash, in the event Soo elects to use such method of payment. The Trustee further agrees to use his best efforts to facilitate the assumption by Soo and SLRCO of the obligations described in Paragraph 12(h) in accordance with the repayment terms currently in effect for the Trustee, without acceleration of the debts by any "due on sale" or similar clauses, and to take no action which would in any way interfere with or frustrate Soo and SLRCO's ability to contest any actions of the United States Department of Transportation or Federal Financing Bank with respect to the collection of those obligations.

26. From April 1, 1984 to the Closing the Trustee will permit employees and agents of SLRCO and Soo during normal business hours and on reasonable notice to the Trustee access to the Rail Properties to inspect any Rail Assets and to inspect and copy books, contracts, agreements, plans, reports and records reflecting or reasonably relating to the Rail Properties. The Trustee may withhold records and other information which he considers may adversely affect any transaction in which the railroad operations of Soo and SLRCO are competitive with the operations of the Trustee. Soo and SLRCO shall reimburse the Trustee for reasonable costs incurred in complying with the provisions of this Paragraph, including

reproduction charges and the direct salary costs of the employees incurred in providing the information contemplated hereunder. All information and records obtained by the Soo or SLRCO pursuant to this Paragraph shall be maintained as confidential and shall not be disclosed to any third party without the consent of the Trustee except in response to legal process or to the extent required to comply with applicable law. Neither Soo nor SLRCO shall be obligated to maintain as confidential any information obtained from the Trustee which is publicly available, readily ascertainable from public sources, known to them at the time the information was disclosed, or which is rightfully obtained from a third party. The obligations of confidentiality arising under this Paragraph shall survive the termination or abandonment of this Agreement with respect to the Rail Properties, and shall survive the Closing, or the termination or abandonment of this Agreement, with respect to Non-Core Properties.

27. For a period of 60 months following the Closing, SLRCO and Soo will permit the Trustee, his employees and agents to inspect and copy any deeds and other instruments, maps, profiles, books and other records of the Milwaukee that relate to the Rail Assets which were purchased by SLRCO pursuant to Paragraph 3(j)

of this Agreement on the same terms and conditions as provided for inspection and copying by SLRCO and Soo under Paragraph 26 above.

28. (a) As of the Closing Soo agrees to adopt and to assume responsibility as sponsor of the "Chicago, Milwaukee, St. Paul and Pacific Railroad Company Pension Plan, as amended through the Closing (the "Plan"). Soo agrees to assume all of Milwaukee's rights and obligations under the Plan and to hold the Trustee and Milwaukee harmless from any and all liability arising in connection with that Plan. Employees of the Milwaukee who are not to become employees of Soo or a subsidiary or affiliate of Soo shall be treated as terminated employees for purposes of that Plan, and shall be entitled to benefits pursuant to the terms of the Plan as of the Closing Date. Soo agrees that all the Milwaukee employees, whose wages and hours of service are not set by collective bargaining agreements ("Officers") hired by Soo or SLRCO pursuant to Paragraph 29(c) hereof shall be, at the time of the Closing, made participants in Soo's pension and welfare benefit plans and other similar plans in which Soo Officers participate.

(b) Each Officer of the Milwaukee who becomes an employee of Soo or a subsidiary or affiliate of Soo shall become a participant under the Soo Line Railroad Funded Pension Plan (the "Soo Plan") and be credited with years of Milwaukee service and Milwaukee compensation for purposes of determining benefits under the Soo Plan. For the period of Milwaukee service, such Officer shall have the option of receiving benefits calculated in accordance with either plan.

(c) Prior to Closing, the Trustee shall cause the trustee under the Company's Employees' Long-Term Disability Income Plan (the "Plan") to separate from the trust fund under the Plan the equitable share of the fund allocable to employees not hired pursuant to Paragraph 29 below and employees of any subsidiary not noted on Exhibit E, and upon such separation, these employees will terminate their participation in the Plan. As of the Closing, Soo agrees to adopt and to assume responsibility as sponsor of the Plan. Alternatively, the Trustee may elect to have Soo adopt and assume responsibility as sponsor of the Plan as of the Closing, and following Closing Soo shall cause the Trustee under the Plan to segregate from the trust fund held under the Plan the equitable share of the fund allocable to employees not

hired pursuant to Paragraph 29 below and employees of any subsidiary not noted on Exhibit E. In either event, Soo agrees to assume all of Milwaukee's rights and obligations under the Plan and to hold the Trustee and Milwaukee harmless from any and all liability arising in connection with that Plan.

29. (a) SLRCO and Soo agree that at the time of the Closing all contract employees of the Milwaukee whose wages and hours of service are set by collective bargaining agreements ("Contract Employees") involved in the operation of the Rail Properties who then have an employment relationship with the Milwaukee, including furloughed employees, employees on leaves of absence and other persons who have employment rights with respect to the Railroad as of Closing, shall have (i) the right to become employees of SLRCO, or (ii) the same employment rights with respect to SLRCO as they had with respect to the Railroad as of the Closing, all subject to the terms of presently existing Milwaukee collective bargaining agreements, and shall thereafter no longer be subject to Milwaukee wage reduction provisions; provided, however, that to the extent possible under collective bargaining agreements or implementing agreements hereinafter entered into with the representatives of affected Contract Em-

employees, Soo may transfer employees from SLRCO to Soo. SLRCO and Soo further agree to assume the liability for any and all payments which may become due and owing such Contract Employees pursuant to the terms of such protection conditions as may be imposed upon this transaction by either the Commission or the Reorganization Court, and to hold the Milwaukee harmless from such liability. With respect to all Contract Employees hired by SLRCO pursuant to this Section 29(a) SLRCO and Soo agree that the rates of pay, rules, working conditions and all collective bargaining and other rights, privileges and benefits of such employees under applicable laws and existing collective bargaining agreements or otherwise shall be preserved unless changed by future collective bargaining agreements or applicable statutes.

(b) SLRCO and Soo agree that at the time of the Closing all employees of the Motor Company who then have an employment relationship with the Motor Company shall have the right to remain employees of the Motor Company, subject to terms of presently existing Motor Company collective bargaining agreements, including such Motor Company employees who are either furloughed or on leave of absence on that date.

(c) SLRCO and Soo agree that at the time of the Closing all Officers of the Milwaukee involved in the operation of the Rail Properties who then have an employment relationship with the Milwaukee shall become Officers of Soo or SLRCO and shall be made participants in all fringe benefit plans in which Soo Officers participate, or plans equivalent thereto. SLRCO and Soo agree that the employment of Milwaukee officers shall be effected on a basis equal to that afforded Soo Officers, including continuation of employment, promotion, pay increases, work assignments, fringe benefits, job relocations and termination or furlough. SLRCO and Soo further agree to assume the liability for any and all payments which may become due and owing to such Officers pursuant to the terms of such employee protection conditions as may be imposed upon this transaction by either the Commission or the Reorganization Court, and to hold the Milwaukee harmless from such liability.

(d) SLRCO and Soo agree to execute and deliver at the Closing an employee implementation agreement with respect to all Soo, SLRCO and the Milwaukee Officers and with respect to key employees substantially in the form as set forth as Exhibit L to this Agreement, which implementation agreement shall control over other conflicting

terms of this Agreement with respect to the rights of employees covered thereby.

(e) Soo and SLRCO will assume obligations for medical benefits and life insurance with respect to employees of the Milwaukee referred to in subparagraphs (a) and (c) above who, as of the Closing, are on medical leaves of absence at a level not less than that which those employees are receiving or entitled to as of the Closing. SLRCO and Soo shall waive and to the extent applicable require its insurers to waive any waiting or eligibility period with respect to all applicable benefit coverages required to be made available to employees hired by SLRCO and Soo as of and following the Closing.

30. (a) Without limiting other remedies which Soo or SLRCO may have, the Trustee agrees that following approval of this Agreement by the Reorganization Court and pending the Closing, the Trustee will not solicit from any other person, firm, corporation or entity any inquiries or proposals relating to the disposition of the Rail Assets and will neither negotiate nor enter into an agreement with anyone other than SLRCO or Soo concerning the sale or disposition of any of the Rail Assets. In the event the Trustee receives any unsolicited inquiry or proposal relating to the Rail Assets, the Trustee will

not, unless directed by the Reorganization Court, discuss or make available to such inquiring party any information relating to such inquiry or proposal until the Trustee has notified SLRCO or Soo in writing of all relevant details relating to such inquiry.

(b) Without limiting other remedies which Soo or SLRCO may have, the Trustee agrees that in the event that following approval of this Agreement by the Reorganization Court and prior to the Closing, the Trustee receives a bona fide offer from a party other than SLRCO or Soo to purchase any or all of the Rail Assets ("Third Party Offer"), the Trustee shall promptly notify SLRCO or Soo of such offer as provided above. If the Third Party Offer is accepted by the Reorganization Court and the Commission, and if SLRCO or Soo offers the Trustee the same or equivalent consideration as contained in the Third Party Offer, the Trustee agrees to accept such offer from SLRCO or Soo, subject to the approval of the Reorganization Court.

31. As of the Closing Date, all the pre-petition obligations and debts of the Milwaukee and its subsidiaries to the Soo or any of its subsidiaries, including the Minneapolis, Northfield and Southern Railway, Inc., shall be cancelled. In addition all outstanding

debts and obligations of the Milwaukee to the Soo or any of its subsidiaries, including the Minneapolis, Northfield and Southern Railway, Inc., arising out of facilities embargoed or abandoned prior to Closing will be cancelled.

32. SLRCO and Soo may extend the time for or waive the performance of any of the obligations, representations or warranties of the Trustee under this Agreement. The Trustee may take similar action with respect to the obligations, representations, warranties and conditions applicable to SLRCO under this Agreement.

33. This Agreement and the consummation of the transactions contemplated by this Agreement may be terminated, subject to the approval of the Reorganization Court, prior to the Closing:

(a) By the agreement of the Trustee, Soo and SLRCO at any time.

(b) By SLRCO or Soo, if there has been a material misrepresentation in or material breach of the representations, warranties and agreements of the Trustee contained in this Agreement, or there has been any material failure of the Trustee to comply with his obligations under this Agreement.

(c) By the Trustee if there has been a material misrepresentation in or material breach of the representations, warranties and agreements of SLRCO or Soo contained in this Agreement or there has been any material failure of SLRCO or Soo to comply with their respective obligations under this Agreement.

(d) By either the Trustee or SLRCO or Soo if the passage of time or the occurrence of any unforeseen event or contingency materially diminishes the value of the consummation of the transactions contemplated by this Agreement to the party requesting termination in such party's sole discretion; provided, however, that the parties hereto agree that a Third Party Offer (as defined in Paragraph 30(b)) shall not constitute an unforeseen event or contingency for purposes of this Paragraph 33(d).

34. Prior to Closing, the rights and obligations of SLRCO and Soo under this Agreement may not be assigned or delegated without the prior written consent of the Trustee (except to a wholly owned subsidiary or affiliate of SLRCO or Soo). Any agreement or commitment of SLRCO or Soo for joint operation, division or control of any part of the Rail Assets shall be considered an assignment or delegation subject to the provisions of

..

this Paragraph 34. The Trustee may withhold his consent to any assignment or delegation without cause and without stating the basis on which he made the determination.

35. In any plan of reorganization proposed or adopted by the Trustee, the Trustee shall, subject to compliance with his obligations under the Bankruptcy Act and the directions of the Reorganization Court, provide for the rejection of any contract (other than contracts entered into by the Trustee during administration) which is executory in whole or in part, including leases, which SLRCO identifies prior to the Closing as one which is burdensome and which it does not wish to assume under the provisions of Paragraph 12 of this Agreement. Prior to the Closing, SLRCO and Soo shall furnish the Trustee with their unconditional joint and several obligation, in a form satisfactory to the Trustee, to indemnify the Trustee and the Milwaukee for any loss, damage, expenses (including attorneys' fees) or additional claim resulting from or incurred by the Trustee in connection with the rejection of any executory contract requested by SLRCO.

36. SLRCO agrees to purchase as of the Closing, and the Trustee agrees to effect the assignment of, the interests of the Milwaukee Land Company ("Land Company") under a conditional sales contract between the Land

Company and The American National Bank & Trust Company of Chicago dated August 1, 1974 ("CSA"), including the interests of the Land Company in the equipment covered by the CSA, and to assume the obligations of the Land Company under the CSA in accordance with its terms. The purchase price for this sale is included in the Cash Purchase Price and no further payment is necessary to accomplish the transaction contemplated by this Paragraph. If the purchase and assignment of those interests cannot be effected in the manner described above, the Trustee will cause the Land Company to grant SLRCO an option to purchase the equipment which is the subject of the leases for \$1.00 upon the expiration of the leases.

37. Notwithstanding the provisions of subparagraph (f) of Paragraph 3 of this Agreement, the Trustee may continue to use the existing corporate name of the Milwaukee following the Closing for required corporate purposes until either the discharge of the Milwaukee from reorganization or the dismissal of the reorganization proceedings. At that time the corporate name will be changed to one which does not conflict with the rights of SLRCO and Soo to the name.

38. SLRCO and Soo agree that for a 2 year period following the Closing Date they will provide the Trustee with storage and transportation with respect to tangible personal property comprising Non-Core Properties at the direct cost of providing these services, and without liability to SLRCO or Soo for loss or damage to such property.

39. This Agreement, including the Exhibits attached to this Agreement, and the Guarantee of Soo dated April 6, 1984 constitute the entire agreement and understanding between the Trustee, SLRCO and Soo with respect to the sale and purchase of the Rail Properties, the Railroad and the other transactions contemplated by this Agreement. All prior representations, understanding and agreements between the parties with respect to the purchase and sale of the Rail Properties and the other transactions contemplated by this Agreement are superseded by the terms of this Agreement.

40. SLRCO and Soo agree to indemnify and hold harmless the Milwaukee and the Trustee against any claim, proceeding, damage, loss or expense (including reasonable attorneys' fees) brought against or incurred by the Milwaukee or the Trustee to the extent of and based on or

arising out of any obligation of the Milwaukee assumed by SLRCO and Soo pursuant to this Agreement.

41. The provisions of this Agreement shall be construed and interpreted in accordance with the laws of the State of Illinois, including for the purpose of choice of law, as though all acts and omissions related to this Agreement occurred in that State.

42. (a) The provisions of this Agreement shall, where possible, be interpreted in a manner necessary to sustain their legality and enforceability, and for that purpose the provisions of this Agreement shall be read as if they cover only the specific situation to which they are being applied. The unenforceability of any provision of this Agreement in a specific situation shall not affect the enforceability of that provision in other situations or of other provisions of this Agreement.

(b) The Reorganization Court shall have continuing jurisdiction over the Trustee, SLRCO and Soo with respect to the respective rights and obligations of the parties under this Agreement and the Guarantee.

(c) Soo may be substituted for SLRCO in all or any portion of the purchase of assets and/or assumption of liabilities pursuant to this Agreement, and the pur-

chase of assets or assumption of liabilities by Soo hereunder shall constitute the purchase or assumption, as the case may be, by SLRCO for purposes of this Agreement.

43. This Agreement may be executed in counterparts, each of which shall be considered an original.

44. All notices given pursuant to this Agreement shall be delivered by hand or sent by United States registered mail, postage prepaid, addressed as follows (or to another address or person as a party may specify on notice to the other):
