SLX CANADA INC. (hereinafter referred to as the "Company") for value received acknowledges itself indebted and hereby promises to pay to the registered holder hereof on the dates set out herein or on such earlier dates as the principal amount hereof may become due in accordance with the provisions of the trust indenture hereinafter mentioned, the principal sum of \$ ■ in lawful money of Canada, and to pay interest on the principal amount hereof from the date of issue of this Debenture at the rate of 10.84% per annum (both before and after demand, default and judgment with interest on overdue interest at the same rate), accruing from day to day and compounded on October 1, 1989 and thereafter compounded half-yearly on April 1 and October 1 in each year, on the principal amount remaining unpaid from time to time, and payable, without adjustment for advance payment of interest, on October 1, 1989 (the payment on such date to be composed of interest accrued from the date of issue to October 1, 1989) and thereafter half-yearly on April 1 and October 1 of each year.

As interest and principal on this Debenture becomes due (except interest and principal payable at maturity or on redemption which shall be paid on presentation and surrender of this Debenture), the Company shall, prior to the day on which such amounts become due, forward or cause to be forwarded by prepaid post, to the registered holder for the time being hereof, or, in the case of joint holders to such joint holder whose name appears first in the register, at his registered address, a cheque on the Company's bank for such interest (less any tax required to be withheld under any applicable law), payable to the order of such registered holder or in the case of joint holders to the order of all such holders (failing written instructions from them to the contrary) and negotiable at par.

Notwithstanding the foregoing, if the Company, as permitted by the trust indenture hereinafter mentioned, shall have entered into an agreement with the holder of this Debenture with respect to the place and manner of payment of principal and

interest on this Debenture, then such payment shall be made as provided in the said agreement.

This Debenture is one of a series, designated as Series 89-2 Class A Debentures of the Company, issued under the provisions of a trust indenture (herein called the "Trust Indenture") dated September 15, 1988 and a supplemental trust indenture (herein called the "Fifth Supplemental Indenture") formally dated July 17, 1989, both made between the Company and The Royal Trust Company (hereinafter called the "Trustee") as trustee. By the Trust Indenture the Company has created a security interest in and mortgaged, pledged, assigned and charged, as and by way of a first floating charge, to and in favour of the Trustee, its successors and assigns, all its undertaking, property, rights and assets now owned or hereafter acquired by the Company, of whatsoever nature, kind or description and wherever situate. Reference is hereby made to the Trust Indenture, the Fifth Supplemental Indenture and all other indentures supplemental to the Trust Indenture for a description of the security created thereby, the terms and conditions upon which the Series 89-2 Class A Debentures are issued or may be issued, secured, and held, the nature and extent of the security, and the rights of the holders of such Debentures and of the Company and of the Trustee, all to the same effect as if the provisions of the Trust Indenture, the Fifth Supplemental Indenture and all other indentures supplemental to the Trust Indenture were herein set forth, to all of which provisions the holder of this Debenture, by acceptance hereof, assents. Without limiting the generality of the foregoing, the holder of this Debenture, by acceptance hereof, acknowledges and assents to Section 9.19 of the Trust Indenture which limits the holder's recourse against any incorporator, shareholder, officer or director, past, present or future, of the Company and Section 16.06 of the Trust Indenture pursuant to which the holder agrees to certain non-disclosure restrictions.

The Series 89-2 Class A Debentures, of which this is one, are limited to an aggregate principal amount of \$15,000,000 in lawful money of Canada and mature on October 1, 1998, are issuable only as fully registered debentures in denominations of a minimum of \$10,000 with no set integrals thereafter, and are issued only upon the terms and subject to the restrictions set out in the Trust Indenture and the Fifth Supplemental Indenture.

This Debenture ranks pari passu without discrimination, preference or priority with all Class A Debentures and Class B Debentures issued in accordance with the Trust Indenture irrespective of their actual dates or terms of issue.

The Series 89-2 Class A Debentures are subject to mandatory redemption on a pro rata basis under the terms of the Trust Indenture and the Fifth Supplemental Indenture in accordance with the following schedule:

<u>Date</u>	<u>Amount</u>
October 1, 1995	\$2,000,000
April 1, 1996	\$2,000,000
October 1, 1996	\$2,000,000
April 1, 1997	\$2,000,000
October 1, 1997	\$2,000,000
April 1, 1998	\$2,000,000
October 1, 1998	\$3,000,000

Such amounts may be adjusted in accordance with the terms of the Fifth Supplemental Indenture and the Trust Indenture upon any partial redemption pursuant to the terms thereof.

Subject to the terms and conditions of the Trust Indenture, this Debenture is redeemable at the option of the Company in whole or in part, at a price which is the greater of:

- a) 103% of the unpaid principal amount of this Debenture plus any accrued and unpaid interest thereon to the date fixed for redemption; or
- (b) an amount equal to the present value of all future interest and principal payments on this Debenture, such present value to be determined in accordance with the provisions of the Trust Indenture.

This Debenture is also subject to mandatory redemption in part upon the occurrence of certain events and notation of such partial redemption may be made on the reverse hereof, all as more fully provided in the Trust Indenture.

If this Debenture is called for redemption and payment hereof duly provided for, interest shall cease to accrue hereon from the date specified for redemption as provided in the Trust Indenture.

The principal amount hereof may also become or be declared due before the stated maturity in the events, and the manner, on the conditions and with the effect and at the times set forth in the Trust Indenture.

The Trust Indenture contains provisions for meetings of the holders of debentures issued by the Company in accordance with the Trust Indenture and for making binding upon all such holders resolutions passed at such meetings and instruments in writing signed by the holders of a specified percentage of specified classes of debentures, which resolutions and instruments may, among other things, sanction any change in the Trust Indenture or in the rights of any holders of debentures issued by the Company, all in accordance with the provisions of the Trust Indenture.

No transfer of this Debenture shall be valid unless made on one of the registers to be kept for that purpose at the principal office of the Trustee in the City of Toronto, Canada, and at such other place or places and/or by such other registrar or registrars (if any) as the Company may from time to time designate, by the registered holder hereof or his executors, administrators or other legal representatives or his or their attorney duly appointed by an instrument in writing in form and execution satisfactory to the Trustee and upon compliance with the conditions prescribed in the Trust Indenture and with such reasonable requirements as the Trustee and/or other registrar may prescribe, nor in the case where a new debenture is or debentures are issued upon such transfer, unless such transfer has been duly noted hereon by the Trustee or other registrar.

This Debenture shall not become obligatory for any purpose until it shall have been certified by or on behalf of the Trustee.

IN WITNESS WHEREOF this Debenture has been duly executed and the corporate seal of the Company affixed hereto.

This Debenture is one of a series, designated as Series 89-3 Class A Debentures of the Company, issued under the provisions of a trust indenture (herein called the "Trust Indenture") dated September 15, 1988 and a supplemental trust indenture (herein called the "Fifth Supplemental Indenture") formally dated July 17, 1989, both made between the Company and The Royal Trust Company (hereinafter called the "Trustee") as trustee. By the Trust Indenture the Company has created a security interest in and mortgaged, pledged, assigned and charged, as and by way of a first floating charge, to and in favour of the Trustee, its successors and assigns, all its undertaking, property, rights and assets now owned or hereafter acquired by the Company, of whatsoever nature, kind or description and wherever situate. Reference is hereby made to the Trust Indenture, the Fifth Supplemental Indenture and all other indentures supplemental to the Trust Indenture for a description of the security created thereby, the terms and conditions upon which the Series 89-3 Class A Debentures are issued or may be issued, secured, and held, the nature and extent of the security, and the rights of the holders of such Debentures and of the Company and of the Trustee, all to the same effect as if the provisions of the Trust Indenture, the Fifth Supplemental Indenture and all other indentures supplemental to the Trust Indenture were herein set forth, to all of which provisions the holder of this Debenture, by acceptance hereof, assents. Without limiting the generality of the foregoing, the holder of this Debenture, by acceptance hereof, acknowledges and assents to Section 9.19 of the Trust Indenture which limits the holder's recourse against any incorporator, shareholder, officer or director, past, present or future, of the Company and Section 16.06 of the Trust Indenture pursuant to which the holder agrees to certain non-disclosure restrictions.

The Series 89-3 Class A Debentures, of which this is one, are limited to an aggregate principal amount of \$4,200,000 in lawful money of Canada and mature on April 1, 1999, are issuable only as fully registered debentures in denominations of a minimum of \$10,000 with no set integrals thereafter, and are issued only upon the terms and subject to the restrictions set out in the Trust Indenture and the Fifth Supplemental Indenture.

This Debenture ranks pari passu without discrimination, preference or priority with all Class A Debentures and Class B Debentures issued in accordance with the Trust Indenture irrespective of their actual dates or terms of issue.

The Series 89-3 Class A Debentures are subject to mandatory redemption on a pro rata basis under the terms of the Trust Indenture and the Fifth Supplemental Indenture in accordance with the following schedule:

<u>Date</u>	<u>Amount</u>
October 1, 1998	\$3,745,000
April 1, 1999	\$455,000

Such amounts may be adjusted in accordance with the terms of the Fifth Supplemental Indenture and the Trust Indenture upon any partial redemption pursuant to the terms thereof.

Subject to the terms and conditions of the Trust Indenture, this Debenture is redeemable at the option of the Company in whole or in part, at a price which is the greater of:

- a) 103% of the unpaid principal amount of this Debenture plus any accrued and unpaid interest thereon to the date fixed for redemption; or
- (b) an amount equal to the present value of all future interest and principal payments on this Debenture, such present value to be determined in accordance with the provisions of the Trust Indenture.

This Debenture is also subject to mandatory redemption in part upon the occurrence of certain events and notation of such partial redemption may be made on the reverse hereof, all as more fully provided in the Trust Indenture.

If this Debenture is called for redemption and payment hereof duly provided for, interest shall cease to accrue hereon from the date specified for redemption as provided in the Trust Indenture.

The principal amount hereof may also become or be declared due before the stated maturity in the events, and the manner, on the conditions and with the effect and at the times set forth in the Trust Indenture.

The Trust Indenture contains provisions for meetings of the holders of debentures issued by the Company in accordance with the Trust Indenture and for making binding upon all such holders resolutions passed at such meetings and instruments in writing signed by the holders of a specified percentage of specified classes of debentures, which resolutions and instruments may, among other things, sanction any change in the Trust Indenture or in the rights of any holders of debentures issued by the Company, all in accordance with the provisions of the Trust Indenture.

No transfer of this Debenture shall be valid unless made on one of the registers to be kept for that purpose at the principal office of the Trustee in the City of Toronto, Canada, and at such other place or places and/or by such other registrar or registrars (if any) as the Company may from time to time designate, by the registered holder hereof or his executors, administrators or other legal representatives or his or their attorney duly appointed by an instrument in writing in form and execution satisfactory to the Trustee and upon compliance with the conditions prescribed in the Trust Indenture and with such reasonable requirements as the Trustee and/or other registrar may prescribe, nor in the case where a new debenture is or debentures are issued upon such transfer, unless such transfer has been duly noted hereon by the Trustee or other registrar.

This Debenture shall not become obligatory for any purpose until it shall have been certified by or on behalf of the Trustee.

IN WITNESS WHEREOF this Debenture has been duly executed and the corporate seal of the Company affixed hereto.
