INTERSTATE COMMERCE COMMISSION

SECURITY AGREEMENT dated as of October 27, 1989, among CHICAGO AND NORTH WESTERN ACQUISITION CORP,, a Delaware corporation (the "Company"), CHICAGO AND NORTH WESTERN HOLDINGS CORP., a Delaware corporation ("Holdings"), each of the direct and indirect subsidiaries of the Company listed on the signature pages hereto (the "Subsidiaries") (the Company, Holdings and the Subsidiaries being collectively called the "Grantors") and CHEMICAL BANK, a New York banking corporation, as collateral agent (the "Agent") for the lenders (the "Lenders") and the issuing bank (the "Issuing Bank") party to the Credit Agreement dated as of August , 1989, as amended (the "Credit Agreement"), among the Company, Holdings, Chicago and North Western Transportation Company ("CNTC"), CNW Corporation, the Lenders, the Issuing Bank and the Agent.

The Lenders and the Issuing Bank have respectively agreed to make Loans (such term, and each other capitalized term used but not defined herein, having the meaning given to it in the Credit Agreement) to the Company and CNTC and to issue Letters of Credit for the account of the Company and CNTC pursuant to, and subject to the terms and conditions specified in, the Credit Agreement. The obligations of the Lenders to make Loans, and of the Issuing Bank to issue Letters of Credit, under the Credit Agreement are conditioned upon, among other things, the execution and delivery by the Grantors of a security agreement in the form hereof to secure (a) the due and punctual payment by the Company and CNTC of (i) the principal of and interest on the Loans, when and as due, whether at maturity, by acceleration, upon one or more dates set for prepayment or otherwise, (ii) each payment required to be made by the Company or CNTC under the Credit Agreement in respect of any Letter of Credit Disbursement, when and as due, including interest thereon, if any, and (iii) all other monetary obligations of the Company and CNTC to the Lenders, the Issuing Bank or the Agent under the Credit Agreement, this Agreement and the other Loan Documents to which the Company or CNTC is or is to be a party, (b) the due and punctual payment of all monetary obligations, and performance of all other obligations of the Company and CNTC under the Credit Agreement, this Agreement and the other Loan Documents to which the Company or CNTC is or is to be a party, (c) the due and punctual

payment of all monetary obligations, and performance of all other obligations, of each other Grantor under this Agreement and the other Loan Documents (including the Credit Agreement) to which it is or is to be a party and (d) the due and punctual payment of all monetary obligations of the Borrowers under each interest rate protection agreement entered into pursuant to Section 5.17 of the Credit Agreement with any counterparty that is a Lender (all the foregoing obligations being collectively called the "Obligations").

Accordingly, the Grantors and the Agent, on behalf of itself, the Lenders and the Issuing Bank, hereby agree as follows:

1. Definition of Terms Used Herein. All capitalized terms used herein but not defined herein shall have the meanings set forth in the Credit Agreement. As used herein, the following terms shall have the following meanings:

(a) "Accounts" shall mean any and all rights of any Grantor to payment for goods and services sold, leased or subject to railroad interchange (exclusive of any liabilities of the applicable Grantor with respect thereto), including any such right evidenced by chattel paper, whether due or to become due, whether or not it has been earned by performance, and whether now or hereafter acquired or arising in the future, including, without limitation, accounts receivable from Affiliates of such Grantor.

(b) "Accounts Receivable" shall mean all Accounts and all rights in any returned goods, together with all rights, titles, securities and guaranties with respect thereto, including any rights to stoppage in transit, replevin, reclamation and resales, and all related security interests, liens and pledges, whether voluntary or involuntary.

(c) "Collateral" shall mean all (i) Accounts Receivable, (ii) Documents, (iii) Equipment, (iv) General Intangibles, (v) Inventory, (vi) Proceeds and (vii) Collection Deposit Accounts (as defined in Section 14).

(d) "Documents" shall mean all instruments, files, records, ledger sheets and documents covering or relating to any of the Accounts Receivable, Equipment, General Intangibles, Inventory, Proceeds and Collection Deposit Accounts.

(e) "Equipment" shall mean all railroad cars, locomotives and other rolling stock, and all equipment, vehicles, trackage, furniture and furnishings, and all tangible personal property similar to any kind of the foregoing, including tools, accessories, parts and supplies of every kind and description, and all improvements, accessions or appurtenances thereto, other than Fixtures which are now or hereafter owned by the Grantor,

(f) "Fixtures" shall mean all items that would otherwise constitute items of Collateral, whether now owned or hereafter acquired, that become so related to particular real estate that an interest in them arises under any real estate law applicable thereto.

(g) "General Intangibles" shall mean all choses in action and causes of action and all other assignable intangible personal property of the Grantor of every kind and nature (other than Accounts Receivable) now owned or hereafter acquired by the Grantor, including corporate or other business records, inventions, designs, patents, patent applications, trademarks (including service marks), trade names, trade secrets, goodwill, copyrights, software, registrations, franchises, tax refund claims and any letter of credit, guarantee, claim, security interest or other security held by or granted to the Grantor to secure payment by an account debtor of any of the Accounts Receivable.

(h) "Inventory" shall mean all goods intended for sale or lease by any Grantor, or consumed in any Grantor's business (including, without limitation, all operating parts and supplies), together with all raw materials and finished goods, whether now owned or hereafter acquired or arising, and all such property the sale or other disposition of which has been returned to, repossessed, or stopped in transit by or behalf of any Grantor,

(i) "Proceeds" shall mean any consideration received from the sale, exchange or other disposition of any asset or property which constitutes Collateral, any value received as a consequence of the possession of any Collateral and any payment received from any insurer or other person or entity as a result of the destruction, loss, theft, damage or other involuntary conversion of whatever nature of any asset or property which constitutes Collateral, and shall include, without limitation, all cash and negotiable instruments received or held on behalf of the Agent pursuant to Section 15 relating to the payment of Accounts Receivable and Inventory.

2. Security Interest. As security for the payment and performance in full of the Obligations, each of the Grantors hereby creates and grants to the Agent, its successors and its assigns, for its benefit and the benefit of the Issuing Bank and the Lenders, their successors and their assigns, a security interest in the Collateral of such Grantor (together with all Collateral granted by all other Grantors hereunder, the "Security Interest"). Without limiting the foregoing, the Agent is hereby authorized to file one or more financing statements, continuation statements or other documents for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest without the signature of any Grantor (or with any such signature executed pursuant to the power of attorney conferred by Section 20), naming any Grantor or Grantors as debtors and the Agent as secured party. The Agent shall provide to the applicable Grantor notice of the filing of all statements or other documents pursuant to this Section 2.

3. Further Assurances. Each of the Grantors agrees, at its expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Agent or the Issuing Bank or any of the Lenders may from time to time reasonably request for the better assuring and preserving of the security interests and the rights and remedies created hereby, including, without limitation, the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the security interests created hereby and the filing of any financing statements or other documents in connection herewith. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any promissory note, security agreement, guaranty or other instrument, such note, security agreement, guaranty or instrument shall be immediately pledged and delivered to the Agent pursuant to the Pledge Agreement, duly endorsed in a manner satisfactory to the Agent.

4. Inspection and Verification. The Agent and such persons as the Agent may reasonably designate shall have the right, at any reasonable time or times with reasonable prior notice during the usual business hours of any Grantor, to inspect the Collateral of such Grantor, all records related thereto (and to make extracts and copies from such records), and the premises upon which any of the Collateral is located, to discuss such Grantor's affairs with the officers of such Grantor and their independent accountants and to verify under reasonable procedures the

validity, amount, quality, quantity, value, and condition of, or any other matter relating to, the Collateral, including, in the case of Accounts or Collateral in the possession of any third person, contacting any Account Debtor or the third person possessing such Collateral for the purpose of making such a verification (it being understood that where appropriate the Agent and any such designees shall observe reasonable safety procedures, sign reasonable releases of Grantor liability and agree to be accompanied by employees of the applicable Grantor prior to entering upon such premises). The Agent shall have the absolute right (unless prohibited by law) to share any information it gains from such inspection or verification with the Issuing Bank and any or all of the Lenders.

5. Taxes; Encumbrances. At its option, the Agent, upon five Business Days' notice to the applicable Grantor, may discharge past due taxes, liens, security interests or other encumbrances at any time levied or placed on the Collateral of such Grantor and not permitted under the Credit Agreement, and may pay for the maintenance and preservation of the Collateral to the extent any of the Grantors fails to do so as required by the Credit Agreement, and each of the Grantors agrees to reimburse the Agent on demand for any payment made or any expense incurred by it pursuant to the foregoing authorization; provided, however, that nothing in this Section 5 shall be interpreted as excusing the Grantors from the performance of any covenants or other promises with respect to taxes, liens, security interests or other encumbrances and maintenance as set forth herein or in the Credit Agreement.

6. Assignment of Security Interest. If at any time any of the Grantors shall take and perfect a security interest in any property of an Account Debtor or any other person to secure payment and performance of an Account, such Grantor shall promptly assign such security interest to the Agent. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other person granting the security interest.

7. Representations and Warranties. Each Grantor represents, warrants and covenants, as to itself and the

Collateral pledged by it hereunder, to and with the Agent that:

(a) Title and Authority. Such Grantor has rights in and good title to the Collateral with respect to which it has purported to grant the Security Interest hereunder and has full corporate power and authority to grant to the Agent the Security Interest in such Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other person other than any consent or approval which has been obtained.

(b) Filings. (i) Upon the filing of this Agreement with the ICC in accordance with 49 U.S.C. § 11303, and the depositing of this Agreement with the Registrar General of Canada (notice of such deposit to be forthwith given in The Canada Gazette) pursuant to Section 86 of the Railway Act of Canada, there will be established a valid, legal and perfected security interest in favor of the Agent in all Collateral consisting of rolling stock, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in the United States or in Canada to establish or maintain such security interest and the perfection and priority thereof.

(ii) Fully executed Uniform Commercial Code financing statements containing a description of the Collateral have been delivered to the Agent for filing in every governmental, municipal or other office in every jurisdiction in which any material portion of the Collateral (other than rolling stock) is located necessary to establish a valid, legal and perfected security interest in favor of the Agent in respect of the Collateral located therein in which a security interest may be perfected by filing in the United States and its territories and possessions (other than the filing referred to in clause (i)), and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements, to establish or maintain such security interest and the perfection and priority thereof.

(c) Validity of Security Interest. The Security Interest, assuming filing of the documents referred to in paragraph (b) above, constitutes a valid, legal and perfected security interest in all of the Collateral (other than Collateral which individually and in the aggregate is

not material to the Company and its subsidiaries) for payment and performance of the Obligations and the Collateral is not, and will not be at any time, subject to any Liens, other than Liens permitted by Section 6.02 of the Credit Agreement or created hereby.

(d) Information Regarding Names and Locations. Schedule I hereto sets forth, as to each Grantor, (i) each trade name used to identify it in the conduct of its business or in the ownership of its properties and (ii) the location of its chief executive office or its principal place of business; and sets forth each state and county in which a material portion of the Collateral (other than rolling stock) is located and/or in which is located any office in which it maintains records relating to a material portion of the Collateral owned by it.

8. Location of Collateral; Place of Business; Records and Schedules of Accounts and Collateral; Marking of Rolling Stock; Documents of Title. (a) Each Grantor agrees promptly to notify the Agent of any change (i) in its corporate name or in any trade name used to identify it in the conduct of its business or in the ownership of its properties or (ii) in the location of its chief executive office or its principal place of business, or in the location, other than to a state or county set forth on Schedule I or in which filings which meet the requirements of Section 7(b)(ii) above have been made, of any office in which it maintains records relating to a material portion of the Collateral owned by it or the offices or facilities at which a material portion of the Collateral (other than rolling stock) owned by it is located (including the establishment of any such new office or facility). The Grantor agrees not to effect or permit any change referred to in the preceding sentence unless all filings under the Uniform Commercial Code or otherwise which are required in order for the Agent to continue at all times following such change to have a valid and perfected first priority security interest in all the Collateral to be located in the new state and/or county (other than such Collateral in which, pursuant to Section 6.02 of the Credit Agreement, the Agent did not initially have a first priority security interest, as to which Collateral the Agent shall have the highest possible priority security interest therein) have been made. The Grantor agrees promptly to notify the Agent if any material portion of the Collateral is damaged or destroyed.

(b) Each Grantor shall keep or cause to be kept records of Accounts which are accurate in all material respects.

(c) Each Grantor agrees to maintain complete and accurate records in all material respects with respect to the Collateral, in addition to those records described in the foregoing paragraph (b), owned by it, including, but not limited to, a record of all payments and Proceeds received, and, at such time or times as the Agent may request, promptly to prepare and deliver to the Agent a duly certified schedule or schedules in such form and detail as the Agent may reasonably request, showing the identity, amount and location of any and all such Collateral.

(d) Each Grantor shall keep and maintain, or cause to be kept and maintained, plainly, distinctly, permanently and conspicuously marked on any rolling stock that is hereafter acquired or obtained by any Grantor in a transaction or series of related transactions which either individually or in the aggregate, as the case may be, involve a total purchase price of not less than $10,000,000 for such rolling stock (including, without limitation, through the exercise of any purchase option) in letters not less than seven-sixteenths of an inch in height:

"OWNERSHIP SUBJECT TO SECURITY AGREEMENT FILED WITH THE INTERSTATE COMMERCE COMMISSION"

or other appropriate words of similar effect with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the security interests of the Lenders and the Issuing Bank in such rolling stock and its rights hereunder. Each Grantor agrees that it will cause all rolling stock when subject to routine off-line maintenance to be numbered with the respective serial, running or other identifying numbers. To the extent that such numbers are present on the rolling stock owned by the Grantors as of the date hereof, such numbers are set forth completely and accurately in Schedule III hereto. Each Grantor agrees that it will not place any item of rolling stock purchased in a transaction or a series of related transactions for a purchase price of not less than $10,000,000 in service or otherwise exercise any control or dominion over any item of rolling stock if the serial, running or other identifying number of such item of rolling stock is not contained in Schedule III hereto,

unless and until an amendment to this Agreement shall have been filed and recorded by such Grantor with the ICC and deposited with the Registrar General of Canada (notice of such deposit to be forthwith given in The Canada Gazette) pursuant to Section 86 of the Railway Act of Canada, and, at the request of the Agent in its sole and absolute discretion, such Grantor shall have furnished to the Agent a legal opinion to the effect that (i) such amendment has been so filed and recorded, (ii) such filing and recordation will protect the Security Interest in the rolling stock and (iii) no other filing or recording with or to any other Federal, state or local government or agency thereof is necessary to protect the Security Interest in the rolling stock in the United States. If any Grantor fails to take any action specified in the immediately preceding sentence, the Grantors hereby authorize the Agent to modify this Agreement by amending Schedule III hereto as applicable, to reflect such changes or additions to the serial, running or other identifying numbers contained therein and to record the same with the ICC and the Registrar General of Canada.

(e) Each of the Grantors agrees immediately to deliver all documents of title (as such term is defined in the Uniform Commercial Code) to the Agent or its designee upon the creation and issuance of such documents of title to the extent necessary to maintain a valid, legal and perfected security interest in favor of the Agent in respect of any Equipment (including, without limitation, all vehicles).

9. Protection of Security. Each Grantor shall, at its own cost and expense, take any and all actions necessary to defend its right, title or other interest in and to the Collateral against all persons and to defend the Security Interest of the Agent in the Collateral and the priority thereof, against any adverse Lien not permitted under the Credit Agreement.

10. Continuing Obligations of the Grantors. Each of the Grantors shall remain liable to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement, interest or obligation relating to the Collateral, all in accordance with the terms and conditions thereof, and shall indemnify and hold harmless the Agent, the Issuing Bank and the Lenders and each of them severally, from any and all such liabilities (such indemnification to survive the termination of this Agreement).

11. Insurance. (a) Each Grantor shall, at its sole cost and expense, use its best efforts to maintain insurance policies (i) naming the Agent as an additional insured or loss payee, as the case may be, with respect to the Collateral in accordance with the provisions of Section 5.02 of the Credit Agreement and (ii) that provide that such policies may not be canceled or otherwise terminated without at least ten days' prior written notice to the Agent and shall permit the Agent to pay any premium thereof within ten days after receipt of any notice stating that such premium has not been paid when due. Each Grantor required to maintain insurance policies hereunder shall (A) deliver annually to the Agent an officer's certificate stating and certifying to the expiration date of each such required insurance policy, (B) notify the Agent at least ten business days prior to such expiration date if such Grantor intends to permit such policy to expire and (C) notify the Agent within three business days of such Grantor's receipt of notice of cancelation or other termination of such insurance policy from the issuer of such insurance policy. The policy or policies of such insurance or certificates of insurance evidencing the required coverages shall be delivered to the Agent. In the event of a casualty loss, the proceeds from such insurance policies shall be paid and applied as specified in Paragraph (b) below.

(b) Casualty Loss. If any portion of the Collateral shall be destroyed or damaged by fire or any other casualty, resulting in a loss in excess of $5,000,000, the Grantors shall give immediate notice to the Agent of any such destruction or damage, who may make proof of loss if not promptly made by the Grantors, and each insurance company concerned is hereby authorized and directed by the Grantors to make payment for any loss in excess of $5,000,000 directly to the Agent. In the case of any loss of less than $5,000,000, the Grantors shall have the right to adjust such loss independently of the Agent, and available proceeds net of any costs and expenses of the Grantors or the Agent, shall be paid directly to and applied by the Grantors, at the election of the Grantors, (i) to the repair, restoration and replacement of the Collateral, (ii) to the purchase of capital assets or to other Capital Expenditures resulting in or improving capital assets or (iii) to the prepayment of Loans in accordance with the terms set forth in Section 2.12(f) of the Credit Agreement. In the event of any loss in excess of $5,000,000, the Agent shall participate in the adjustment of such loss, available proceeds in respect of such loss shall be paid to the Agent and such proceeds, net of any costs and expenses of the

Grantors or the Agent, shall be applied at the election of the Grantors (i) to the repair, restoration and replacement of the Collateral, (ii) to the purchase of capital assets or to other Capital Expenditures resulting in or improving capital assets or (iii) to the prepayment of Loans in accordance with the terms set forth in Section 2.12(f) of the Credit Agreement; provided, however, that if the amount of any loss exceeds $20,000,000, such proceeds shall not be applied to the purchase of capital assets or other Capital Expenditures resulting in capital assets without the Agent's consent. In the case of the repair, restoration and replacement of Collateral or the purchase of capital assets or other Capital Expenditure as referred to above, the Grantors shall in each case involving the application of insurance proceeds in excess of $5,000,000 provide the Agent with certification reasonably satisfactory to the Agent that the fair value of such repair, restoration, replacement or resulting capital asset is not less than the value of such proceeds applied thereto.

Notwithstanding the foregoing, upon the occurrence and during the continuance of an Event of Default all insurance proceeds in excess of $100,000 shall be paid to the Agent, and such proceeds, net of any costs and expenses, of the Grantors and the Agent, shall be applied as directed by the Agent in its sole discretion (i) to the repair, restoration and replacement of the Collateral, (ii) to the purchase of capital assets or to other Capital Expenditures resulting in capital assets or (iii) to the prepayment of Loans in accordance with the terms set forth in Section 2.12(f) of the Credit Agreement.

12. Use and Disposition of Collateral. None of the Grantors (i) shall make or permit to be made an assignment, pledge or hypothecation of the Collateral, and shall grant no other security interest in the Collateral (other than pursuant hereto) or (ii) shall make or permit to be made any transfer of the Collateral, and shall remain at all times in possession thereof other than transfers to the Agent pursuant to the provisions hereof; the Grantors may use and dispose of the Collateral in any lawful manner not inconsistent with the provisions of this Agreement, the Credit Agreement or any other Loan Document, unless the Agent shall, after an Event of Default shall have occurred and during the continuance thereof, notify the Grantors not to sell, convey, lease, assign, transfer or otherwise dispose of any Collateral.

13. Limitation on Modifications of Accounts. None of the Grantors will, without the Agent's prior written consent, grant any extension of the time of payment of any of the Accounts Receivable, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any person liable for the payment thereof, or allow any credit or discount whatsoever thereon other than extensions, credits, discounts, compromises or settlements granted or made in the ordinary course of business, unless the Agent shall, after an Event of Default shall have occurred and during the continuance thereof, notify the Grantors not to grant or make any such extension, credit, discount, compromise, or settlement under any circumstances.

14. Collection Deposit Accounts. (a) At any time after a Default or Event of Default shall have occurred and be continuing, upon written request of the Agent or the Required Lenders, each Grantor agrees (i) to establish and maintain lockbox accounts (the "Collection Deposit Accounts") with the Agent or with any financial institutions that (x) are satisfactory to the Agent, (y) agree that they will act solely on behalf of the Agent and (z) agree that with respect to such lockbox accounts such financial institutions will not exercise any right of setoff against any Grantor, (ii) to notify and direct promptly each Account Debtor and every other person obligated to make payments and remittances on Accounts Receivable to make all such payments and remittances to the Collection Deposit Accounts and (iii) will cause all dividends, distributions or any other amounts received from WRPI to be paid directly into a Collection Deposit Account. Each Grantor shall use all reasonable efforts to cause each Account Debtor and every other person identified in the preceding sentence to make all payments and remittances with respect to Accounts Receivable directly to the Collection Deposit Accounts.

(b) Each Grantor shall use its best efforts to prevent any funds which are not payments on Accounts Receivable or WRPI dividends or distributions from being deposited into, or otherwise commingled with, the funds held in the Collection Deposit Accounts. Other than upon the happening and during the continuance of an Event of Default, the applicable Grantor may at any time withdraw any of the funds contained in a Collection Deposit Account for use, subject to the provisions of the Loan Documents, for general corporate purposes.

(c) Upon the occurrence and during the continuance of an Event of Default, each Collection Deposit Account

will, without any further action taken on the part of any Grantor or the Agent, automatically convert into a closed lockbox account under the exclusive dominion and control of the Agent in which funds are held subject to the rights of the Agent hereunder. No Grantor shall thereafter have any right or power to withdraw any funds from any Collection Deposit Account without the prior written consent of the Agent until all Events of Default are cured or waived.

(d) In the event that any Grantor directly receives any payments or remittances on Accounts Receivable or dividends or distributions from WRPI, notwithstanding the arrangements for payment directly into the Collection Deposit Accounts, such payments or remittances shall be held for the benefit of the Agent, the Issuing Bank and the Lenders and shall be segregated from other funds of the applicable Grantor, subject to the Security Interest granted hereby, and such Grantor shall cause such payments and remittances to be deposited into the Collection Deposit Account with the Agent as soon as practicable after such Grantor's receipt thereof.

15. Collections. Upon the occurrence and during the continuance of an Event of Default, the Agent shall have the right, as the true and lawful agent of each of the Grantors, with power of substitution for each Grantor and in each Grantor's name, the Agent's name or otherwise, for the use and benefit of the Agent, the Issuing Bank and the Lenders (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts Receivable to any customer; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to or pertaining to all or any of the Collateral; (g) to notify, or to require the Grantors to notify, the Account Debtors obligated on any or all of the Accounts Receivable to make payment thereof directly to the Agent; and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things

necessary to carry out the purposes of this Agreement, as fully and completely as though the Agent were the absolute owner of the Collateral for all purposes; provided, however, that nothing herein contained shall be construed as requiring or obligating the Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby, and no action taken by the Agent or omitted to be taken with respect to the Collateral or any part thereof shall give rise to any defense, counterclaim or offset in favor of the Grantors or to any claim or action against the Agent. Upon taking of possession of any Collateral hereunder, the Agent shall deal with such Collateral in substantially the same manner as it deals with similar property for its own account. It is understood and agreed that the appointment of the Agent as the agent of each of the Grantors for the purposes set forth above in this Section 15 is coupled with an interest and is irrevocable. The provisions of this Section 15 shall in no event relieve any Grantor of any of its obligations hereunder or under any other Loan Document with respect to the Collateral or any part thereof or impose any obligation on the Agent, the Issuing Bank or the Lenders to proceed in any particular manner with respect to the Collateral or any part thereof, or in any way limit the exercise by the Agent, the Issuing Bank or any Lender of any other or further right which it may have on the date of this Agreement or hereafter, whether hereunder, under any other Loan Document or by law or otherwise.

16. Remedies upon Default. Upon the occurrence and during the continuance of an Event of Default, each of the Grantors agrees to deliver each item of Collateral to the Agent on demand, and it is agreed that the Agent shall have the right to take any or all of the following actions at the same or different times: with or without legal process and with or without previous notice or demand for performance, to take possession of the Collateral and without liability for trespass to enter any premises where the Collateral may be located for the purpose of taking possession of or removing the Collateral and, generally, to exercise any and all rights afforded to a secured party under the Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing, each of the Grantors agrees that the Agent shall have the right, subject to the mandatory requirements of current law, to sell or otherwise dispose of all or any part of the Collateral, at public

or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Agent shall deem appropriate. The Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any of the Grantors, and each of the Grantors hereby waives (to the maximum extent permitted by law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Agent shall give the Grantors 10 days' prior written notice (which each of the Grantors agrees is reasonable notice within the meaning of Section 9-504(3) of the Uniform Commercial Code as in effect in the State of New York or its equivalent in other jurisdictions) of the Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Agent may (in its sole and absolute discretion) determine. The Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Agent until the sale price is paid by the purchaser

or purchasers thereof, but the Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public sale made pursuant to this Section 16, the Agent, the Issuing Bank or any Lender may bid for or purchase, free from any right of redemption, stay, valuation or appraisal on the part of any of the Grantors (all said rights being also hereby waived and released to the maximum extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to it from any of the Grantors as a credit against the purchase price, and it may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any of the Grantors therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Agent shall be free to carry out such sale pursuant to such agreement, and none of the Grantors shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Agent shall have entered into such an agreement all Events of Default shall have been remedied and the obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver.

17. Application of Proceeds. The Agent shall apply the proceeds of any collection or sale of the Collateral as follows:

FIRST, to the payment of all costs and expenses incurred by the Agent in connection with such collection or sale or otherwise in connection with this Agreement, any other Loan Document or any of the Obligations, including, but not limited to, all court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all advances made by the Agent hereunder or under any other Loan Document on behalf of the Company or any of the Grantors and any other costs or expenses incurred by the Agent in connection with the exercise of any right or remedy hereunder or thereunder;

SECOND, to the payment in full of the Obligations owed to the Issuing Bank and the Lenders in respect of Loans made by them and outstanding and the amounts owing in respect of any outstanding Letter of Credit Disbursement, pro rata as among the Issuing Bank and the Lenders in accordance with the amount of such Obligations owed to them;

THIRD, to the payment and discharge in full of the Obligations (other than those referred to above and below) pro rata as among the Agent, the Issuing Bank and the Lenders in accordance with the amount of such Obligations owed to them;

FOURTH, to the payment in full of the Obligations owed to any Lender or Lenders in respect of each interest rate protection agreement entered into pursuant to Section 5.17 of the Credit Agreement; and

FIFTH, to the Grantors, their successors or assigns, or as a court of competent jurisdiction may otherwise direct.

The Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of the Collateral by the Agent (including, without limitation, pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Agent or such officer or be answerable in any way for the misapplication thereof.

18. Security Interest Absolute. All rights of the Agent hereunder, the Security Interest, and all obligations of the Grantors hereunder, shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement or any other Loan Document, any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument, (c) any exchange, release or nonperfection of any other Collateral, or any

release or amendment or waiver of or consent to or departure from any guaranty, for all or any of the Obligations, or (d) any other circumstance which might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Obligations or in respect of this Agreement (other than the indefeasible payment in full of all the Obligations by any Grantor).

19. Hazardous Materials Liability; etc. Each Grantor covenants and agrees to protect, indemnify, save harmless and defend the Agent, the Lenders and the Issuing Bank from and against any and all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including, without limitation, attorneys' fees and expenses) imposed upon or incurred by or asserted against the Agent, any Lender or the Issuing Bank by reason of the Security Interest in the Collateral arising in connection with the presence, transportation or storage of any hazardous wastes, hazardous substances, hazardous materials, toxic substances or toxic pollutants (as those terms are used in the Resource Conservation and Recovery Act, the Comprehensive Environmental Response Compensation and Liability Act, the Hazardous Materials Transportation Act, the Toxic Substance Control Act, the Clean Air Act or the Clean Water Act) or any similar substances.

20. No Waiver. No failure on the part of the Agent to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy by the Agent preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by law. Except as provided in the Credit Agreement, neither the Agent, Issuing Bank nor the Lenders shall be deemed to have waived any rights hereunder or under any other agreement or instrument unless such waiver shall be in writing and signed by such parties.

21. Amendment, Modification, Waiver. (a) Neither this Security Agreement nor any provision hereof may be waived, amended or modified except pursuant to the written agreement entered into between and among the Grantors, the Agent and the Required Lenders; provided, however, that except as provided herein or in the Credit Agreement, no such agreement shall amend, modify, waiver or otherwise adversely affect the Lenders' rights and interests in any

material amount of the Collateral without the prior written consent of each of the Lenders.

22. Agent Appointed Attorney-in-Fact. Except as otherwise provided herein, each of the Grantors hereby appoints the Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument which the Agent may deem reasonably necessary or advisable to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest.

23. Agent's Fees and Expenses. Each of the Grantors jointly and severally agrees to pay upon demand to the Agent the amount of any and all reasonable expenses and its fully allocated internal costs, including the reasonable fees and expenses of its counsel and of any experts or agents, which the Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody or preservation of, or the sale of, collection from, or other realization upon, any of the Collateral, (iii) the exercise or enforcement of any of the rights of the Agent hereunder, or (iv) the failure by any Grantor to perform or observe any of the provisions hereof. If any Grantor shall fail to do any act or thing which it has covenanted to do hereunder or any representation or warranty of any Grantor hereunder shall be breached, the Agent may (but shall not be obligated to) do the same or cause it to be done or remedy any such breach and there shall be added to the Obligations the cost or expense incurred by the Agent in so doing, and any and all amounts expended by the Agent in taking any such action, including without limitation any legal fees in connection therewith, shall be payable to the Agent upon demand to such Grantor therefor and shall bear interest at the rate of interest equal to 3% above the Alternate Base Rate. Any such amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Security Documents.

24. Binding Agreement; Assignments. This Agreement, and the terms, covenants and conditions hereof, shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns (including any future Lender becoming a party to the Credit Agreement and any purchaser of a participation in any of the Obligations), except that the Grantors shall not be permitted to assign this Agreement or any interest herein or in the Collateral, or any part thereof, or otherwise pledge, encumber or grant any option with respect to the Collateral,

or any part thereof, or any cash or property held by the Agent as Collateral under this Agreement, except as contemplated by this Agreement or the Credit Agreement.

25. Governing Law. **THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.**

26. Notices. All communications and notices hereunder shall be in writing and given as provided in Section 9.01 of the Credit Agreement. All communications and notices hereunder to any Grantor not specified in Section 9.01 of the Credit Agreement shall be given to it at its address set forth in Schedule II hereto.

27. Survival of Agreement; Severability. (a) All covenants and agreements made by the Grantors herein and in the certificates or other instruments prepared or delivered in connection with this Agreement shall be considered to have been relied upon by the Agent, the Issuing Bank and the Lenders and shall survive the making by the Lenders of the Loans, the execution and delivery to the Lenders of the Notes and the issuance of any Letter of Credit and shall continue in full force and effect as long as the principal of or any accrued interest on any Notes or any other fee or amount payable under or in respect of any Note, Letter of Credit or this Agreement or, without duplication of the foregoing, under any of the other Loan Documents or under the Credit Agreement is outstanding and unpaid and so long as the Commitments have not been terminated. The representations and warranties contained in Section 7 hereof shall be considered to have been relied upon by the Lenders and the Issuing Bank and shall survive the making of the Loans and the issuance of any Letter of Credit and shall remain in full force and effect after the termination of this Agreement.

(b) In case any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect with respect to any Grantor, no party hereto shall be required to comply with such provision with respect to such Grantor for so long as such provision is held to be invalid, illegal or unenforceable and the validity, legality and enforceability of the remaining provisions contained herein, and of such provision with respect to any other Grantor, shall not in any way be affected or impaired. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which

comes as close as possible to that of the invalid, illegal or unenforceable provisions.

28. Section Headings. Section headings used herein are for convenience only and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

29. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original, but all of which, when taken together, shall constitute but one instrument; provided that this Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder. This Agreement shall be effective with respect to any Grantor when a counterpart which bears the signature of such Grantor shall have been delivered to the Agent.

30. Termination. This Agreement and the Security Interest shall terminate when all the Obligations have been fully and indefeasibly paid and when the Lenders have no further commitment to lend and the Issuing Bank has no further obligation to issue Letters of Credit under the Credit Agreement, at which time the Agent shall execute and deliver to the Grantors, or to such person or persons as the Grantors shall reasonably designate, all Uniform Commercial Code termination statements and similar documents prepared by the Grantors at their expense which the Grantors shall reasonably request to evidence such termination. Any execution and delivery of statements or documents pursuant to this Section 28 shall be without recourse to or warranty by the Agent.

IN WITNESS WHEREOF, the parties hereto have duly executed this Security Agreement as of the day and year first above written.
