(b) Adjustment to Purchase Price. If at any time after the date of this Agreement it shall be determined that the adjusted basis of the Lessor for Federal income tax purposes in the Property or in any Item thereof shall exceed the Lessee's Adjusted Basis in the Property or in such Item, the Purchase Price with respect thereto shall be reduced by an amount equal to such excess (the "Excess Basis"). Such reduction shall be effected by (i) delivery by the Lessee to the Lessor of a wire transfer of immediately available funds in an amount equal to 36.751% of the Excess Basis and (ii) the adjustment of the principal amount of the Deemed Loan to equal the outstanding principal amount of the Deemed Loan reduced by an amount equal to 63.249% of the Excess Basis. The installments payable in respect to the adjusted Deemed Loan and the Deemed Rent payable pursuant to Sections 3(d) and 3(f), respectively, for such Item of Property shall be appropriately adjusted to give effect to such reduction (and the Lessee shall indemnify the Lessor against any resulting Loss to the extent required pursuant to Sections 10 and 11).

(c) Reversion to Lessee. Upon expiration of the Lease Term, such of Lessor's right and interest in and to each Item of Property as will enable Lessor to claim the Tax Benefits with respect to each Item of Property and to the transaction contemplated by this Agreement will pass to the Lessee without further action by the Lessor or the Lessee, whereupon all of the Lessor's rights and interests with respect to each Item of Property shall terminate.

SECTION 3. DEEMED LEASES

(a) Characterization. The provisions of this Section describe the relationship between Lessee as lessee under leases deemed to be created hereby for Federal income tax purposes, and for such purposes only, and Lessor as lessor and owner under such Deemed Leases for such purposes only. Accordingly, Lessor, as lessor and owner, and Lessee, as such lessee, hereby elect to have the provisions of section 168(f)(8) of the Code apply with respect to this Agreement and hereby characterize this Agreement, for Federal income tax purposes and for such purposes only, as a separate lease for each Item of Property. For all purposes other than Federal income tax purposes, this Agreement shall be construed as it is intended by the parties hereto, namely, the transfer by Lessee to Lessor of an intangible asset, the Tax Benefits.

(b) Deemed Lease. By virtue of the characterization and elections set forth herein, Lessor, as owner of each Item of Property for Federal income tax purposes and for such purposes only, is hereby deemed to have leased each Item of Property to Lessee, and Lessee is hereby deemed to have leased each Item of Property from Lessor, for Federal income tax purposes and for such purposes only, for the Lease Term. This Agreement constitutes a separate lease as to each Item of Property. Each such lease for such purposes is herein referred to as a "Deemed Lease".

(c) Section 168(f)(8) Election. For Federal income tax purposes and for such purposes only, this Agreement shall constitute an agreement with respect to "qualified leased property", as such term is defined in section 168(f)(8) of the Code. Lessor, as lessor for Federal income tax purposes and for such purposes only, and Lessee, as lessee for only such purposes, hereby (i) irrevocably elect to have the provisions of section 168(f)(8) of the Code apply hereto and (ii) agree to inform the Internal Revenue Service of their election by filing information returns with their Federal income tax returns as provided by the Regulations identifying the parties hereto and the Property. The Lessee agrees (i) to provide to the Lessor all the information required pursuant to section 5c.168(f)(8)-2(a)(3) of the Regulations with respect to the Lessee and the Property, (ii) to sign the information return prepared by the Lessor pursuant to the Regulations, and to return such return, as signed by the Lessee, to the Lessor no more than five days

after its delivery to the Lessee for signature and (iii) to prepare, sign, and deliver to the Lessor for signature and file, all in accordance with the Regulations, the information return required of the Lessee pursuant to the Regulations. The Lessor agrees (i) to provide to the Lessee all the information required pursuant to section 5c.168(f)(8)-2(a)(3) of the Regulations with respect to the Lessor, (ii) to sign the return prepared by the Lessee pursuant to the Regulations, and to return such return, as signed by the Lessor, to the Lessee no more than five days after its delivery to the Lessor for signature and (iii) to prepare, sign and deliver to the Lessee for signature and file, all in accordance with the Regulations, the information return required of the Lessor pursuant to the Regulations.

(d) Deemed Loan. As part of the aggregate Purchase Price paid by Lessor to Lessee pursuant to Section 2 hereof, Lessor is hereby deemed, for Federal income tax purposes and for such purposes only, to have borrowed from Lessee, and Lessee is hereby deemed, for Federal income tax purposes and for such purposes only, to have lent to Lessor on a nonrecourse basis an amount equal to 63.249% of the aggregate Purchase Price paid with respect to the Property pursuant to Section 2 hereof. Such loan for such purposes is herein referred to as the "Deemed Loan". The Deemed Loan shall be deemed to bear "interest" at the rate of 18% on the unpaid "principal" balance thereof, semi-annually in arrears. Except as provided in the Schedule of Deemed Loan Payments, "principal" and "interest" shall be deemed to be due and payable in equal consecutive semi-annual installment payments, calculated on a level payment mortgage assumption, payable on each Payment Date. Each such payment shall be in the amount set forth in the Schedule of Deemed Loan Payments (as such Schedule shall be in effect on the applicable Payment Date) and shall be allocated to "principal" and "interest" in accordance with such Schedule.

(e) Prepayment of Deemed Loan. Notwithstanding the provisions of paragraph (d) of this Section, the Deemed Loan shall be deemed to be prepaid, as provided in this paragraph, if a Termination Occurrence shall occur with respect to one or more Items of Property. On the Payment Date next following the date of such Termination Occurrence, Lessor shall be deemed to have paid to Lessee, in partial prepayment of the Deemed Loan, the Allocable Portion of the unpaid "principal" amount of the Deemed Loan, with the effect that the amount of such prepayment made by Lessor

shall, for all purposes other than Federal income tax purposes, be, and be deemed to be, made without cash payment by one party to the other party. Promptly after the prepayment of the Deemed Loan pursuant to this paragraph, Lessee will prepare and distribute to Lessor a new Schedule of Deemed Loan Payments reflecting the consequences of such prepayment and a new Schedule of Deemed Rent Payments prepared in accordance with paragraph (g) of this Section.

As used herein, "Allocable Portion" shall mean that amount which bears the same relation to the unpaid "principal" amount of the Deemed Loan as the Lessor's Purchase Price of the Item of Property suffering such Termination Occurrence bears to the aggregate Purchase Price for all Items of Property not previously suffering a Termination Occurrence.

(f) Deemed Rent. Lessee shall be deemed to pay, for Federal income tax purposes and such purposes only, to Lessor, on each Payment Date during the Lease Term, "rent" with respect to all Items of Property in the amount set forth in the Schedule of Deemed Rent Payments. Such "rent" for such purpose is herein referred to as "Deemed Rent".

(g) Adjustment of Deemed Rent. Notwithstanding the provisions of paragraph (f) of this Section, the Schedule of Deemed Rent Payments shall be subject to adjustment if the Deemed Loan shall be deemed prepaid pursuant to paragraph (e) of this Section. Deemed Rent in such adjusted Schedule shall be equal in timing and amount to installments of the Deemed Loan under the Schedule of Deemed Loan Payments, as adjusted in accordance with paragraph (e) of this Section.

(h) Payments for Federal Income Tax Purposes. Lessor and Lessee hereby agree that the timing and amount of all payments of Deemed Rent in the Schedule of Deemed Rent Payments shall at all times be exactly equal to the timing and amount of all payments on the Deemed Loan in the Schedule of Deemed Loan Payments. Notwithstanding anything in this Agreement to the contrary, the parties hereto agree that, for Federal income tax purposes, all payments of Deemed Rent to be made on each Payment Date, and all payments on the Deemed Loan to be made on each Payment Date, shall be, and shall be deemed to be, made without cash payment by one party to the other party, and no cash payment by one party to the other shall be made.

(i) Federal Income Tax Returns. Lessor and Lessee agree that for Federal income tax purposes they will report on their respective Federal income tax returns all payments deemed to have been made by Lessee in accordance with the Schedule of Deemed Rent Payments as "rent" paid by Lessee and received by Lessor on each Payment Date, and all payments of "interest" deemed to have been made by Lessor in accordance with the Schedule of Deemed Loan Payments as "interest" paid by Lessor and received by Lessee on each Payment Date.

(j) Acknowledgements. Lessor and Lessee hereby acknowledge and agree that, except for the Tax Benefits transferred to Lessor pursuant to Section 2, Lessee is the owner of each Item of Property for all purposes. Accordingly, Lessor agrees that Lessee has all of the benefits and burdens of each Item of Property, including, without limitation, the exclusive right or obligation to possess, control, sublease, repair, modify, make additions to, maintain, retire and use each Item of Property without interference from Lessor or any Person claiming by, through or under Lessor. Lessee hereby acknowledges and agrees that Lessor shall have no responsibility for such possession, control, repair, maintenance, retirement or use.

SECTION 4. CONDITIONAL OBLIGATIONS

Lessor and Lessee agree that all payments of Deemed Rent to be made on all Payment Dates and all payments on the Deemed Loan to be made on all Payment Dates are deemed to be made for Federal income tax purposes only, and that the obligations of Lessor with respect to the Deemed Loan and the obligations of Lessee with respect to the Deemed Rent shall be mutually concurrent conditions and shall be performed at the same time.

SECTION 5. REPRESENTATIONS, WARRANTIES AND AGREEMENTS OF LESSEE

(a) Representations and Warranties. The Lessee represents and warrants that:

(i) Due Organization. Lessee is duly organized and validly existing as a corporation in good standing under the laws of the Commonwealth of Pennsylvania, and has full power and authority to carry on its business as presently conducted and to enter into and perform its obligations under this Agreement.

(ii) Due Authorization. The execution, delivery and performance by Lessee of this Agreement has been duly authorized by all necessary corporate action.

(iii) Due Execution. This Agreement has been duly executed and delivered by Lessee, and constitutes the legal, valid and binding obligation of Lessee, enforceable against Lessee in accordance with its terms, except that such enforcement may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights.

(iv) No Violation. Neither the execution or delivery of this Agreement, nor the consummation of the transactions contemplated hereby, nor the performance by Lessee of its obligations hereunder, violates or will violate any law, governmental rule or regulation or any judgment, order or decree of any court, administrative agency or other governmental authority, or conflicts or will conflict with, or results or will result in a breach of any of the terms, conditions or provisions of, or constitutes or will constitute a default under, or results or will result in the creation or imposition of any Lien upon any of the properties or assets of Lessee pursuant to its Restated Articles of Incorporation or By-laws or any agreement or instrument to which it is subject or is a party or by which it or its properties are bound, or requires or will require the consent or approval of any trustee or holders of its indebtedness or obligations, except such as have been duly obtained and copies of which have been delivered to Lessor.

(v) No Registration, etc. No consent or approval of, giving of notice to, registration with, or taking of any other action in respect of or by, any Federal, state or local governmental authority or agency or other Person is or will be required in connection with the execution, delivery or performance by Lessee of, or the consummation by Lessee of the transactions contemplated by, this Agreement, except such as have been duly obtained, given or accomplished.

(vi) Title to Property. Lessee is the owner of each Item of Property free and clear of all Liens.

(vii) No Similar Agreement. Lessee has not entered into, and will not during the Lease Term enter into, any contract, agreement or understanding of any nature or description relating to any Item of Property which treats or purports to treat a Person other than Lessor as owner of such Item of Property for Federal income tax purposes.

(viii) Federal Income Tax Characteristics of the Property.

(A) Each Item of Equipment is "qualified leased property" within the meaning of section 168(f)(8) of the Code and, further, is "5-year property" as indicated on Exhibit A within the meaning of section 168(c)(2)(B) of the Code with respect to which Recovery Deductions in the respective percentages of Lessor's cost set forth in section 168(b)(1)(A) of the Code are allowable in each recovery year.

(B) Lessee's Adjusted Basis in each Item of Property, for purposes of section 168(f)(8)(D)(ii)(III) of the Code, is not less than the Purchase Price with respect to such Item of Property.

(C) Each Item of Property identified in Exhibit A hereto is "new section 38 property" within the meaning of section 48(b) of the Code, and an amount equal to 10 percent of the Purchase Price constitutes the amount of the Investment Credit allowable under section 46 of the Code.

(D) Each Item of Property was, but for the provisions of section 168(f)(8)(D)(ii) of the Code, placed in service by Lessee after September 30, 1981 and on or before the date hereof.

(E) The Lease Term for any Item of Property does not exceed the greater of (i) 90 percent of the useful life of such Item of Property for purposes of section 167(m) of the Code, or (ii) 150 percent of the present class life ("midpoint") of such Item of Property under section 167(m) of the Code applicable as of January 1, 1981 (without regard to section 167(m)(4) of the Code), as published in Rev. Proc. 77-10, 1977-1 C.B. 548, as amended.

(b) Further Assurances. Lessee, at its own cost and expense, will cause to be promptly and duly taken, executed, acknowledged and delivered all such further elections, acts, documents and assurances as Lessor may from time to time reasonably request in order more effectively to carry out the intent and purposes of this Agreement.

(c) Covenants. Lessee covenants and agrees with Lessor as follows:

(i) Amendment to Conform to Regulations. If hereafter, Regulations are published which are applicable to the transactions contemplated by this Agreement and which are, for any reason and in any respect, contrary to, or inconsistent with, the terms and provisions of this Agreement, and in connection therewith, the parties hereto are required or permitted to amend or modify this Agreement to conform to, or comply with, such Regulations, Lessee agrees to negotiate with Lessor in good faith all such amendments and modifications as shall be necessary or advisable in order to preserve for the respective parties hereto the rights and benefits which each seeks in the execution hereof.

(ii) Restriction on Transfer. Lessee shall not sell, assign, transfer or convey any interest in any Item of Property to any other person if such sale, assignment, transfer or conveyance would result in this Agreement ceasing to be a lease under section 168(f)(8) of the Code with respect to such Item of Property unless, prior to consummation of the transaction, (A) any transferee or assignee has consented in writing to take such Item of Property subject to this Agreement and to Lessor's position as tax owner of such Item of Property, (B) the Lessee has agreed in writing with Lessor to file a statement of information with its Federal income tax return, to perform any other act required by the Regulations under section 168(f)(8) of the Code necessary to prevent this Agreement from ceasing to be

treated as a lease for Federal income tax purposes with respect to such Item of Property, and to be bound by the provisions of this Agreement, and (C) the Lessee has agreed in writing, in form and substance satisfactory to Lessor, to indemnify Lessor for any breach of such transferee's or assignee's obligations.

(iii) Restriction on Use. So long as this Agreement shall be in effect, Lessee shall not permit the use of any Item of Property by (A) an organization which is by law exempt from the tax imposed by Chapter 1 of Subtitle A of the Code, (B) the United States, any state or political subdivision thereof, any international organization, or any agency or instrumentality of any of the foregoing, or (C) any other Person, if, in any such case, in consequence of such use, any such Item of Property shall cease to be treated as "section 38 property" under the Code. So long as this Agreement shall be in effect, Lessee shall not use or permit the use of any Item of Property (A) in such a manner so as to cause any item of Lessor's expense with respect thereto to be allocable to income from sources without the United States of America, or (B) in such a manner as to cause such Item of Property to cease to be treated as "section 38 property" under the Code.

(iv) Anything in paragraphs (ii) or (iii) of this Section 5(c) to the contrary notwithstanding, Lessee may use, permit the use of, sell, assign, transfer or convey any Item of Property or any interest therein, in the ordinary course of business or in connection with abandonments of rail properties or pursuant to Section 405 et seq. of the Regional Rail Reorganization Act of 1973, as amended, if the Termination Value in respect of such Item of Property shall be paid to Lessor. In any such sale, assignment, transfer or conveyance of any Item of Property or any interest therein, Lessee shall, if practical, use its best efforts to ensure that any transferee of any such Item of Property or interest therein shall consent in writing to take such Item of Property or interest therein subject to this Agreement and to Lessor's position as tax owner of such Item of Property or interest therein.

(v) Cooperation. Lessee agrees to keep and make available for inspection and copying by Lessor, and to provide full support at Lessee's cost, such records as will enable Lessor to determine the extent to which it is entitled

to the benefits of the Recovery Deductions, the Interest Deductions, and the Investment Credit with respect to each Item of Property and to determine the source of each item of income, deduction, loss, and credit with respect to the transactions contemplated by this Agreement.

(vi) Negative Pledge. During the entire Lease Term, the Lessee will not, without the prior written consent of the Lessor, directly or indirectly create, incur, assume or suffer to exist any Lien with respect to any of its real or personal property except (i) Liens on real or personal property purchased by the Lessee securing the purchase price of the property on which such Lien is given, or Liens securing the cost of construction, reconstruction or betterment of structures or other improvements on or to Lessee's property, or Liens existing on such property at the time of its acquisition, in each case provided that any such Lien shall at all times be confined solely to the property so acquired, constructed or improved; (ii) Liens on real or personal property imposed in connection with debt incurred to retire other debt, provided that any such Lien shall cover only the property subject to the Lien securing the debt being so retired and that the terms and conditions of the new Lien shall not be more onerous, nor the amount of debt be greater, than the terms and conditions of the Lien existing on such property on the date of the retirement of the preexisting debt, (iii) Liens on real or personal property imposed in connection with debt incurred for the acquisition by lease (including sale and leaseback transactions), conditional sale agreement or equipment trust agreement, or the construction, reconstruction or betterment of Lessee's property, provided that any such Lien shall at all times be confined solely to the newly acquired, constructed or improved property for which such debt was incurred or (iv) Liens resulting from other agreements pursuant to which the Lessee transfers tax benefits in transactions similar to the transactions contemplated in this Agreement to the extent that such other agreements are not in violation of Section 5(a)(vii) and do not provide for any first security interest in tangible property of the Lessee, unless prior to any such creation, incurrence, or assumption the Lessee shall have granted to the Lessor a first security interest (a "Lessor's Senior Security Interest") in other tangible property of the Lessee with an aggregate fair market value equal to at least the maximum amount to which the Lessor would be entitled pursuant to Sections 7, 9, 10 or 11 of this Agreement in the event of a breach by the Lessee of any of the provisions of this

Agreement at the time of the granting of such Lessor's Senior Security Interest. For purposes of this Section 5(c)(vi), the fair market value of the Lessee's tangible property which is to be subject to the Lessor's Senior Security Interest shall be as agreed to by the Lessee and the Lessor; provided that in the event the Lessor and the Lessee are unable so to agree, the determination of such fair market value shall be referred to an independent appraiser whose determination shall be binding on, and non-appealable by, the Lessor and the Lessee.

SECTION 6. REPRESENTATIONS, WARRANTIES AND AGREEMENTS OF LESSOR

(a) Representations and Warranties. Lessor represents and warrants that:

(i) Due Organization. Lessor is duly organized and validly existing as a corporation in good standing under the laws of the Commonwealth of Pennsylvania, and has full power and authority to carry on its business as presently conducted, to purchase the Tax Benefits, to own or hold property under lease and to enter into and perform its obligations under this Agreement.

(ii) Due Authorization. The execution, delivery and performance by Lessor of this Agreement have been duly authorized by all necessary corporate action.

(iii) Due Execution. This Agreement has been duly executed and delivered by Lessor and constitutes the legal, valid and binding obligation of Lessor enforceable against Lessor in accordance with its terms, except that such enforcement may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights.

(iv) Federal Income Tax Return. The Lessor will not include any amount other than the Purchase Price with respect to any Item of Property in its basis for Federal income tax purposes of such Item and will currently deduct or amortize on a straight-line basis over the term of this Agreement the amount of any costs or expenses incurred by it in connection with entering into the transactions contemplated by this Agreement.

(v) Information Returns. The Lessor agrees to timely file the information return required to be filed by section 5c.168(f)(8)-2 of the Regulations.

(vi) Qualified Lessor. The Lessor is, and will continue to be, a "qualified lessor", within the meaning of section 5c.168(f)(8)-3(a) of the Regulations (or any comparable successor regulations), and section 168(f)(8)(B)(i) of the Code.

(b) Further Assurances. Lessor will, at the cost and expense of Lessor, cause to be promptly and duly taken, executed, acknowledged and delivered all such further elections, acts, documents and assurances as Lessee may from time to time reasonably request in order more effectively to carry out the intent and purposes of this Agreement.

(c) Amendments to Conform to Regulation. Lessor covenants and agrees with Lessee that if hereafter Regulations are published under section 168 of the Code which are applicable to the transactions contemplated by this Agreement and which are, for any reason and in any respect, contrary to, or inconsistent with, the terms and provisions of this Agreement, and, in connection therewith, the parties hereto are required or permitted to amend or modify this Agreement to conform to, or comply with, such Regulations, Lessor agrees to negotiate with Lessee in good faith all such amendments and modifications as shall be necessary or advisable in order to preserve for the respective parties hereto the rights and benefits which each seeks in the execution hereof.

SECTION 7. TERMINATION OCCURRENCES

(a) Notification in Event of Termination Occurrence. If, during the term of the Deemed Lease with respect to an Item of Property, an event with respect to such Item of Property occurs, other than as a direct result of an occurrence described in Section 11(e) of this Agreement, requiring the Lessor to recapture or to lose the right to claim all or a portion of Investment Credit and/or Recovery Deductions with respect to such Item of Property (any such event being hereinafter called a "Termination Occurrence", and any Item of Property which becomes the subject of a Termination Occurrence being hereinafter referred to as the "Disqualified Item"), then the Lessee shall promptly and fully notify the Lessor with respect thereto.

(b) Sale Treatment. On the date of the Termination Occurrence with respect to the Disqualified Item, the Disqualified Item shall be treated for Federal income tax purposes (and only such purposes) as having been sold by the Lessor to the Lessee for the amount set forth in the next sentence and the term of the Deemed Lease for the Disqualified Item shall terminate. The amount realized by the Lessor on the sale of the Disqualified Item shall be equal to (i) the Allocable Portion of the unpaid principal balance of the Deemed Loan with respect to the Disqualified Item (after taking into account the payments provided for in the following paragraph), which unpaid balance shall be treated as having been cancelled by the Lessee, plus (ii) an amount to be paid in cash by the Lessee to the Lessor equal to the Termination Value determined in accordance with Schedule I hereto for the Disqualified Item. The Termination Value set forth in Schedule I hereto for the Disqualified Item on the Payment Date next succeeding the date of the Termination Occurrence shall be paid in cash on the later of (i) the Payment Date set forth in Schedule II hereto next succeeding the date of the Termination Occurrence or (ii) thirty days after the date of the Termination Occurrence.

(c) Partial Payment of Deemed Rent and Deemed Loan. The Lessee shall be treated as having agreed for Federal income tax purposes (and only such purposes) to make a payment of Deemed Rent to the Lessor under the Deemed Lease on the date of the Termination Occurrence with respect to the Disqualified Item equal in amount to the payment on the Deemed Loan referred to in the next sentence. The Lessor shall be treated as having agreed for Federal income tax purposes (and only such purposes) to make a payment to the

Lessee on the date of the Termination Occurrence with respect to the Disqualified Item of principal and interest on the Deemed Loan with respect to the Disqualified Item in an amount equal to the Deemed Loan Payment due on the next succeeding Payment Date set forth in Schedule I hereto multiplied by a fraction, the numerator of which equals the number of days from the day after the last Payment Date set forth in Schedule II hereto to and including the date of the Termination Occurrence, and the denominator of which equals the number of days from the day after the last such Payment Date to and including the next succeeding Payment Date. The payment of Deemed Rent and the payment on the Deemed Loan referred to in this paragraph shall for Federal income tax purposes (and only such purposes) each be treated as having been paid automatically and without any action by either party on the date of the Termination Occurrence.

(d) Reports. The Lessee shall report to the Lessor no less than annually (or at such other intervals as may be agreed upon in writing by the parties hereto), but in no event later than the time required for timely inclusion in the Federal income tax returns of the Lessor, such Item or Items of the Property which have been the subject of a disposition or any other event (whether or not such disposition or event would otherwise be required to be reported under this Agreement) which will, or in the reasonable opinion of the Lessee could, result in a Termination Occurrence. The report shall provide such specificity as the Lessor shall reasonably require to complete its Federal income tax returns for any years to which such Termination Occurrence relates. The Lessee shall keep such records and provide such assistance to the Lessor as the Lessor may find necessary to file its Federal income tax returns and to contest any related matter before any level of the Internal Revenue Service or before any court.

(e) Lessee Recordkeeping Obligations. The Lessee shall maintain, and shall furnish to Lessor, such information and records as shall be necessary to comply with all rules and regulations or other documents or statements, proposed or adopted, of the Internal Revenue Service or the U.S. Treasury Department (including, without limitation, revenue rulings and procedures and Treasury notices and decisions) which address the proper accounting treatment for Federal income tax purposes for property of the type and character of the Items of Property covered by this Agreement, or which

require or may require the recapture of Tax Benefits with respect to any Item of Property. In the absence of the Internal Revenue Service or the U.S. Treasury Department proposing or adopting such rules and regulations, the Lessee shall maintain, and shall furnish to Lessor, such information and records as shall be necessary to comply with procedures proposed or adopted by the Association of American Railroads or generally used in the railroad industry.

SECTION 8. INSURANCE

Lessee will, at its own expense, cause to be carried and maintained insurance with respect to all Items of Property at the time subject hereto and the use and operation thereof, including, without limitation, property insurance and public liability insurance, in such amounts, subject to such deductibles and for such risks and with such insurance companies as are at least comparable to insurance coverage customary in Lessee's industry in respect of similar equipment owned or leased by it. Lessee hereby assigns and transfers to Lessor all right, title, and interest in and to any insurance proceeds paid under any policy of insurance to the extent such proceeds relate to the Items of Property or the use and operation thereof as aforesaid; provided, however, that if Lessee shall fully comply with all the provisions of this Section 8 in respect of the risk insured against as to which such proceeds are paid and Lessee is in compliance with the provisions of this Agreement, including, without limitation, payments of Termination Values pursuant to section 7, Lessee shall be entitled to retain all such proceeds. Lessee will furnish to Lessor on request a description of its insurance coverage with respect to the Property and will furnish to Lessor 30 days' prior written notice of any material change in such coverage; provided, however, that if it is not practicable for Lessee to have knowledge of a material change in coverage at least 30 days prior to the occurrence thereof, Lessee shall give Lessor written notice as soon as Lessee learns of such change.

SECTION 9. GENERAL INDEMNITY

If liability is imposed or sought to be imposed on Lessor as a result of its entitlement to the limited rights in each Item of Property transferred to Lessor under Section 2(a) or as the result of the inaccuracy of Lessee's representations, warranties and agreements under Section 5, Lessee agrees to assume liability for, and does hereby agree to indemnify, protect, save and hold harmless Lessor on an after-tax basis from and against, any and all liabilities, obligations, losses, damages, penalties, claims (including, without limitation, claims involving strict or absolute liability in tort), actions, suits, judgments, costs, expenses and disbursements (including, without limitation, legal fees and expenses of any kind and nature whatsoever without any limitations as to amount ("Claims") which may be imposed on, incurred by or asserted against Lessor, whether or not Lessor shall also be indemnified as to any such Claim by any other Person, in any way relating to or arising out of the design, manufacture, erection, ownership, lease, possession, use, operation, maintenance, condition, registration, sale, storage or in connection therewith (including, without limitation, latent and other defects, whether or not discoverable) and reasonable expenses incurred by Lessor in connection with any such Claim (including, without limitation, the reasonable fees and disbursements of outside counsel incurred in connection therewith). Notwithstanding the foregoing, Lessor shall not be indemnified under this Section 9 to the extent that it is fully indemnified for such liability under Section 10 or Section 11 (or would have been so indemnified if Section 10(b) or Sections 11(e) or (f) did not apply). To the extent that Lessor in fact received indemnification payment from Lessee under this Section, Lessee shall be subrogated, to the extent of the indemnity paid, to Lessor's rights with respect to the transaction or event requiring or giving rise to such indemnity. Lessor shall give Lessee prompt written notice of claims covered under this Section 9 and Lessee shall have the right to monitor the defense of such claims by Lessor.

SECTION 10. GENERAL TAX INDEMNITY

(a) Indemnity. Lessee does hereby agree to pay and, on written demand, to indemnify, protect, save and hold harmless Lessor from and against any and all license and registration fees and any and all taxes, assessments, levies, imposts, duties, charges and withholdings of any nature whatsoever together with any penalties, fines, additions to tax or interest thereon (collectively, "Taxes") imposed against Lessor or any Item of Property by any governmental or taxing authority upon or with respect to any Item of Property, or upon or with respect to the design, manufacture, execution, purchase, ownership, delivery, lease, possession, use, operation, maintenance, condition, registration, sale, storage or disposition thereof, or upon or with respect to the rentals, receipts or earnings arising therefrom, or upon or with respect to this Agreement, or arising from any breach by Lessee of any representation, warranty, or covenant contained in this Agreement, unless, and only to the extent that, any such Taxes which are not imposed by way of withholding are being contested by Lessee in good faith (and for the payment of which adequate reserves have been provided) with due diligence and by appropriate proceedings. Lessee further agrees that, with respect to any payment or indemnity hereunder, such payment or indemnity shall include any amount necessary to hold Lessor harmless, on an after-tax basis, for its costs and expenses with respect to the audit, contest or determination of such Taxes and from any and all Taxes required to be paid by Lessor with respect to such payment or indemnity.

(b) Limitation on Indemnity. Notwithstanding the provisions of paragraph (a) of this Section, Lessee shall not have any obligation thereunder as to:

(i) any taxes, fees or other charges on, based on, or measured by, the net income of Lessor imposed by the United States of America or by any state or local taxing authorities; or

(ii) any taxes, fees or other charges included in Lessee's Adjusted Basis and actually paid to the Person entitled thereto.

SECTION 11. SPECIAL TAX INDEMNITY

(a) Tax Assumptions. This Agreement has been entered into on the assumption that Lessor as purchaser of the Tax Benefits, will be entitled for Federal income tax purposes to take into account such credits, deductions and other benefits as are provided by the Code, including, without limitation:

(i) The investment credit (the "Investment Credit") for each Item of Property, in an amount equal to not less than 10 percent of the Purchase Price of such Item of Property, in Lessor's current taxable year.

(ii) Recovery deductions ("Recovery Deductions") under section 168(a) of the Code for each Item of Property, commencing with Lessor's 1981 taxable year, in an amount determined by multiplying the Purchase Price of such Item of Property by the applicable percentages under section 168(b)(1)(A) of the Code with respect to "5-year property" as indicated on Exhibit A within the meaning of section 168(c)(2)(B) of the Code.

(iii) Deductions with respect to "interest" deemed paid on the Deemed Loan ("Interest Deductions") in the amounts, in respect of each period, set forth in the Schedule of Deemed Loan Payments, as such Schedule shall be adjusted from time to time pursuant to Section 3(e) hereof.

(iv) Amortization of expenses paid or to be paid by Lessor pursuant to Section 12 hereof (the "Amortization Deductions") at a rate no less rapid than straight line over the Lease Term.

(v) The gross income attributable to the Property from all sources is derived from a trade or business located within the United States of America.

Lessor will claim the Investment Credit on its Federal income tax return for its current taxable year and the Recovery Deductions, the Interest Deductions and the Amortization Deductions on its Federal income tax returns in each year commencing with its current taxable year.

(b) Additional Tax Assumptions. This Agreement has been entered into on the further assumptions that the Lessor shall be required to include in gross income with

respect to the transactions contemplated by this Agreement (i) rental payments in the amounts herein specified accrued ratably over the periods to which such payments relate, (ii) the amount of any indemnities paid by the Lessee at the time of such payment, and (iii) the amount of any Termination Value payment in excess of Lessor's adjusted basis in the Item of Property with respect to which such payment is made.

(c) Consistent Federal Tax Returns. Lessee agrees that neither Lessee nor any affiliate will at any time take any action, directly or indirectly, or file any Federal tax returns or other Federal tax documents inconsistent with the assumptions reflected in paragraphs (a) and (b) hereof.

(d) Indemnification. If due to any breach by Lessee of any representation, warranty or covenant contained in this Agreement, or any other act or omission of Lessee, whether voluntary or involuntary, Lessor shall not be allowed for any taxable year (or portion thereof) all or any portion of the Investment Credit, the Recovery Deductions, the Interest Deductions or the Amortization Deductions, or if all or any portion of the Investment Credit or the Recovery Deductions is recaptured pursuant to section 47 or section 1245 of the Code or any other similar provision (any such non-allowance or recapture being referred to hereafter as a "Loss"), then, unless excused by the provisions of paragraphs (e) or (f) hereof, Lessee shall pay to Lessor, following written notice to Lessee by Lessor of such Loss, a lump sum amount as shall, in the reasonable opinion of Lessor, maintain Lessor's after-tax rate of return and total after-tax cash flows, taking into account any deductions or other offsetting tax benefits realized in connection therewith (e.g., acceleration of deduction for transactional costs) (computed on the same assumptions utilized by Lessor in originally evaluating this transaction, including, without limitation, assumptions as to Federal income tax rates) in respect of the Property hereunder at not less than the level that would have been available if such Loss had not occurred, and taking into consideration any interest, penalty, or addition to tax incurred by Lessor in connection with such Loss. If, as a result of a Loss, the aggregate income taxes paid by Lessor for any taxable year shall be less than the amount of such income taxes which would have been payable by Lessor had no such Loss occurred, then Lessor will pay to Lessee promptly the amount of such difference in income taxes plus any additional income tax benefits realized by Lessor as a result of such payment, provided, however, that in no event

shall the total amount paid to Lessee pursuant to this sentence with respect to a particular Loss exceed the amount paid by Lessee to Lessor in connection therewith. All amounts payable hereunder by the Lessee to the Lessor will be paid on 60 days' written notice to the Lessee by the Lessor of such Loss, but not prior to the earlier of (i) the payment by the Lessor of the additional Federal, state or local income tax, as the case may be, which becomes due as a result of the Loss or (ii) the receipt by the Lessor of a refund reflecting the inclusion of such Loss. Any payment payable hereunder to Lessee by the Lessor pursuant to this paragraph shall be paid promptly and in any event within 60 days after Lessor realizes any such savings in its income taxes or additional income tax benefits, as the case may be.

(e) Limitation on Indemnification. Notwithstanding anything to the contrary set forth in paragraph (d) of this Section, Lessee shall have no liability to Lessor for indemnification under this Agreement for any Loss, to the extent that such Loss is a direct result of the occurrence of any of the following events:

(i) A voluntary transfer or other voluntary disposition by Lessor of any interest in this Agreement or any Item of Property or any interest in the rentals derived therefrom for Federal income tax purposes or a transfer or other disposition of an Item of Property or any interest therein or any interest in the Deemed Rent derived therefrom or any interest in this Agreement which results from bankruptcy or other proceedings for the relief of debtors in which Lessor is the debtor.

(ii) The failure of Lessor to claim in a timely manner (including making all appropriate elections under the applicable Regulations) or to follow the proper procedure in claiming the Investment Credit, the Recovery Deductions, the Interest Deductions or the Amortization Deductions, or to file the information returns required by Section 3(c) hereof, or to include in income rental or other items of income described in Section 11(b) of this Agreement.

(iii) The failure of Lessor to have sufficient liability for tax within the meaning of section 46 of the Code against which to credit the Investment Credit or to have sufficient gross income within the meaning of section 61(a) of the Code to benefit from the Recovery Deductions, the Interest Deductions or the Amortization Deductions, as the case may be.

(iv) The failure of Lessor to maintain during the Lease Term its status as a "United States Person" within the meaning of section 48(a)(2)(B)(ii) of the Code, or its status as a corporation within the meaning of section 168(f)(8)(B)(i)(I) of the Code and section 5c.168(f)(8)-3(a)(1) of the Regulations, as amended.

(v) The failure of Lessor to maintain at any time during the Lease Term a minimum investment in each Item of Property then subject to this Agreement in an amount not less than the amount required by section 168(f)(8)(B)(ii) of the Code.

(vi) The willful misconduct or gross negligence of Lessor.

(vii) The failure of Lessor to file any tax return or returns in a manner consistent with the assumptions set forth in subsections (a) and (b) of this Section 11.

(viii) The failure of Lessor to be a calendar year taxpayer.

(ix) The applicability of Sections 465, 46(c)(8), 46(c)(9), 47(d) or 57(a) of the Code to Lessor.

(x) The occurrence of a change in the Code or the Regulations after the date of this Agreement.

(f) Further Limitation on Indemnification. Notwithstanding anything to the contrary set forth in paragraph (d) of this Section, Lessee shall have no liability to Lessor for indemnification under this Agreement with respect to an Item of Property suffering a Termination Occurrence to the extent Lessee has paid the Termination Value with respect to such Termination Occurrence pursuant to Section 7.

(g) Contest of Disallowance of Tax Benefits. Upon receipt of formal notification by the Internal Revenue Service of a proposed disallowance or adjustment of any credit or deduction arising from this Agreement for which an amount may be payable by Lessee in accordance with this Section 11 (hereinafter "Disallowance"), the Lessor shall promptly notify Lessee of such Disallowance.

In the event of such Disallowance or in the event any other claim shall be made against Lessor which, if successful, would result in payments under this Section 11

by Lessee, or would result in a Termination Occurrence, and if, in the opinion of independent tax counsel selected by Lessor and acceptable to Lessee (hereinafter "Counsel"), a reasonable basis for a defense to such claim exists, Lessor shall, upon request and at the expense of Lessee, contest such claim in such forum as Lessor, in its sole judgment, shall select; provided, however, that Lessor shall not be obligated to take any such legal or other appropriate action unless (i) the aggregate payment to be made hereunder exceeds $100,000 for the taxable year involved, (ii) Lessor has received an opinion from Counsel that there is a reasonable basis for contesting such matter and (iii) Lessee shall first have agreed to indemnify Lessor for all expenses which may be entailed therein and shall have provided such security for the indemnification as Lessor may reasonably request. Lessor may, at its option, take such action prior to making payment of any tax and interest and/or penalty attributable to such claim (a "Tax Payment") or may make such Tax Payment and then sue for a refund. If Lessor takes such action prior to making such Tax Payment, such sums payable hereunder need not be paid by Lessee while such action is pending; provided, however, that Lessee shall pay the liabilities and expenses relating to such action when and as the same shall become due. In such case, if the Final Determination (as defined hereinafter) shall be adverse to Lessor, the indemnity payment payable hereunder shall be computed by Lessor as of the date of such Final Determination, Lessor shall notify Lessee of such computation and furnish copies thereof to Lessee, and Lessee shall make payment thereof within thirty (30) days after such notification.

If Lessor shall elect to contest a proposed adjustment by paying the tax claimed (including such other amounts payable as interest, penalties, or additions to the tax) and seeking a refund, and if the proposed adjustment would be a Loss with respect to which Lessee would be required to indemnify Lessor, then Lessee shall advance to Lessor on an interest-free basis the aggregate amount arising from the Loss of such taxes, interest, penalties and additions to the tax which Lessor shall have elected to pay, and if Lessor subsequently receives directly or indirectly a refund of all or any taxes, interest, penalties or additions to the tax, it shall promptly pay to Lessee the amount of such refunded taxes, interest, penalties or additions to the tax plus the amount of any interest received by Lessor from the United States Government with respect to such refunded taxes, interest, penalties or additions to the tax.

If any such claim referred to above shall be made by the Internal Revenue Service and Lessee shall reasonably have requested Lessor to contest such claim as above provided and shall have duly complied with all of the terms of this Section 11, Lessor may elect not to contest any such claim despite the request of the Lessee, made in accordance with the terms of this Section 11(g), or to discontinue any proceedings previously commenced as a consequence of such request, and thereupon Lessee shall be relieved of all liability to indemnify Lessor with respect to the Loss involved in respect of such claim. In the event Lessee is relieved of its obligation to indemnify Lessor pursuant to the preceding sentence and Lessee has paid any sums hereunder in indemnification of Lessor, Lessor shall repay to Lessee all such sums (including such sums paid as interest and/or penalties) with interest at the fluctuating prime rate of The Chase Manhattan Bank, N.A. (the "Prime Rate") in effect from time to time during the period during which each of such sums has been paid by Lessee.

"Final Determination" for the purpose of this Section 11(g), means a final decision of a court of competent jurisdiction after all allowable appeals have been exhausted by either party to the action. Neither concession by Lessor of any of the aforementioned claims in the over-all settlement of a controversy with the Internal Revenue Service, either at the administrative level or at the court level, nor the failure to recover a refund in whole or in part with respect to such claims which failure is the result of a set-off against a claim for refund based upon such claims where the matters set-off do not relate to such claims, will constitute an adverse "Final Determination" causing the aforementioned additional payments to accrue to Lessor, unless such overall settlement or set-off of a tax controversy with the Internal Revenue Service is approved by Lessee in a separate agreement between Lessor and Lessee. If Lessee does not request Lessor to contest a claim, or if Lessor after reasonable prior written notice to Lessee decided not to claim the tax benefit which gives rise to the Loss because Lessor has received an opinion of Counsel to the effect that there is no reasonable basis to claim such benefit, then Lessee's liability hereunder shall become fixed when Lessee receives notice of a Loss from Lessor.

In the event payments shall be due Lessor under this Section 11, the Termination Values referred to in Section 7 hereof shall be adjusted accordingly, computed on

the same assumptions as are utilized by Lessor in originally evaluating this transaction, except for the assumption that resulted in such adjustment.

(h) Consolidated Tax Returns. For purposes of this Section the term Lessor shall mean and include Lessor and any affiliated group within the meaning of section 1504 of the Code of which Lessor is a member, but only if a consolidated Federal income tax return is filed by such affiliated group for the taxable year or years with respect to which indemnification may be required.

SECTION 12. FEES AND EXPENSES

Each party shall bear its own fees and expenses in connection with entering into this Agreement.

SECTION 13. SURVIVAL; SUCCESSORS AND ASSIGNS; CERTAIN PAYMENTS UNCONDITIONAL; MANDATORY PREPAYMENT OF DEEMED LOAN

(a) Survival. All agreements, representations and warranties contained herein and in certificates and other instruments delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and shall continue in effect so long as this Agreement is in effect. All of Lessor's rights and privileges arising from the indemnities contained in Sections 9, 10 and 11 shall survive the expiration or other termination of this Agreement.

(b) Successors and Assigns. All agreements, representations and warranties in this Agreement or in certificates and other instruments delivered pursuant hereto or in connection herewith shall bind the party making the same and its successors and permitted assigns and shall inure to the benefit of and be enforceable by the other party and its successors and permitted assigns. With respect to the provisions of Sections 9, 10 and 11 hereof, Lessor, its successors and assigns shall each be indemnified thereunder as though specifically named therein.

(c) Certain Payments Unconditional. Lessee acknowledges and agrees that Lessee's obligations as to indemnification under Sections 9, 10 and 11 hereof and as to payment of Termination Values (other than with respect to the prepayment of the Deemed Loan as provided in Section 3(e) hereof) shall be absolute and unconditional and shall not be subject to any abatement, reduction, set-off, defense, counterclaim or recoupment for any reason whatsoever.

(d) Mandatory Prepayment of Deemed Loan. In the event that any Regulations or any Internal Revenue Service revenue ruling or other official pronouncement, or court decision, issued after the date hereof, in the reasonable opinion of Lessor, shall allow Lessor to claim a Recovery Deduction for any Item of Property which is "RRB replacement property" as defined in section 168(f)(3)(B) of the Code in an amount equal to 100 percent of the Purchase Price for such item in 1981, and if Lessor should so claim such a Recovery Deduction in respect thereof, Lessor shall so notify Lessee, and not less than 30 days after giving such notice, shall prepay the Deemed Loan in immediately available

funds in an amount equal to one-half of the increased after-tax yield realized by Lessor, as reasonably determined by Lessor. In such event, such prepayment shall be applied pro rata to all remaining Deemed Loan principal installments based on the respective amounts of such installments scheduled to become due on all remaining Payment Dates, appropriate adjustments to the Schedules of Deemed Loan Payments, Deemed Rent Payments and Termination Values shall be made, and such prepayment shall be included within the scope of Sections 7 and 11.

SECTION 14. BROKERS AND FINDERS

Lessee as to Lessor, and Lessor as to Lessee, hereby agree to indemnify and hold harmless each as to the other in respect of any commissions, fees, judgments or other expenses of any nature or kind which each may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents in connection with the transactions contemplated by this Agreement, or any litigation or similar proceeding arising from such claims. Lessee and Lessor each represents and warrants that it has not made any contract in respect of any commissions, fees, judgments or other expenses of the type referred to above, except as disclosed by Lessor to Lessee at closing.

SECTION 15. CONDITIONS PRECEDENT

(a) Conditions Precedent to Lessor's Obligation. Lessor's obligation to execute and deliver this Agreement and to lease each Item of Property to Lessee hereunder shall be subject to Lessor's having received the following on or prior to the date hereof:

(i) an incumbency certificate as to the person or persons who execute and deliver this Agreement and any instruments or documents incidental hereto on behalf of Lessee;

(ii) A certificate of an officer of Lessee to the effect that Lessee's representations and warranties are correct as of the date hereof and that Lessee is in compliance with all terms and provisions of this Agreement as of the date hereof;

(iii) An opinion of counsel satisfactory to Lessor to the effect of Lessee's representations set forth in Sections 5(a)(i), (ii), (iii), (iv), and (v) of this Agreement; and

(iv) a certified copy of the resolutions of the Board of Directors of the United States Railway Association (the "Association") waiving compliance with certain terms and conditions of the Amended and Restated Financing Agreement dated May 12, 1979 between Lessee and the Association, as such provisions would relate to this Agreement.

(b) Condition Precedent to Lessee's Obligation. Lessee's obligation to execute and deliver this Agreement and to lease each Item of Equipment from Lessor hereunder shall be subject to Lessee's having received on or prior to the date hereof:

(i) An incumbency certificate as to the person or persons who execute and deliver this Agreement and any instruments or documents incidental hereto on behalf of the Lessor;

(ii) A certificate of an officer of Lessor to the effect that Lessor's representations and warranties are correct as of the date hereof and that Lessor is in compliance with all terms and provisions of this Agreement as of the date hereof; and

(iii) An opinion of counsel satisfactory to Lessee to the effect of Lessor's representations set forth in Sections 6(a)(i), (ii) and (iii) of this Agreement.

SECTION 16. NOTICES

(b) The execution, delivery and performance by Armstrong of the Agreements have been duly authorized by all necessary corporate action.

(c) The Agreements have been duly executed and delivered by Armstrong and constitute the legal, valid and binding obligation of Armstrong, enforceable against Armstrong in accordance with their terms, except that such enforcement may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights.

Very truly yours,

2. The preferences, qualifications, limitations, restrictions and the special and relative rights of the classes and series of the capital stock of the Corporation are as set forth in paragraphs 3 through 19 of this Article.

3. There shall be paid upon the Series A Preferred Stock outstanding on the 31st day of December of each year non-cumulative dividends of $7.50 per share payable on the next succeeding 30th day of April to the extent that the Corporation has Cash Available for Restricted Cash Payments after provision for payment in cash of all amounts required to be paid on such 30th day of April as interest on the Debentures. Except as provided in this paragraph, the holders of the Series A Preferred Stock shall not be entitled to receive any dividends.

4. On each 30th day of April if there are no Debentures then outstanding or if all of the outstanding Debentures have been called for redemption on such 30th day of April, the Corporation shall redeem at a price of $100 per share such full number of shares of Series A Preferred Stock as is redeemable out of Cash Available for Restricted Cash Payments after deduction from such Cash Available of all amounts required to pay (a) full cash dividends payable on such 30th day of April on all shares of Series A Preferred Stock entitled to receive such dividends (including shares, if any, redeemed or called for redemption on a date subsequent to the preceding 31st day of December), (b) full cash dividends payable on such 30th day of April on all shares of Series B Preferred Stock (including shares, if any, redeemed or called for redemption on a date subsequent to the preceding 31st day of December) and (c) the principal amount of and accrued interest on any Debentures redeemed or called for redemption on a date subsequent to the preceding 31st day of December.

6. If, as a consequence of the occurrence of an Event of Default (as defined in the Financing Agreement), the redemption price of any share of Series A Preferred Stock or the principal of and interest on any Debenture become immediately due and payable under the terms of the Financing Agreement, the redemption price of all outstanding shares of Series A Preferred Stock shall become immediately due and payable without notice, protest or demand of any kind, all of which are expressly waived by the Corporation.

15. The holders of the Common Stock shall be entitled to receive dividends in such amounts and when, as and if declared by the Board of Directors from time to time; provided, however, that no dividends on the Common Stock shall be declared or paid so long as any Debentures or shares of Series A Preferred Stock are outstanding and no dividend shall be paid on the Common Stock in any year unless the full cash dividend on the Series B Preferred Stock for that year has been declared and either set aside for payment or paid.

16. The holders of the Common Stock shall be entitled to receive in voluntary or involuntary liquidation of the Corporation all assets of the Corporation after payment of all debts and obligations

of the Corporation, including costs of liquidation, and all amounts to which holders of the Series A Preferred Stock and Series B Preferred Stock are entitled in such liquidation.

17. No holder of any class or series of the Corporation's capital stock shall have any preemptive rights to purchase any shares of any class or series of capital stock.

18. 19. Holders of the Series A Preferred Stock; the Series B Preferred Stock and the Common Stock, respectively, shall be entitled to cast one vote for each share held on all matters presented upon which the holders of such class or series of stock are entitled to vote. The holders of the Debentures shall be entitled to cast one vote for each $100 principal amount of Debentures held on all matters upon which the holders thereof are entitled to vote. No holder of shares of any class or series of stock and no holder of any Debenture shall be entitled to vote cumulatively in the election of directors.

ARTICLE SEVEN

1. Except as otherwise provided in paragraph 7 of this Article, the Board of Directors shall consist of thirteen members as provided in paragraphs 2 through 6 of this Article.

2. The holders of the Series A Preferred Stock and the Debentures, voting as a single class, shall be entitled to elect six members of the Board of Directors. The six directors elected by the holders of the Debentures and the Series A Preferred Stock shall be divided into three classes of two directors each. If, once the Corporation has issued Debentures and shares of Series A Preferred Stock having a combined principal amount and liquidation preference exceeding $1,500,000,000, the combined principal amount and liquidation preference of the Debentures and Series A Preferred Stock outstanding is reduced below $1,500,000,000, one class ("Class I") of such directors shall resign. Thereafter, the second class ("Class II") of such directors shall resign if the combined principal amount and liquidation preference of the Debentures and Series A Preferred Stock outstanding is reduced below $750,000,000. The third class ("Class III") of such directors shall resign upon the redemption, retirement or cancellation of all of the Debentures and shares of Series A Preferred Stock. The positions on the Board of Directors vacated by the resignation of directors pursuant to this paragraph shall thereafter be filled as follows:

(a) upon the resignation of the Class I directors, one of the positions vacated thereby shall thereafter be filled by a director elected by the holders of the Series B Preferred Stock and the other by a director elected by the holders of the Common Stock; and

(b) upon the resignation of the Class II and Class III directors, the positions vacated thereby shall thereafter be filled by directors elected by the holders of the Common Stock.

3. The holders of the Series B Preferred Stock, voting as a single class, shall be entitled to elect three members of the Board of Directors and, after the resignation of the Class I directors, one additional director.

4. The holders of the Common Stock, voting as a single class, shall be entitled to elect two members of the Board of Directors and, after the resignation of the Class I directors, one additional director and, after the resignation of the Class II directors, a second and a third additional director and, after the resignation of the Class III directors, a fourth and a fifth additional director.

5. The chief executive officer and the chief operating officer of the Corporation shall serve as directors of the Corporation ex officio and shall be entitled to vote on all matters except that neither shall be entitled to vote on the election or removal of either as an officer of the Corporation.

6. The holders of securities entitled to vote as a single class for the election of certain directors pursuant to this Article shall also be entitled to vote as a single class to remove one or more of the directors so elected by them, with or without cause, and to fill any vacancies due to such removal or due to any other cause which requires the filling of vacancies by direct election by such security holders under Section 301(d) of the Rail Act.

7. Notwithstanding any other provision of these Articles of Incorporation, until issuance of one or more Debentures or shares of Series A Preferred Stock, one or more shares of Series B Preferred Stock and one or more shares of Common Stock and the selection of eleven members of the Board of Directors of the Corporation by the holders of such securities in conformity with the foregoing provisions of this Article, the Board of Directors of the Corporation shall consist of seven members, who shall be the members of the Executive Committee of United States Railway Association and the chief executive officer and the chief operating officer of the Corporation.

ARTICLE EIGHT

The By-laws of the Corporation may be amended or repealed by a majority vote of the holders of the Common Stock at any regular or special meeting duly convened after notice to such holders of that purpose, provided that in the case of any provision of the By-laws as to which the power of amendment and repeal is specifically vested in the holders of any class or series of securities pursuant to any provision of these Articles of Incorporation, the amendment or repeal shall also require a majority vote of the security holders of such class or series at any regular or special meeting duly convened after notice to such security holders of that purpose. The By-laws of the Corporation may also be amended or repealed by a majority vote of the members of the Board of Directors at any regular or special meeting duly convened; provided, however, that the Board of Directors may not amend or repeal any provision of the By-laws as to which the power of amendment is specifically vested in the holders of any class or series of securities pursuant to any provision of these Articles of Incorporation.

ARTICLE NINE

From time to time any provision of these Articles of Incorporation may be amended or repealed, or any provision may be added to or inserted in these Articles, provided that such amendment, repeal, addition or insertion is consistent with law and is accomplished in the manner prescribed by law and these Articles, and all rights at any time conferred upon the shareholders of the Corporation are granted subject to the provisions of this Article.

Section 1.3. In accordance with Section 301(b) of the Regional Rail Reorganization Act of 1973, as amended, the principal office of the Corporation shall be located in Philadelphia, Pennsylvania.

ARTICLE II

MEETINGS OF THE SHAREHOLDERS

Section 2.1. All meetings of the shareholders (as that term is defined in Section 14.3) shall be held at such

places, either within or without the Commonwealth of Pennsylvania, as the Board of Directors may from time to time determine.

Section 2.2. Commencing with 1977, a meeting of the shareholders for the election of directors shall be held in each calendar year on the third Wednesday in April or, if that be a legal holiday, on the first day thereafter which is not a legal holiday, at such place as the Board of Directors shall determine. If the annual meeting shall not be called and held during such calendar year, any security holder (as defined in Section 14.2) may call such meeting to be held at the registered office of the Corporation at any time thereafter. Elections of directors need not be by written ballot, except upon demand by a security holder at the election and before the voting begins.

Section 2.3. Special meetings of the shareholders, for any purpose or purposes, may be called at any time by the Chairman of the Corporation and Chief Executive Officer, by the President and Chief Operating Officer, by the Board of Directors, or by the holders of not less than one-fifth of all the securities, or of any class of securities, issued and outstanding and entitled to vote at the particular meeting, upon written request delivered to the Secretary of the Corporation. Such request shall state the purpose or purposes of the proposed meeting. Upon receipt of any such request, it shall be the

duty of the Secretary to give notice of a special meeting of the shareholders to be held at such time, not less than fifteen (15) nor more than sixty (60) days thereafter, as the Secretary may fix. If the Secretary shall neglect or refuse to fix the date of the meeting and give notice thereof, the person or persons calling the meeting may do so.

Section 2.4. Business transacted at any special meeting shall be confined to the business stated in the notice.

Section 2.5. Unless a greater period of notice is required by statute in a particular case, written notice of any meeting of the shareholders, stating the place, the date and hour thereof and, in the case of a special meeting of the shareholders, the general nature of the business to be transacted thereat, shall be served upon or mailed, postage prepaid, at least fifteen (15) days before such meeting, to each security holder entitled to vote thereat on the date fixed as a record date, or if no record date be fixed, then of record twenty (20) days next preceding the date of the meeting, at such address as appears on the transfer books of the Corporation.

Section 2.6. Except as otherwise provided by statute, the Articles of Incorporation or these By-laws, the

security holders, present in person or by proxy, entitled to cast a majority of the votes which may be cast on any business or matter shall be necessary to constitute a quorum to act on such business or matter. If, however, any meeting of the shareholders cannot be organized or any particular matter cannot be acted upon because a quorum has not attended, the security holders entitled to vote on any matter which cannot be acted upon because a quorum is not present as to that matter, present in person or by proxy, shall have power, except as otherwise provided by statute, to adjourn the meeting to such time and place as they may determine, but in the case of any meeting called for the election of directors, such meeting may be adjourned only from day to day or for such longer periods not exceeding fifteen (15) days each as the security holders, present in person or by proxy, entitled to cast a majority of the votes entitled to be cast in such election shall direct. Notwithstanding the provisions of Section 503.A.(3) of the Pennsylvania Business Corporation Law, those who attend or participate at any adjourned meetings, if less than a quorum, shall not constitute a quorum. At any adjourned meeting at which a quorum shall be present any business may be transacted which might have been transacted at the meeting as originally noticed.

Section 2.7. When a quorum is present at any meeting, any matter brought before such meeting shall be decided by a majority of the votes cast at such meeting by the security holders, present in person or by proxy, entitled to vote thereon, unless the matter is one which, by express provision of any statute or of the Articles of Incorporation or of these By-laws, requires a different vote in which case such express provision shall govern and control the decision of such matter.

Section 2.8. Except as otherwise provided by statute or the Articles of Incorporation, at every meeting of the shareholders every shareholder entitled to vote shall have the right to one vote for each share having voting power standing in his name on the books of the Corporation. On matters upon which holders of Debentures (as defined in Section 14.1) are entitled to vote, every such Debenture holder shall be entitled to one vote for each $100 principal amount of Debentures registered in his name, and each $100 principal amount of Debentures shall be equivalent to one share for purposes of determining the presence of a quorum or calling a meeting of the shareholders.

Section 2.9. Every security holder entitled to vote at a meting of the shareholders or to express consent

or dissent to corporate actions in writing without a meeting may authorize another person or persons to act for him by proxy. Every proxy shall be executed in writing by the security holder, or by his duly authorized attorney in fact, and filed with the Secretary of the Corporation. A proxy, unless coupled with an interest, shall be revocable at will, notwithstanding any other agreement or any provision in the proxy to the contrary, but the revocation of a proxy shall not be effective until notice thereof has been given to the Secretary of the Corporation. No unrevoked proxy shall be valid after eleven (11) months from the date of its execution, unless a longer time is expressly provided therein, but in no event shall a proxy, unless coupled with an interest, be voted on after three (3) years from the date of its execution. A proxy shall not be revoked by the death or incapacity of the maker unless before the vote is counted or the authority is exercised written notice of such death or incapacity is given to the Secretary of the Corporation.

Section 2.10. The officer or agent having charge of the transfer books for securities of the Corporation shall, at least ten (10) days before each meeting of the shareholders, make complete lists of the holders of securities entitled to vote at the meeting, each arranged in alphabetical

order, with the address of and the number of shares of stock or amount of other securities held by each, which lists shall be kept on file at the registered office of the Corporation and shall be subject to inspection by any security holder at any time during usual business hours. Such lists shall also be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any security holder during the whole time of the meeting.

Section 2.11. In advance of any meeting of the shareholders, the Board of Directors may appoint judges of election, who need not be security holders, to act at such meeting or any adjournment thereof. If judges of election be not so appointed, the chairman of any such meeting may, and on the request of any security holder or his proxy shall, make such appointment at the meeting. The number of judges shall be one or three. If such appointment is to be made on the request of one or more security holders or proxies, a majority of the votes cast by the security holders present in person or by proxy and entitled to vote at such meeting shall determine whether one or three judges are to be appointed. No person who is a candidate for office shall act as a judge. The judges of election shall

do all such acts as may be proper to conduct the election or vote with fairness to all security holders, and shall make a written report of any matter determined by them and execute a certificate of any fact found by them, if requested by the chairman of the meeting or any security holder or his proxy. If there be three judges of election, the decision, act or certificate of a majority shall be effective in all respects as the decision, act or certificate of all.

Section 2.12. At each meeting of the shareholders, the Chairman of the Board, or, in his absence, the Chairman of the Corporation and Chief Executive Officer, or, in their absence, the President and Chief Operating Officer, or, in their absence, a chairman chosen by a majority of the votes cast by the security holders present in person or by proxy and entitled to vote at such meeting, shall act as chairman, and the Secretary or an Assistant Secretary of the Corporation, or, in the absence of the Secretary and all Assistant Secretaries, a person whom the chairman of such meeting shall appoint, shall act as secretary of the meeting and keep the minutes thereof.

ARTICLE III

ACTION BY CONSENT OF SECURITY HOLDERS

Section 3.1. Except as otherwise provided in the Articles of Incorporation, any action required to be taken at a meeting of the shareholders or of a class of security holders may be taken without a meeting, if a consent or consents in writing, setting forth the action so taken, shall be signed by all of the security holders who would be entitled to vote at a meeting for such purpose and shall be filed with the Secretary of the Corporation.

ARTICLE IV

DIRECTORS

Section 4.1. (a) Until issuance of one or more Debentures or shares of Series A Preferred Stock and one or more shares of Series B Preferred Stock and one or more shares of Common Stock and the selection of eleven directors by the holders of such securities as hereinafter set forth, the number of directors which shall constitute the whole Board of Directors shall be seven. Five of such directors shall be the members of the Executive Committee of United States Railway Association (including duly authorized representatives of members who are authorized to be so represented

by the Regional Rail Reorganization Act of 1973, as amended), and the remaining two shall be the chief executive officer and the chief operating officer of the Corporation.

(b) From and after the selection of eleven directors in conformity with Section 301(d) of the Regional Rail Reorganization Act of 1973, as amended, the number of directors which shall constitute the whole Board of Directors shall be thirteen. Of these directors, six shall be elected annually by the holders of the Debentures and the holders of the Series A Preferred Stock, voting as a single class, three shall be elected annually by the holders of the Series B Preferred Stock, two shall be elected annually by the holders of the Common Stock and two shall be the chief executive officer and the chief operating officer of the Corporation who shall serve as directors ex officio. The six directors elected by the holders of the Debentures and the Series A Preferred Stock shall be divided into three classes of two directors each.

(c) If, after the issuance of Debentures and shares of Series A Preferred Stock having a combined principal amount and liquidation preference exceeding $1,500,000,000, the combined principal amount and liquidation preference of

the Debentures and Series A Preferred Stock outstanding is reduced below $1,500,000,000, one class of such directors, who are hereby designated "Class I directors," shall resign. Thereafter, the second class of such directors, who are hereby designated "Class II directors," shall resign if the combined principal amount and liquidation preference of the Debentures and Series A Preferred Stock outstanding is reduced below $750,000,000. The third class of such directors, who are hereby designated "Class III directors," shall resign upon the redemption, retirement or cancellation of all of the Debentures and shares of Series A Preferred Stock.

(d) The positions on the Board of Directors vacated by the mandatory resignation of Class I, Class II and Class III directors as above set forth shall be filled as follows:

(1) upon resignation of the Class I directors, one of the positions vacated thereby shall thereafter be filled by a director elected by the holders of the Series B Preferred Stock and the other by a director elected by the holders of the Common Stock; and

(2) upon resignation of the Class II and Class III directors, the positions vacated thereby shall

thereafter be filled by directors elected by the holders of the Common Stock.

(e) In elections of directors, candidates receiving the highest number of votes from each class (the Series A Preferred Stock and the Debentures being deemed for this purpose as a single class) entitled to elect directors separately, up to the number of directors to be elected in the same election by such class, shall be elected. In elections of directors, security holders entitled to vote shall have no right to vote cumulatively.

Section 4.2. Directors shall be natural persons of full age and need not be residents of Pennsylvania or security holders of the Corporation. Except as provided in Section 4.3 in the case of vacancies, directors, other than those constituting the first Board of Directors and those serving ex officio, shall be elected by the shareholders and Debenture holders as set forth in Section 4.1 and each such director shall be elected to serve until the next annual meeting of the shareholders and until his successor is elected.

Section 4.3. Vacancies on the Board of Directors (except for vacancies created or existing under Section

4.1(d) of these By-laws, which shall be filled in the manner set forth in clauses (1) and (2) of said Section 4.1(d)) shall be filled only by a vote of the holders of the class of securities that initially elected such director (the Series A Preferred Stock and the Debentures being deemed for this purpose a single class).

Section 4.4. The business and affairs of the Corporation shall be managed by its Board of Directors which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Articles of Incorporation or by these By-laws directed or required to be exercised and done by the security holders.

Section 4.5. The chief executive officer of the Corporation and the chief operating officer of the Corporation shall not vote as directors on the election or removal of either the chief executive officer or the chief operating officer of the Corporation.

MEETINGS OF THE BOARD

Section 4.6. Meetings of the Board of Directors may be held at such place within the Commonwealth of Pennsylvania or elsewhere as, in the case of a regular meeting, a majority of the directors may from time to time designate,

or, in the case of a special meeting, as may be designated in the notice calling the meeting.

Section 4.7. The first meeting of each newly elected Board shall be held as soon as practicable after the meeting at which such directors were elected, and if held on the day and at the place where the annual meeting of the shareholders was held, no notice shall be required other than announcement at such meeting. If such first meeting of the newly-elected Board is not so held, notice of such meeting shall be given in the same manner as set forth herein with respect to notice of regular meetings of the Board.

Section 4.8. Special meetings shall be called by the Chairman of the Corporation and Chief Executive Officer or by the Secretary in like manner and on like notice on the written request of two directors.

Section 4.10. At all meetings of the Board a majority of the directors in office shall be necessary to constitute a quorum for the transaction of business, and the acts of a majority of the directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors, except as may be otherwise specifically provided by statute or by the Articles of Incorporation or by these By-laws. If a quorum shall not be present at any meeting of directors, the directors present thereat may adjourn the meeting. It shall not be necessary to give any notice of the adjourned meeting or of the business to be transacted thereat other than by announcement at the meeting at which such adjournment is taken.

ORGANIZATION

Section 4.11. At each meeting of the Board of Directors, the Chairman of the Board, or, in his absence, the Chairman of the Corporation and Chief Executive Officer, or, in their absence, the President and Chief Operating Officer, or, in their absence, a director chosen by a majority of the directors present, shall act as chairman. Minutes of all meetings of any committee of the Board shall be kept by the Secretary of the Corporation. Copies of such minutes and any writing setting forth an action taken by written consent without a meeting shall be distributed to each member of the Board of Directors promptly after such meeting is held or such action is taken.

Section 4.13. One or more directors may participate in a meeting of the Board of Directors or of a committee of the Board by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and all directors so participating shall be deemed present at the meeting.

ACTION BY CONSENT OF DIRECTORS

Section 4.14. Any action which may be taken at a meeting of the Board of Directors or of the members of a committee of the Board may be taken without a meeting if a consent or consents in writing setting forth the action so taken shall be signed by all of the directors or the members of the committee, as the case may be, and shall be filed with the Secretary of the Corporation.

Section 5.4. Except as provided in Section 5.3, the salaries of all officers of the Corporation shall be fixed by the Board of Directors.

Section 5.5. The officers of the Corporation shall hold office until their successors are chosen and have qualified. Any officer or agent elected or appointed by the Board of Directors may be removed by the Board of Directors whenever in its judgment the best interests of the Corporation will be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed. If the office of any such officer becomes

vacant for any reason, the vacancy shall be filled by the Board of Directors.

THE CHAIRMAN OF THE CORPORATION AND CHIEF EXECUTIVE OFFICER

Section 5.6. The Chairman of the Corporation and Chief Executive Officer shall be the chief executive officer of the Corporation and shall have general supervision over the business and affairs of the Corporation and over its several officers and employees, subject, however, to the control of the Board of Directors. At the request of the Chairman of the Board or in his absence, the Chairman of the Corporation and Chief Executive Officer shall perform the duties of the Chairman of the Board. Section 5.9. If required by the Board of Directors, any officer shall give the Corporation a bond, in such sum and with such surety or sureties as may be satisfactory to the Board of Directors, for the faithful discharge of the duties of his office and for the restoration to the Corporation, in the case of his death, resignation, retirement or removal from office, of all books, papers, vouchers, money and other property of whatever kind in his possession or under his control belonging to the Corporation.

ARTICLE VI

CERTIFICATES FOR SHARES

Section 6.1. The certificates representing shares of the Corporation shall be numbered and registered in a share register as they are issued. They shall exhibit the name of the registered holder and the number and class of shares and the series, if any, represented thereby and the par value of each share or a statement that such shares are without par value, as the case may be.

Section 6.2. Every share certificate shall be signed by the Chairman of the Corporation and Chief Executive Officer or by the President and Chief Operating Officer or by a Vice-President and by the Secretary or by an Assistant Secretary or by the Treasurer or by an Assistant Treasurer, and shall be sealed with the corporate seal which may be a facsimile, engraved or printed, but where such certificate is signed by a transfer agent or by a transfer clerk of the Corporation or a registrar, the signature of any corporate officer upon such certificate may be a facsimile, engraved or printed. In case any officer who has signed or whose facsimile signature has been placed upon any share certificate shall have ceased to be such officer, because of death, resignation or otherwise, before the certificate is issued,

it may be issued by the Corporation with the same effect as if the officer had not ceased to be such at the time of its issue.

ARTICLE VII

TRANSFER OF SHARES

Setion 7.1. Upon presentment to the Corporation of a share certificate duly endorsed or accompanied by proper evidence of succession, assignment or authority to transfer, a new certificate shall be issued to the person entitled thereto and the old certificate cancelled and the transfer registered upon the books of the Corporation, unless the Corporation has a duty to inquire as to adverse claims with respect to such transfer which has not been discharged. The Corporation shall have no duty to inquire into adverse claims with respect to such transfer unless (a) the Corporation has received a written notification of an adverse claim at a time and in a manner which affords the Corporation a reasonable opportunity to act on it before the issuance of a new, reissued or re-registered share certificate and the notification identifies the claimant, the registered owner and the issue of which the share or shares are a part and provides an address for communications directed

to the claimant; or (b) the Corporation has required and obtained, with respect to a fiduciary, a copy of a will, trust, indenture, articles of co-partnership, by-laws or other controlling instruments, for a purpose other than to obtain appropriate evidence of the appointment or incumbency of the fiduciary, and such documents indicate, upon reasonable inspection, the existence of an adverse claim.

Section 7.2. The Corporation may discharge any duty of inquiry by any reasonable means, including notifying an adverse claimant by registered or certified mail at the address furnished by him or, if there be no such address, at his residence or regular place of business that the security has been presented for registration of transfer by a named person, and that the transfer will be registered unless within thirty (30) days from the date of mailing the notification, either (a) an appropriate restraining order, injunction or other process issues from a court of competent jurisdiction or (b) an indemnity bond, sufficient in the Corporation's judgment to protect the Corporation and any transfer agent, registrar or other agent of the Corporation involved from any loss which it or they may suffer by complying with the adverse claim, is filed with Corporation.

ARTICLE VIII

FIXING RECORD DATE

Section 8.1. The Board of Directors shall fix a time, not less than ten (10) nor more than fifty (50) days before the date of any meeting of the shareholders or the date set for the payment of any dividend or distribution, or the date for the allotment of rights, or the date when any change or conversion or exchange of securities will be made or go into effect, as a record date for the determination of the security holders entitled to notice of, and to vote at, any such meeting, or entitled to receive payment of any such dividend or distribution, or to receive any such allotment or rights, or to exercise the rights in respect to any such change, conversion or exchange of securities. In such case, only such security holders as shall be security holders of record on the date so fixed shall be entitled to notice of, and to vote at, such meeting or to receive payment of such dividend or distribution or to receive such allotment of rights or to exercise such rights, as the case may be, notwithstanding any transfer of any securities on the books of the Corporation after any record date so fixed. The Board of Directors may close the books of the Corporation against transfer of shares during all or any part of the

period after the record date so fixed, and in such case written or printed notice thereof shall be mailed at least ten (10) days before the closing thereof to each shareholder of record at the address appearing on the records of the Corporation or supplied by him to the Corporation for the purpose of notice. Notwithstanding the foregoing provisions of this Section, so long as any shares of Series A Preferred Stock shall be outstanding, the record date for determination of shareholders entitled to receive dividends on such Stock payable on April 30 in any year shall be March 15 of such year.

ARTICLE IX

REGISTERED SHAREHOLDERS

Section 9.1. Before due presentment for transfer of any security, the Corporation shall treat the registered owner thereof as the person exclusively entitled to vote, to receive notifications and otherwise to exercise all the rights and powers of an owner, and shall not be bound to recognize any equitable or other claim or interest in such securities, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of Pennsylvania.

ARTICLE X

LOST CERTIFICATES

Section 10.1. If the owner of a share certificate claims that it has been lost, destroyed, or wrongfully taken, the Corporation shall issue a new certificate in place of the original certificate if the owner so requests before the Corporation has notice that the certificate has been acquired by a bona fide purchaser, has filed with the Corporation an indemnity bond and an affidavit of the facts satisfactory to the Board of Directors, and has complied with such other reasonable requirements, if any, as the Board of Directors may deem appropriate.

ARTICLE XI

DIVIDENDS

Section 11.1. Subject to the provisions of the Articles of Incorporation relating thereto, dividends upon the capital stock of the Corporation may be declared by the Board of Directors at any regular or special meeting pursuant to law and may be paid in cash, in property, or in shares of the Corporation.

Section 11.2. Before payment of any dividend on the Common Stock of the Corporation, there may be set aside

out of any funds of the Corporation available for dividends such sum or sums as the directors from time to time, in their absolute discretion, deem proper as a reserve fund to meet contingencies, or for equalizing dividends, or for repairing or maintaining any property of the Corporation, or for such other purpose as the directors shall deem conducive to the interests of the Corporation, and the directors may abolish any such reserve in the manner in which it was created.

ARTICLE XII

CHECKS AND NOTES

Section 12.1. All checks or demands for money and notes of the Corporation shall be signed by such officer or officers as the Board of Directors may from time to time designate.

FISCAL YEAR

Section 12.2. The fiscal year of the Corporation shall be the calendar year.

SEAL

Section 12.3. The corporate seal shall have inscribed thereon the name of the Corporation, the year of

its organization and the words "Corporate Seal, Pennsylvania." Such seal may be used by causing it or a facsimile thereof to be impressed or affixed or in any manner reproduced.

NOTICES

Section 12.4. Whenever, under the provisions of statute or of the Articles of Incorporation or of these By-laws, written notice is required to be given to any person, it may be given to such person either personally or by sending a copy thereof through the mail or by telegram or other mode of record communication, charges prepaid, to his address appearing on the books of the Corporation or supplied by him to the Corporation for the purpose of notice. If the notice is sent by mail or by telegram, it shall be deemed to have been given to the person entitled thereto when deposited in the United States mail or with a telegraph office for transmission to such person. A notice given by a mode of record communication other than telegram shall be deemed to have been given upon its transmission.

Section 12.5. Whenever any notice is required to be given by statute or by the Articles of Incorporation or by these By-laws, a waiver thereof in writing, signed by the person or persons entitled to such notice, whether before or

after the time stated therein, shall be deemed the equivalent of the giving of such notice. Except in the case of a special meeting of the shareholders or a special meeting of the Board of Directors, neither the business to be transacted nor the purpose of the meeting need be specified in the waiver of notice of such meeting. Attendance of any person entitled to notice, either in person or by proxy, at any meeting shall constitute a waiver of notice of such meeting, except where any person attends a meeting for the express purpose of objecting to the transaction of any business because the meeting was not lawfully called or convened.

INDEMNIFCATION

Section 12.6. The Corporation shall indemnify any person who was or is a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding (including actions by or in right of the Corporation to procure a judgment in its favor) by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys'

fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred, if such person has been successful on the merits or otherwise in any such action or upon a determination in the specific case that such indemnification is proper in the circumstances because he has met the applicable standards of conduct set forth in Section 410 of the Pennsylvania Business Corporation Law. The Corporation may purchase and maintain insurance for the purposes of indemnification on behalf of any or all persons to the full extent permitted under Section 410.G. of the Pennsylvania Business Corporation Law.

ARTICLE XIII

AMENDMENTS

Section 13.1. These By-laws may be amended or repealed by a majority vote of the holders of Common Stock at any regular or special meeting duly convened after notice to such holders of that purpose, provided that in the case of any provision of these By-laws as to which the power of amendment and repeal is specifically vested in any class or series of security holders pursuant to any provision of the Articles of Incorporation, the amendment or repeal shall also require a majority vote of the security holders of such

class or series at any regular or special meeting duly convened after notice to such security holders of that purpose. The By-laws of the Corporation may also be amended or repealed by a majority vote of the members of the Board of Directors at any regular or special meeting duly convened; provided, however, that the Board of Directors may not amend or repeal any provision of these By-laws as to which the power of amendment is specifically vested in any class or series of security holders pursuant to any provision of the Articles of Incorporation.

(From the meeting of the Board of Directors of Armstrong World Industries, Inc. held Monday, November 30, 1981)

The Treasurer stated that it appeared desirable from time to time to enter into arrangements whereby the Company acquires tax ownership of equipment by paying cash and incurring nonrecourse installment obligations and, simultaneously, leasing the equipment at aggregate rental amounts equal to the Company's installment obligations, as contemplated by Section 168(F)(8) of the Internal Revenue Code as added by the Economic Recovery Tax Act of 1981; and that such action might be undertaken prior to the January Board meeting. RESOLVED That the Treasurer or the Assistant Treasurer and the Secretary or an Assistant Secretary are hereby authorized to execute and deliver an Agreement or Agreements between the Company and Consolidated Rail Corporation whereby the Company shall acquire all of Consolidated Rail Corporation's right to claim Investment Credit and Recovery Deductions with respect to certain "qualified leased property," as defined in the Agreement(s) and in Section 168(f)(8) of the Internal Revenue Code of 1954, as amended, in an amount(s) not to exceed in the aggregate $100,000,000, under such terms and conditions as the Treasurer or the Assistant Treasurer, with the advice of legal counsel, shall deem reasonably necessary and appropriate.

FURTHER RESOLVED That the Company agrees to characterize the said Agreement(s) as a separate lease (or leases) between the Company as Lessor and Consolidated Rail Corporation as Lessee, for federal income tax purposes only, with respect to each item of such "qualified leased property" and irrevocably elects to have the provisions of Section 168(f)(8) of the Internal Revenue Code of 1954, as amended, apply thereto.

FURTHER RESOLVED That the Treasurer, Assistant Treasurer, Secretary or Assistant Secretary is hereby authorized to execute and deliver such other documents and to take such other actions as may be reasonably necessary and appropriate to implement the intent of the foregoing resolutions, including the performance by the Company under the Agreement(s).

B. *Voting Preferred Stock and Common Stock.* The holders of Voting Preferred Stock and the holders of Common Stock shall have one vote per share. In addition, the holders of Voting Preferred Stock shall have the following voting rights:

(a) If at any time the amount of any dividends on Voting Preferred Stock which have accrued and which have not been paid or declared and a sum sufficient for the payment thereof set apart shall be at least equal to the amount of six quarter-yearly dividends, the holders of Voting Preferred Stock, voting as a class, shall be entitled to elect two directors, in addition to the other directors to be elected by the holders of shares of the corporation entitled to vote for the election of directors, and in such event the authorized number of directors of the corporation shall, without further corporate action, be increased by two; provided, however, that such voting rights of the holders of Voting Preferred Stock shall continue only until all quarter-yearly dividends accrued on the Voting Preferred Stock have been paid or declared and a sum sufficient for the payment thereof set apart, at which time the authorized number of directors shall, without further corporate action, be decreased by two and the terms of office of any directors so elected by the holders of Voting Preferred Stock shall then expire. In any such election the holders of Voting Preferred Stock shall be entitled to one vote per share. The directors to be elected by the holders of Voting Preferred Stock shall be elected at annual meetings of the shareholders of the corporation and, except as hereinbefore provided, shall serve until the next annual meeting of the shareholders and until their successors shall have been elected and qualified; provided, however, that if at any time there shall be a vacancy in any office of director to be elected by the holders of Voting Preferred Stock the Secretary of the corporation may, and upon the written request of the holders of record of ten (10) per cent. or more of the number of shares of Voting Preferred Stock then outstanding shall, call a special meeting of the holders of Voting Preferred Stock for the purpose of

(b) Without the consent of the holders of at least fifty (50) per cent. of the number of shares of Voting Preferred Stock at the time outstanding, given in person or by proxy, either in writing or by vote at a meeting called for that purpose at which the holders of Voting Preferred Stock shall vote as a class,

(i) the Articles of Incorporation shall not be changed to authorize any additional class of stock ranking on a parity with the Voting Preferred Stock as to dividends or assets or to increase the authorized number of shares of Voting Preferred Stock or of any class of stock ranking on a parity with the Voting Preferred Stock as to dividends or assets;

(ii) the corporation shall not sell, lease or convey all or substantially all of its property or business or voluntarily liquidate, dissolve or wind up its affairs.

For purposes of the preceding clause (i) of this subdivision (b), any merger or consolidation to which the corporation shall be a party shall be deemed to involve a change of the Articles of Incorporation to the articles of incorporation of the corporation surviving or resulting from such merger or consolidation.

(c) Without the consent of the holders of at least sixty-six and two-thirds (66-2/3) per cent. of the number of shares of Voting Preferred Stock at the time outstanding, given in person or by proxy, either in writing or by vote at a meeting called for that purpose at which the holders of Voting Preferred Stock shall vote as a class, the Articles of Incorporation shall not be changed,

(i) so as to affect adversely the rights and preferences of the Voting Preferred Stock as set forth therein or as fixed by the Board of Directors; provided, however, that if any such change would affect any series of Voting Preferred Stock adversely as compared with the effect thereof upon any other series of Voting Preferred Stock, no such change shall be made without the additional consent given as aforesaid of the holders of at least sixty-six and two-thirds (66-2/3) per cent. of the number of shares at the time outstanding of the Voting Preferred Stock of the series which would be so adversely affected; or

(ii) to authorize any additional class of stock ranking senior to the Voting Preferred Stock as to dividends or assets or to increase the authorized number of shares of any class of stock ranking senior to the Voting Preferred Stock as to dividends or assets.

For purposes of this subdivision (c) any merger or consolidation to which the corporation shall be a party shall be deemed to involve a change of the Articles of Incorporation to the articles of incorporation of the corporation surviving or resulting from such merger or consolidation.

6. Shares of any series of Voting Preferred Stock redeemed through the operation of a sinking fund or otherwise or converted into shares of the corporation of another class, if issued with the privilege of conversion, shall cease to be shares of such series and shall become authorized and unissued shares of Voting Preferred Stock.

7. The corporation may issue shares of stock, option rights or securities having conversion or option rights, without first offering them to the holders of No Par Preferred Stock, Voting Preferred Stock, or Common Stock.

8. The Board of Directors may in its discretion, at any time or from time to time, issue or cause to be issued all or any part of the authorized and unissued shares of No Par Preferred Stock, all or any part of the authorized and unissued shares of Voting Preferred Stock and all or any part of the authorized and unissued shares of Common Stock for consideration of such character and value as the Board shall from time to time fix or determine.

$3.75 Cumulative Preferred Stock

(a Series of No Par Preferred Stock)

(1) The shares of such series shall be designated as $3.75 Cumulative Preferred Stock.

(2) The rate of dividend payable upon the shares of $3.75 Cumulative Preferred Stock shall be $3.75 per share per annum and the dividends upon shares thereof issued prior to December 15, 1945, shall be cumulative from September 15, 1945.

be given to each stockholder of record entitled to vote at the particular meeting either personally or by sending a copy of the notice through the mail, or by telegram, charges prepaid, to the address of the stockholder appearing on the books of the Company or supplied by him to the Company for the purpose of notice. Except as otherwise provided by these by-laws or by law, such notice shall be given at least five days before the date of the meeting by the President, Vice-President, or Secretary. A waiver in writing of any written notice required to be given, signed by the person entitled to such notice, whether before or after the time stated, shall be deemed equivalent to the giving of such notice. Attendance of a person, either in person or by proxy, at any meeting shall constitute a waiver of notice of such meeting, except where a person attends a meeting for the express purpose of objecting to the transaction of any business because the meeting was not lawfully called or convened.

At any meeting of the stockholders the presence, in person or by proxy, of stockholders entitled to cast at least a majority of the votes which all stockholders are entitled to cast upon any matter shall constitute a quorum, for the transaction of business upon such matter, and the stockholders present at a duly organized meeting can continue to do

business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum. If a meeting cannot be organized because a quorum has not attended, those present may, except as otherwise provided by law, adjourn the meeting to such time and place as they may determine, but in the case of any meeting called for the election of directors those who attend the second of such adjourned meetings, although less than a quorum, shall nevertheless constitute a quorum for the purpose of electing directors.

Except as otherwise provided in the Articles of Incorporation, as amended, or by law, every stockholder of record shall have the right, at every stockholders' meeting, to one vote for every share standing in his name on the books of the Company. In each election of directors every stockholder entitled to vote shall have the right to multiply the number of votes to which he may be entitled by the total number of directors to be elected and he may cast the whole number of such votes for one candidate or he may distribute them among any two or more candidates.

Every stockholder entitled to vote at a meeting of stockholders may authorize another person or persons to act for him by proxy. Every proxy shall be executed in writing by the stockholder or by his duly

authorized attorney in fact and filed with the Secretary of the Company.

All questions shall be decided by the vote of the stockholders present, in person or by proxy, entitled to cast at least a majority of the votes which all stockholders present are entitled to cast, unless otherwise provided by the Articles of Incorporation, as amended, or by law.

Elections for directors need not be by ballot except on demand made by a stockholder at the election and before the voting begins. In advance of any meeting of stockholders, the Board of Directors may appoint judges of election who need not be stockholders to act at such meeting or any adjournment thereof, and if such appointment is not made, the chairman of any such meeting may, and on request of any stockholder or his proxy shall, make such appointment at the meeting. The number of judges shall be one or three; and if appointed at a meeting on request of one or more stockholders or proxies, the majority of the shares present and entitled to vote shall determine whether one or three judges are to be appointed. No person who is a candidate for office shall act as a judge. In case any person appointed as judge fails to appear or fails or refuses to act, the vacancy may be filled by appointment made by the Board of Directors

in advance of the convening of the meeting or at the meeting by the person or officer acting as chairman. On request of the chairman of the meeting or of any stockholder or his proxy, the judges shall make a report in writing of any challenge or question or matter determined by them and execute a certificate of any fact found by them.

ARTICLE III

Directors

SECTION 1. The business and affairs of the Company shall be managed by a Board of Directors. The directors need not be stockholders of the Company. The Board shall consist of fourteen directors, in addition to any directors that the holders of No Par Preferred Stock or the holders of Voting Preferred Stock, voting as a class, may be entitled to elect as provided in the Articles of Incorporation, as amended.

The directors, other than the directors to be elected by the holders of No Par Preferred Stock or the holders of Voting Preferred Stock, voting as a class, shall be classified in respect to the time for which they shall severally hold office by dividing them into three classes, each consisting, as nearly as possible, of one-third of the whole number of such directors. At each annual meeting the successors to the class of directors whose terms expire that year shall be elected

to hold office for the term of three years. Each such director shall hold office for the term for which he is elected and until his successor shall have been elected and qualified. Any vacancy in the office of any such director shall be filled by an election by the Board for the unexpired term.

The Board may also at its discretion elect a Chairman of the Board. Unless sooner removed by the Board, all officers shall hold office until the next annual meeting of the Board and until their successors shall have been elected. The Board shall also, from time to time, elect such other officers and agents as it deems advisable.

The President and the Chairman of the Board, if elected, must be selected from the members of the Board of Directors, but the

Attendance at any meeting of the Board shall be a waiver of notice thereof. If all the members of the Board are present at any meeting no notice shall be required. A majority of the whole number of the directors shall constitute a quorum for the transaction of business, but if at any meeting a quorum shall not be present, the meeting may adjourn from time to time until a quorum shall be present.

SECTION 5. The Board of Directors shall cause to be sent to the stockholders, within 120 days after the close of each fiscal year, financial statements which shall include a balance sheet as of the close of such year, together with statements of income and surplus for such year, prepared so as to present fairly its financial condition and results of its operations. Such financial statements shall have been examined in accordance with generally accepted auditing standards by a firm of independent certified public accountants selected by the Board and shall be accompanied by such firm's opinion as to the fairness of the presentation thereof.

SECTION 6. The Board of Directors may, by resolution adopted by a majority of the whole Board, designate one or more comittees, each committee to consist of two or more of the directors of the Company. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified

member at any meeting of the committee. Any such committee to the extent provided in such resolution shall have and exercise the authority of the Board in the management of the business and affairs of the Company.
