RE: Filing of Supplementary Rider No. 30 ("Rider") dated as of January 22, 1980 to Car Leasing Agreement 7851-14 ("Lease") between North American Car Corporation ("NAC") and The Sherwin-Williams Co. ("Lessee")

Dear Madam:

Enclosed for recording under 49 U.S.C. Section 11303 are an executed counterpart and four certified true copies of the Rider, which has been assigned to General Electric Credit and Leasing Corporation ("Assignee"), pursuant to a Bailment Agreement and Assignment of Leases ("Bailment Agreement") dated as of December 18, 1978 and amended on November 15, 1979 and recorded with the Interstate Commerce Commission on January 23, 1980, under Recordation No. 11417. Please record this Rider under that Recordation number.

The equipment is covered in the Rider and the names and addresses of the parties are as follows. The address of the Lessor, North American Car Corporation, is 222 South Riverside Plaza, Chicago, Illinois 60606 and the address of the above named Lessee is 101 Prospect Avenue, Northwest, Cleveland, Ohio 44115. Please cross index this filing against the name of that Lessee.

The Rider supplements the Lease by subjecting the equipment described in the Rider to the terms of the Lease, thereby leasing the same to the Lessee. The Bailment Agreement provides that NAC shall hold, lease, maintain and perform certain administrative and other services with respect to the equipment covered by the Lease and that NAC assigns to Assignee all its interest in, but not its obligations under, the Lease (including amounts received or credited for mileage compensation relating to that leased equipment). The equipment covered by the Lease has been or is to be sold to Assignee.

RIDER NO. 30
 Forming Part of
 NORTH AMERICAN CAR CORPORATION
 CAR LEASING AGREEMENT 7851-14

This rider ("Rider") and the above Car Leasing Agreement constitute a separate agreement ("Agreement") which, together with all rights under the Agreement, may be assigned as security or otherwise. No subsequent amendment to the Agreement shall be effective against any assignee hereof. The cars described herein shall be subject to the terms and conditions of the Agreement and this Rider during the term of use and for the rental set forth below:

<u>Number of Cars</u>	<u>Type of Car</u>	<u>Monthly Rental Per Car</u>
One (1)	20,730 gallon capacity tank car, exterior coiled, insulated, for shipment of Plastic Synthetic Resin (Car numbers to be identified by separate letter from North American to Lessee after such number becomes available. Lessee's countersignature to such letter is not required)	\$502.00

North American and Lessee agree that the rental rate as shown above shall be increased \$1.55 per car per month for each point increase in the Wholesale Price Index of Commodity Prices (railroad equipment - code 144), according to the latest information available as reported in the current "Survey of Current Business", published by the U. S. Department of Commerce, as of the date the first car is released for delivery to Lessee, over a base of 280.5 as was reported for July, 1979. Rentals thus calculated shall be rounded to the nearest \$0.50.

For each mile in excess of $\frac{25,000 \times \text{days in service}}{365}$ that each car covered by this Rider travels in a calendar year, there will be an additional charge of \$0.02.

Lessee agrees to be responsible for all freight charges incurred in the shipment of said cars to Lessee.

The application, maintenance and removal of the interior protective lining is to be performed by and at the expense of Lessee.

In the event that during the term hereof, the U. S. Department of Transportation, or any other governmental agency or non-governmental organization having jurisdiction over the operation, safety or use of railroad equipment, requires that North American add to, modify, or in any manner adjust, the cars subject to this lease in order to qualify them for operation in railroad interchange, Lessee agrees to pay an additional monthly charge of \$1.75 per car for each \$100 expended by North American on such car, effective as of the date the car is released from the shop after application of such additions, modifications or adjustments (hereinafter the "Modifications"). No rental

... modification for ...
... In the event North American, in its sole discretion deter-
mines prior to making any modification that the cost thereof is not economical
to expend in view of the estimated remaining useful life of such car, and North
American elects to permanently remove such car from Lessee's service rather than
have such car taken to a car shop for such modification, the rental with respect
to such car shall terminate upon the date specified in writing by North Ameri-
can, provided that such date must be prior to the date the modification is so
required to be made.

The term of use of the cars hereinabove described shall commence on
the date of delivery thereof to Lessee, and shall continue for a period ending
five (5) years from the first day of the month following the average date of
delivery of such cars to Lessee.

Dated this 22nd day of January, 1980.
