P.S. Please call Jane Wilhelm at 312-984-3841 as soon as this agreement is recorded advising her of the recordation number, date and time. Thank you very much.

The parties hereto have heretofore entered into a Manufacturing Agreement dated as of December 11, 1997, which was filed and recorded with the Surface Transportation Board pursuant to 49 U.S.C. Section 11301 on January 2, 1998 at 3:47 pm, recordation number 21133, which provides for the execution and delivery from time to time of supplements thereto, each substantially in the form hereof for the purpose of subjecting to said Manufacturing Agreement additional units of new, standard gauge railroad equipment.

The units of railroad equipment described in Item 1 of Annex A hereto are hereby subjected to said Manufacturing Agreement. The information set forth in Annex A hereto in respect of such units of railroad equipment, and set forth in Items 2, 3, and 4 of said Annex A, is hereby incorporated into Annex A to the Manufacturing Agreement as though originally set forth therein; provided, however, that such information shall apply and refer only to the units of railroad equipment described in Annex A hereto.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused these presents to be signed in their respective corporate names by duly authorized officers and their respective corporate seals to be hereunto affixed and duly attested, all as of the day, month and year first above written.
