3. COVENANTS OF THE DEBTORS

3.1 Disposition or Encumbrance of Collateral. The Debtors will not encumber, sell or otherwise transfer or dispose of any Collateral without the prior written consent of the Agent, provided, however, until a Default or Event of Default has occurred and is continuing, the Debtors may sell Inventory in the ordinary course of business and may sell Collateral which in the judgment of any Debtor has become obsolete or unusable in the ordinary course of business and as otherwise permitted under the Credit Agreement (it being acknowledged that the Secured Parties' security interests hereunder shall be released when such permitted sales or dispositions occur), provided that all Proceeds of such sales are delivered directly to the Agent or, in the ordinary course of business, to the extent permitted in the Credit Agreement, used to replace such Collateral or to purchase additional Goods which replacements or substitutions shall constitute Collateral hereunder.

3.2 Validity of Accounts. The Debtors warrant that all Accounts, Chattel Paper and Instruments will be bona fide existing obligations created by the sale and actual delivery of Goods or the rendition of services to customers in the ordinary course of business, which the Debtors then own free and clear of any Liens other than the security interest created by this Security Agreement and Permitted Liens and which are then unconditionally owing to any Debtor without defenses, offset or counterclaim, and that all shipping or delivery receipts, invoice copies and other documents furnished to the Agent in connection therewith will be genuine, and that the unpaid principal amount of any Chattel Paper or

Instrument and any security therefor is and will be as represented to the Agent on the date of the delivery thereof to the Agent. Upon the request of the Agent, any Debtor shall furnish to the Secured Party, from time to time, a list of such Debtor's Accounts, including without limitation, the name and address of each account debtor and the amount owed.

3.3 Maintenance of Rolling Stock, Equipment, Fixtures and Inventory; Location. The Debtors will maintain the Equipment, Fixtures and Inventory or cause the Rolling Stock, Equipment, Fixtures and Inventory to be maintained in good condition and repair, normal wear and tear excepted. At the time of attachment and perfection of the security interest granted pursuant hereto and thereafter, all Inventory, Equipment and Fixture Collateral will be located and will be maintained only in the States of Georgia, Florida, Illinois, Washington, Idaho, Mississippi, Tennessee, Nebraska, Kansas and Colorado. Such Collateral will not be removed from such locations unless, prior to any such removal, the applicable Debtor has given written notice to the Agent of the location or locations to which such Debtor desires to remove the Collateral, and such Debtor has delivered to the Agent acknowledgment copies of financing statements filed where appropriate to continue the perfection of Secured Parties' security interest as a first priority security interest therein. The Secured Parties' security interest attaches to all of the Collateral wherever located and any Debtor's failure to inform the Agent of the location of any item or items of Collateral shall not impair the Secured Parties' security interest therein.

3.4 Notation on Chattel Paper. For purposes of the security interest granted pursuant to this Security Agreement, the Secured Parties have been granted a direct security interest in all Chattel Paper and such Chattel Paper is not claimed merely as Proceeds of Inventory. Upon the Agent's request, any Debtor will deliver to the Agent the originals of all Chattel Paper. No Debtor will execute any copies of Chattel Paper other than those which are clearly marked as a copy. The Agent may stamp any such Chattel Paper with a legend reflecting the Secured Parties' security interest therein.

3.5 Protection of Collateral. All expenses of protecting, storing, warehousing, insuring, handling and shipping of the Collateral, all costs of keeping the Collateral free of any Liens prohibited by this Security Agreement and of removing the same if they should arise, and any and all excise, property, sales and use taxes imposed by any state, federal or local authority on any of the Collateral or in respect of the sale thereof, shall be borne and paid by the Debtors and if any Debtor fails to promptly pay any thereof when due, the Agent may, at its option, but shall not be required to, pay the same whereupon the same shall constitute Obligations and shall bear interest at the highest annual rate specified in the Obligations (the "Default Rate") and shall be secured by the security interest granted hereunder.

3.6 Notation on Instruments; Vehicle Titles. The Agent shall have authority, at any time, to place, or require any Debtor to place, upon such Debtor's books and records relating to Accounts, Chattel Paper, Instruments and other rights to payment covered by the security interest granted hereby a notation or legend stating that such Accounts, Chattel Paper, Instruments and other rights to payment are subject to a security interest of the Secured Parties. The Debtors will deliver to the Agent all vehicle titles evidencing ownership of each Debtor's vehicles, and Debtors will execute all forms or instruments necessary to memorialize the security interest of the Secured Parties in each Debtor's vehicles.

3.7 Notice of Default. Immediately upon any officer of the Debtors becoming aware of the existence of any Default or Event of Default, such Debtor will give notice to the Agent that such Default or Event of Default exists, stating the nature thereof, the period of existence thereof, and what action the Debtors propose to take with respect thereto.

3.8 Additional Documentation. The Debtors will execute, from time to time, such financing statements, assignments, and other documents covering the Collateral, including Proceeds, as the Agent may reasonably request in order to create, evidence, perfect, maintain or continue the Secured Parties security interest in the Collateral (including additional Collateral acquired by any Debtor after the date hereof), and Debtors will pay the cost of filing the same in all public offices in which the Agent may deem filing to be appropriate. During the continuance of an Event of Default, upon request, each Debtor will deliver to the Agent all of such Debtor's Documents, Instruments and Chattel paper.

3.9 Chief Executive Office. The location of the chief executive office of the Debtors is set forth in the preamble hereto and will not be changed without thirty (30) days' prior written notice to the Agent. The Debtors warrant that their books and records concerning their Accounts and Chattel Paper are located at their chief executive office.

3.10 Name of the Debtors. Each Debtor's true name is as set forth in the preamble hereto. No Debtor has used any other name within the past five (5) years. No Debtor has executed any financing statements or security agreements presently effective as to the Collateral. No Debtor shall change its name or use any trade or assumed name without giving the Agent fifteen (15) days prior written notice.

3.11 Power of Attorney. The Debtors appoint the Agent, or any other person whom the Agent may from time to time designate, as the Debtors' attorney, and during the continuance of an Event of Default, with power to endorse any Debtor's name on any checks, notes, acceptances, drafts, or other forms of payment or security that may come into the Agent's possession, to sign any Debtor's name on any invoice or bill of lading relating to any Collateral, on drafts against customers, on schedules and confirmatory assignments of Accounts, Chattel Paper, Documents, Instruments or other Collateral, on notices of assignment, financing statements under the Uniform Commercial Code (the "Code") and other public records, on verifications of Accounts and on notices to customers, to notify the post office authorities to change the address for delivery of any Debtor's mail to an address designated by the Agent, to receive and open all mail addressed to any Debtor, to send requests for verification of Accounts, Chattel Paper, Instruments or other Collateral to customers, make any compromise or settlement, and take any action it deems advisable with respect to the Collateral, and to do all things necessary to carry out this Security Agreement. The Debtors ratify and approve all acts of the attorney taken within the scope of the authority granted. Neither the Secured Parties nor the attorney will be liable for any acts of commission or omission nor for any error in judgment or mistake of fact or law except for gross negligence or willful misconduct by the Agent or the attorney. This power, being coupled with an interest, is irrevocable so long as any Obligation remains unpaid. Except as provided herein and in any other Loan Document the Debtors waive presentment and protest of all instruments and notice thereof, notice of default and dishonor and all other notices to which the Debtors may otherwise be entitled.

4. COLLECTIONS

Collection of Accounts. Except as otherwise provided in this Section 4, the Debtors shall continue to collect at their own expense, all amounts due or to become due to each Debtor, under the Accounts. In connection with such collections, any Debtor may take (and during the continuance of an Event of Default at the Agent's direction, shall take) such action as such Debtor or the Agent may deem necessary or advisable to enforce collection of the Accounts; provided, however, during the continuance of an Event of Default that the Agent shall have the right, at any time to notify the account debtors under any Accounts of the assignment of such Accounts to the Secured Parties and to direct such account debtors to make payment of all amounts due or to become due to such Debtor thereunder directly to the Agent. Upon such notification and at the expense of the Debtors, the Agent shall have the right to

enforce collection of such Accounts and to adjust, settle, or compromise the amount or payment thereof in the same manner and to the same extent as such Debtor might have done in exercise of commercially reasonable business judgment. The Agent shall apply all collections hereunder in accordance with Section 7.7.

5. ASSIGNMENT OF INSURANCE

Debtors hereby collaterally assign to the Agent, on behalf of the Secured Parties, as additional security for payment of the Obligations, any and all monies due or to become due under, and any and all other rights of any Debtor with respect to, any and all policies of insurance covering the Collateral and the Debtors hereby direct the issuer of any such policy to pay any such monies directly to the Agent; provided that in the event the Debtors are entitled to receive insurance proceeds of \$100,000 or less for any insured loss, such proceeds may be paid directly to the Debtors to be utilized by the Debtors for the purchase of replacement property. After the occurrence and during the continuation of a Default or Event of Default, the Agent may (but need not) in its own name or in any Debtor's name execute and deliver proofs of claim, receive such monies, endorse checks and the instrument representing such monies, and settle or litigate any claim against the issuer of any such policy.

6. EVENTS OF DEFAULT

Events of Default. The term "Event of Default" shall have the meaning set forth in the Credit Agreement.

7. RIGHTS AND REMEDIES ON DEFAULT

Upon the occurrence and during the continuance of an Event of Default, and at any time thereafter until such Event of Default is cured or waived in writing to the satisfaction of the Agent, and in addition to the rights granted to the Secured Parties under Sections 4 and 5 hereof or under any other document, agreement or other instrument evidencing, securing or otherwise relating to any of the Obligations, the Agent, on behalf of the Secured Parties, may exercise any one or more of the following rights and remedies:

7.1 Acceleration of Obligations. Declare any and all Obligations to be immediately due and payable, and the same shall thereupon become immediately due and payable without further notice or demand.

7.2 Right of Offset. Offset any deposits, including unmatured time deposits, then maintained by any Debtor with a Secured Party, whether or not then due, against any indebtedness then owed by any Debtor to the Secured Parties, whether or not then due.

7.3 Deal with Collateral. In the name of any Debtor or otherwise, demand, collect, receive and receipt for, compound, compromise, settle and give acquittance for and prosecute and discontinue any suits or proceedings in respect of any or all of the Collateral.

7.4 Realize on Collateral. Take any action which the Agent may deem necessary or desirable in order to realize on the Collateral, including, without limitation, the power to foreclose any security interest, to perform any contract, to endorse in the name of any Debtor any checks, drafts, notes, or other instruments or documents received in payment of or on account of the Collateral.

7.5 Access to Property. Enter upon and into and take possession of all or such part or parts of the properties of any Debtor, including lands, plants, buildings, machinery, equipment, Data Processing Records and Systems and other property as may be necessary or appropriate in the judgment of the Agent, to permit or enable the Agent to store, lease, sell or otherwise dispose of or collect all or any part of the Collateral, and use and operate said properties for such purposes and for such length of time as the Agent may deem necessary or appropriate for said purposes without the payment of any compensation to any Debtor therefor. Each Debtor shall provide the Agent with all information and assistance requested by the Agent to facilitate the storage, leasing, assembly, sale or other disposition or collection of the Collateral after an Event of Default, and make such Collateral available to the Agent on the Agent's demand.

7.6 Other Rights. Exercise any and all other rights and remedies available to it by law, in equity or by agreement, including rights and remedies under the Illinois Uniform Commercial Code or any other applicable law, or under the Credit Agreement and, in connection therewith, the Agent may require any Debtor to assemble the Collateral and make it available to the Agent at a place to be designated by the Agent, and any notice of intended disposition of any of the Collateral required by law shall be deemed reasonable if such notice is mailed or delivered to such Debtor at its address as shown on the Agent's records at least ten (10) days before the date of such disposition. The Agent may sell or otherwise dispose of any or all of the Collateral in a single unit or in multiple units and the Agent may be the purchaser at such sale or other disposition. The Debtors shall remain liable for any deficiency remaining after any such sale or other disposition of the Collateral.

7.7 Application of Proceeds. All proceeds of Collateral shall be applied in accordance with Section 9-504 of the Illinois Uniform Commercial Code and such proceeds applied toward the Obligations shall be applied in such order as the Secured Parties may elect.

8. MISCELLANEOUS

8.1 No Liability on Collateral. It is understood that Secured Parties do not in any way assume any of the Debtors' obligations under any of the Collateral and do not intend to create any third party beneficiary rights by taking or omitting any action herein. The Debtors hereby agree to indemnify the Secured Parties against all liability arising in connection with or on account of any of the Collateral, except for any such liabilities arising on account of the Secured Parties' gross negligence or willful misconduct.

8.2 No Waiver. The Secured Parties shall not be deemed to have waived any of their rights hereunder or under any other agreement, instrument or paper signed by any Debtor unless such waiver be in writing and signed by the Majority Lenders.
