3.08 Acquisition of Interest in the Equipment. The Debtor has acquired its interest in the Equipment for its own account and with its general corporate assets and no funds used to acquire any Item of Equipment have been furnished directly or indirectly out of the assets of or in connection with any employee benefit plan (or its related trust) or any separate account in which any employee benefit plan has any interest. As used in this Section 3.08, the terms "employee benefit plan" and "separate account" shall have the respective meanings assigned to them in ERISA.

3.09 Actions Under the Equipment Leases. (a) All the Equipment Leases are in full force and effect and are in substantially the form of Exhibit C to the Loan Agreement and the Debtor shall not enter into any agreement amending or supplementing any Equipment Lease in any material respect, execute any waiver or modification of, or consent under the terms of the Equipment Lease, settle or compromise any claim against any Equipment Lessee arising under any Equipment Lease, or submit or consent to the submission of any dispute difference or other matter arising under or in respect of any Equipment Lease to arbitration thereunder without the prior written consent of the Secured Party.

(b) The Debtor shall comply, and use its best efforts to cause each of the Equipment Lessees to comply, in all material respects, with all acts, rules, regulations and orders of any legislative, administrative or judicial body or official applicable to the Collateral or any part thereof, or to the operation of the Debtor's business (including all laws of the jurisdictions in which operations involving the Equipment may extend the interchange rules of the AAR and all rules of the STB) and the Registrar General of Canada; provided, however, that the Debtor may contest any acts, rules, regulations, orders and directions of such bodies or officials in any reasonable manner which will not, in the sole opinion of the Secured Party materially adversely affect the Secured Party's rights or the priority of its security interest in the Collateral.

3.10 Right to Inspect the Collateral. (a) The Debtor shall at any reasonable time, at the request of the Secured Party, cause the Collateral to be exhibited to the Secured Party (or persons designated by the Secured Party) for purposes of inspection. In the event that the Secured Party wishes to inspect the Equipment at an Equipment Lessee's facility, the Secured Party shall so notify the Debtor, whereupon the Debtor shall make all reasonable efforts to assist the Secured Party in obtaining the cooperation and consent of the relevant Equipment Lessee to the inspection of the Equipment at such Equipment Lessee's facility; provided, however that the Debtor shall have no obligation to so assist if, in the Debtor's reasonable judgment, such effort would interfere with the Debtor's business relations with such Equipment Lessee.

(b) The Secured Party (or any person designated by the Secured Party) shall have the right (but not any obligation) to inspect the Debtor's records with respect to the Collateral (and the right to make extracts from and to receive from the Debtor true copies of such

records relating to the Collateral except as otherwise provided herein) at such reasonable times as the Secured Party may request during the continuance of this Security Agreement.

3.11 Reports. Within thirty (30) days after the end of each of its fiscal quarters, beginning with the second fiscal quarter of the calendar year 1998, the Debtor shall furnish to the Secured Party an accurate statement (i) setting forth as at the last day of such fiscal quarter the amount, description and numbers of all Items of Equipment then covered by an Equipment Lease, the amount, description and numbers of all Items of Equipment that have suffered a Casualty Loss during the preceding fiscal quarter or, in the case of the first such statement, since the date of this Security Agreement (specifying the dates of such Casualty Loss) or to the knowledge of the Debtor are then undergoing repairs (other than running repairs) or are then withdrawn from use pending repairs (other than running repairs) and such other information regarding the condition and state of repair of the Items of Equipment as the Secured Party may reasonably request and (ii) stating that, in the case of all Items of Equipment repainted or repaired during the period covered by such statement, the numbers and the marking required by Section 3.12 hereof and the Equipment Leases have been preserved or replaced. The Debtor shall keep proper books and records with respect to the Equipment and each Equipment Lease and the other Collateral covered thereby.

3.12 Marking of Equipment. (a) Debtor will cause each Item of Equipment to be kept numbered with the identifying number set forth in Schedule A hereto, and at the request of the Secured Party if the Secured Party determines that it is necessary in order to perfect, protect or preserve its first priority security interest in the Collateral, the Debtor shall keep and maintain plainly, distinctly, permanently and conspicuously marked on each side of each Item of Equipment, in letters not less than one inch in height, the words, "Ownership Subject to a Security Agreement filed with the Surface Transportation Board." The Debtor shall not change, or permit to be changed, the identifying number of any Item of the Equipment except in accordance with a statement of new identifying numbers to be substituted therefor after the Secured Party has been notified in writing and which statement shall be filed, recorded or deposited in all public offices where this Security Agreement shall have been filed, recorded or deposited. The Debtor shall forthwith furnish to the Secured Party an opinion of such counsel and in form and substance satisfactory to the Secured Party to the effect that such statement has been so filed, recorded and deposited, such filing, recordation and deposit will protect the Secured Party's first priority Lien or security interest in such Items of Equipment and no further filing, recording, deposit or giving of notice with or to any other Federal, state or local government or agency thereof is necessary to perfect, protect, or preserve the security interest of the Secured Party in such Items.

(b) Except as above provided, the Debtor will not allow the name of any Person (other than the names and marks of the Debtor or ACF, or the marks SHPX or ACFX) to be placed on the Item of Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Debtor may permit the Equipment to be lettered with the names, trademarks, initials or other insignia customarily used by the user of such Equipment or its Affiliates.

3.13 Use of Equipment. The Equipment will be used by a lessee, a sublessee or user incorporated in the United States of America (or any State thereof or the District of Columbia) or

Canada (or any Province thereof), only upon lines of railroad owned or operated by a railroad company or companies incorporated in the United States of America (or any State thereof or the District of Columbia) or Canada (or any Province thereof) or over lines upon which such railroad company or companies have trackage rights or rights for operation of its or their trains, and upon connecting with other carriers in the usual interchange of traffic in the continental United States of America and Canada, only upon and subject to all the terms and conditions of Equipment Leases.

3.14 Replacement Units, Replacement Leases and Additional Equipment. (a) The representations and warranties of the Debtor with respect to the Equipment and the Equipment Leases set forth in Sections 4.01(p) and 4.01(q) of the Loan Agreement shall be true and correct with respect to (x) each Replacement Unit and Replacement Lease as of the date such Replacement Unit or Replacement Lease becomes or is required to become subject to this Security Agreement and (y) each of the Additional Equipment and the Equipment Lease relating thereto as of the date such Additional Equipment and such Equipment Lease becomes or is required to become subject to this Security Agreement.

(b) Prior to replacing any Item of Equipment with a Replacement Unit or any Equipment Lease with a Replacement Lease or adding any Additional Equipment and any Equipment Lease relating thereto to the Collateral, the following conditions shall be fulfilled in form and substance satisfactory to the Secured Party: (i) the Secured Party shall have received evidence that all of the Replacement Units or Additional Equipment, as the case may be, are covered under the insurance required by Section 3.02 of this Security Agreement; (ii) after giving effect to any such replacement or addition, (A) the total ACFX Mileage Credits of all the Equipment shall not exceed \$2,000,000, (B) the LTV Ratio shall not exceed 85%, (C) none of the Concentration Ratios shall exceed the corresponding Concentration Limits and (D) the TankCar Ratio shall not exceed 30%; (iii) the Secured Party shall have received (A) a supplement to the Loan Agreement amending Schedule A thereto to include, as the case may be, the Replacement Leases or the Equipment Leases with respect to the Additional Equipment, (B) evidence that the Guarantor has delivered to the Debtor duly executed Bills of Sale with respect to the Replacement Units or the Additional Equipment, as the case may be, (C) a Physical Appraisal of such Replacement Units or Additional Equipment, as the case may be, (D) a supplement to the Lease Administration Agreement duly executed by the Debtor and by any other party required to consent to such supplement by the provisions thereof, adding the Replacement Units or the Additional Equipment, as the case may be, to Exhibit A-5 thereto, and evidence in form satisfactory to the Administrative Agent that each Equipment Lessee under each Replacement Lease or Equipment Lease relating to the Additional Equipment, as the case may be, has been instructed to make all payments under such Replacement Lease or Equipment Lease to the Lockbox Account in accordance with the Lockbox Documents and the notice required pursuant to Section 17 of the Lease Administration Agreement has been delivered to the appropriate parties, (E) evidence that the Replacement Units or the Additional Equipment are subject to a Replacement Lease or an Equipment Lease, as the case may be, (F) an assignment and assumption agreement with respect to the Replacement Leases or the Equipment Leases relating to the Additional Equipment, as the case may be, substantially in the form of the Assignment duly executed by the Debtor and the Guarantor, (G) an asset transfer agreement with respect to the Replacement Units or the Additional Equipment, as the case may be, substantially in the form of the Asset Transfer Agreement duly executed by the Debtor and the Guarantor, and

(H) a supplement to the Management Agreement amending Exhibit A thereto to include the Replacement Units or the Additional Equipment, as the case may be, duly executed by the Debtor, Manager and ALA; (iii) the Debtor shall have made a notation on each original executed Replacement Lease or Equipment Lease relating to the Additional Equipment, as the case may be, clearly describing the Secured Party's security interest therein; (iv) on or prior to the date such replacement or addition is to occur, the Debtor shall have delivered to the Collateral Agent all of the original Replacement Leases or all of the original Equipment Leases relating to the Additional Equipment, as the case may be; and (v) Debtor shall have taken each of the actions the Debtor is required to take under Section 3.05(a) of this Security Agreement and provided the Secured Party with any of the documents specified therein.

3.15 Environmental Compliance. (a) Hazardous Substances. Except in compliance with all Environmental Laws, Debtor shall not cause, permit or suffer, and Debtor shall use reasonable efforts not to allow any Equipment Lessee to cause, permit or suffer, any Hazardous Substance to be transported, kept or stored, in any, or discharged or released from, any Item of Equipment, if the same is reasonably likely to or does result in any material Environmental Contamination or material Environmental Claim.

(b) No Liens. The Debtor shall not create or suffer to exist, nor allow any Equipment Lessee to create or suffer to exist, with respect to any Item of Equipment any Lien imposed pursuant to Section 107(f) of CERCLA or any similar state statute.

(c) Environmental Action. Notwithstanding the obligation of Debtor to indemnify the Secured Party pursuant to this Security Agreement from and against any Environmental Claims and any Environmental Contamination, the Debtor agrees at its sole cost and expense to (i) give notice thereof to the Secured Party promptly with a full description thereof; (ii) to the extent required by applicable law, properly notify the appropriate governmental authorities; (iii) take all steps necessary to promptly clean up, remove, abate and remediate any and all Environmental Contamination so as to fully and finally resolve all such Environmental Claims, in accordance with all applicable Environmental Laws and any orders from the United States Environmental Protection Agency ("EPA") and any other governmental authorities as may have jurisdiction thereof; (iv) provide the Secured Party with reasonably satisfactory evidence of such compliance, which evidence shall include, if available, a certification from the EPA and such other governmental authorities as may have jurisdiction thereof that all of the Environmental Contamination has been cleaned up, and any and all related Environmental Claims have been fully and finally resolved, to the satisfaction of those agencies; and (v) provide the Secured Party with copies, promptly upon receipt or transmission thereof, of all communications regarding such Environmental Contamination or Environmental Claims received from or sent to private parties or governmental authorities that enforce or administer the Environmental Laws, subject, in each case, to the Debtor's right to contest in good faith in any reasonable manner such Environmental Claims or the existence of any Environmental Contamination to the extent that such contest will not cause an unreasonable risk of loss, forfeiture or sale of, or unreasonable risk of imposition of a Lien (other than a Permitted Lien) on any Item of Equipment or interfere with the due payment by the Debtor as provided herein of any interest or principal payable by the Debtor under the Loan Agreement or an unreasonable risk of a liability that the Secured Party reasonably believes the Debtor will not be financially able to pay.

3.16 Management Agreement. The Debtor shall ensure that the Management Agreement continues in full force and effect for the term of the Loans.

Section 4. SPECIAL PROVISIONS CONCERNING EQUIPMENT LEASES

4.01 Debtor's Rights Under Equipment Leases. Until the occurrence and continuance of an Event of Default, and subject to any limitations set forth herein, in the Loan Agreement or in the Lockbox Documents, the Debtor may exercise all of the Debtor's rights, powers, privileges and remedies under the Equipment Leases provided, however, that any monies due or to become due under the Equipment Leases shall be deposited directly into the Lockbox Account and disbursed to the Owner Blocked Account in accordance with the provisions of the Lockbox Documents and Collateral Agency Agreement.

4.02 Delivery of Equipment Leases and Legends.

(a) The Debtor shall deliver to the Collateral Agent (i) the original Equipment Leases for the ten (10) largest Equipment Lessees on or prior to the First Closing Date, (ii) the originals of the remaining Equipment Leases listed on Schedule A to the Loan Agreement (or copies of such Equipment Leases that also cover railcars owned by Persons other than the Debtor) within thirty (30) days of the First Closing Date, in weekly installments, beginning on the First Closing Date, and (iii) the originals of any Replacement Leases or renewals of Expired Leases within ten (10) days after the end of each calendar month. The Equipment Leases shall be held in escrow by the Collateral Agent so long as such Equipment Leases are Collateral under this Security Agreement. Any Expired Leases that are not renewed pursuant to Section 4.03 hereof shall be returned to the Debtor.

(b) The Debtor shall mark all Equipment Leases with the following language:

The rights and interests of ACF Industries, Incorporated or Shippers First LLC under this Lease and all amendments, and riders hereto relating to certain railcars listed herein, and in such railcars, have been assigned to one or more financial institutions or banks listed on the page or pages at the end of this Lease and are subject to a first priority perfected security interest in favor of such financial institutions or banks. To the extent that this Lease constitutes chattel paper, no security interest in this Lease may be created or perfected through the transfer or possession of this original.

The Secured Party shall have the right from time to time to require the Collateral Agent to mark on the page or pages at the end of the Equipment Leases describing the Equipment in which the Secured Party has interests hereunder and require the Collateral Agent to place notations of the Secured Party's interests in the Collateral.

4.03 Expired Leases. In the event that any Equipment Lease expires prior to the maturity of any Note (each, an "Expired Lease"), the Debtor shall (i) renew such Expired Lease, with such renewal being reasonably acceptable to the Secured Party or (ii) subject the Items of Equipment covered by such Expired Lease to a Replacement Lease. In the event that the Debtor, on the date that is 120 days (or 30 days if the Items of Equipment covered by the Expired Leases exceeds ten percent (10%) of the aggregate Fair Market Value of all of the Items of Equipment included within the Collateral) after the expiration of the Expired Lease covered by the

immediately preceding sentence, shall not have renewed such Expired Lease or subjected the Items of Equipment covered by such Expired Lease to a Replacement Lease, the Debtor shall have the option to either: (i) replace the Equipment leased under such Expired Lease with Replacement Units that are subject to Replacement Leases, in which case the Debtor shall satisfy the requirements of Section 3.14 of this Security Agreement and shall execute and deliver to the Secured Party a supplement to this Security Agreement and take all such other actions as are required pursuant to Section 3.05(a) hereof such that the Replacement Units and Replacement Leases shall be subject to the first priority Lien of this Security Agreement or (ii) (A) deposit cash into the Cash Collateral Account or (B) prepay the Notes on the next Interest Payment Date, in each case in an amount equal to the product of the outstanding principal amount of the Loans multiplied by a fraction, (1) the numerator of which is the Fair Market Value of the specific Items of Equipment subject to such Expired Lease and (2) the denominator of which is the aggregate Fair Market Value of all Items of Equipment.

Section 5. COLLATERAL

5.01 Possession of Collateral. So long as no Event of Default has occurred and is continuing, the Debtor and each Equipment Lessee party to an Equipment Lease shall be suffered and permitted to remain in full possession, enjoyment and control of the Equipment, and to manage, operate and use the Equipment and each part thereof with the rights and franchises pertaining to the Equipment, provided always that the possession, enjoyment, control and use of the Equipment shall at all times be subject to the observance and performance of this Security Agreement.

5.02 Casualty Loss; Insurance Proceeds; Cash Collateral Account; Substitution of Equipment. (a) In the event and at such time (a "Casualty Date") that any Item of Equipment is destroyed, lost, stolen, irreparably damaged, missing for a period in excess of thirty (30) days, taken by any governmental entity (including, without limitation, condemnation, confiscation, requisition, taking of title or use by any governmental entity), determined by the Debtor or the Secured Party (or an agent thereof) to have been out of compliance, for a period in excess of one hundred twenty (120) days, with any relevant AAR mechanical regulation or industrial commercial acceptance standards for revenue interchange loading or any other applicable laws, rules or regulations governing the maintenance of the Equipment, or otherwise becomes unusable in the business of the Debtor (such event or condition, a "Casualty Loss"), the Debtor shall promptly inform the Secured Party of the Casualty Loss. At such date (a "Casualty Total Date") as a Casualty Loss has occurred with respect to a total of either (in each case, a "Casualty Total"): (i) any fifty (50) Items of Equipment, or (ii) Items of Equipment having an aggregate Fair Market Value of Five Million Dollars (\$5,000,000), and in the case of (i) or (ii), whether such Casualty Losses are the result of one occurrence or several occurrences, the Debtor shall promptly notify the Secured Party, and at the option of the Debtor, within ten (10) days after such Casualty Total Date, either (A) the Debtor shall deposit into the Cash Collateral Account (defined below) in respect of each Item of Equipment that has become a Casualty Loss an amount in Dollars (as to each such Item, the "Casualty Loss Proceeds") equal to the product of the aggregate outstanding principal amount of the Loans multiplied by a fraction, (1) the numerator of which is the Fair Market Value of the specific Items of Equipment subject to such Casualty Loss and (2) the denominator of which is the aggregate Fair Market Value of all Items of Equipment (it being understood that the Debtor is entitled to any proceeds, whether in respect

of insurance proceeds, condemnation awards or other amounts payable in respect of such Items of Equipment), or (B) Debtor shall replace such Items of Equipment with Replacement Units subject to Replacement Leases. (It is understood that upon the taking of the actions set forth in (A) or (B) with respect to a Casualty Total, for the purpose of determining the next succeeding Casualty Total Date, clauses (i) and (ii) of the definition of Casualty Total shall be reset to zero.) Upon the taking of the actions set forth in (A) or (B) with respect to a Casualty Total, at the request of the Debtor, the Secured Party shall take such actions as may reasonably be requested by the Debtor in order to release such Items of Equipment which constituted the Casualty Total from the Lien granted under this Security Agreement, including the delivery to the Debtor of releases in recordable form with the STB and the Registrar General (Canada) and Uniform Commercial Code termination statements, all at the expense of the Debtor. The Secured Party shall be entitled to retain such Casualty Loss Proceeds in respect of Items of Equipment that have been the subject of a Casualty Loss, and to hold them as additional Collateral hereunder in accordance with clauses (I), (II) and (III) below.

(I) All such Casualty Loss Proceeds shall be deposited by the Secured Party into a special cash collateral account (the "Cash Collateral Account") maintained at the Secured Party or at another bank designated by the Secured Party and reasonably acceptable to the Debtor, provided such bank agrees to hold such proceeds on behalf of the Secured Party, under the sole control and dominion of the Secured Party, for so long as, but only so long as, the Security Agreement shall be in full force and effect.

(II) All amounts from time to time on deposit in the Cash Collateral Account shall, so long as no Event of Default shall have occurred or be continuing, be invested by the Secured Party at the direction of the Debtor in such Permitted Investments as the Debtor shall request.

(III) Except as otherwise provided in paragraph (b) of this Section 5.02, amounts on deposit in the Cash Collateral Account shall not be released to Debtor except that, so long as no Event of Default or Default has occurred and is continuing, the Debtor shall be permitted to use such monies to acquire Replacement Units under this Security Agreement.

(b) In the event that Items of Equipment have been the subject of a Casualty Loss and the Debtor in consequence thereof has deposited Casualty Loss Proceeds in respect thereof pursuant to clause (A) of paragraph (a) of this Section 5.02, the Debtor may at any time substitute Replacement Units subject to Replacement Leases as provided in clause (B) of paragraph (a) of this Section 5.02, and so long as no Event of Default or Default, has occurred and is continuing, the Debtor shall be entitled to release of the Casualty Loss Proceeds attributable to Items of Equipment being replaced and any earnings attributable thereto from the Cash Collateral Account, at such time as the Debtor has replaced the Item or Items of Equipment with respect to which the Casualty Loss Proceeds were paid with Replacement Units subject to Replacement Leases and the Debtor has otherwise complied with the provisions of this Section 5.02 and Sections 3.05(a) and 3.14 hereof. In the event the Debtor elects to replace an Item of Equipment under an Equipment Lease with a Replacement Unit pursuant to this Section 5.02, such Replacement Unit and the Replacement Lease covering such Replacement

Unit shall become subject to the perfected Lien of this Agreement and the security interest of the Secured Party.

(c) Upon the occurrence and during the continuance of any Event of Default or Default, all Casualty Loss Proceeds and all other amounts standing to the credit of the Cash Collateral Account shall be paid to the Secured Party and applied by the Secured Party as specified in Section 6.03.

(d) So long as no Event of Default has occurred and is continuing, the Debtor may transfer Equipment to third parties (i) if the Debtor has notified the Secured Party of its intent to transfer such Equipment at least 45 days prior to the date of such transfer, (ii) if simultaneously with such transfer the Debtor replaces such transferred Equipment with Replacement Units of the same type and value that are subject to Replacement Leases, in which case the Debtor shall satisfy the requirements of Section 3.14 of this Security Agreement and shall execute and deliver to the Secured Party a supplement to this Security Agreement and take all such other actions as are required pursuant to Section 3.05(a) hereof such that the Replacement Units and Replacement Leases shall be subject to the first priority Lien of this Security Agreement and (iii)(A) without the prior consent of the Banks, if the Fair Market Value of such Replacement Units when added to the Fair Market Value of any Replacement Units previously acquired by the Debtor in accordance with this Section 5.02(d) does not exceed 15% of the Fair Market Value of the Equipment on the Agreement Date or (B) upon the prior consent of the Secured Party and each of the Banks; provided that, if the Fair Market Value of such Replacement Units when added to the Fair Market Value of the any Replacement Units previously acquired by the Debtor in accordance with this Section 5.02(d) exceeds 20% of the Fair Market Value of the Equipment on the Agreement Date, then the Secured Party shall have the right upon request of the Required Banks to inspect the Replacement Units, at the sole cost of the Debtor, and to have a Physical Appraisal of all the Equipment made in form and substance satisfactory to the Banks within ninety (90) days of such transfer.

Section 6. SECURED PARTY'S RIGHTS

6.01 Secured Party's Rights. The Debtor agrees that when any Event of Default has occurred and is continuing, the Secured Party shall have the rights, options and remedies of a secured party, and the Debtor shall have the rights and duties of a debtor, under the ITA, the Canada Transportation Act and under the Uniform Commercial Code (regardless of whether the Uniform Commercial Code or a law similar thereto has been enacted in a jurisdiction wherein the rights or remedies are asserted) as applicable, and the Secured Party shall have the following rights and remedies:

(a) The Secured Party shall have all the rights of a secured party under the ITA, the Canada Transportation Act and under the UCC to enforce the security interests contained herein.

(b) The Secured Party personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate

possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Debtor, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession of, remove, keep and store the Collateral, or use and operate or lease the Collateral until sold, and the Debtor shall deliver, or cause to be delivered, possession of the Equipment to the Secured Party or its agents where the same may be found or at such place or places as the Secured Party may reasonably require. Notwithstanding anything hereunder to the contrary, so long as no Event of Default has occurred and is continuing unremedied, the original Equipment Leases delivered to the Collateral Agent shall remain in escrow; provided, however, that in the event an Event of Default has occurred and is continuing, the Collateral Agent shall be required to provide to the Secured Party the original Equipment Leases, and the Debtor shall be required to provide the Secured Party with all relevant information that the Secured Party may request regarding all other leases and all other lenders, and if requested by the Secured Party and all other lenders with a security interest in any Equipment Lease, deliver such Equipment Leases to a trustee designated by the Secured Party and all the other lenders.

(c) Any Collateral repossessed by the Secured Party under or pursuant to this Section 6.01 may be sold, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Secured Party may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Secured Party or after any overhaul or repair which the Secured Party shall determine to be commercially reasonable. Any such disposition which shall be a private sale or other private proceedings permitted by such requirements shall be made upon not less than ten (10) days' written notice to Debtor specifying the times at which such disposition is to be made and the intended sale price or other consideration therefor. Any such disposition which shall be a public sale permitted by such requirements shall be made upon not less than ten (10) days' written notice to Debtor specifying the time and place of such sale and, in the absence of applicable requirements of law, shall be by public auction after publication of notice of such auction not less than ten (10) days prior thereto in two newspapers in general circulation in the City of New York. To the extent permitted by any such requirement of law, the Secured Party may itself bid for and become the purchaser of the Collateral or any item thereof, offered for sale in accordance with this Section 6.01 without accountability to Debtor (except to the extent of surplus money received as provided in Section 6.03). In the payment of the purchase price therefor, the Secured Party shall be entitled to have credit on account of the purchase price thereof of amounts owing to the Secured Party on account of the indebtedness hereby secured and the Secured Party may deliver the claims for interest on or principal of the Secured Loan or other indebtedness hereby secured in lieu of cash up to the amount that would, upon distribution of the net proceeds of such sale, be payable thereon. If, under mandatory requirements of applicable law, the Secured Party shall be required to make disposition of the Collateral within a period of time that does not permit the giving of notice to Debtor as hereinabove specified, the Secured Party need give Debtor only such notice of disposition as shall be reasonably practicable in view of such mandatory requirements of applicable law.

(d) The Secured Party may proceed to protect and enforce this Security Agreement by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the collateral or any part thereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other legal or equitable remedy available under applicable law.

(e) The Secured Party may notify the Lockbox Bank that an Event of Default or Default has occurred and is continuing in accordance with the Lockbox Documents.

(f) The Secured Party may deliver the Notices of Assignment to each of the Equipment Lessees and may take any actions it may take as the attorney-in-fact of the Guarantor under the power of attorney delivered by the Guarantor to the Secured Party pursuant to Section 3.01(i) of the Loan Agreement.

6.02 Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the property sold and shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all persons claiming the property sold, or any part thereof under, by or through the Debtor, its successors or assigns.

6.03 Application of Sale Proceeds. The proceeds of any sale of the Collateral, or any part thereof, and the proceeds of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of all costs and expenses including those of foreclosure or suit, if any, and of such sale, and of all proper expenses, liability and advances, including legal expenses and reasonable attorneys' fees, incurred or made hereunder, under the Notes, or under the Loan Agreement or the other Loan Documents, by the Secured Party or any Bank;

(b) Second, to the payment of the amounts then owing or unpaid in respect of the Notes and any other amounts owed to the Secured Party or any Bank in accordance with the provisions of the Loan Documents: and

(c) Third, to the payment of the surplus, if any, to the Debtor, its successors and assigns, or to whosoever may be lawfully entitled to receive the same.

6.04 Discontinuance of Remedies. In case the Secured Party shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then, and in every such case, the Debtor and the Secured Party shall be restored to their former positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

6.05 Cumulative Remedies. No delay or omission of the Secured Party to exercise any right or power arising from any default on the part of the Debtor, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by

the Secured Party of any such default. whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default. or to impair the rights resulting therefrom except as may be otherwise provided herein. The Secured Party may exercise any one or more or all of the remedies hereunder and no remedy is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing now or hereafter at law or in equity; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Secured Party be required to first look to. enforce or exhaust such other or additional security, collateral or guaranties.

6.06 Indemnity. The Debtor agrees to indemnify, protect and hold harmless the Secured Party, the Collateral Agent, each Bank and their respective assigns, directors, officers, employees, agents or representatives (each an "Indemnified Party") from and against all losses, damages, injuries, liabilities, claims, suits, obligations, penalties, actions, judgments, costs, interest and demands of any kind or nature whatsoever (all the foregoing losses, damages, etc. are the "indemnified liabilities"), and expenses in connection therewith (including, without limitation, the reasonable fees and disbursements of counsel for such Indemnified Party in connection with any investigative, administrative or judicial proceeding, whether or not such Indemnified Party shall be designated a party thereto, and the expenses of investigation by engineers, environmental consultants and similar technical personnel) arising out of, in connection with, or as the result of any claim for personal injury or property damage arising from the operation, use, condition, possession, storage or repossession of any of the Collateral, or any claim relating to any laws, rules or regulations, including, without limitation, environmental control, noise and pollution laws, rules or regulations governing the entering into or the performance of this Security Agreement, the Loan Agreement, the Notes, and the other Loan Documents, the enforcement of any rights thereunder, the retention by the Secured Party of a security interest in the Collateral, or arising during the period of any delivery, rejection, storage or repossession of any of the Equipment while a security interest therein remains in the Secured Party or during the period of the transfer of such security interest in the Collateral by the Secured Party pursuant to any of the provisions of this Security Agreement; provided, however, that the Debtor shall have no obligation to so indemnify any Indemnified Party for any indemnified liabilities arising solely from its willful misconduct or gross negligence. The foregoing indemnity shall survive the termination of this Security Agreement and the Loan Agreement and payment in full of the obligations.

6.07 Costs and Expenses.
