RECITALS

A. The Debtor and BA Leasing & Capital Corporation (the "Initial Lender") entered into an Assignment and Security Agreement (Chattel Mortgage) dated as of December 17, 1993 (the "Original Security Agreement") in order to secure obligations of the Debtor in connection with a Term Loan Agreement dated as of December 17, 1993 (the "Original Loan Agreement") between the Debtor and the Initial Lender.

B. The Debtor, the Initial Lender and the Trustee have entered into an Amended and Restated Term Loan Agreement dated as of December 17, 1993, as amended and restated as of December 1, 1995 (the "Restated Loan Agreement"), which, upon the effectiveness thereof as provided therein, contemplates that (i) the Original Loan Agreement will be amended and restated in the form of, and replaced by, the Restated Loan Agreement, (ii) the outstanding principal amount of the loan made by the Initial Lender under the Original Loan Agreement will continue to constitute indebtedness of the Debtor under the Restated Loan Agreement on the terms provided therein, and Initial Lender will extend additional credit to the Debtor as provided therein, (iii) the Initial Lender will release from the lien of the Original Security Agreement a portion of the Collateral (as defined therein) and assign to the Trustee the remaining rights of the Initial Lender under the Original Security Agreement and (iv) the Debtor and the Trustee will enter into an agreement in the form of this Agreement amending and restating the Original Security Agreement in order to provide security for the obligations of the Debtor.

C. The right, title and interest of the Initial Lender in, to and under the Original Security Agreement have

been assigned to the Trustee as contemplated by clause (iii) of the preceding paragraph, and the Debtor and the Trustee desire to enter into this Agreement in order to amend and restate, and replace, the Original Security Agreement, to provide for the confirmation of the continuing security interests and liens granted thereunder and assigned to the Trustee and the grant of additional liens and security interests to the Trustee as provided herein, all as security for, among other things, the Loan (as defined in the Restated Loan Agreement) to be evidenced by a promissory note or notes of the Debtor (as endorsed, supplemented or otherwise modified from time to time, the "Notes") payable to the order of the Initial Lender (or its transferee or transferees) as provided in the Restated Loan Agreement.

D. Pursuant to the Restated Loan Agreement, the Trustee, in its capacity as the trustee thereunder, has agreed to accept the trusts thereby and hereby created and the duties applicable to it set forth therein and herein and agrees to perform such duties on the terms set forth in the Restated Loan Agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

For value received and to secure (a) the prompt and complete payment when due (whether at the stated maturity, by prepayment, by acceleration or otherwise) of the unpaid principal of, premium, if any, and interest on, the Notes and (b) the due and punctual payment and performance by the Debtor of all of its obligations and liabilities arising under, out of or in connection with the Loan Documents and any other document executed and delivered in connection therewith or herewith, whether on account of principal, interest, fees, indemnities, costs, expenses or otherwise (all of the foregoing, collectively, the "Obligations"), the Debtor does hereby transfer, convey, warrant, mortgage, deliver, pledge, assign and grant to the Trustee, its successors and assigns, for the benefit of the Lenders, and their respective successors and assigns, all and singular of the Debtor's rights, title and interest in and to the properties, rights, interests and privileges, now or hereafter existing, set forth in Sections 2.02, 2.03 and 2.04 hereof and any and all Proceeds thereof (all such properties and Proceeds thereof, collectively, the "Collateral"). To the extent that the Collateral consists of Collateral as defined in, and subject to the liens and security interests of, the Original Security Agreement at the time of execution and delivery of the Assignment Agreement (the "Original Collateral"), this is a confirmation and continuation of the present and irrevocable assignment as collateral security granted under the Original Security Agreement, as security for all the Obligations, without discharging or releasing any such liens or security interests or affecting the priority thereof. To the extent that the Collateral consists of Collateral that is in addition to the Original Collateral, this is a present and irrevocable assignment as collateral security for all the Obligations. The Debtor has not delegated, nor has the Trustee assumed, any of the Debtor's obligations under any Assigned Lease. The Debtor shall continue to perform and discharge all duties, covenants, liabilities and obligations under the Assigned Leases. The Debtor shall not be relieved from any duty, debt or obligation to any lessee under an Assigned Lease as a result of such assignment. No performance or assumption by the Trustee of any obligation of the Debtor under any Assigned Lease shall release the Debtor from that obligation. The Trustee shall be subrogated to all rights of the Debtor to the extent the

Trustee shall perform or assume any of the Debtor's obligations under any Assigned Lease.

SECTION 2.02. Equipment Collateral. Collateral shall include certain railroad tank cars and covered hopper cars described on Schedule I hereto as supplemented from time to time pursuant to Section 2.05 (collectively, the "Equipment", individually, an "Item of Equipment"), together with all accessories, equipment, parts and appurtenances appertaining or attached to such Equipment, whether now owned or at any time hereafter acquired by the Debtor, and all substitutions, replacements of, and additions, improvements, accessions and accumulations to, any and all of said Equipment, together with all rents, issues, income, profits and avails therefrom, any and all Mileage Credits relating thereto and any and all Proceeds thereof.

SECTION 2.03. Rental Collateral. Collateral shall also include all right, title and interest of the Debtor in and to each and every lease (whether or not such lease is in writing or is for a term certain, including, without limitation, per diem leases), now or hereafter existing, relating to, but only to the extent relating to, the Equipment, including, without limitation, the leases specified on Schedule I hereto (each such lease, including all amendments, riders, supplements, other modifications and schedules thereto and renewals thereof, an "Assigned Lease"), and including, without limitation, subject to Section 4.01 hereof, (i) the immediate and continuing right to collect and receive any and all payments due and to become due under any Assigned Lease, whether as contractual obligations, damages or otherwise (to the extent such payments are derived from the Equipment) and all Proceeds of any thereof (such payments, the "Assigned Lease Proceeds") and (ii) the benefits of any representation, warranty, covenant, indemnity and agreement under any Assigned Lease. Subject to Section 3.03 hereof, the Debtor may assign any remaining interest under an Assigned Lease to the extent relating to any railroad tank cars and covered hopper cars not included in the Equipment.

SECTION 2.04. Additional Collateral. Collateral shall also include all collateral subjected to the security interest granted hereunder pursuant to Section 5.01(s) of the Loan Agreement.

SECTION 2.05. Schedule I. Schedule I hereto shall be deemed supplemented to identify any Item or Items of Equipment hereafter subjected to the security interest

granted hereunder, whether pursuant to Section 5.01(s) of the Loan Agreement, Section 6.02 hereof or otherwise, upon execution and delivery by the Debtor of any Supplement, or any other supplement or amendment hereto, identifying the same as subject to this Security Agreement.

ARTICLE III

Covenants

The Debtor hereby covenants and agrees with the Trustee, for the benefit of the Lenders, that, until the Obligations are paid in full:

SECTION 3.01. Maintenance of Equipment. The Debtor shall maintain and keep, or cause to be maintained and kept, each Item of Equipment in good repair, working order and condition at its own cost and expense, unless and until such Item of Equipment may become worn out, unsuitable for use, lost or destroyed; provided that any such Item of Equipment so worn out, obsolete, lost or destroyed shall be replaced with a Replacement Unit in accordance with the provisions of Sections 3.04 and 6.02 hereof.

SECTION 3.02. Maintenance of Insurance. (a) The Debtor shall maintain, or cause to be maintained, with responsible insurance companies acceptable to the Required Lenders, physical damage insurance and liability insurance, on such of its properties, in such amounts, against such risks and in such form as is customarily maintained by similar businesses, and, in any event, (i) with respect to physical damage insurance in an amount not less than the principal balance of the Loan at any time then outstanding and (ii) with respect to liability insurance in an amount not less than \$100 million, which insurance shall at all times include coverage for all liabilities covered under, and shall not include any exclusions other than those set forth in, the Debtor's policies of insurance as in effect on the Closing Date, true and complete copies of which have been certified by an Authorized Officer. For purposes of this Section 3.02(a), physical damage insurance may include a program of self-insurance for physical damage exposures and liability insurance may include a program of self-insurance for up to \$5 million of liability exposures; provided that under any such program of self-insurance, the Debtor shall maintain, or cause to be maintained, adequate reserves on its books in accordance with GAAP, if

applicable, to cover all risks not otherwise insured by an insurance company.

(b) If the Debtor maintains a program of self-insurance as permitted by Section 3.02(a) hereof, the Debtor shall, within 30 days after the end of each of its fiscal quarters, deliver to each Lender a certificate of an Authorized Officer setting forth evidence of the maintenance of such sufficient reserves as required by such Section 3.02(a) and any other financial statements or records as any Lender may require or request with respect to such program of self insurance. The Debtor shall cause the Trustee to be named as an additional insured and loss payee under policies of insurance maintained pursuant to the provisions of Section 3.02(a) and shall deliver to the Trustee and each Lender (i) on the Closing Date, evidence in form and substance satisfactory to the Required Lenders of such insurance policies and (ii) thereafter, 30 days' prior written notice before any cancelation, expiration, cessation, reduction in amount or change in coverage thereof shall become effective.

SECTION 3.03. Preservation of Collateral.

(a) The Debtor shall not create, permit, assume or suffer to exist, and shall warrant and defend the title to, and defend the Collateral against, and take such other action as is necessary to remove, any Lien on the Collateral other than (all of the Liens described in clauses (i) through (iv) below, collectively, "Permitted Liens"):

(i) the Lien and security interest created pursuant to this Security Agreement;

(ii) Liens for governmental charges or assessments arising under, out of or in connection with ERISA liability of the Debtor or any ERISA Affiliate but only to the extent such Liens are junior to the Lien and security interest created pursuant to this Security Agreement (any such Lien, an "ERISA Lien") (other than any such ERISA Lien which is the subject of a release or waiver pursuant to the Settlement Agreement or any other Settlement Document or Liens for taxes), in each case, that are not at the time delinquent or that are delinquent but the amount or validity of which is being contested in good faith by appropriate proceedings and with respect to which reserves in accordance with GAAP have been provided for on the books of the Debtor; provided that such proceeding shall suspend the collection of any such assessments, governmental charges

or taxes; and provided further that the security interest in, or any rights of the Trustee with respect to, the Collateral, or any part thereof, would not, in the sole opinion of the Required Lenders, be adversely affected or forfeited as a result of such Lien; and provided further that, with respect to any ERISA Lien, (A) each Lender shall have the right, immediately upon the creation, attachment or other establishment of such ERISA Lien, to visit and inspect during normal business hours any of the corporate books and financial records of the ERISA Affiliate so liable relevant to the imposition and/or discharge of such ERISA Lien, and to discuss the affairs, finances, accounts and any other information relevant to the imposition and/or discharge of such ERISA Lien that any such Lender deems necessary, appropriate or advisable with respect to such ERISA Affiliate and (B) such ERISA Affiliate shall furnish immediately upon the request (which need not be in writing) of any Lender, its counsel or other agent, any and all information, records and data (financial or otherwise) relevant to the imposition and/or disposition of such ERISA Lien, which information, if not publicly available, shall not be disclosed to any other Person without the consent of the Debtor (except to the Trustee or another Lender or as requested or required by a Lender's regulators or by court order); and

(iii) materialmen's, mechanics', repairmen's and other like Liens arising in the ordinary course of business securing obligations that are not more than 30 days overdue; provided that the Debtor shall not be required to discharge any Lien of the type referred to in this Section 3.03(a)(iii) if the amount or validity thereof is being contested by the Debtor in good faith by appropriate proceedings and with respect thereto adequate reserves in accordance with GAAP have been provided for on the books of the Debtor and would not, in the opinion of the Required Lenders, have an adverse effect on all or any part of the Collateral.

(b) (A) In connection with any assignment of any remaining interest under an Assigned Lease permitted by the last sentence of Section 2.03 hereof, no such assignee shall have the right to exercise any remedies under such Assigned Lease (including, without limitation, any right of termination) with respect to the Equipment and (B) the Debtor shall not sell, transfer, assign (as collateral security or otherwise) or otherwise dispose of any of the Collateral or attempt or offer to do so, or permit or suffer to be made any unauthorized or involuntary sale, transfer or

other disposition, except that, so long as no Default or Event of Default shall have occurred and be continuing or would result therefrom, the Debtor may, with the prior written consent of the Required Lenders (which shall not be unreasonably withheld), consent to an assignment by a lessee then party to an Assigned Lease of such Assigned Lease to a third party who has assumed, whether by merger, sale or otherwise, the rights and obligations of the lessee originally party to such Assigned Lease; provided that the Required Lenders shall be satisfied, in their reasonable opinion, of the creditworthiness of the lessee to which such Assigned Lease is to be assigned.

(c) The Debtor shall advise the Trustee and each Lender promptly, in reasonable detail, of any Lien or claim made or asserted against any of the Collateral and of any event affecting the Trustee's security interest in the Collateral.

SECTION 3.04. Further Assurances; Supplements; Memoranda of Leases, Memoranda of Assignment and Memoranda of Reassignment. (a) The Debtor shall, at its sole cost and expense, do, execute, acknowledge and deliver all and every further acts, supplements, memoranda, mortgages, security agreements, deeds, conveyances, transfers and assurances necessary or appropriate for the perfection and preservation of the security interest created hereby in the Collateral, whether now owned or hereafter acquired. The Debtor shall cause this Security Agreement, all Supplements hereto, all Memoranda of Lease, Memoranda of Assignment and Memoranda of Reassignment and financing and continuation statements and similar notices reasonably requested by any Lender or the Trustee or required by applicable law (and, if and only to the extent required by applicable law, the Assigned Leases) at all times to be kept, recorded and filed at no expense to the Trustee or any Lender in such manner and in such places as may be required by law in order to fully preserve and protect the rights of the Trustee in any or all of the Collateral hereunder or under any other Loan Document, including, without limitation, the filing of Uniform Commercial Code financing statements (and continuations thereof) and the filing, registration and recordation of this Security Agreement or any Supplement hereto, all Memoranda of Lease, Memoranda of Assignment and Memoranda of Reassignment (and, if and only to the extent required by law, the Assigned Leases) with the ICC and the Registrar General of Canada.

(b) Concurrently with the execution and delivery of any Supplement, Memorandum of Lease and Memorandum of Assignment (whether pursuant to Section 5.01(q) or (s) of the Loan Agreement, Section 6.02 hereof or otherwise), the Debtor shall, at its own expense, furnish to the Trustee and each Lender (i) evidence in form and substance satisfactory to the Required Lenders that (A) such Supplement, Memorandum of Lease and Memorandum of Assignment shall have been duly filed, registered and recorded with the ICC in accordance with Section 11303, Title 49 of the United States Code, and with the Registrar General of Canada, (B) all Uniform Commercial Code financing statements deemed necessary or appropriate by any Lender shall have been filed and (C) all fees, expenses and taxes in connection therewith shall have been paid or otherwise provided for, (ii) the executed legal opinions of counsel to the Debtor, addressed to the Lenders and dated the date of such Supplement, of each of the counsel identified in clauses (B), (C), (D) and (E) of Section 3.01(a)(viii) of the Loan Agreement (or other counsel to the Debtor reasonably satisfactory to the Required Lenders), which opinions shall cover the matters set forth in Exhibits D-2, D-3, D-4, D-5 and D-6, respectively, to the Loan Agreement with respect to such Supplement, Memorandum of Lease and Memorandum of Assignment and the Collateral covered by such Supplement, Memorandum of Lease and Memorandum of Assignment, (iii) such other corporate certificates or documents as the Required Lenders shall reasonably request (including, without limitation, corporate resolutions and incumbency certificates), certified as of the date of such Supplement, and (iv) evidence required pursuant to Section 3.01(a)(ix) of the Loan Agreement with respect to any Assigned Leases covered by such Supplement, Memorandum of Lease or Memorandum of Assignment. The provisions of Section 3.01(b)(i) and (ii) of the Loan Agreement shall be true and correct on and as of the date of any such Supplement, Memorandum of Lease and Memorandum of Assignment.

SECTION 3.05. Marking of Equipment. The Debtor shall not permit the identifying number of any Item of Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been delivered to each Lender and the Trustee and filed, recorded and deposited by the Debtor in all public offices where this Security Agreement and/or any Memorandum of Lease and Memorandum of Assignment shall have been filed, recorded or deposited.

[NYCORP:79369.4]

The Debtor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

SECTION 5.02. No Duty. The powers conferred on the Trustee hereunder are solely to protect its interest in the Collateral, for the benefit of the Lenders, and shall not impose any duty upon it to exercise any such powers. The Trustee shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and neither it nor any of its officers, directors, employees or agents shall be responsible to the Debtor for any act or failure to act, except for its or their own wilful misconduct or gross negligence.

ARTICLE VI

(b) In the event of a Casualty Loss with respect to any Item of Equipment, the Debtor shall promptly after receipt of notice of the same (and, in any event, not more than 10 days after the receipt of such notice) give the Trustee and each Lender written notice of such Casualty Loss, which notice shall identify the Item of Equipment that has suffered the Casualty Loss (such Item of Equipment, the "Damaged Unit").

SECTION 6.02. Replacement Unit; Prepayment of Loan. Upon the occurrence of a Casualty Loss resulting in a Damaged Unit that was, prior to such Casualty Loss, included in the Equipment, the Debtor shall, at its option, either (i) replace such Damaged Unit with a replacement unit of the same type (which shall constitute Equipment) and which has a fair market value and utility at least equal to the Value of, and which is in as good condition (in each case determined by the Required Lenders in their sole opinion) as, the Damaged Unit immediately prior to such Casualty Loss (assuming that such Damaged Unit was then in the condition required to be maintained by Section 3.01 hereof) and that is free and clear of all Liens other than Permitted Liens (such unit, the "Replacement Unit"), lease such Replacement Unit to the lessee of the Damaged Unit pursuant to the Assigned Lease under which, and on the same terms as, such Damaged Unit was leased and grant a security interest in the Replacement Unit by executing and delivering a Supplement, Memorandum of Lease and Memorandum of Assignment with respect thereto and taking all other steps necessary to subject such Replacement Unit to the lien and security interest of this Security Agreement in accordance with the provisions of Section 3.04 hereof or (ii) make a prepayment on the Loan in a principal amount equal to the Loan Value of such Damaged Unit in accordance with the provisions of Section 2.06 of the Loan Agreement. So long as no Default or Event of Default has occurred and is continuing, the Debtor shall not be required to comply with the provisions of clause (i) or (ii) of this Section 6.02 unless and until ten Items of Equipment have suffered Casualty Losses subsequent to the Closing Date (such amount, the "Maximum Number"). Within two days after the Maximum Number is reached, the Debtor shall so notify each Lender and the Trustee, and, on the next Payment Date, the Debtor shall complete either of the actions specified in clause (i) or (ii) hereof with respect to each of such Items of Equipment. Following compliance by the Debtor with clause (i) or (ii) hereof with respect to each of such Items of Equipment, the Debtor shall not be required to comply with the provisions of clause (i) or (ii) of this Section 6.02 again until the Maximum Number is again reached, at which time the Debtor shall again comply with the requirements of the immediately preceding sentence. Upon compliance by the Debtor with the provisions of Section 3.04 hereof and clause (i) of this Section 6.02 with respect to any Replacement Unit, and so long as no Default or Event of Default shall have occurred and be continuing, the Trustee shall, at the request of the Debtor, execute and deliver releases in a form reasonably satisfactory to the Debtor releasing the Damaged Unit so

replaced from the lien and security interest of this Security Agreement (without recourse to, or representation or warranty by, the Trustee), and the Debtor shall be entitled to receive and retain any and all insurance and other proceeds received from third parties in respect of such Damaged Unit free of the lien and security interest of this Security Agreement.

ARTICLE VII

Remedies

SECTION 7.01. Remedies. If an Event of Default shall have occurred and be continuing, the Trustee shall have the following remedies:

(a) All payments received by the Debtor in connection with or arising out of any of the Collateral shall be held by the Debtor in trust for the Trustee, shall be segregated from other funds of the Debtor and shall, forthwith upon receipt by the Debtor, be turned over to the Trustee, in the same form as received by the Debtor (duly endorsed by the Debtor to the Trustee, if required); any and all such payments so received by the Trustee (whether from the Debtor or otherwise) may, in the sole discretion of the Trustee, be held by the Trustee as collateral security for the Obligations, and/or then, or at any time thereafter, applied in whole or in part by the Trustee against all or any part of the Obligations then due in such order as the Trustee shall elect. Any balance of such payments held by the Trustee and remaining after payment in full of all the Obligations shall be paid over to the Debtor or to whomsoever may be lawfully entitled to receive the same.

(b) To the extent not prohibited by applicable law, the Trustee may exercise, in addition to all other rights and remedies granted to it in this Security Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the Uniform Commercial Code of any jurisdiction and under the ICA. Without limiting the generality of the foregoing, the Debtor expressly agrees that in any such event the Trustee, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon the Debtor or any other Person (all and

each of which demands, advertisements and/or notices are hereby expressly waived to the fullest extent permitted by applicable law) may, itself or by agents or attorneys, take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Debtor, with or without notice, demand, process of law or legal procedure, and search for, take possession of, remove, keep and store the Collateral, or use and operate or lease the Collateral until sold and may forthwith collect, receive, appropriate and realize upon the Collateral or any part thereof and may take possession of the Collateral and/or may sell or otherwise dispose of the Collateral as set forth in Section 7.01(c) hereof.

(c) The Trustee may forthwith sell, assign, give option or options to purchase, or sell, lease or otherwise dispose of and deliver the Collateral, or any part thereof, in any manner permitted by applicable law (or contract to do so) in one or more parcels at public or private sale or sales, at the office of any broker or at any of the Trustee's offices or elsewhere at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk, with the right of the Trustee or any Lender upon any such sale or sales, public or private, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in the Debtor (or any Person claiming by or through the Debtor the Collateral, or any part thereof, so sold), which right or equity of redemption is hereby expressly waived and released to the fullest extent permitted by applicable law. If any notification of intended disposition of any of the Collateral is required by law, such notification shall be deemed reasonably and properly given if mailed at least 10 days before such disposition, postage prepaid, addressed to the Debtor at its address set forth in Section 9.02 of the Loan Agreement. The Debtor further agrees, at the Trustee's request, to collect and make available to the Trustee the Equipment as hereinafter provided. Any Collateral repossessed by the Trustee under or pursuant to this Section 7.01 may be sold, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, in the condition in which the same existed when taken by the Trustee or after any overhaul or repair and in general in such manner, at such time or times, at such

place or places and on such terms as the Trustee may, in compliance with any applicable law, determine to be commercially reasonable. Any such sale or other disposition that shall be a private sale or other private proceedings permitted by such requirements shall be made upon not less than 10 days' written notice to Debtor specifying the time at which such disposition is to be made and the intended sale price or other consideration therefor, and shall be subject, for 10 days after the giving of such notice, to the right of the Debtor or any nominee of the Debtor to acquire the Collateral involved at a price or for such other consideration so specified. Any such disposition that shall be a public sale permitted by such requirements shall be made upon not less than 10 days' written notice to the Debtor specifying the time and place of such sale and, in the absence of any applicable law, shall be by public auction (which may, at the Trustee's option, be subject to reserve) after publication of notice of such auction not less than 10 days prior thereto in two newspapers of general circulation in the City of New York. To the extent permitted by any applicable law, the Trustee or any Lender may itself bid for and become the purchaser of the Collateral or any part thereof offered for sale in accordance with this Section 7.01(c) without accountability to the Debtor (except to the extent of any surplus received, as hereinafter provided). If, under any applicable law, the Trustee shall be required to make disposition of the Collateral within a period of time that does not permit the giving of notice to the Debtor as hereinabove specified, the Trustee need give the Debtor only such notice of disposition as shall be reasonably practicable in view of any applicable law. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the Collateral sold and shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all Persons claiming the property sold, or any part thereof under, by or through the Debtor, its successors or assigns. The Trustee may proceed to protect and enforce this Security Agreement by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Collateral of any part

thereof, or for the recovery of judgment for the indebtedness hereby secured, or for the enforcement of any other legal or equitable remedy available under applicable law.

(d) In the event that the Trustee shall request that the Equipment be collected as provided in Section 7.01(b) hereof, the Debtor shall, at its own risk and expense, (i) forthwith and in the usual manner (including, but not by way of limitation, giving prompt telegraphic and written notice to the AAR and to all railroads to which any Items of Equipment have been interchanged) place such Items of Equipment upon such storage tracks as the Trustee reasonably may designate; (ii) permit the Trustee to store such Items of Equipment on such tracks until such Items of Equipment have been sold, leased or otherwise disposed of by the Trustee; and (iii) transport the same to any connecting carrier for shipment, all as directed by the Trustee. The assembling, delivery, storage and transporting of the Equipment as herein provided shall be at the expense and risk of the Debtor and are of the essence of this Security Agreement, and upon application to any court of equity having jurisdiction in the premises the Trustee shall be entitled to a decree against the Debtor requiring specific performance of the covenants of the Debtor so to assemble, deliver, store and transport the Equipment. During any storage period, the Debtor shall, at its own cost and expense, maintain and keep the Equipment in good order and repair and will permit the Trustee, any Lender or any Person designated by it, including the authorized representative or representatives of any prospective purchaser, lessor or manager of any Item of Equipment, to inspect the same. The Debtor hereby expressly waives any and all claims against the Trustee, any Lender and its agent or agents for damages of whatsoever nature in connection with any retaking of any Item of Equipment in any reasonable manner.

(e) Beyond the use of reasonable care in the custody thereof, the Trustee shall not have any duty as to any Collateral in its possession or control or in the possession or control of any agent or nominee of it or as to any income thereon.

SECTION 7.02. Application of Proceeds. The Trustee shall apply the net proceeds of any collection, recovery, receipt, appropriation, realization or sale, as well as any cash deposited with, or the proceeds of any drawing upon any letter of credit delivered to, the Trustee as contemplated by clause (iii) of Section 5.01(s) of the Loan Agreement, as follows:

(a) First, to the payment of all costs and expenses of every kind incurred therein (whether by the Trustee or any Lender) or incidental to the care, safekeeping, or otherwise of any or all of the Collateral or in any way relating to the rights of the Trustee or any Lender hereunder or under the Loan Agreement, including attorneys' fees and expenses (including the allocated time charges of internal counsel to any Lender), and of all taxes, assessments or liens superior to or pari passu with the Lien and security interest created hereby except any taxes, assessments or other liens subject to which any such collection, recovery, receipt, appropriation, realization or sale may have been made;

(b) Second, to the payment in whole or in part of the Obligations, in such order as the Required Lenders may elect (but in any event ratably among the Lenders in respect of Obligations of a common type, unless otherwise agreed by all the Lenders), the Debtor remaining liable for any deficiency remaining unpaid after such application; and

(c) Third, only after so applying the net proceeds and after the payment made by the Trustee of any other amount required to be made pursuant to any applicable law, including Section 9-504(1)(c) of the UCC, to the Debtor.

To the fullest extent permitted by applicable law, the Debtor waives all claims, damages and demands against the Trustee and each Lender arising out of the repossession, retention or sale of the Collateral. The Debtor shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all amounts to which the Trustee and each Lender is entitled, the Debtor also being liable for the fees of any attorneys employed by the Trustee or any Lender to collect such deficiency. The Debtor hereby waives presentment, demand, protest and any notice (to the fullest extent permitted by

applicable law) of any kind in connection with this Security Agreement or any Collateral.

SECTION 7.03. Discontinuance of Remedies. In case the Trustee shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then, and in every such case, the Debtor and the Trustee shall be restored to their former positions and rights hereunder with respect to the Collateral.

ARTICLE VIII

Miscellaneous

SECTION 8.01. Binding Effect. This Security Agreement shall be binding upon and inure to the benefit of the Debtor, the Trustee, each Lender and their respective successors and assigns.

SECTION 8.02. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Trustee or any Lender, any right, power or privilege under this Security Agreement, any Supplement or any other Loan Document or any of the Collateral shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided herein and therein are cumulative and not exclusive of any rights or remedies provided by law.

SECTION 8.03. Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected.

SECTION 8.04. Notices, Etc. All notices, requests and demands to or upon the respective parties hereto, except as shall be otherwise expressly provided herein, shall be effective as set forth in Section 9.02 of the Loan Agreement.

SECTION 8.05. Release and Termination. At the sole expense of the Debtor, the Trustee shall release the lien and security interest created pursuant to this Security Agreement by proper instrument or instruments upon payment in full, or other satisfaction of, the Obligations, whereupon this Security Agreement shall terminate.

SECTION 8.06. Governing Law. This Security Agreement and the rights and obligations of the parties hereunder shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York; provided that the parties hereto shall be entitled to all rights conferred by Section 11303, Title 49 of the United States Code and such additional rights arising out of the filing, registration, recording or deposit of this Security Agreement or any Supplement hereto pursuant thereto.

SECTION 8.07. Counterparts. This Security Agreement may be executed in any number of counterparts, each executed counterpart constituting an original, but all of such counterparts all together shall be deemed to constitute one and the same instrument.

SECTION 8.08. Rights and Duties of Trustee. The rights and duties of the Trustee under this Security Agreement are subject to all the terms and conditions of Article VIII of the Loan Agreement.

SECTION 8.09. Headings. The headings of the sections of this Security Agreement are for purposes of convenience only and shall not be construed to affect the meaning or construction of any of the provisions hereof.

SECTION 8.10. Original Security Agreement.
(a) Unless and until the amendment and restatement of the Original Security Agreement in the form of this Agreement becomes effective, the Original Security Agreement shall remain in effect in accordance with the terms thereof and shall not be affected by this Agreement, and the Debtor's obligations in respect of the security interests created thereby shall be governed by the Original Security Agreement and the documents referred to therein. Upon the effectiveness of the amendment and restatement of the Original Security Agreement in the form of this Agreement, the Original Security Agreement shall be deemed replaced by this Agreement.

(b) Neither this Agreement nor the effectiveness hereof nor the execution and delivery of the Assignment Agreement, the Restated Loan Agreement or any other Loan Document shall be construed to discharge or release any lien or security interest granted under the Original Security Agreement (except as expressly released on the Closing Date pursuant to the Assignment Agreement) or affect the priority of any such lien or security interest.

IN WITNESS WHEREOF, the parties hereto have caused this Security Agreement to be executed and delivered by their proper and duly authorized officers as of the date first above written.
