Dear Mr. Williams:

On behalf of The First National Bank of Boston ("Bank"), I submit for filing and recording under 49 U.S.C. § 11303 and the regulations promulgated thereunder, counterparts of a secondary document, not previously recorded, entitled Termination and Release of Security Interest which is a partial release of collateral ("Partial Release"), executed as of May 3, 1995.

The party to the enclosed Partial Release is:

The First National Bank of Boston
100 Federal Street
Boston, MA 02110

RELEASING PARTY

The said Partial Release releases all right, title and interest of Bank from and under that certain Security Agreement, ONLY as to that one (1) unit of Autorack Equipment (a flatcar together with an autorack attached and identified under a single identification number as one integral unit) as so identified in the Partial Release under Attachment A thereto. Said Security Agreement was filed and recorded with the Interstate Commerce Commission under Recordation No. 18901 (the one instant unit, among others, being specifically encumbered thereunder by that certain Fourth Amendment to Security Agreement recorded under Recordation No. 18901-G), and the Partial Release should be recorded under the next available letter under Recordation No. 18901, which we believe is -K.

The unit of equipment covered by the enclosed Partial Release is one unit of Autorack Equipment identified in Attachment A to the Partial Release.

A short summary of the Partial Release to appear in the ICC Index is as follows:

"Release of one unit of Autorack Equipment identified as GTW 311185 (a flat car together with an autorack attached and identified under a single identification number as one integral unit)."

Enclosed is a check in the amount of twenty one dollars (\$21.00) in payment of the filing fee.
