Unless and until there shall have occurred and be continuing (i) a Bankruptcy Event or (ii) any other General Event of Default, but in the case of this clause (ii) only to the extent the Collateral Agent has so notified the Company, and to the extent the Collateral has not previously been applied pursuant to Article VIII hereof, the Cash Collateral Sub-Agent will (and after the occurrence and during the continuance

of (i) a Bankruptcy Event or (ii) any other General Event of Default, but in the case of clause (ii) only to the extent the Collateral Agent has so notified the Company) the Cash Collateral Sub-Agent may only if directed by the Collateral Agent (acting pursuant to a Direction Notice) from time to time, at the request of the Company, invest funds on deposit in the Cash Concentration Account in Permitted Investments. All investments made pursuant to this Section 2.11 (and any instruments evidencing same), and all proceeds thereof, shall be held in the Cash Concentration Account as part of the Collateral. All such investments shall be made in the name of the Cash Collateral Sub-Agent for the benefit of the Collateral Agent and the Secured Creditors. All risk of loss in respect of investments made pursuant to this Section 2.11 shall be on the Company.

2.12. Withdrawals and Applications from the Cash Concentration Account. (a) To the extent the Collateral has not previously been applied pursuant to Article VIII hereof, the Company shall have the right to withdraw amounts from the Cash Concentration Account from time to time for its general business purposes; provided that upon the occurrence and continuance of (i) a Bankruptcy Event or (ii) any other General Event of Default, but in the case of clause (ii) only to the extent the Collateral Agent has so notified the Company, the Company shall no longer be able to withdraw amounts from the Cash Concentration Account and the Cash Collateral Sub-Agent shall then have the right acting upon the instruction of the Collateral Agent (acting pursuant to a Direction Notice) to make withdrawals from time to time from the Cash Concentration Account and liquidate any Permitted Investments.

(b) Collateral may only be withdrawn by the Company from the Cash Concentration Account at the times set forth in clause (a) of this Section 2.12 and Collateral shall remain in the Cash Concentration Account until (x) such Collateral is so withdrawn, (y) such Collateral is applied as provided by Article VIII hereof or (z) such Collateral is released as provided in Section 10.9 hereof.

(c) Notwithstanding anything to the contrary contained in the preceding Section 2.12(a), all Collateral in the Cash Concentration Account shall be subject, at any time when there shall have occurred and be continuing any General Event of Default, to any prior application provided by Article VIII hereof.

2.13. The Cash Collateral Sub-Agent, etc. The Cash Collateral Sub-Agent shall be entitled to all of the benefits of

Articles VII and IX hereof as if specifically referenced therein, subject to the limitations contained therein.

3.2. Maintenance of Records. The Company will keep and maintain at its own cost and expense satisfactory and complete records of its Receivables and Contracts, including, but not limited to, the originals of all documentation (including each Contract) with respect thereto, records of all payments received, all credits granted thereon, all merchandise returned and all other dealings therewith, and the Company will make the same available to the Collateral Agent for inspection, at the Company's own cost and expense, at any and all reasonable times and if no General Event of Default has occurred and is continuing upon reasonable prior written notice. At any time that there

shall have occurred and be continuing (i) a Bankruptcy Event or (ii) any other General Event of Default, but in the case of this clause (ii) only to the extent the Collateral Agent has so notified the Company, and in each case the Company shall, at its own cost and expense, deliver all tangible evidence of its Receivables and Contract Rights (including without limitation copies of all documents evidencing the Receivables and all Contracts, such copies, if requested by the Collateral Agent, to be certified as true and complete by an appropriate officer of the Company) and such books and records to the Collateral Agent or to its representatives (copies of which evidence and books and records may be retained by the Company). In the event that there shall have occurred and be continuing (i) a Bankruptcy Event or (ii) any other General Event of Default, but in the case of this clause (ii) only to the extent the Collateral Agent (acting at the direction of the Requisite Percentage) has so notified the Company, the Company shall legend the Receivables and Contracts, as well as books, records and documents of the Company evidencing or pertaining to such Receivables with an appropriate reference to the fact that such Receivables and Contracts have been assigned to the Collateral Agent and that the Collateral Agent has a security interest therein.

3.3. Direction to Account Debtors; Contracting Parties; etc. In the event that there shall have occurred and be continuing (i) a Bankruptcy Event or (ii) any other General Event of Default, but in the case of this clause (ii) only to the extent the Collateral Agent (acting pursuant to a Direction Notice) has so notified the Company, the Company agrees (x) to direct all account debtors to make all payments on account of the Receivables and Contracts to be made directly to the Cash Concentration Account and (y) that the Collateral Agent may, at its option, directly notify the obligors with respect to any Receivables and/or under any Contracts to make payments with respect thereto as provided in the preceding clause (x). Without notice to or assent by the Company, the Cash Collateral Sub-Agent at the direction of the Collateral Agent (acting pursuant to a Direction Notice) may apply any or all amounts then in, or thereafter deposited in, the Cash Concentration Account at such times and in the manner provided in Section 8.4 of this Agreement. The costs and expenses (including reasonable attorneys' fees) of collection, whether incurred by the Company, the Cash Collateral Sub-Agent or the Collateral Agent, shall be borne by the Company.

3.4. Modification of Terms, etc. Except in the ordinary course of business, the Company shall not rescind or cancel any indebtedness evidenced by any Receivable or under any

Contract, or modify any material term thereof or make any material adjustment with respect thereto, or extend or renew the same, or compromise or settle any material dispute, claim, suit or legal proceeding relating thereto, or sell any Receivable, or Contract, or interest therein. The Company will duly fulfill all obligations on its part to be fulfilled under or in connection with the Receivables and Contracts and will do nothing to impair the rights of the Collateral Agent in the Receivables or Contracts.

3.5. Instruments. If the Company owns or acquires any Instruments constituting Collateral and representing Indebtedness in an aggregate principal amount of more than $50,000 and such Instruments are not otherwise pledged under another Security Document, the Company will within sixty (60) days notify the Collateral Agent thereof, and upon request by the Collateral Agent promptly deliver such Instruments to the Collateral Agent appropriately endorsed to the order of the Collateral Agent as further security hereunder.

4.2. Future Registered Marks. If any Mark registration issues hereafter to the Company as a result of any application now or hereafter pending before the United States Patent and Trademark Office, within sixty (60) days of receipt of such certificate the Company shall deliver a copy of such certificate, and a grant of security in such Mark to the Collateral Agent, confirming the grant thereof hereunder, the form of such confirmatory grant to be substantially the same as the form hereof.

The Company represents and warrants that it owns or is licensed to practice under all Patents and Copyrights that it now owns, uses or practices under. 5.2. Other Patents and Copyrights. Within sixty (60) days of acquisition of a United States Patent or Copyright, or of filing of an application for a United States Patent or Copyright, the Company shall deliver to the Collateral Agent a copy of said Patent or Copyright, as the case may be, with a grant of security as to such Patent or Copyright, as the case may be, confirming the grant thereof hereunder, the form of such confirmatory grant to be substantially the same as the form hereof.

5.3. Remedies. In the event that there shall have occurred and be continuing (i) a Bankruptcy Event or (ii) any other General Event of Default, but in the case of this clause (ii) only to the extent the Collateral Agent has so notified the Company, the Collateral Agent may, by written notice to the Company, take any or all of the following actions: (x) declare the entire right, title, and interest of the Company in each of the Patents and Copyrights vested, in which event such right, title, and interest shall immediately vest in the Collateral Agent for the benefit of the Secured Creditors, in which case the Collateral Agent shall be entitled to exercise the power of attorney referred to in Section 5.1 hereof to execute, cause to be acknowledged and notarized and record said absolute assignment with the applicable agency; (y) take and practice or sell the Patents and Copyrights; and (z) direct the Company to refrain, in which event the Company shall refrain, from practicing the Patents and Copyrights directly or indirectly, and the Company shall execute such other and further documents as the Collateral Agent may request further to confirm this and to transfer

ownership of the Patents and Copyrights to the Collateral Agent for the benefit of the Secured Creditors.

ARTICLE VI

PROVISIONS CONCERNING ALL PLEDGED PROPERTY

6.1. Delivery of Pledged Property. All certificates or instruments representing or evidencing all Pledged Shares set forth on Annex K shall be delivered to and held by or on behalf of the Collateral Agent pursuant hereto, shall be in suitable form for transfer by delivery, and shall be accompanied by all necessary instruments of transfer or assignment, duly executed in blank.

6.2. Dividends on Pledged Shares. In the event that any Dividend is to be paid on any Pledged Share, such Dividend may be paid directly to the Company. Upon the occurrence and during the continuance of (i) a Bankruptcy Event or (ii) any other General Event of Default, but in the case of this clause (ii) only to the extent the Collateral Agent has so notified the Company, then and in every such case, any such Dividend shall be paid directly to the Collateral Agent in accordance with Section 6.6(a).

6.3. Special Representations. (a) All of the Pledged Shares are duly authorized and validly issued, fully paid, and non-assessable, and constitute all of the issued and outstanding shares of Capital Stock of each Pledged Share Issuer. The Company has no Restricted Subsidiaries other than the Pledged Share Issuers.

(b) No authorization, approval, or other action by, and no notice to or filing with, any Governmental Authority, or any other Person is required for the exercise by the Collateral Agent of the voting or other rights provided for in this Agreement, except in connection with a disposition of the Pledged Shares as may be required by laws affecting the offering and sale of securities generally.

6.4. Stock Powers, etc. The Company agrees that all Pledged Shares (and all other shares of Capital Stock constituting Collateral) delivered by the Company pursuant to this Agreement will be accompanied by duly executed undated blank stock powers, or other equivalent instruments of transfer acceptable to the Collateral Agent. The Company will, from time to time upon the request of the Collateral Agent, promptly

deliver to the Collateral Agent such stock powers, instruments, and similar documents, satisfactory in form and substance to the Collateral Agent, with respect to the Collateral as the Collateral Agent may reasonably request and will, from time to time upon the request of the Collateral Agent after the occurrence of any General Event of Default, promptly transfer any Pledged Shares or other shares of Capital Stock constituting Collateral into the name of any nominee designated by the Collateral Agent.

6.5. Continuous Pledge. The Company will, at all times, keep pledged to the Collateral Agent pursuant hereto all Pledged Shares and all other shares of Capital Stock constituting Collateral, all Dividends and Distributions with respect thereto, and all other Collateral and other securities, instruments, proceeds, and rights from time to time received by or distributable to the Company in respect of any Collateral.

6.6. Voting Rights; Dividends, etc. The Company agrees:

(a) upon the occurrence and during the continuance of (i) a Bankruptcy Event or (ii) any other General Event of Default, but in the case of this clause (ii) only to the extent the Collateral Agent has so notified the Company, then and in every such case, to deliver (properly endorsed where required hereby or requested by the Collateral Agent) to the Collateral Agent all Dividends, all Distributions, all other cash payments, and all proceeds of the Pledged Property, all of which shall be held by the Collateral Agent in accordance with Section 4 of the Intercreditor Agreement; and

(b) after any General Event of Default shall have occurred and be continuing and the Collateral Agent has notified the Company of the Collateral Agent's intention to exercise its voting power under this Section 6.6(b):

(i) the Collateral Agent may exercise (to the exclusion of the Company) the voting power and all other incidental rights of ownership with respect to any Pledged Shares or other shares of Capital Stock constituting Collateral and the Company hereby grants the Collateral Agent an irrevocable proxy, exercisable under such circumstances, to vote the Pledged Shares and such other Collateral; and

(ii) promptly to deliver to the Collateral Agent such additional proxies and other documents as may

be necessary to allow the Collateral Agent to exercise such voting power.

All Dividends, Distributions, cash payments, and proceeds which may at any time and from time to time be held by the Company but which the Company is then obligated to deliver to the Collateral Agent, shall, until delivery to the Collateral Agent, be held by the Company separate and apart from its other property in trust for the Collateral Agent. The Collateral Agent agrees that unless a General Event of Default shall have occurred and be continuing and the Collateral Agent shall have given the notice referred to in clause (b), the Company shall have the exclusive voting power with respect to any shares of Capital Stock (including any of the Pledged Shares) constituting Pledged Property and the Collateral Agent shall, upon the written request of the Company, promptly deliver such proxies and other documents, if any, as shall be reasonably requested by the Company which are necessary to allow the Company to exercise voting power with respect to any such share of Capital Stock (including any of the Pledged Shares) constituting Pledged Property; provided, however, that no vote shall be cast, or consent, waiver, or ratification given, or action taken by the Company that would impair any Collateral or be inconsistent with or violate any provision of the Note Agreements, the Credit Agreement, any Parity Debt Agreement or any Financing Agreement.

ARTICLE VII

PROVISIONS CONCERNING ALL COLLATERAL

7.1. Protection of Collateral Agent's Security. The Company will do nothing to impair the rights of the Collateral Agent in the Collateral in a manner that is inconsistent with the terms of the Note Agreements, the Credit Agreement, any Parity Debt Agreement and any other Financing Agreements. The Company will at all times keep its Inventory and Equipment (including the Railcars and Vehicles) insured in conformity with the provisions of the Intercreditor Agreement, in favor of the Collateral Agent, at the Company's own expense. The Company assumes all liability and responsibility in connection with the Collateral acquired by it and the liability of the Company to pay its Obligations shall in no way be affected or diminished by reason of the fact that such Collateral may be lost, destroyed, stolen, damaged or for any reason whatsoever unavailable to the Company.

7.2. Warehouse Receipts Non-negotiable. The Company agrees that if any warehouse receipt or receipt in the nature of a warehouse receipt is issued with respect to any of its Inventory, such warehouse receipt or receipt in the nature thereof shall not be "negotiable" (as such term is used in section 7-104 of the Uniform Commercial Code as in effect in any relevant jurisdiction or under other relevant law).

7.3. Further Actions. The Company will, at its own expense, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent from time to time such lists, descriptions and designations of its Collateral, bills of lading, documents of title (including without limitation original certificates of title, and other registrations with respect to the Vehicles), vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, powers of attorney, certificates, reports and other assurances or instruments and take such further steps relating to the Collateral and other property or rights covered by the security interest hereby granted, which the Collateral Agent deems reasonably appropriate or advisable to perfect, preserve or protect its security interest in the Collateral.

7.4. Further Assurances. Subject to the provisions set forth in Section 2.7 hereof, the Company agrees to execute and deliver to the Collateral Agent such financing statements or certificates of title, in form acceptable to the Collateral Agent, as the Collateral Agent may from time to time reasonably request or as are necessary or desirable in the reasonable opinion of the Collateral Agent to establish and maintain a valid, enforceable, first priority security interest in the Collateral as provided herein and the other rights and security contemplated hereby all in accordance with the Uniform Commercial Code as enacted in any and all relevant jurisdictions or any other relevant law. The Company will pay any applicable filing fees and related expenses. The Company authorizes the Collateral Agent to file any such financing statements without the signature of the Company where permitted by law. The Company further agrees to, at any time and from time to time, at its own expense, promptly execute and deliver all further agreements, instruments and other documents and take all further action that may be necessary or that the Collateral Agent may reasonably request in order to perfect and protect the security interest purported to be created hereby or otherwise to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder.

7.5. Contracts. In the case of any Contract entered into by it after the date hereof, the Company shall use

commercially reasonable efforts (not involving the payment of any additional consideration) to obtain the consents of any necessary parties to the collateral assignment of such Contract by the Company to the Collateral Agent pursuant to this Agreement; provided, however, that the Company shall be required to use its best efforts to obtain such consents if (i) the failure to so collaterally assign such a Contract would (together with any other failures to collaterally assign Contracts under this Section 7.5) result in a Material Adverse Effect or (ii) the benefits of such Contracts, taken as a whole, are necessary in any material way in the operation of the Business (excluding equipment leases and service contracts that relate to equipment and services generally available upon payment of standard rents and fees).

ARTICLE VIII

REMEDIES UPON OCCURRENCE OF GENERAL EVENT OF DEFAULT

8.1. Remedies; Obtaining the Collateral Upon Default. The Company agrees that, in the event that there shall have occurred and be continuing (i) a Bankruptcy Event or (ii) any other General Event of Default, but in the case of this clause (ii) only to the extent the Collateral Agent (or in the case of clause (c) below the Cash Collateral Sub-Agent acting upon instructions from the Collateral Agent (acting pursuant to a Direction Notice)) has so notified the Company, then and in every such case, subject to any mandatory requirements of applicable law then in effect, the Collateral Agent, in addition to any rights now or hereafter existing under applicable law, shall have all rights as a secured creditor under the Uniform Commercial Code in all relevant jurisdictions and may also:

(a) personally, or by agents or attorneys, immediately take possession of the Collateral or any part thereof, from the Company or any other Person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter upon the Company's premises where any of the Collateral is located and remove the same and use in connection with such removal any and all services, supplies, aids and other facilities of the Company; and

(b) instruct the obligor or obligors on any agreement, instrument or other obligation (including without limitation the Receivables and the Contracts) constituting the Collateral to make any payment required by the terms of

such agreement, instrument or other obligation directly to the Collateral Agent and may exercise any and all remedies of the Company in respect of such Collateral; and

(c) withdraw all monies, securities and instruments in the Cash Concentration Account and liquidate any or all Permitted Investments for application to the Obligations in accordance with Section 8.4 hereof; and

(d) sell, assign or otherwise liquidate, or direct the Company to sell, assign or otherwise liquidate, any or all of the Collateral or any part thereof, and take possession of the proceeds of any such sale, assignment or liquidation; and

(e) take possession of the Collateral or any part thereof, by directing the Company in writing to deliver the same to the Collateral Agent at any place or places designated by the Collateral Agent, in which event the Company shall at its own expense:

(i) forthwith cause the same to be moved to the place or places so designated by the Collateral Agent and there delivered to the Collateral Agent,

(ii) store and keep any Collateral so delivered to the Collateral Agent at such place or places pending further action by the Collateral Agent as provided in Section 8.2 hereof, and

(iii) while the Collateral shall be so stored and kept, provide such guards and maintenance services as shall be necessary to protect the same and to preserve and maintain them in good condition; and

(f) license or sublicense, whether on an exclusive or nonexclusive basis, any Marks, Patents or Copyrights included in the Collateral for such term and on such conditions and in such manner as the Collateral Agent shall in its sole judgment determine;

it being understood that the Company's obligation so to deliver the Collateral is of the essence of this Agreement and that, accordingly, upon application to a court of equity having jurisdiction, the Collateral Agent shall be entitled to a decree requiring specific performance by the Company of said obligation.

8.2. Remedies; Disposition of the Collateral. Any Collateral repossessed by the Collateral Agent under or pursuant to Section 8.1 hereof and any other Collateral whether or not so repossessed by the Collateral Agent, may be sold, assigned, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Collateral Agent may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Collateral Agent or after any overhaul or repair which the Collateral Agent (acting pursuant to a Direction Notice) shall determine to be commercially reasonable. Any such disposition which shall be a private sale or other private proceedings permitted by such requirements shall be made upon not less than 10 days' written notice to the Company specifying the time at which such disposition is to be made and the intended sale price or other consideration therefor, and shall be subject, for the 10 days after the giving of such notice, to the right of the Company or any nominee of the Company to acquire the Collateral involved at a price or for such other consideration at least equal to the intended sale price or other consideration so specified. Any such disposition which shall be a public sale permitted by such requirements shall be made upon not less than 10 days' written notice to the Company specifying the time and place of such sale and, in the absence of applicable requirements of law, shall be by public auction (which may, at the Collateral Agent's option (acting pursuant to a Direction Notice), be subject to reserve), after publication of notice of such auction not less than 10 days prior thereto in two newspapers of general circulation in the City of New York. To the extent permitted by any such requirement of law, the Collateral Agent may bid for and become the purchaser of the Collateral or any item thereof, offered for sale in accordance with this Section without accountability to the Company (except to the extent of surplus money received as provided in Section 8.4 hereof). If, under mandatory requirements of applicable law, the Collateral Agent shall be required to make disposition of the Collateral within a period of time which does not permit the giving of notice to the Company as hereinabove specified, the Collateral Agent need give the Company only such notice of disposition as shall be reasonably practicable in view of such mandatory requirements of applicable law. The Company agrees to do or cause to be done all such other acts and things as may be reasonably necessary to make such sale or sales of all or any portion of the Collateral valid and binding and in compliance with any and all applicable laws,

regulations, orders, writs, injunctions, decrees or awards of any and all courts, arbitrators or governmental instrumentalities, domestic or foreign, having jurisdiction over any such sale or sales, all at the Company's expense.

8.3. Waiver of Claims. Except as otherwise provided in this Agreement, THE COMPANY HEREBY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, NOTICE AND JUDICIAL HEARING IN CONNECTION WITH THE COLLATERAL AGENT'S TAKING POSSESSION OR THE COLLATERAL AGENT'S DISPOSITION OF ANY OF THE COLLATERAL, INCLUDING, WITHOUT LIMITATION, ANY AND ALL PRIOR NOTICE AND HEARING FOR ANY PREJUDGMENT REMEDY OR REMEDIES AND ANY SUCH RIGHT WHICH THE COMPANY WOULD OTHERWISE HAVE UNDER THE CONSTITUTION OR ANY STATUTE OF THE UNITED STATES OR OF ANY STATE, and the Company hereby further waives, to the extent permitted by law and except as otherwise provided in this Agreement:

(a) all damages occasioned by such taking of possession except any damages which are the result of the Collateral Agent's gross negligence or willful misconduct;

(b) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent's rights hereunder; and

(c) all rights of redemption, appraisement, valuation, stay, extension or moratorium now or hereafter in force under any applicable law in order to prevent or delay the enforcement of this Agreement or the absolute sale of the Collateral or any portion thereof, and the Company, for itself and all who may claim under it, insofar as it or they now or hereafter lawfully may, hereby waives the benefit of all such laws.

Any sale of, or the grant of options to purchase, or any other realization upon, any Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the Company therein and thereto, and shall be to the extent permitted by applicable law a perpetual bar both at law and in equity against the Company and against any and all Persons claiming or attempting to claim the Collateral so sold, optioned or realized upon, or any part thereof, from, through and under the Company.

8.4. Application of Proceeds. The proceeds of any Collateral obtained pursuant to Section 8.1 or disposed of pursuant to Section 8.2 and all other moneys collected by the

Collateral Agent hereunder shall be applied in the manner provided in Section 4 of the Intercreditor Agreement.

8.5. Remedies Cumulative. Each and every right, power and remedy hereby specifically given to the Collateral Agent shall be in addition to every other right, power and remedy specifically given under this Agreement, the Intercreditor Agreement, the other Security Documents, the Note Agreements, the Notes, the Credit Agreement, the Bank Notes, the Parity Debt, the Parity Debt Agreements or now or hereafter existing at law or in equity, or by statute and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time or simultaneously and as often and in such order as may be deemed expedient by the Collateral Agent. All such rights, powers and remedies shall be cumulative and the exercise or the beginning of exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Collateral Agent in the exercise of any such right, power or remedy, nor any course of dealing between the Company and the Collateral Agent, nor any renewal or extension of any of the Obligations shall impair any such right, power or remedy or shall be construed to be a waiver of any General Default or General Event of Default or an acquiescence therein. No notice to or demand on the Company in any case shall entitle the Company to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Collateral Agent to any other further action in any circumstances without notice or demand. In the event that the Collateral Agent shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Collateral Agent may recover reasonable expenses, including attorneys' fees, and the amounts thereof shall be included in such judgment.

8.6. Discontinuance of Proceedings. In case the Collateral Agent shall have instituted any proceeding to enforce any right, power or remedy under this Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason prior to judgment, then and in every such case the Company, the Collateral Agent and each holder of any of the Obligations, unless they agree in writing to the contrary, shall be restored to their former positions and rights hereunder with respect to the Collateral subject to the security interest created under this Agreement, and all rights, remedies and powers of the Collateral Agent shall continue as if no such proceeding had been instituted.

ARTICLE IX

INDEMNITY

9.1. Indemnity. (a) The Company agrees to indemnify, reimburse and hold the Collateral Agent, each Secured Creditor and their respective successors, assigns, directors, trustees, officers, employees and agents (hereinafter in this Section 9.1 referred to individually as "**Indemnitee**," and collectively as "**Indemnitees**") harmless from any and all liabilities, obligations, damages, injuries, penalties, claims, demands, actions, suits, judgments and any and all reasonable out of pocket costs and expenses (including reasonable attorneys' fees and expenses (including the allocated costs of internal counsel and all disbursements thereto)) (for the purposes of this Section 9.1 the foregoing are collectively called "expenses") of whatsoever kind and nature imposed on, asserted against or incurred by any of the Indemnitees in any way relating to or arising out of this Agreement, any other Security Document, any Note Agreement, any Note, the Credit Agreement, any Bank Note, any other Financing Agreement, any Parity Debt, any Parity Debt Agreement or any other document described in any such document and in any other way connected with the administration of the transactions contemplated hereby and thereby or the enforcement of any of the terms of, or the preservation of any rights under any thereof, or in any way relating to or arising out of the manufacture, ownership, ordering, purchase, delivery, control, acceptance, lease, financing, possession, operation, condition, sale, return or other disposition, or use of the Collateral (including without limitation latent or other defects, whether or not discoverable), the violation of the laws of any country, state or other governmental body or unit, any tort (including without limitation claims arising or imposed under the doctrine of strict liability, or for or on account of injury to or the death of any Person (including any Indemnitee), or property damage), or contract claim; provided that no Indemnitee shall be indemnified pursuant to this Section 9.1(a) for losses, damages or liabilities to the extent caused by the gross negligence or willful misconduct of such Indemnitee. The Company agrees that upon written notice by any Indemnitee of the assertion of such a liability, obligation, damage, injury, penalty, claim, demand, action, judgment or suit, the Company shall assume full responsibility for the defense thereof. Each Indemnitee agrees to use its best efforts to promptly notify the Company of any such assertion of which such Indemnitee has knowledge.
