Schedule X -- Definitions

Exhibit A -- Form of Lease and Indenture Supplement
Schedule 1 -- Rail Equipment
Schedule 2 -- Basic Rent
Schedule 3 -- Stipulated Loss Value
Schedule 4 -- Termination Value

LEASE AGREEMENT dated as of September 1, 1990 between WILMINGTON TRUST COMPANY, a banking corporation organized under the laws of the State of Delaware, not in its individual capacity but solely as trustee under the Trust Agreement (as defined in Schedule X hereto) (the "Lessor"), and CSX TRANSPORTATION, INC., a Virginia corporation (the "Lessee").

The Lessor and the Lessee agree as follows:

SECTION 1. Definitions. The following terms shall have the following meanings for all purposes of this Lease:

(a) unless otherwise expressly provided, all references herein to Sections or other subdivisions refer to the corresponding Sections and other subdivisions of this Lease;

(b) the terms "hereof," "herein," "hereby," "hereto," "hereunder," "hereinafter" and "herewith" refer to this Lease; and

(c) all terms used herein which are defined in or by reference in Schedule X hereto (including all terms defined by reference therein to other instruments or to Sections and other subdivisions of this Lease) shall have the respective meanings stated or referred to in said Schedule X.

SECTION 2. Purchase and Lease; Renewal Terms; Return; Purchase Options.

(a) Purchase and Lease. Effective on the Closing Date, if the conditions set forth in Section 5 of the Participation Agreement have been satisfied or waived, (i) the Lessor shall purchase from the Seller the Rail Equipment described in the Bill of Sale and shall be deemed to have accepted delivery of such Rail Equipment from the Seller, (ii) the Lessee shall be deemed to have accepted delivery of such Rail Equipment hereunder, (iii) the Lessor shall lease such Rail Equipment to the Lessee and the Lessee shall lease such Rail Equipment from the Lessor under this Lease for the Rent and Lease Term hereinafter in this Lease stipulated (subject to the exercise by the Lessee of its renewal option or options as provided herein for one or more Renewal Terms and upon the terms and conditions herein set forth) and (iv) the Lessor and the Lessee shall conclusively evidence that such Rail Equipment have been made subject to this Lease by executing and delivering a Lease and Indenture Supplement substantially in the form attached as Exhibit A hereto covering the Rail Equipment so purchased and leased.

(b) Renewal Terms. Provided that no Economic Default or Event of Default shall have occurred and then be continuing, the Lessee shall be entitled to renew this Lease on the last day of the Basic Term or any Renewal Term then in effect, pursuant to the following terms and conditions with respect to either (x) all of the Units then being leased under this Lease, or (y) not less than 25% and not more than 75%, randomly selected, of the original number of Units on the Closing Date, for one or more Renewal Terms commencing on the first day following the end of the Basic Term or any Renewal Term for which a renewal has been effected (each a "Renewal Term Commencement Date"):

(i) Appraisal Determination. The Lessee may (A) by notice to the Owner Trustee at any time at least 270 days (but not more than 540 days) prior to the Renewal Term Commencement Date for the first proposed Fixed Rate Renewal hereunder, request that a determination be made under subclause (iii)(D) of this paragraph (b) and (B) by notice to the Owner Trustee at any time at least 270 days (but not more than 540 days) prior to the Renewal Term Commencement Date for any proposed Fair Market Renewal hereunder, request that a determination be made under subclause (iv)(C) of this paragraph (b). No such request pursuant to this clause (i) for a determination shall be deemed an election by the Lessee of a renewal pursuant to the provisions of this paragraph (b).

(ii) Notice. In the event that the Lessee elects to renew this Lease, the Lessee shall provide the Owner Trustee with a written notice irrevocably electing such renewal at least 180 days prior to the Renewal Term Commencement Date on which such elected renewal is to take effect. Such notice shall specify (A) the desired Renewal Term, which in the case of a Fixed Rate Renewal shall be determined in accordance with subclause (iii)(A) of this paragraph (b) and in the case of a Fair Market Renewal shall be determined in accordance with subclause (iv)(A) of this paragraph (b); (B) whether a renewal is being elected as a Fixed Rate Renewal pursuant to clause (iii) of this paragraph (b); and (C) the number of Units to be leased during such Renewal Term.

(iii) Fixed Rate Renewal. Each renewal pursuant to this clause (iii) shall be referred to as a "Fixed Rate Renewal" and shall be made pursuant to the following terms and conditions:

(A) The period of each Fixed Rate Renewal (each a "Fixed Rate Renewal Term") for the Rail Equipment shall be the period commencing on the Renewal Term

Commencement Date for which a Fixed Rate Renewal is being requested and ending on the last day of the Fixed Rate Renewal Term specified by the Lessee in the notice delivered pursuant to clause (ii) of this paragraph (b), which Fixed Rate Renewal Term shall be in increments of one or more whole years (except that the last of such increments may be a fraction of a year to the extent so required by the limitation specified in the proviso of this subclause (iii) (A)); provided, however, that no Fixed Rate Renewal Term shall extend beyond the earliest of the following dates (the "Maximum Fixed Rate Renewal Date" and the period from the Renewal Period Commencement Date for any proposed Fixed Rate Renewal hereunder to the Maximum Fixed Rate Renewal Date is herein called the "Maximum Fixed Rate Renewal Term"): (1) the last date on which the period from the Closing Date to such date would be equal to 80% of the estimated economic useful life of such Rail Equipment, measured from the Closing Date (the determination of such useful life to be made pursuant to subclause (D) below), and (2) the last day on which the estimated residual value of such Rail Equipment would be 20% of the Lessor's Cost therefor, the determination of such date to be made pursuant to subclause (D) below), without taking into account inflation or deflation subsequent to the Closing Date. Any election of a Fixed Rate Renewal shall constitute a representation of the Lessee to the Owner Participant that any Rail Equipment not inspected in connection with the Appraisal referred to in subclause (i) above was in substantially the same condition, insofar as useful life and residual value are involved, as the Rail Equipment that were so inspected.

(B) Basic Rent for any Rail Equipment being leased during a Fixed Rate Renewal Term shall be payable on each Payment Date during such Fixed Rate Renewal Term and shall be equal to 50% of the average of the actual Basic Rent payments payable in respect of such Rail Equipment on each Payment Date during the Basic Term; provided, however, in the event that due to any limitation imposed by the proviso set forth in the foregoing subclause (A) any Fixed Rate Renewal Term expires other than on a Payment Date, then the last payment of Basic Rent for such Fixed Rate Renewal Term shall be payable on the last date of such Fixed Rate Renewal Period and shall be prorated on the basis of the proportion of (x) the actual number of days from and excluding the Payment Date immediately preceding the last day of such Fixed Rate Renewal Term to and including such last day, to (y) 180 days. The

Stipulated Loss Value for any Rail Equipment for all Fixed Rate Renewals shall be calculated once on or before the beginning of any Fixed Rate Renewal and shall (x) on the Renewal Term Commencement Date for any Fixed Rate Renewal be equal to the Fair Market Sale Value of such Rail Equipment (as determined pursuant to subclause (D) below) as of such Renewal Term Commencement Date and (y) thereafter be reduced on a straight-line basis from the initial Stipulated Loss Value so determined pursuant to clause (x) hereof to 20% of Lessor's Cost therefor at the Maximum Fixed Rate Renewal Date.

(C) Notwithstanding any provision hereof, (x) the Lessee shall have the right to elect not more than one Fixed Rate Renewal for any Rail Equipment (and any renewal thereafter shall be a Fair Market Renewal), (y) such Fixed Rate Renewal Term shall not exceed five years and (z) no Fixed Rate Renewals for such Rail Equipment shall be permitted unless the Fixed Rate Renewal Term therefor immediately follows the Basic Term.

(D) In connection with any actual or prospective Fixed Rate Renewal for any Rail Equipment to be leased during such a Renewal Term, a determination shall be made (pursuant to the Appraisal Procedure) of (x) the then estimated economic useful life of such Rail Equipment measured from the Closing Date, (y) the last date on which the estimated residual value (without regard to inflation or deflation subsequent to the Closing Date) of such Rail Equipment is projected to be greater than or equal to 20% of Lessor's Cost therefor and (z) the Fair Market Sale Value of such Rail Equipment as of the Renewal Term Commencement Date for such Fixed Rate Renewal Term. Such determination (which shall be made within the time periods required pursuant to the Appraisal Procedure and prior to the Renewal Term Commencement Date for any Fixed Rate Renewal) shall be made as of the Renewal Term Commencement Date for such Fixed Rate Renewal.

(iv) Fair Market Renewal. Each renewal pursuant to this clause (iv) shall be referred to as a "Fair Market Renewal" and shall be made pursuant to the following terms and conditions:

(A) The period of each Fair Market Renewal (each, a "Fair Market Renewal Term") for any Rail Equipment being leased during such Renewal Term shall

be the period commencing on the Renewal Term Commencement Date for which a Fair Market Renewal is being requested and ending on the last day of the Renewal Term specified by the Lessee in the notice delivered pursuant to clause (ii) of this paragraph (b), which period shall be in increments of not less than one, and not more than three, whole years.

(B) Basic Rent for any Rail Equipment being leased during each Fair Market Renewal Term shall be the Fair Market Rent in respect of the such Rail Equipment being leased for such period (as determined pursuant to the provisions of subclause (C) of this clause (iv)), payable in arrears on each Payment Date during such Fair Market Renewal Term and on the last day of such Fair Market Renewal Term. During each Fair Market Renewal Term, the Stipulated Loss Value for the Rail Equipment being leased during such Renewal Term shall (x) on the Renewal Period Commencement Date for such Fair Market Renewal Term, be equal to the Fair Market Sale Value of such Rail Equipment as of such Renewal Term Commencement Date (as determined with respect to such Fair Market Renewal Term pursuant to subclause (C) below) and (y) during the remainder of such Fair Market Renewal Term, be reduced on a straight-line basis from the Stipulated Loss Value so determined as of the relevant Renewal Term Commencement Date to the estimated Fair Market Sale Value of such Rail Equipment as of the last day of such Fair Market Renewal Term (as determined with respect to such Fair Market Renewal Term pursuant to subclause (C) below).

(C) In connection with each actual or prospective Fair Market Renewal for any Rail Equipment to be leased during a Fair Market Renewal Term, a determination shall be made (pursuant to the Appraisal Procedure) of (x) the Fair Market Sale Value of such Rail Equipment as of the relevant Renewal Term Commencement Date and as of the last day of such Fair Market Renewal Term, and (y) the Fair Market Rent of such Rail Equipment. Such determination (which shall be made within the time periods required pursuant to the Appraisal Procedure) shall be made as of the Renewal Term Commencement Date for the relevant Fair Market Renewal for such Rail Equipment and shall be completed before the Renewal Term Commencement Date for such Fair Market Renewal.

(D) Notwithstanding any provision hereof, the Lessee shall have the right to elect not more than one Fair Market Renewal for any Rail Equipment.

(v) Additional Restrictions. Notwithstanding any provision of this paragraph (b) to the contrary, (A) the Lessee may exercise either a Fixed Rate Renewal or a Fair Market Renewal (each a "Renewal Option"), but not both, with respect to each Renewal Term or portion thereof applicable to any Unit; and (B) unless the Lessee exercises a Renewal Option as to all of the Units then being leased under this Lease, the Lessee may only exercise such Renewal Option to the extent that at least 25% of the original number of Units on the Closing Date remain subject to this Lease, after giving effect to the exercise of such Renewal Option.

(vi) General. All provisions of this Lease shall be applicable during each Renewal Term, except that the Basic Rent and Stipulated Loss Values payable under this Lease during each Renewal Term shall be those specified in this paragraph (b).

(c) Redelivery. The Lessee shall assemble and deliver possession of the Rail Equipment in accordance with the terms of this Lease, at the Lessee's own cost and expense, in such numbers and to such location or locations on the Lessee's lines or to such interconnection point or points on Lessee's lines, which locations shall be reasonably acceptable to the Lessee (taking into account the capacity of such lines and points and the possible disruption to the Lessee's operations as a result of such return) (the "Redelivery Locations") (i) subject to Section 2(g) hereof, on the date of the expiration of the Basic Term or any applicable Renewal Term, as the Lessor shall designate in writing to the Lessee not less than 90 days prior to the expiration of the Basic Term or any applicable Renewal Term or (ii) at the termination of the applicable storage period or at such earlier time as the Lessee may specify (or as soon thereafter as is practicable), as the Lessor may designate prior to the expiration of such storage period, provided that the Lessee shall not be obligated to move any Rail Equipment more than once at the request of the Lessor. Any Rail Equipment delivered to such Redelivery Location (or into storage, as the Lessor may have requested as provided below) shall be deemed to be redelivered hereunder (and, subject to the next succeeding paragraph, Basic Rent with respect to such redelivered Rail Equipment shall cease to accrue with respect thereto) on the later to occur of (i) the expiration of the Basic Term or any applicable Renewal Term and (ii) the date on which at least 10% of the number of Units then subject to this Lease (or such lesser number of Units as Lessor may have requested to be delivered to such Redelivery Location or into storage) shall have been delivered to any one such Redelivery Location or into storage. The Lessee will, at the request of Lessor, store any Rail Equipment free of charge and

at the Lessee's expense and risk on storage tracks selected and owned by the Lessee for a 45-day period commencing as to each Unit on the later to occur of (i) the date of the delivery of such Unit to such storage tracks and (ii) the placing in storage of an aggregate of at least 10% of the number of Units then subject to this Lease (or such lesser number of Units as Lessor may have requested to be stored) pursuant to any one such request of the Lessor. In addition, the Lessor shall have the right to store such Rail Equipment redelivered to it on storage tracks owned by the Lessee for an additional period of 90 days after the expiration of the free storage period referred to in the preceding sentence; provided, that the Lessee may charge the Lessor an amount based on the then normal rates charged by the Lessee to third parties for storage of gondola cars of the same or similar type on its tracks, and such additional storage shall be at the Lessor's expense and risk. The Lessee agrees to notify the Lessor when an aggregate of 10% of the number of Units then subject to this Lease (or such lesser number of Units as the Lessor may have requested to be delivered to such Redelivery Location or placed in storage, as the case may be) shall have been delivered to any one such Redelivery Location or placed in such storage (in each case, a "Rail Equipment Return Notice"), and, in the case of storage, the 45-day period referenced in the second preceding sentence shall be deemed to commence with respect to such Rail Equipment on the date of such Rail Equipment Return Notice.

If the Lessor or its agent shall inspect any Rail Equipment pursuant to Section 2(d) and shall conclude in good faith that such Rail Equipment is not in the condition required by Section 2(d), the Lessee, at its expense and risk, shall within 30 days thereafter make such repairs and perform such work as shall be necessary to place such Rail Equipment in the condition required by Section 2(d). The Lessee will provide the Lessor with notice when such Rail Equipment has been repaired so as to be in the condition required by Section 2(d) and is ready to be reinspected by the Lessor or its agent, and the Lessor or its agent shall have 10 days from such date to inspect such Rail Equipment and inform the Lessee if such Rail Equipment is still not in the condition required by Section 2(d) (in which case the provisions of this paragraph shall continue to control). The Lessee agrees to pay the daily equivalent of Basic Rent (calculated on the basis of the average of the actual Basic Rent payments payable in respect of the Rail Equipment on each Payment Date during the Basic Term or the applicable Renewal Term, as the case may be) on any Rail Equipment not redelivered in the condition required by Section 2(d), from and including the last day on which the Lessee paid Basic Rent with respect to such Rail Equipment to but excluding the date the Lessee gives the notice described in the next preceding sentence.

(d) Return Condition. At the time of any return, the Rail Equipment so being returned shall be free and clear of all Liens (except any Owner Encumbrances and Permitted Encumbrances, it being understood that the Lessee will promptly and diligently cause any such Permitted Encumbrances to be discharged and, at the Lessor's request, the Lessee shall bond or provide such other form of security for payment and discharge of such Permitted Encumbrances as the Lessor may reasonably request) and shall be in the condition required by Section 2(c) and 5 hereof. Each Unit redelivered hereunder shall be (i) in a condition suitable for the general purpose for which it was originally intended, (ii) in a condition comparable to that of gondola cars of a similar type and age and in compliance with the then prevailing applicable rules of the Association of American Railroads and the Federal Railway Administration or any successor entities, (iii) in a condition consistent with the requirements of Applicable Law and (iv) suitable for unrestricted interchange by a Class I Railroad, whether as owner or as user. In addition, each Unit redelivered pursuant to Section 2(c) shall be in the condition required by Section 5 hereof. The Lessor or its agent may inspect any Rail Equipment redelivered hereunder to determine whether such Rail Equipment is in the condition required by this Section 2(d) at any time prior to the earlier of (x) 30 days after the date of the Rail Equipment Return Notice in respect of such Rail Equipment and (y) 10 days after such Rail Equipment shall have been returned to Lessor at the Redelivery Location pursuant to Section 2(c), or at such other time as may be specified in Section 2(c). At such inspection, independent inspectors or surveyors representing both the Lessee and the Lessor, or an independent inspector or surveyor satisfactory to both sides, shall be present and shall determine and state the agreed repairs or work necessary to place such Rail Equipment on the date of return in the condition required by this Section 2(d). The Lessee and the Lessor shall bear the cost of their respective independent inspectors or surveyors, unless the Rail Equipment is not in the condition required by Section 2(c) and 5 hereof, in which case the Lessee shall also bear the reasonable cost of the Lessor's inspector or surveyor.

(e) Early Purchase Option. Provided that no Economic Event of Default or Economic Default shall have occurred and be continuing, on January 1, 2009, the Lessee shall be entitled, upon not less than 180 days' irrevocable prior written notice to the Lessor and the Indenture Trustee, to purchase either (A) all of the Units then being leased under this Lease, or (B) not less than 25% and not more than 75%, randomly selected, of the original number of Units on the Closing Date, for a purchase price equal to (x) if such Rail Equipment is to be purchased free and clear of the Lien of the Indenture, the Projected Fair Market Sales Value - EBO of such Rail Equipment plus the

Premium, if any, on the Notes being redeemed on such date (as determined in accordance with the proviso to this sentence) plus any Supplemental Rent then due or (y) if such purchase constitutes an Assumption Event, the Projected Fair Market Sales Value - EBO of such Rail Equipment plus any Supplemental Rent then due less an amount equal to the product of (i) the aggregate principal amount of the Notes Outstanding on such date and (ii) a fraction the numerator of which is the aggregate Lessor's Cost for such Rail Equipment and the denominator of which is the aggregate Lessor's Cost for all of the Rail Equipment then subject to this Lease; provided that in the event such Rail Equipment is to be purchased free and clear of the Lien of the Indenture, the Lessee shall first, on behalf of the Lessor, give the Indenture Trustee, no later than December 1, 2008, an irrevocable notice of redemption with respect to that aggregate principal amount of the Notes Outstanding to be redeemed pursuant to Section 401(d) of the Indenture in connection with such purchase, and shall directly pay the Indenture Trustee the redemption price required to redeem such aggregate principal amount of Notes calculated in accordance with the Indenture and then pay to the Lessor any remaining amount of the purchase price. In connection with the exercise of the purchase option under this Section 2(e), the Lessor shall transfer all its right, title and interest in and to such Rail Equipment to the Lessee without recourse or warranty on the part of the Lessor except that the Lessor shall warrant to the Lessee that such Rail Equipment is free and clear of all Owner Encumbrances and, at the expense of the Lessee, shall execute and deliver such documents as shall be reasonably necessary or appropriate to consummate such sale and, in the case of a purchase which is an Assumption Event, such documents as are required by Section 403 of the Indenture. Notwithstanding any provision of this Section 2(e) to the contrary, unless the Lessee exercises its purchase option hereunder as to all of the Units then being leased under this Lease, the Lessee may only exercise such purchase option to the extent that at least 25% of the original number of Units on the Closing Date remain subject to this Lease, after giving effect to the exercise of such purchase option.

(f) Purchase at Expiration of Lease Term. Provided that no Economic Event of Default or Economic Default shall have occurred and be continuing, the Lessee shall be entitled at the expiration of the Lease Term with respect to the Rail Equipment to purchase pursuant to the following terms and conditions either (x) all of the Units then being leased under this Lease, or (y) not less than 25% and not more than 75% of the original number of Units on the Closing Date, as follows:

(i) The Lessee may, by notice to the Lessor at any time not less than 270 days (but not more than 540 days)

prior to the expiration of the Lease Term with respect to the Rail Equipment to be purchased, request that a determination be made under clause (iv) of this paragraph (f) of the Fair Market Sale Value of such Rail Equipment. No such request for a determination pursuant to this clause (i) shall be deemed an election by the Lessee for a purchase pursuant to the provisions of this paragraph (f).

(ii) In the event that the Lessee elects to purchase such Rail Equipment, the Lessee shall provide the Lessor with a notice irrevocably making such election at least 180 days prior to the expiration of the Lease Term with respect to such Rail Equipment.

(iii) The Lessee shall pay to the Lessor, on the expiration of the Lease Term with respect to such Rail Equipment, an amount equal to the Fair Market Sale Value for such Rail Equipment, and upon such payment and the payment by the Lessee of all Rent payable on or before such expiration date with respect to such Rail Equipment (including, without limitation, the Basic Rent becoming due and payable on such expiration date), the Lessor shall transfer all its right, title and interest in and to such Rail Equipment to the Lessee, without any representation, recourse or warranty on the part of the Lessor except that the Lessor shall warrant to the Lessee that such Rail Equipment is free and clear of all Owner Encumbrances.

(iv) In connection with an actual or prospective purchase by the Lessee of any Rail Equipment pursuant to this Section 2(f), any determination of the Fair Market Sale Value of such Rail Equipment shall be made pursuant to the Appraisal Procedure. Any such determination (which shall be made within the time periods required by the Appraisal Procedure) shall be made as of, and completed prior to, the expiration of the Lease Term with respect to such Rail Equipment.

(v) Notwithstanding any provision of this Section 2(f) to the contrary, unless the Lessee exercises its purchase option hereunder as to all of the Units then being leased under this Lease, the Lessee may only exercise such purchase option to the extent that at least 25% of the original number of Units on the Closing Date remain subject to this Lease, after giving effect to the exercise of such purchase option. Furthermore, in the event that the Lessee is to redeliver pursuant to Section 2(c) less than 22%, in the aggregate, of the original number of Units on the Closing Date, then the Lessee shall at the expiration of the Lease Term purchase all of the Units then subject to this Lease for a price equal to the Fair Market Sale Value thereof as of the date of purchase.

(g) Extension of Lease Term. Upon the expiration of the Basic Term and all applicable Renewal Terms, the Lease Term for any Rail Equipment shall be extended for any period necessary for the return of such Rail Equipment to the location designated by the Lessor pursuant to Section 2(c); provided, that no such extension shall exceed 90 days. The Lessee agrees to pay the daily equivalent of Basic Rent (calculated on the basis of the average of the actual Basic Rent payments payable in respect of the Rail Equipment on each Payment Date during the Basic Term or the applicable Renewal Term, as the case may be) on each Unit redelivered subsequent to the expiration of the Basic Term or such Renewal Term and as to which the Lessor or its agent shall not have determined that such Rail Equipment was redelivered in violation of the requirements of Section 2(d), from and including the final Payment Date to but excluding the date of redelivery hereunder.

SECTION 3. Disclaimer of Warranties.

(a) No Representation or Warranty. THE LESSEE ACKNOWLEDGES THAT (i) THE RAIL EQUIPMENT IS OF DESIGN AND MANUFACTURE SELECTED BY THE LESSEE, (ii) THE RAIL EQUIPMENT IS SUITABLE FOR THE LESSEE'S PURPOSES AND (iii) NEITHER THE LESSOR NOR ANY LOAN PARTICIPANT IS A MANUFACTURER OR DEALER IN SUCH PROPERTY. THE LESSEE ACKNOWLEDGES THAT NONE OF THE OWNER PARTICIPANT, THE LESSOR NOR ANY LOAN PARTICIPANT MAKES ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE DESIGN, OPERATION OR CONDITION OF THE RAIL EQUIPMENT OR AS TO THE TITLE, VALUE, CONDITION, DESIGN OR MERCHANTABILITY OF THE RAIL EQUIPMENT, OR AS TO THE FITNESS OF THE RAIL EQUIPMENT FOR ANY PARTICULAR USE OR PURPOSE, OR, EXCEPT AS SET FORTH IN SECTION 3(b), ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, WITH RESPECT TO THE RAIL EQUIPMENT AND UNDER NO CIRCUMSTANCES WHATSOEVER SHALL WTC OR THE LESSOR BE LIABLE OR RESPONSIBLE TO THE LESSEE FOR ANY CONSEQUENTIAL DAMAGES.

(b) Title. Notwithstanding the provisions of the foregoing paragraph (a), the Lessor represents and warrants that on the Closing Date it will have whatever title to the Rail Equipment as has been conveyed to it on such date by the Seller, subject to no Owner Encumbrances.

SECTION 4. Use and Operation of Rail Equipment. During the Lease Term, so long as no Event of Default has occurred and is continuing, the Lessee has the exclusive right to possession, control and full use of the Rail Equipment leased hereunder and may use such Rail Equipment in any lawful trade or commerce; provided, however, that the Lessee shall use each Unit only in the manner for which it was designed and intended and that such Rail Equipment shall not be used or

operated in any manner contrary to any Applicable Law; and provided, further, that the Lessee shall not use any Rail Equipment in any jurisdiction other than the United States of America, Canada or Mexico without the prior written consent of the Lessor in its sole discretion.

SECTION 5. Maintenance. The Lessee, at its own expense and risk shall throughout the Lease Term maintain, and repair so as to keep, the Rail Equipment in good operating condition, ordinary wear and tear excepted, at least in accordance with the standards of maintenance, if any, for similar gondola cars operating on the lines of Class I Railroads and in the manner and in the same condition as Lessee would, in the prudent management of its own business, maintain and repair similar equipment owned or leased by it and its Affiliates at such time so that such Rail Equipment will remain (i) in as good operating condition as when delivered hereunder on the Closing Date (ordinary wear and tear excepted), (ii) in compliance with any and all Applicable Law, (iii) eligible under all manufacturer's warranties and (iv) suitable for unrestricted interchange by a Class I Railroad, whether as owner or as user. The Lessee agrees that it will not discriminate against any Rail Equipment (as compared to other similar equipment owned or leased by Lessee) with respect to its use, operation or maintenance in contemplation of the expiration or termination of this Lease. Notwithstanding the foregoing, the Lessee, in its discretion, may withdraw from transportation service any Rail Equipment for any reason at and for any time, during which time the Lessee shall not be required to maintain or repair such Rail Equipment; provided, however, that (x) the Lessee shall remain responsible for the preservation, safekeeping, use, operation and safe storage of such Rail Equipment, (y) the Lessee's actions with respect to such Rail Equipment shall not impair the value, utility, useful life or residual value that such Rail Equipment would have had, had it been kept in service and maintained in accordance with this Section 5 and (z) the foregoing shall not affect the Lessee's obligation to return such Rail Equipment in the condition specified in Section 2(d).

SECTION 6. Inspection. The Lessor, the Owner Participant and the Indenture Trustee, or their authorized representatives, may at any time, upon reasonable notice and at their own risk and expense, inspect the Rail Equipment and applicable maintenance and use records relating thereto, and the Lessee shall make the foregoing available to the Lessor, but neither the Lessor, the Owner Participant nor the Indenture Trustee shall have any duty to do so; provided, however, that any such inspection shall in no way interfere with any repairs or maintenance or the use and operation of the Rail Equipment; and provided further, that in exercising such right of

inspection, (i) the Lessor shall not unreasonably interfere with the Lessee's normal business operations and (ii) the Lessor shall hold the Lessee harmless from any claims resulting from injury, loss or death sustained by the Lessor's representatives on the Lessee's premises during any such inspection except to the extent that any such injury, loss or death occurs as a direct result of the Lessee's negligence or willful misconduct.

SECTION 7. Improvements.

(a) Improvements. The Lessee shall make such Improvements to the Rail Equipment as shall be required in order to comply with Section 5. In addition, the Lessee may make such other Improvements to the Rail Equipment as the Lessee may deem desirable, but only to the extent that such Improvements do not diminish the Rail Equipment's commercial value, productive capacity, utility or remaining useful life.

(b) Title; Removal of Severable Improvements. Title to each Nonseverable Improvement and to each Governmentally Mandated Severable Improvement shall, without further act, vest in the Lessor. Title to each Severable Improvement (other than any Governmentally Mandated Severable Improvements) shall, without further act, vest or remain, as the case may be, in the Lessee, and the Lessee at its own expense and risk shall have the right to remove any Severable Improvement to which the Lessee has title from the Rail Equipment at any time during or at the expiration of the Lease Term. Any Severable Improvement not so removed shall become the property of the Lessor. The Lessor shall have the right to purchase any Severable Improvements from the Lessee upon the expiration of the Lease Term, in consideration of the payment to the Lessee of the Fair Market Sales Value thereof (as determined pursuant to the Appraisal Procedure).

(c) Removal of Property; Replacements. The Lessee may, in the ordinary course of maintenance or repair of any Rail Equipment, remove any item of property constituting a part of such Rail Equipment, and unless the removal of such item is required by Section 5, the Lessee shall replace such item as promptly as possible by an item of property that is free and clear of all Liens (other than Permitted Encumbrances) and subject to the Lien of the Indenture and in as good operating condition as, and with a value, utility and useful life at least equal to, the item of property being replaced. Any item of property removed from such Rail Equipment as provided in the preceding sentence shall remain the property of the Lessor until replaced in accordance with the terms of said sentence, but shall then, without further act, become the property of the Lessee. Any such replacement property shall, without further

act, become the property of the Lessor and be deemed part of such Rail Equipment for all purposes hereof, subject to the Lien of the Indenture.

(d) Identification Marks. The Lessee will exercise its best efforts (i) to cause, as soon as practicable after a given Unit becomes subject to the terms of this Lease, such Rail Equipment to be kept numbered with the identifying number as set forth in Schedule 1 to the Lease and Indenture Supplement executed and delivered on the Closing Date and (ii) to keep and maintain, as soon as practicable after such Rail Equipment becomes subject to the terms of this Lease, plainly, distinctly, permanently and conspicuously marked on both sides of such Rail Equipment in letters not less than one inch in height, the words "Subject to a security agreement filed with the Interstate Commerce Commission" or other appropriate words designated by the Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by Applicable Law in order to protect the title of the Lessor and the rights of the Lessor and the Indenture Trustee under the Operative Documents. The Lessee will not place any such Rail Equipment in operation or exercise any control or dominion over the same until the required legend shall have been so marked on both sides thereof and will replace promptly any such word or words which may be removed, defaced, obliterated or destroyed. The Lessee will not permit the identifying number of any Rail Equipment to be changed unless and until a Lease amendment or statement of new identifying numbers to be substituted therefor shall have been furnished to the Lessor and the Indenture Trustee and duly filed, recorded or deposited in all public offices where this Lease and the Indenture shall have been filed, recorded and deposited. The Lessee shall have the right at its expense to display indicia of operation of any Rail Equipment by the Lessee or any Affiliate of the Lessee and identify such Rail Equipment with such name as the Lessee may elect; provided, however, that the Lessee will not otherwise allow the name of any Person to be placed on any Rail Equipment as a designation that might be interpreted as a claim of ownership.

(e) Limited Use Property. Notwithstanding any provision of this Section 7 to the contrary, the Lessee shall make no modification, alteration, change, substitution or other improvement to any Rail Equipment, or any part thereof, that would cause such Rail Equipment to become "limited use property" within the meaning of Rev. Proc. 76-30.

SECTION 8. Liens.

(a) Liens. None of the Lessee and any sublessee nor any other Person shall directly or indirectly have any right,

power or authority to, and none of the Lessee, any sublessee or any other Person shall, create, assume, incur or permit to exist any Lien on or with respect to any Rail Equipment, other than Permitted Encumbrances or Owner Encumbrances. The Lessee shall notify the Lessor promptly of the imposition of any such Lien and shall promptly cause the same to be discharged, dismissed or removed, and in any event within 30 days after the Lessee first knows of the existence of any Lien; provided, that notwithstanding the foregoing, the Lessee shall have the right to contest any such Lien in good faith by appropriate proceedings, diligently prosecuted or appealed, so long as such Lien does not involve any material danger of the sale, forfeiture or loss of such Rail Equipment.

(b) Release of Liens. The Lessee agrees that it will at its own cost and expense promptly take such action as may be necessary duly to discharge any Liens that are not Permitted Encumbrances or Owner Encumbrances. In the event that any Rail Equipment shall be attached, levied upon or taken into custody, or detained or sequestered, by virtue of any proceeding in any court or tribunal, or by any governmental or other authority on account of any such Lien, the Lessee shall cause such Rail Equipment to be released and all such Liens to be promptly discharged (except to the extent that the same shall be contested by the Lessee in good faith by appropriate proceedings, so long as such Lien does not involve any material risk of a sale, forfeiture or loss of such Rail Equipment and shall not affect the continued use of such Rail Equipment). The Lessee shall protect, save and keep harmless the Owner Participant, the Lessor, the Indenture Estate, the Indenture Trustee and the Holders from time to time of the Notes and their respective successors and assigns from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements (including reasonable legal fees and disbursements) of whatsoever kind and nature that may be imposed on, incurred by or asserted at any time (whether before, during or after the Lease Term) against the Owner Participant, the Lessor, the Indenture Trustee or any Holder in any way relating to or arising out of any such Liens that are not Permitted Encumbrances or Owner Encumbrances, but under no circumstances whatsoever shall the Lessee be liable for or responsible to the Owner Participant, the Lessor, the Indenture Estate, the Indenture Trustee or any Holder for any consequential damages.

SECTION 9. Rent.

(a) intentionally omitted

(b) Basic Rent. Subject to any adjustments required by paragraphs (e) and (f) of this Section 9 and by the immediately following sentence, the Lessee hereby agrees to pay

to the Lessor (i) on each Payment Date during the Basic Term, Basic Rent for each Unit payable in semi-annual installments, each in an amount equal to the product of the Lessor's Cost for such Unit multiplied by the percentage listed in Schedule 2 to the Lease and Indenture Supplement opposite the relevant Payment Date, (ii) for any Renewal Term pursuant to paragraph (b) of Section 2 of this Lease, Basic Rent, payable on such dates and in such amounts as provided in such paragraph (b) and (iii) for any extension of the Lease Term contemplated by the last paragraph of Section 2(c) or by Section 2(g), Basic Rent, payable on the date such Unit shall be delivered by the Lessee to the Lessor pursuant to Section 2(c), in an amount for each day of such extension equal to 1/180th of the average of the Basic Rent paid on each Payment Date in the Basic Term or the applicable Renewal Term, as the case may be, prior to such extension. It is understood that all payments (other than Excepted Property) to be made by the Lessee under this Lease will become subject to the Lien of the Indenture and to all the rights of the Indenture Trustee thereunder.

(c) Supplemental Rent. In addition to its obligation to pay Basic Rent hereunder, the Lessee shall pay to the Lessor or such other Person entitled thereto any and all Supplemental Rent (whether provided for herein or in any other Operative Document) as and when the same shall become due and owing, including, without limitation, the following:

(i) The Lessee agrees to pay to the Lessor (or to such other Person entitled thereto, in the case of any Supplemental Rent not paid when due), on demand, as Supplemental Rent, to the extent permitted by applicable law, interest at a rate per annum equal to the Overdue Rate on any part of any installment of Basic Rent or Supplemental Rent not paid when due for any period for which the same shall be overdue.

(ii) If an Indemnity Loan is made pursuant to Section 8 of the Tax Indemnification Agreement, then the Lessee shall pay Supplemental Rent in amounts equal to the interest payable by the Owner Participant with respect to such Indemnity Loan, at the time the same shall become due.

(iii) The Lessee agrees that any Premium payable with respect to the Notes upon the payment by the Lessee of the Projected Sales Value - EBO, Stipulated Loss Value or Termination Value pursuant to this Lease, or upon a refinancing of the Notes pursuant to Section 20 of the Participation Agreement, shall be payable, by the Lessee on behalf of the Lessor in accordance with the terms of the Indenture, as Supplemental Rent.

(iv) The Lessee agrees that any payments required under the Tax Indemnification Agreement (other than pursuant to Section 7(a)(i) thereof) or Section 13 of the Participation Agreement shall be deemed payable as Supplemental Rent hereunder.

(d) Manner of Payment; Unconditional Payment. All Rent (except all amounts of Supplemental Rent, indemnities and other payments of any kind which are payable directly to the Owner Participant, or which are payable directly to the Lessor for the sole benefit of the Owner Participant or WTC) shall be paid by the Lessee to the Lessor at its office at Rodney Square North, Wilmington, DE 19890, Attention: Corporate Trust Administration, or as the Lessor may otherwise direct from time to time in writing; provided that, so long as the Indenture shall not have been discharged pursuant to Section 501 thereof, Lessor hereby directs, and the Lessee agrees, that all payments of Rent and all other amounts payable hereunder (other than Excepted Property, which shall be paid to the Person entitled thereto) shall be paid directly to the Indenture Trustee at its office at 2 Hopkins Plaza, Baltimore, MD 21201, Attention: Corporate Trust Department, or as the Indenture Trustee may otherwise direct in writing. Except as otherwise provided in paragraph (h) of this Section 9, all Basic Rent and Supplemental Rent shall be payable in immediately available funds at the place where payment is required to be made on or before 11:00 A.M. (Baltimore City time) on the day when each such payment shall be due. Except as specifically provided in this Lease, the Lessee's obligation to pay Basic Rent and Supplemental Rent payable hereunder shall be absolute and unconditional under any and all circumstances and shall not be affected by any circumstances of any character, including, without limitation, (i) any setoff, counterclaim, recoupment, defense or other right which the Lessee may have against the Lessor, the Indenture Trustee, any Participant or anyone else for any reason whatsoever, including, without limitation, any default by the Lessor or any party to the Participation Agreement or any agreement referred to therein in their respective obligations hereunder or thereunder, (ii) any unavailability of any Rail Equipment, after its delivery and acceptance by the Lessee hereunder, for any reason, including, without limitation, any lack or invalidity of title or any other defect in the title, condition, design, operation or fitness for use of any Rail Equipment, (iii) any failure or delay on the part of the Lessor, the Indenture Trustee or any Participant or any other Person, whether with or without fault on its part, in performing or complying with any of the terms or covenants hereunder or any of the other Operative Documents, (iv) any loss or destruction of, or damage to, any Rail Equipment or interruption or cessation in the use or possession thereof by the Lessee for any reason whatsoever and of whatever

duration, (v) any insolvency, bankruptcy, reorganization, arrangement, readjustment of debt, dissolution, liquidation or similar proceeding by or against the Lessor, the Indenture Trustee, the Lessee or any Participant, (vi) any breach of any representation or warranty of, or any act or omission of, the Lessor, the Indenture Trustee or any Participant, (vii) any claims as a result of any other business dealings by the Lessor, the Indenture Trustee, any Participant or the Lessee, (viii) the requisitioning, seizure or other taking of title to or use of any Rail Equipment by any government or governmental authority or otherwise whether or not by reason of any act or omission of the Lessor or the Lessee or the Indenture Trustee, or any other deprivation or limitation of use of any Rail Equipment in any respect or for any length of time, whether or not resulting from accident and whether or not without fault on the part of the Lessee, (ix) the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease, (x) the lack of right, power or authority of the Lessor to enter into this Lease, (xi) any ineligibility of such Rail Equipment for any particular use, whether due to any failure of the Lessor, the Lessee or any other Person to comply with any law or governmental regulation or otherwise, (xii) any event of force majeure or any frustration, (xiii) any legal requirement or (xv) any other cause, circumstance or happening, whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding. The Lessee hereby waives, to the extent permitted by applicable law, any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender this Lease except in accordance with the express terms hereof. If for any reason whatsoever this Lease shall be terminated in whole or in part by operation of law or otherwise except as specifically provided herein, the Lessee nonetheless agrees to pay to the Lessor an amount equal to each Basic Rent payment at the time such payment would have become due and payable in accordance with the terms hereof had this Lease not been terminated in whole or in part. Except to the extent of any payment in excess of that required to be made hereunder, each payment of Basic Rent and Supplemental Rent made by the Lessee shall be final, and the Lessee will not seek to recover all or any part of such payment from the Indenture Trustee, any Holder of a Note, the Lessor or any Participant for any reason whatsoever.

(e) Adjustments for Loss of Tax Benefits. In the event that a Loss of Tax Benefits occurs (for which the Owner Participant receives indemnification under the Tax Indemnification Agreement), then the Stipulated Loss Value percentages and the Termination Value percentages shall be adjusted by the Owner Participant to maintain its Net Return; provided, that upon any adjustment hereunder of the Stipulated

Loss Value percentages, the Projected Fair Market Sales Value - EBO shall also be adjusted (using the same assumptions and methods utilized by the Owner Participant on the Closing Date) so as to preserve the spread, or numerical differential, of the Projected Fair Market Sales Value - EBO percentage over the corresponding, adjusted Stipulated Loss Value percentage; and provided, further, that the Projected Fair Market Sales Value - EBO shall in no event be reduced (under this Section 9(e) or otherwise) to less than the estimated fair sales value of a Unit on January 1, 2009, as set forth in the Appraisal on the Closing Date.

(f) Other Adjustments. The Basic Rent percentages set forth in Schedule 2 to the Lease and Indenture Supplement and the Stipulated Loss Value percentages and Termination Value percentages set forth in Schedules 3 and 4 to the Lease and Indenture Supplement delivered in accordance with the terms hereof and of the Participation Agreement, shall be adjusted upward or downward if:

(i) delivery and acceptance of any Rail Equipment shall not occur on the date and in the amounts (both as to the number of Units to be delivered on such date and the Lessor's Cost thereof) set forth in Schedule 3 to the Participation Agreement as in effect on the date of execution thereof;

(ii) the Basic Term Commencement Date shall be other than that set forth in the Operative Documents;

(iii) Transaction Costs are other than 0.9% of the aggregate Lessor's Cost for the Rail Equipment;

(iv) the Notes are refinanced pursuant to Section 20 of the Participation Agreement (which adjustment shall reflect, inter alia, the amount of any Costs relating to such refinancing which are paid by the Owner Participant); or

(v) the Lessee makes an election under Section 7(a)(i) of the Tax Indemnification Agreement;

which adjustments shall be calculated for all periods from and after the Closing Date, promptly after the occurrence of the event giving rise thereto, shall be effective as of such date (except that any adjustment to the Stipulated Loss Value percentages and the Termination Value percentages shall be effective as of the Closing Date and that any adjustment pursuant to Section 9(f)(iv) shall be effective as of the date of refinancing) and shall be such as to maintain the Owner Participant's Net Return (after giving effect to the factors taken into account in such adjustments and after, in the case of an adjustment pursuant to Section 9(f)(v), subtraction of

all Federal and state taxes on the amount of such adjustment) but which shall, subject to such maintenance, minimize the net present value (computed utilizing a discount rate equal to 10%) of Basic Rent payments. No such adjustments shall result in an increase in the Commitment of the Owner Participant. Upon any adjustment hereunder of the Stipulated Loss Value percentages, the Projected Fair Market Sales Value - EBO shall also be adjusted (using the same assumptions and methods utilized by the Owner Participant on the Closing Date) so as to preserve the spread, or numerical differential, of the Projected Fair Market Sales Value - EBO percentage over the corresponding, adjusted Stipulated Loss Value percentage; provided, that the Projected Fair Market Sales Value - EBO shall in no event be reduced (under this Section 9(f) or otherwise) to less than the estimated fair sales value of a Unit on January 1, 2009, as set forth in the Appraisal on the Closing Date.

Each adjustment made pursuant to this paragraph (f) shall satisfy the requirements of (i) in the case of adjustments pursuant to Sections 9(f)(iv) and (v), to the extent practicable, Section 467 of the Code as in effect at the time of such recalculation or adjustment (on a prospective basis), (ii) in the case of adjustments pursuant to Section 9(f)(i), (ii) and (iii), to the extent practicable, Section 467 of the Code as in effect on the Closing Date (on a prospective basis, but the provisions of this clause (ii) shall not adversely affect any right of the Owner Participant to indemnification in respect of the application of Section 467 of the Code as a result of such event under the Tax Indemnification Agreement), and (iii) in all cases (and utilizing the Appraisal delivered on the Closing Date), on a prospective basis, Rev. Procs. 75-21 and 75-28 as in effect on the Closing Date, and F.A.S.B. Statement No. 13 for treatment in respect of the Owner Participant as a leveraged lease; provided that any requirement identified in this paragraph shall not apply if and to the extent the same was not satisfied as of the Closing Date.

(g) Determination of Adjustments. Any adjustment pursuant to Section 9(e) or 9(f) shall initially be computed by the Owner Participant, which shall employ a computer optimization program which results in Basic Rent similar to those in effect on the Closing Date and consistent with the computer run deposited by the Owner Participant with the Owner Trustee on the Closing Date. The Lessor and the Lessee hereby agree that the information contained in such computer run is proprietary to the Owner Participant and that the Lessee shall not be informed as to, and shall not have any right to review, such computer run and that only the Verifying Accountant shall be entitled to review such computer run. The results of such computation by the Owner Participant shall promptly be

delivered to the Lessee. Within 10 Business Days after the receipt of the results of an adjustment, the Lessee may request that the Verifying Accountant verify, after consultation with the Owner Participant and the Lessee, the accuracy of such adjustment in accordance with Section 9(e) or 9(f), and the Owner Participant and the Lessee hereby agree to provide the Verifying Accountant with all information and materials as shall be reasonably necessary or desirable in connection therewith. If the Verifying Accountant confirms that such adjustment is in accordance with Section 9(e) or 9(f), it shall so certify to the Lessee, and such certification shall be final, binding and conclusive on the Lessee, the Owner Participant and the Lessor. If the Verifying Accountant concludes that such recalculation or adjustment is not in accordance with Section 9(e) or (f), it shall so certify to the Lessee and the Owner Participant, and the Owner Participant shall again compute the required adjustment. Such further adjustment shall again be subject to the provisions of this Section 9(g). The final determination of any recalculation or adjustment hereunder shall be set forth in an amendment to this Lease, executed and delivered by the Lessor and the Lessee and consented to by the Owner Participant; provided, however, that failure to execute and deliver such amendment shall not affect the validity and effectiveness of any such recalculation or adjustment. The reasonable fees of the Verifying Accountant in verifying an adjustment pursuant to this Section 9(g) shall be paid by the Lessee within ten days after demand, except that the Lessor and the Owner Participant shall pay such fees, costs and expenses if such recalculation or adjustment is required to be recomputed because of an error of the Owner Participant resulting in a net present value (calculated at a discount rate equal to 10%) of the recalculated or adjusted Basic Rent that is 10 or more basis points higher than the net present value (at such discount rate) of the Basic Rent as determined by the Verifying Accountant.

(h) Interim Amount. If and to the extent that the Lessor shall not have remitted funds to the Indenture Trustee in an amount equal to the Interim Amount on the date such funds are due pursuant to Section 10(h) of the Participation Agreement, the Lessee shall, to such extent, pay as Rent to the Lessor the unpaid portion of the Interim Amount payable on such date. The Lessor shall give the Lessee at least two Business Days' prior written notice if funds equal to the Interim Amount will not be paid on the Basic Term Commencement Date; provided, however, that no failure by the Lessor to deliver any such notice shall limit or relieve the Lessee's absolute and unconditional obligation to pay Rent under this Lease. For purposes of this Section 9(h), the sum of (x) any Interim Amount paid by the Lessee pursuant to this Section 9(h) plus (y) accrued interest on the unreimbursed portion thereof at a

rate equal to the Overdue Rate from, but excluding, the date such amount is paid to and including the date it is reimbursed, by the Owner Participant or pursuant to the following sentence, shall be referred to as the "Reimbursement Amount." The Lessee shall be entitled to offset, without duplication and without limitation of any other right the Lessee may have against any other Person, against any Rent (other than any Rent constituting Excepted Property payable solely to WTC and other than as limited by the penultimate sentence of this Section 9(h)) due from the Lessee to the Lessor or the Owner Participant under the Operative Documents, until the Lessee has been fully reimbursed for the Reimbursement Amount, whether by cash payments, offsets as herein provided or any combination thereof. The Lessee may, pursuant to the proviso contained in paragraph Second of Section 1001(b) of the Indenture, specify to the Indenture Trustee the Reimbursement Amount, if any, to be returned to the Lessee from funds otherwise distributable to the Owner Trustee thereunder. No such offset or aggregate combined effect of separate offsets shall reduce the amount of any installment of Basic Rent (or any amount of Supplemental Rent then due to the extent such Supplemental Rent constitutes Premium on the Notes) to an amount insufficient to pay in full the payments then required to be made on account of the principal of and interest and Premium, if any, on the Notes then Outstanding. Any payment of the Interim Amount made by the Lessee shall be deemed to be a prepayment of Basic Rent made in the order in which installments of such Basic Rent become due.

(i) Sufficiency of Rent. Notwithstanding any provision to the contrary contained in this Lease or in any other Operative Document, (i) the amount of each Basic Rent payment payable hereunder shall be at least sufficient to pay, on each Payment Date, any amounts then required to be paid by the Lessor on account of (including mandatory redemption of) the principal of and interest on the on such date and (ii) the amount of Stipulated Loss Value or Termination Value payable hereunder (together with the amount of Basic Rent, and Premium, if any, due hereunder on each respective Payment Date for which Stipulated Loss Value or Termination Value is being calculated), before and after giving effect to any adjustments of the percentages relating thereto provided for in this Lease, shall be at least sufficient to pay or redeem in full, as and when due in accordance with the terms thereof, the principal of and all accrued interest on the from time to time outstanding. Any Premium payable with respect to the shall be payable as Supplemental Rent, and the amount of each Supplemental Rent payment payable hereunder shall, if there shall then be Premium or interest calculated at the Overdue Rate payable on or with respect to the , in any event be at least sufficient to pay, in accordance with the Indenture, all such amounts of Premium and all interest calculated at the Overdue Rate then payable on or with respect to the Notes.

SECTION 10. Insurance. (a) The Lessee shall at all times after the Closing Date, at its own expense, carry and maintain or cause to be carried and maintained with respect to the Rail Equipment subject to this Lease such insurance, with such deductibles, in such amounts, against such risks, with such insurance companies and subject to such self-insurance, in each case as is consistent with Class I Railroad industry practice, and in any event, in such amounts and against such risks as are comparable to the insurance, if any, maintained by the Lessee with respect to similar gondola cars owned or leased by the Lessee.

(b) The proceeds of any insurance for damage to any Rail Equipment not constituting an Event of Loss shall be applied in payment for the repair of such damage to the extent required to maintain such Rail Equipment in accordance with Section 5, if such repair shall not have already been paid for by the Lessee, or, if already paid by the Lessee, to reimburse the Lessee for its payment of such repair, and any balance remaining after compliance with said Section 5 shall, provided no Economic Event of Default or Economic Default shall have occurred and be continuing, be paid over to, or retained by, the Lessee.

(c) The Lessee agrees that it will not do any act or voluntarily suffer or permit any act to be done whereby any insurance required to be maintained hereunder shall or may be suspended or impaired and will not suffer or permit any Rail Equipment to be used in a manner not permitted under the insurance policies, if any, maintained hereunder without first covering such Rail Equipment for such use.

(d) Any Participant, the Indenture Trustee or the Owner Trustee may at its own expense provide insurance on or with respect to the Rail Equipment or the operation thereof unless such insurance would conflict with or otherwise limit any insurance maintained by the Lessee (whether or not pursuant to this Section 10); provided, however, that any insurance so maintained by the Indenture Trustee, the Owner Trustee or any Participant shall provide by its terms that the insurer shall have no rights of subrogation against the Lessee with respect to claims thereunder.

(e) If requested by the Lessor, the Lessee will arrange to be delivered to the Lessor and the Indenture Trustee copies of all applicable provisions of any such insurance carried on the Rail Equipment. The Lessor may, but not more than once in any twelve-month period, request from the Lessee, and the Lessee shall promptly thereafter furnish to the Lessor and the Indenture Trustee, an Officer's Certificate setting forth all insurance maintained by the Lessee pursuant to this

Section 10 and describing such policies, if any, including the amounts of coverage, any deductible amounts, the names of the insurance providers and a general description of each such policy's terms.

(f) If the Notes shall be rated below investment grade by Standard & Poor's Corporation or Moody's Investors Service, Inc. (or, in the event that the Notes are not rated by either such organization, if the senior secured debt of the Lessee shall be rated below investment grade by either such organization), then upon the request of the Lessor, the Lessee shall cause the Owner Participant, the Owner Trustee and the Indenture Trustee to each be named as an additional insured under the insurance, if any, maintained by the Lessee pursuant to this Section 10; provided, however, that any such designation as an additional insured need no longer be maintained at such time as the Notes or the Lessee's senior subordinated debt, as the case may be, are no longer rated below investment grade by either such rating organization.

SECTION 11. Loss, Requisition or Seizure.

(a) Requisition. A taking of any Rail Equipment for use by any governmental entity shall not terminate this Lease with respect to such Rail Equipment, but the Lessee shall remain liable for all its obligations hereunder and under the other Operative Documents with respect to such Rail Equipment, including, without limitation, its liability for payment of Rent, unless and until such taking becomes an Event of Loss hereunder, at which time the provisions of Section 11(b) shall apply. So long as such taking shall not have become an Event of Loss hereunder, all payments received by the Lessor or the Lessee for use of such Rail Equipment as a result of such taking during the Lease Term shall be paid over to, or retained by, the Lessee except if an Economic Event of Default or Economic Default shall have occurred and be continuing in which event such payments shall be payable to the Lessor, or to whomever shall be entitled to receive the same subject to an accounting between the Lessor and the Lessee at the termination of this Lease. Provided no Economic Event of Default or Economic Default shall have occurred and be continuing, after an Event of Loss with respect to any Rail Equipment, all payments received by the Lessor or the Lessee for use of such Rail Equipment under this paragraph (a) shall be paid over to, or retained by, the Lessee; otherwise all such payments shall be retained by or paid over to the Lessor or to whomever shall be entitled to receive the same.

(b) Event of Loss. The Lessor may, but not more than once in any twelve-month period, request from the Lessee, and the Lessee shall promptly thereafter furnish to the Lessor and

the Indenture Trustee, an Officer's Certificate identifying each Event of Loss of which the Responsible Officer delivering such certificate has actual knowledge. Subject to the provisions of paragraph (c) below, on each Payment Date (but no later than 90 days after the final Payment Date or no later than 90 days after the redelivery of the Rail Equipment whose Lease Term has been extended pursuant to Section 2(g)), the Lessee shall pay to the Lessor, or to whomever shall be entitled to receive the same, (x) the Stipulated Loss Value for any Rail Equipment in respect of which a Responsible Officer of the Lessee shall then have actual knowledge of the occurrence of an Event of Loss for which Stipulated Loss Value has not theretofore been paid, computed as of such Payment Date (or in the case of an Event of Loss with respect to any Rail Equipment for which Stipulated Loss Value has not theretofore been paid or in the event of an extension of the Lease Term pursuant to Section 2(g), computed as of the final Payment Date), plus (y) if the date the payment of Stipulated Loss Value shall be due shall be other than a Payment Date, an amount equal to interest at the Overdue Rate computed for the period from, and including, the final Payment Date to, but excluding, the date such Stipulated Loss Value shall be paid, plus (z) the Basic Rent payable on such Payment Date (if and to the extent Basic Rent is then being paid in arrears) and all other unpaid Rent for such Rail Equipment accrued to the date such payment of Stipulated Loss Value shall be due. After the payment in full of such Stipulated Loss Value and such other amounts, the Lessee's obligation to pay further Basic Rent with respect to such Rail Equipment shall terminate.

All payments (including, without limitation, condemnation awards and insurance proceeds) received by the Lessor or the Lessee from any governmental authority, insurance company or otherwise as compensation for an Event of Loss with respect to any Rail Equipment shall be applied in reduction of the Lessee's obligation to pay the Stipulated Loss Value of such Rail Equipment, if not already paid by the Lessee, or if already paid by the Lessee, shall be applied to reimburse the Lessee for its payment of Stipulated Loss Value, and the excess, if any, of such payments over such Stipulated Loss Value shall be retained by the Lessee; provided, that in the case of any condemnation awards, such excess, if any, shall be paid over to, and retained by, the Lessee and the Lessor, as their interests may appear. In the event that the Lessee shall make payment as provided above, including payment by application of compensation or insurance proceeds and shall pay all other Rent then owing under this Lease with respect to any Rail Equipment subject to an Event of Loss, this Lease shall terminate with respect to such Rail Equipment and the Lessee or its designee (i) shall be subrogated to all rights that the Lessor shall have with respect to such Rail Equipment, (ii)

shall, subject to the Lessee's obtaining any governmental consents required, receive assignments and bills of sale from the Lessor (in such form as the Lessee or such designee shall require) of any or all such rights, together with all the Lessor's right, title and interest in and to such Rail Equipment, free and clear of any Owner Encumbrances, but otherwise without any representation, recourse or warranty of any character on the part of the Lessor, and (iii) shall have the right to abandon such Rail Equipment to underwriters on behalf of the Lessor as well as itself. In such case, the Lessor shall, at the Lessee's expense, execute or cause to be executed such documents and take such other action as the Lessor shall require to effect the surrender to the insurance underwriters of such Rail Equipment. The Lease Term shall terminate with respect to such Rail Equipment upon payment of Stipulated Loss Value and all Rent therefor then owing.

(c) Replacement. Provided no Economic Event of Default or Economic Default shall have occurred and be continuing, in lieu of payment of all or a portion of the Stipulated Loss Value for any Rail Equipment due and owing as provided in subsection (b) above, the Lessee may, on or prior to the date on which such Stipulated Loss Value would have otherwise been due, convey or cause to be conveyed to Lessor, as replacement for any such Rail Equipment with respect to which an Event of Loss occurred, title to Replacement Rail Equipment free and clear of all Liens other than Permitted Encumbrances and having a value, utility and remaining useful life at least equal to, and being in as good operating condition as, such Rail Equipment with respect to which an Event of Loss occurred assuming such Rail Equipment was in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss. Prior to or at the time of any such conveyance, the Lessee, at its own expense, will furnish the Lessor with (i) a seller bill of sale, in form and substance satisfactory to Lessor, with respect to such Replacement Rail Equipment and (ii) a written opinion of Independent counsel selected by the Lessee and reasonably acceptable to the Lessor to the effect that the Lessor, and the Indenture Trustee as the assignee of the Owner Trustee's rights under the Lease, are entitled to the benefits of Section 1168 of the Federal Bankruptcy Code with respect to such Replacement Rail Equipment; provided, however, that the opinion described in the immediately preceding clause (ii) shall only be required if and to the extent that the Lessee has elected pursuant to this Section 11(c) to replace more than 10%, in the aggregate, of the original number of Units on the Closing Date. Upon full compliance by the Lessee with the terms of this Section 11(c), the Lessor will transfer to the Lessee, without recourse or warranty (except as to the Owner Encumbrances) and subject to a disclaimer satisfactory to the

Lessor of all liabilities, including tort and negligence with respect to such replaced Rail Equipment, all of the Lessor's right, title and interest, if any, in and to such replaced Rail Equipment with respect to which an Event of Loss occurred. For all purposes hereof, such Replacement Rail Equipment shall, after such conveyance, be deemed part of the property leased hereunder and shall be deemed "Rail Equipment" as defined herein. No Event of Loss with respect to any Rail Equipment under the circumstances contemplated by the terms of this Section 11(c) shall result in any reduction in Basic Rent.

(d) Tax Indemnification. If, within 30 days after any conveyance of title to Replacement Rail Equipment pursuant to Section 11(c), the Owner Participant provides the Lessee with a written opinion of independent tax counsel selected by the Owner Participant and reasonably acceptable to the Lessee to the effect that there will be a not insubstantial risk of adverse tax consequences to the Owner Participant resulting from such replacement, then the Lessee shall reimburse the Owner Participant for the reasonable fees and expenses of such tax counsel and shall indemnify the Owner Participant against such identified adverse tax consequences, to the extent that the Owner Participant would not have incurred such consequences but for such replacement; provided, however, the parties agree that in the absence of a change in applicable laws, regulations, revenue rulings, revenue procedures or judicial precedents enacted, adopted or decided after the Closing Date, such a replacement will not result in a risk of the Owner Participant not being considered the owner of the Rail Equipment for Federal or other income tax purposes.

SECTION 12. Termination for Obsolescence.

(a) Notwithstanding any provision herein contained to the contrary, so long as no Event of Default or Economic Default shall have occurred and be continuing, in the event that a Responsible Officer of the Lessee shall in his reasonable judgment make a determination that certain of the Rail Equipment shall have become economically obsolete or surplus to the Lessee's requirements and shall have delivered to the Lessor and the Indenture Trustee an Officer's Certificate to such effect (and which Officer's Certificate shall expressly state that such determination was made without regard to then prevailing interest rates), the Lessee shall have the right at its option, on at least 180 days' prior irrevocable written notice to the Lessor and the Indenture Trustee, to terminate this Lease with respect to not less than 20% of the Units then being leased under this Lease, randomly selected, on any Payment Date (for the purpose of this Section 12(a) called the "Termination Date") specified in such notice; provided, however, that the Lessee agrees, on behalf of the Lessor, to

give an irrevocable notice of redemption to the Indenture Trustee with respect to that portion of the Notes Outstanding to be redeemed pursuant to Section 401(b) of the Indenture in connection with such termination; and provided, further, that (a) the Termination Date shall occur on or after the fifth anniversary of the Basic Term Commencement Date for such Rail Equipment, (b) on the Termination Date such Rail Equipment shall be in the same condition and at the same location as if being returned pursuant to Sections 2(c) and 2(d) free and clear of all Liens (except as permitted by Section 2(d)), and (c) such Termination Date shall occur on a Payment Date at least 60 days after the Lessee, on behalf of the Lessor, gives the notice to the Indenture Trustee referred to in the first proviso to this sentence to redeem an aggregate principal amount of Notes Outstanding equal to the product of (i) the aggregate principal amount of Notes Outstanding on such date after application by the Indenture Trustee of Basic Rent (if and to the extent Basic Rent is then being paid in arrears) to the payment due on such date and (ii) a fraction the numerator of which is the Lessor's Cost for the Rail Equipment so being designated as obsolete or surplus and the denominator of which is the aggregate Lessor's Cost for all of the Rail Equipment then subject to the Indenture.

(b) During the period from the giving of such notice until the Termination Date, the Lessee, as agent for the Lessor, shall use its best efforts to obtain bids for the purchase of such Rail Equipment, and the Lessee shall certify to the Lessor the amount of each bid and the name and address of the party submitting such bid. The Lessor shall have the right to solicit bids, and the Lessee shall evaluate any such bids in good faith and extend to any bona fide potential purchasers identified by the Lessor the same right of inspection with respect to such Rail Equipment as it extends to other potential purchasers. On the Termination Date (or such later date as the Lessor and the Lessee may mutually agree) the Lessor shall sell such Rail Equipment for cash to the bidder who shall have submitted the highest bid prior to the Termination Date; provided, however, that the purchaser of such Rail Equipment shall be a Person other than the Lessee, any Affiliate of the Lessee or any successor or assign of the Lessee or any Person acting on behalf of any of them. The sales price (net of any costs and expenses incurred directly by the Lessor or the Owner Participant) realized at such sale shall be paid to the Lessor or to whoever shall be entitled to receive the same, and, in addition, on the Termination Date the Lessee shall pay to the Lessor, or to whoever shall be entitled to receive the same, the amount, if any, by which (i) the Termination Value for such Rail Equipment, computed as of such Payment Date, exceeds (ii) the sales price of such Rail Equipment net of costs and expenses referred to above (or, if

such sale does not occur on or prior to the Termination Date, the Lessee shall pay on the Termination Date to the Lessor, or to whoever shall be entitled to receive the same, the Termination Value specified in clause (i) above; provided, however, that any sale proceeds (net of the costs and expenses referred to above) received by the Lessor after the Termination Date shall be applied, first, to reimburse the Lessee for the amount specified in clause (i) above and, second, the balance (if any) shall be paid to the Lessor). In addition, the Lessee shall pay to the Lessor or to whoever shall be entitled to receive the same, the amount of the Basic Rent (if and to the extent Basic Rent is then being paid in arrears) payable on such Payment Date plus all other Rent then due with respect to such Rail Equipment. In the event of termination of this Lease as to any Rail Equipment pursuant to this Section 12 and the receipt by the Lessor, or by whoever shall be entitled to receive the same, of all amounts above described as payable, the obligation of the Lessee to pay Basic Rent in respect of such Rail Equipment on each Payment Date shall terminate. The Lessor shall be under no duty to solicit bids, to inquire into the efforts of the Lessee to obtain bids or otherwise to take any action or incur any cost or expense in connection with any sale pursuant to this Section 12, other than to transfer or to cause to be transferred to the purchaser named in the highest bid certified by the Lessee to the Lessor as above provided all the Lessor's right, title and interest in and to such Rail Equipment. Any sale pursuant to this Section 12 shall be free and clear of the Lessee's rights to such Rail Equipment, and any Owner Encumbrances, but otherwise shall be made without any representation, recourse or warranty whatsoever on the part of the Lessor except that the Lessor shall warrant to the purchaser that such Rail Equipment are free and clear of all Owner Encumbrances.

(c) The foregoing provisions of Section 12(b) to the contrary notwithstanding, the Lessor may, by irrevocable notice in writing given to the Lessee and the Indenture Trustee on or prior to the Termination Date, elect to retain such Rail Equipment, in which event the Lessor shall (i) pay, or provide for the payment to the Indenture Trustee in the manner provided in Section 404 of the Indenture, of an aggregate principal amount of the Notes Outstanding equal to the product of (A) the aggregate principal amount of Notes Outstanding on such date after the application by the Indenture Trustee of Basic Rent (if and to the extent Basic Rent is then being paid in arrears) to the payment due on such date and (B) a fraction the numerator of which is the aggregate Lessor's Cost for such Rail Equipment so being designated as obsolete or surplus and the denominator of which is the aggregate Lessor's Cost for all of the Rail Equipment then subject to this Lease, together with accrued interest (if and to the extent Basic Rent is then being

paid in arrears) thereon to the Termination Date, and (ii) deliver to the Lessee a release of all obligations of the Lessee to pay Basic Rent with respect to such Rail Equipment on any and all Payment Dates accruing on (if Basic Rent has been paid in advance) and after (but not on, if Basic Rent is then being paid in arrears, or before) the Termination Date, as well as of the obligation of the Lessee to pay the Termination Value in respect thereof.

SECTION 13. Assignment and Sublease.

(a) Assignment. If no Event of Default or Economic Default has occurred and is continuing, the Lessee may with the prior written consent of the Lessor and the Indenture Trustee (so long as the Indenture shall not have been discharged in accordance with its terms), which consent of the Lessor and the Indenture Trustee (and, in the case of Section 703(b) of the Indenture, the Holders) shall not be unreasonably withheld (it being understood that the creditworthiness of the assignee shall be relevant in determining the reasonableness of any withholding of consent hereunder), assign all of its rights and obligations under this Lease and the other Operative Documents to any Person which is a Class I Railroad; provided, however, that no such consent of the Lessor or the Indenture Trustee shall be required in the case of an assignment to an Affiliate of the Lessee if the Lessee remains liable for all its obligations under this Lease and the other Operative Documents to which it is a party to the same extent as if such assignment to such Affiliate had not been made; and provided, further, that (i) such assignment shall be effected by documentation reasonably satisfactory to the Lessor and the Indenture Trustee pursuant to which the assignee assumes all of the Lessee's obligations hereunder and under the other Operative Documents including, without limitation, the Lessee's obligations under Section 5 hereof and (ii) such assignment would not adversely affect the availability to the Indenture Trustee of benefits under Section 1168 of the Federal Bankruptcy Code with respect to the Rail Equipment and an Opinion of Counsel to such effect shall have been delivered to the Indenture Trustee and the Lessor. The Lessee agrees to give the Lessor timely notice following any assignment of this Lease to an Affiliate. Upon such assignment, the Lessee shall (except as otherwise provided in the first proviso to the first sentence of this Section 13(a)) be released from its obligations hereunder, and, if requested by the Lessee, the Lessor, at the expense of the Lessee, shall execute and deliver such documents as may be necessary or appropriate to effectuate and confirm such release.

(b) Sublease. The Lessee shall have the right, so long as no Economic Default or Event of Default shall have occurred and be continuing, to enter into a sublease for any

Rail Equipment for use within the United States, Mexico and Canada; provided, however, that (i) each such sublease shall be expressly subject and subordinate to the terms of this Lease and the Lessee shall remain liable for all its obligations under this Lease and the other Operative Documents to which it is a party to the same extent as if such sublease were not in effect; (ii) such sublease will expressly prohibit any further sub-subleasing, except to an Affiliate of the Lessee; (iii) such sublease shall contain default provisions comparable to those set forth in paragraphs (e) and (f) of Section 14; and (iv) the sublessee under such sublease shall not then be the subject of a petition filed under the bankruptcy laws or other insolvency laws now or hereafter in effect in the United States or other relevant jurisdiction. No such sublease shall relieve the Lessee of its obligations hereunder which shall be and remain those of a principal and not a surety. The Lessee agrees to give the Lessor timely notice following any sublease of any Rail Equipment to a non-Affiliate for a term in excess of six months. For purposes of this Section 13(b), normal interchange, "run-through" and pooling arrangements in the ordinary course of business shall not be considered to constitute subleases, nor shall any arrangements which do not require a change in the markings or serial, road or other identifying numbers of the affected Rail Equipment.

(c) Indenture. The Lessee hereby specifically consents to the mortgage, pledge and assignments effected or to be effected by the Indenture. The Lessee agrees to deliver any further consents and acknowledgments with respect to any such mortgage, pledge or assignments as the Lessor or the Indenture Trustee may request.

(d) Assignment by Lessor. The Lessor agrees that it will not assign or transfer its right, title and interest in and to this Lease or any Rail Equipment, except as contemplated by the Indenture and except that the Lessor may prior to the end of the Basic Term or any Renewal Term, as the case may be, agree to sell or otherwise dispose of such Rail Equipment effective at or after the end of the Basic Term or such Renewal Term, as the case may be, provided that any such agreement is stated expressly to be subject and subordinate to the Indenture, unless the Indenture is no longer in effect, and to the rights of the Lessee hereunder. Prior to executing any such assignment of its rights hereunder, the Lessor shall notify the Lessee and the Indenture Trustee thereof.

SECTION 14. Events of Default. Each of the following events shall constitute an "Event of Default" (whether any such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) the Lessee shall fail to make any payment of Basic Rent or Supplemental Rent (to the extent such Supplemental Rent constitutes payment of Stipulated Loss Value, Termination Value or Projected Fair Market Sales Value - EBO) on the date the same shall become due and such failure shall be continuing at the end of the 10th day after such payment shall become due; or

(b) the Lessee shall fail to make any payment of Rent other than Basic Rent or Supplemental Rent which constitutes payment of Stipulated Loss Value, Termination Value or Projected Fair Market Sales Value - EBO before the end of the 10th Business Day after the Lessee (and, if such demand is being made by the Indenture Trustee, the Lessor) shall have received written demand for such payment from the Lessor or the Indenture Trustee; or

(c) the Lessee shall fail to perform or observe in a material respect any covenant, condition or agreement to be performed or observed by it hereunder (other than those referred to in paragraphs (a) or (b) of this Section 14) or under any other Operative Document to which it is a party (except for the Tax Indemnification Agreement) and the Lessee shall not have diligently commenced to cure such failure (in the case of a cure that cannot be effected by the payment of money and where such failure will not result in criminal penalties or material civil penalties for the Lessor or the Owner Participant and is not likely to have a material adverse effect on the aggregate value of the Rail Equipment then being leased hereunder) or shall not have cured such failure (in the case of a cure that can be effected by the payment of money or which is likely to have a material adverse effect on the aggregate value of the Rail Equipment then being leased hereunder) on or prior to the 30th day after the Lessee (and, if such notice is being given by the Indenture Trustee, the Lessor) shall have received notice of such failure from the Lessor or from the Indenture Trustee; provided, however, that the failure by Lessee to cure such failure (in the case of a cure that cannot be effected by the payment of money) within 180 days after receiving such notice shall constitute an immediate Event of Default, unless the Lessor is satisfied (in its reasonable judgment) that such failure is capable of cure within a reasonable additional period of time; or

(d) any representation or warranty made by the Lessee herein or in any Operative Document (other than the Tax Indemnification Agreement) or any document or certificate furnished by it to the Lessor, the Indenture Trustee or the Owner Participant shall prove at any time to be incorrect as of the date made in any material respect; or

(e) the Lessee shall file a voluntary petition in bankruptcy or a voluntary petition or an answer seeking reorganization in a proceeding under any applicable bankruptcy or insolvency law (as now or hereafter in effect) or an answer admitting the material allegations of a petition filed against the Lessee in any such proceeding, or the Lessee shall by voluntary petition, answer or consent, seek relief under the provisions of any now existing or future bankruptcy, insolvency or other similar law providing for the liquidation, reorganization or winding-up of corporations, or providing for an agreement, composition, extension or adjustment with its creditors; or

(f) a receiver, trustee, liquidator or custodian of the Lessee or of a substantial part of its property shall be appointed by court order and such order shall remain in effect for more than 60 days; or the Lessee shall be adjudicated bankrupt or insolvent or any of its properties shall be sequestered by court order and such order shall remain in effect for more than 60 days; or a petition shall be filed against the Lessee under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and shall not be dismissed within 60 days after such filing.

SECTION 15. Action Following an Event of Default.

Upon the occurrence of an Event of Default and at any time thereafter so long as the same shall be continuing, the Lessor may, at its option, declare this Lease to be in default (except that no such declaration shall be required in the case of an Event of Default pursuant to paragraph (e) or (f) of Section 14); and at any time thereafter, so long as the Lessee shall not have remedied all outstanding Events of Default, the Lessor may do, and the Lessee shall comply with, one or more of the following, as the Lessor in its sole discretion shall so elect, to the extent permitted by and subject to compliance with, any mandatory requirements of applicable law then in effect:

(a) Redelivery and Retaking. Upon written demand, the Lessor may cause the Lessee, at the Lessee's expense, to, and the Lessee hereby agrees that it will, promptly redeliver the Rail Equipment, or cause the Rail Equipment to be redelivered, to the Lessor with all reasonable dispatch and in the same manner and in the same condition as if the Rail Equipment were being redelivered in accordance with all the provisions of Sections 2(c) and 2(d) and all obligations of the Lessee under said Sections shall apply to such redelivery; or the Lessor or its agent, at the Lessor's option, without further notice, may, but shall be under no obligation to, retake the Rail Equipment wherever found, and irrespective of whether the Lessee, any sublessee or any other Person is in possession of the Rail Equipment or any of them, all without prior demand and without legal process, and for that purpose the Lessor or its agent may enter upon any premises, where any such Rail Equipment is and may take possession thereof, without the Lessor or its agent incurring any liability by reason of such retaking, whether for the restoration of damage to property caused by such retaking or for any other reason. The exercise by the Lessor of its remedies under this paragraph (a) shall be without prejudice, and in addition, to any of the Lessor's other remedies referred to below in this Section 15.

(b) Liquidated Damages. Provided the Lessor shall not have exercised any remedies under paragraph (c) of this Section 15, the Lessor, by written notice to the Lessee specifying a payment date not earlier than 10 nor later than 100 days from the date of such notice, may require the Lessee to pay to the Lessor, and the Lessee hereby agrees that it will pay to the Lessor on the payment date specified in such notice, as liquidated damages for loss of a bargain and not as a penalty, and in lieu of any further Basic Rent payments hereunder with respect to any Rail Equipment, all Basic Rent for such Rail Equipment payable on the Payment Date occurring on (if Basic Rent is then being paid in arrears) or before the payment date specified in such notice, plus any Supplemental Rent then due, plus an amount equal to the Stipulated Loss Value for such Rail Equipment computed as of the Payment Date immediately preceding the payment date specified in such notice (or as of such payment date if such payment date is a Payment Date), together with interest on such amount at the Overdue Rate for the period, if any, from the Payment Date as of which such Stipulated Loss Value shall be computed to and

including the date of actual payment, and, provided, that if the Lessee shall have made the foregoing payments in full, the Lessor shall thereafter pay over to the Lessee, as and when from time to time received, the net proceeds of any sale, lease or other disposition of such Rail Equipment (after deducting all costs and expenses whatsoever incurred by the Lessor, the Owner Participant and the Indenture Trustee in connection therewith and all other amounts which may become payable to the Lessor and the Owner Participant with respect thereto) up to the amount of such Stipulated Loss Value actually paid.

(c) Alternate Liquidated Damages. Whether or not the Lessor shall have exercised, or shall thereafter at any time exercise, any options, rights or remedies under paragraph (a) or (d) of this Section 15, the Lessor, in lieu of exercising its rights under paragraph (b) of this Section 15, may, by notice to the Lessee specifying a Payment Date which is not earlier than 10 days after the date of such notice, demand that the Lessee pay to the Lessor and the Lessee shall pay to the Lessor, on such Payment Date, as liquidated damages for loss of a bargain and not as a penalty, and in lieu of Basic Rent for any Rail Equipment due for periods commencing on or after such Payment Date, all unpaid Basic Rent for such Rail Equipment payable on each Payment Date occurring on (if Basic Rent is then being paid in arrears) or prior to such Payment Date, plus any Supplemental Rent then due with respect therefor, plus whichever of the following amounts the Owner Trustee, in its sole discretion, shall specify in such notice (together with interest on such amount at the Overdue Rate for the period from the Payment Date specified in such notice to the date of actual payment):

(i) an amount equal to the excess, if any, of the Stipulated Loss Value of such Rail Equipment computed as of the Payment Date specified in such notice, over the Fair Market Rent thereof, determined by an Appraiser selected by the Lessor, for the remainder of the Lease Term applicable to such Rail Equipment after discounting such Fair Market Rent semi-annually to present worth as of such Payment Date at the Prime Rate; or

(ii) an amount equal to the excess, if any, of the Stipulated Loss Value of such Rail Equipment computed as of the Payment Date specified in such notice, over the Fair Market Sale Value thereof,

determined by an Appraiser selected by the Lessor, as of such Payment Date;

provided, however, that if such Rail Equipment cannot be repossessed the Fair Market Rent and the Fair Market Sale Value of such Rail Equipment for purposes of this Section 15(c) shall be deemed to be equal to zero.

(d) Sale; Use. The Lessor or its agent may sell any Rail Equipment at a public or private sale, by such advertisement or publication as the Lessor may determine, or otherwise may dispose of, hold, use, operate, lease (whether for a period greater or less than the balance of what would have been the Lease Term in the absence of the termination of the Lessee's rights to such Rail Equipment) to others or keep idle such Rail Equipment, all on such terms and conditions and at such place or places as Lessor may determine and all free and clear of any rights of the Lessee and of any claim of the Lessee in equity, at law or by statute, whether for loss or damage or otherwise, and without any duty to account to the Lessee except to the extent specifically provided in paragraph (b) above.

(e) Other Remedies. Subject to and without prejudice to any right or claim of the Indenture Trustee under the Indenture, the Lessor may exercise any other right or remedy, not inconsistent with the foregoing, that may be available to it under applicable law or in equity or proceed by appropriate court action to enforce the terms of this Lease or to recover damages for the breach hereof or to rescind this Lease.

In addition, the Lessee shall be liable, on an After-Tax Basis, for any and all Supplemental Rent payable hereunder before, during or after the exercise of any of the foregoing remedies, which Supplemental Rent shall include all reasonable legal fees and other costs and expenses incurred by the Lessor, the Owner Participant and the Indenture Trustee by reason of the occurrence of any Event of Default or by reason of the exercise by the Lessor, the Owner Participant or the Indenture Trustee of any remedy hereunder, including, without limitation, any costs and expenses incurred by the Owner Participant, the Lessor or the Indenture Trustee in connection with any retaking of any Rail Equipment or, upon the redelivery or retaking of such Rail Equipment in accordance with this Section 15, the placing of such Rail Equipment in the condition required by the terms of Sections 2(d) and 5. Except as

specifically provided herein, no remedy referred to in this Section 15 is intended to be exclusive, but each shall be cumulative and is in addition to, and may be exercised concurrently with, any other remedy which is referred to in this Section 15 or which may otherwise be available at law, or in equity; provided, however, that liquidated damages having been agreed to by the parties hereto pursuant to paragraphs (b) and (c), above, the Lessor shall not be entitled to recover from the Lessee as damages upon the occurrence of one or more Events of Default an amount in excess of such liquidated damages plus any other Rent owing pursuant to the terms of this Lease. To the extent not required to satisfy any Notes and other amounts then payable under the Indenture, there shall be deducted from the aggregate amount so recoverable by the Lessor the net balance, if any, remaining of any moneys held by the Lessor which would have been required by the terms hereof or any other Operative Agreement to have been paid to the Lessee but for the occurrence of an Event of Default. To the extent permitted by applicable law, the rights of the Lessor and the obligations of the Lessee under this Section 15 shall be effective and enforceable regardless of the pendency of any proceeding which has or might have the effect of preventing the Lessor and the Lessee from complying with the terms of this Lease. No express or implied waiver by the Lessor of any Event of Default shall in any way be, or be construed to be, a waiver of any further or subsequent Event of Default.

SECTION 16. Notices. All notices, demands, declarations and other communications required under the terms and provisions hereof shall be in writing (including telex or telecopy), and shall be addressed (i) if to the Lessee, at its address at 100 North Charles Street B7J, Baltimore, Maryland 21201, Telecopy: (301)237-2548, Attention: Treasury Department; (ii) if to the Lessor or WTC at its address at Rodney Square North, Wilmington, DE 19890, Attention: Corporate Trust Administration (telecopy (302) 651-8464), with a copy to the Owner Participant at its address specified in the Participation Agreement, (iii) if to the Indenture Trustee, at its address at P.O. Box 2258, Baltimore, Maryland 21203 (if by mail) and 2 Hopkins Plaza, Baltimore, Maryland 21201 (if by air express or by hand), Attention: Corporate Trust Department (telecopy (301) 347-8211), (iv) if to any Participant, at its respective address specified in the Participation Agreement, or (v) if to any of the foregoing, at such other address as such Person may from time to time designate in writing to the other Persons referred to in this Section 16. Notice shall be effective on receipt.

SECTION 17. Further Assurances and Financial
and Other Information.

(a) Further Assurances; Perfection of Security Interests. The Lessee hereby agrees promptly and duly to execute and deliver to the Lessor or the Indenture Trustee such further documents and assurances and take such further action as the same may from time to time reasonably request in order more effectively to carry out the intent and purpose of this Lease and to establish and protect the rights and remedies created or intended to be created in favor of the Lessor and the Indenture Trustee hereunder and under the Indenture. The Lessee will at all times cause to be kept filed, and refiled any required financing and continuation statements and cause to be taken such other actions, as in the opinion of counsel are required by law in order fully to perfect, preserve and protect the lien of the Indenture. The Lessee will pay or cause to be paid all taxes, fees and other charges in connection with such filing and refiling.

(b) Information as to Lessee. The Lessee agrees to furnish to the Lessor, the Owner Participant and the Indenture Trustee, in quantities reasonably requested, the following:

SECTION 18. Successor Banks and Trustees. The Lessee agrees that in the case of the appointment of any successor trustee pursuant to the terms of the Trust Agreement or the Indenture, such successor trustee shall, upon written notice by such successor trustee to the Lessee, succeed to all the

respective rights, powers and title of WTC and the Lessor hereunder or to all the rights and powers of the Indenture Trustee hereunder, as the case may be, and shall be deemed to be the owner or mortgagee, respectively, of the Rail Equipment for all purposes hereof, without the necessity of any consent or approval by the Lessee and without in any way altering the terms of this Lease or the Lessee's obligations hereunder. One such appointment and designation of a successor trustee shall not exhaust the right to appoint and designate further successor trustees pursuant to the Trust Agreement or the Indenture, but such right may be exercised repeatedly as long as this Lease shall be in effect. The trustee or any successor trustee from time to time serving thereunder may, but shall not be obligated to, appoint one or more of its officers as attorney-in-fact for such trustee or such successor trustee, as the case may be, to execute any and all notices, consents and approvals or other documents necessary or desirable to be executed in connection with this Lease or with the Rail Equipment.

SECTION 19. The Indenture Trustee. The provisions of this Lease that require or permit action by, the payment of any moneys to, the consent or approval of, the furnishing of any instrument or information to, or the performance of any other obligation to, the Indenture Trustee shall not be effective, and the Sections hereof containing such provisions shall be read as though there were no such requirements or provisions and all moneys otherwise payable to the Indenture Trustee hereunder shall be paid to the Lessor, after the Indenture Trustee shall have given the Lessee and the Lessor written notice of the satisfaction and discharge of the Indenture.

SECTION 20. Warranty Enforcement. For so long as no Event of Default has occurred and is continuing, the Lessor constitutes the Lessee as the agent and attorney-in-fact of the Lessor for the purpose of exercising and enforcing, and with full right, power and authority to exercise and to enforce, to the exclusion of the Lessor and all Persons claiming through or under the Lessor, all of the right, title and interest of the Lessor in, under and to all manufacturer's warranties in respect of the Rail Equipment. The Lessor shall execute and deliver any instruments necessary to enable the Lessee to enforce such rights.

SECTION 21. Lessor's Right to Perform for the Lessee. If the Lessee fails to make any payment of Rent required to be made by it hereunder or fails to perform or comply with any of its agreements contained herein, the Lessor may, on behalf of the Lessee and upon notice to the Lessee, itself make such payment or perform such agreement and such payment or performance shall be a cure in respect of any Event

of Default which has occurred as a result of the Lessee's failure to pay such Rent or to perform or comply with such agreement, as the case may be. The amount of any such payment and the amount of the reasonable expenses of the Lessor incurred in connection with such payment or performance, together with interest thereon, to the extent permitted by Applicable Law, at the Overdue Rate, shall be deemed Supplemental Rent, payable by the Lessee upon demand. This Section 21 is not, however, intended in any way as between the Owner Participant and the Lessor, on the one hand, and the Indenture Trustee and the Holders, on the other hand, to expand or otherwise vary the cure rights of the Owner Participant and the Lessor set forth in Section 1203 of the Indenture, or the limitations on exercise thereof set forth.

SECTION 22. Filings. Prior to the delivery and acceptance of any Rail Equipment, the Lessee will, at its sole expense, (i) cause this Lease, the Indenture and the Lease and Indenture Supplement to be duly filed and recorded with the ICC in accordance with 49 U.S.C. §11303 and (ii) cause financing statements under the Uniform Commercial Code to be filed against the Lessor in respect of the security interests created by the Indenture in all places reasonably specified by the Indenture Trustee as necessary or desirable to perfect such security interests. The Lessee will, from time to time, do and perform any other act and will execute, acknowledge, deliver, file, register and record (and will refile, reregister or rerecord whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Indenture Trustee as its assignee under the Indenture for the purpose of protecting the Lessor's title to, or such assignee's security interest in, any Rail Equipment, or will furnish to the Lessor and the Indenture Trustee timely notice of the necessity of such action and in connection with any such action, will deliver to the Lessor and such assignee proof of such filings. The Lessee will pay all costs, charges and expenses incident to any such filing, refiling, recording and rerecording or depositing and redepositing of any such instruments.

SECTION 23. Miscellaneous.

(e) Descriptive Headings. The descriptive headings of the several sections and paragraphs of this Lease are inserted for convenience of reference only and do not constitute a part of this Lease.

(f) Counterparts. This Lease may be executed by the parties hereto on separate counterparts, each of which, when so executed and delivered, shall be an original, but all such counterparts shall together constitute but one and the same instrument.

(g) Severability of Provisions. Any provision of this Lease which may be determined by competent authority to be prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by Applicable Law, the Lessee hereby waives any provision of law which renders any provision hereof prohibited or unenforceable in any respect.

(h) Governing Law. THIS LEASE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF MARYLAND.

(i) Consent of Indenture Trustee. To the extent that any provision hereof or of any other Operative Document requires the consent of the Indenture Trustee, such consent shall not be required in the event that the Indenture shall not be in effect.

(j) Quiet Enjoyment. The parties to the Participation Agreement have agreed that so long as no Event of Default has occurred and is continuing, and notwithstanding any default by the Owner Trustee, any Participant or the Indenture Trustee under the Participation Agreement, the Trust Agreement or the Indenture, the Lessee shall have the right to the quiet

enjoyment of, and the continued possession, use and operation of, the Rail Equipment during the Lease Term, and that this Lease shall not be terminated except as expressly provided herein.
