Grantor authorizes Lender, to the extent permitted by applicable law, to charge or setoff all Indebtedness against any and all such accounts, and, at Lender's option, to administratively freeze all such accounts to allow Lender to protect Lender's charge and setoff rights provided in this paragraph.

**OBLIGATIONS OF GRANTOR.** Grantor warrants and covenants to Lender as follows:

**Organization.** Grantor is a corporation which is duly organized, validly existing, and in good standing under the laws of the state of Grantor's incorporation.

**Authorization.** The execution, delivery, and performance of this Agreement by Grantor have been duly authorized by all necessary action by

Grantor and do not conflict with, result in a violation of, or constitute a default under (a) any provision of its articles of incorporation or organization, or bylaws, or any agreement or other instrument binding upon Grantor or (b) any law, governmental regulation, court decree, or order applicable to Grantor.

**Perfection of Security Interest.** Grantor agrees to execute such financing statements and to take whatever other actions are requested by Lender to perfect and continue Lender's security interest in the Collateral. Upon request of Lender, Grantor will deliver to Lender any and all of the documents evidencing or constituting the Collateral, and Grantor will note Lender's interest upon any and all chattel paper if not delivered to Lender for possession by Lender. Grantor hereby appoints Lender as its irrevocable attorney-in-fact for the purpose of executing any documents necessary to perfect or to continue the security interest granted in this Agreement. Lender may at any time, and without further authorization from Grantor, file a carbon, photographic or other reproduction of any financing statement or of this Agreement for use as a financing statement. Grantor will reimburse Lender for all expenses for the perfection and the continuation of the perfection of Lender's security interest in the Collateral. Grantor promptly will notify Lender before any change in Grantor's name including any change to the assumed business names of Grantor.

**No Violation.** The execution and delivery of this Agreement will not violate any law or agreement governing Grantor or to which Grantor is a party, and its certificate or articles of incorporation and bylaws do not prohibit any term or condition of this Agreement.

**Enforceability of Collateral.** To the extent the Collateral consists of accounts, chattel paper, or general intangibles, the Collateral is enforceable in accordance with its terms, is genuine, and complies with applicable laws concerning form, content and manner of preparation and execution, and all persons appearing to be obligated on the Collateral have authority and capacity to contract and are in fact obligated as they appear to be on the Collateral.

**Location of the Collateral.** Grantor, upon request of Lender, will deliver to Lender in form satisfactory to Lender a schedule of real properties and Collateral locations relating to Grantor's operations, including without limitation the following: (a) all real property owned or being purchased by Grantor; (b) all real property being rented or leased by Grantor; (c) all storage facilities owned, rented, leased, or being used by Grantor; and (d) all other properties where Collateral is or may be located. Except in the ordinary course of its business, Grantor shall not remove the Collateral from its existing locations without the prior written consent of Lender.

**Removal of Collateral.** Grantor shall keep the Collateral (or to the extent the Collateral consists of intangible property such as accounts, the records concerning the Collateral) at Grantor's address shown above, or at such other locations as are acceptable to Lender. Except in the ordinary course of its business, including the sales of inventory, Grantor shall not remove the Collateral from its existing locations without the prior written consent of Lender. To the extent that the Collateral consists of vehicles, or other titled property, Grantor shall not take or permit any action which would require application for certificates of title for the vehicles outside the State of Texas, without the prior written consent of Lender.

**Transactions Involving Collateral.** Except for inventory sold or accounts collected in the ordinary course of Grantor's business, Grantor shall not sell, offer to sell, or otherwise transfer or dispose of the Collateral. While Grantor is not in default under this Agreement, Grantor may sell inventory, but only in the ordinary course of its business and only to buyers who qualify as a buyer in the ordinary course of business. A sale in the ordinary course of Grantor's business does not include a transfer in partial or total satisfaction of a debt or any bulk sale. Grantor shall not pledge, mortgage, encumber or otherwise permit the Collateral to be subject to any lien, security interest, encumbrance, or charge, other than the security interest provided for in this Agreement, without the prior written consent of Lender. This includes security interests even if junior in right to the security interests granted under this Agreement. Unless waived by Lender, all proceeds from any disposition of the Collateral (for whatever reason) shall be held in trust for Lender and shall not be commingled with any other funds; provided however, this requirement shall not constitute consent by Lender to any sale or other disposition. Upon receipt, Grantor shall immediately deliver any such proceeds to Lender.

**Title.** Grantor represents and warrants to Lender that it holds good and marketable title to the Collateral, free and clear of all liens and encumbrances except for the lien of this Agreement. No financing statement covering any of the Collateral is on file in any public office other than those which reflect the security interest created by this Agreement or to which Lender has specifically consented. Grantor shall defend Lender's rights in the Collateral against the claims and demands of all other persons.

**Collateral Schedules and Locations.** Insofar as the Collateral consists of inventory, Grantor shall deliver to Lender, as often as Lender shall require, such lists, descriptions, and designations of such Collateral as Lender may require to identify the nature, extent, and location of such Collateral. Such information shall be submitted for Grantor and each of its subsidiaries or related companies.

**Maintenance and Inspection of Collateral.** Grantor shall maintain all tangible Collateral in good condition and repair. Grantor will not commit or permit damage to or destruction of the Collateral or any part of the Collateral. Lender and its designated representatives and agents shall have the right at all reasonable times to examine, inspect, and audit the Collateral wherever located. Grantor shall immediately notify Lender of all cases involving the return, rejection, repossession, loss or damage of or to any Collateral; of any request for credit or adjustment or of any other dispute arising with respect to the Collateral; and generally of all happenings and events affecting the Collateral or the value or the amount of the Collateral.

**Taxes, Assessments and Liens.** Grantor will pay when due all taxes, assessments and liens upon the Collateral, its use or operation, upon this Agreement, upon any promissory note or notes evidencing the indebtedness, or upon any of the other Related Documents. Grantor may withhold any such payment or may elect to contest any lien if Grantor is in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized in Lender's sole opinion. If the Collateral is subjected to a lien which is not discharged within fifteen (15) days, Grantor shall deposit with Lender cash, a sufficient corporate surety bond or other security satisfactory to Lender in an amount adequate to provide for the discharge of the lien plus any interest, costs or other charges that could accrue as a result of foreclosure or sale of the Collateral. In any contest Grantor shall defend itself and Lender and shall satisfy any final adverse judgment before enforcement against the Collateral. Grantor shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings.

**Compliance With Governmental Requirements.** Grantor shall comply promptly with all laws, ordinances, rules and regulations of all governmental authorities, now or hereafter in effect, applicable to the ownership, production, disposition, or use of the Collateral. Grantor may contest in good faith any such law, ordinance or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Lender's interest in the Collateral, in Lender's opinion, is not jeopardized.

**Hazardous Substances.** Grantor represents and warrants that the Collateral never has been, and never will be so long as this Agreement remains a lien on the Collateral, used for the generation, manufacture, storage, transportation, treatment, disposal, release or threatened release of any hazardous waste or substance, as those terms are defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq. ("CERCLA"), the Superfund Amendments and Reauthorization Act of 1986, Pub. L. No. 99-499 ("SARA"), the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq., the Resource Conservation and Recovery Act, 49 U.S.C. Section 6901, et seq., or other applicable state or Federal laws, rules, or regulations adopted pursuant to any of the foregoing. The terms "hazardous waste" and "hazardous substance" shall also include, without limitation, petroleum and petroleum by-products or any fraction thereof and asbestos. The representations and warranties contained herein are based on Grantor's due diligence in investigating the Collateral for hazardous wastes and substances. Grantor hereby (a) releases and waives any future claims against Lender for indemnity or contribution in the

Event Grantor becomes liable for cleanup or other costs under any such laws, and (b) agrees to indemnify and hold harmless Lender against any and all claims and losses resulting from a breach of this provision of this Agreement. This obligation to indemnify shall survive the payment of the Indebtedness and the satisfaction of this Agreement.

**Maintenance of Casualty Insurance.** Grantor shall procure and maintain all risks insurance, including without limitation fire, theft and liability coverage together with such other insurance as Lender may require with respect to the Collateral, in form, amounts, coverages and basis reasonably acceptable to Lender. GRANTOR MAY FURNISH THE REQUIRED INSURANCE WHETHER THROUGH EXISTING POLICIES OWNED OR CONTROLLED BY GRANTOR OR THROUGH EQUIVALENT INSURANCE FROM ANY INSURANCE COMPANY AUTHORIZED TO TRANSACT BUSINESS IN THE STATE OF TEXAS. If Grantor fails to provide any required insurance or fails to continue such insurance in force, Lender may, but shall not be required to, do so at Grantor's expense, and the cost of the insurance will be added to the Indebtedness. If any such insurance is procured by Lender at a rate or charge not fixed or approved by the State Board of Insurance, Grantor will be so notified, and Grantor will have the option for five (5) days of furnishing equivalent insurance through any insurer authorized to transact business in Texas. Grantor, upon request of Lender, will deliver to Lender from time to time the policies or certificates of insurance in form satisfactory to Lender, including stipulations that coverages will not be cancelled or diminished without at least ten (10) days' prior written notice to Lender and not including any disclaimer of the insurer's liability for failure to give such a notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. In connection with all policies covering assets in which Lender holds or is offered a security interest, Grantor will provide Lender with such loss payable or other endorsements as Lender may require. If Grantor at any time fails to obtain or maintain any insurance as required under this Agreement, Lender may (but shall not be obligated to) obtain such insurance as Lender deems appropriate, including if it so chooses "single interest insurance," which will cover only Lender's interest in the Collateral.

**Application of Insurance Proceeds.** Grantor shall promptly notify Lender of any loss or damage to the Collateral. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. All proceeds of any insurance on the Collateral, including accrued proceeds thereon, shall be held by Lender as part of the Collateral. If Lender consents to repair or replacement of the damaged or destroyed Collateral, Lender shall, upon satisfactory proof of expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration. If Lender does not consent to repair or replacement of the Collateral, Lender shall retain a sufficient amount of the proceeds to pay all of the Indebtedness, and shall pay the balance to Grantor. Any proceeds which have not been disbursed within six (6) months after their receipt and which Grantor has not committed to the repair or restoration of the Collateral shall be used to prepay the Indebtedness.

**Insurance Reserves.** Lender may require Grantor to maintain with Lender reserves for payment of insurance premiums, which reserves shall be created by monthly payments from Grantor of a sum estimated by Lender to be sufficient to produce, at least fifteen (15) days before the premium due date, amounts at least equal to the insurance premiums to be paid. If fifteen (15) days before payment is due, the reserve funds are insufficient, Grantor shall upon demand pay any deficiency to Lender. The reserve funds shall be held by Lender as a general deposit and shall constitute a non-interest-bearing account which Lender may satisfy by payment of the insurance premiums required to be paid by Grantor as they become due. Lender does not hold the reserve funds in trust for Grantor, and Lender is not the agent of Grantor for payment of the insurance premiums required to be paid by Grantor. The responsibility for the payment of premiums shall remain Grantor's sole responsibility.

**Insurance Reports.** Grantor, upon request of Lender, shall furnish to Lender reports on each existing policy of insurance showing such information as Lender may reasonably request including the following: (a) the name of the insurer; (b) the risks insured; (c) the amount of the policy; (d) the property insured; (e) the then current value on the basis of which insurance has been obtained and the manner of determining that value; and (f) the expiration date of the policy. In addition, Grantor shall upon request by Lender (however not more often than annually) have an independent appraiser satisfactory to Lender determine, as applicable, the cash value or replacement cost of the Collateral.

**GRANTOR'S RIGHT TO POSSESSION.** Until default, Grantor may have possession of the tangible personal property and beneficial use of all the Collateral and may use it in any lawful manner not inconsistent with this Agreement or the Related Documents, provided that Grantor's right to possession and beneficial use shall not apply to any Collateral where possession of the Collateral by Lender is required by law to perfect Lender's security interest in such Collateral. If Lender at any time has possession of any Collateral, whether before or after an Event of Default, Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral if Lender takes such action for that purpose as Grantor shall request or as Lender, in Lender's sole discretion, shall deem appropriate under the circumstances, but failure to honor any request by Grantor shall not of itself be deemed to be a failure to exercise reasonable care. Lender shall not be required to take any steps necessary to preserve any rights in the Collateral against prior parties, nor to protect, preserve or maintain any security interest given to secure the Indebtedness.

**EXPENDITURES BY LENDER.** If not discharged or paid when due, Lender may (but shall not be obligated to) discharge or pay any amounts required to be discharged or paid by Grantor under this Agreement, including without limitation all taxes, liens, security interests, encumbrances, and other claims, at any time levied or placed on the Collateral. Lender also may (but shall not be obligated to) pay all costs for insuring, maintaining and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the Note rate from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses shall become a part of the Indebtedness and, at Lender's option, will (a) be payable on demand, (b) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (i) the term of any applicable insurance policy or (ii) the remaining term of the Note, or (c) be treated as a balloon payment which will be due and payable at the Note's maturity. This Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon the occurrence of an Event of Default.

**EVENTS OF DEFAULT.** Each of the following shall constitute an Event of Default under this Agreement:

**Default on Indebtedness.** Failure of Grantor to make any payment when due on the Indebtedness.

**Other Defaults.** Failure of Grantor to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or in any other agreement between Lender and Grantor.

**Insolvency.** The dissolution or termination of Grantor's existence as a going business, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

**Creditor or Forfeiture Proceedings.** Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against the Collateral or any other collateral securing the Indebtedness. This includes a garnishment of any of Grantor's deposit accounts with Lender.

**Events Affecting Guarantor.** Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or such Guarantor dies or becomes incompetent.

**Adverse Change.** A material adverse change occurs in Grantor's financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

**RIGHTS AND REMEDIES ON DEFAULT.** If an Event of Default occurs under this Agreement, at any time thereafter, Lender shall have all the rights of a secured party under the Texas Uniform Commercial Code. In addition and without limitation, Lender may exercise any one or more of the following rights and remedies:

**Accelerate Indebtedness.** Lender may declare the entire Indebtedness immediately due and payable, without notice.

**Assemble Collateral.** Lender may require Grantor to deliver to Lender all or any portion of the Collateral and any and all certificates of title and other documents relating to the Collateral. Lender may require Grantor to assemble the Collateral and make it available to Lender at a place to be designated by Lender. Lender also shall have full power to enter, provided Lender does so without a breach of the peace or a trespass, upon the property of Grantor to take possession of and remove the Collateral. If the Collateral contains other goods not covered by this Agreement at the time of repossession, Grantor agrees Lender may take such other goods, provided that Lender makes reasonable efforts to return them to Grantor after repossession.

**Sell the Collateral.** Lender shall have full power to sell, lease, transfer, or otherwise deal with the Collateral or proceeds thereof in its own name or that of Grantor. Lender may sell the Collateral at public auction or private sale. Unless the Collateral threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender will give Grantor reasonable notice of the time after which any private sale or any other intended disposition of the Collateral is to be made. The requirements of reasonable notice shall be met if such notice is given at least ten (10) days before the time of the sale or disposition. All expenses relating to the disposition of the Collateral, including without limitation the expenses of retaking, holding, insuring, preparing for sale and selling the Collateral, shall become a part of the Indebtedness secured by this Agreement and shall be payable on demand, with interest at the Note rate from date of expenditure until repaid.

**Appoint Receiver.** To the extent permitted by applicable law, Lender shall have the following rights and remedies regarding the appointment of a receiver: (a) Lender may have a receiver appointed as a matter of right, (b) the receiver may be an employee of Lender and may serve without bond, and (c) all fees of the receiver shall become part of the Indebtedness secured by this Agreement and shall be payable on demand, with interest at the Note rate from date of expenditure until repaid.

**Collect Revenues, Apply Accounts.** Lender, either itself or through a receiver, may collect the payments, rents, income, and revenues from the Collateral. Lender may at any time in its discretion transfer any Collateral into its own name or that of its nominee and receive the payments, rents, income, and revenues therefrom and hold the same as security for the Indebtedness or apply it to payment of the Indebtedness in such order of preference as Lender may determine. Insofar as the Collateral consists of accounts, general intangibles, insurance policies, instruments, chattel paper, choses in action, or similar property, Lender may demand, collect, receipt for, settle, compromise, adjust, sue for, foreclose, or realize on the Collateral as Lender may determine, whether or not Indebtedness or Collateral is then due. For these purposes, Lender may, on behalf of and in the name of Grantor, receive, open and dispose of mail addressed to Grantor; change any address to which mail and payments are to be sent; and endorse notes, checks, drafts, money orders, documents of title, instruments and items pertaining to payment, shipment, or storage of any Collateral. To facilitate collection, Lender may notify account debtors and obligors on any Collateral to make payments directly to Lender.

**Obtain Deficiency.** If Lender chooses to sell any or all of the Collateral, Lender may obtain a judgment against Grantor for any deficiency remaining on the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this Agreement. Grantor shall be liable for a deficiency even if the transaction described in this subsection is a sale of accounts or chattel paper.

**Other Rights and Remedies.** Lender shall have all the rights and remedies of a secured creditor under the provisions of the Uniform Commercial Code, as may be amended from time to time. In addition, Lender shall have and may exercise any or all other rights and remedies it may have available at law, in equity, or otherwise.

**Cumulative Remedies.** All of Lender's rights and remedies, whether evidenced by this Agreement or the Related Documents or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Agreement, after Grantor's failure to perform, shall not affect Lender's right to declare a default and to exercise its remedies.

**MISCELLANEOUS PROVISIONS.** The following miscellaneous provisions are a part of this Agreement:

**Amendments.** This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

**Applicable Law.** This Agreement has been delivered to Lender and accepted by Lender in the State of Texas. If there is a lawsuit, and if the transaction evidenced by this Agreement occurred in Harris County, Grantor agrees upon Lender's request to submit to the jurisdiction of the courts of Harris County, State of Texas. Subject to the provisions on arbitration, this Agreement shall be governed by and construed in accordance with the laws of the State of Texas and applicable Federal laws.

**Arbitration.**

**Binding Arbitration.** Upon the demand of any party, whether made before or after the institution of any judicial proceeding, any Dispute (as defined below) shall be resolved by binding arbitration in accordance with the terms of this Arbitration Program. A "Dispute" shall include any action, dispute, claim, or controversy of any kind, whether in contract or in tort, statutory or common law, legal or equitable, or otherwise, now existing or hereafter arising between the parties in any way arising out of, pertaining to or in connection with (a) any agreement, document or instrument to which this Arbitration Program is attached or in which it is referred to or any related agreements, documents, or instruments (the "Documents"), (b) all past, present, or future loans, notes, instruments, drafts, credits, accounts, deposit accounts, safe deposit boxes, safekeeping agreements, guarantees, letters of credit, goods or services, or other transactions, contracts or agreements of any kind whatsoever, (c) any past, present or future incidents, omissions, acts, errors, practices, or occurrences causing injury to either party whereby the other party or its agents, employees or representatives may be liable, in whole or in part, or (d) any other aspect of the past, present, or future relationships of the parties including any agency, independent contractor or employment relationship but excluding claims for workers' compensation and unemployment benefits ("Relationship"). Any party to this Arbitration Program may by summary proceedings bring any action in court to compel arbitration of any Dispute. Any party who fails or refuses to submit to binding arbitration following a lawful demand by the opposing party shall bear all costs and expenses incurred by the opposing party in compelling arbitration of any Dispute. The parties agree that by engaging in activities with or involving each other as described above, they are participating in transactions involving interstate commerce. **THE PARTIES UNDERSTAND THAT PURSUANT TO THIS ARBITRATION PROGRAM, DISPUTES SUBMITTED TO ARBITRATION WILL NOT BE DECIDED THROUGH LITIGATION IN FEDERAL OR STATE COURTS BEFORE A JUDGE OR JURY.**

**Governing Rules.** All Disputes between the parties submitted to arbitration shall be resolved by binding arbitration administered by the American Arbitration Association (the "AAA") in accordance with the Commercial Arbitration Rules of the AAA, the Federal Arbitration Act (Title 9 of the United States Code) and to the extent the foregoing are inapplicable, unenforceable or invalid, the laws of the State of Texas. In the event of any inconsistency between this Arbitration Program and such rules and statutes, this Arbitration Program shall control. Judgment upon any award rendered hereunder may be entered in any court having jurisdiction; provided, however, that nothing contained herein shall be deemed to be a waiver by any party that is a bank of the protections afforded to it under 12 U.S.C. Section 91 or Texas Banking Code art. 342-609.

**No Waiver; Preservation of Remedies; Multiple Parties.** No provision of, nor the exercise of any rights under, this Arbitration Program

shall limit the right of any party, during any Dispute, to seek, use, and employ ancillary or preliminary remedies, judicial or otherwise, for the purposes of realizing upon, preserving, protecting, foreclosing or proceeding under forcible entry and detainer for possession of any real or personal property, and any such action shall not be deemed an election of remedies. Such rights shall include, without limitation, rights and remedies relating to (a) foreclosing against any real or personal property collateral or other security, (b) exercising self-help remedies including setoff rights or (c) obtaining provisional or ancillary remedies such as injunctive relief, sequestration, attachment, garnishment, or the appointment of a receiver from a court having jurisdiction. Such rights can be exercised at any time except to the extent such action is contrary to a final award or decision in any arbitration proceeding. The institution and maintenance of an action for judicial relief or pursuit of provisional or ancillary remedies or exercise of self-help remedies shall not constitute a waiver of the right of any party, including the plaintiff, to submit the Dispute to arbitration, nor render inapplicable the compulsory arbitration provisions hereof. In Disputes involving indebtedness or other monetary obligations, each party agrees that the other party may proceed against all liable persons, jointly or severally, or against one or more of them, less than all, without impairing rights against other liable persons. Nor shall a party be required to join the principal obligator or any other liable persons, such as sureties or guarantors, in any proceeding against a particular person. A party may release or settle with one or more liable persons without releasing or impairing rights to proceed against any persons not so released.

**Arbitrator Powers and Qualifications; Awards.** Arbitrators are empowered to resolve Disputes by summary rulings. Arbitrators shall resolve all Disputes in accordance with the applicable substantive law. Any arbitrator selected shall be required to be a practicing attorney licensed to practice law in the State of Texas and shall be required to be experienced and knowledgeable in the substantive laws applicable to the subject matter of the Dispute. All statutes of limitation applicable to any Dispute shall apply to any proceeding in accordance with this Arbitration Program. With respect to a Dispute in which the claims or amounts in controversy do not exceed \$1,000,000, a single arbitrator shall be chosen and shall resolve the Dispute by rendering an award not to exceed \$1,000,000, including all damages of any kind whatsoever, including costs, fees and expenses. A Dispute involving claims or amounts in controversy exceeding \$1,000,000, shall be decided by a majority vote of a panel of three arbitrators (an "Arbitration Panel"), the determination of any two of the three arbitrators constituting the determination of the Arbitration Panel, provided, however, that all three Arbitrators on the Arbitration Panel must actively participate in all hearings and deliberations. Arbitrators, including any Arbitration Panel, may grant any remedy or relief deemed just and equitable and within the scope of this Arbitration Program and may also grant such ancillary relief as is necessary to make effective any award. Arbitrators shall be empowered to impose sanctions and to take such other actions as they deem necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the Texas Rules of Civil Procedure and applicable law. Arbitrators and Arbitration Panels shall be required to make specific, written findings of fact and conclusions of law. The determination of an Arbitrator or Arbitration Panel shall be binding on all parties and shall not be subject to further review or appeal except as otherwise allowed by applicable law.

**Miscellaneous.** To the maximum extent practicable, the AAA, the Arbitrator (or the Arbitration Panel, as appropriate) and the parties shall take any action necessary to require that an arbitration proceeding hereunder shall be concluded within 180 days of the filing of the Dispute with the AAA. Arbitration proceedings hereunder shall be conducted in the State of Texas at a location selected by the Administrator. With respect to any Dispute, each party agrees that all discovery activities shall be expressly limited to matters directly relevant to the Dispute and any Arbitrator, Arbitration Panel and the AAA shall be required to fully enforce this requirement. This Arbitration Program constitutes the entire agreement of the parties with respect to its subject matter and supersedes all prior discussions, arrangements, negotiations, and other communications on dispute resolution. The provisions of this Arbitration Program shall survive any termination, amendment, or expiration of the Documents or the Relationship, unless the parties otherwise expressly agree in writing. To the extent permitted by applicable law, Arbitrators, including any Arbitration Panel, shall have the power to award recovery of all costs and fees (including attorneys' fees, administrative fees, and arbitrators' fees) to the prevailing party. This Arbitration Program may be amended, changed, or modified only by the express provisions of a writing which specifically refers to this Arbitration Program and which is signed by all the parties hereto. If any term, covenant, condition or provision of this Arbitration Program is found to be unlawful, invalid or unenforceable, such defect shall not affect the legality, validity or enforceability of the remaining parts of this Arbitration Program, and all such remaining parts hereof shall be valid and enforceable and have full force and effect as if the illegal, invalid or unenforceable part had not been included. Each party agrees to keep all Disputes subject to arbitration proceedings strictly confidential, except for disclosures of information required in the ordinary course of business of the parties or by applicable law or regulation.

**Caption Headings.** Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

**Multiple Parties; Corporate Authority.** All obligations of Grantor under this Agreement shall be joint and several, and all references to Grantor shall mean each and every Grantor. This means that each of the Borrowers signing below is responsible for all obligations in this Agreement.

**Notices.** All notices required to be given under this Agreement shall be given in writing, may be sent by telefacsimile, and shall be effective when actually delivered or when deposited with a nationally recognized overnight courier or deposited in the United States mail, first class, postage prepaid, addressed to the party to whom the notice is to be given at the address shown above. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. To the extent permitted by applicable law, if there is more than one Grantor, notice to any Grantor will constitute notice to all Grantors. For notice purposes, Grantor agrees to keep Lender informed at all times of Grantor's current address(es).

**Power of Attorney.** Grantor hereby appoints Lender as its true and lawful attorney-in-fact, irrevocably, with full power of substitution to do the following: (a) to demand, collect, receive, receipt for, sue and recover all sums of money or other property which may now or hereafter become due, owing or payable from the Collateral; (b) to execute, sign and endorse any and all claims, instruments, receipts, checks, drafts or warrants issued in payment for the Collateral; (c) to settle or compromise any and all claims arising under the Collateral, and, in the place and stead of Grantor, to execute and deliver its release and settlement for the claim; and (d) to file any claim or claims or to take any action or institute or take part in any proceedings, either in its own name or in the name of Grantor, or otherwise, which in the discretion of Lender may seem to be necessary or advisable. This power is given as security for the Indebtedness, and the authority hereby conferred is and shall be irrevocable and shall remain in full force and effect until renounced by Lender.

**Severability.** If a court of competent jurisdiction finds any provision of this Agreement to be invalid or unenforceable as to any person or circumstance, such finding shall not render that provision invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Agreement in all other respects shall remain valid and enforceable.

**Successor Interests.** Subject to the limitations set forth above on transfer of the Collateral, this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns.

**Waiver.** Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall

constitute a waiver of any of Lender's rights or of any of Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

**RAILCAR TRANSPORT OF HAZARDOUS SUBSTANCES.** The above paragraph entitled "Hazardous Substance" is hereby deleted and replaced by this paragraph. Grantor represents and warrants that the Collateral may be used for the storage, transportation, or disposal of hazardous waste or substances, as those terms are defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq. ("CERCLA"), the Superfund Amendments and Reauthorization Act of 1986, Pub. L. No. 99-499 ("SARA"), the Hazardous Materials Transportation Act, 49 U.S.C. Section 6901, et seq., or other applicable state or Federal laws, rules, or regulations adopted pursuant to any of the foregoing. The terms "hazardous waste" and "hazardous substance" shall also include, without limitation, petroleum and petroleum by-products or any fraction thereof and asbestos. The representations and warranties contained herein are based on Grantor's due diligence in knowing the content of substances to be placed on or in the Collateral, and assuring that all applicable laws, rules, regulations and policies are complied with concerning the storage, transport, disposal and handling of hazardous wastes and substances. Grantor hereby (a) releases and waives any future claims against Lender for indemnity or contribution in the event Grantor becomes liable for cleanup or other costs under any such laws, and (b) agrees to indemnify and hold harmless Lender against any and all claims and losses resulting from any accident, spill, or other action or inaction that may result in claims, penalties or actions relating to hazardous wastes or substances. This obligation to indemnify shall survive the payment of the indebtedness and the satisfaction and release of this Agreement and the security interest described herein.

**GRANTOR ACKNOWLEDGES HAVING READ ALL THE PROVISIONS OF THIS COMMERCIAL SECURITY AGREEMENT, AND GRANTOR AGREES TO ITS TERMS. THIS AGREEMENT IS DATED DECEMBER 28, 1995.**

#### Arbitration.

**Binding Arbitration.** Upon the demand of any party, whether made before or after the institution of any judicial proceeding, any Dispute (as defined below) shall be resolved by binding arbitration in accordance with the terms of this Arbitration Program. A "Dispute" shall include any action, dispute, claim, or controversy of any kind, whether in contract or in tort, statutory or common law, legal or equitable, or otherwise, now existing or hereafter arising between the parties in any way arising out of, pertaining to or in connection with (a) any agreement, document or instrument to which this Arbitration Program is attached or in which it is referred to or any related agreements, documents, or instruments (the "Documents"), (b) all past, present, or future loans, notes, instruments, drafts, credits, accounts, deposit accounts, safe deposit boxes, safekeeping agreements, guarantees, letters of credit, goods or services, or other transactions, contracts or agreements of any kind whatsoever, (c) any past, present or future incidents, omissions, acts, errors, practices, or occurrences causing injury to either party whereby the other party or its agents, employees or representatives may be liable, in whole or in part, or (d) any other aspect of the past, present, or future relationships of the parties including any agency, independent contractor or employment relationship but excluding claims for workers' compensation and unemployment benefits ("Relationship"). Any party to this Arbitration Program may by summary proceedings bring any action in court to compel arbitration of any Dispute. Any party who fails or refuses to submit to binding arbitration following a lawful demand by the opposing party shall bear all costs and expenses incurred by the opposing party in compelling arbitration of any Dispute. The parties agree that by engaging in activities with or involving each other as described above, they are participating in transactions involving interstate commerce. **THE PARTIES UNDERSTAND THAT PURSUANT TO THIS ARBITRATION PROGRAM, DISPUTES SUBMITTED TO ARBITRATION WILL NOT BE DECIDED THROUGH LITIGATION IN FEDERAL OR STATE COURTS BEFORE A JUDGE OR JURY.**

**Governing Rules.** All Disputes between the parties submitted to arbitration shall be resolved by binding arbitration administered by the American Arbitration Association (the "AAA") in accordance with the Commercial Arbitration Rules of the AAA, the Federal Arbitration Act (Title 9 of the United States Code) and to the extent the foregoing are inapplicable, unenforceable or invalid, the laws of the State of Texas. In the

event of any inconsistency between this Arbitration Program and such rules and statutes, this Arbitration Program shall control. Judgment upon any award rendered hereunder may be entered in any court having jurisdiction; provided, however, that nothing contained herein shall be deemed to be a waiver by any party that is a bank of the protections afforded to it under 12 U.S.C. Section 91 or Texas Banking Code art. 342-609.

**No Waiver; Preservation of Remedies; Multiple Parties.** No provision of, nor the exercise of any rights under, this Arbitration Program shall limit the right of any party, during any Dispute, to seek, use, and employ ancillary or preliminary remedies, judicial or otherwise, for the purposes of realizing upon, preserving, protecting, foreclosing or proceeding under forcible entry and detainer for possession of any real or personal property, and any such action shall not be deemed an election of remedies. Such rights shall include, without limitation, rights and remedies relating to (a) foreclosing against any real or personal property collateral or other security, (b) exercising self-help remedies including setoff rights or (c) obtaining provisional or ancillary remedies such as injunctive relief, sequestration, attachment, garnishment, or the appointment of a receiver from a court having jurisdiction. Such rights can be exercised at any time except to the extent such action is contrary to a final award or decision in any arbitration proceeding. The institution and maintenance of an action for judicial relief or pursuit of provisional or ancillary remedies or exercise of self-help remedies shall not constitute a waiver of the right of any party, including the plaintiff, to submit the Dispute to arbitration, nor render inapplicable the compulsory arbitration provisions hereof. In Disputes involving indebtedness or other monetary obligations, each party agrees that the other party may proceed against all liable persons, jointly or severally, or against one or more of them, less than all, without impairing rights against other liable persons. Nor shall a party be required to join the principal obligator or any other liable persons, such as sureties or guarantors, in any proceeding against a particular person. A party may release or settle with one or more liable persons without releasing or impairing rights to proceed against any persons not so released.

**Arbitrator Powers and Qualifications; Awards.** Arbitrators are empowered to resolve Disputes by summary rulings. Arbitrators shall resolve all Disputes in accordance with the applicable substantive law. Any arbitrator selected shall be required to be a practicing attorney licensed to practice law in the State of Texas and shall be required to be experienced and knowledgeable in the substantive laws applicable to the subject matter of the Dispute. Arbitrators, including any Arbitration Panel, may grant any remedy or relief deemed just and equitable and within the scope of this Arbitration Program and may also grant such ancillary relief as is necessary to make effective any award. Arbitrators shall be empowered to impose sanctions and to take such other actions as they deem necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the Texas Rules of Civil Procedure and applicable law. Arbitrators and Arbitration Panels shall be required to make specific, written findings of fact and conclusions of law. The determination of an Arbitrator or Arbitration Panel shall be binding on all parties and shall not be subject to further review or appeal except as otherwise allowed by applicable law.

**Miscellaneous.** To the maximum extent practicable, the AAA, the Arbitrator (or the Arbitration Panel, as appropriate) and the parties shall take any action necessary to require that an arbitration proceeding hereunder shall be concluded within 180 days of the filing of the Dispute with the AAA.
