(1) Under date of June 1, 1975, The Denver and Rio Grande Western Railroad Equipment Trust, Series NN, was created, consisting of a Lease of Railroad Equipment (hereinafter called the "Lease") from The First National Bank of Denver to The Denver and Rio Grande Western Railroad Company, and an Agreement between Charles W. Smedley, Jr. and Robert J. Sullivan, Vendors, with the above-mentioned parties. Under the Lease, the Trustee leased to the Railroad Company certain railroad equipment therein described and the Railroad Company agreed to pay rental thereunder sufficient to discharge, among other things, the principal and dividend warrants guaranteed by them upon Equipment Trust Certificates, Series NN, more fully described in the Agreement constituting a part of such Equipment Trust, payable in installments, the last of which installments of principal became payable on June 1, 1990. This Lease and Agreement were recorded with the Interstate Commerce Commission on April 25, 1975 and given Recordation No. 7907.

(2) Under date of July 1, 1978, The Denver and Rio Grande Western Railroad Company and The First National Bank of Denver entered into a Supplemental Lease of railroad equipment to said Lease of railroad equipment of June 1, 1975, substituting one (1) new 100-ton, 60-foot high roof box car for one (1) 100-ton hopper car, which box car thereupon became and was subject to the Agreement and Lease of railroad equipment dated as of June 1, 1975. The Supplemental Lease was recorded with the Interstate Commerce Commission on June 16, 1978, and given Recordation No. 3177-E.

(3) In and by Article Second of the Lease it was provided:

"* * At the termination of this Lease and after all payments due or to become due from the Company hereunder and under said Agreement shall have been completed and fully made to the Trustee, title to all of the Trust Equipment shall vest in the Company, and thereupon the Trustee shall execute for filing and recording with the Interstate

Commerce Commission pursuant to Section 20(c) of the Interstate Commerce Act and otherwise as may be required by law such instrument or instruments in writing as reasonably shall be requested by the Company in order to transfer to the Company all of the right, title and interest of the Trustee in and to all of the Trust Equipment;* *".

(4) The Railroad Company has fully complied with all of its obligations under said Lease including all payments of principal or dividend warrants secured thereby, including all payments thereunder up to and including June 1, 1990, and the Railroad Company is entitled to the execution of this Release and Assignment by the Party of the First Part herein.
