Re: Release of Recordation No. 6811-D

Dear Ms. Lee:

On August 4, 1989, a letter was sent to you by C.S. Cummings of First Security Bank of Idaho, N.A. ("First Security Bank") requesting that a certain Assignment and Assumption Agreement ("Assignment") dated September 1, 1988 be recorded. The original Assignment was enclosed with that letter.

It has since been brought to the attention of First Security Bank that some of the equipment described in the letter and Assignment did not belong to First Security Bank and therefore could not be assigned by First Security Bank. In addition, the primary document referred to in the letter, and to which the Assignment related, is a Lease of Equipment in which First Security Bank had no interest.

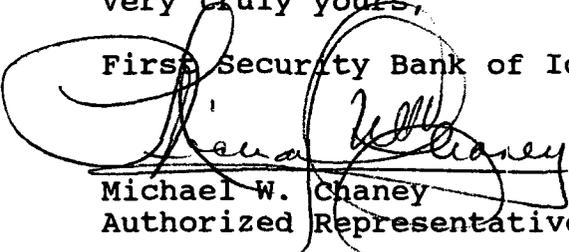

Accordingly, First Security Bank hereby requests that the Assignment, which was assigned Recordation No. 6811-D, be released. A filing fee made payable to the Interstate Commerce Commission in the amount of \$16.00 is enclosed. Also enclosed for your reference is the original Assignment with the original Interstate Commerce Commission recordation information, an additional copy of the Assignment, and a copy of Mr. Cummings' August 4, 1989 letter.
