LOAN AND SECURITY AGREEMENT

INTERSTATE COMMERCE COMMISSION

THIS LOAN AND SECURITY AGREEMENT as of the date set forth below, by and between **Nova Natural Resources Corporation** a Delaware corporation ("Borrower"), at 1900 Waxee Street, Suite 305, Denver, CO 80202 and **FBS Business Finance Corporation, Leasing Division**, a Delaware corporation ("Secured Party"), First Bank Place, 601 Second Avenue S., Minneapolis, Minnesota 55402.

In consideration of the mutual covenants hereinafter set forth in this Loan and Security Agreement (the "Agreement"), and intending to be legally bound, the Borrower and Secured Party hereto agree as follows:

1. The Loan

(a) Subject to the terms and conditions hereof, Secured Party agrees to make a term loan to Borrower in the principal amount of \$436,000.00, the ("Loan"). Secured Party shall advance funds to Borrower as Borrower may request on or after the date hereof and up to and including **December 31, 1993**.

The Loan shall be evidenced by a promissory note of Borrower, in substantially the form of Exhibit A attached hereto, with appropriate insertions, dated the date of the Loan (the "Note"). Interest under the Note shall be calculated from the date of the Note through the maturity thereof at the rate shown on the Note.

(b) The Note shall be payable in equal consecutive monthly installments of principal and interest in such amounts and on such dates as shown in the Note. Each monthly installment shall be applied first to accrued interest, then to principal and thereafter to any late charge or other costs then due.

(c) If any installment is received by Secured Party more than ten (10) days after its due date, Borrower agrees to pay a late charge of five percent (5%) of such payment but not in excess of the maximum late charge permitted by law.

(d) Interest and fees shall be calculated on the basis of a 30 day month and a 360 day year. If any payment hereunder or on the Note becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day. The term "Business Day" means any day other than a Saturday, Sunday or other day on which commercial banks in Minneapolis, Minnesota are authorized or required by law to close. All payments by Borrower on the Note and all fees, expenses and other obligation under this Agreement payable to Secured Party shall be made without setoff or counterclaim in lawful money of the United States of America and immediately available funds, received no later than 3:00 p.m. (Minneapolis time) on the dates called for under this Agreement, at the Secured Party's main office.

(e) Borrower further promises to pay interest at a rate equal to the lesser of 18% per annum or the highest rate permitted by law from and after the maturity of the then outstanding amount of principal, whether such maturity is caused by default, acceleration or otherwise, and, to the extent permitted by law, to pay interest on overdue interest at a rate equal to the lesser of 18% per annum or the highest rate permitted by law, until such amounts are paid.

(f) Upon the terms and subject to the conditions set forth in this Subsection (d), the Borrower, at its option, and upon three (3) Business Days written notice to Secured Party, may prepay the Note in whole or in part;

(i) Any partial prepayment shall be applied on the unpaid installments of the Note being prepaid in the inverse order of the maturity of said installments. Each prepayment under this Section shall be made with accrued interest on the principal prepaid. Each prepayment shall be accompanied by a prepayment fee equal to one percent (1%) of the principal amount prepaid.

(ii) For purposes of this Section, the terms "Government Yield" means, as of the date of determination, the yield (converted as necessary to the equivalent semi-annual compound rate) on U.S. Treasury securities (as published by the Federal Reserve Bank of New York) having a maturity date closest to the scheduled maturity of the Note. "U.S. Treasury securities" means actively traded U.S. Treasury bonds, bills and notes and, if more than one issue of U.S. Treasury securities is scheduled to mature at or about the time of the scheduled maturity of the Note, then to the extent possible the issue having a coupon rate or stated interest rate closest to the rate of interest on the Note (the "Note Rate") will be chosen as the basis for the Government Yield.

(iii) If at the time of any prepayment made within the first (30) thirty months of the Note term (including a prepayment occurring as a result of acceleration of the Note) the Government Yield is less than the Note Rate, the Borrower will be required to pay, in addition to the prepayment fee described in Section (d)(i) above, a prepayment penalty calculated as follows: a new monthly payment (Payment 1) will be derived that will amortize the amount so prepaid at the Note Rate over the number of whole months then remaining to the scheduled maturity of the Note. A second monthly payment (Payment 2) will be derived that will amortize the amount so prepaid at the Government Yield over the number of whole months then remaining to the scheduled maturity of the Note. The prepayment penalty shall be the present value of the date of prepayment (using the Government Yield as the discount factor) of a stream of hypothetical equal monthly payments in number equal to the number of whole months remaining to the scheduled maturity of the Note, with the amount of each hypothetical monthly payment equal to the difference between Payment 1 and Payment 2 and with the first payment payable thirty (30) days from the date of prepayment.

## 2. Security

(a) As security for the payment of the Loan, the Note and all other notes of Borrower concurrently herewith, heretofore or hereafter delivered to or purchased or otherwise acquired by Secured Party and also to secure any other indebtedness or liability of Borrower to Secured Party hereunder and under any other agreement, whether direct or indirect, absolute or contingent, due or to become due, now existing or hereafter arising, joint or several, howsoever created, arising or evidenced (all hereinafter called "Secured Obligations"), Borrower hereby grants and conveys to Secured Party a security interest in the Equipment described on Exhibit B attached hereto, and all attachments, accessories, additions, replacements and substitutions thereto, whether now owned or hereafter acquired (the "Equipment"), and all proceeds therefor (all of the foregoing, in the aggregate, called the "Collateral").

(b) All items of Equipment shall remain personal property and shall not be in any way allowed to become part of or to be affixed to any real property without first assuring to Secured Party's reasonable satisfaction that Secured Party's security interest in the Collateral is prior and senior to any interest or lien then held or thereafter acquired by any mortgagee of such real property or the owner or purchaser of any interest therein. Borrower's chief executive office is located at the address shown on the first page hereof. Borrower will notify Secured Party in writing of any change in location of Borrower's chief executive office.

## 3. Representations and Warranties. Borrower represents and warrants that:

(a) Borrower has or will acquire title to the Collateral, free and clear of all liens, security interests and encumbrances, except for the security interest granted herein. There is no encumbrance or security interest with respect to all or any part of the Collateral which is superior to Secured Party's security interest. All costs of keeping the Collateral free of all encumbrances and security interest prohibited by this Agreement and of removing same if they should arise shall be borne and paid by Borrower; and

(b) By consummation of this transaction, Borrower, <sup>to best of its knowledge, ~~IT~~ ~~BE~~</sup> is not in violation of any local, state or federal statute or any rule or regulation issued by any local, state or federal regulatory agency, all as may apply to Borrower, nor will consummation of this transaction cause any breach, default or violation of any judgment, decree, loan, mortgage, agreement, indenture or any other instrument applicable to Borrower or of Borrower's articles of incorporation or bylaws; and

(c) Borrower has delivered to Secured Party the balance sheets of Borrower and the related statements of income and retained earnings of Borrower for its most recent fiscal year end and for the most recent fiscal quarter. Since the end of the latest fiscal quarter, there has been no material adverse change in such condition or operations; and

(d) <sup>Upon appropriate filings with the IOC, ~~IT~~ ~~BE~~</sup> The security interest contemplated hereby ~~will at all times~~ <sup>shall ~~IT~~ ~~BE~~</sup> constitute a valid, perfected and enforceable first priority security interest in favor of Secured Party, subject to no other security interest, mortgage, lien or encumbrance; and

(e) Borrower has filed all applicable tax returns required to be filed by it, and has paid or made provisions for the payment of all taxes which have become due pursuant to said returns or pursuant to any assessment received by Borrower except such taxes, if any, as are being contested in good faith and as to which adequate reserves have been provided in accordance with generally accepted accounting principles, and warrants that such returns properly reflect the United States income and tax liability of Borrower for the period covered thereby; and

(g) No litigation, investigation or proceeding of or before any arbitrator or governmental authority is pending or, to the knowledge of Borrower, threatened by or against Borrower or against its properties or revenues with respect to this Agreement or the Notes or any of the transactions contemplated thereby, or which could have a material adverse effect on the business, operations, property or financial or other condition of Borrower; and

(h) Borrower is not in default under any agreement, instrument or undertaking in any respect which could be materially adverse to, and no agreement, instrument, undertaking, law, rule or regulation, or determination of a court or other governmental authority, materially adversely affects, or insofar as Borrower may reasonably foresee may so affect, (i) the business, operations, property or financial or other condition of Borrower or (ii) Borrower's ability to perform its obligations under this Agreement or the Notes; and

(h) immediately notify Secured Party in writing of any change in or discontinuance of Borrower's place or places of business or of any change in Borrower's name; and

(i) indemnify and save harmless Secured Party, its successors and assigns, employees, officers, directors and agents from and against any and all claims or suits for any loss, damage or injury sustained by any person whatsoever by reason of the sale, financing, use or disposition of the Collateral, and in this connection, Borrower shall pay the costs of all reasonable legal fees and all other reasonable expenses incurred by Secured Party; and

end of such year and the related statements of operations, and such other financial information as Secured Party may from time to time request. Borrower warrants and represents that all such financial statements shall be complete and correct in all material respects and be prepared in reasonable detail and in accordance with generally accepted accounting principles applied consistently throughout the periods reflected therein.

(k) at its own expense, upon written direction from Secured Party, do all further acts and execute, acknowledge and deliver all instruments and assurances reasonably necessary or proper to comply with or accomplish the covenants and agreements contained in this Agreement, and in the event that Borrower does not so perform, Borrower hereby authorizes Secured Party to do such acts as Secured Party, in its ~~sole~~ <sup>reasonable</sup> discretion, shall deem necessary to protect the interests created hereby and agrees to pay to Secured Party on demand all reasonable costs and expenses associated with Secured Party's actions in connection herewith; and
