Disclaimer of Warranties

Lessee acknowledges that it has selected the Equipment based upon its own judgment and without reliance on any statement or representation by Lessor or the Owner. LESSOR AND THE OWNER MAKE NO WARRANTY WITH RESPECT TO THE EQUIPMENT, EXPRESS OR IMPLIED, AND EACH SPECIFICALLY DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, AS TO (A) THE FITNESS FOR ANY PARTICULAR PURPOSE AND MERCHANTABILITY OF ANY ITEM OF EQUIPMENT, (B) THE LESSOR'S TITLE TO THE EQUIPMENT, (C) THE DESIGN OR CONDITION OF, OR THE QUALITY OF THE MATERIAL OR WORKMANSHIP IN, THE EQUIPMENT, (D) ANY LIABILITY FOR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF OR THE INABILITY TO USE THE EQUIPMENT, AND (E) ANY OTHER MATTER WHATSOEVER, IT BEING AGREED THAT ALL SUCH RISKS, AS BETWEEN THE LESSOR AND THE LESSEE, ARE TO BE BORNE BY THE LESSEE. The Lessor hereby appoints and constitutes the Lessee its agent during the term of this Lease to assert and enforce, from time to time, in the name and for the

account of the Lessor and the Lessee, as their interests may appear, but in all cases at the sole cost and expense of the Lessee, whatever claims and rights the Lessor may have as owner of the Equipment against the Manufacturer or any other person, provided, however, that if at any time an Event of Default shall have occurred and be continuing, the Lessor may assert and enforce such claims and rights at the Lessee's sole cost and expense. Lessee's delivery to Lessor of a Lease Supplement signed by Lessee or delivery by Lessee or the Manufacturer to Lessor of an inspection or acceptance certificate the Lessee's representative gave to the Manufacturer shall be conclusive evidence as between Lessee and Lessor that all Items of Equipment described therein are in all the foregoing respects satisfactory to Lessee

Section 7

Risk Of Loss

Lessee shall bear the risk of damage, loss, theft, or condemnation of each Item of Equipment, whether partial or complete, regardless of cause, and whether or not any insurance proceeds or condemnation payments are payable with respect thereto, and any and all repairs and replacements of an Item or any part thereof shall be at the expense of Lessee subject, however, to the terms of this Lease

Section 8

Maintenance

(a) Maintenance Lessee shall, at its own expense, (1) maintain and keep the Equipment in good physical condition and working order consistent with prudent industry maintenance practice, and as otherwise may be required by any insurance policies, if any, maintained pursuant to Section 9 or to enforce warranty claims against each vendor and manufacturer of each Item of Equipment, ordinary wear and tear excepted; (2) maintain the Equipment in accordance with the standards then in effect under (i) the Interchange Rules or similar successor guidelines of the AAR and (ii) regulations of the Federal Railroad Administration, and at least equal to the standards of maintenance which Lessee performs on similar equipment owned or leased by Lessee, without discriminating in any way between equipment that is owned or leased, (3) comply with all requirements of law applicable to the maintenance and condition of the Equipment, (4) maintain the Equipment in good operating condition commercially suitable for carrying the commodities for which such Equipment was designed, and (5) inspect the interior lining of each Item, keep records of such inspections, and periodically replace such lining at reasonable time intervals in order to maintain such lining in accordance with the foregoing provisions of this Section 8(a)

(b) Required and Voluntary Improvements Lessee shall, at its sole expense, make all alterations, modifications, additions or improvements with respect to the

Equipment required by applicable law or deemed necessary by any federal, state or local governmental agency (a "Required Improvement") All Required Improvements shall be the property of Lessor and shall remain part of the Equipment and not be removed Lessee may, at its sole expense, make other alterations, modifications, additions or improvements to the Equipment as it may deem desirable in the conduct of its business so long as (1) the value, utility, condition and remaining useful life of the Equipment is not diminished below the value, utility, condition and remaining useful life thereof immediately prior to such alteration, modification, addition or improvement, assuming the Equipment was then in at least the condition and repair required to be maintained by the terms of this Lease, and (2) such alterations, modifications, additions or improvements do not cause any such Item to become a limited use property within the meaning of Revenue Procedure 76-30, 1976-2 C.B. 647 or such other successor tax provision (a "Voluntary Improvement") So long as no Event of Default has occurred and is continuing, and so long as the value, utility, condition and remaining useful life of the Equipment (exclusive of any Voluntary Improvement) is not reduced thereby, any such Voluntary Improvement which was paid for by Lessee and not reimbursed or otherwise compensated for by Lessor shall remain the property of Lessee and may be removed by Lessee prior to return of the Equipment pursuant to this Lease, provided, however, that if any such Voluntary Improvement (i) is a replacement of existing parts constituting part of the Items of Equipment, or (ii) was made in the course of ordinary and proper maintenance of the Items of Equipment, or (iii) has become required by federal, state or local law, or (iv) cannot physically be removed without damage to the Equipment, it shall become the property of Lessor, and shall remain part of the Equipment and not be removed Upon termination of this Lease, Lessor shall have the option to purchase from Lessee any Voluntary Improvement not described in the proviso to the preceding sentence at the Fair Market Value of such Voluntary Improvement

Section 9

Insurance

(a) Coverage Lessee shall at all times during the Lease Term of each Item of Equipment maintain insurance of the following types and amounts

(1) Physical damage insurance insuring against loss or damage to each Item in an amount not less than (i) the replacement value less actual physical depreciation or (ii) the Casualty Value of the Item in effect from time to time, whichever is greater, with a deductible of no more than \$5,000

(2) Liability insurance insuring against liability for death, bodily injury and property damage with a minimum limit of \$25,000,000 per accident and a deductible of not more than \$5,000

(3) Other insurance against risks customarily insured against by those engaged in the same business as Lessee in such amounts as is consistent with prudent industry practice

Insurance required by this Section may be carried under any blanket policy maintained by Lessee so long as it complies with this Section

(b) Policy Provisions All physical damage policies shall name Lessor, the Owner, and Lessee as loss payees as their interests may appear. All liability policies shall name Lessor and Lessee as insureds. All physical damage policies shall provide that any payment thereunder for any loss or damage shall (except as provided below) be made to the loss payees as their interests may appear under a standard mortgagee loss payable clause satisfactory to Lessor providing that the insurer thereunder waives all rights of subrogation against Lessor and that the interest of Lessor therein shall not be invalidated by any act or neglect of Lessee or any other person other than Lessor. The loss, if any, under any physical damage policy covering the Equipment shall be adjusted with the insurance companies by Lessee, but any settlement shall be subject to the approval of Lessor if the loss exceeds \$25,000. All policies required by this Section 9 shall provide that the same shall not be cancelled without at least 30 days' prior written notice to each insured named therein (10 days in case of nonpayment of premiums), and no such policy shall contain a provision relieving the insurer of liability for any loss by reason of the existence of other insurance policies covering the Equipment against the peril involved, whether collectible or not

(c) Certificates Annually during the month of November in each calendar year beginning with calendar year 1997, Lessee shall furnish Lessor with certificates or other satisfactory evidence of maintenance of the insurance required by this Section 9

(d) Approved Insurers All insurance provided for in this Section 9 shall be issued by insurance companies approved by Lessor, which approval shall not be unreasonably withheld.

Section 10

Casualty Occurrence

(a) Notice In the event that any Item of Equipment suffers a Casualty Occurrence during the term of this Lease or thereafter while such Item is in the possession of Lessee pursuant to Section 13 or 15 hereof, Lessee shall promptly and fully (after it has knowledge of such Casualty Occurrence) inform Lessor of such Casualty Occurrence

(b) Payment of Casualty Value On the date Interim Rent is payable (if such date is at least 15 days after Lessor's receipt of notice of a Casualty Occurrence to an Item) or, in other cases, on the first Basic Rent Payment Date that is at least 15 days after

Lessor's receipt of notice of a Casualty Occurrence to an Item, Lessee shall pay to Lessor the Casualty Value of such Item as of such date. Upon but not until payment of all sums required to be paid pursuant to this paragraph the obligation to pay rent for such Item accruing subsequent to the Casualty Value payment date shall terminate, but the Lessee shall continue to pay rent for all other Items.

(c) Casualty Value The Casualty Value of each Item shall be determined as of the date the Casualty Value is paid as provided in this Section 10 (and not the date of the Casualty Occurrence) and shall be an amount equal to that percentage of Lessor's Cost of such Item set forth in the schedule of Casualty Values attached hereto as Exhibit C (as finalized pursuant to Section 10(d) below) opposite such date of payment

(d) Confirmation of Final Casualty Values Exhibit C as attached hereto when this Lease is first signed and delivered sets forth Casualty Values for September Items based on rental factors resulting from a 10-year Treasury Rate of 6.5% as contemplated under Section 4(b). In view of the fact that the applicable 10-year Treasury Rate (and thus the applicable rental factor and the actual amount of installments of Basic Rent) will not be known when this Lease is first signed and delivered, Lessor and Lessee agree to amend Exhibit C within 30 days following March 31, 1997, to provide a final schedule of Casualty Values for September Items and to prepare a final schedule for December Items and 1997 Items on the same basis as the final schedule for September Items. Such schedules shall be based on the actual Basic Rent payment schedule determined in accordance with Section 4(b) and shall otherwise be determined using the same methodology and assumptions used in preparing Exhibit C attached to this Lease when first signed and delivered.

In the event the Casualty Value of an Item must be determined under this Lease (including under Section 17(b) upon an Event of Default) before such Casualty Value is finally fixed under this Section 10(b), the Casualty Value shall be that set forth in Exhibit C attached hereto when this Lease is first signed and delivered.

The adjusted Exhibit C shall first be prepared by Lessor and submitted to Lessee. Lessee shall have 10 business days within which to notify Lessor in writing of any objection to Lessor's proposed Exhibit C. If Lessee does not object within such 10-day period, Lessor's proposal shall be final. If Lessee does object within such 10-day period, Lessor and Lessee will attempt to agree within the next five business days following receipt of Lessee's objection, and if Lessor and Lessee cannot agree within such five-day period, then the schedule of Casualty Values shall be determined by a nationally recognized accounting firm selected by Lessor and reasonably acceptable to Lessee that does not customarily audit Lessee's accounts (the "Accountants"). The Accountants shall be asked to make their determination within 15 days, and, absent manifest error, such determination shall be final and binding on Lessor and Lessee. The fees and expenses of the Accountants shall be paid 50% by Lessor and 50% by Lessee.

(e) Disposition of Equipment Lessee shall, as agent for the Lessor, dispose of each Item having suffered a Casualty Occurrence as soon as it is able to do so for its fair market value Any such disposition shall be on an "as-is", "where-is" basis without representation or warranty, express or implied As to each Item so disposed of with respect to which the Casualty Value has been paid, so long as no Default or Event of Default shall have occurred and be continuing, Lessee may retain the proceeds of such disposition to the extent of the Casualty Value paid and shall remit the surplus, if any, to Lessor

(f) Application of Insurance and Condemnation Proceeds If Lessor shall receive any insurance proceeds or condemnation payments with respect to an Item suffering a Casualty Occurrence and Lessee has previously paid the Casualty Value of the Item to Lessor, and if no Default or Event of Default has occurred and is continuing, Lessor shall reimburse Lessee to the extent of the Casualty Value paid, and the surplus, if any, shall remain the property of Lessor, provided, however, that if such surplus represents proceeds of insurance obtained by and at the expense of the Lessee, such surplus shall be paid to Lessee All insurance proceeds received by Lessor with respect to an Item not suffering a Casualty Occurrence shall be paid to Lessee upon proof satisfactory to Lessor that damage to the Item with respect to which the proceeds were received has been fully repaired and that the Item involved has been returned to service as part of Lessee's fleet of railcars

(g) Partial Condemnation In the event that during the term of this Lease the use of any Item of Equipment is taken by any governmental authority under power of eminent domain or otherwise for an indefinite period or for a stated period which does not exceed the term of this Lease, the Lessee's rental and other obligations hereunder with respect to such Item shall continue for the duration of such taking So long as no Default or Event of Default shall have occurred and be continuing, Lessee shall be entitled to receive and retain for its own account all sums payable for any such period by such governmental authority as compensation for such taking

Section 11

Taxes and Other Charges

(a) Liability For. Lessee agrees to pay as and when the same become due all Taxes and Other Charges except as otherwise provided in this Section

(b) Exclusions. Lessee shall not be liable for Taxes and Other Charges imposed on an Indemnified Person constituting the following (1) federal income taxes, (2) state and local income taxes imposed by the jurisdiction in which (with respect to the Owner) the principal office of the Owner is located and state and local income taxes imposed by any other jurisdiction except to the extent resulting solely from the transaction contemplated by this Lease, (3) state and local taxes imposed by the jurisdictions referred to in clause (2) in lieu of income taxes but only to the extent such taxes do not exceed the income tax that would

have applied had not such taxes been imposed, and (4) foreign taxes but only to the extent the Indemnified Person receives credit therefor against its federal income tax liability. Notwithstanding the foregoing, Lessee shall be liable for income taxes otherwise excluded by this Section 11(b) to the extent they are in substitution for or relieve Lessee from Taxes and Other Charges Lessee would otherwise be obligated to pay or they are the result of indemnity payments made by Lessee.

(c) Contests. Lessee shall not have to pay any Taxes and Other Charges for which it is responsible under this Section 11 so long as it is contesting the same in good faith by appropriate legal proceedings and the nonpayment thereof does not, in the reasonable opinion of counsel for the Owner, adversely affect the title or rights of the Lessor under this Lease. Lessee agrees to pay all expenses of Lessor in contesting the imposition of any Taxes and Other Charges for which it is responsible under this Section 11 should Lessee not pay or contest the same and Lessor reasonably believes there is a defense to payment.

(d) Reports and Refunds. Lessee will at its expense prepare and timely file any required reports with respect to Taxes and Other Charges for which it is responsible under this Section 11. If Lessee is not permitted to file the same, it will prepare such report and deliver the same to the appropriate Indemnified Person in time for timely filing. Any Indemnified Person receiving a refund of Taxes and Other Charges that have been paid by Lessee shall promptly reimburse Lessee for the same.

Section 12

Removal of Liens

Lessee shall promptly pay or otherwise discharge any and all security interests, liens and charges on the Equipment created by or arising in favor of persons claiming through Lessee or any other party other than Lessor or the Owner, provided, however, that Lessee shall not be required to pay or discharge any such claims, liens or charges so long as it shall, in good faith and by appropriate legal proceedings, contest the validity thereof in any reasonable manner which will not affect or endanger the title or interest of the Lessor to or in the Equipment.

Section 13

Use, Compliance with Laws

(a) General. Lessee agrees that the Equipment will be used and operated solely in the regular course of its business and in compliance with all statutes, laws, ordinances, rules and regulations of any federal, state or local governmental body, agency or authority applicable to the use and operation of the Equipment. Lessee shall procure and

maintain in effect all licenses, registrations, certificates, permits, approvals and consents required by federal, state or local laws or by any governmental body, agency or authority in connection with the use and operation of each Item of Equipment, including those required by the AAR. The Equipment will at all times during the term of this Lease be and remain in the possession and control of Lessee or of such person who may be acting as Lessee's agent with respect to operation of the Equipment pursuant to an agreement approved in advance by Lessor, subject always to the terms of Section 16 hereof. Lessee shall not or allow the Equipment to be used for any unlawful purpose. Lessee shall use and operate the Equipment or cause it to be used and operated only by railroad carriers or personnel authorized by Lessee, and Lessee shall use every reasonable precaution to prevent loss or damage to each Item of Equipment from fire and other hazards. Lessee shall use the Equipment only in the manner for which it was designed and intended and so as to subject it only to ordinary wear and tear.

(b) Restriction on Where Used Lessee shall operate the Equipment and permit the Equipment to be located only in (1) the contiguous 48 states of the United States, (2) Canada and (3) Mexico, except that no more than 10% of the use of the Items (as determined by mileage) shall be in Mexico, and no Item shall remain in Mexico for more than 90 consecutive days.

(c) No Hazardous Substances. Notwithstanding anything in this Section or elsewhere in this Lease to the contrary, Lessee shall not use the Equipment and shall not permit the Equipment to be used to transport or store hazardous or toxic substances or materials or other substances or materials containing or contaminated by hazardous or toxic substances or materials.

(d) Continuous Use Lessee will continually use each Item of Equipment except for periods of storage not exceeding 60 days in any one calendar year. However, as indicated in Section 16(b) hereof, Lessee may sublease Items of Equipment with the prior written consent of Lessor.

Section 14

Ownership and Marking, Reports and Inspection

(a) Title Title to each Item of Equipment subject to this Lease shall at all times remain in Lessor. Each Item of Equipment shall remain personal property regardless of its attachment to realty, and Lessee agrees at its expense to take such action as may be necessary to prevent any party from acquiring any interest in the Equipment as a result of its attachment to realty.

(b) Marking The Lessee will cause each Item of Equipment to be kept numbered with its number as set forth in Exhibit A hereto and will mark each Item and keep it

marked by a plate or stencil that is easily visible to a person looking at the Item and that is printed in contrasting color upon the Item in letters not less than four inches in height as follows

**Owned by a Lessor and Subject to a Lease Filed with
the Surface Transportation Board**

Except as provided above, the Lessee will not change the number assigned to each Item or allow the name of any person, association or corporation to be placed on the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may cause the Equipment to be lettered with the names, initials, or other insignia customarily used by the Lessee or its affiliates on equipment used by it of the same or a similar type for convenience of identification of the right of the Lessee to use the Equipment under this Lease

(c) Reports Within 45 days after the end of each calendar quarter, beginning with the quarter ending March 31, 1997, Lessee will furnish Lessor with an accurate statement as of the end of such quarter showing (1) the amount, description and numbers of the Items of Equipment then leased hereunder, the amount, description and numbers of all Items that may have suffered a Casualty Occurrence during the calendar quarter months ending on such date, and all insurance settlements with railroads or others regarding damage to the Items, stating that, in the case of all Equipment repainted during the period covered by such statement, the markings required by Section 14(b) shall have been preserved or replaced, (2) a description of any customer purchase contracts that may have been lost or under which penalties may have been imposed or any adverse reports from purchasers of Lessee's products that may have been received by the Lessee during such quarter, in each case on account of contamination of product shipped in the Equipment, and (3) such other information regarding the condition and maintenance of the Equipment as Lessor may reasonably request .

(d) Inspection. Lessor and its authorized representatives may, at Lessor's expense, inspect the Equipment and the Lessee's records with respect thereto and talk with the officers and employees of the Lessee and with customers of the Lessee at any time and from time to time in order to confirm the existence and proper maintenance of the Equipment during the term of this Lease, the compliance by the Lessee with its obligations under this Lease, and the existence or nonexistence of a Default or Event of Default under this Lease

(e) Financial Statements Within 45 days after the end of each fiscal quarter of Lessee, Lessee will furnish Lessor with a copy of Lessee's unaudited financial statements as of the end of such quarter and for the year-to-date certified by the chief operating officer or the treasurer of the Lessee as being prepared in accordance with generally

accepted accounting principles, and within 90 days after the end of each fiscal year of Lessee, Lessee will furnish Lessor with a copy of Lessee's audited financial statements as of the end of such year certified by Lessee's independent accountants

(f) Compliance Certificate Within 30 days after the end of each calendar year during the term of this Lease, Lessee will deliver a certificate to Lessor signed by a responsible officer of the Lessee stating that such officer has reviewed the terms of this Lease and that as of December 31 of such calendar year the Lessee was in compliance with all of its maintenance and other obligations under this Lease, and no Default or Event of Default has occurred and is continuing under this Lease (or, if such officer is unable to so certify, a statement describing the Lessee's noncompliance with the Lease or such Default or Event of Default as may exist)

Section 15

General Indemnity

(a) Subject to Section 15(b), Lessee hereby indemnifies and agrees to save harmless each Indemnified Person from and against each and every claim that may be asserted against it or liability or expense that may be incurred by it in any way relating to or arising out of the transaction contemplated by the Operative Agreements or the ownership or use of the Equipment, including the following (1) those for death, personal injury, or property damage based on the negligence of any Indemnified Person or on strict liability in tort, (2) those as a result of any act or failure to act of the Lessee for itself or as agent for the Lessor hereunder, (3) those for patent, trademark or copyright infringement, (4) those relating to or arising out of the construction, purchase, delivery, acceptance, rejection, ownership, leasing, repair, operation, condition, design or discoverable or nondiscoverable defect in any Item of Equipment, and (5) those relating to the application of environmental laws or regulations or to the transportation, storage, disposal, use, treatment, handling, processing or manufacturing of hazardous materials.

(b) Exclusions Section 15(a) shall not apply to claims based on any of the following. (1) indemnity for Taxes and Other Charges or for income tax consequences, those matters being covered elsewhere in the Operative Agreements, (2) the gross negligence or willful misconduct of any Indemnified Person, (3) acts or events with respect to an Item occurring after possession of the Item has been redelivered to Lessor at a time when an Event of Default shall not have occurred and be continuing (unless based upon acts or failures to act of the Lessee while the Item is being stored by the Lessee as permitted by Section 18 of this Lease), (4) breach of any express representation or agreement made by the Indemnified Person to or with the Lessee in the Operative Agreements or in any related document, or (5) any lien on the Equipment for which Lessee is not responsible hereunder.

(c) Procedure The Lessee shall be obligated under this Section 15 regardless of whether any Indemnified Person shall also be indemnified with respect to the same matter under any other agreement by any other person, and the Indemnified Person seeking to enforce the indemnification may proceed directly against the Lessee under this Section 15 without first resorting to any such other rights of indemnification. In case any action, suit or proceeding is brought against any Indemnified Person in connection with any claim indemnified against hereunder, the Lessee may and, upon such Indemnified Person's request, will at Lessee's expense cause the same to be resisted or defended by counsel selected by the Lessee and approved by such Indemnified Person and, in the event of any failure by the Lessee to do so, the Lessee shall pay all legal fees and other expenses incurred by such Indemnified Person in connection with such action, suit or proceeding

(d) Amount of Payment In the event the Lessee is required to make any payment under this Section 15, the Lessee shall pay such Indemnified Person an amount which, after deduction of all federal, state and local taxes required to be paid by such Indemnified Person with respect to receipt thereof (after giving credit for any savings of such taxes by reason of deductions, credits or allowances for payment of the claim indemnified against) shall be equal to the amount of such payment

(e) Miscellaneous Lessee and Lessor agree to give each other promptly upon obtaining knowledge thereof written notice of any claim or liability hereby indemnified against Upon the payment in full of any indemnities as contained in this Section 15 by the Lessee, and provided that no Default or Event of Default shall have occurred and be continuing, the Lessee shall be subrogated to any right of such Indemnified Person (except against another Indemnified Person) with respect to the matter against which indemnity has been given Any payments received by such Indemnified Person from any person except the Lessee as a result of any matter with respect to which such Indemnified Person has been indemnified by the Lessee pursuant to this Section 15 shall be paid over to the Lessee to the extent necessary to reimburse the Lessee for indemnification payments previously made Nothing in this Section 15 shall constitute a guaranty by the Lessee of the residual value of any Item at the end of this Lease.

Section 16

Quiet Enjoyment, Assignment by Lessee

(a) Quiet Enjoyment So long as no Event of Default shall have occurred and be continuing, the Lessee shall be entitled to the possession and use of the Equipment in accordance with the terms of this Lease

(b) Assignment Lessee shall not assign, transfer, grant a security interest in, or encumber its interest under this Lease or sublease any Item of Equipment, without in each case the prior written consent of Lessor, provided, however, that Lessee may allow the

Equipment to be in the possession and control of such person who may be acting as Lessee's agent with respect to operation of the Equipment pursuant to an agreement approved in advance by Lessor, and Lessee may permit the Equipment to be hauled by railroad companies in the ordinary course of business for the purpose of transporting Lessee's products, and, provided, further, that Lessee may without the prior written consent of Lessor, but upon at least 10 days prior written notice to Lessor, sublease any Items of Equipment during periods when they are not needed for Lessee's business, so long as

- (1) the sublease is in writing,
- (2) the term of the sublease (including any renewal periods at the option of the sublessee) does not exceed one year,
- (3) the sublease and the sublessee's rights thereunder are expressly made subject and subordinate to this Lease (so that the sublease will terminate on any termination of this Lease),
- (4) the sublease will prohibit use of the Equipment outside the continental United States,
- (5) the standards for use and maintenance in the sublease shall be at least as high as in this Lease
- (6) the sublessee shall not be, and shall not permit use of the Equipment by, a tax-exempt entity within the meaning of Section 168(h)(2) of the Code,
- (7) the sublessee will not be permitted to further sublease the Equipment, and
- (8) in general Lessor shall be satisfied that there will be no adverse income tax consequences to Lessor or the Owner from the sublease

Lessee shall remain liable for its rental, maintenance, and other obligations under this Lease notwithstanding any sublease of Equipment or use of the Equipment by another

(c) Merger, Consolidation or Sale or Purchase of Assets. The Lessee will not consolidate with or merge into any other corporation or entity, or permit any other corporation or entity to merge into it, or acquire (in a transaction analogous in purpose or effect with consolidation or merger) all or substantially all of the assets of any other corporation or entity, or sell all or substantially all of its assets (whether in one transaction or a series of transactions) to any other corporation or entity

Section 17

Default and Remedies

(a) Events of Default Each of the following events shall constitute an Event of Default hereunder.

(1) Lessee shall fail to pay when due Interim Rent or any installment of Basic Rent or any payment of Casualty Value

(2) Lessee shall make or permit any assignment or transfer of this Lease or of possession of any Item of Equipment not permitted by this Lease

(3) Lessee shall fail to observe or perform any covenant, condition or agreement (other than those referred to in clauses (1) and (2) above) to be observed or performed by Lessee under this Lease and such failure shall continue unremedied for 30 calendar days after written notice from Lessor to Lessee, specifying the default and demanding the same to be remedied

(4) Any representation or warranty made by the Lessee herein or in the Participation Agreement or in any statement or certificate in connection therewith is untrue in any material respect as of the date it is made.

(5) Lessee or any guarantor of this Lease shall cease doing business as a going concern or make an assignment for the benefit of creditors

(6) Lessee or any guarantor of this Lease shall voluntarily file, or have filed against it involuntarily, a petition for liquidation, reorganization, adjustment of debt, or similar relief under the federal Bankruptcy Code or any other present or future federal or state or foreign bankruptcy or insolvency law, or a trustee, receiver, or liquidator shall be appointed of it or of all or a substantial part of its assets

(7) Lessee shall fail to pay, when due, any payment it is required to make to the Owner under the Tax Indemnity Agreement

(8) An Event of Default shall occur and be continuing under any Related Lease

(9) Lessee and St Paul Bank for Cooperatives shall not have entered into a written loan agreement or loan agreements on or before April 30, 1997 whereby the St Paul Bank for Cooperatives extends an operating line of credit to the Lessee of at least \$15,000,000 and a term line of credit in favor of the Lessee for at least \$150,000,000

designed to be permanent financing for the Lessee's manufacturing plant at Wahpeton, North Dakota

(10) On April 30, 1997, the Lessee's manufacturing plant in Wahpeton, North Dakota has not been constructed and completed or is not in operation and producing product as intended

(11) Any default in the payment of principal or interest under any note, loan agreement, or other agreement under which any present or future indebtedness of the Lessee is owing, or any breach of or noncompliance with or event of default under any such note, loan agreement, or other agreement, including particularly those relating to indebtedness now or hereafter owed to St Paul Bank for Cooperatives, and regardless of whether such default, breach or noncompliance has resulted in the acceleration of such indebtedness, or whether the same has been waived by the related creditor

(12) Termination before August 31, 2001 with or without cause of any one or more of the Uniform Member Marketing Agreements dated October 1, 1994 that Lessee has with American Crystal Sugar Company, Golden Growers Cooperative, and Minn-Dak Farmers Cooperative

(b) Liquidated Damage Formula. Lessor and Lessee agree that Lessor's damages with respect to an Item suffered by reason of an Event of Default are uncertain and not capable of exact measurement at the time this Lease is executed because the value of the Equipment at the end of this Lease is uncertain, and therefore they agree that for purposes of Section 17(c) "Lessor's Loss" at the time this Lease is terminated shall be the sum of the following with respect to such Item: (1) the amount of all Rent and other amounts payable by Lessee hereunder due but unpaid as of the date this Lease is terminated (computing the Basic Rent for any number of days less than a full rental period by multiplying the Basic Rent for the full rental period by a fraction, the numerator of which is the number of days for which Basic Rent is to be determined and the denominator of which is the number of days in the full rental period) plus (2) the Casualty Value of the Item as of the Basic Rent Payment Date coinciding with or immediately preceding the date this Lease is terminated (or as of the date Interim Rent is payable if the date this Lease is terminated as to such Item is before the first Basic Rent Payment Date).

(c) Remedies Upon the occurrence of an Event of Default and at any time thereafter, Lessor may exercise any one or more of the following remedies as Lessor may lawfully elect with respect to each Item of Equipment

(1) Lessor may, by written notice to Lessee, terminate this Lease and declare an amount equal to Lessor's Loss as of the date this Lease is terminated to be immediately due and payable, and thereupon the same shall become immediately due and payable without further notice or demand and all rights of Lessee to use the Item

shall terminate (but Lessee shall remain liable as hereinafter provided) and Lessee shall promptly return the Item to Lessor as provided in Section 18

(2) Lessor may proceed by appropriate court action to enforce performance by Lessee of the applicable covenants of this Lease or to recover, for breach of this Lease, Lessor's Loss as of the date this Lease is terminated

(3) Lessor may enter upon the premises where the Item is located and take immediate possession of and remove the same with or without instituting legal proceedings

(4) In the event Lessor repossesses the Item, Lessor may retain the Item in full satisfaction of Lessee's obligations hereunder with respect to the Item or may sell or lease the Item in such manner and upon such terms as Lessor may in its sole discretion determine. The proceeds of such sale or lease shall be applied to reimburse Lessor for Lessor's Loss as of the date this Lease is terminated plus interest, fees, and expenses referred to in subparagraph (5) below. Lessor shall be entitled to any surplus and Lessee shall remain liable for any deficiency.

(5) Lessor may exercise any other right or remedy available to it by law or by agreement, and may in any event recover (i) interest at the rate specified in Section 4(d) for Overdue Rent on Lessor's Loss from the date this Lease is terminated to the date Lessor's Loss is paid and (ii) legal fees and other expenses incurred by reason of an Event of Default or the exercise of any remedy hereunder, including legal fees and expenses relating to repossession, repair, storage, transportation, and disposition of the Equipment

(d) Cumulative Remedies No remedy given in this Section 17 is intended to be exclusive, and each shall be cumulative. Lessor may exercise different remedies with respect to different Items. No express or implied waiver by Lessor of any Event of Default shall constitute a waiver of any other Event of Default

Section 18

Return of Equipment

(a) Return of Equipment Upon the scheduled expiration of this Lease or earlier termination of this Lease on account of an Event of Default or otherwise, Lessee shall forthwith deliver possession of the Equipment to the Lessor in accordance with this Section. Lessee shall at its own cost, expense and risk (1) forthwith deliver such Items to not more than five locations within the contiguous forty-eight states of the United States as the Lessor shall designate, and (2) permit the Lessor to store such Items for a period of 120 days at such

locations without charge for insurance, rent or storage, and during such period of storage the Lessee shall continue to maintain all insurance required by Section 9 hereof

(b) Condition Each Item so delivered shall meet the standards then in effect under the Interchange Rules and the maintenance standards of Section 8 hereof and/or the applicable rules of any governmental agency or other organization with jurisdiction, shall be free of liens as required by Section 12, shall have attached any Required Improvement and any Voluntary Improvement required to be attached by Section 8, as well as any Voluntary Improvement that is removable by Lessee but has been purchased by Lessor pursuant to Section 8, and shall be immediately suitable for the use and service for which originally intended. In any event, when returned, each Item shall have an interior lining that is of the type attached to the Item when first accepted under this Lease and that has a remaining useful life of at least 50% of the then current useful life of a new liner of such type, and the interior of the tank shall be clean and free of loose materials, rust, and corrosion

(c) Additional Rent In the event any Item of Equipment is not returned as hereinabove provided as a result of any action or inaction on the part of Lessee as of the date of the expiration of this Lease according to its terms and not on account of any Event of Default, Lessee shall pay to Lessor, for each day thereafter as liquidated damages, and not as a penalty, for the failure of Lessee to return such Item of Equipment to Lessor at the expiration of this Lease as required by the provisions of this Section an amount equal to the daily equivalent of Basic Rent in effect for such Item at the expiration of this Lease. Such additional rent shall not be an alternative to or waiver of Lessee's obligation to return the Equipment as required by this Section 18

(d) Inspection During the 365-day period before the scheduled expiration date of this Lease and during any storage period contemplated by Section 18(a) above, Lessee will permit Lessor or any person designated by it, including the authorized representative of any prospective purchaser of any Item, to inspect any Item.

(e) Power of Attorney Without in any way limiting the obligation of the Lessee under this Section, Lessee hereby irrevocably appoints Lessor as the agent of Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Item to Lessor, to demand and take possession of such Item in the name and on behalf of Lessee from whomsoever shall be in possession of such Item at the time.

(f) Specific Performance Upon application to any court of equity having jurisdiction, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee to assemble, deliver, store and transport the Equipment as required by this Section

Section 19

Recording

The Lessee, at its own expense, but at the direction of Lessor, will cause this Lease to be filed and recorded with the Surface Transportation Board in accordance with 49 USC §11301 and deposited with Registrar General of Canada (notice of such deposit to be forthwith given in The Canada Gazette) pursuant to Section 86 of the Railway Act of Canada. The Lessee in addition will from time to time do and perform any other act and will execute, acknowledge, deliver, file and record (and will refile and rerecord whenever required) any and all further instruments required by law or reasonably requested by Lessor for the purpose of proper protection to their satisfaction of their respective interests in the Equipment.

Section 20

Assignment by Lessor

Lessor and the Owner may sell, assign, or grant a security interest in, any one or more of the Items of Equipment or all or any part of Lessor's interest in this Lease and the Rent and all other sums due or to become due hereunder, at any time and from time to time, in each case without notice to or the consent of Lessee, but Lessee shall be under no obligation to any assignee of Lessor except upon written notice of such assignment from Lessor or such assignee. Upon notice to Lessee of any such assignment, the Rent and other sums payable by Lessee which are the subject matter of the assignment shall be paid to or upon the written direction of the assignee.

Section 21

Lessor's Right to Perform

If Lessee fails to perform any of its agreements contained herein, Lessor may upon notice to Lessee itself perform any such agreement, and Lessee shall reimburse Lessor on demand for any advance of funds by Lessor in connection with such performance together with interest on the unpaid balance thereof at the Overdue Rate until Lessor is fully reimbursed. No such performance by Lessor shall be deemed a waiver of the rights and remedies of Lessor against Lessee hereunder.

Section 28

Option to Purchase

(a) Option to Purchase If (1) Lessee is in compliance with its monetary, maintenance and insurance obligations hereunder as of the date Lessee gives notice of exercise as contemplated below and as of the scheduled expiration date of this Lease, and (2) this Lease shall not have been earlier terminated, Lessee shall be entitled, at its option, upon irrevocable written notice to Lessor as hereinafter provided, to purchase all, but not less than all, of the Items of Equipment then subject to this Lease, on the date immediately following the date of the expiration of the Lease Term for an amount, payable in immediately available funds, equal to the Fair Market Value thereof determined in accordance with Section 28(b) below, plus any applicable sales, use, transfer, documentary, recording excise or other taxes imposed as a result of such sale (other than net income taxes attributable to such sale) If Lessee intends to exercise said purchase option, Lessee shall give irrevocable written notice to Lessor to such effect at least 180 days prior to the expiration of the Lease Term In the event that Lessee exercises its purchase option under this Section 28(a), Lessor shall execute and deliver to Lessee a bill of sale, in which Lessor transfers the Equipment to Lessee "as is" and "where is" and represents only that it is transferring whatever title was transferred to it, and that the Equipment is free and clear only of security interests and liens created by or arising through Lessor or Owner Such bill of sale shall be in a form reasonably acceptable to Lessee, and shall be delivered only upon payment of the sale price by Lessee

(b) Valuation Procedure Fair Market Value of Equipment shall be determined on the basis of, and shall be equal in amount to, the value which would be agreed to in an arm's-length transaction between an informed and willing buyer (other than a buyer currently in possession) and an informed and willing seller, under no compulsion to buy or sell If on or before 90 days prior to the expiration date of the Lease Term, Lessor and Lessee are unable to agree upon the Fair Market Value of the Items of Equipment, such value shall be determined in accordance with the foregoing definition by a qualified independent Appraiser The term "Appraiser" shall mean any independent appraiser mutually agreed upon

by Lessor and Lessee or if no such mutual agreement is reached within 15 days after the beginning of such 90-day period, two independent appraisers, one chosen by Lessor and one chosen by Lessee, or, if such appraisers cannot agree on the amount of such value within 45 days after the beginning of such 90-day period, an independent appraiser to be chosen by the American Arbitration Association promptly thereafter. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to Lessor and Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. Lessee and Lessor shall each pay 50% of the expenses of the Appraiser.
