(k) The Grantor has not, within the past four months, changed its legal name, identity or corporate structure, or conducted its business operations under any fictitious business name or trade name, or utilized any name other than "Petrowax PA

(c) The Grantor will furnish to the Lender from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Lender may request, all in reasonable detail.

(d) The Grantor will warrant and defend unto the Lender title to all of the Collateral purported to be owned by the Grantor against the claims and demands of all Persons whomsoever.

SECTION 7. As to Equipment and Inventory. The Grantor shall:

(a) Keep the Equipment and Inventory (other than Inventory in transit to any such location) (i) at the locations identified in Schedule B or, (ii) at such other location which shall have been disclosed in writing to the Lender not less than ten (10) Business Days prior to the date of the removal or relocation of such Equipment or Inventory to such location, except that (i) no such location may be within the State of Louisiana unless the Lender shall have received not less than sixty (60) days prior written notice of the removal or relocation of such Equipment or such Inventory to the State of Louisiana, and (ii) no Equipment or Inventory may be located outside of the United States under any circumstances. In connection with any such removal or relocation of Equipment or Inventory, and in advance thereof, the Grantor shall take all such actions as may be required by Section 6 or as the Lender may otherwise reasonably request to assure that the Grantor shall, as of the date of the commencement of any such removal or relocation, be in compliance with all of the terms of this Agreement.

(b) Permit the Lender, or its designee, at any reasonable time or times and with prior notice, to inspect the Equipment and/or the Inventory, and any records relating thereto (including records respecting the purchase, sale, exchange, transportation and storage thereof) and to copy or make abstracts from such records.

(c) Cause the Equipment to be maintained and preserved in the same condition, repair and working order as when new, ordinary wear and tear and obsolescence excepted, and in accordance with any manufacturer's manual or prescribed maintenance program, and shall forthwith, or in the case of any loss or damage to any of the Equipment as quickly as practicable after the occurrence thereof, make or cause to be made all repairs, replacements and other improvements in connection therewith which are necessary for the Operations. The Grantor shall promptly furnish to the Lender a statement respecting any loss or damage to any of the Equipment or the Inventory.

(d) Pay promptly when due all property and other taxes, assessments and governmental charges or levies imposed upon, and all claims (including claims for labor, materials and supplies) against, the Equipment and/or the Inventory, except to the extent the validity thereof is being contested in good faith and by appropriate proceedings so long as such proceedings do not involve any material danger of sale or foreclosure of the Equipment and/or the Inventory.

(e) As to any Equipment or Inventory which is in the possession (or otherwise under the control) of any agent or bailee of the Grantor at the time of the occurrence of an Event of Default, instruct such agent or bailee to hold such Equipment or Inventory for the account of the Lender (subject, as to the Inventory, to the rights of creditors under any Intercreditor Agreement executed and delivered in connection with the Bridge Loan or the Working Capital Loan).

In connection with any such change, and in advance thereof, the Grantor shall take all such actions as may be required by Section 6 or as the Lender may otherwise reasonably request to assure that, as of the effective date of such change, the Grantor shall be in compliance with all of the terms of this Agreement.

(b) The Grantor will hold and preserve its books and records relating to the Receivables, the Related Contracts, the Assigned Documents and all chattel paper which evidence

Receivables and will permit the Lender, or its designee, at any reasonable time or times and with prior notice, to inspect, copy and make abstracts from such books, records, Related Contracts, Assigned Documents and chattel paper.

In connection with such collections, the Grantor may take (and, at the Lender's direction, shall take) such action as the Grantor or the Lender may deem necessary or advisable to enforce collection of the Receivables and amounts payable under the Related Contracts or the Assigned Documents, provided, however, that, subject to the rights of creditors under the terms of any Intercreditor Agreement executed and delivered in connection with the Bridge Loan or the Working Capital Loan, the Lender shall have the right at any time after the occurrence of an Event of Default to notify the account debtors or obligors under any Receivables and the other parties to the Related Contracts and the Assigned Documents of the assignment of such Receivables, Related Contracts or Assigned Documents, as the case may be, to the Lender and to direct such account debtors or obligors or other parties to make payment of all amounts due or to become due to the Grantor thereunder directly to the Lender and, upon such notification and at the expense of the Grantor, to enforce collection of any such Receivables or amounts payable under the Related Contracts or the Assigned Documents, and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as the Grantor might have done.

(e) The Grantor shall not:

(i) Cancel or terminate any Related Contract or Assigned Document or consent to or accept any cancellation or termination thereof (other than any termination due to the expiration of any Related Contract or Assigned Document by its own terms);

(ii) Waive any breach of any term or provision of any Related Contract or Assigned Document or any default thereunder as a result thereof which would impair the rights or interests of the Lender as a secured party;

(iii) Amend or otherwise modify any term or provision of any Related Contract or Assigned Document or give any consent, waiver or approval to any term or provision thereof which would impair the rights or interests of the Lender as a secured party; or

(iv) Except as may be permitted under Sections 8(e)(ii) or 8(e)(iii) or Section 9, take any other action in connection with any Related Contract or Assigned Document that would impair the interests or rights of the Lender as a secured party.

(f) If any account or contract right in the amount of \$100,000 or more arises out of a contract with the United States or any department, agency or instrumentality thereof, the Grantor will immediately notify the Lender thereof in writing and execute any instruments and take any steps required by the Lender in order that the security interest hereunder in the Grantor's contract right under such contract and in all accounts arising thereunder and in the proceeds thereof shall be perfected under the provisions of the Federal Assignment of Claims Act.

SECTION 9. Transfers; Other Liens. The Grantor shall not directly or indirectly, without the prior written consent of the Lender (which consent shall not be unreasonably withheld):

(a) Sell (with or without recourse), discount, assign (by operation of law or otherwise) or otherwise transfer or dispose of, or grant any option with respect to, any of the Collateral, except (i) as permitted by the Loan Agreement, (ii) as to Inventory, in the ordinary course of the Grantor's business, provided, that the interests or rights of the Lender as a secured party are not impaired thereby and (iii) as to Collateral (other than Inventory) and Chattal Property (as defined in the Mortgages), in an amount such that the aggregate original cost of all such Collateral and Chattal Property which shall have been sold, discounted, assigned, transferred, disposed of, or as to which an option shall have been granted, in any Fiscal Year shall not exceed \$100,000; or

(b) Create or suffer to exist any lien, security interest or other charge or encumbrance upon or with respect to any of the Collateral to secure Debt of any Person, except for Liens permitted by the Loan Agreement.

SECTION 10. Lender Appointed Attorney-in-Fact. The Grantor hereby appoints the Lender as the Grantor's attorney-in-fact (which appointment shall be irrevocable and deemed coupled with an interest), with full authority in the place and stead of the Grantor and in the name of the Grantor, the Lender or otherwise, from time to time in the Lender's discretion upon the occurrence of an Event of Default, but subject to the rights of creditors under the terms of any Intercreditor Agreement executed and delivered in connection with the Bridge Loan or the Working Capital Loan, to take any action and to execute any instrument which the Lender may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation:

(i) to ask, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(ii) to receive, endorse, and collect any checks, drafts or other instruments, documents and chattel paper, in connection with this Section 10; and

(iii) to file any claims or take any action or institute any proceedings which the Lender may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Lender with respect to any of the Collateral.

SECTION 11. Lender May Perform. If the Grantor fails to perform any agreement contained herein, the Lender may itself perform, or cause performance of, such agreement, and the expenses so incurred in connection therewith shall be payable by the Grantor. The Lender will give the Grantor oral notice of such performance, confirmed in writing, which may be given after such performance has occurred.

SECTION 12. Lender's Duties. The powers conferred on the Lender hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Lender shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral, except to and in a manner consistent with the transactions contemplated by the Loan Documents.

SECTION 13. Events of Default and Remedies. Subject to the rights of creditors under the terms of any Intercreditor Agreement executed and delivered in connection with the Bridge Loan or the Working Capital Loan, upon the occurrence of any Event of Default and at any time thereafter:

(a) The Lender may exercise in respect of the Collateral, in addition to other rights and remedies provided for under the Loan Agreement, herein or otherwise available to it under applicable law, all of the rights and remedies of a secured party against a debtor in default under the Code (whether or not the Code applies to the affected Collateral) and also may (i) exercise any and all rights and remedies of the Grantor under or in connection with the Related Contracts and the Assigned Documents or otherwise in respect of the Collateral, including, without limitation, any and all rights to demand or otherwise require payment of any amount under, or performance of any provision of, the Related Contracts and the Assigned Documents, (ii) require the Grantor to, and the Grantor hereby agrees that it will at its expense and upon request of the Lender forthwith, assemble all or part of the Equipment as directed by the Lender and make it available to the Lender at a place to be designated by the Lender which is reasonably convenient to both parties, (iii) without notice or demand or legal process, (A) enter upon, occupy and/or take possession or control of the Plants or any barge, towboat or other vessel or railroad car or other vehicle containing or being used to transport Inventory, or any other premises, vessel, railroad car or vehicle owned or leased by the Grantor or otherwise

subject to the control of the Grantor where the Collateral or any part thereof is located; (B) use any such premises, vessel, railroad car or vehicle to store or transport Inventory or load or unload Inventory thereto or therefrom or otherwise to effectuate the Lender's rights and remedies under the Loan Agreement, hereunder or under the Code or other applicable law, without obligation to the Grantor in respect of such entry and/or occupation; (C) order any employee, representative or other agent of the Grantor, or any vendor, supplier, carrier, warehouseman, ship's captain, pipeline operator or other person to store or release from storage, load or unload, or ship, deliver or transport, Inventory, or countermand any such order given by the Grantor, or otherwise prevent any of the foregoing events from occurring, and (iv) without notice, except as specified below, sell the Collateral or any part thereof in one or more lots at public or private sale, in its then condition or following any commercially reasonable preparation or processing, by one or more contracts, at such time or times, for cash, on credit or for future delivery, and at such price or prices and upon such other terms as the Lender may deem commercially reasonable and in accordance with any mandatory provisions of the Code. The Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days' notice to the Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute commercially reasonable notification. At any sale of the Collateral, if permitted by law, the Lender may bid (which bid may be, in whole or in part, in the form of cancellation of indebtedness) for and purchase the Collateral or any portion thereof for the account of the Lender. The Lender shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Lender may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) All amounts and proceeds (including instruments) received by the Grantor in respect of the Receivables, the Related Contracts, the Assigned Documents, or any of the other Collateral, shall be received in trust for the benefit of the Lender hereunder, shall be segregated from other funds of the Grantor and shall be forthwith paid over (or delivered) to the Lender in the same form as so received (with any necessary endorsement) to the Lender and applied

against the Obligations in the order set forth in Section 6.2 of the Loan Agreement.

(c) All payments made under or in connection with any Related Contract or Assigned Document or otherwise in respect of the Collateral, and all cash proceeds received by the Lender in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Lender, be held by the Lender as collateral for, and/or then or at any time thereafter applied in whole or in part by the Lender against, all or any part of the Obligations, in the order set forth in Section 6.2 of the Loan Agreement.

(d) Nothing in this Section 13 is intended to waive or vary the rules referred to in Section 9-501(3) of the Code as adopted in any jurisdiction, to the extent that such rules give rights to the Grantor or impose duties upon the Lender.

SECTION 14. Continuing Security Interest; Payment of Obligations. This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until termination of the Commitment and payment in full of the Obligations, (ii) be binding upon the Grantor, its successors and assigns, and (iii) inure to the benefit of and be enforceable by the Lender and its successors, transferees and assigns, provided, however, that the Grantor may not assign or transfer any of its rights or obligations hereunder without the prior written consent of the Lender. Upon the payment in full of the Obligations and the termination of the Commitment, the security interest granted hereby shall terminate and all rights of the Lender in and to the Collateral shall revert to the Grantor. Upon any such termination, the Lender will, at the Grantor's expense, execute and deliver to the Grantor such documents as the Grantor shall reasonably request to evidence such termination.

SECTION 15. Specific Enforcement. Notwithstanding anything to the contrary contained in this Agreement, the Grantor agrees that a breach of any of the covenants and agreements contained herein will cause irreparable injury to the Lender and that the Lender has no adequate remedy at law in respect of such breach and, as a consequence, the Grantor agrees that each and every one of such covenants and agreements shall be specifically enforceable against the Grantor and the Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants and agreements except for a defense that no default has occurred.

SECTION 16. Confidentiality. The confidentiality provisions contained in this Section 16 relate to the Lender's

"UOP Technical Information" shall mean all information, including, but not limited to, data, plans, specifications, flow charts and drawings which UOP considers proprietary and confidential relating to the UOP processes employed at the Units generally and the Units specifically.

SECTION 17. Incorporation by Reference. Article VIII of the Loan Agreement (other than Sections 8.8, 8.15 and 8.16 thereof) is hereby incorporated herein by reference as though the same were set forth herein at length.

IN WITNESS WHEREOF, the Grantor and the Lender have caused this Agreement to be duly executed and delivered by their duly authorized officers as of the date first above written.
