THIS SECURITY AGREEMENT, dated as of May 15, 1991, (this "Security Agreement"), is between ITEL RAIL CORPORATION, a Delaware corporation (the "Debtor"), and THE YASUDA TRUST AND BANKING COMPANY, LIMITED, a company organized and existing under the laws of Japan and acting through its New York branch, individually (in such capacity, the "Lender") and as agent for the Transferees (as defined below) (in such capacity, the "Secured Party").

### R E C I T A L S:

A. The capitalized terms used in this Security Agreement shall have the meanings specified in Annex I to the Loan Agreement unless otherwise herein defined or the context hereof shall otherwise require.

B. The Debtor and the Secured Party have entered into a Loan Agreement providing for the commitment of the Secured Party to make a Loan on each Closing Date as evidenced by the Secured Notes of the Debtor as provided therein.

C. It is a condition to the obligation of the Secured Party under the Loan Agreement to make the Loans evidenced by the Secured Notes that the parties shall have entered into this Security Agreement.

D. All of the requirements of law relating to the transaction contemplated hereby have been fully complied with and all other acts and things necessary to make this Security Agreement a valid, binding and legal instrument for the security of the Secured Notes will have by the applicable Closing Date been done and performed (except for the filing of this Security Agreement and the applicable Supplement with the Registrar General of Canada which shall be filed therewith within twenty (20) days of such Closing Date).

### SECTION 1. GRANT OF SECURITY.

The Debtor, in consideration of the premises and other good and valuable consideration, receipt whereof is hereby acknowledged, and in order to secure the payment of all the Secured Indebtedness and the performance and observance of all of the Debtor's covenants contained in the Secured Notes and in this Security Agreement and in the Loan Agreement, does, subject to the terms and provisions hereof, hereby convey, warrant, mortgage, assign, pledge and grant unto the

Secured Party, its successors and permitted assigns, a security interest in all and singular of the Debtor's right, title and interest in and to the properties, rights, interests and privileges described in Section 1 hereof (all of which properties being hereby mortgaged, assigned and pledged or intended so to be are hereinafter collectively referred to as the "Collateral"); provided, however, that any payments or amounts which have been distributed to the Debtor by the Secured Party in accordance with the provisions of this Security Agreement, and to which the Debtor is entitled hereunder, shall not be subject to the security interest of this Security Agreement.

1.1. Equipment Collateral. The Collateral includes (i) the Equipment described in Schedule 1 to each Supplement, the form of which is attached hereto as Exhibit A and made a part hereof (the "Supplement"); together with (i) all accessories, equipment, parts and appurtenances appertaining or attached to any of the Equipment hereinabove described, whether now owned or hereafter acquired, (ii) all substitutions, renewals or replacements of and additions, improvements, accessions and accumulations to any and all of said Equipment, (iii) all bills of sale or other purchase documents for the Equipment, and all manufacturer's warranties, as and to the extent each relate to the Equipment, (iv) all of the rents, issues, profits, revenues and other income of the Equipment, and (v) all proceeds, including, but not limited to, all insurance proceeds and indemnity payments related thereto.

1.2. Leases.

(a) Subject to Section 1.2(c) hereof, the Collateral also includes all right, title and interest of the Debtor in and to each and every lease agreement currently in effect or hereafter entered into by the Debtor as lessor relating to the Equipment which does not constitute a Nonassigned Lease, as and only to the extent such leases relate to the Equipment (as and only to the extent such leases relate to the Equipment, the "Assigned Leases"), including, but not limited to:

(i) all rents, income, issues, profits, revenues and other payments due and to become due under any Assigned Lease whether as contractual obligations, damages or otherwise;

(ii) all of its claims, rights, powers, or privileges and remedies under any Assigned Lease, but only to the extent permitted by a lessee under any Assigned Lease; and

(iii) all of its rights under any Assigned Lease to make determinations, to exercise any election (including, but not limited to, election of remedies) or option or to give or receive any notice, consent, waiver or approval together with full power and authority with respect to any Assigned Lease to demand, receive, enforce, collect or give receipt for any of the foregoing rights or any property the subject of any of the Assigned Leases, to enforce or execute any checks, or other instruments or orders, to file any claims and to take any action which (in the opinion of the Secured Party) may be necessary or advisable in connection with any of the foregoing insofar, but only insofar, as such rights relate to the Equipment which is subject to such Assigned Leases, together with all extensions, renewals and replacements of the Assigned Leases (which extensions, renewals or replacements do not constitute Nonassigned Leases), whether now owned or hereafter acquired, and all income and profits therefrom, all rights thereunder and all proceeds thereof;

(b) Subject to Section 1.2(c) hereof, the Collateral also includes all right, title and interest of the Debtor to all rent or lease payments due or to become due with respect to the Equipment under each lease agreement currently in effect or hereafter entered into relating to the Equipment which (i) contains subordination language substantially as set out in Section 6.3 of the Loan Agreement, and (ii)(A) has a term of not more than one (1) year, or (B) relates to not more than twenty (20) Units, each as and only to the extent such rights and payments relate to the Equipment (the "Nonassigned Leases") (each such right, title or interest with respect thereto being a "Nonassigned Lease Payment Right").

(c) Notwithstanding anything otherwise contained in this Security Agreement:

(i) until the occurrence and continuance of an Event of Default, the Debtor may exercise all of the Debtor's rights, powers, privileges and remedies under the Assigned Leases and the Nonassigned Leases including, without limitation, the right to receive any and all monies due or to become due under the Assigned Leases and the Nonassigned Leases; and

(ii) the Debtor shall be entitled to retain possession of all of the executed originals of the Assigned Leases at its principal place of business (except those originals delivered to the lessee or filed with the ICC) and shall retain such possession unless instructed in writing by the Secured Party and all other lenders with interests thereunder to release the same or unless an Assigned Lease no longer relates to any of the Equipment or is modified or amended to fall within the definition of a Nonassigned Lease.

1.3. Cash Collateral Account. The Collateral also includes the Cash Collateral Account, all amounts on deposit therein and all investments made with the proceeds thereof.

1.4. Duration of Security Interest.

(a) The security interest of the Secured Party in any Assigned Lease shall terminate if such lease no longer relates to any of the Equipment or if such lease shall be modified or amended to fall within the definition of a Nonassigned Lease (in which case the Secured Party shall have a security interest in the Nonassigned Lease Payment Rights thereunder) and the security interest of the Secured Party in any Nonassigned Lease Payment Rights shall terminate if the relevant lease no longer relates to any of the Equipment. In either such event the Secured Party shall execute and deliver to the Debtor the instruments referred to in Section 1.4(b) hereof.

(b) The security interest of the Secured Party in any of the Collateral is granted upon the express condition that if the Debtor shall pay or cause to be paid all of the Secured Indebtedness then these presents and the estate hereby granted and conveyed shall cease and this Security Agreement shall become null and void, and in such event the Secured Party shall (upon the request of the Debtor and at no cost to the Secured Party) execute and deliver to the Debtor such instrument or instruments as may be necessary or appropriate in order to make clear upon the public records the title of the Debtor in and to the Collateral.

SECTION 2. POSSESSION, USE AND RELEASE OF COLLATERAL.

2.1. Possession of Collateral. Subject to Sections 7.1 and 7.2 of the Loan Agreement, the Debtor and any lessee or

sublessee of the Equipment shall, to the exclusion of the Secured Party, be permitted to remain in full possession, enjoyment and control of the Collateral and to manage, operate, lease and use the same and each part thereof with the rights and franchises appertaining thereto.

## 2.2. Release of Property and Liens.

(a) So long as no Event of Default has occurred and is continuing to the knowledge of the Borrower or the Secured Party, the Secured Party shall execute a release in respect of any Unit designated by the Debtor for settlement of the Loan Value or for replacement pursuant to Section 3 hereof, upon receipt from the Debtor of written notice designating the Unit with respect to such Event of Loss and the receipt from the Debtor or such other Person, as the case may be, of all sums payable or documents required in compliance with said Section 3. Any such written notice from the Debtor shall be accompanied by an Officer's Certificate of the Debtor setting forth the basis for such request, together with such additional evidence of such compliance as the Secured Party shall reasonably request. The Secured Party agrees to execute at the Debtor's expense such instruments as the Debtor shall reasonably request to evidence such release and consents to all appropriate filings to confirm such release of public record.

(b) Upon the written request of the Debtor, the Secured Party shall execute and deliver any and all releases, termination statements and other agreements and filings as Debtor shall reasonably request to evidence the termination of the Secured Party's security interests in the Collateral as set forth in and in accordance with Section 1.4 hereof.

2.3. Condemnation. The Debtor, immediately upon obtaining actual knowledge of the institution of any proceedings for the condemnation of any Unit of Equipment, which such condemnation proceedings, if successful, would reasonably be likely to result in an Event of Loss, shall notify the Secured Party of the pendency of such proceedings. The Secured Party, at its own cost and expense, may participate in any such proceedings, and the Debtor from time to time will deliver or cause to be delivered to the Secured Party all instruments requested by it to permit such participation. In the event of such condemnation proceedings, the award or compensation payable to the Debtor shall be paid to the Secured Party, and such award or compensation shall be paid or applied in accordance with Section 2.6 hereof. The Secured Party shall be under no obligation to question the amount of the award or compensation and the Secured Party may accept any such award or

compensation it being understood that the Debtor shall be liable for any deficiency between the amount of such award or compensation and the amount owed under Section 3.2 of the Loan Agreement. In any such compensation proceedings, the Secured Party may be represented by counsel.

2.4. Release of Collateral - Consent of the Secured Party. In addition to any release pursuant to Section 1.3 and Section 2.2 hereof, the Debtor may sell or otherwise dispose of all or any part of the Collateral then subject to the Lien of this Security Agreement upon the written consent of the Secured Party in its sole discretion, and the Secured Party shall release the same from the Lien and security interest hereof, to the extent and on the terms and upon compliance with the conditions provided for in any such written consent.

2.5. Protection of Purchaser. No purchaser in good faith of property purporting to be released hereunder shall be bound to ascertain the authority of the Secured Party to execute the release, or to inquire as to any facts required by the provisions hereof for the exercise of such authority; nor shall any purchaser, in good faith, of any item or Unit of the Collateral be under obligation to ascertain or inquire into the conditions upon which any such sale is hereby authorized.

2.6. Insurance Proceeds and Condemnation Payments. If the Secured Party shall receive any insurance proceeds under insurance required to be maintained by the Debtor pursuant to the Loan Agreement or condemnation payments in respect of such Units suffering an Event of Loss, (a) if the Debtor shall not at the time be obligated to pay the Loan Value of any Unit of Equipment as provided in Section 3 hereof, the Secured Party shall pay such proceeds or condemnation payments to the Debtor, or (b) if the Debtor shall at the time be obligated to pay the Loan Value, the Secured Party shall use such proceeds or condemnation payments to reimburse the Debtor for its payment of the Loan Value to the Secured Party (to the extent the Debtor shall have already paid such Loan Value), or, if not already paid by the Debtor, apply such proceeds or condemnation payments in satisfaction of the obligation of the Debtor to pay the Loan Value and all other amounts then due in accordance with the provisions of Section 3.2 of the Loan Agreement, it being understood that the Borrower shall remain liable to the Lender to the extent of any deficiency between the amount of such proceeds or condemnation payments and the Loan Value, and the balance, if any, of such proceeds or condemnation payments shall be paid over to the Debtor; provided, however, with respect to payment to the Debtor under subsections (a) and (b) above, that no Default or Event of Default shall have occurred

and be continuing. All insurance proceeds received by the Secured Party under insurance required to be maintained by the Debtor hereunder in respect of any Unit not suffering an Event of Loss shall be paid to the Debtor upon proof satisfactory to the Secured Party that any damage to such Unit in respect of which such proceeds were paid has been fully repaired; provided that no Default or Event of Default shall have occurred and be continuing.

Any amount referred to in the preceding paragraph which is payable to the Debtor shall not be paid to the Debtor or, if it has been previously paid directly to the Debtor, shall not be retained by the Debtor, if at the time of such payment an Event of Default shall have occurred and be continuing, but shall be paid to and held by the Secured Party, as part of the Collateral, and at such time as there shall not be continuing any such Event of Default, such amount shall be paid to the Debtor so long as all amounts then due to the Secured Party under the Operative Documents have been paid.

### SECTION 3. EVENT OF LOSS.

(a) Payment of Loan Value. In the event that any Unit (a) shall suffer an actual or constructive total loss, (b) shall suffer destruction or damage which, in the Debtor's good faith opinion, makes repair uneconomic or renders such Unit unfit for commercial use, (c) shall have title thereto taken or appropriated by any governmental authority under the power of eminent domain or otherwise, (d) shall be taken or requisitioned for use by any governmental authority under the power of eminent domain or otherwise for a period extending beyond the earlier of (i) six (6) months after the date of such taking or requisition, or (ii) the Maturity Date, or (e) shall be missing for a period of ninety (90) consecutive days (any such occurrence being hereinafter called an "Event of Loss"), the Debtor shall promptly and fully inform the Secured Party of such Event of Loss. At any date as of which Events of Loss with respect to fifteen (15) Units (exclusive of those Units for which substitute Units have been provided under Section 3(b) hereof or in respect of which prepayment has been made pursuant to Section 3.2 of the Loan Agreement) shall have occurred (which such date shall be referred to as a "Loss Date") the Debtor shall become obligated to prepay a principal amount of the Secured Notes in accordance with the provisions of Section 3 of the Loan Agreement. For purposes of this Security Agreement, the "Loan Value" in respect of any Unit shall be an amount equal to the product of (A) a fraction, the numerator of which is an amount equal to the Equipment Cost of such Unit which has suffered an Event of Loss, and the

denominator of which is the Total Equipment Cost of all Units then subject to this Security Agreement, times (B) the unpaid principal amount of the Secured Notes immediately prior to the payment provided for in this Section 3.

(b) Substitution. If no Default or Event of Default shall have occurred and be continuing, in lieu of payment of all or a portion of the Loan Value for any Unit due and owing as provided in subsection (a) above, the Debtor shall have the option, on or prior to the date on which such Loan Value would have otherwise been due and payable, to substitute as collateral hereunder for any such Unit with respect to which an Event of Loss occurred, a Unit of Equipment (a "Substitute Unit"), title to which shall be held by the Debtor free and clear of all Liens other than Permitted Liens; provided that such Substitute Unit has a value, utility and remaining economic life at least equal to, and being in as good operating condition as, such Unit with respect to which an Event of Loss occurred assuming such Unit was in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss and that the Debtor shall have delivered to the Lender an Officer's Certificate certifying the foregoing. Prior to or at the time of any such substitution the Debtor, at its own expense, will furnish the Secured Party with a Supplement, in the form attached as Exhibit A hereto, with respect to such Substitute Unit, and shall so execute, acknowledge and deliver all and every further acts, deeds, conveyances, transfers and assurances necessary or proper for the protection of the security interest being herein provided for in such Substitute Unit.

#### SECTION 4. DEFAULTS.

4.1. Events of Default. The terms "Default" or "Event of Default" for all purposes of this Security Agreement shall mean a Default or Event of Default under the Loan Agreement.

4.2. Secured Party's Rights. The Debtor agrees that when any Event of Default has occurred and is continuing, the Secured Party shall have the rights, options, duties and remedies of a secured party, and the Debtor shall have the rights and duties of a debtor, under the Uniform Commercial Code of New York (regardless of whether the Uniform Commercial Code or other similar law has been enacted in the jurisdiction where such rights and remedies are being asserted) and under 49 U.S.C. Section 11303, and without limiting the foregoing, the Secured Party may exercise any one or more or all, and in any order, of the remedies set forth in the Loan Agreement.

SECTION 5. MISCELLANEOUS.

5.1. Successors and Assigns. Whenever any of the parties hereto is referred to, such reference shall be deemed to include the successors and permitted assigns of such party; and all the covenants, promises and agreements in this Security Agreement contained by or on behalf of the Debtor or by or on behalf of the Secured Party, shall bind and inure to the benefit of the respective successors and assigns of such parties whether so expressed or not.

5.2. Severability. Any provision of this Security Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

5.3. Communications. All communications provided for herein shall be in writing or by a telecommunications device capable of creating a written record, and any such notice shall become effective (a) upon personal delivery thereof, including, without limitation, by overnight mail and courier service, (b) five (5) days after the date on which it shall have been mailed by United States mail, certified or registered, postage prepaid, return receipt requested, or, (c) in the case of notice by such a telecommunications device, when a written acknowledgment as to the receipt thereof by the transmittee has been received by the sender, addressed to each party at the following addresses:

5.6. Governing Law.
