ARTICLE II

Creation of Trust, Trust Certificates and Issuance Thereof

Section 2.01 Creation of Trust; Issuance of Trust Certificates. Subject to the terms and provisions of this Agreement, the Company hereby establishes a trust for the benefit of the holders of the Trust Certificates for the purpose of holding title to the Trust Equipment and maintaining the other interests in property conveyed to the Trustee for the benefit of the holders of the Trust Certificates as herein provided and for such other purposes as are specifically set forth herein. The Company hereby appoints the Trustee as trustee of such trust. The beneficial interest of the holders of the Trust Certificates in such trust shall be evidenced by the Trust Certificates. The aggregate principal amount of Trust Certificates which shall be issued and delivered by the Trustee from time to time hereunder shall be \$65,000,000, except as provided in Sections 2.05 and 2.06.

Section 2.02 Interests Represented by Trust Certificates; Maturity; Interest; Denominations. (a) Each of the Trust Certificates shall represent an interest in the amount therein specified in the trust created hereunder.

(b) The Trust Certificates shall mature on September 3, 2001. The Trust Certificates shall be in denominations of \$100,000 or greater.

(c) Subject to Section 2.05(f), each of the Trust Certificates shall be dated the date of its execution by the Trustee, and, except as provided in this Section 2.02, shall bear interest on the principal amount specified therein, payable semi-annually on the Payment Dates in each year, at the rate of 9.44% per annum from the date of issue of such Trust Certificate until the principal amount represented by such Trust Certificate shall have become due, with interest on any overdue principal and interest, to the extent permitted by applicable law, at the rate of 11.44% per annum. The person in whose name any Trust Certificate is registered at the close of business on any record date (as hereinafter defined) with respect to any Payment Date shall be entitled to receive the interest payable on such Payment Date notwithstanding the cancellation of such Trust Certificate upon any registration of transfer or exchange subsequent to such record date and prior to such Payment Date. The term "record date" as used in this Section 2.02 with respect to any Payment Date shall mean the close of business on the fifteenth day of February and August (whether or not a business day), as the case may be, preceding such Payment Date.

(d) The principal and interest on the Trust Certificates shall be payable at the Corporate Trust Office in such coin or currency of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. Notwithstanding the provision of the preceding sentence of this Section 2.02(d), in the case of payments of

principal and interest to be made on a Trust Certificate not then to be paid in full, upon Request and deposit with the Trustee of an agreement of the holder of such Trust Certificate obligating such holder, prior to any transfer or other disposition thereof, to surrender the same to the Trustee for notation thereon of the installments of principal paid or the principal amount represented by such certificate, the Trustee will mail its check on the date each such payment is due to such registered holder at his address shown on the registry books maintained by the Trustee, provided, however, that the foregoing provisions of this Section 2.02(d) shall not apply to any Purchaser or to any other Institutional Investor, and the Company shall direct the Trustee by Request to make payments of principal and interest to such Purchaser, or such other Institutional Investor on the date such payments are received by the Trustee, by wire transfer of federal funds (and the Company shall make such funds available to the Trustee) at their respective principal or "home office" addresses or specified bank accounts which shall be supplied to the Trustee by the Company, provided, further, that prior to the occurrence of an Event of Default and prior to the time that any Institutional Investor shall direct the Company to make all payments of principal and interest hereunder to the Trustee, the Company may make payments of principal (including without limitation the payments required by Section 5.03(b)(3)) and interest directly to such Purchaser, or such other Institutional Investor, by federal wire transfer of federal funds at their respective principal or "home office" addresses or specified bank accounts as supplied by such Purchaser or such other Institutional Investor, and such payment shall be deemed to have been made to the Purchasers by the Trustee and shall satisfy the rentals owed by the Company to the Trustee under Section 5.03(b)(2)-(4) at such time. The Company shall make such payments directly to the Purchasers and other Institutional Investors unless it notifies the Trustee that the Trustee will be required to make such payments at least thirty days prior to the date such payment is due. The Company shall certify to the Trustee the amount of principal and interest paid to each Purchaser or Institutional Investor by the Company at the time such payment is made. The Trustee and the Company shall be entitled to rely on the respective "home office" addresses or specified bank-accounts supplied to it by the Company until it shall have received actual notice of a new or otherwise different "home office" address or specified bank account at which payments pursuant to this Section 2.02(d) shall be made. The Company hereby directs (and execution of this Agreement shall constitute such Request) that the Trustee make payments to each of the Purchasers at their respective addresses set forth in Schedule A of the Purchase Agreement until further notice. Whenever any payment hereunder or under the Trust Certificates shall be stated to be due on a day that is not a business day in Texas and New York, such payment shall be made on the next succeeding day that is a business day in Texas and New York with the same force and effect as if made on the Payment Date.

Section 2.03 Form of Trust Certificates. The Trust Certificates shall be in substantially the form hereinbefore set forth.

Section 2.04 Execution by Trustee. The Trust Certificates shall be signed in the name and on behalf of the Trustee by the manual signature of one of its authorized signatories and attested by the manual signature of one of its authorized signatories. In case any officer of the Trustee whose signature shall appear on any of the Trust Certificates shall cease to be such officer of the Trustee before the Trust Certificates shall have been issued and delivered by the Trustee or shall not have been acting in such capacity on the date of the Trust Certificates, such Trust Certificates may be adopted by the Trustee and be issued and delivered as though such person had not ceased to be or had been such officer of the Trustee.

Section 2.05 Characteristics of Trust Certificates.

(a) Each Trust Certificate shall be registered, as to both principal and interest, in the name of the holder and, subject to the provisions of Section 2.07, shall be transferable (i) by endorsement or assignment, upon the delivery of such Trust Certificate to or on behalf of the transferee, and it is not necessary to surrender such Trust Certificate to the Trustee in connection with any transfer thereof, or (ii) upon presentation and surrender thereof for registration of transfer at the Corporate Trust Office accompanied by appropriate instruments of assignment and transfer, duly executed by the registered holder of the surrendered Trust Certificate or Trust Certificates or by a duly authorized attorney, in form satisfactory to the Trustee.

(b) Trust Certificates may be exchanged for one or more Trust Certificates of authorized denominations of the same aggregate unpaid principal amount at the Corporate Trust Office.

(c) Anything contained herein to the contrary notwithstanding, prior to due presentment for registration of transfer thereof, the parties hereto may deem and treat the registered holder of any Trust Certificate as the absolute owner of such Trust Certificate for all purposes and shall not be affected by any knowledge or notice to the contrary.

(d) The Trustee shall cause to be kept at the Corporate Trust Office books for the registration and registration of transfer of the Trust Certificates.

(e) No service charge shall be made for any registration of transfer or exchange of Trust Certificates, but the Trustee shall require the payment of a sum sufficient to reimburse it for taxes or other governmental charges, if any, connected with any registration of transfer or exchange.

(f) Each Trust Certificate delivered pursuant to any provision of this Agreement in exchange for or substitution for, or upon the registration of transfer of, the whole or any part, as the case may be, of one or more Trust Certificates shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by the whole or such part, as the case may be, of such one or more other Trust Certificates, and, notwithstanding anything contained in this Agreement, such Trust Certificates shall be so dated that neither gain nor loss in interest shall result from such exchange, substitution or registration of transfer.

(g) The Trustee shall not be required to issue, register a transfer of, or exchange any Trust Certificate (i) during the period beginning the fifteenth of February and ending the third of March of each year and (ii) during the period beginning the fifteenth of August and ending the third of September of each year.

Section 2.06 Replacement of Lost Trust Certificates. In case any Trust Certificate shall become mutilated or defaced or be lost, destroyed or stolen, then on the terms herein set forth and not otherwise, the Trustee shall execute, issue and deliver a new Trust Certificate of like tenor and date, and bearing such identifying number or designation as the Trustee may determine, in exchange and substitution for, and upon cancellation of, the mutilated or defaced Trust Certificate, or in lieu of or in substitution for the same if lost, destroyed or stolen. The applicant for a new Trust Certificate shall furnish to the Trustee and the Company evidence to their satisfaction of the loss, destruction or theft of such Trust Certificate alleged to have been lost, destroyed or stolen and of the ownership and authenticity of such mutilated, defaced, lost, destroyed or stolen Trust Certificate, and also shall furnish such security or indemnity as may be required by the Trustee in its discretion, and shall pay all expenses and charges of such substitution or exchange; provided, however, if such applicant shall be a Purchaser, or another Institutional Investor having net assets in excess of \$50,000,000, such applicant's written agreement to indemnify the Company and the Trustee against any liability or loss resulting from such substitution or exchange shall satisfy the requirements of this sentence. All Trust Certificates are held and owned upon the express condition that the foregoing provisions are exclusive in respect of the replacement of mutilated, defaced, lost, destroyed or stolen Trust Certificates and shall preclude any and all other rights and remedies, any law or statute now existing or hereafter enacted to the contrary notwithstanding.

Section 2.07 Restrictions on Transfer of Trust Certificates. Each purchaser of Trust Certificates shall represent at the time of purchase that such Trust Certificates are not being acquired with any view to the distribution thereof within the meaning of the Securities Act of 1933, as amended (the

"Securities Act"), or the rules and regulations (the "Rules") promulgated thereunder, but without prejudice, however, to such purchaser's right at all times to sell or otherwise dispose of all or any part of the Trust Certificates under a registration statement filed under the Securities Act or in a transaction exempt from the registration requirements of such Act. Neither such purchaser nor any subsequent transferee of any Trust Certificates shall sell or otherwise dispose of any such Trust Certificates except in accordance with the Securities Act, the Rules, any applicable state securities laws, and this Agreement, and the Trustee shall not be obligated to effect a registration of transfer of any such Trust Certificates without having received an opinion of Special Counsel, general (in-house) counsel for Nationwide Life Insurance Company, Allstate Life Insurance Company or New England Mutual Life Insurance Company, or other counsel reasonably satisfactory to the Trustee and the Company that the proposed disposition may be effected without violation of the Securities Act, the Rules, any applicable state securities laws, and this Agreement.

ARTICLE III

Section 3.01 Mandatory Redemption and Redemption Price; Optional Redemption. (a) The Trust Certificates shall be redeemed pro rata through the application of the rental payable to the Trustee pursuant to Section 5.03(b)(3), on the third day of September of each year commencing September 3, 1992 and continuing to and including September 3, 2001, at the redemption price of 100% of the principal amount thereof then to be redeemed, together with all accrued and unpaid interest to the date fixed for redemption.

On or before the fifteenth day of August in each year, commencing on August 15, 1992 and continuing to and including August 15, 2001, the Trustee shall select for redemption from the holders thereof pro rata a principal amount of Trust Certificates so as to exhaust the amount of rental to be paid by the Company to it in cash pursuant to Section 5.03(b)(3) on the next succeeding third day of September. The amount to be paid on each such redemption of such Trust Certificates shall be applied to all outstanding Trust Certificates in proportion as nearly as practicable to the respective unpaid principal amounts of the outstanding Trust Certificates.

The Trust Certificates or portions thereof called for redemption shall become due and payable on such third day of September, subject to Section 2.02, at the Corporate Trust Office, and from and after such redemption date, interest on such Trust Certificates or portions thereof shall cease to accrue (provided, as set forth herein, that the Company shall have deposited (or shall have made payments directly, pursuant to Section 2.02(d)) amounts sufficient for such redemption with the Trustee as provided in Section 5.03(b)), and such Trust Certificates or portions thereof shall no longer be deemed to be outstanding hereunder and shall cease to be entitled to the benefit of this Agreement except to receive payment from the monies reserved therefor in the hands of the Trustee. The Trustee shall hold the redemption monies in trust for the holders of the Trust Certificates or portions thereof called for redemption and, subject to Section 2.02, shall pay the same to such holders respectively upon presentation and surrender of such Trust Certificates.

(b) All Trust Certificates redeemed and paid in full under this Article III shall be delivered to and cancelled by the Trustee, and no Trust Certificates shall be issued hereunder in place thereof. The Trustee shall deliver to the Company cancelled Trust Certificates.

Section 4.05 Relationship of Cost to Trust Certificates. (c) Nothing herein or in the Trust Certificates contained shall be deemed to impose on the Trustee or on the Company any obligation to pay to the holder of any Trust Certificate the amount of any tax, assessment or governmental charge required by any present or future law of the United States of America, or of any state, county, municipality or other taxing authorities thereof, to be paid in behalf of, or withheld from the amount payable to, the holder of any Trust Certificate.

(d) The Company shall not be required to pay any tax, assessment or governmental charge so long as it shall in good faith and by appropriate legal proceedings contest the validity thereof, provided that the rights or interests of the Trustee or the holders of the Trust Certificate will not be materially endangered thereby and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect.

Section 5.04 Termination of Lease. At the termination of the lease provided herein and after all payments due or to become due from the Company hereunder (including all payments due on the Trust Certificates) shall have been completed and fully made to the Trustee and after the Company shall no longer have any obligation to the Trustee, any Purchaser or any other holder of the Trust Certificates (if any) under the terms of this Agreement, the Purchase Agreement, the Guaranties or any document, instrument or agreement executed in connection therewith, (1) any monies remaining in the hands of the Trustee after providing for payment in full of all the outstanding Trust Certificates and after paying the expenses of the Trustee, including its reasonable compensation and expenses, shall be paid back to the Company; (2) title to all the Trust Equipment shall vest in the Company; and (3) the Trustee shall execute for recordation in public offices, at the expense of the Company, such instrument or instruments in writing as reasonably shall be requested by the Company in order to make clear upon public records the Company's title to all the Trust Equipment under the laws of any jurisdiction; provided, however, that until that time title to the Trust Equipment shall not pass to or vest in the Company, but title to and ownership of all the Trust Equipment shall be and remain in the Trustee, notwithstanding the delivery of the Trust Equipment to and the possession and use thereof by the Company. Any transfer of the Trust Equipment pursuant to this Section 5.04 shall be without representation or warranty of any kind, including any representation or warranty as to the

merchantability or fitness for use of the Trust Equipment so transferred.

Section 5.05 Substitution and Replacement of Equipment.

(a) Upon Request, the Trustee shall at any time and from time to time, execute and deliver a bill of sale assigning and transferring (without warranties of any kind, except as to title, as to which the Trustee will give to the transferee referred to below substantially the same warranties as those given by the Company to the Trustee in the bill of sale described in Section 5.05(b)(4)) to the transferee named in such Request all the right, title and interest of the Trustee in and to any or all of the Trust Equipment, including but not limited to all rights to warranties and patent indemnification, and such instruments for recordation in public offices, at the expense of the Company, as shall then be required by law in order to make clear upon public records the transferee's title, free from the lien of this Agreement and the transferee's right to collect rentals, free from the lien of any Assignment; provided, however, that none of the Trust Equipment (including transfers of Trust Equipment to any lessee or sublessee upon the exercise of any option permitting the lessee or sublessee to purchase any unit of Trust Equipment) shall be so assigned or transferred (except as provided in Section 5.04) unless, in accordance with this Section 5.05, simultaneously either (i) there shall be conveyed to the Trustee other Equipment of an aggregate fair value no less than the aggregate fair value (in each such case as such aggregate fair value is determined in accordance with Section 5.05(e)), as of the date of such Request, of the Trust Equipment so assigned or transferred by the Trustee, or (ii) there shall be paid to the Trustee in cash, an amount no less than the aggregate fair value (as determined in accordance with Section 5.05(e)), as of the date of such Request, of the Trust Equipment so assigned or transferred by the Trustee, or (iii) there shall be provided to the Trustee a Letter of Credit for an amount no less than the aggregate fair value (as determined in accordance with Section 5.05(e)), as of the date of such Request, of the Trust Equipment so assigned or transferred by the Trustee, or (iv) a combination of (i), (ii) or (iii); provided, further, that should such transfer create a Collateral Deficiency, the Company shall pay to the Trustee simultaneously in cash an additional amount as necessary to avoid the creation of the Collateral Deficiency, such cash to be held by the Trustee as additional security for the payment of the Trust Certificates until such time as the repayment of such cash or any portion thereof to the Company would not create a Collateral Deficiency, whereupon the Company may request the Trustee to repay such cash or portion thereof to the Company and the Trustee shall repay the same to the Company unless an Event of Default has occurred and is then continuing. Notwithstanding the foregoing provisions of this Section 5.05(a), prior to September 3, 1998, none of the Trust Equipment shall be so assigned or transferred pursuant to this 5.05(a) unless, immediately after giving effect to such assignment or transfer,

there shall not have been so assigned or transferred in accordance with this Section 5.05 during the preceding period of the calendar year commencing January 1 in which such assignment or transfer is to occur Trust Equipment having an aggregate fair value (as determined in accordance with Section 5.05(e)(1) as of the respective dates of the assignment or transfer of such Trust Equipment) in excess of 10% of the aggregate fair value of the Trust Equipment (as determined in accordance with Section 5.05(e)(1) as of the first day of such calendar year).

(b) At the time of delivery of any Request for assignment or transfer of Trust Equipment pursuant to Section 5.05(a), the Company shall, if other Equipment is to be conveyed to the Trustee in substitution for the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee (with copies to each of the Purchasers and Institutional Investors) the following papers:

(1) An Engineer's Certificate stating (i) the fair value, as of the date specified in such certificate, of the Trust Equipment so to be assigned or transferred by the Trustee, (ii) that such assignment or transfer will not impair the security under this Agreement in contravention of the provisions hereof, and (iii) the fair value of such substituted units of Equipment as of such date;

(2) An Officer's Certificate stating (i) the date each unit of Trust Equipment so to be assigned or transferred by the Trustee was first put into use (or that such unit was first put into use not later than a specified date), (ii) the original Cost of each unit of the Equipment so to be substituted and the day it was first put into use (or that such unit was first put into use not earlier than a specified date), (iii) whether such unit so to be substituted has been used or operated by a person or persons other than the Company, (iv) whether such unit so to be substituted is then subject to a lease and, if so, the name of the lessee and such other information as the Trustee may request to verify the compliance of such lease with Section 5.08, (v) that each such unit so to be substituted is Equipment as herein defined and has been marked in accordance with Section 5.06, (vi) that no Event of Default has occurred and is continuing, and (vii) that in the opinion of the signer, all conditions precedent provided for in this Agreement relating to such substitution, have been complied with;

(3) A Certificate of the agent or agents designated by the Trustee to receive delivery of such Trust Equipment, stating that the Trust Equipment described and specified therein by number or numbers has been delivered to such agent or agents;

(4) A bill or bills of sale of such Trust Equipment from the Company as owner thereof to the Trustee, which bill or bills of sale shall contain a warranty or guaranty for the benefit of the Trustee that the title to the Trust Equipment described therein is in the Company and is free and clear of all liens and encumbrances (including any leasehold interest therein) other than Existing Leases, subleases permitted by Section 5.08 and any Assignment thereof and other than the rights of the Company hereunder;

(5) An Assignment of any leases permitted by Section 5.08 relating to the Trust Equipment to be substituted; and

(6) An Opinion of Counsel substantially in the form of Exhibit E.

(c) At the time of delivery of any Request for assignment or transfer of Trust Equipment pursuant to Section 5.05(a), the Company shall, if cash and/or a Letter of Credit is to be paid and/or delivered to the Trustee in respect of the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee papers corresponding to those set forth in Section 5.05(b) insofar as they relate to the action requested.

(d) Cash or any Letter of Credit deposited with the Trustee pursuant to this Section 5.05 or pursuant to Section 5.07(a) shall, from time to time, be paid over or released, as the case may be, by the Trustee to the Company upon Request, against conveyance to the Trustee of Equipment having a fair value as of the date of said Request of not less than the amount of cash so paid or the amount of the Letter of Credit released and upon compliance by the Company with all of the provisions of Section 5.05(b) insofar as they relate to the action requested.

(e) For all purposes of this Section 5.05 and Section 5.07(a), fair value shall be determined as follows (and the manner of such determination shall be set forth in each Engineer's Certificate furnished in respect thereof):

(1) the fair value of any unit of the Trust Equipment assigned or transferred by the Trustee as provided in this Section 5.05, or worn out, unsuitable for use, lost, destroyed or taken or requisitioned by condemnation or otherwise as set forth in Section 5.07(a), shall be deemed to be the greater of (A) the Actual Fair Value thereof or (B) the Cost thereof as theretofore certified to the Trustee less 1/30th of such Cost for each full period of one year elapsed between (i) the date such unit was first put into service, as certified to the Trustee, and (ii) the date of the Request for assignment or transfer of Trust Equipment furnished pursuant to this Section 5.05 or the Engineer's Certificate furnished pursuant to Section 5.07(a) as the case may be; and

(2) the fair value of any unit of Equipment conveyed to the Trustee as provided in Section 4.01 and this Section 5.05 shall be deemed to be the lesser of (A) the Actual Fair Value thereof or (B) the Cost of such unit as certified to the Trustee less depreciation at a rate not less than 1/30th of such Cost for each full period of one year elapsed between (i) the date such unit was first put into service, as certified to the Trustee, and (ii) the date of the Request for assignment or transfer of Trust Equipment furnished pursuant to this Section 5.05.

(f) Any provision of this Section 5.05 or Section 5.07 to the contrary notwithstanding, no Letter of Credit delivered to the Trustee pursuant to Section 5.05(a) or pursuant to Section 5.07(a) shall for a period in excess of one year from the date of delivery thereof relieve the Company of its obligations hereunder to convey to the Trustee other Equipment or pay to or deposit with the Trustee cash, of the value or in the amount, as the case may be, otherwise required by the provisions of Section 5.05 or Section 5.07, as the case may be.

Section 5.06 Marking of Trust Equipment. (a) The Company agrees that there shall be plainly, distinctly, permanently and conspicuously stenciled upon each side of each unit of the Trust Equipment prior to the assignment and transfer of the same to the Trustee the following words, in letters not less than one inch in height:

OWNERSHIP SUBJECT TO A SECURITY AGREEMENT FILED UNDER
THE INTERSTATE COMMERCE ACT, SECTION 11303.

Such marks shall be such as to be readily visible and as to indicate plainly that ownership of each unit of Trust Equipment is subject to a security agreement.

(b) In case, prior to the termination of the lease provided for herein, any of such plates or marks shall at any time be removed, defaced or destroyed, the Company shall forthwith cause the same to be restored or replaced.

(c) The Company shall not change or permit to be changed the numbers of any of the Trust Equipment at any time covered hereby (or any numbers which may have been substituted as herein provided) except in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Trustee by the Company and which statement shall be filed and recorded in like manner as this Agreement.

(d) Any unit of Trust Equipment required to be marked pursuant to this Section 5.06 may be lettered, with the name or initials or other insignia customarily used by the Company on railroad equipment owned by it of the same or a similar type or

in any other appropriate manner, for convenience of identification of the rights of the Company to use the units of Trust Equipment permitted under this Agreement, and may also be lettered in the case of a sublease, car hire agreement or other rental agreement of any Trust Equipment made pursuant to Section 5.08, in such manner as may be appropriate for convenience of identification of the subleased interest therein; but the Company, from and after the date hereof and during the continuance of the lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on or to remain on any unit of Trust Equipment as a designation which might be interpreted as a claim of ownership thereof by the Company or any person, firm, association, or corporation other than the Trustee.

Section 5.07 Maintenance of Trust Equipment. (a) The Company agrees that it will maintain and keep or cause others to maintain and keep the Trust Equipment in good order and proper repair without cost or expense to the Trustee, unless and until it becomes worn out, unsuitable for use, lost, destroyed or taken or requisitioned by condemnation or otherwise. Whenever Trust Equipment, the fair value of which shall exceed 1% of the aggregate principal amount of Trust Certificates then outstanding, shall become worn out, unsuitable for use, lost, destroyed or taken or requisitioned by condemnation or otherwise (exclusive of Trust Equipment in respect of which a payment shall have been made to the Trustee pursuant to this Section 5.07(a)), the Company shall forthwith deliver to the Trustee an Engineer's Certificate describing such Trust Equipment and stating the fair value thereof as of the date such Trust Equipment became worn out, unsuitable for use, lost, destroyed or taken or requisitioned by condemnation or otherwise, and shall deposit with the Trustee either (1) an amount in cash equal to such fair value (as determined under Section 5.05(e)(1)) or (2) a Letter of Credit for an amount no less than such fair value (as determined under Section 5.05(e)(1)). Cash or the Letter of Credit deposited with the Trustee pursuant to this Section 5.07(a) shall be held and applied as provided for in Section 5.05(d).

(b) The Rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of any such occurrence as described in Section 5.07(a).

(c) The Company covenants and agrees to furnish to the Trustee on or before July 31 in every calendar year beginning in 1992, and during the continuance of the lease provided for herein, an Officer's Certificate, dated as of the preceding March 31, stating (1) the number of units of the Trust Equipment then covered hereby and under sublease, together with a list and description of sublessees thereunder, the units of Trust Equipment (identified by car number) covered by each sublease and the term and monthly rental under each sublease, (2) the amount, description and numbers of all Trust Equipment that may have

become worn out, unsuitable for use, lost, destroyed or taken or requisitioned by condemnation or otherwise since the date of the last preceding statement (or the date of this Agreement in case of the first statement), (3) the number of units of the Trust Equipment which the Company has been notified are then undergoing repairs, other than running repairs, or then withdrawn from use for such repairs, (4) that in the case of all the Trust Equipment repainted or repaired since the date of the last preceding statement (or the date of this Agreement in the case of the first statement), the marks required by Section 5.06 have been preserved, or that such Trust Equipment when repainted or repaired has been again marked as required thereby, (5) all normal maintenance and repair work on the Trust Equipment has been done and all such equipment is in good condition and repair and in proper running order, and (6) based on the most recent reports provided to the Company by the lessee (or sublessee) under any lease (or sublease) of the units of Trust Equipment, the location of all units of Trust Equipment which are outside of the United States of America (or any state thereof or the District of Columbia) as of the most recent date reflected in such reports and (7) that the insurance required to be maintained with respect to the Trust Equipment by the terms of this Agreement is outstanding and in effect. The Trustee, each of the Purchasers and each Institutional Investor, by their agents, shall have the right once in each calendar year, but shall be under no duty, to inspect the Trust Equipment at the then existing locations thereof.

Section 5.08 Possession of Trust Equipment. (a) Except as provided in this Section 5.08 and in Section 7.04 hereof and subject to the rights of lessees under Existing Leases, the Company will not assign or transfer its rights hereunder, or transfer or sublet the Trust Equipment or any part thereof or assign, pledge, mortgage, transfer or otherwise dispose of any rights under any sublease of any of the Trust Equipment, without the written consent of the Trustee first had and obtained; and the Company shall not, without such written consent, except as herein provided, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment.

(b) So long as the Company shall not be in default under this Agreement, the Company and any of its Affiliates shall be entitled to the possession and use of the Trust Equipment in accordance with the terms hereof and the Company shall be entitled to maintain the Existing Leases and, otherwise to sublease the Trust Equipment to, or to permit its use by, a sublessee or user for use in the United States of America (or any state thereof or the District of Columbia), Canada and Mexico; provided, however, that if the Company or an Affiliate uses, subleases or permits the use of the Trust Equipment in Canada (or any province or territory thereof) or in Mexico (or any state or the Federal District thereof), the Company shall, except as

otherwise provided in Section 7.02, first have (1) taken all necessary action to protect the right, title and interest of the Trustee in the Trust Equipment to be so subleased or used and (2) furnished the Trustee with an opinion of Canadian or Mexican counsel, as the case may be, satisfactory to the Trustee, to the effect that such action is all that is necessary to protect the right, title, and interest of the Trustee in such Trust Equipment; and provided further, however, that any such Existing Lease or other sublease shall forthwith upon execution thereof be assigned to the Trustee as security for the obligations of the Company hereunder pursuant to an Assignment and that the Assignment of any such sublease containing an option permitting the sublessee to purchase any units of Trust Equipment shall also provide for the proceeds of any such sale to be assigned to the Trustee pursuant to the Assignment. Any such proceeds so received shall be held by the Trustee as security for the obligations of the Company hereunder.

(c) Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled to the possession and use of the Trust Equipment covered thereby, and, subject to the provisions of Section 5.06, may provide for lettering and marking upon such Equipment for convenience of identification of the leasehold interest of such sublessee therein; provided however, that anything in the foregoing provisions of this sentence to the contrary notwithstanding, any such sublease shall not negate all or any part of the rights of the Company thereunder to assign, pledge, mortgage, transfer or otherwise dispose of any Trust Equipment, any such assignment, pledge, mortgage, transfer or other disposition to be subject, however, to any such non-defaulted sublease.

(d) The Trustee shall have the right to declare the lease provided for herein terminated in case of any unauthorized assignment or transfer of the Company's rights hereunder or in case of any unauthorized transfer or sublease of any of the Trust Equipment. The election of the Trustee to terminate the lease provided for herein shall have the same effect as the retaking of the Trust Equipment by the Trustee as hereinafter provided.

Section 5.09 Indemnity. The Company covenants and agrees to indemnify the Trustee against any and all claims arising out of or connected with the ownership or use of any of the Trust Equipment, and particularly against any and all claims arising out of the use of any patented invention in and about the Trust Equipment, and to comply in all respects with the laws of the United States of America and of all the states and other jurisdictions in which the Trust Equipment or any unit thereof may be operated and with all lawful acts, rules, regulations and orders of any commissions, boards, or other legislative, executive, administrative or judicial bodies or officers having power to regulate or supervise any of the Trust Equipment,

including without limitation all lawful acts, rules, regulations and orders of any body having competent jurisdiction relating to automatic coupler devices or attachments, air brakes or other appliances; provided, however, that the Company may in good faith contest the validity of any such law, act, rule, regulation or order, or the application thereof to the Trust Equipment or any part thereof, in any reasonable manner which will not in the judgment of the Trustee materially endanger the rights or interests of the Trustee or the holders of the Trust Certificates or subject the Trustee or the holders of the Trust Certificates to any risk of criminal liability. The Company shall not be relieved from any of its obligations hereunder by reason of the assertion or enforcement of any such claims or the commencement or prosecution of any litigation in respect thereof. Without limiting any provision of this Agreement, it is the express intention of the parties hereto that the Trustee shall be indemnified and held harmless against any and all losses, liabilities, claims, damages, costs and expenses (including attorneys' fees) arising out of or resulting from simple negligence, including without limitation its sole, contributory or contractual simple negligence (but not its gross negligence or willful misconduct).

Section 5.10 Non-Exclusive Nature of Obligations Hereunder. Anything in this Agreement contained to the contrary notwithstanding, it is expressly understood that the Company and any Affiliate thereof may enter into and perform at any time and from time to time other equipment financing agreements of any type, including, but not limited to, other equipment trust agreements or conditional sale agreements with persons who may or may not be parties to this Agreement.

ARTICLE VI

Remedies in Event of Default

Section 6.01 Events of Default. (a) The Company covenants and agrees that in case:

(i) the Company shall default in the payment of any part of the rental payable hereunder for more than five days after the same shall have become due and payable; or

(ii) the Company shall make or suffer any unauthorized assignment or transfer of its rights hereunder or any unauthorized transfer or sublease (including contracts to make any such assignment, transfer or sublease) of the Trust Equipment, or except as herein authorized, shall part with the possession of any of the Trust Equipment and shall fail or refuse to cause such assignment or transfer or sublease to be cancelled by agreement of all parties having any interest therein and recover possession of such Trust

Equipment within 30 days after a Responsible Officer of the Company shall have obtained knowledge thereof from any source, or within said 30 days shall fail to deposit with the Trustee in accordance with Section 5.05, a sum in cash or a Letter of Credit equal to the fair value (determined under Section 5.05(e)(1)) of the Trust Equipment so assigned or transferred or subleased or the possession of which shall have been parted with otherwise than herein authorized (any cash or Letter of Credit so deposited to be returned to the Company upon the cancellation of such assignment, transfer or sublease and the recovery of possession by the Company of such Trust Equipment); or

(iii) the Company shall, for more than 30 days after a Responsible Officer of the Company shall have obtained knowledge thereof from any source, fail or refuse to comply with any other of the terms and covenants hereof or of the Purchase Agreement on its part to be kept and performed, or to make provision satisfactory to the Trustee for such compliance; or

(iv) an event of default shall occur under any lease, agreement, equipment trust agreement or indenture under which the Company is an obligor (the term "event of default" being used in this Section 6.01(a)(iv) to mean any event which permits, or after any applicable notice and/or period of grace provided for in the instrument in question, would permit the lessor, obligee or holder of any indebtedness issued thereunder or secured thereby, as the case may be (or a trustee on such person's behalf) to declare the principal amount of the obligation issued thereunder or secured thereby to become immediately due and payable, and such principal amount shall exceed \$100,000, or to elect a majority of the Board of Directors of the Company or Trinity); or

(v) the lease provided for herein shall be terminated by operation of law; or

(vi) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other federal or state law relating to bankruptcy or insolvency, or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Company or for any substantial part of its property, or decreeing or ordering the winding up or liquidation of the affairs of the Company (unless such decree or order shall have been discharged, stayed or otherwise rendered ineffective, but then only so long as such stay shall continue in force or such ineffectiveness shall continue), and all the obligations of the Company hereunder and under any

instrument made in connection with the purchase of the Trust Certificates by each of the Purchasers shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Company or for its property in connection with such proceedings in such manner that such obligations are incurred by such trustee or trustees or receiver or receivers within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

(vii) the Company shall commence a voluntary case under the federal bankruptcy laws, as now or hereafter constituted, or shall file a petition or answer or consent seeking reorganization or relief under any other federal or state law relating to bankruptcy or insolvency, or shall consent to the appointment of, or taking possession by, a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Company or for any substantial part of its property, or shall make an assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due, or action shall be taken by the Company in furtherance of any of the aforesaid purposes; or

(viii) Either of Trinity or the Company shall fail to observe or perform any of its obligations under the Trinity Agreement, or if the Trinity Agreement shall terminate otherwise than strictly in accordance with the provisions of the Trinity Agreement, or Trinity shall, together with the Company or otherwise, amend or modify the provisions of the Trinity Agreement without, among other things, the prior written consent of the holders of not less than 66-2/3% in aggregate principal amount of Trust Certificates then outstanding; or

(ix) any representation, warranty or statement made by the Company or Trinity, in the Purchase Agreement or in this Agreement, or in any certificate or other instrument delivered to any Purchaser or holder of any Trust Certificate pursuant to the Purchase Agreement or this Agreement, shall be incorrect in any material respect as of the time when made;

then, in any such case (herein sometimes called an "Event of Default"), the Trustee, by notice in writing to the Company, or the holders of not less than 25% in principal amount of the then outstanding Trust Certificates, by notice in writing to the Company and to the Trustee, may declare to be due and payable forthwith the entire amount of the rentals (not including rentals required for the payment of interest accruing after the date of such declaration) payable by the Company as set forth in Section 5.03 and not theretofore paid. Thereupon, the entire amount of

such rentals and all amounts payable to the Trustee under Section 9.06 shall forthwith become and shall be due and payable immediately without further demand, together with interest at the rate of 11.44% per annum, to the extent permitted by applicable law, on any portion of such rentals overdue from the date due until paid; and the Trustee shall be entitled to judgment for the total amount so becoming payable by the Company, together with interest, at the rate of 11.44% per annum, to the extent permitted by applicable law, on any portion of such rentals overdue, and to collect such judgment out of any property of the Company wherever situated.

(b) In addition, in case one or more Events of Default shall happen, the Trustee, by notice in writing to the Company, or the holders of not less than 25% in principal amount of the then outstanding Trust Certificates, by notice in writing to the Company and the Trustee, may declare the principal of all the Trust Certificates then outstanding to be due and payable, and thereupon the same shall become and be immediately due and payable.

(c) In case the Company shall fail to pay any installment of rental payable pursuant to Section 5.03(b)(2), (b)(3) or (b)(4) when and as the same shall have become due and payable hereunder, and such default shall have continued for a period of five days, the Trustee, in its own name and as Trustee of an express trust, shall be entitled and empowered to institute any action or proceeding at law or in equity for the collection of the rentals so due and unpaid, together with all amounts payable to the Trustee under Section 9.06, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree, and may enforce any such judgment or final decree against the Company or other obligor upon the Trust Certificates and collect in the manner provided by law out of the property of the Company or other obligor upon the Trust Certificates wherever situated the monies adjudged or decreed to be payable.

(d) In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor upon the Trust Certificates under the federal bankruptcy laws or any other applicable federal or state law, or in case a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) shall have been appointed for the property of the Company or such other obligor, or in case of any other judicial proceedings relative to the Company or such other obligor, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the rental payments hereunder or the principal of the Trust Certificates shall then be due and payable as herein or therein expressed whether by declaration or otherwise and irrespective of whether the Trustee shall have made any demand or declaration pursuant to the provisions of this Section 6.01, shall be entitled and

empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the entire amount of the rentals (including any unpaid rental then due but not including rentals required for the payment of interest accruing after the date of such declaration) and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee, its agents, attorneys and counsel and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or willful misconduct) and of the holders of the Trust Certificates allowed in such proceedings and to collect and receive any monies or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the holders of the Trust Certificates and of the Trustee on their behalf; and any receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) in bankruptcy or reorganization is hereby authorized by each of the holders of the Trust Certificates to make payment to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the holders of the Trust Certificates, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or willful misconduct.

(e) All rights of action and rights to assert claims under this Agreement or under any of the Trust Certificates, may be enforced by the Trustee without the possession of any of the Trust Certificates or the production thereof on any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust; and any recovery of judgment shall be for the ratable benefit of the holders of the Trust Certificates. In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this Agreement to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Trust Certificates, and it shall not be necessary to make any holders of the Trust Certificates parties to such proceedings.

Section 6.02 Remedies. (a) Subject to the rights of sublessees under subleases permitted by Section 5.08 and the rights of lessees under Existing Leases, in case of the happening of any Event of Default, the Trustee by its agents (i) may enter upon the premises of the Company and of any Affiliate of the Company or of any sublessee or any other premises where any of the Trust Equipment may be and take possession of all or any part of the Trust Equipment and withdraw the same from said premises, retaining all payment which up to that time may have been made on account of rental for the Trust Equipment and otherwise, (ii) shall be entitled to collect, receive and retain all per diem

mileage, sublease rentals or other charges of any kind then due on account of or thereafter earned by the Trust Equipment or any part thereof, and shall be entitled to direct parties liable thereon to make payment directly to the Trustee, (iii) may lease the Trust Equipment or any part thereof, or with or without retaking possession thereof (but only after declaring due and payable the entire amount of rentals payable by the Company as provided in Section 6.01(a)) and may sell the same together with the property conveyed to the Trustee by the Assignments and the Cash Deposited for Holders (in Sections 6.02 and 6.03 collectively called the "Trust Assets") or any part thereof, free from any and all claims of the Company at law or in equity, in one lot and as an entirety or in separate lots, insofar as may be necessary to perform and fulfill the trust hereunder, at public or private sale, called and conducted in any manner permitted by law, (iv) may exercise the right of setoff against all Cash Deposited for Holders, whether or not the rentals due under the lease contained herein are then due, (v) may present drafts under and pursuant to the terms of Letters of Credit and apply the proceeds thereof as set forth in Section 6.03, and (vi) may proceed otherwise to enforce its rights and the rights of the holders of interests hereunder in the manner herein provided. Upon any such sale, the Trustee itself may bid for the property offered for sale or any part thereof. Any such sale may be held or conducted at such place and at such time as the Trustee may specify, or as may be required by law, and without gathering the Trust Assets to be sold at the place of sale, and in general in such manner as the Trustee may determine. Upon such taking possession, setoff or withdrawal or lease or sale of any of the Trust Assets, the Company shall cease to have any rights or remedies in respect of such Trust Assets hereunder, but all such rights and remedies shall be deemed thenceforth to have been waived and surrendered by the Company. No payments theretofore made by the Company for the rent or use of any item of Trust Equipment, in case of the happening of any Event of Default and such taking possession, withdrawal, lease or sale by the Trustee of such item of Trust Equipment, shall give to the Company any legal or equitable interest or title on or to such item of Trust Equipment or any cause or right of action at law or in equity in respect of the Trust Assets against the Trustee or the holders of the interests hereunder. No such taking possession, withdrawal, setoff, lease or sale of such item of Trust Equipment by the Trustee shall be a bar to the recovery by the Trustee from the Company of rentals then or thereafter due and payable, and the Company shall be and remain liable for the same until such sums shall have been realized as, with the proceeds of the lease or sale of the Trust Equipment, shall be sufficient for the discharge and payment in full of the items mentioned in Section 5.03 (other than interest not then otherwise accrued), whether or not they shall have then matured.

(b) It is expressly agreed that the rights of the Trustee under this Section 6.02 are subject to the rights of sublessees

under valid and subsisting subleases described in and permitted by Section 5.08 and the rights of lessees under Existing Leases, and that the Trustee, so long as such sublessees are not in default under said subleases, shall not interfere with the rights of peaceful and undisturbed possession of such sublessees in and to any of the Trust Equipment in accordance with the terms of such subleases.

Section 6.03 Application of Proceeds. (a) If, in case of the happening of any Event of Default, the Trustee shall exercise any of the powers conferred upon it by Sections 6.01 and 6.02, all payments made by the Company to the Trustee hereunder after such Event of Default, and the proceeds of any judgment collected from the Company by the Trustee hereunder, and the proceeds of every sale or lease or other disposition by the Trustee hereunder of any of the Trust Assets, together with any other sums and Investment Securities which may then be held by the Trustee under any of the provisions hereof (other than sums held in trust for the payment of specific Trust Certificates), shall be applied by the Trustee in the following order of priority: (i) the payment of all proper charges, expenses or advances made or incurred by the Trustee, a Purchaser or any other holder of the Trust Certificates required to be paid by the provisions of this Agreement or the Purchase Agreement, and (ii) the payment of the interest then due, with interest on overdue interest at the rate of 11.44% per annum, to the extent permitted by applicable law, and (iii) the payment of the principal of all the outstanding Trust Certificates, with interest thereon at the rate of 11.44% per annum, to the extent permitted by applicable law, from the last Payment Date occurring prior to such Event of Default, whether such Trust Certificates shall have then matured by their terms or not, all such payments to be in full if such proceeds shall be sufficient, and if not sufficient, then pro rata without preference between principal and interest.

(b) After such payments shall have been made in full, the title to any of the Trust Assets remaining unsold shall be conveyed by the Trustee (without warranties of any kind, except as to title, as to which the Trustee will give to the Company the same warranties as those given by the Company to the Trustee in the bill of sale described in Section 5.05(b)(4)) to the Company, including but not limited to all rights to warranties and patent indemnification, free from any further liabilities or obligations to the Trustee hereunder. If after applying all such sums of money realized by the Trustee there shall remain any amount due to the Trustee or any holder of the Trust Certificates under the provisions hereof or the provisions of the Purchase Agreement, the Company agrees to pay the amount of such deficit to the Trustee. If after applying all such sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, such surplus shall be paid to the Company.

Section 6.04 Waivers of Default. (a) Prior to the declaration of the acceleration of the maturity of the rentals and of the maturity of all the Trust Certificates as provided in Section 6.01, the holders of at least 66-2/3% in aggregate principal amount of the Trust Certificates at the time outstanding may on behalf of the holders of all the Trust Certificates waive any past Event of Default and its consequences, except an Event of Default in the payment of any installment of rental payable pursuant to Section 5.03(b)(2), (b)(3) or (b)(4), and no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

(b) If at any time after the principal of all the Trust Certificates shall have been declared and become due and payable or if at any time after the entire amount of rentals shall have been declared and become due and payable all as provided in Section 6.01, but before September 3, 2001, and, provided, that no judgment or decree has been entered for the payment of any monies due for such rentals, on the Trust Certificates or pursuant to this Agreement, all arrears of rent (with interest at the rate of 11.44% per annum upon any overdue installments, to the extent permitted by applicable law), the expenses and reasonable compensation of the Trustee, together with all expenses of the trust occasioned by the Company's default, and all other sums which shall have become due and payable by the Company hereunder (other than the principal of Trust Certificates, and any other rental installments, the maturity of which shall at the time have been accelerated) shall be paid by the Company before any sale or lease by the Trustee of any of the Trust Equipment, and every other default in the observance or performance of any covenant or condition hereof shall be made good or secured to the satisfaction of the Trustee, or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such case, the Trustee, if so requested by the holders of at least 66-2/3% in aggregate principal amount of the Trust Certificates then outstanding, shall by written notice to the Company waive the default by reason of which there shall have been such declaration or declarations and the consequences of such default, but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

Section 6.05 Obligations of Company Not Affected by Remedies. No retaking of possession of the Trust Equipment by the Trustee, or any withdrawal, lease or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment or the property conveyed to the Trustee by the Assignments, on the part of the Trustee or on the part of the holder of any Trust Certificate, nor any delay or indulgence granted to the Company by the Trustee or any such holder, shall affect the obligations of the Company hereunder or under the Guaranties. The Company hereby waives presentation and demand in respect of any of the Trust Certificates and waives notice of presentation, of demand and of any default in the

payment of the principal of and interest on the Trust Certificates.

Section 6.06 Company to Deliver Trust Equipment to Trustee. In case the Trustee shall, pursuant to Section 6.02 of this Agreement, rightfully demand possession of any of the Trust Equipment (other than Trust Equipment under the Existing Leases and other valid subleases permitted by Section 5.08), the Company will, at its own expense, forthwith promptly cause such Trust Equipment to be drawn to such point or points as shall reasonably be designated by the Trustee; or, at the option of the Trustee, the Trustee may keep such Trust Equipment, at the expense of the Company, on any lines of railroad or premises approved by the Trustee until the Trustee shall have leased, sold or otherwise disposed of the same. It is hereby expressly covenanted and agreed that the performance of the foregoing covenant is the essence of this Agreement and upon application to any court having jurisdiction in the premises, the Trustee shall be entitled to a decree against the Company requiring the specific performance thereof.

Section 6.07 Trustee to Give Notice of Default. (a) The Trustee shall give to the holders of the Trust Certificates notice of each default hereunder known to the Trustee within 30 days after the occurrence thereof or if such 30 days shall have expired before the Trustee obtained knowledge of such default, as soon as practicable thereafter, whether or not such default shall have been remedied or cured before the giving of such notice. The term "default" as used in this Section 6.07 shall mean the happening of any event defined as an Event of Default in Section 6.01(a), except that, for the purposes of this Section 6.07 only, there shall be eliminated from the definition of any such event as specified in Section 6.01(a) any reference to the making of a written demand or the continuance in force, for any period of days of a default or failure on the part of the Company referred to in such definition.

(b) The Trustee shall not be deemed to have notice or knowledge of any default or Event of Default hereunder (except default ~~in the payment~~ of monies to the Trustee which are required by any provision hereof or any instrument entered into in accordance with the terms hereof to be paid to the Trustee on or before a specified date or within a specified time after receipt by the Trustee of a notice or certificate which was in fact received, and default in the delivery of any certificate or opinion expressly required to be delivered to the Trustee by any provision hereof), unless a Responsible Officer of the Trustee shall have actual knowledge thereof or the Trustee shall have received notice from the Company, any sublessee of the Company under Existing Leases (or any sublease permitted by Section 5.08) or the holder of any Trust Certificate, specifying the same.

Section 6.08 Unconditional Right of Holders of Trust Certificates to Sue for Principal and Interest. Notwithstanding any other provisions in this Agreement, the right of any holder of any Trust Certificate to receive payment of the principal of and interest on such Trust Certificate, on or after the respective due dates expressed in such Trust Certificate, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder, except that no such suit shall be instituted if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the title reserved under this Agreement upon any property subject hereto.

Section 6.09 Control by Holders of Trust Certificates. The holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; provided, however, that such direction shall not be otherwise than in accordance with law and the provisions of this Agreement; and the Trustee, subject to the provisions of Section 9.02, shall have the right to decline to follow any such direction if the Trustee, being advised by counsel, shall determine that the proceeding so directed may not lawfully be taken, or if the Trustee in good faith shall, by a Responsible Officer or Officers of the Trustee, determine that the proceeding so directed would involve it in a personal liability, or if the Trustee in good faith should determine that the action so directed would be unjustly prejudicial to the holders of the Trust Certificates not taking part in such direction; and provided further, that nothing in this Agreement contained shall impair the right of the Trustee in its discretion to take any action deemed proper by the Trustee and which is not inconsistent with such direction by the holders of the Trust Certificates.

Section 6.10 Remedies Cumulative. The remedies in this Agreement and the Assignments provided in favor of the Trustee and the holders of the Trust Certificates, or any of them, shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity.

ARTICLE VII.

Additional Covenants and Agreements by the Company

Section 7.01 Discharge of Liens. The Company covenants and agrees that it will pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction

or discharge of, any debt, tax, charge, assessment, obligation or claim which if unpaid might become a lien or charge upon or against any of the Trust Equipment or any property conveyed to the Trustee by the Assignments; but this provision shall not require the payment of any such debt, tax, charged assessment, obligation or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, provided that such contest will not materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect. If the Company does not forthwith pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction or discharge of, any such debt, tax, charge, assessment, obligation or claim as required by this Section 7.01, the Trustee may, but shall not be obligated to, pay and discharge the same, and any amounts so paid shall be due on demand and shall be secured by and under this Agreement and the Assignments until reimbursed by the Company.

Section 7.02 Payment of Expenses; Recording. (a) The Company covenants and agrees to pay (i) the expenses incident to the preparation and execution of the Trust Certificates to be issued hereunder, or relating to the preparation, execution, recording and filing hereof and of any documents or instruments executed under the provisions hereof and (ii) upon the occurrence and during the continuance of an Event of Default, the reasonable direct costs and expenses (including attorneys' fees), incurred by or on behalf of any of the Purchasers, any Institutional Investor or the Trustee in connection with the enforcement of this Agreement, the Assignments, and the Guaranties. The Company will, promptly after the execution and delivery of this Agreement and of each Assignment of Existing Leases and any other sublease under Section 5.08 and each supplement or amendment hereto or thereto, respectively, cause the same to be duly filed and recorded with the Interstate Commerce Commission in accordance with Section 11303 of the Interstate Commerce Act, as revised, and will cause appropriate statements respecting the same to be filed under applicable Uniform Commercial Codes. The Company will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register and record any and all further instruments required by law or reasonably requested by the Trustee for the purposes of proper protection of the title of the Trustee and the rights of the holders of the Trust Certificates and of fully carrying out and effectuating this Agreement and the intent hereof; provided, however, that the Company shall not be required to take any such action in respect of any jurisdiction outside of the United States if (i) after giving effect to the failure to take such action, the Company has taken all action required by law to protect the title of the Trustee to units of Equipment having a fair value of not less than 90% of the aggregate fair value of all of the Trust Equipment (such fair value to be determined in the manner

provided in Section 5.05(e)(i)) and (ii) any unit of Trust Equipment at any time located in such jurisdiction shall have been marked with the marking specified in Section 5.06.

(b) Promptly after the execution and delivery of this Agreement and of each Assignment and each supplement or amendment hereto or thereto, the Company will furnish to the Trustee an Opinion of Counsel stating that, in the opinion of such counsel, such document or a financing statement relating thereto, as the case may be, has been properly recorded and filed so as effectively to protect the title of the Trustee to the Trust Equipment and its rights and the rights of the holders of the Trust Certificates thereunder and hereunder and reciting the details of such action; and the Company shall furnish to the Trustee, prior to July 31 of each year, commencing on July 31, 1992, an Opinion of Counsel stating that, in the opinion of such counsel, (i)(A) such action has been taken with respect to the recording, filing, re-recording and re-filing of this Agreement and of each Assignment and each supplement or amendment hereto or thereto as is necessary for the proper protection of the title of the Trustee to the Trust Equipment and the rights of the Trustee and holders of the Trust Certificates hereunder and thereunder, and (B) reciting the details of such action or referring to prior opinions delivered to the Trustee pursuant to this Agreement which recite such details of such action, or (ii) no such action is necessary for any such purposes.

Section 7.03 Further Assurances. The Company covenants and agrees from time to time to do all such acts and execute all such instruments of further assurance as it shall be reasonably requested by the Trustee to do or execute for the purpose of fully carrying out and effectuating this Agreement and the intent hereof.

Section 7.04 Change in Business; Consolidation or Merger. The Company will not make any substantial change in the nature of the business of the Company, or merge or consolidate with any other corporation, or sell, lease, or otherwise dispose of all or any part of its assets (other than in the ordinary course of business), except that:

(a) (i) the Company may merge with any other corporation which is organized under the laws of the United States or any jurisdiction thereof, provided that: (A) the Company shall be the surviving or continuing corporation, and (B) immediately prior to and after such merger, the Company shall not be in default under this Agreement;

(ii) any wholly-owned subsidiary of Trinity or the Company may merge into the Company, and may sell, lease or otherwise dispose of any of its assets to the Company; or

(iii) The Company may consolidate with, or merge into, another corporation for the sole purpose of changing the company's domicile; provided, however, that (A) the successor corporation formed by such consolidation, or into which the Company shall have been merged, shall be a corporation organized under the laws of the United States of America or of any State thereof, (B) immediately prior to any such consolidation or merger and immediately after giving effect thereto, no Event of Default and no event which, after notice or lapse of time, would become an Event of Default shall have occurred and be continuing, (C) upon any such consolidation or merger, the due and punctual payment of rental payments under Section 5.03 of this Agreement, and the due and punctual performance and observance of all of the terms, covenants and conditions of this Agreement then and thereafter to be performed or observed by the Company shall be expressly assumed by a supplement hereto, satisfactory in form to the Trustee, executed and delivered to the Trustee by such successor corporation, and (D) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation or merger complies with this Agreement. In the event of any such consolidation or merger, the predecessor Company shall be discharged from all obligations and covenants under this Agreement; and

(b) that immediately after any transaction referred to in subparagraph (a) of this Section, the Company or surviving or continuing corporation, as the case may be, would satisfy the conditions set forth in Section 7.09 hereof for the incurrence of an additional one dollar of Funded Indebtedness.

Section 7.05 Insurance. The Company covenants and agrees that, so long as any of the Trust Certificates are outstanding, it will, at its own expense, cause to be carried and maintained insurance in respect of the Trust Equipment and public liability insurance with financially sound and reputable insurers of recognized responsibility in amounts and against risks customarily insured against by companies of established reputation in the rail car leasing business and in any event in at least such amounts and against such risks as are customarily insured against by the Company (or Trinity) on railroad equipment owned by it, provided, however, such insurance in respect of the Trust Equipment shall be maintained in amounts at least equal at all times to the unpaid principal amount of the Trust Certificates then outstanding. Such insurance on any Trust Equipment shall be payable to the Trustee as additional insured and the Company as their interests may appear. The Company will forthwith give notice to the Trustee of the cancellation of any such insurance, and the Company will give to the Trustee a certificate reflecting the replacement of insurance required to be maintained pursuant to this Section 7.05. The Company shall deliver to the Trustee original or duplicate policies or

certificates of insurers in form satisfactory to the Trustee evidencing all insurance then required to be maintained by the Company hereunder, and thereafter, within 30 days of the issuance of any additional policies or amendments or supplements to any of such policies, the Company will deliver, or cause to be delivered, the same (or certificates of the insurers under such policies evidencing the same) to the Trustee, and the Company shall, not later than 30 days prior to the expiration of any policy, deliver certificates of the insurers evidencing the replacement thereof.

Section 7.06 Guaranty of Company. The Company covenants, agrees and guarantees that the holder of each of the Trust Certificates shall receive the principal amount thereof, in such coin or currency of the United States of America, as at the time of payment shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof or of this Agreement (and if not so paid, with interest thereon until paid at the rate of 11.44% per annum to the extent permitted by applicable law), and shall receive interest thereon in like money at the rate specified therein, at the times and place and otherwise as expressed in the Trust Certificates and this Agreement (and, if not so paid, with interest thereon until paid at the rate of 11.44% per annum to the extent permitted by applicable law) and the Company agrees to endorse upon each of the Trust Certificates, at or before the issuance and delivery thereof by the Trustee, its Guaranty of the prompt payment of the principal thereof and the interest thereon, in substantially the form set forth in the fourth recital of this Agreement. Said Guaranty so endorsed shall be signed in the name and on behalf of the Company by the manual signature of its president, a vice president or the treasurer. In case any officer of the Company whose signature shall appear on such Guaranty shall cease to be such officer before the Trust Certificates shall have been issued and delivered by the Trustee, or shall not have been acting in such capacity on the date of the Trust Certificates, such Guaranty shall nevertheless be as effective and binding upon the Company as though the person who signed such Guaranty had not ceased to be or had then been such officer.

Section 7.07 Repurchase of Trust Certificates. Neither the Company nor any Affiliate will, directly or indirectly, repurchase or make any offer to repurchase any Trust Certificate unless the Company or such Affiliate has offered to repurchase Trust Certificates, pro rata, from all holders of the Trust Certificates and upon the same terms. In case the Company repurchases any Trust Certificate, such Trust Certificate shall thereafter be cancelled and no Trust Certificate shall be issued in substitution thereof.

Section 7.08 Preservation of Franchises and Existence. Except as otherwise permitted by Section 7.04, the Company will

maintain its corporate existence, rights and franchises in full force and effect, provided that nothing in this Section 7.08 shall prevent the Company from discontinuing its operations in any particular state or at any particular location or locations within the state if, in the opinion of the Board of Directors of the Company, such discontinuance or termination is in the interest of the Company, and if such discontinuance or termination is not disadvantageous in any material respect to the holders of the Trust Certificates or in violation of any provisions of this Agreement.

Section 7.09 Limitation of Funded Indebtedness. The Company covenants and agrees that, anything herein to the contrary notwithstanding, the Company will not incur any Funded Indebtedness if, after giving effect to such Funded Indebtedness of the Company, the Funded Indebtedness would then exceed, on a pro forma basis, 80% of the total capitalization of the Company. Total capitalization, for purposes of this Section 7.09, shall mean all Funded Indebtedness plus stockholders' equity (as shown in the financial statements provided pursuant to Paragraph 4 of the Purchase Agreement).

Section 7.10 Executive Offices. The Company will promptly notify the Trustee and each Purchaser and Institutional Investor of a change of the location of the Company's executive offices.

ARTICLE VIII.

Concerning the Holders of Trust Certificates

Section 8.01 Evidence of Action Taken by Holders of Trust Certificates. Whenever in this Agreement it is provided that the holders of a specified percentage in aggregate principal amount of the Trust Certificates may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced by any instrument or any number of instruments of similar tenor executed by holders of Trust Certificates in person or by agent or proxy appointed in writing.

Section 8.02 Proof of Execution of Instruments and of Holding of Trust Certificates. Proof of the execution of any instrument by a holder of Trust Certificates or his agent or proxy and proof of the holding by any person of any of the Trust Certificates shall be sufficient if made in the following manner:

(a) The fact and date of the execution by any such person of any instrument may be proved by the certificate of any notary public or other officer of any jurisdiction within the United States of America authorized to take acknowledgments of deeds to

be recorded in such jurisdiction that the person executing such instrument acknowledged to him the execution thereof, by an affidavit of a witness to such execution sworn to before any such notary or other such officer, or by a guarantee of the signature of such person by a trust company, a bank or a member firm of the New York Stock Exchange.

(b) The ownership of Trust Certificates may be proved by the register of such Trust Certificates or by a certificate of the registrar thereof.

(c) The Trustee may require such additional proof of any matter referred to in this Section 8.02 as it shall deem necessary.

Section 8.03 Trust Certificates Owned by Company Deemed Not Outstanding. In determining whether the holders of the requisite principal amount of the Trust Certificates have concurred in any direction, request, or consent under this Agreement, Trust Certificates which are owned by the Company or by any other obligor on the Trust Certificates or by an Affiliate of the Company or any such other obligor shall be disregarded, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, request or consent, only Trust Certificates which the Trustee knows are so owned shall be disregarded.

Section 8.04 Right of Revocation of Action Taken. At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 8.01, of the taking of any action by the holders of the percentage in aggregate principal amount of the Trust Certificates specified in this Agreement in connection with such action, any holder of a Trust Certificate the serial number of which is shown by the evidence to be included in the Trust Certificates the holders of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Trust Certificate. Except as aforesaid, any such action taken by the holder of any Trust Certificate shall be conclusive and binding upon such holder and upon all future holders and owners of such Trust Certificate and of any Trust Certificate issued in exchange or substitution therefor, irrespective of whether or not any notation in any regard thereto is made upon such Trust Certificate. Any action taken by the holders of the percentage in aggregate principal amount of the Trust Certificates specified in this Agreement in connection with such action shall be conclusive and binding upon the Company, the Trustee and the holders of all the Trust Certificates.

ARTICLE IX

The Trustee

Section 9.01 Acceptance of Trusts. The Trustee hereby accepts the trust imposed upon it by this Agreement, and agrees to perform the same and act as Trustee as herein expressed.

Section 9.02 Duties and Responsibilities of Trustee, During Default; Prior to Default. (a) In case an Event of Default has occurred (which has not been cured), the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) prior to the occurrence of an Event of Default and, after the curing of all Events of Default which may have occurred:

(A) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Agreement, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Trustee; and

(B) in the absence of willful misconduct on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Agreement; but ~~in~~ in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Agreement;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith

in accordance with the direction of the holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Agreement.

(c) None of the provisions contained in this Agreement shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

Section 9.03 Certain Rights of the Trustee. Except as otherwise provided in Section 9.02:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, trust certificate, guaranty or other paper document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) the Trustee may consult with counsel, and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in accordance with such Opinion of Counsel;

(c) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement at the request, order or direction of any of the holders of the Trust Certificates, pursuant to the provisions of this Agreement, unless such holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses (including, but not limited to, the fees and expenses of its counsel) and liabilities which might be incurred thereon or thereby; and

(d) the Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement unless it shall be proved that the Trustee was negligent in respect thereto.

Section 9.04 Application of Rentals; Responsibility of Trustee to Insure or Record. (a) The Trustee covenants and agrees to apply the rentals received by it under Section 5.03(b) hereof when and as the same shall be received, and to the extent that such rentals shall be sufficient therefor, for the purposes specified in Section 5.03(b).

(b) Except as otherwise provided in Section 9.02, the Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Agreement until fully indemnified by the Company or by one or more of the holders of the Trust Certificates against all liability and expense; and except as aforesaid, the Trustee shall not be responsible for the filing or recording or refiling or re-recording of this Agreement or of any supplement hereto or statement of new numbers.

Section 9.05 Investments in Investment Securities. (a) Any money at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on deposit with itself.

(b) At any time, and from time to time, the Trustee, on Request, shall invest and reinvest Deposited Cash held by it or cash deposited with it pursuant to Section 5.05 or Section 5.07 (hereinafter in this Section 9.05 called "Replacement Funds") in Investment Securities, at such prices including any premium and accrued interest, as are set forth in such Request, such Investment Securities to be held by the Trustee in trust for the benefit of the holders of the Trust Certificates.

(c) The Trustee shall, on Request, or the Trustee may, in the event funds are required for payment against delivery of Trust Equipment, sell such Investment Securities, or any portion thereof, and restore to Deposited Cash or Replacement Funds, as the case may be, the proceeds of any such sale up to the amount paid for such Investment Securities, including premium and accrued interest, provided, however, that in no event shall the Trustee have any liability for any loss on the sale of such Investment Securities so long as the Trustee has acted in accordance with the provisions of Section 9.05(b).

(d) The Company, if not in default under the terms hereof and if no Collateral Deficiency exists, shall be entitled to any interest (in excess of accrued interest paid from Deposited Cash at the time of purchase) or other profit which may be realized from any sale or redemption of Investment Securities.

Section 9.06 Trustee Not Liable for Delivery Delays or Defects in Equipment or Title; May Perform Duties by Agents; Reimbursement of Expenses; Holding of Trust Certificates; Monies Held in Trust. (a) Except as otherwise provided in Section 9.02, the Trustee shall not be liable to anyone for any delay in the delivery of any of the Trust Equipment, or for any default on the part of the manufacturers or owners thereof or of the Company, or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation on the part of the Trustee in respect of the value

thereof or in respect of the title thereto. The Trustee makes no representation or warranty; express or implied, as to the title, value, condition, design, operation, merchantability or fitness for use of any of the Trust Equipment, or any other representation or warranty whatsoever, express or implied, with respect to any of the Trust Equipment.

(b) Except as otherwise provided in Section 9.02, the Trustee may perform its powers and duties hereunder with respect to the delivery and acceptance of the Trust Equipment by or through such attorneys, agents or servants as it shall appoint, and shall be answerable for only its own negligence and willful misconduct, and not for the default or misconduct of any attorney, agent or servant appointed by it with reasonable care. The Trustee shall not be responsible in any way for the recitals herein contained or for the execution or validity of this Agreement or of the Trust Certificates (except for its own execution thereof).

(c) The Trustee shall be entitled to receive payment of all of its expenses and disbursements hereunder, including reasonable counsel fees, and to receive such compensation for all services rendered by it in the execution of the trust hereby created as shall be agreed upon in writing, all of which shall be paid by the Company pursuant to Section 5.03(b) hereof.

(d) The Trustee in its individual or fiduciary capacity may own, hold and dispose of Trust Certificates with the same rights which it would have if it were not Trustee.

(e) Any monies at any time held by the Trustee or any paying agent hereunder shall, until paid out or invested by the Trustee or any paying agent as herein provided, be held by it in trust as herein provided for the benefit of the holders of the Trust Certificates.

Section 9.07 Persons Eligible for Appointment as Trustee. There shall at all times be a Trustee hereunder which shall be either The Bank of New York, a New York banking association, or a bank or trust company organized and doing business under the laws of the United States of America or of the State of Texas, or of the State of New York having its principal office and place of business in the cities of Houston, Dallas or Fort Worth in the State of Texas, or in the City of New York in the State of New York, and having a combined capital and surplus of at least \$100,000,000 and which is authorized under such laws to exercise corporate trust powers and is subject to supervision or examination by federal or state authority. If such bank or trust company publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 9.07, the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and

surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 9.07, the Trustee shall resign immediately in the manner and with the effect specified in Section 9.08.

Section 9.08 Resignation and Removal; Appointment of Successor Trustee. (a) The Trustee may at any time resign by giving written notice of resignation to the Company and by mailing notice of resignation to all holders of Trust Certificates specifying the date such resignation is to become effective (which shall be not less than 30 days after the date of mailing such notice) at their last addresses appearing on the registry books. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors of the Company, one copy of which instrument shall be delivered to the Trustee so resigning and one copy to the successor trustee. The Company shall promptly notify the holders of the Trust Certificates of any such appointment made by it and provide one copy of any instrument effecting such appointment to each holder of the Trust Certificates. If no successor trustee shall have been so appointed and have accepted appointment within 30 days after the giving of such notice of resignation, the resigning trustee may petition any court of competent jurisdiction for the appointment of a successor trustee, or any holder of a Trust Certificate who has been a bona fide holder of a Trust Certificate or Trust Certificates for at least six months may, on behalf of such holder and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(i) the Trustee shall cease to be eligible in accordance with the provisions of Section 9.07 and shall fail to resign after written request therefor by the Company or by any such holder of a Trust Certificate, or

(ii) the Trustee shall become incapable of acting, or shall be declared insolvent, or a receiver of the Trustee or of its property shall be appointed, whether or not the rights and powers of the Trustee hereunder are subsequently transferred to another bank or trust company, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then in any such case, the Company may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, executed by order of its Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one

copy to the successor trustee, or any holder of a Trust Certificate who has been a bona fide holder of a Trust Certificate or Trust Certificates for at least six months may, on behalf of such holder and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) The holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding may at any time remove the Trustee and appoint a successor trustee by delivering to the Trustee to be removed, to the successor trustee so appointed and to the Company the evidence provided for in Section 8.01 of the action taken by the holders of the Trust Certificates

Section 9.12 Trustee Not Responsible for Payment of Deficiencies. Anything in this Agreement, the Trust Certificate, or any certificate, opinion or documents of any nature whatsoever to the contrary notwithstanding, neither the holder of any Trust Certificate or any respective successor or assign shall have any claim, remedy or right to proceed (at law or in equity) against the Trustee in its fiduciary capacity or individual capacity for the payment of any deficiency or any other sum owing on account of the obligations evidenced by the Trust Certificates from any source other than the Trust Equipment, Deposited Cash and the rentals owed under this Agreement (all as defined in the Agreement); and the holders of the Trust Certificates, by acceptance thereof, waive and release any personal liability of

Executed or true and correct copies of any waiver or consent effected pursuant to the provisions of this Section 10.09 shall be delivered by the Company to each holder of outstanding Trust Certificates forthwith following the date of which the same shall have been executed and delivered by the holder or holders of the requisite percentage of outstanding Trust Certificates. In determining whether or not the interest paid or payable exceeds the maximum rate of non-usurious interest permitted by applicable law, the Company, Trustee and the holders of the Trust Certificates shall, to the extent permitted by applicable law (i) characterize any non-principal payment as an expense, fee or premium rather than interest, (ii) exclude voluntary prepayments and the effects thereof and (iii) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the entire contemplated term of the indebtedness evidenced by the Trust Certificates so that interest for the entire term does not exceed the maximum amount permitted by applicable law.

EXHIBIT C

ASSIGNMENT dated _____ between THE BANK OF NEW YORK, a New York banking corporation, acting as trustee under the Trust Agreement, as hereinafter defined (the "Trustee"), and TRINITY INDUSTRIES LEASING COMPANY, a corporation duly organized and existing under the laws of the State of Delaware (the "Company").

Preliminary Statement

The Company has agreed to cause to be sold, transferred and delivered to the Trustee certain railroad equipment described in Exhibit A hereto (hereinafter called the "Trust Equipment") pursuant to the Equipment Trust Agreement, dated as of September 9, 1991, between the Company and the Trustee (the "Trust Agreement").

Title to the Trust Equipment is to be vested in and is to be retained by the Trustee and the Trust Equipment is to be leased to the Company under the Trust Agreement, all subject to the lease or leases referred to in Exhibit A (hereinafter, whether one or more, the "Leases") between the Company and the lessee or lessees named therein.

Trinity Industries Leasing Company 9.44% Equipment Trust Certificates due September 3, 2001 (Series 8) in an aggregate principal amount of \$65,000,000 have been or are to be issued and sold and the aggregate proceeds (including accrued interest, if any) of such sale which equals the aggregate principal amount of the Trust Certificates issued and sold have been delivered to the Trustee for delivery to the Company, as provided in the Trust Agreement.

It is desired to grant to the Trustee an assignment of and a security interest in and to the Leases and other collateral described below.

NOW THEREFORE, in consideration of the mutual covenants and promises herein contained, the parties hereto hereby agree as follows:

1. Subject to the rights of lessees under the Leases, the Company hereby grants a security interest in, and assigns, transfers and sets over unto the Trustee as security for the payment and performance of all of the Company's obligations under the lease provided for in the Trust Agreement (i) all of the Company's right, title and interest now or hereafter acquired as lessor in, to and under the Leases described in Exhibit A hereto and any amendments to or modifications thereof, together with all rights, powers, privileges, and other benefits of the Company now or hereafter acquired as lessor under the Leases in respect of the Trust Equipment covered thereby, including, but not limited to the Company's right to receive and collect all lease payments,

rentals, liquidated damages, proceeds of sale, car hire mileage allowances, mileage credits, excess mileage allowances, excess mileage credits, insurance proceeds, per diem mileage and any and all other payments, income, revenue, now or hereafter to become payable to or receivable by the Company under or pursuant to the provisions of the Leases and from Trust Equipment, (ii) all of the Company's right, title and interest hereafter acquired as lessor (or as manager or agent for the Trustee) in, to and under any and all leases, car hire contracts or agreements, rental contracts or agreements or other agreements for the lease, rental or use of the Trust Equipment (hereinafter, whether one or more, the "Future Leases"), including but not limited to the Company's right to receive and collect all lease payments, rentals, liquidated damages, proceeds of sale, car hire mileage allowances, mileage credits, excess mileage allowances, excess mileage credits, insurance proceeds, per diem mileage and any and all other payments, income, revenue, now or hereafter to become payable to or receivable by the Company thereunder or therefrom, and (iii) all of the Company's right to receive and collect all mileage allowances, per diem mileage, insurance proceeds or other payments, income and revenue now or hereafter to become payable to the Company in respect of the Trust Equipment, whether under or pursuant to the provisions of any of the Leases, the Future Leases or otherwise. The Trustee hereby appoints the Company its agent to collect and receive any and all of such rentals and other payments and to take any and all actions in respect of such Leases or the Future Leases until the happening of an Event of Default (as such term is defined in the Trust Agreement). The Company represents and warrants that it has not heretofore made and agrees that it will not hereafter make in respect of the Trust Equipment any other assignment of the Leases or Future Leases or the rentals or the payments payable to or receivable by the Company under any of the Leases or Future Leases.

2. It is expressly understood and agreed that the assignment made and security interest granted herein applies only to the Leases and Future Leases (and any right, title, interest, power, and privilege of the Company as lessor thereunder) insofar and only insofar as such Leases and Future Leases cover or otherwise apply to the rail cars described in Exhibit A hereto and any rail cars substituted as replacements for the rail cars described in Exhibit A hereto (but does not apply to any rail cars added to such Leases or Future Leases which is not Trust Equipment).

3. It is expressly agreed that the rights hereby assigned to the Trustee are subject to the rights of lessees under the Leases and Future Leases, and that the Trustee, so long as any such lessee is not in default under its Lease or Future Lease, shall not interfere with the rights of peaceful and undisturbed possession of such lessee in and to any of the Trust Equipment in accordance with the terms of such Lease or Future Lease.

4. In addition to, and without in any way limiting, the powers conferred upon the Trustee by Sections 6.01 and 6.02 of the Trust Agreement, the Trustee may upon the happening of an Event of Default (as defined in the Trust Agreement) and not otherwise, in the Trustee's own name or in the name of the Trustee's nominee, or in the name of the Company or as the Company's attorney, (i) ask, demand, sue for, collect and receive any and all lease payments, rentals, liquidated damages, proceeds of sale, car hire mileage allowances, mileage credits, excess mileage allowances, excess mileage credits, insurance proceeds, per diem mileage and any and all other payments, income, revenue to which the Company is or may become entitled in respect of the Trust Equipment and (ii) enforce compliance by lessees under the Leases and Future Leases with all the terms and provisions thereof and make all waivers and agreements, give all notices, consents and releases, take all action upon the happening of an Event of Default specified in the Leases and Future Leases, and do any and all other things whatsoever which the Company, as lessor, is or may become entitled to do under the Leases or Future Leases.

5. The assignment made by this instrument is made only as security and, therefore, shall not subject the Trustee to, or transfer, or pass or in any way affect or modify, the liability of the Company under any Lease or Future Lease or otherwise, it being understood that, notwithstanding any assignment, any obligations of the Company under any Lease or Future Lease or otherwise shall be and remain enforceable against and only against the Company.

6. (a) Upon the full discharge and satisfaction of the Company's obligation under the lease provided for in the Trust Agreement, the assignment made pursuant to this instrument shall terminate and all rights, title and interest of the Trustee as assignee hereunder in and to any Lease or Future Lease or any payments in respect of the Trust Equipment shall revert to the Company.

(b) Upon the release of any unit of Trust Equipment pursuant to Section 5.05 of the Equipment Trust Agreement, this Assignment shall terminate pro tanto with respect to (i) such unit of Trust Equipment and (ii) rights assigned to the Trustee hereby and by the Equipment Trust Agreement in the Leases and Future Leases insofar as they relate to such unit of Trust Equipment, and upon such partial termination such unit of Trust Equipment and such rights shall revert to the Company or to such person or persons as may be legally entitled thereto, provided, however, that if an Event of Default (as defined in the Trust Agreement) has occurred and is then continuing, such termination and reversion shall not occur until such Event of Default shall have been cured or waived in accordance with the provisions of

the Trust Agreement. After any partial termination, the provisions of this Assignment shall no longer be applicable to such unit of Trust Equipment and rights, and the Trustee shall at the request of the Company or such other person, and at the expense of the Company, deliver to the Company or such other person, a writing evidencing such partial termination.

7. The Company covenants and agrees with the Trustee that in any suit, proceeding or action brought by the Trustee pursuant to the provisions of this instrument for any and all lease payments, rentals, liquidated damages, proceeds of sale, car hire mileage allowances, mileage credits, excess mileage allowances, excess mileage credits, insurance proceeds, per diem mileage and any and all other payments, income, revenue in respect of the Trust Equipment, whether under or pursuant to the provisions of any Lease or Future Lease or otherwise, or to enforce any provisions of any Lease or Future Lease, the Company will save, indemnify and keep the Trustee harmless from and against all expense, loss or damage suffered by reason of any defense, set-off, counterclaim or recoupment whatsoever, specifically including any of the foregoing arising from the Trustee's simple negligence, but excluding any of the foregoing arising from the Trustee's gross negligence or willful misconduct.

8. Except as otherwise provided herein, the provisions of this Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

9. All demands, notices and communications hereunder shall be in writing and shall be deemed to have been duly given and personally delivered at or mailed by registered mail, postage prepaid, to (i) in the case of the Company, delivered at 2705 State Street, Chicago Heights, Illinois 60411, Attention: Treasurer (with a copy to Trinity Industries, Inc. delivered in the same manner, if by courier, at 2525 Stemmons Freeway, Dallas, Texas 75207, Attention: Treasurer and if by registered mail, at P.O. 10. The Company will furnish to the Trustee any information which it may from time to time request regarding the Leases and the Future Leases and will permit representatives of the Trustee to inspect the Company's records regarding the Leases and the Future Leases during business hours at a time which is acceptable to the Company.

11. The Company shall execute Assignments (as defined in the Trust Agreement) covering all Future Leases, insofar and only insofar as such Future Leases cover Trust Equipment, and shall cause such Assignments to be recorded with the Interstate Commerce Commission pursuant to the requirements of Section 11303 of the Interstate Commerce Act, as revised. The Company shall also cause a Uniform Commercial Code financing statement covering such Future Leases, to the extent that they cover Trust Equipment, to be properly filed with the Secretary of State of Illinois and the Secretary of State of Texas.

Attn: Corporate Trust Trustee Administration

Ladies and Gentlemen:

We are acting as special counsel for Trinity Industries, Inc., a Delaware corporation ("Trinity"), and Trinity Industries Leasing Company, a Delaware corporation (the "Company"), in rendering the following opinion pursuant to Section 5.05(b)(6) of the Equipment Trust Agreement dated as of September __, 1991 (such Equipment Trust Agreement, as supplemented by the Supplement to Equipment Trust Agreement dated as September 9, 1991 described below and as otherwise supplemented to the date hereof, is herein called the "Trust Agreement") between the Company and The Bank of New York, as trustee (the "Trustee"), in connection with the conveyance of additional Equipment to the Trustee pursuant to Section 5.05(__) of the Trust Agreement in order to obtain the release of [certain Equipment or cash or letters of credit previously deposited with the Trustee] (the "Substitution"). In connection therewith, the Company has executed and delivered to the Trustee (i) a Bill of Sale dated as of _____ (herein called the "Trustee Bill of Sale"), covering the railroad equipment described therein (herein called the "Trust Equipment"), (ii) an Assignment dated as of _____ (herein called the "Assignment"), covering the leases relating to the Trust Equipment described therein (herein called the "Existing Leases"), (iii) a _____ Supplement to Equipment Trust Agreement dated as of _____ (the "Supplement"), (iv) a financing statement executed by the Company, as debtor, covering the Trust Equipment and the Existing Leases and prepared for filing with the Secretary of State of Illinois (the "Illinois Financing Statement"), and (v) a financing statement executed by the Company, as debtor, covering the Trust Equipment and the Existing Leases and prepared for filing with the Secretary of State of Texas (the "Texas Financing Statement") (the Illinois Financing Statement and the Texas Financing Statement are herein collectively called the "Financing Statements"). Capitalized terms used and not otherwise defined herein shall have the respective meanings ascribed to such terms in the Trust Agreement.

In connection with the foregoing, we have made such investigations of law and examined the originals or copies of the

Trust Agreement, the Trustee Bill of Sale, the Assignment, the Supplement, the Financing Statements and the Bill of Sale dated _____ from Trinity to the Company (the "Trinity Bill of Sale") covering the Trust Equipment (collectively, the "Trust Documents"), and of such corporate records, agreements or other instruments of the Company, certificates of public officials and of officers of the Company and other instruments and documents as we have deemed necessary as a basis for the opinions hereinafter expressed. In making this examination we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as photostatic or certified copies, and the authenticity of the originals of such copies. As to various questions of fact material to such opinions, we have, where relevant facts were not independently established, relied upon the representations and warranties of the Company set forth in the Trust Documents and upon certificates (copies of which have been delivered to you) or statements of officers of the Company, whom we believe to be responsible.

Based upon the foregoing and in reliance thereon, and subject to the qualifications hereinafter specified, we advise you that in our opinion:

1. The Trinity Bill of Sale has been duly authorized, executed and delivered by Trinity and constitutes a legal, valid and binding obligation of Trinity enforceable in accordance with its terms. The Trinity Bill of Sale is valid and effective to vest in the Company the right, title and interest of Trinity in and to the Trust Equipment.

2. The Trustee Bill of Sale, the Assignment and the Supplement have been duly authorized, executed, acknowledged and delivered by the Company and constitute legal, valid and binding obligations of the Company enforceable in accordance with their respective terms. The Trustee is vested, to the extent contemplated by the Trust Agreement, with the right, title and interest of the Company in and to the Trust Equipment and the right, title and interest of the Company in and to the Existing Leases assigned to the Trustee by the Assignment, as security for the Company's obligations under the lease provided for in the Trust Agreement.

3. The Trustee Bill of Sale, the Assignment and the Supplement have been duly filed and recorded with the Interstate Commerce Commission (herein called the "ICC") in accordance with Section 11303 of the Interstate Commerce Act, as revised (herein

called the "Act"), the Illinois Financing Statement has been filed in the office of the Secretary of State of Illinois under the Illinois Uniform Commercial Code (herein called the "Illinois Code") and the Texas Financing Statement has been filed in the office of the Secretary of State of Texas under the Texas Uniform Commercial Code (herein called the "Texas Code"). No other filing or recording is required in order to perfect the rights of the Trustee in and to the Trust Equipment or the Existing Leases in any state of the United States of America or the District of Columbia except with respect to the Illinois Financing Statement and the Texas Financing Statement (collectively, the "Financing Statements") as described below in this paragraph. A continuation statement with respect to each of the Financing Statements must be filed in the office where such Financing Statement was filed within six months prior to the expiration of five years from the date of such filing (or otherwise within the time permitted by Section 9.403 of the Illinois Code or Section 9.403 of the Texas Code, as the case may be), and subsequent continuation statements must be filed within six months prior to the end of each subsequent five-year period. Additional filings may be necessary if there are changes in the facts upon which such Financing Statements are based; for example, amendments or supplements to such Financing Statements may be required to be filed in the event of a change in the name, identity, or corporate structure of the Company or in the event such Financing Statements otherwise become inaccurate or incomplete.

4. The rights of the Trustee in the Trust Equipment are prior and superior to any other interest therein except the Existing Leases and other subleases, car hire agreements or other rental agreements permitted by Section 5.08 of the Trust Agreement, the rights of the lessees under such subleases and agreements and the rights of the Company under the Trust Agreement. We express no opinion with respect to the priority or superiority of the Trustee's rights over a lien which would not appear in the records of the ICC or in the Uniform Commercial Code search reports for the State of Illinois or State of Texas. In rendering the opinion set forth in this paragraph 6, with your permission we have relied exclusively and without independent investigation on the opinion of [Special ICC Counsel approved by the Trustee] of even date herewith addressed to you, and we have assumed that the Trustee and the Purchasers have no knowledge of any lien or encumbrance on any Trust Equipment other than those permitted by the Trust Agreement.

5. We have read Section 5.05() of the Trust Agreement and made the examinations and investigations described in the second paragraph hereof, on which this opinion is based. In our

opinion, we have made such examinations and investigations as are necessary to enable us to express an informed opinion as to whether or not the conditions set forth in Section 5.05() of the Trust Agreement with respect to the Substitution have been complied with and in our opinion all conditions precedent provided for in the Trust Agreement with respect to the Substitution, including, but not limited to, the conditions set forth in Section 5.05() thereof, have been complied with.

The opinions expressed above are subject to the following qualifications:

A. We do not purport to be experts as to the laws of any jurisdiction other than the United States of America and the State of Texas, and, except as hereinafter provided with respect to the Delaware General Corporation Law and the Illinois Code, we express no opinion herein as to the effect that the laws and decisions of courts of any jurisdiction other than the United States of America and the State of Texas may have upon such opinions.

B. To the extent that the opinions expressed above may relate to or be governed by or construed under the Delaware General Corporation Law, such opinions cover such matters. However, we wish to advise you that our knowledge with respect to the Delaware General Corporation Law is derived solely from a reading of that statute without consideration of any judicial or administrative interpretations thereof and that we are not members of the bar of the State of Delaware. To the extent that the opinions expressed in paragraphs 3 and 4 above may relate to or be governed by or construed under the Illinois Code, with your permission we have relied exclusively and without independent investigation upon the opinion of [Special Illinois Counsel acceptable to the Trustee] of even date herewith addressed to you.

C. The enforceability of the respective obligations of the parties to the Trust Documents and the availability of certain rights and remedies provided for therein, may be limited by (i) the rights of the United States of America under the Federal Tax Lien Act of 1966, as amended, liens under Title IV of the Employee Retirement Income Security Act of 1974, as amended, and the power of the United States of America and other governmental authorities to take actions injurious to any of the Purchasers under the principle of sovereign immunity, (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and (iii) bankruptcy, insolvency, reorganization,

fraudulent conveyance, moratorium and similar laws applicable to creditors' rights generally. The enforceability of particular obligations, rights and remedies provided for in the foregoing agreements may also be limited by various additional state and federal laws and judicial decisions, but in our opinion such additional limitations do not substantially interfere with the practical realization of the benefits expressed in the foregoing agreements except for the consequences of any procedural delay which may result therefrom. For example, we believe that a court applying Texas law should construe the Trust Agreement and the Trustee Bill of Sale as a transaction intended to create a security interest and that the rights of the Trustee in and to the Trust Equipment and the remedies of the Trustee under the Trust Agreement should be subject to Chapter 9 of the Code. If, however, such a court were to construe such instruments as an absolute conveyance of the Trust Equipment to the Trustee and a true lease of the Trust Equipment to the Company, the remedies of the Trustee, as lessor under the Trust Agreement, would be subject to the principles of Stewart v. Basey, 150 Tex. 666, 245 S.W.2d 484 (Tex. 1952). This case and the later cases that relied upon it limit the rights of a lessor under a lease to accelerate rent.

D. In rendering our opinion expressed in paragraph 3 above with respect to documents recorded and filed with the ICC, we have relied exclusively and without independent investigation on the opinion of [Special ICC Counsel acceptable to the Trustee] of even date herewith addressed to you with respect to the recording of the Trustee Bill of Sale, the Assignment and the Supplement with the ICC.

E. Insofar as any of the opinions herein expressed concerns a security interest in proceeds, please be advised that a security interest in proceeds will cease to be perfected within twenty days under the Illinois Code (and ten days under the Texas Code) after the receipt of such proceeds by the grantor of such security interest unless compliance is made with the provisions of Section 9.306 of the Illinois Code or the Texas Code, as the case may be, governing the continuation of such perfection. Depending upon the circumstances at the time of such receipt, the present form of the Financing Statements may not adequately comply with these provisions and additional action may then be required to continue such perfection. Further, the perfection of such security interest in proceeds is limited as described in Section 9.306 of the Illinois Code and Section 9-306 of the Texas Code in the event of certain insolvency proceedings.

F. We express no opinion with respect to whether the properties described in such documents are the properties and interests intended to be encumbered thereby.

G. We express no opinion regarding the perfection of the Trustee's rights in the property to be assigned to the Trustee by the Assignment which cannot be perfected by filing the Assignment with the ICC, by the filing of the Illinois Financing Statement with the Secretary of State of Illinois under the Illinois Code or by the filing of the Texas Financing Statement with the Secretary of State of Texas under the Texas Code.

The opinions expressed above are solely for the benefit of the Trustee and, without our prior consent, may not be quoted in whole or in part or otherwise referred to in any legal opinion, document or other report. Furthermore, the opinions expressed above may not be furnished to any other person or entity.

Very truly yours,

THOMPSON & KNIGHT, A PROFESSIONAL
CORPORATION
