SECTION 2. AMOUNT AND TERMS OF LOANS; USE OF PROCEEDS; SECURITY INTEREST; NOTES; EVENT OF LOSS.

Subject to the terms and conditions hereof and of each Loan Schedule, Lender agrees to make Loans to Debtor with respect to the Equipment described on any Loan Schedule, from time to time prior to the Commitment Expiration Date set forth on such Loan Schedule, in an aggregate principal amount not to exceed the amount of Lender's Commitment set forth on such Loan Schedule, and with each such Loan to be in an amount not less than the Minimum Loan Amount set forth on such Loan Schedule.

The proceeds of each Loan shall be applied by Debtor solely in payment of the Cost of (or in reimbursement to Debtor for payment of the Cost of) the Equipment identified in the Supplemental Security Agreement to which such Loan relates, in each case to the extent such Cost is financed by Lender. The Equipment shall be listed on Schedule A attached hereto and shall be more specifically described in the applicable Supplemental Security Agreement. As collateral security for the prompt and complete payment and performance when due of all the Obligations and in order to induce Lender to enter into this Agreement and make the Loans and to extend other credit from time to time to Debtor, whether under this Agreement or otherwise, Debtor hereby grants to Lender a continuing security interest in the Collateral.

Each Loan shall be evidenced by Debtor's Note. Each Note shall (i) be in the original principal amount of the Loan evidenced thereby and be dated the date on which such Loan is made; (ii) be payable in such number and type of installments of principal and interest and bear such interest rate on the unpaid principal amount thereof as is specified in the Loan Schedule relating to such Loan; and (iii) be payable on the dates and in the amounts set forth therein. Whenever any unpaid principal amount of a Note shall become due and payable, interest thereon shall thereafter accrue and be payable at the Late Charge Rate until such principal amount shall be paid in full.

SECTION 3. CONDITIONS OF BORROWING. Lender shall not be required to make any Loan hereunder unless on the Closing Date thereof all legal matters with respect to, and all legal documents executed in connection with, the contemplated transactions are satisfactory to Lender and all of the following conditions are met to the satisfaction of Lender (except that (a) through (d) are required in connection with the initial Loan only):

(a) Lender has received a certificate signed by Debtor's Secretary or Assistant Secretary, certifying the corporate proceedings of Debtor authorizing the execution, delivery and performance of this Agreement and the other Principal Documents

and the transactions contemplated hereby and thereby, and certifying the names and specimen signatures of the officers of Debtor authorized to execute this Agreement and the other Principal Documents, and any related documents, together with their specimen signatures;

(b) Lender has received the written opinions addressed to it from counsel to Debtor as to such matters incident to the contemplated transactions as Lender may reasonably request;

(c) Debtor has executed and delivered to Lender a Loan Schedule with respect to the Equipment to be financed with the proceeds of such Loan;

(d) Debtor has executed and delivered to Lender the Note evidencing, and a Supplemental Security Agreement describing the Equipment to be financed with the proceeds of, such Loan;

(e) the Equipment being financed with the proceeds of such Loan has been delivered to and accepted by Debtor, and Lender has received satisfactory evidence that it is insured in accordance with the provisions hereof and that the Cost thereof has been, or concurrently with the making of the Loan shall be, fully paid;

(f) Lender has received copies of the invoices and bills of sale, if any (including the manufacturers' statements of origin or the certificates of title, showing Lender as sole lienholder in the case of titled vehicles), covering Debtor's acquisition of the Equipment being financed with such Loan and showing Debtor as the owner thereof;

(g) Lender has received evidence, satisfactory to Lender, of the insurance coverage to be maintained by Debtor pursuant to Section 5A.(13) hereof;

(h) all filings, recordings, notations of lien, assignments and other actions (including the obtaining of landlord and/or mortgagee waivers) deemed necessary or desirable by Lender in order to perfect a valid first priority security interest in the Equipment (and related Proceeds and rights of Debtor) being financed by such Loan and in the Additional Collateral, if any, have been duly made or effected (except that Lender's security interest in any Additional Collateral may be subject to a prior security interest if so specified in the Supplemental Security Agreement in which such Additional Collateral is described), and all fees, taxes and other charges relating thereto have been paid;

(i) the representations and warranties contained in this Agreement and in the Supplemental Security Agreement covering the Equipment with respect to which such Loan is being made, are true and correct with the same effect as if made on and as of such

Closing Date and no Event of Default is in existence on such Closing Date or shall occur as a result of such Loan;

(j) there has been no material adverse change in the financial condition, business or operations of Debtor since the date of the then most recent financial statement of Debtor delivered to Lender;

(k) Lender has received from Debtor such other documents and information as is commercially reasonable;

(l) the amount of such Loan is not less than the Minimum Loan Amount specified on the related Loan Schedule, and such Loan, when added to the aggregate amount of all Loans theretofore made with respect to the Equipment covered by such Loan Schedule, will not cause the amount of Lender's Commitment specified on such Loan Schedule to be exceeded;

(m) the Closing Date for such Loan is a date not later than the Commitment Expiration Date specified on the related Loan Schedule; and

(n) this Agreement shall have been duly filed and recorded in conformity with 49 USC Section 11303 of the Interstate Commerce Act and in such other place or places within the United States as may be necessary for the protection of the security interest of Lender in the Equipment, and Lender shall have received an opinion of counsel from Alvord and Alvord, ICC Counsel, addressed to Lender, with respect to such filing.

SECTION 4. REPRESENTATIONS AND WARRANTIES. In order to induce Lender to enter into this Agreement and to make each Loan, Debtor represents and warrants to Lender that:

(a) Debtor is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, has the necessary authority and power to own the Equipment and its other assets and to transact the business in which it is engaged, and is duly qualified to do business in each jurisdiction where the Equipment is located and in each other jurisdiction in which the conduct of its business or the ownership of its assets requires such qualification;

(b) Debtor has full power, authority and legal right to execute and deliver this Agreement and the other Principal Documents, to perform its obligations hereunder and thereunder, to borrow hereunder and to grant the security interest created hereby and by each Supplemental Security Agreement;

(c) this Agreement has been (and each other Principal Document when executed and delivered shall have been) duly authorized, executed and delivered by Debtor and constitutes (and

each other Principal Document when executed and delivered shall constitute) a legal, valid and binding obligation of Debtor enforceable in accordance with its terms;

(d) no consent of any other party (including any stockholders, trustees or holders of indebtedness), and no consent, license, approval or other action of or by or filing with any governmental instrumentality, is required in connection with the execution, delivery or performance by Debtor of, or the validity or enforceability of, this Agreement or the other Principal Documents;

(e) the execution, delivery and performance by Debtor of this Agreement and the other Principal Documents do not and will not violate any provision of any applicable law or regulation or of any judgment, order, or the like of any court or governmental instrumentality, will not violate any provision of Debtor's charter or bylaws and will not violate any provision of, or cause a default under, any loan agreement, indenture, contract, agreement or judgment to which Debtor is a party or which is binding upon Debtor or any of its assets;

(f) Debtor is not in default under any material contract or judgment to which Debtor is a party or which is binding upon Debtor or upon any of its assets and Debtor holds all material licenses, certificates and permits from governmental authorities necessary to use and operate the Equipment in accordance with the provisions of this Agreement;

(g) there is no action, suit, investigation or proceeding pending or threatened against or affecting Debtor or any of its assets which involves any of the Collateral or any of the contemplated transactions or which, if adversely determined, would have a material adverse effect on Debtor's business, operations or financial condition;

(h) all financial statements of Debtor which have been delivered to Lender have been prepared (and those financial statements which hereafter will be delivered to Lender will be prepared) in accordance with generally accepted accounting principles consistently applied, and present fairly (and those financial statements which hereafter will be delivered to Lender will present fairly) Debtor's financial position as at, and the results of its operations for the periods ended on, the respective dates thereof;

(i) the security interest granted to Lender in the Collateral constitutes and will continue to constitute a first priority security interest in the Collateral, and there are (and will be) no other liens on or against the Collateral whatsoever (except in the case of any Additional Collateral for any prior

security interest that is specified in the Supplemental Security Agreement in which such Additional Collateral is described); and

(j) on the date of each Loan, Debtor will have good and marketable title to each item of Equipment financed with the proceeds of such Loan and to the Additional Collateral, if any.

SECTION 5. COVENANTS. Debtor covenants and agrees that from and after the date hereof and so long as Lender's Commitment or any of the Notes is outstanding:

A. Debtor will:

(1) promptly give written notice to Lender of the occurrence of any Event of Loss or Event of Default or of the commencement or threat of any material litigation or proceedings affecting Debtor or the Collateral;

(2) observe and comply with all applicable laws, rules and regulations and all requirements of any governmental authorities relating to the performance of its obligations hereunder and to the use, operation, maintenance and ownership of the Collateral, including environmental, noise and pollution laws (including notifications and reports);

(3) maintain its existence as a legal entity and obtain and keep in full force and effect all rights, franchises, licenses and permits which are necessary to the proper conduct of its business, and pay all fees, taxes, assessments and governmental charges or levies imposed upon any of the Collateral;

(4) permit Lender or its authorized representative at any reasonable time or times to inspect the Collateral and, following the occurrence and during the continuation of an Event of Default, at any reasonable time or times to inspect the books and records of Debtor;

(5) keep proper books of record and account in accordance with generally accepted accounting principles;

(6) furnish to Lender the following financial statements all in reasonable detail, prepared in accordance with generally accepted accounting principles applied on a basis consistently maintained throughout the periods involved: (a) as soon as available, but not later than 120 days after the end of each fiscal year, its consolidated balance sheet as of the end of such fiscal year, and its consolidated statements of income and changes in financial position for such fiscal year, audited by certified public accountants acceptable to Lender; (b) as soon as available, but not later than 90 days after the end of each of the first three quarterly periods of each fiscal year, its consolidated balance sheet as of the end of such quarter and its

consolidated statement of income for such quarter and for the portion of the fiscal year then ended, certified by its chief financial officer; and (c) promptly, such additional financial and other information as Lender may from time to time reasonably request, which financial information shall be limited to such information as Debtor is obligated to provide to the Securities and Exchange Commission or any other regulatory authority;

(7) promptly, at its expense, execute and deliver to Lender such instruments and documents, and take such action, as Lender may from time to time reasonably request in order to carry out the intent and purpose of this Agreement and to establish and protect the rights, interests and remedies created, or intended to be created, in favor of Lender hereby, including, without limitation, the execution, delivery, recordation and filing of financing statements and continuation statements, and Debtor hereby authorizes Lender, in such jurisdictions where such action is authorized by law, to effect any such recordation or filing of continuation statements without Debtor's signature;

(8) warrant and defend its good and marketable title to the Collateral, and Lender's security interest in the Collateral, against all claims and demands whatsoever;

(9) at its expense, take such action (including the obtaining and recording of waivers) as may be necessary to prevent any third party from acquiring any right or interest in the Equipment by virtue of its being deemed to be real property, a part of real property, or a part of other personal property (Debtor hereby agreeing that the Equipment shall be and at all times remain separately identifiable personal property), and if at any time any person shall claim any such right or interest, Debtor will cause such claim to be waived in writing or otherwise eliminated to Lender's satisfaction within 30 days after such claim shall have first become known to it;

(10) at its expense, upon the request of Lender, to place markings on the Equipment by stencil or by a metal tag or plate affixed thereto showing plainly, distinctly and conspicuously Lender's security interest therein, as follows:

Subject to a security interest in favor of:

BOT Financial Corporation
125 Summer Street
Boston, Massachusetts 02110

provided, however, that such identification markings are to be (i) authorized by any appropriate government regulatory authority and (ii) placed so as not to interfere with the usefulness of such Item of Equipment. If any such identification marking shall at any time be defaced or destroyed, Debtor shall promptly cause

such defaced or destroyed identification marking to be restored or replaced;

(11) at its expense, cause each item of Equipment to be kept numbered with the identification numbers set forth in each Supplemental Security Agreement, and shall not change the identification number of any item of Equipment unless and until (a) a statement of new number or numbers to be substituted therefore shall have been sent to Lender and duly filed and deposited by Debtor in all public offices where this Agreement shall have been filed and deposited and (b) Debtor shall have furnished Lender an opinion of counsel to the effect that such statement has been so filed deposited, that such filing and deposit will protect Lender's rights in such Equipment and that no other filing, deposit or giving of notice with or to any federal, state or local government or agency thereof is necessary to protect the rights of Lender in such Equipment;

(13) use the Equipment in a careful and proper manner, in accordance with the manufacturer's or supplier's instructions or manuals, and only by competent and duly qualified personnel;

(14) use the Equipment solely within the continental limits of the United States, in compliance with the applicable interchange standards set for such Equipment by the Association of American Railroads ("AAR") and in conformity with the United States Department of Transportation regulations or those of any other government agency having jurisdiction over the use and operation of the Equipment;

(15) at its expense, maintain the Equipment in good condition and working order and furnish all parts, replacements, and servicing required therefor so that the value, condition and operating efficiency thereof will at all times be maintained, reasonable wear and tear excepted, with all such repairs made in accordance with AAR Specifications and with any repairs, replacements and parts added to the Equipment immediately, without further act, becoming part of the Equipment and subject to the security interest created by this Agreement;

(16) (a) obtain and maintain at all times with respect to the Equipment, at Debtor's expense, (i) "All-Risk" physical damage insurance (including theft and collision for Equipment consisting of motor vehicles) in an amount not less than the applicable Cost of the Equipment, naming Lender and its assigns as loss payees as their interests may appear, and (ii) comprehensive liability (including bodily injury, death and property damage) insurance, in such amounts and insuring against such risks as shall be satisfactory to Lender, and with all such insurance to be in such form and with such insurers as shall be satisfactory to Lender, and each insurance policy to require that the insurer shall give Lender and its assigns at least 30 days

prior written notice of any alteration in the terms of such policy or of the cancellation thereof, or of any reduction in the amount of such coverage, and that the interests of Lender and its assigns shall continue to be insured regardless of any breach of or violation by Debtor of any warranties, declarations or conditions contained in such insurance policy, and (b) promptly deliver certificates evidencing such insurance coverage (and, if requested by Lender or any of its assigns, copies of the policies evidencing such insurance coverage) to Lender and its assigns (Debtor agreeing that neither Lender nor any of its assigns shall bear any duty or liability to ascertain the existence or adequacy of such insurance); and

(17) promptly cause to be furnished to Lender, in the case of titled vehicles, the certificates of title showing Debtor as owner and Lender as sole lienholder.

B. Debtor will not without Lender's prior written consent:

(1) sell, convey, transfer, assign, exchange, lease or otherwise relinquish possession or dispose of any of the Collateral or any of its rights, title or interests therein, or attempt or offer to do any of the foregoing other than to a Subsidiary of Debtor in which case Debtor shall remain as the primary obligor hereunder;

(2) create, assume or suffer to exist any Lien upon the Collateral except for (i) the security interest created hereby and by each Supplemental Security Agreement (and except in the case of any Additional Collateral for any prior or subordinate security interest that is specified in the Supplemental Security Agreement in which such Additional Collateral is described) and (ii) any Lien the validity of which is being contested in good faith by Debtor by appropriate proceedings, and the liability for which has not been reduced to judgment;

(3)(a) sell, transfer or otherwise dispose of all or any substantial part of its assets, (b) change the form of organization of its business, or (c) without thirty (30) days prior written notice to Lender, change its name or its chief place of business;

(4) move (or in the case of titled vehicles or rolling stock, change the principal location of) any of the Collateral from the location specified in the Supplemental Security Agreement relating thereto without prior written notice to Lender; or

(5) make or authorize any improvement, change, addition or alteration to the Equipment which would impair its originally intended function, use or economic value.

(6) consolidate with or merge into any other corporation or convey, transfer or lease substantially all of its assets as an entirety to any Person unless:

(i) the corporation formed by such consolidation or into which Debtor is merged, or the Person which acquires by conveyance, transfer or lease substantially all of the assets of Debtor as an entirety, shall be a solvent corporation organized and existing under the laws of the United States of America or any state or the District of Columbia and shall execute and deliver to Lender, an agreement containing an effective assumption by such successor or transferee corporation of the due and punctual performance and observance of each covenant and condition of this Agreement; provided any lease of substantially all of its assets shall not release Debtor from its obligations under this Agreement, which obligations shall at all times remain primary and direct;

(ii) immediately after giving effect to such transaction, no Event of Default, and no event which, after notice or lapse of time, or both, would become an Event of Default, shall have occurred and be continuing;

(iii) immediately after giving effect to such transaction, the consolidated tangible net worth (that is, total tangible consolidated assets less total consolidated liabilities) of the corporation formed by such consolidation or into which Debtor is merged or the Person which acquired by conveyance, transfer or lease substantially all the assets of Debtor as an entirety, as the case may be, shall not be less than one hundred percent (100%) of the consolidated tangible net worth (as defined above) of Debtor as reflected in the then most recent of Debtor's latest certified financial statements furnished by Debtor pursuant to Section 5A.6 hereof prior to such consolidation, merger, conveyance, transfer or lease; and

(iv) Debtor shall have delivered to Lender a certificate signed by two officers, one of whom shall be the President or a Vice President, and one of whom shall be the Treasurer or the Secretary or an Assistant Secretary of Debtor, and an opinion satisfactory in form and substance to the addressees thereof of Debtor's counsel, each stating that such consolidation, merger, conveyance, transfer or lease and the assumption agreement mentioned in clause (i) above complies with this Section 5B.6 and that all conditions precedent herein provided for relating to such transaction have been complied with.

Upon any consolidation or merger, or any conveyance, transfer or lease of substantially all the assets of Debtor as an

entirety in accordance with this Section 5B.6, the successor corporation formed by such consolidation or into which Debtor is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for (but without release of Debtor to the extent the provision to clause (i) above is applicable), and may exercise every right and power of, Debtor under this Agreement with the same effect as if such successor corporation had been named as a Debtor herein.

SECTION 6. EVENTS OF DEFAULT; REMEDIES. The following events shall each constitute an "Event of Default" hereunder:

(a) Debtor shall fail to pay any Obligation within ten (10) days after the same becomes due (whether at the stated maturity, by acceleration or otherwise);

(b) any representation or warranty made by Debtor in this Agreement or in any other Principal Document or in any document, certificate or financial or other statement now or hereafter furnished by Debtor in connection with this Agreement or any Loan, shall at any time prove to be untrue or misleading in any material respect as of the date when made, and if such breach is capable of being remedied, such breach shall continue unremedied for a period of 30 days after the earlier of the date on which Debtor obtains knowledge of such failure or the date on which notice thereof shall be given by Lender to Debtor;

(c) Debtor shall fail to observe any covenant, condition or agreement contained in subsections 5A.13, 5B.1, 5B.3, 5B.4 or 5B.5 hereof and such failure shall continue unremedied for a period of 30 days after the earlier of the date on which Debtor obtains knowledge of such failure or the date on which notice thereof shall be given by Lender to Debtor;

(d) Debtor shall fail to observe or perform any other covenant or condition contained in this Agreement or in any other Principal Document, and such failure shall continue unremedied for a period of 30 days after the earlier of the date on which Debtor obtains knowledge of such failure or the date on which notice thereof shall be given by Lender to Debtor;

(e) Debtor shall default in payment or performance of any other indebtedness or obligations now or hereafter owing by Debtor to any parent, subsidiary or affiliate of Lender, and such failure shall continue unremedied for a period of 30 days after the earlier of the date on which Debtor obtains knowledge of such failure or the date on which notice thereof shall be given by Lender to Debtor;

(f) Debtor shall default in the payment or performance of any obligation of Debtor to any Person (other than Lender, or any parent, subsidiary or affiliate of Lender) in excess of

\$5,000,000.00 (excluding any such obligation which is being contested in good faith by Debtor by appropriate proceedings, and the liability for which has not been reduced to judgment) relating to the payment of borrowed money or the payment of rent or hire under any lease agreement, and such obligation shall be declared to be due and payable prior to the maturity thereof; or an attachment or other Lien shall be filed or levied against a substantial part of the property of Debtor, and such judgment shall continue unstayed and in effect, or such attachment or Lien shall continue undischarged or unbonded, for a period of 30 days;

(g) Debtor shall institute proceedings to be adjudicated a bankrupt or insolvent, or consent to the institution of bankruptcy, reorganization, insolvency, liquidation or dissolution proceedings against it, or commence a voluntary proceeding or case under any applicable federal or state bankruptcy, insolvency or other similar law, as now or hereafter constituted, or consent to the filing of any such petition or to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian or sequestrator (or other similar official) of Debtor or of any substantial part of its property, or make any assignment for the benefit of creditors or admit its inability to pay its debts generally as they become due or its willingness to be adjudicated a bankrupt, or fail generally to pay its debts as they become due, or take corporate action in furtherance of any of the foregoing;

(h) the entry of a decree or order for relief by a court having jurisdiction in respect of Debtor adjudging Debtor a bankrupt or insolvent, or approving as properly filed a petition seeking a reorganization, arrangement, adjustment or composition of or in respect of Debtor in an involuntary proceeding or case under any applicable federal or state bankruptcy, insolvency or other similar law, as now or hereafter constituted, or appointing a receiver, liquidator, or assignee, custodian, trustee or sequestrator (or similar official) of Debtor or of any substantial part of its property, or ordering the winding-up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 30 days;

(i) if the percentage of votes which are controlled by the existing controlling shareholders falls below thirty percent (30%) of the total number of votes which can be cast by all shareholders of Debtor, including the controlling shareholders;

If an Event of Default shall occur, Lender may, by notice of default given to Debtor, (a) terminate the Commitment and/or (b) declare the Notes to be due and payable, whereupon the unpaid principal amount of the Notes, together with accrued interest thereon, shall become immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived (and in the case of any

Event of Default specified in clauses (g) or (h) such acceleration of the Notes shall be automatic, without any notice by Lender) and/or (c) declare all of the other unpaid Obligations to become immediately due and payable whereupon the same shall become immediately due and payable; and/or (d) pursue and enforce any other rights and remedies available to Lender, whether under this Agreement, under any other instrument or agreement securing, evidencing or relating to the Obligations, under the Code, or otherwise available at law or in equity. Without limiting the generality of the foregoing, in any such event, Lender, without demand of performance or other demand, advertisement, or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon Debtor or any other person (all and each of which demands, advertisements and/or notices are hereby expressly waived), may forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase or otherwise dispose of and deliver the Collateral (or contract to do so), or any part thereof, in one or more parcels at public or private sale or sales, at such prices as it may deem best, and for cash or on credit.

Lender shall have the right at any such public sale or sales, and to the extent permitted by law, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in Debtor, which right or equity is hereby expressly released. Debtor shall, at Lender's request, to assemble the Collateral and make it available to Lender at places which Lender shall reasonably select, whether at Debtor's premises or elsewhere. Debtor shall further, at Lender's request, (i) furnish storage of or arrange for Lender to store, such Collateral on Debtor's storage tracks until such Collateral has been sold or otherwise disposed of by Lender, such period not to exceed ninety (90) days and (ii) cause such Collateral to be transported to such interchange point or points as shall be designated by Lender upon any sale or other disposition of all or any of such Collateral. All movement to and storage of any or all Collateral at Debtor's storage track shall be at the sole risk and expense of Debtor.

Lender shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale (after deducting all reasonable costs and expenses of every kind incurred therein or incidental to the care, safekeeping or otherwise of any or all of the Collateral or in any way relating to the rights of Lender hereunder, including reasonable attorneys' fees and legal expenses) to the payment in whole or in part of the Obligations, in such order as Lender may elect. Only after so applying such net proceeds and after the payment by Lender of any other amount required by any provision of law (including Section 9-504(1)(c) of the Code) need Lender account for the surplus, if any, to Debtor. To the extent permitted by

applicable law, Debtor waives all claims, damages, and demands against Lender arising out of the repossession, retention or sale of the Collateral. Lender need not give more than 10 days' notice (which notification shall be deemed given when mailed, postage prepaid, addressed to Debtor at its address set forth herein) of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matters. Debtor shall be liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all amounts to which Lender is entitled. Debtor shall to pay all costs of Lender, including reasonable attorneys' fees, incurred with respect to collection of any of the Obligations and enforcement of any of its rights hereunder. To the extent permitted by law, Debtor hereby waives presentment, demand, protest or any notice (except as expressly provided in this Section 6) of any kind in connection with this Agreement or any Collateral.

SECTION 7. ASSIGNMENTS. Debtor may not assign or transfer the Obligations (or any thereof) or any of its rights or interests under any of the Principal Documents without the prior written consent of Lender. Upon prior written notice to Debtor Lender may assign any of its rights and interests hereunder and under any of the Principal Documents and in any of the Collateral to any affiliate or subsidiary of Bank of Tokyo, Ltd. without restriction, or any bank, financial institution, leasing or finance company, provided, however, that such institution or company (i) may not be a competitor of Debtor in the business of solid waste removal and (ii) must assume all obligations of Lender hereunder. Any such affiliate, subsidiary, bank, institution or company as assignee may re-assign any of such rights and interests, subject to the provisions of this Section 7. After any such assignment such assignee shall have and may exercise all of Lender's rights and interests assigned to it and the term "Lender" shall be deemed to include such assignee with respect to the rights and interests so assigned.

SECTION 8. MISCELLANEOUS.

8.1 Rights of Lender. Debtor hereby irrevocably constitutes and appoints Lender, and any officer carrying out the terms of this Agreement, on behalf of Debtor and without notice to or assent by Debtor, upon the occurrence and continuance of an Event of Default, to do the following: (A) to present this power of attorney to any insurance carrier, upon certification to such insurance carrier that an Event of Default has occurred and to endorse any loss payment or returned premium check and to make, settle and release any claim under any insurance policy with respect to the Equipment, (B) to pay or discharge taxes, liens, security interests or other encumbrances levied or placed on or threatened against the Equipment, to effect any repairs or any insurance called for by the terms of this Agreement and to pay

all or any part of the premiums therefor and the costs thereof, (C) to receive payments of and receipt for any and all monies, claims and other amounts due and to become due at any time in respect of or arising out of the Equipment, (provided, however, that Lender shall have no right to receive payments due Debtor from Debtor's customers for waste-hauling or other services provided by Debtor whether or not the Equipment was used to provide such services) (D) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Equipment or any part thereof and to enforce any other right in respect of the Equipment, and (E) to settle, compromise or adjust any suit, action or proceeding described above and, in connection therewith, to give such discharges or releases as Lender may deem appropriate. This power of attorney is a power coupled with an interest and shall be irrevocable. The powers conferred on Lender hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers.

8.2 No Waiver of Rights. No failure or delay by Lender in exercising any right, power or privilege hereunder or under any Note or other Principal Document shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. No right or remedy in this Agreement is intended to be exclusive but each shall be cumulative and in addition to any other remedy referred to herein or otherwise available to Lender at law or in equity; and the exercise by Lender of any one or more of such remedies shall not preclude the simultaneous or later exercise by Lender of any or all such other remedies. No express or implied waiver by Lender of an Event of Default shall in any way be, or be construed to be, a waiver of any other or subsequent Event of Default. The acceptance by Lender of any regular installment payment or any other sum owing hereunder shall not constitute a waiver of any Event of Default in existence at the time, regardless of Lender's knowledge or lack of knowledge thereof at the time of such acceptance, and shall not constitute a reinstatement of the Agreement if Lender has sent Debtor a notice of default, unless Lender shall have agreed in writing to reinstate the Agreement and waive the Event of Default.

8.3 Notices. All notices, requests and demands to or upon any party hereto shall be deemed duly given or made when deposited in the United States mail, first class postage prepaid, addressed to such party at its address set forth above or such other address as may be hereafter designated in writing by such party to the other party hereto.

8.4 Other Payments and Indemnification. Debtor shall, whether or not the contemplated transactions are consummated, pay or reimburse Lender for (i) all fees and taxes in connection with the recording of this Agreement or any other document or instrument required hereby; (ii) all fees and expenses of whatever nature incurred in connection with the creation, preservation and protection of Lender's security interest in the Equipment, including, without limitation, all fees and taxes in connection with the recording or filing of instruments and documents in public offices, payment or discharge of any taxes or Liens upon or in respect of the Equipment, and all other fees and expenses in connection with protecting or maintaining the Equipment and Lender's security interest therein, or in connection with defending or prosecuting any actions, suits or proceedings arising out of or related to the Equipment, including, without limitation, all fees and expenses with respect to environmental control, noise and pollution requirements, including penalties arising from any failure to report discharges; and (iii) all costs and expenses (including reasonable legal fees and disbursements) of Lender in connection with the enforcement of this Agreement and the Notes and any other Principal Document. Debtor shall pay, and to indemnify and save Lender harmless from any delay in paying, all taxes (other than taxes on Lender's net income), including without limitation, sales, use, stamp and personal property taxes and all license, filing, and registration fees and assessments and other charges, if any, payable or determined to be payable in connection with the execution, delivery and performance of this Agreement or the Notes or any other Principal Document or any modification thereof. If Debtor fails to perform or comply with any of its agreements contained in this Agreement and Lender shall itself perform, comply, or cause performance or compliance, the expenses of Lender so incurred, together with interest thereon at the Late Charge Rate, shall be payable by Debtor to Lender on demand and until such payment shall constitute Obligations secured hereby.

8.5 Survival of Representations. All representations and warranties made in, or in connection with this Agreement shall survive the execution and delivery of this Agreement and the making of the Loans, and the agreements contained in Section 8.4 hereof shall survive payment of the Notes.

8.6 Entire Agreement. This Agreement, together with the other Principal Documents, contains the entire agreement between Lender and Debtor related to the contemplated transactions, and neither this Agreement nor any other Principal Document, nor any terms hereof, or thereof, may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against which enforcement of a change, waiver, discharge or termination is sought.

8.7 Binding Effect. This Agreement shall be binding upon and inure to the benefit of Debtor and Lender and (subject to the restrictions set forth in Section 7 hereof) their respective successors and assigns.

8.8 Severability; Governing Laws. Headings of Sections and paragraphs are for convenience only, are not part of this Agreement and shall not be deemed to affect the meaning or construction of any of the provisions hereof. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by law, Debtor waives any rights now or hereafter conferred by statute or otherwise which limit or modify any of Lender's rights or remedies under this Agreement and waives any provision of law which renders any provision hereof prohibited or unenforceable in any respect. This Agreement, the Notes and the other Principal Documents shall be governed by, and construed in accordance with, the laws of the Commonwealth of Massachusetts.

8.9. Section 1168. It is the intention of the parties that this Agreement shall constitute a "purchase-money equipment security agreement" within the meaning of Section 1168 of the Bankruptcy Code, as amended. So long as said Section 1168, or any successor or comparable provision affording protection to lenders from the automatic stay under the United States Bankruptcy Code (then in effect), is in effect, Debtor shall not, in connection with any bankruptcy proceeding involving Debtor, take a position in the United States Bankruptcy Court that is inconsistent with Lender's rights under said Section 1168 or said successor or comparable provision.

8.10. Copies as Financing Statements. A copy of the Agreement or of any Supplemental Security Agreement may be filed as a financing statement.

SECTION 9. PREPAYMENT.

9.1 Mandatory Prepayment. (a) In the event of a loss or damage constituting an Event of Loss with respect to any item of Equipment, unless Debtor fully complies with Section 9.1(b) hereof, Debtor shall make a prepayment on the Note issued with respect to such item of Equipment on the Installment Payment Date next following the date of such Event of Loss in an amount equal to the Casualty Loss Value of such item as of such Installment Payment Date. For purposes of this Section 9.1(a), the "Casualty Loss Value" in respect of any item of Equipment, shall be an amount equal to the product of the Cost of such item of Equipment

to which such prepayment relates multiplied by the appropriate percentage set forth opposite the related payment period in which such Event of Loss occurs on the Schedule of Casualty Loss Values attached to the Supplemental Security Agreement applicable to such Note.

(b) So long as no Event of Default has occurred hereunder and is continuing, in lieu of making the prepayment specified in Section 9.1(a) hereof, Debtor may, at Debtor's option and sole expense and provided Debtor complies with all the provisions of this Section 9.1(b), substitute a new item of Equipment as Collateral hereunder in replacement of the item of Equipment suffering the Event of Loss (the "Casualty Item"). Such substitute item of Equipment (the "Substitute Item") shall be, in Lender's sole judgment, of a similar type and like kind as the Casualty Item and shall have, in Lender's sole judgment, a value, utility and remaining economic useful life at least equal to, and be in at least as good operating condition as, the Casualty Item immediately prior to the Event of Loss. In order to elect this option, Debtor must give notice of such election to Lender on or before the Installment Payment Date next following the date of such Event of Loss. Substitution shall be accomplished on or prior to the Installment Payment Date (the "Substitution Date") which is no less than sixty (60) days and no more than ninety (90) days next following the date of such Event of Loss. Until such Substitution Date, Debtor shall continue to make all payments due hereunder with respect to such Casualty Item as though such Event of Loss had not occurred. To accomplish such substitution, the conditions specified in subsections (b), (d), (e), (f), (h), (i), (k) and (n) of Section 3 shall be met with respect to the Substitute Item. In the event that the substitution is not accomplished on or before the Substitution Date, Debtor shall make the prepayment required in Section 9.1(a) on the Substitution Date. If Debtor notifies Lender that Debtor elects its option to substitute pursuant to this Section 9.1(b), Lender shall hold in escrow any insurance proceeds which Lender may receive relating to the Casualty Item until the Substitution Date. In the event Debtor replaces the Casualty Item with a Substitute Item in accordance with the provisions of this Section 9.1(b), Lender shall, promptly following such substitution, release such insurance proceeds to Debtor.

(c) So long as no Event of Default has occurred hereunder and is continuing, the amounts received by Lender which constitute payments made pursuant to Section 9.1(a) hereof shall be paid and applied first, to the payment of an amount equal to the accrued and unpaid interest on that portion of the principal amount of the Note to be prepaid, second, to the principal prepayment required, third, to the payment in full of all other unpaid Obligations with respect to such item of Equipment, and

fourth, the balance, if any, of such amounts shall be paid to or upon the order of Debtor.

(d) In the event of any partial prepayment of any Note pursuant to this Section 9.1, the amount of each of the remaining installments of principal and interest on such Note shall be reduced in the proportion that the principal amount of such prepayment bears to the unpaid principal amount of such Note immediately prior to such prepayment.

(e) If more than one Note is outstanding with respect to the same item of Equipment at the time any prepayment relating to such item is to be made pursuant to this Section 9.1, such prepayment shall be made on all such outstanding Notes ratably in accordance with the aggregate principal amount remaining unpaid thereon.

9.2 Optional Prepayment. (a) In addition to the prepayments required by Section 9.1 hereof, provided no Event of Default has occurred and is continuing hereunder, Debtor may, but shall not be obligated to, prepay any Note (in full, but not in part) on any payment date on or after the thirty-sixth (36th) Installment Payment Date of such Note, for an amount equal to the product of the then aggregate unpaid principal amount thereof multiplied by the appropriate percentage set forth opposite the related Payment Period in which such prepayment occurs on the Schedule of Termination Values attached to such Note, plus all interest accrued thereon to the date of such payment, plus all other then unpaid Obligations with respect to such Note.

(b) In the event that prior to the thirty-sixth (36th) Installment Payment Date of any Note, Debtor receives notice from Lender pursuant to Section 7 hereof that Lender intends to assign any of its rights and interests hereunder and under any of the Principal Documents to a Person other than any affiliate or subsidiary of Bank of Tokyo, Ltd., Debtor may, but shall not be obligated to, prepay such Note (in full, but not in part) on any payment date following the date of Lender's notice, for an amount equal to the product of the then aggregate unpaid principal amount thereof multiplied by the appropriate percentage set forth opposite the related Payment Period in which such prepayment occurs on the Schedule of Termination Values attached to such Note, plus all interest accrued thereon to the date of such payment, plus all other then unpaid Obligations with respect to such Note.

(c) Except as specifically permitted under this Section 9, Debtor shall not have the option of prepaying the Notes (or any Note) in whole or in part.

THE ADDITIONAL TERMS AND CONDITIONS IN THE LOAN SCHEDULE AND IN ANY SUPPLEMENTS OR RIDERS HERETO EXECUTED BY DEBTOR AND LENDER ARE INCORPORATED IN AND MADE PART OF THIS AGREEMENT.

IN WITNESS WHEREOF, the parties have duly executed and delivered this Agreement by their duly authorized officers as of the date first above written.
