"Certificates" is defined in the recitals above.

"Collateral" is defined in Section 1.1.

"Default" shall mean an Event of Default or event that, with the lapse of time or the giving of notice or both, would become an Event of Default.

"Holder" means any person in whose name a Certificate is registered in the register maintained by the Security Trustee in accordance with the terms of Article Three hereof.

Such present value shall be determined by discounting the amounts of such installments from their respective payment dates to the date of prepayment at a rate equal to (a) in the case of Series A Certificates, the Treasury Rate and (b) in the case of Series B Certificates, 0.50% over the Treasury Rate.

"Treasury Rate" with respect to the Makewhole Premium on any Certificate means the yield on a hypothetical United States Treasury security with a Treasury constant maturity matching the then remaining average life to maturity of such Certificate. The hypothetical Treasury security is to be derived by referring to the Federal Reserve Board's Statistical Release H.15 (519) (or its successor publication) most recently available next preceding (by not more than 10 nor less than 5 Business Days) the date of the prepayment of such Certificate. If there is a Treasury constant maturity listed in said Federal Reserve Release H.15 (519) with a maturity equal to the then remaining average life to maturity of such Certificate then the yield on such Treasury security shall be the Treasury Rate. If no such Treasury constant maturity exists, then the yield on such Treasury security shall be linearly interpolated from the yields on (a) the Treasury security with a constant maturity closest to and greater than the then remaining average life to maturity of such Certificate and (b) the Treasury security with a constant maturity closest to and less than the then remaining average life to maturity of such Certificate. If there shall be no Treasury security with a constant maturity less than the then remaining average life to maturity of such Certificate, then Treasury Rate shall mean the yield on the Treasury security with the shortest Treasury constant maturity. If said Federal Reserve Release H.15 (519) or a successor publication refers to no applicable yield on Treasury securities, then the Treasury Rate shall be determined in any manner mutually acceptable to the Owner Trustee and the Holder of such Certificate.

"Weighted Average Life Date" means (a) with respect to the Series A Certificates:

ARTICLE ONE SECURITY

SECTION 1.1. Grant of Security Interest. As security for the due and punctual payment of the principal of and premium, if any, and interest on the Certificates and the performance and observance by the Owner Trustee and the Beneficial Owner of all the covenants made by or on their behalf and the conditions contained in this Agreement and in the Participation Agreement, for the benefit of the holders of Certificates, the Owner Trustee hereby:

(a) grants to the Security Trustee for the security and benefit of the holders of Certificates a security interest in all of the Owner Trustee's right, title and interest in and to the Equipment described in Schedule A hereto, the bills of sale and manufacturers' warranties in respect thereof, all improvements and additions now or hereafter made or affixed thereto, and all cash or noncash proceeds therefrom; and

(b) assigns to the Security Trustee all of the Owner Trustee's right, title and interest in and to the Lease and Rent Agreement and all payments, including, without limitation, all payments of rent due or to become due thereunder; excluding, however, the Excluded Interests, as defined below

(all of the foregoing granted hereby being herein called the Collateral). Such security interest shall attach upon the execution by the Security Trustee of this Agreement, the issuance by the Owner Trustee of Certificates and the obtaining by the Owner Trustee of rights in the Collateral.

TO HAVE AND TO HOLD all and singular the aforesaid Collateral unto the Security Trustee, and its successors and assigns, in trust for the benefit and security of the holders

from time to time of the Certificates, without any priority of any one Certificate over any other and for the uses and purposes and subject to the terms and provisions set forth in this Agreement.

There shall be excluded from the foregoing grant of security interest and assignment the following (herein called Excluded Interests):

(i) any indemnity payable to the Owner Trustee, in both its individual and trust capacities, the Beneficial Owner or their respective directors, officers, agents or employees pursuant to Section 7.1 or 7.2 of the Lease, that by the terms thereof are payable to such person for its own account in respect of its own loss;

(ii) any proceeds of insurance payable to the Owner Trustee, in both its individual and trust capacities, or the Beneficial Owner under insurance maintained by the Owner Trustee or the Beneficial Owner that shall be in addition to the insurance required to be maintained by the Lessee pursuant to the terms of the Lease, and any proceeds of public liability insurance policies carried for the benefit of the Owner Trustee, in both its individual and trust capacities, or the Beneficial Owner;

(iii) all payments or advances (including indemnity loans) required to be made under the Tax Indemnity Agreement by the Lessee and all payments of Supplemental Rent by the Lessee in respect of any amounts payable or advanced under the Tax Indemnity Agreement, including without limitation any payments of Supplemental Rent relating to Sections 5(d) or 10 of the Tax Indemnity Agreement;

(iv) fees payable to the Owner Trustee by the Lessee as Supplemental Rent;

(v) any rights against the Lessee acquired by subrogation to the rights of the Security Trustee pursuant to Section 6.4 hereof, and any other amounts payable by the Lessee to reimburse the Owner Trustee for payments made by it in respect of the Lessee's obligations under the Lease;

(vi) the rights of the Owner Trustee to pursue legal remedies to compel payment by the Lessee of any of the amounts referred to in the foregoing clauses (i)

through (iv), except the right to terminate the Lease and exercise remedies against the Equipment;

(vii) the right to consent to any amendment, modification, or waiver of the provisions of the Lease in respect of Excluded Interests; and

(viii) any payments, proceeds, amounts, or rights in respect of any unit of the Equipment that shall have been released from the security interest of this Agreement.

Notwithstanding the foregoing assignment and exclusion of certain interests, the Owner Trustee shall have the right, together with and not to the exclusion of the Security Trustee, (1) to receive from the Lessee duplicate copies of all notices, documents, reports, and other information that the Lessee is required or permitted to give to the Lessor under the Lease, (2) to inspect the Equipment and the Lessee's records with respect thereto, (3) to provide or carry insurance in addition to that required to be carried by the Lessee pursuant to the Lease, and (4) to protect and preserve the Equipment. So long as an Event of Default shall not have occurred and be continuing, the Owner Trustee shall have the right, (1) together with and not to the exclusion of the Security Trustee, to consent or withhold consent to any amendment, modification, or waiver of any provision of the Lease, and (2) solely to exercise the option of the Lessor under Section 8.2(b) of the Lease, if the Owner Trustee shall fulfill its obligations for prepayment of the Certificates set forth in Article Four hereof.

SECTION 1.2. Recording. The Lessee has agreed in the Lease to, promptly after the execution and delivery of this Agreement (and prior to any Equipment becoming Collateral hereunder), cause this Agreement and the Lease and each such supplement hereto and thereto providing for the interests of the Security Trustee and the Holders in the Collateral including such Equipment, to be duly filed with the ICC pursuant to 49 U.S.C. § 11303, and shall execute and file any other instruments requested by the Security Trustee that are necessary or appropriate to protect and preserve such interests. In addition, the Lessee has agreed in the Lease to deposit, on behalf of the Owner Trustee, this Agreement and each such supplement hereto with the Registrar General of Canada (and notice of such deposit shall be given forthwith in The Canada Gazette) pursuant to Section 90 of the Railway Act of Canada.

SECTION 1.3. Power of Attorney. The Owner Trustee hereby appoints the Security Trustee the Owner Trustee's attorney, irrevocably, with full power of substitution, to collect all payments due and to become due under or arising out of the Lease and the Rent Agreement (other than the Excluded Interests), to enforce compliance by the Lessee with all the terms and provisions of the Lease, and, subject to the provisions of Article Six hereof, to take any action or institute any proceedings that the Security Trustee may deem to be necessary or appropriate to protect and preserve the interest of the Security Trustee in the Collateral.

SECTION 1.4. Payments under the Lease. (a) The Lessee has agreed in Section 4.1(a) of the Participation Agreement to make all payments to be made by it under the Lease (other than payments in respect of Excluded Interests) directly to the Security Trustee or in accordance with the Security Trustee's instructions until such time as the obligations of the Owner Trustee hereunder and under the Certificates have been discharged. The Owner Trustee agrees that should it receive any such payments agreed to be made to the Security Trustee or any proceeds for or with respect to the Collateral or as the result of the sale or other disposition thereof, it shall hold them only in a separate deposit account containing only payments hereunder and promptly forward such payments to the Security Trustee or in accordance with the Security Trustee's instructions. The Security Trustee agrees to apply amounts from time to time received by it (from the Lessee, the Owner Trustee or otherwise) with respect to the Lease or the Equipment to the payment of the principal of and interest on the Certificates then due and to the payment of any other amounts then due and payable under this Agreement and, if no Default shall have occurred and be continuing, to pay promptly any balance to the Owner Trustee. If a Default shall have occurred and be continuing (other than a non-payment Lease Event of Default, in which case any balance referred to in the immediately preceding sentence shall be paid to the Owner Trustee in accordance therewith), such payment shall be held by the Security Trustee in a security account and invested in Investments in accordance with the instructions of the Owner Trustee and (i) if such Default shall have been cured or, with the consent of the Security Trustee, waived, such balance, together with any interest earned thereon, shall be distributed to the Owner Trustee or (ii) such balance, together with such interest, shall be applied in accordance with Section 6.3 hereof.

(b) All payments received by the Security Trustee which are Excluded Interests shall promptly be paid over by the Security Trustee to the Owner Trustee for distribution pursuant to the Trust Agreement.

SECTION 1.5. Release of Security Interests. After all Certificates have been paid in full as to principal, premium, if any, and interest, all other claims of the Security Trustee and Holders arising hereunder shall have been paid in full and the Owner Trustee shall have performed all of its obligations hereunder, the Security Interests, assignments, and all other rights in the Collateral granted by this Agreement shall cease and become null and void and all of the property, rights and interests granted as security for the Certificates shall revert to and revest in the Owner Trustee without further act or formality whatsoever, and the Security Trustee shall, at the request and at the expense of the Owner Trustee, execute and deliver to the Owner Trustee such termination statements, releases or other instruments as shall be necessary and appropriate to evidence the satisfaction and discharge of this agreement and the Security Interests hereby created.

SECTION 1.6. Further Assurances. From time to time the Owner Trustee shall do all acts and execute all such instruments of further assurance as shall be reasonably requested by the Security Trustee for the purpose of fully carrying out and effectuating this agreement and the intent hereof.

ARTICLE TWO

ISSUE, EXECUTION, AUTHENTICATION, AND FORM OF CERTIFICATES

SECTION 2.1. Maximum Authorized Issue. There are authorized to be issued and outstanding at any time hereunder (a) Series A Certificates in an aggregate principal amount not to exceed \$20,250,000 (which amount may be increased by up to 10% as set forth in Section 1.2 of the Participation Agreement), and (b) Series B Certificates in an aggregate principal amount not to exceed \$27,860,000 (which amount may be increased by up to 10% as set forth in Section 1.2 of the Participation Agreement).

SECTION 2.2. Issuance of Certificates; Proceeds. The Owner Trustee shall issue and deliver, from time to time in accordance with the Participation Agreement and subject to the conditions thereof, Certificates substantially in the form set forth in Annexes A and B hereto in the aggregate

principal amount sold under and pursuant to the terms of the Participation Agreement. The proceeds of such sale shall forthwith be deposited with the Security Trustee and held for the account of the Owner Trustee.

In accordance with the terms of the Participation Agreement and subject to the conditions set forth therein, the Security Trustee, on the date or dates specified in the Participation Agreement, shall pay to the Lessee an amount equal to that portion of the cost of the Equipment as shall be specified in the Participation Agreement to be paid out of the proceeds of the issuance of the Certificates on such date.

SECTION 2.3. Characteristics of Certificates.

Certificates shall bear interest at such rate, be payable as to principal, premium, if any, and interest on such date or dates, and shall contain such other terms and provisions as shall be set forth in the form set forth, as the case may be, in Annex A or B hereto.

The principal of the Certificates shall be payable in installments on the dates set forth in the Certificates. The installments of principal payable on each payment date shall be calculated by multiplying the original principal amount of each Certificate by the percentage set forth for such date in the schedule attached to such Certificate, which schedule shall be the same for all Certificates of the same series issued hereunder. The Owner Trustee shall not have the privilege of prepaying the Certificates, except as set forth in Article Four hereof.

The unpaid principal amount of each Certificate shall bear interest at the rate set forth for such Certificate in the form thereof, and such interest shall be payable on the dates set forth therefor in the Certificates. Interest payable for the period from the date of issue of each Certificate to the first date for the payment of interest shall be calculated on the basis of a 360-day year of twelve 30-day months with actual days elapsed in any partial month; interest payable thereafter shall be calculated on the basis of a 360-day year of twelve 30-day months. Any amounts due under the Certificates not paid when due shall bear interest for the period for which the same shall be overdue at the rate per annum set forth, as the case may be, in the form of Certificate in Annex A or B hereto for overdue payments.

If any date for payment of principal or interest on any Certificate is not a Business Day, then such payment

shall be made on the next succeeding Business Day with the same effect as if made on the nominal payment date and no interest shall be paid in respect of such delay.

The Certificates (i) shall be registered, as to both principal and interest, in the names of the Holders; (ii) shall be registrable as to transfer in whole or in part upon presentation and surrender thereof for registration of transfer at the office of the Security Trustee; (iii) shall be dated as of the date of issue, or if issued in exchange for or upon the transfer of another Certificate or Certificates bearing unpaid interest from an earlier date, dated as of such earlier date; (iv) shall entitle the Holders to interest and installments of principal from the date thereof; and (v) shall be exchangeable at the office of the Security Trustee for an equal aggregate principal amount of Certificates of like tenor and of the same series.

All Certificates shall rank on a parity with each other Certificate and shall as to each other be secured equally and ratably by this Agreement, without preference, priority or distinction of any thereof over any other by reason of difference in series, time of issuance or otherwise.

Each Holder, as a condition of its holding a Certificate, agrees to return to the Security Trustee any amounts received from the Security Trustee in respect of such Certificate in excess of the pro rata amount then distributable on such Certificate.

Certificates shall be prepaid in the circumstances and in the manner set forth in Article Four hereof.

SECTION 2.4. Method of Payment. (a) Notwithstanding any contrary provisions contained in the Certificates or herein, the Owner Trustee agrees that it will cause payment of the principal of and interest on any Certificate not then to be paid in full to be made directly to the Holder of such Certificate, without presentation thereof to the Security Trustee, (1) by check mailed to such Holder's address as it appears on the register provided for under Section 3.1 or (2) by wire of immediately available federal funds sent (A) not later than 2:00 p.m., Baltimore, Maryland time, on the date due, if such funds are received by the Security Trustee at or prior to 11:00 a.m. on such date, (B) not later than the close of business on the date due, if such funds are received by the Security Trustee at or prior to 3:30 p.m. on such date and (C) not later than 11:00 a.m. on the Business

Day next succeeding the date due, if such funds are received after 3:30 p.m. on such due date; such payment shall be made: (i) in the case of a Debt Participant under the Participation Agreement, automatically without request by wire of immediately available federal funds to its bank as set forth in Annex A thereto or pursuant to later superseding written instructions from such Debt Participant to the Security Trustee or (ii) in the case of any other Holder by wire of immediately available federal funds to such Holder's bank as requested by such Holder in a written notice to the Owner Trustee and the Security Trustee.

(b) Notwithstanding the provisions of (a) above, the Owner Trustee shall not have any responsibility for the distribution of such payments to any Holders of the Certificates, which responsibility is expressly assumed by the Security Trustee. Any payment made hereunder shall be made without any presentment or surrender of any Certificate, except that, in the case of the final payment in respect of any Certificate, such Certificate shall be surrendered to the Security Trustee.

(c) The Security Trustee, as agent for the Owner Trustee, shall exclude and withhold from each payment of principal, premium, if any, and interest or other amounts due hereunder or under the Certificates any and all withholding taxes applicable thereto as required by law. The Security Trustee agrees to act as such withholding agent and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Security Certificates, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Holders of the Certificates, that it will file any necessary withholding tax returns or statements when due, and that as promptly as possible after the payment thereof it will deliver to each Holder of a Certificate appropriate receipts showing the payment thereof, together with such additional documentary evidence as such Holder may reasonably request from time to time. No such withholding or action with respect thereto shall constitute or give rise to any Event of Default or any other claim against the Beneficial Owner or the Owner Trustee hereunder.

(d) It is agreed by each Holder that it will not transfer or otherwise dispose of any such Certificate unless

such Holder shall have theretofore made an appropriate notation thereon of the portion of the principal amount represented thereby which has been paid or unless it shall have surrendered the same for registration of transfer.

SECTION 2.5. Authentication. Only such Certificates as shall bear thereon a certificate of authentication manually executed by the Security Trustee shall be entitled to the benefits of this agreement or be valid or obligatory for any purpose. Such certificate of authentication of the Security Trustee upon any Certificate executed by or on behalf of the Owner Trustee shall be conclusive evidence that the Certificate so authenticated was duly issued, authenticated and delivered under this Agreement.

SECTION 2.6. Execution of Certificates. The Certificates shall be executed on behalf of the Owner Trustee by one of the officers duly authorized by the corporate charter, by-laws, or the board of directors of the Owner Trustee to execute such instruments. Such signature may be a manual or facsimile signature and may be printed or otherwise reproduced on the Certificates. In case any such officer of the Owner Trustee, who shall have executed any of the Certificates either manually or by facsimile signature, shall cease to be such an officer before the Certificates so executed shall have been authenticated by the Security Trustee and delivered or disposed of by the Security Trustee, such Certificates nevertheless may be authenticated and delivered or disposed of as though the person who executed such Certificates had not ceased to be such an officer of the Owner Trustee.

SECTION 2.7. Limitation on Source of Payments. All payments to be made by the Security Trustee under this Agreement on the Certificates shall be made only out of payments received by the Security Trustee hereunder and applicable to such payment under the provisions hereof, which shall be limited to income and proceeds from the Collateral as more fully set forth in section 5.2 hereof. Each Holder of a Certificate, by its acceptance of such Certificate, agrees that it will look solely to the income and proceeds from the Collateral to the extent available for distribution to such Holder as herein and therein provided and that the Security Trustee shall not be personally liable to such Holder for any amounts payable under this Agreement or under any Certificate or, except as provided in Article Seven hereof, for any liability under this Agreement.

ARTICLE THREE
REGISTRATION, TRANSFER, EXCHANGE, CANCELLATION
AND OWNERSHIP OF CERTIFICATES

SECTION 3.1. Register of Certificates. The Security Trustee shall maintain a register for the purpose of registration, and registration of transfer and exchange, of Certificates and in which shall be entered the names and addresses of the Holders of such Certificates and particulars of the Certificates owned by them, respectively. For these purposes, the Security Trustee is hereby appointed transfer agent and registrar for the Certificates. No transfer of any Certificate shall be valid unless and until registered on such register.

SECTION 3.2. Inspection of Register of Certificates. The register referred to in section 3.1 of the Holders shall at all reasonable times be open for inspection by any Holder. Upon request by any Holder, the Security Trustee shall furnish such Holder, at the expense of such Holder, with a list of the names and addresses of all Holders entered on the register kept by the Security Trustee, indicating the unpaid principal amount and serial number of each Certificate held by such Holders.

SECTION 3.3. Cancellation of Certificates. All Certificates surrendered to the Security Trustee for payment, prepayment, or registration of transfer or exchange shall be cancelled by it; and no Certificates shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Agreement. The Security Trustee may destroy cancelled Certificates held by it and deliver a certificate of destruction to the Owner Trustee, or the Security Trustee may return cancelled Certificates to the Owner Trustee. If the Owner Trustee shall acquire any of the Certificates, such acquisition shall not operate as a redemption of or the satisfaction of the indebtedness represented by such Certificates unless and until the same shall be delivered to the Security Trustee for cancellation.

SECTION 3.4. Exchange or Transfer of Certificates. A Holder intending to transfer any Certificate registered in its name or to exchange any of such Certificates for new Certificates may surrender such Certificates at the office of the Security Trustee, together with the written request of such Holder, or of its attorney duly authorized in writing, for the issuance of a new Certificate or Certificates of the same series, specifying the authorized denomination or denominations of the same and the name and address of the

transferee. Promptly upon receipt by the Security Trustee of the foregoing and satisfaction of the requirements of this section, the Owner Trustee shall execute, and the Security Trustee shall authenticate and deliver, such new Certificate or Certificates, in principal amount equal to the unpaid principal amount or amounts of such Certificate or Certificates so surrendered, having the same terms and of the same series as the Certificates so surrendered, in such denomination or denominations and registered in the name or names of the transferee specified in the written request.

The Security Trustee shall not be required to register transfers or exchanges of Certificates on any date fixed for the payment of principal or premium, if any, or interest on the Certificates or during the ten Business Days preceding such date.

The Certificates shall be delivered to Holders without registration of such Certificates under the Securities Act of 1933, as amended, and qualification of this Agreement under the Trust Indenture Act of 1939, as amended. Prior to any transfer (except any transfer specifically provided in the Participation Agreement) of any Certificate, in whole or in part, the Holder thereof shall, if the Security Trustee shall so request, furnish to the Security Trustee and the Owner Trustee either (a) an opinion of counsel in form satisfactory to the Security Trustee and the Owner Trustee, to the effect that such transfer of the Certificates is exempt from the registration requirements of the Securities Act of 1933, as amended, and such transfer will not require qualification of this agreement under the Trust Indenture Act of 1939, as amended or (b) a certificate, substantially in the form of Annex C hereto, from the proposed transferee of such Certificate stating that such transferee is a "qualified institutional investor" as such term is defined in Rule 144A promulgated by the Securities and Exchange Commission under the Securities Act of 1933, as amended. Unless the Security Trustee and the Owner Trustee shall have received an opinion of counsel satisfactory to the Security Trustee and the Owner Trustee, to the effect that the same shall not be necessary, each Certificate shall be endorsed with the legend set forth, as the case may be, on the form of Certificate in Annex A or B hereto.

As a further condition of transfer or exchange of any Certificate (except any transfer specifically provided in the Participation Agreement), the Holder thereof shall reimburse the Security Trustee and the Owner Trustee for any

stamp taxes or governmental charges required to be paid with respect to such transfer or exchange.

SECTION 3.5. Replacement. The Holders shall be entitled to rights to replacement Certificates as provided in U.C.C. § 8-405; provided that for purposes thereof, an indemnity bond of any Debt Participant under the Participation Agreement shall be deemed a sufficient letter of indemnity with respect to such Debt Participant's Certificates.

SECTION 3.6. Ownership of Certificates. The Security Trustee shall deem and treat the Holder of any Certificate as the absolute owner of such Certificate for the purpose of receiving payment of all amounts payable with respect to such Certificate and for all other purposes, and neither the Owner Trustee nor the Security Trustee shall be affected by any notice to the contrary.

The Security Trustee may, in its discretion, treat the Holder of any Certificate as the owner thereof without actual production of such Certificate for any purpose hereunder.

The Security Trustee shall not be bound to take notice of or carry out the execution of any trust in respect of any Certificate, and may transfer the same on the direction of the Holder thereof, whether named as trustee or otherwise, as though the Holder were the beneficial owner thereof.

The Holder of any Certificate shall be entitled to the principal of, premium, if any, and interest on such Certificate free from all equities or rights of set-off or counterclaims of the Owner Trustee, the Security Trustee or any prior Holder of such Certificate. The receipt by the Holder of any Certificate of any payment of principal, premium or interest shall be a good discharge to the Owner Trustee and the Security Trustee for the same and neither the Owner Trustee nor the Security Trustee shall be bound to inquire into the title of any Holder.

ARTICLE FOUR PREPAYMENT

SECTION 4.1. No Prepayment. Except as provided in this Article Four the Owner Trustee shall have no right to prepay the principal amount of the Certificates, in whole or in part.

If the Owner Trustee shall prepay all or any portion of the principal amount of any Certificate as provided in this Article Four, such amounts of prepayment, together with the premium, if any, payable by reason of the application of the prepayment of principal of such Certificates, shall be distributed to the Holders of such Certificates outstanding on such date ratably, without priority of one over the other.

The amount of each payment of such Certificate so prepaid becoming due after application of such prepayment shall, to the extent appropriate, be adjusted so that the principal paid on each date for an instalment of principal shall bear the same proportion to the original amount payable on such date as the total unpaid balance bears to the original balance unpaid on such date but for such prepayment and that, upon the due payment of all payments thereafter, the entire unpaid principal amount of and interest on such Certificate shall have been paid in full.

SECTION 4.2. Prepayment on Event of Default. If a Lease Event of Default shall have occurred and be continuing and the Security Trustee shall have accelerated the amounts due and payable under the Certificates or shall not have exercised any remedies under the Lease for a period of one year after the occurrence of such Lease Event of Default, then the Owner Trustee or the Beneficial Owner, not more than 45 days after the end of such one year period, may pay such unpaid principal amounts and accrued interest thereon without premium, and all costs and expenses (including attorney's fees and disbursements) incurred by the Security Trustee and the Holders in connection with such Lease Event of Default. During the period from the date the Owner Trustee or the Beneficial Owner has given notice of its intention to purchase, through and including the purchase date specified in such notice, the Security Trustee shall refrain from the exercise of any remedy hereunder or under the Lease in respect of such Lease Event of Default. Upon such payment all obligations of the Owner Trustee hereunder shall be discharged and the Security Trustee shall, pursuant to Section 1.5 hereof, release the security interests hereby created.

SECTION 4.3. Prepayment as Result of Casualty Occurrence. If any unit of the Equipment shall suffer a Casualty Occurrence, the Owner Trustee shall immediately notify the Security Trustee of such occurrence and the Certificates shall be prepaid, on the date set forth in the Lease for payment by the Lessee in respect of such Casualty

Occurrence, in an amount equal to the sum of (a) the unpaid principal amount of the Certificates multiplied by a fraction, the numerator of which shall be the aggregate amount of the Original Cost of the Equipment which shall have suffered a Casualty Occurrence and the denominator of which shall be the aggregate amount of such Original Cost of all Equipment immediately prior to such date and (b) interest accrued through the date of payment on such portion of the Certificate as is being prepaid hereunder.

SECTION 4.4. Prepayment for Economic Obsolescence. On or after June 20, 2001, if the Lessee gives notice to the Owner Trustee of the Lessee's intention to terminate the Lease in accordance with the terms of Section 10.1 thereof (providing for early termination if Equipment becomes obsolete or surplus) in respect of all, but not less than all, of the units of either or both Car Types (as such term is defined in the Lease), the Owner Trustee shall immediately notify the Security Trustee of such pending termination and the Certificates shall be prepaid, on the date set forth in the Lease for payment by the Lessee in respect of such early termination, in an amount equal to the sum of (a) the unpaid principal amount of the Certificates multiplied by a fraction, the numerator of which shall be the aggregate amount of the Original Cost (as such term is defined in the Lease) of the Equipment as to which the Lease is being terminated and the denominator of which shall be the aggregate amount of such Original Cost of all Equipment immediately prior to such date, (b) zero, unless the date of such prepayment is prior to the Makewhole Expiration Date for such Certificate, in which case the Makewhole Premium for such date on such portion of the Certificate as is being prepaid hereunder and (c) interest accrued through the date of payment on such portion of the Certificate as is being prepaid hereunder.

SECTION 4.5. Prepayment on Exercise of Special Purchase Option. If the Lessee gives notice to the Owner Trustee of the Lessee's intention to terminate the Lease by exercising its option under Section 10.2(b) of the Lease (providing for the purchase by Lessee of all, but not less than all, of the units of either or both Car Types (as such term is defined in the Lease), the Owner Trustee shall immediately notify the Security Trustee of such pending termination and the Certificates shall be prepaid, on the date set forth in the Lease for payment by the Lessee in respect of such purchase, in an amount equal to the sum of (a) the unpaid principal amount of the Certificates multiplied by a fraction, the numerator of which shall be the aggregate amount of the Original Cost (as such term is

defined in the Lease) of the Equipment as to which the Lease is being terminated and the denominator of which shall be the aggregate amount of such Original Cost of all Equipment immediately prior to such date and (b) interest accrued through the date of payment on such portion of the Certificate as is being prepaid hereunder.

SECTION 4.6. Optional Prepayment. On or after June 20, 1995, pursuant to a refinancing under Section 4.7 of the Participation Agreement, the Owner Trustee may prepay all, but not less than all, of the Certificates and, upon receipt of notice from the Lessee pursuant to such Section 4.7, the Owner Trustee shall immediately notify the Security Trustee of such pending termination and the Certificates shall be prepaid in full, on the date set forth in such notice, which shall be a date on which payments of principal or interest is due on the Certificates, in an amount for each Certificate then outstanding equal to the sum of:

(a) the unpaid principal amount of such Certificate;

(b) zero, unless the date of such prepayment is prior to the Makewhole Expiration Date of such Certificate, in which case the Makewhole Premium for such date for such Certificate; and

(c) interest accrued through the date of payment on such Certificate.

ARTICLE FIVE COVENANTS; LIMITATION OF LIABILITY

SECTION 5.1. Covenants of Owner Trustee. The Owner Trustee hereby covenants and agrees as follows:

(a) the Owner Trustee shall duly and punctually pay to the Security Trustee such amounts as are necessary to enable the Security Trustee to pay the principal of, premium, if any, and interest on the Certificates in accordance with the terms of such Certificates and this Agreement when such payments shall become due, including, but not limited to, prepayments required by Article Four hereof;

(b) the Owner Trustee shall not create or permit to exist any claim, lien, encumbrance, or security interest on or with respect to any of the Collateral resulting

from claims against the Owner Trustee not related to the transactions contemplated by the Operative Documents;

(c) the Owner Trustee shall faithfully abide by, perform and discharge each and every obligation, covenant and agreement which the Lease provides are to be performed by the Owner Trustee; the Owner Trustee shall upon request of the Security Trustee enforce any or all of its rights as lessor under the Lease; without the written consent of the Security Trustee or as explicitly provided in Section 6.4 hereof, the Owner Trustee shall not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee that are intended to satisfy the obligations of the Owner Trustee under this Agreement or to preserve and protect the interest of the Security Trustee in the Lease and the Equipment, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein, or enter into any agreement or take any action the result of which would be to amend, modify or terminate the Lease or the obligations of the Lessee thereunder;

(d) the Owner Trustee shall not sell, assign or transfer its rights under this Agreement or in or to the Collateral, except to a successor trustee appointed pursuant to the terms of the Trust Agreement, if such successor trustee shall be a bank or trust company with a combined capital and surplus of not less than \$100,000,000, and the provisions of section 1.2 shall have been complied with;

(e) if and so long as any principal, premium, if any, or interest remain payable on the Certificates or any amounts remain due hereunder to the Holders or to the Security Trustee, and unless and until the obligations of the Owner Trustee hereunder have been discharged, the Owner Trustee, without the consent of the Security Trustee, shall not amend, modify or waive any provisions of the Lease or this Agreement (except provisions relating solely to rights of the Owner Trustee or Beneficial Owner explicitly excluded from the Collateral), and shall not terminate the Lease or otherwise exercise the remedies available under the Lease against the Equipment; and

(f) the Owner Trustee shall promptly notify the Security Trustee of any Default, of which an officer or assistant officer in the corporate trust department of the Owner Trustee shall have actual knowledge.

SECTION 5.2. Limitation of Liability. Except as expressly provided in this Agreement or in any other Operative Document, the liability of the Owner Trustee for all payments to be made under and pursuant to this Agreement shall not exceed an amount equal to, and shall be payable only out of, the income and proceeds from the Collateral. As used herein the term "income and proceeds from the Collateral" shall mean:

(a) if an Event of Default shall have occurred and while it shall be continuing so much of the following amounts as are indefeasibly received by the Owner Trustee or the Security Trustee as assignee of the Owner Trustee at any time after such Event of Default and during the continuance thereof, (i) all rent and any other sums due and to become due under the Lease and the Rent Agreement except the Excluded Interests and (ii) any and all other payments or proceeds received pursuant to the Lease or for or with respect to the Collateral except the Excluded Interests as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition; and

(b) at any other time only that portion of the amounts referred to in the foregoing clause (a) as are indefeasibly received by the Owner Trustee or the Security Trustee as assignee of the Owner Trustee and as shall equal the payments specified in clause (a) of section 5.1 due and payable by the Owner Trustee on the date such amounts so received were required to be paid pursuant to the Lease or as shall equal any other payments (including payments in respect of Casualty Occurrences or early termination of the Lease) then due and payable under this Agreement.

The Security Trustee agrees that if it obtains a judgment against the Owner Trustee for an amount in excess of the amounts payable by the Owner Trustee pursuant to the limitations set forth in this section, it will, accordingly, limit its execution of such judgment to such amount and it will not bring suit against the Owner Trustee for any sums in addition to the amounts payable by the Owner Trustee pursuant to said limitations (or obtain a judgment, order, or decree

against the Owner Trustee for any relief other than the payment of money) except as may be required by applicable rules of procedure to enforce against the Collateral and the Lessee (rather than against the Owner Trustee in its individual capacity), by appropriate proceedings against the Owner Trustee at law or in equity or otherwise, the obligations to make the payments to be made pursuant to section 5.1 or any other payment or performance obligations due the Security Trustee under this Agreement.

Nothing contained herein limiting the liability of the Owner Trustee shall derogate from the right of the Security Trustee to proceed against the Collateral or the Lessee as provided for herein or in the Lease for the full unpaid principal amount of the Certificates and interest thereon, or to proceed against the Owner Trustee for damages and other remedies for the breach of the covenants of this Agreement (subject to the aforesaid limitations, in the case of clause (a) of section 5.1) or the inaccuracy of the representations and warranties contained herein.

ARTICLE SIX EVENTS OF DEFAULT; REMEDIES

SECTION 6.1. Events of Default. If any of the following events (each such event being herein sometimes called an Event of Default) shall have occurred (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary):

(a) any Lease Event of Default shall have occurred and be continuing (provided that any such Lease Event of Default caused by a failure of the Lessee to pay to the Owner Trustee or the Beneficial Owner when due any amount that is included in the definition of Excluded Interests shall not constitute an Event of Default unless notice is given by the Owner Trustee to the Security Trustee that such failure shall constitute an Event of Default); or

(b) any payment of principal or premium, if any, or interest on the Certificates, including prepayments required by Article Four hereof, or any other payments due hereunder shall not be paid to the Security Trustee when due, and such default shall continue for more than ten days thereafter, without regard for any limitation of liability contained herein; or

(c) the Owner Trustee or the Beneficial Owner shall breach or fail to observe or perform any covenant, agreement or warranty on its respective part made in this Agreement, the Participation Agreement, or the Lease, without regard for any limitation of liability contained herein, and such breach or failure shall continue for a period of 30 days after notice thereof shall have been given to the Owner Trustee and the Beneficial Owner by the Security Trustee, specifying such failure and requiring it to be remedied, unless such breach or failure is capable of being cured, action has been taken within such 30 days to commence such cure and such action is being diligently pursued; or

(d) any representation or warranty made or given by the Owner Trustee or the Beneficial Owner herein, in the Participation Agreement, or in any document, certificate or instrument furnished in connection therewith shall prove to be inaccurate in any material respect when made or given, unless such failure is cured within 30 days of notice thereof to the Owner Trustee or Beneficial Owner;

(e) any claim, lien, encumbrance or security interest required to be discharged by the Owner Trustee pursuant to section 5.1(b) hereof shall remain undischarged for a period of 30 days after the Owner Trustee shall have actual knowledge of such lien or encumbrance; or

(f) the Owner Trustee or the Beneficial Owner shall (1) be generally not paying its debts as they become due, (2) file, or consent to the filing against it of a petition for relief under any bankruptcy or insolvency laws, (3) make an assignment for the benefit of creditors, (4) consent to the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator, or other official with similar powers over the Owner Trustee or the Beneficial Owner or a substantial part of the property of either of them, or (5) take corporate action for the purpose of any of the foregoing; or

(g) a court having jurisdiction over the Owner Trustee or the Beneficial Owner or the property of either of them shall enter a decree or order in respect of the Owner Trustee, the Beneficial Owner, or such property in an involuntary case under any bankruptcy or insolvency law, or shall appoint a receiver, liquidator, assignee, custodian, trustee, sequestrator, or official with similar powers over the Owner Trustee, the Benefi-

cial Owner, or a substantial part of such property, or shall order the winding up or liquidation of the affairs of the Owner Trustee or the Beneficial Owner, and such order or decree shall continue in effect for a period of 90 consecutive days;

then, and in every such event, the Security Trustee may, or upon written direction by the Required Holders shall, by written notice to the Owner Trustee, declare the Certificates (together with accrued interest thereon) to be, and the Certificates shall thereupon become, immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Owner Trustee; provided that in the case of any of the Events of Default specified in clause (f) or (g) above with respect to the Owner Trustee or Beneficial Owner, no such notice or any other act by the Security Trustee or any Holder shall be required and the Certificates shall thereupon automatically become immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Owner Trustee.

The Security Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the amounts due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Owner Trustee and collect in the manner provided by law out of the Collateral, wherever situated, the moneys adjudged or decreed to be payable (subject to the provisions of section 5.2 hereof).

SECTION 6.2. Specific Remedies. Upon the occurrence and during the continuance of an Event of Default the Security Trustee may exclusively exercise any or all of the following remedies:

(a) If a Lease Event of Default shall have occurred and be continuing, the Security Trustee may, subject to the cure rights of the Owner Trustee under section 6.4 hereof, exercise any of the remedies available to the Owner Trustee as lessor under the Lease.

(b) Subject to the rights of the Lessee under the Lease (if a Lease Event of Default shall not have occurred and be continuing), the Security Trustee may recover possession of the Equipment. If requested by the Security Trustee, the Owner Trustee shall execute

and deliver to the Security Trustee such instruments of title and other documents as the Security Trustee may deem necessary or advisable to enable the Security Trustee or an agent or representative designated by the Security Trustee, at such time or times and place or places as the Security Trustee may specify, to obtain possession of all or any part of the Equipment to which the Security Trustee shall at the time be entitled hereunder. The Security Trustee shall be entitled to a judgment conferring upon the Security Trustee the immediate right to such possession and to a decree of specific performance requiring the Owner Trustee to execute and deliver such instruments and documents to the Security Trustee.

(c) The Security Trustee may collect and receive any and all rents, revenues and other cash and non-cash proceeds from the Collateral (other than the Excluded Interests).

(d) Subject to the rights of the Lessee under the Lease (if a Lease Event of Default shall not have occurred and be continuing), the Security Trustee may with or without retaking possession sell all or any part of the Collateral (other than the Excluded Interests), free from any and all claims of the Owner Trustee, in one lot and as an entirety or in separate lots, at public or private sale, for cash or upon credit, in its discretion. Upon any such public sale, the Security Trustee itself or any Holder may bid for the property offered for sale or any part thereof. Subject to the requirements of the immediately succeeding sentence, any such sale may be held or conducted at such place and at such time as the Security Trustee may specify, or as may be required by law, and without gathering at the place of sale the Equipment or the Collateral (other than the Excluded Interests) to be sold, and in general in such commercially reasonable manner as the Security Trustee may determine. In connection with any such sale, the Security Trustee shall give the Owner Trustee and the Beneficial Owner at least 15 days' prior written notice of such sale. The Security Trustee agrees that the Owner Trustee and the Beneficial Owner shall have the right to submit bids for the Collateral or any part thereof at such sale.

If a Lease Event of Default shall have occurred and be continuing and no Event of Default (other than an Event of Default caused by such Lease Event of Default) shall have

occurred and be continuing, the Security Trustee shall, subject to the cure rights of the Owner Trustee under Section 6.4 hereof, not exercise any remedy hereunder against the Collateral unless the Security Trustee shall have first commenced the exercise of, and concurrently shall be diligently pursuing against the Lessee, one or more of the significant remedies available under the Lease in a good faith commercially reasonable manner, unless the Security Trustee shall be stayed or otherwise prevented by operation of law from the exercise of such remedies under the Lease; provided, however, that if (a) if Subchapter IV (relating to railroad reorganizations) of Chapter 11 of the Bankruptcy Reform Act of 1978, as amended, (the "Bankruptcy Code"), is applicable to a case filed by the Lessee under such Chapter 11, which Subchapter IV, the parties hereto understand, is not applicable to Lessee on the date hereof, and (b) the Security Trustee is so stayed or prevented by operation of law as a result of Lessee filing such a case, then the Security Trustee will not foreclose the lien of this Agreement in response to such Lease Event of Default and the resulting Event of Default hereunder (i) until two Business Days following the expiration of the 60-day period provided for in Section 1168 of the Bankruptcy Code for the trustee in bankruptcy to agree to perform all obligations under the Lease (or such later date to which the expiration of such period shall be extended with the prior written consent of the Security Trustee) or (ii) if, within such 60-day period, the trustee in bankruptcy agrees to perform all of Lessee's obligations under the Lease and to effect a cure for any outstanding Events of Default as provided in such Section 1168 and such trustee cures all outstanding Events of Default prior to the later of (1) 30 days after the date of each such Event of Default and (2) the expiration of such period, and such cure is continuing. Upon the occurrence of a Lease Event of Default, prior to taking any unilateral action hereunder or under the Lease that may materially and adversely affect the interests of the Owner Trustee or the Beneficial Owner, the Security Trustee will give the Owner Trustee and the Beneficial Owner a reasonable opportunity to consult with the Security Trustee and the Holders and to propose solutions to the circumstances of such Lease Event of Default. In response to any such proposals, the Security Trustee (as directed by (x) so long as any Series A Certificates remain outstanding, Holders of Certificates representing more than 66-2/3% of the aggregate principal amount of Certificates then outstanding and (y) thereafter, the Majority Holders) will thereafter use reasonable efforts, in good faith and in a manner not inconsistent with the interests of the Holders, to mitigate any material and adverse

effect on the interests of the Owner Trustee and the Beneficial Owner in connection with any such action to be taken by the Security Trustee in respect of such default.

If, after the occurrence and during the continuance of an Event of Default, but prior to any sale or lease as provided in clause (d) hereof, or the making of a contract therefor, or within ten days after the Security Trustee shall have notified the Owner Trustee of its intention to take possession or sell the Collateral, or prior to the Security Trustee taking any unilateral action referred to in the immediately preceding paragraph, the Owner Trustee should tender full payment of the total unpaid principal of all the Certificates then outstanding, together with interest thereon accrued and unpaid and all other amounts due under this Agreement as well as all proper expenses of the Security Trustee incurred in taking possession of, storing, preparing the Equipment for, and otherwise arranging for, the sale or leasing of the Collateral, or taking such unilateral action, then in such event absolute right to the possession of and ownership of the Collateral shall pass to and vest in the Owner Trustee.

Upon any taking possession or sale of the Collateral pursuant to clause (d) hereof, the Owner Trustee shall cease to have any rights in respect of the Collateral hereunder, but all such rights shall be deemed thenceforth to have been waived and surrendered by the Owner Trustee, and no payments theretofore made by the Owner Trustee in respect of the Collateral or any of it shall give to the Owner Trustee any legal or equitable interest or title in or to the Collateral or any of it or any cause or right of action at law or in equity in respect of the Collateral against the Security Trustee or the Holders. No such taking possession or sale of the Collateral or any of it by the Security Trustee shall be a bar to the recovery by the Security Trustee from the Owner Trustee of payments then or thereafter due and payable, and the Owner Trustee (subject to the provisions of section 5.2 hereof) shall be and remain liable for the same until such sums shall have been received by the Security Trustee as, with the proceeds of the sale of the Collateral, shall be sufficient for the discharge and payment in full of all the obligations of the Owner Trustee hereunder (other than interest not then accrued), whether or not they shall have then matured.

SECTION 6.3. Application of Proceeds. If an Event of Default shall occur and be continuing and the Security Trustee shall exercise any of the powers conferred upon it by

sections 6.1 and 6.2 hereof, all payments made by the Owner Trustee to the Security Trustee hereunder after such Event of Default, and the proceeds of any judgment collected hereunder from the Owner Trustee by the Security Trustee, and the proceeds of every sale by the Security Trustee of any of the Collateral, together with any other sums which may then be held by the Security Trustee under any of the provisions hereof, shall be applied by the Security Trustee to the payment in the following order of priority: (a) of all proper charges, expenses or advances made or incurred by the Security Trustee in discharge of its duties hereunder, (b) of the interest then due, with interest on overdue interest at the rate per annum set forth in the form of Certificate annexed hereto for overdue payments, to the extent legally enforceable, and (c) of the principal of all the outstanding Certificates, with interest thereon at such rate for overdue payments to the extent legally enforceable from the last date on which interest was due, whether such Certificates shall have then matured by their terms or not.

If after applying all such sums of money realized by the Security Trustee as aforesaid there shall remain any amount due to the Security Trustee under the provisions hereof, the Owner Trustee (subject to the provisions of the section 5.2 hereof) shall pay the amount of such deficit to the Security Trustee. If after applying as aforesaid the sums of money realized by the Security Trustee there shall remain a surplus in the possession of the Security Trustee, such surplus shall be paid to the Owner Trustee.

SECTION 6.4. Right to Cure Defaults. If the Lessee shall fail to make any payment (other than in respect of any Excluded Interests) under the Lease or the Rent Agreement when the same shall have become due, and such failure shall not constitute the fourth consecutive or fifth cumulative failure, or the Lessee shall have failed to keep in force the insurance required by the Lease, the Security Trustee, as and when it shall have knowledge of such failure, shall promptly notify the Owner Trustee thereof. If and so long as no other Event of Default (including, but not limited to, an Event of Default specified in clause (b) of section 6.1 hereof) shall have occurred and be continuing, the Owner Trustee may (but need not) within five days of such notice make such payments, together with interest due thereon on account of any delay in such payment, or restore such insurance, and such payment or restoration shall be deemed to cure any Event of Default which arose or would have arisen from such failure by the Lessee.

SECTION 6.5. Enforcement of Claims Without Possession of Certificates. All rights of action and rights to assert claims under this Agreement, or under any of the Certificates, may be enforced by the Security Trustee without the possession of such Certificates on any trial or other proceedings instituted by the Security Trustee, and any such trial or other proceedings shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be for the ratable benefit of the Holders. In any proceedings brought by the Security Trustee (and also any proceedings involving the interpretation of any provision of this Agreement to which the Security Trustee shall be a party) the Security Trustee shall be held to represent all the Holders, and it shall not be necessary to make any Holders parties to such proceedings.

SECTION 6.6. Rights and Remedies Cumulative; No Waiver. Each and every right, power and remedy herein specifically given to the Security Trustee under this Agreement shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Security Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Security Trustee in the exercise of any right, remedy or power or in the pursuance of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Beneficial Owner, the Owner Trustee or the Lessee or to be an acquiescence therein. No waiver in respect of any Event of Default shall extend to any subsequent or other Event of Default. The acceptance of partial payment by any Holder shall not constitute a waiver of full payment or constitute an accord or satisfaction.

SECTION 6.7. Restoration of Rights and Remedies. In case the Security Trustee shall have proceeded to enforce any right, power or remedy under this Agreement by foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Security Trustee, then and in every such case the Beneficial Owner, the Owner Trustee, the Security Trustee and the Lessee shall be restored to their former positions and rights hereunder with respect to

the Collateral, and all rights, remedies and powers of the Security Trustee shall continue as if no such proceedings had been taken.

SECTION 6.8. Rescission and Annulment. If at any time after the principal of the Certificates shall have become so due and payable by declaration by the Security Trustee, and before any judgment or decree for the payment of the money so due, or any thereof, shall be entered, all arrears of interest upon the Certificates and all other sums payable under the Certificates (except the principal of and premium, if any, on the Certificates which by such declaration shall have become payable) shall have been duly paid, and every other default and Event of Default with respect to any covenant or provision of this Agreement shall have been made good or cured, then and in every such case the Security Trustee's declaration and its consequences may, by request of the Majority Holders filed with the Security Trustee, be rescinded and annulled; but no such rescission or annulment shall extend to or affect any subsequent default or Event of Default with respect to such series or impair any right consequent thereon.

ARTICLE SEVEN
THE SECURITY TRUSTEE

SECTION 7.1. Creation of Trust. The Security Trustee accepts the trusts hereby created and the duties applicable to it set forth herein and agrees to perform the same, but only upon the terms of this Agreement.

The Security Trustee shall:

(a) authenticate and exchange Certificates in accordance with the terms of Articles Two and Three hereof;

(b) receive, invest, and disburse in accordance with the terms hereof and of the Participation Agreement all proceeds of the sale of Certificates and all amounts payable by the Owner Trustee or the Lessee or for the account of either of them hereunder and in respect of the Certificates;

(c) distribute to the Holders copies of all financial statements, reports, and notices received by it as trustee hereunder (except to the extent that the Lessee

is required to deliver statements or reports directly to such Holders);

(d) take such action, or refrain from taking such action, with respect to an Event of Default as the Security Trustee shall be instructed by the Majority Holders; and

(e) perform all other acts and duties required to be performed by the Security Trustee by the terms of this Agreement.

The Security Trustee acts hereunder solely as trustee herein and not in any individual capacity. All persons having any claim against the Security Trustee arising from matters relating to the Certificates by reason of the transactions contemplated hereby shall, subject to the lien and priorities of payment as herein provided, look only to the Collateral for payment or satisfaction thereof. The Security Trustee represents and warrants that as of the date hereof, it has a combined capital and surplus of at least \$100,000,000.

SECTION 7.2. Implied Duties. No implied duties or obligations shall be read into this Agreement against the Security Trustee, the duties and obligations of the Security Trustee being determined solely by the express provisions of this Agreement.

The Security Trustee shall not have any duty or obligation to manage, control, use, sell, operate, store, lease, dispose of or otherwise deal with the Equipment or any other part of the Collateral or otherwise to take or refrain from taking any action under, or in connection with, this Agreement or any other document or any other action with respect to such Equipment except as expressly provided by the terms of this Agreement or as expressly provided in instructions of the Majority Holders.

SECTION 7.3. Care. The Security Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in such exercise, as a financial expert would exercise or use under the circumstances in the conduct of his own affairs.

SECTION 7.4. Holdings of Certificates. In determining whether the Holders of the requisite principal amount of Certificates outstanding have given any request or notice under this Agreement, Certificates owned by the Owner Trus-

tee, the Beneficial Owner, the Lessee, the Security Trustee, or any entity owning or controlling directly or indirectly, 50% of the voting shares of any thereof or controlled by or under common control with any thereof shall be disregarded and deemed not to be outstanding unless all of the Certificates are as of the date of determination owned by any one or more of such entities. In determining whether the Security Trustee shall be protected in relying upon any such request or notice, only Certificates that the Security Trustee knows to be so owned shall be disregarded.

SECTION 7.5. Attribution of Knowledge; Notice. In the absence of actual knowledge, the Security Trustee shall not be deemed to have knowledge of a Default, except the failure of the Lessee to make any payment of regular and periodic payments on the Lease and the Rent Agreement when the same shall become due.

If the Security Trustee shall have actual knowledge of a Default, the Security Trustee shall give prompt written notice thereof and of the steps being taken to cure such Default to the Owner Trustee, the Lessee, and each Holder unless such Default shall have been remedied before the giving of such notice.

SECTION 7.6. Errors; Reliance. The Security Trustee shall not be liable for any error of judgment made in good faith, unless the Security Trustee shall be negligent in ascertaining the pertinent facts or such action or inaction shall be contrary to the express provisions of this Agreement.

The Security Trustee may rely on any resolution, certificate, statement, opinion, report, notice, request, certificate or other instrument or document reasonably believed by the Security Trustee to be genuine.

The Security Trustee may consult with counsel reasonably believed by the Security Trustee to be competent in the matters in question, and may rely on any opinion of such counsel in taking any action in good faith not contrary to the express provisions of this Agreement.

The Security Trustee shall not be liable for any action taken or omitted to be taken in good faith in accordance with the direction of the Holders of the requisite percentage of principal amount of Certificates specified for such action in this Agreement.

SECTION 7.7. Limitations on Duties. The Security Trustee shall not manage, control, use, sell, operate, store, lease, dispose of or otherwise deal with the Equipment or any other part of the Collateral except in accordance with the powers granted to, or the authority conferred upon, the Security Trustee pursuant to this Agreement, or in accordance with the instructions of the Majority Holders.

In case of an Event of Default, if the Security Trustee shall not have received instructions from the requisite number of Holders of Certificates as provided herein within 20 days after furnishing notice of such Event of Default to the Holders, the Security Trustee may, subject to instructions thereafter received pursuant to the preceding sentence, take such action, or refrain from taking such action, but shall be under no duty to take or refrain from taking any action, with respect to such Event of Default or event as it shall deem advisable in the best interests of the Holders.

The Security Trustee shall not be required to take any action pursuant to instructions of the Holders nor shall any other provision of this Agreement be deemed to impose a duty on the Security Trustee to take any action, if the Security Trustee shall have been advised by counsel that such action is contrary to the terms hereof or is otherwise contrary to law.

The Security Trustee shall not be required to take or refrain from taking for the benefit of the Holders any action under Article Six hereof (except the giving of the written notice declaring this Agreement be in default pursuant to the terms hereof) unless the Security Trustee shall have been indemnified by such Holders, in manner and form satisfactory to the Security Trustee, against any liability, cost or expense (including counsel fees) that may be incurred in connection therewith.

SECTION 7.8. Disclaimer. The Security Trustee makes no representation or warranty as to the accuracy of any recital set forth herein or the value, condition, merchantability or fitness for use of the Equipment or any other part of the Collateral or as to the title thereto, or any other representation or warranty with respect to the Equipment or any other part of the Collateral whatsoever.

SECTION 7.9. Resignation and Removal of Security Trustee; Appointment of Successor; Co-Security Trustees. The Security Trustee or any successor thereto may resign at any

time without cause by giving at least 30 days' prior written notice to the Owner Trustee, the Beneficial Owner, the Lessee, and each Holder. Such resignation shall be effective on the date of appointment of a successor trustee as hereinafter provided. In addition, the Security Trustee may be removed at any time without cause by notice of the Majority Holders delivered to the Security Trustee, and the Security Trustee shall promptly give notice thereof to each Holder.

In the case of the resignation or removal of the Security Trustee, a successor trustee may be appointed by the Majority Holders. If a successor trustee shall not have been appointed within 30 days after such notice of resignation or removal, the Security Trustee or any Holder may apply to any court of competent jurisdiction to appoint a successor to act until such time, if any, as a successor shall have been appointed as above provided. Any successor so appointed by such court shall immediately and without further act be superseded by any successor thereafter appointed within one year from the date of the appointment by such court.

Any successor trustee, however appointed, shall execute and deliver to its predecessor and to the Owner Trustee an instrument accepting such appointment, and thereupon such successor, without further act, shall become vested with all the estate, properties, right, powers, duties, and trusts of its predecessor hereunder in the trusts under this Agreement applicable to it with like effect as if originally named as the Security Trustee herein; but nevertheless upon the written request of such successor trustee its predecessor shall execute and deliver an instrument transferring to such successor trustee, upon the trusts herein expressed applicable to it, all the estates, properties, rights, powers, and trusts of such predecessor under this Agreement, and such predecessor shall duly assign, transfer, deliver and pay over to such successor trustee any property or amounts then held by such predecessor under this Agreement.

Any successor trustee, however appointed, shall be a bank or trust company organized under the laws of the United States or any jurisdiction thereof having a combined capital and surplus of at least \$100,000,000, if there be such an institution willing, able, and legally qualified to perform the duties of the Security Trustee hereunder upon reasonable or customary terms.

Any corporation or national banking association into which the Security Trustee may be merged or converted or with which it may be consolidated, or any corporation or

national banking association resulting from or surviving any merger, conversion or consolidation to which the Security Trustee shall be a party, or any corporation to which substantially all the corporate trust business of the Security Trustee may be transferred, shall, subject to the terms of the next preceding paragraph, be the Security Trustee under this agreement without further act.

At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Collateral may at the time be located, the Security Trustee shall have power to appoint one or more individuals, corporations, associations or trusts to act as co-trustee of all or any part of such Collateral or to act as separate trustee of any property constituting part thereof, in either case with such powers as may be provided in the instrument of appointment, and to vest in such co-trustee or separate trustee any property, title, right or power deemed necessary or desirable in the circumstances.

SECTION 7.10. Intermingling of Funds. All amounts received by the Security Trustee under or pursuant to any of the provisions of this agreement need not be segregated in any manner from any other amounts except to the extent required by law and may be deposited under such conditions as may be prescribed or permitted by law, so long as such amounts shall be properly accounted for by the Security Trustee and identified as to the source thereof.

SECTION 7.11. Compensation. The Security Trustee shall be entitled to reasonable compensation for its services hereunder and for expenses, including counsel fees, incurred in connection therewith, all of which shall be paid by the Lessee as Supplemental Rent pursuant to the Lease.

SECTION 7.12. Expiry of Trust. The trust created by this Agreement shall terminate and the duties of the Security Trustee hereunder shall cease upon the payment of all the principal and interest on the Certificates, the discharge by the Owner Trustee of all of its obligations hereunder, and the delivery by the Security Trustee of documents evidencing the same contemplated by section 1.5 hereof. Any amounts held by the Security Trustee at such termination shall be paid over to the Owner Trustee.

SECTION 7.13. Representations and Warranties. The Security Trustee, in its individual capacity, represents and warrants that:

(a) The Security Trustee is a trust company, validly existing and in good standing under the laws of the jurisdiction of its incorporation, and has the corporate power and authority to enter into and perform its obligations under this Agreement;

(b) this Agreement has been duly authorized, executed, and delivered by the Security Trustee, in its individual capacity, and assuming due authorization, execution, and delivery by the other parties hereto, is a valid and binding obligation of the Security Trustee, in its individual capacity; and

(c) the execution, delivery and performance by the Security Trustee, in its individual capacity, of this Agreement is not inconsistent with the Security Trustee's articles of incorporation or by-laws, do not contravene any law, governmental rule or regulation, judgment or order applicable to the Security Trustee, in its individual capacity, and do not contravene any provision of, or constitute a default under, any indenture, mortgage, contract or other instrument to which the Security Trustee, in its individual capacity, is a party or by which it is bound, or require the consent or approval of, or giving of notice to, registration with, or taking of any action in respect of or by, any federal, state, or local governmental authority or agency under any federal or Maryland law in each case governing the trust powers of the Security Trustee, in its individual capacity, except such as have been, or on or before the first Settlement Date will have been, obtained.

MERIDIAN TRUST COMPANY, a Pennsylvania trust company, not in its individual capacity, but solely as Owner Trustee (in such capacity hereinafter called the Owner Trustee), acting as trustee under the Trust Agreement dated as of December 1, 1990, with CARGILL LEASING CORPORATION, a Delaware corporation, hereby promises to pay to

the principal amount of
\$

in installments as hereinafter provided, and interest on the unpaid principal balance thereof at a rate per annum equal to 9.56% from the date of this Certificate to the date payment in full of the principal amount of this Certificate is made. Principal and interest payments shall be made in installments as set forth on the schedule attached hereto, subject to adjustment as provided in the Equipment Trust Agreement referred to below.

Interest payable from the date of this Certificate to June 20, 1991, shall be computed on the basis of a 360-day year of twelve 30-day months with actual days elapsed in any partial month. Interest payable thereafter shall be calculated on the basis of a 360-day year of twelve 30-day months. This Certificate shall bear interest, payable only from the

funds designated below, at a rate equal to 1% per annum above the interest rate specified above, from the date such overdue payment was originally due to the date of payment.

This Certificate has been issued under and pursuant to the Equipment Trust Agreement dated as of December 1, 1990 (hereinafter called the Agreement), between the Owner Trustee and Mercantile-Safe Deposit and Trust Company (hereinafter called the Security Trustee) and is one of a duly authorized issue of Series A Certificates due June 20, 2003, limited to the aggregate principal amount of \$20,250,000 except as otherwise provided in the Agreement, and except as required by § 8-405 of the New York Uniform Commercial Code (relating to replacement of lost Certificates). The Agreement also provides for the issuance of Series B Certificates due June 20, 2009, limited to the aggregate principal amount of \$27,860,000 except as otherwise provided in the Agreement, and except as required by such § 8-405. Reference is hereby made to the Agreement for a statement of the rights of the holders of, and the nature and extent of the security for, this Certificate.

All payments of principal, premium, if any, and interest to be made by the Owner Trustee on this Certificate shall, except to the extent expressly provided in the Participation Agreement (as defined in the Agreement), be non-recourse to the Beneficial Owner (as defined in the Agreement) and shall be made only from the income or proceeds from the Collateral (as defined in the Agreement) and the registered holder or other holder hereof, by its acceptance of this Certificate, agrees that, except as provided above, it will look solely to the income and proceeds from the Collateral to the extent available for distribution to the registered holder hereof as above provided and that neither the Owner Trustee, either in its individual or trust capacities, nor the Security Trustee nor the Beneficial Owner (except to the extent expressly provided in the Participation Agreement) shall be personally liable to the holder hereof for any amounts payable under the Agreement or under this Certificate or, except as provided in Articles Five and Seven of the Agreement, for any liability under the Agreement.

Principal, premium, if any, and interest shall be payable in immediately available federal funds at the office of the Security Trustee in Baltimore, Maryland.

As set forth in the Agreement, if one or more units of Equipment suffers a Casualty Occurrence (as defined in the Agreement), then this Certificate will be subject to man-

datory prepayment as a whole, or in part, without premium, but with accrued interest to the date fixed for prepayment, all as provided in the Agreement. On and after June 20, 1995, this Certificate may be prepaid in whole or in part, with the premium, if any, then payable upon such prepayment, all as provided in Article Four of the Agreement.

In case an Event of Default under the Agreement (as defined in the Agreement) shall occur and be continuing, the unpaid principal of this Certificate together with accrued interest hereon may become or be declared due and payable in the manner, with the effect and subject to the conditions, provided in the Agreement.

This Certificate is transferable by the registered holder thereof, or by its attorney duly authorized in writing, only on the register maintained at the office of the Security Trustee and only upon surrender and cancellation of this Certificate and compliance with the conditions of the Agreement.

No recourse shall be had for the payment of the principal of or the interest on this Certificate, for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Agreement or any agreement supplemental thereto, against any incorporator, shareholder, officer or director, as such, past, present or future, of the Lessee

MERIDIAN TRUST COMPANY, a Pennsylvania trust company, not in its individual capacity, but solely as Owner Trustee (in such capacity hereinafter called the Owner Trustee), acting as trustee under the Trust Agreement dated as of December 1, 1990, with CARGILL LEASING CORPORATION, a Delaware corporation, hereby promises to pay to

the principal amount of

\$ _____
in installments as hereinafter provided, and interest on the unpaid principal balance thereof at a rate per annum equal to 10.07% from the date of this Certificate to the date payment in full of the principal amount of this Certificate is made. Principal and interest payments shall be made in installments as set forth on the schedule attached hereto, subject to adjustment as provided in the Equipment Trust Agreement referred to below.

Interest payable from the date of this Certificate to June 20, 1991, shall be computed on the basis of a 360-day year of twelve 30-day months with actual days elapsed in any partial month. Interest payable thereafter shall be calculated on the basis of a 360-day year of twelve 30-day months. This Certificate shall bear interest, payable only from the

funds designated below, at a rate equal to 1% per annum above the interest rate specified above, from the date such overdue payment was originally due to the date of payment.

This Certificate has been issued under and pursuant to the Equipment Trust Agreement dated as of December 1, 1990 (hereinafter called the Agreement), between the Owner Trustee and Mercantile-Safe Deposit and Trust Company (hereinafter called the Security Trustee) and is one of a duly authorized issue of Series B Certificates due June 20, 2009, limited to the aggregate principal amount of \$27,860,000 except as otherwise provided in the Agreement, and except as required by § 8-405 of the New York Uniform Commercial Code (relating to replacement of lost Certificates). The Agreement also provides for the issuance of Series A Certificates due June 20, 2003, limited to the aggregate principal amount of \$20,250,000 except as otherwise provided in the Agreement, and except as required by such § 8-405. Reference is hereby made to the Agreement for a statement of the rights of the holders of, and the nature and extent of the security for, this Certificate.

All payments of principal, premium, if any, and interest to be made by the Owner Trustee on this Certificate shall, except to the extent expressly provided in the Participation Agreement (as defined in the Agreement), be non-recourse to the Beneficial Owner (as defined in the Agreement) and shall be made only from the income or proceeds from the Collateral (as defined in the Agreement) and the registered holder or other holder hereof, by its acceptance of this Certificate, agrees that, except as provided above, it will look solely to the income and proceeds from the Collateral to the extent available for distribution to the registered holder hereof as above provided and that neither the Owner Trustee, either in its individual or trust capacities, nor the Security Trustee nor the Beneficial Owner (except to the extent expressly provided in the Participation Agreement) shall be personally liable to the holder hereof for any amounts payable under the Agreement or under this Certificate or, except as provided in Articles Five and Seven of the Agreement, for any liability under the Agreement.

Principal, premium, if any, and interest shall be payable in immediately available federal funds at the office of the Security Trustee in Baltimore, Maryland.

As set forth in the Agreement, if one or more units of Equipment suffers a Casualty Occurrence (as defined in the Agreement), then this Certificate will be subject to man-

datory prepayment as a whole, or in part, without premium, but with accrued interest to the date fixed for prepayment, all as provided in the Agreement. On and after June 20, 1995, this Certificate may be prepaid in whole or in part, with the premium, if any, then payable upon such prepayment, all as provided in Article Four of the Agreement.

In case an Event of Default under the Agreement (as defined in the Agreement) shall occur and be continuing, the unpaid principal of this Certificate together with accrued interest hereon may become or be declared due and payable in the manner, with the effect and subject to the conditions, provided in the Agreement.

This Certificate is transferable by the registered holder thereof, or by its attorney duly authorized in writing, only on the register maintained at the office of the Security Trustee and only upon surrender and cancellation of this Certificate and compliance with the conditions of the Agreement.

Subject to payment by the Owner Trustee to the Security Trustee of a sum sufficient to pay the amount due on prepayment, interest on this Certificate (or portion hereof if this Certificate is prepaid in part) shall cease to accrue upon the date duly fixed for prepayment of this Certificate (or portion hereof if this Certificate is prepaid in part).

The Owner Trustee, the Security Trustee, and any authorized agent of the Owner Trustee or the Security Trustee, may deem and treat the registered holder hereof as the absolute owner of this Certificate (whether or not this Certificate shall be overdue and notwithstanding any notation of ownership or other writing hereon made by anyone other than the Owner Trustee or the Security Trustee or any authorized agent of the Owner Trustee or the Security Trustee), for the purpose of receiving payment of, or on account of, the principal hereof and, subject to the provisions on the face hereof, interest hereon and for all other purposes, and neither the Owner Trustee nor the Security Trustee nor any authorized agent of the Owner Trustee or the Security Trustee shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or the interest on this Certificate, for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Agreement or any agreement supplemental thereto, against any incorporator, shareholder, officer or director, as such, past, present or future, of the Lessee
