The Lessor agrees that promptly on receipt thereof, it will transfer to the Indenture Trustee any and all monies from time to time received by it constituting part of the Indenture Estate, for distribution by the Indenture Trustee pursuant to this Indenture.

The Lessor agrees that at any time and from time to time, upon the written request of the Indenture Trustee, the Lessor will promptly and duly execute and deliver or cause to be executed and delivered any and all such further instruments and documents as the Indenture Trustee may reasonably request in order to obtain the full benefits of this assignment and of the rights and powers herein granted.

The Lessor does hereby warrant and represent that, except for the Lessor Security Agreement, it has not assigned or pledged, and hereby covenants that it will not assign or pledge, so long as the assignment hereunder shall remain in effect, any of its right, title or interest hereby assigned, to anyone other than the Indenture Trustee, and that it will not, except as provided in or permitted by this Indenture, accept any payment from the Lessee constituting part of the Indenture Estate, or, except with respect to Excepted Interests, enter into an agreement amending or supplementing any of the Operative Documents, execute any waiver or modification of, or consent under the terms of any of the Operative Documents, settle or compromise any claim against the Lessee arising under any of the Operative Documents, or submit or consent to the submission of any dispute, difference or other matter arising under or in respect of any of the Operative Documents to arbitration thereunder.

The Lessor does hereby unconditionally agree with the Indenture Trustee and for the benefit of the Indenture Trustee and the Indenture Estate that the Lessor will not directly or indirectly create, incur, assume or suffer to exist any Lessor's Liens on or against any part of the Indenture Estate arising out of any act or omission of or claim against the Lessor, and the Lessor agrees that it will, at its own cost and expense, take such action as may be necessary to duly discharge and satisfy in full any such Lessor's Lien (by bonding or otherwise, so long as Lessee's operation

and use of the Items of Equipment and the Lien of the Indenture Trustee are not impaired); provided that the Lessor may contest any such Lessor's Lien in good faith by appropriate proceedings so long as such proceedings do not involve any material danger of the sale, forfeiture or loss of the Items of Equipment or any interest therein and do not interfere with the use, operation, or possession of the Items of Equipment by the Lessee under the Lease or the rights of the Indenture Trustee under this Indenture.

The parties hereto hereby agree that the Indenture Estate is constituted solely for the purpose of acting as a security trust in respect of the Items of Equipment, and, except as expressly set forth in Section 2.10(c) hereof, the Indenture Trustee is not authorized or empowered to acquire any other investment or engage in any other activity and, in particular, the Indenture Trustee is not authorized or empowered in the absence of an Indenture Event of Default or a Discharge and Conversion to acquire any Item of Equipment.

IT IS HEREBY COVENANTED AND AGREED by and between the parties hereto as follows:

Section 2.02. Terms of Equipment Notes. There shall be issued and delivered to the Vendor Equipment Notes in the principal amounts set forth in Exhibit B hereto, which shall evidence the loan made by the Vendor in connection with the purchase of the Items of Equipment by the Lessor, each such Equipment Note to be substantially in the form set forth

in Section 2.01, with deletions and insertions as appropriate, duly authenticated by the Indenture Trustee and dated the Closing Date. The receipt by the Indenture Trustee of such executed Equipment Notes and a written request from the Lessor shall constitute authorization to the Indenture Trustee to authenticate such Equipment Notes. The Vendor shall be entitled to receive on the Closing Date a single Equipment Note in a principal amount equal to the purchase price paid therefor by the Vendor pursuant to Section 2(b) of the Debt Participation Agreement.

The principal amount of and interest on each Equipment Note issued pursuant to the provisions of this Indenture shall be payable as set forth in the form thereof contained in Section 2.01 and Annex A. Interest accrued on the Equipment Notes shall be computed on the basis of a 360-day year of twelve 30-day months on the principal amount thereof remaining unpaid from time to time from and including the date thereof to but excluding the date of payment. The Lessor shall furnish to the Indenture Trustee a copy of each Equipment Note issued pursuant to the provisions of this Indenture.

Each Equipment Note outstanding hereunder shall be identical in respect of payment dates. All Equipment Notes shall be identical (including in respect of amortization schedules) except in respect of principal amount thereof.

No Equipment Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless it shall have been authenticated by or on behalf of the Indenture Trustee by manual signature.

Section 2.03. Payment from Indenture Estate Only. All payments to be made under the Equipment Notes and this Indenture shall be made only from the income and the proceeds from the Indenture Estate and only to the extent that the Indenture Trustee shall have received sufficient income or proceeds from the Indenture Estate to make such payments in accordance with the terms of Article III hereof. Each holder of an Equipment Note, by its acceptance of such Equipment Note, agrees that it will look solely to the income and proceeds from the Indenture Estate to the extent available for distribution to such holder as herein provided and that neither the Lessor nor the Indenture Trustee is or shall be personally liable to the holder of any Equipment Note for any amount payable under such Equipment Note or this Indenture.

Section 2.04. Method of Payment. (a) The principal of and premium, if any, and interest on each Equipment Note will be payable in U.S. Dollars in immediately available funds at the principal corporate trust administration office of the Indenture Trustee or as otherwise directed in the manner provided herein by 1:00 p.m. (New York City time) on the date payment thereof is due. Notwithstanding the foregoing or any provision in any Equipment Note to the contrary, the Indenture Trustee will pay, or cause to be paid, if so requested by any holder of an Equipment Note by written notice to the Lessor and the Indenture Trustee, all amounts payable by the Lessor hereunder to such holder or a nominee therefor either (i) by transferring by wire in immediately available funds to an account maintained by such holder with a bank in the United States the amount to be distributed to such holder or (ii) by mailing a check denominated in U.S. Dollars to such holder at such address as such holder shall have specified in such notice, in any case without any presentment or surrender of any Equipment Note, except that the holder of an Equipment Note shall surrender such Equipment Note to the Indenture Trustee upon payment in full of the principal amount of and interest on such Equipment Note and such other sums payable to such holder hereunder or under the Equipment Note.

(b) Whenever the date scheduled for any payment to be made hereunder or under any Equipment Note shall not be a Business Day, then such payment need not be made on such scheduled date but may be made on the next preceding Business Day with the same force and effect as if made on such scheduled date.

Section 2.05. Application of Payments to Principal Amount and Interest. In the case of each Equipment Note, each payment of principal thereof and premium, if any, and interest thereon shall be applied, first, to the payment of accrued but unpaid interest on such Equipment Note then due thereunder (including any interest on overdue principal, premium, if any, and, to the extent legally enforceable, interest on such Equipment Note), second, to the payment of the unpaid principal amount of such Equipment Note then due thereunder (which, in the case of any partial prepayment pursuant to Section 2.10(b) hereof, shall be applied toward the pro rata reduction of all remaining installments of principal on such Equipment Note) and third, to the payment of any premium then due thereon, or, in the event of a prepayment, as may otherwise be agreed.

Section 2.06. Termination of Interest in Indenture Estate. A holder shall have no further interest in, or other

right with respect to, the Indenture Estate when and if the principal amount of and interest on all Equipment Notes held by such holder and all other sums payable to such holder hereunder and under such Equipment Notes and under the Debt Participation Agreement shall have been paid in full.

Section 2.07. Transfer of Equipment Notes. The Indenture Trustee shall maintain at its corporate trust administration office at Rodney Square North, Wilmington, Delaware or in the city in which the corporate trust office of a successor Indenture Trustee is located, a register for the purpose of registering transfers and exchanges of Equipment Notes. A holder of an Equipment Note intending to transfer such Equipment Note to a new payee, or to exchange any Equipment Note or Equipment Notes held by it for an Equipment Note or Equipment Notes of a different denomination or denominations, may surrender such Equipment Note or Equipment Notes to the Indenture Trustee at such principal corporate trust administration office of the Indenture Trustee, together with a written request from such holder for the issuance of a new Equipment Note or Equipment Notes, specifying the denomination or denominations (each of which shall be not less than \$1,000,000 or such smaller denomination as may be necessary due to the original issuance of Equipment Notes of the applicable maturity in an aggregate principal amount not evenly divisible by \$1,000,000) of the same, and, in the case of a surrender for registration of transfer, the name and address of the transferee or transferees. Promptly upon receipt of such documents, the Lessor will issue, and the Indenture Trustee will authenticate, a new Equipment Note or Equipment Notes in the same aggregate principal amount and dated the same date or dates and of the same series, with the same payment schedule, in the form set forth in Section 2.01 in the same maturity and bearing the same interest rate as, the Equipment Note or Equipment Notes surrendered, in such denomination or denominations and payable to such payee or payees as shall be specified in the written request from such holder. All Equipment Notes issued upon any registration of transfer or exchange of Equipment Notes shall be the valid obligations of the Lessor evidencing the same respective obligations, and entitled to the same security and benefits under this Indenture, as the Equipment Notes surrendered upon such registration of transfer or exchange. The Indenture Trustee shall make a notation on each new Equipment Note or Equipment Notes of the amount of all payments or prepayments of principal and interest previously made on the old Equipment Note or Equipment Notes with respect to which such new Equipment Note or Equipment Notes is or are issued. From time to time, the Indenture Trustee

will provide the Lessor and the Lessee with such information as it may request as to the registered holders of Equipment Notes. The Lessor shall not be required to exchange any surrendered Equipment Notes as above provided during the 5 Business Day period preceding the due date of any payment on such Equipment Notes.

Prior to the due presentment for registration of transfer of an Equipment Note, the Lessor and the Indenture Trustee shall deem and treat the registered holder of such Equipment Note as the absolute owner and holder of such Equipment Note for the purpose of receiving payment of all amounts payable with respect to such Equipment Note and for all other purposes and shall not be affected by any notice to the contrary.

The Indenture Trustee will promptly notify the Lessor and the Lessee of each request for a registration of transfer of an Equipment Note. The Indenture Trustee will promptly cancel and destroy all Equipment Notes surrendered for transfer pursuant to this Section.

The Equipment Notes may not be held by or transferred to any Person residing in Barbados other than CCG Equipment Limited and CIEL Caribbean International Equipment Ltd.

Notwithstanding anything herein to the contrary, any transferee of an Equipment Note shall, as a condition to such transfer, make in writing a representation and covenant identical to that contained in Section 8(a)(vi), (vii), (viii), (x) and clause (a) of Section 8(a)(ix) and, if the Indenture Trustee does not receive such written representation, it shall so notify the Vendor or other party attempting to transfer the Equipment Note in writing and it shall therein advise the Vendor or other party attempting to transfer the Equipment Note that, pursuant to the requirements of this sentence, it will not register such Equipment Note for transfer; provided that the provisions of Section 8(a)(vii), (viii) and (x) shall not apply to any holder that is a "domestic corporation" within the meaning of Treasury Regulation §301.7701-5 promulgated under Section 7701 of the Code; and provided, further, that the provisions of Section 8(a)(viii) and (x) of the Debt Participation Agreement shall not apply to a "resident foreign corporation" within the meaning of the above-cited Treasury Regulation and which is subject to tax in respect of the income under its Equipment Notes in full under Section 882 of the Code and which duly delivers a form 4224 with respect thereto. Any successor or

assign of a holder shall, without further act, be bound by Section 8(a)(vi) of the Debt Participation Agreement as if it were the party referred to therein.

Section 2.08. Mutilated, Destroyed, Lost or Stolen Equipment Notes. If any Equipment Note shall become mutilated, destroyed, lost or stolen, the Lessor shall, upon the written request of the holder of such Equipment Note, issue, and the Indenture Trustee shall authenticate and deliver in replacement thereof, a new Equipment Note in the form set forth in Section 2.01, payable to the same holder in the same principal amount, dated the same date, of the same maturity, with the same payment schedule, bearing the same interest rate and dated the same date as the Equipment Note so mutilated, destroyed, lost or stolen. If the Equipment Note being replaced has become mutilated, such Equipment Note shall be surrendered to the Indenture Trustee and forwarded to the Lessor by the Indenture Trustee. If the Equipment Note being replaced has been destroyed, lost or stolen, the holder of such Equipment Note shall furnish to the Lessor and the Indenture Trustee such security or indemnity as may be required by them to save the Lessor and the Indenture Trustee harmless and evidence satisfactory to the Lessor and the Indenture Trustee of the destruction, loss or theft of such Equipment Note and of the ownership thereof.

Section 2.09. Payment of Transfer Taxes. Upon the transfer of any Equipment Note or Equipment Notes pursuant to Section 2.07, the Lessor or the Indenture Trustee may require from the party requesting such new Equipment Note or Equipment Notes payment of a sum to reimburse the Lessor or the Indenture Trustee for, or to provide funds for the payment of, any tax or other governmental charge in connection therewith.

Section 2.10. Prepayments; Notice of Prepayment.  
(a) Unless (i) all right, title and interest of the Lessor in and to the Lease and the Items of Equipment shall have been conveyed to the Indenture Trustee and (ii) the Discharge and Conversion (as defined in Section 2.11 below) shall have occurred, both in accordance with Section 2.11 hereof, each Equipment Note shall be prepaid in whole by the Lessor on the Prepayment Date (as defined below), together with accrued and unpaid interest to the date of such prepayment plus a premium in an amount equal to the Make-Whole Amount, if any, applicable on the Prepayment Date; provided that no premium or Make-Whole Amount will be payable if such prepayment is the result of a Lease Event of Default. The Prepayment Date, for purposes of this Section 2.10(a), shall be the date which is

the later of (x) the Termination Date established as a result of a termination of the Lease pursuant to Section 9 or Section 15 thereof or (y) if a Discharge and Conversion is permitted by the terms of, but shall not be completed by the date specified in, Section 2.11 hereof, the tenth Business Day after the latest date by which such Discharge and Conversion was required to be completed pursuant to said Section 2.11; provided that, with respect to clause (y) above, the Prepayment Date may be such earlier date as is specified in a written notice to the Indenture Trustee provided to the Indenture Trustee at least ten Business Days prior thereto.

(b) The Prepayment Date, for purposes of this Section 2.10(b), shall be the date which is the later of (x) the Termination Date with respect to any Item of Equipment established as a result of an Event of Loss pursuant to Section 10 of the Lease or (y) the tenth Business Day thereafter; provided that, with respect to clause (y) above, the Prepayment Date may be such earlier date as is specified in a written notice to the Indenture Trustee provided to the Indenture Trustee at least ten Business Days prior thereto. On the Prepayment Date the Lessor shall prepay an amount of the Equipment Notes equal to the sum of (i) as to principal thereof, an amount equal to the product obtained by multiplying the aggregate unpaid principal amount of all Equipment Notes on such Termination Date (after deducting therefrom the principal installment, if any, due on such Termination Date) by a fraction, the numerator of which shall be the Lessor's Cost of such Item or Items of Equipment and the denominator of which shall be the aggregate Lessor's Cost of all Items of Equipment included in the Indenture Estate immediately prior to such Termination Date, and (ii) as to interest, the aggregate amount of interest accrued and unpaid in respect of the principal amount to be prepaid pursuant to clause (i) above to but not including such Prepayment Date after giving effect to the application of the Dollar portion of any Basic Rent paid on or prior to such Prepayment Date, but without the payment of any premium or Make-Whole Amount.

(c) The Indenture Trustee shall give prompt notice of any notice of prepayment or any prepayment of any of the Equipment Notes to all holders of the Equipment Notes to be prepaid pursuant to this Section 2.10 as soon as the Indenture Trustee shall have knowledge that such prepayment is to occur, which notice shall specify the principal amount of the Equipment Notes to be prepaid and the Prepayment Date; provided, however, that if the Indenture Trustee receives any amount representing prepayment of the Equipment Notes purs-

uant to Section 2.10(a) or (b) prior to the Prepayment Date, it shall invest any such amount, at the written direction, and for the benefit of, the Lessee, and at Lessee's risk, in Specified Investments with a final maturity or date of return of not later than such Prepayment Date. Any such amount so received shall be treated as loaned to the Lessee and such loan shall be deemed secured by a pledge by the Lessee in favor of the Indenture Trustee of all amounts so loaned and all Specified Investments. The Indenture Trustee shall hold all Specified Investments until the maturity thereof and will not sell or otherwise transfer such Specified Investments. If any Specified Investments so held by the Indenture Trustee mature prior to such Prepayment Date, any proceeds received on the maturity of such Specified Investments may be reinvested by the Indenture Trustee at the direction and risk of, and for the benefit of, the Lessee in Specified Investments having a maturity date that is no later than such Prepayment Date. The Lessee agrees that it will pay the Indenture Trustee an amount on such Prepayment Date equal to the interest which accrues on the Equipment Notes between the Termination Date and such Prepayment Date; provided that the Lessee may satisfy its obligation under this sentence and under Section 2.10(a) or 2.10(b), as the case may be, on such Prepayment Date by directing the Indenture Trustee to apply such amounts invested in Specified Investments to the payment of such obligations, and to the extent that such amounts are insufficient to meet such obligations, by paying the Indenture Trustee, in immediately available funds, an amount equal to the excess of the amount of such obligations owed by the Lessee over the amount of such funds so invested in Specified Investments.

(d) The Equipment Notes issued under this Indenture are not subject to redemption or prepayment except as provided in this Section 2.10 or in Section 3.02 and 3.03 of this Indenture.

Section 2.11. Conversion of Equipment Notes to Certificates of Participation. (a) If a Lease Termination Event occurs under the Lease (excluding a Lease Termination Event described in Section 9(a) of the Lease or a Lease Termination Event resulting from a Lease Event of Default) and provided that the terms and conditions set forth in this Section 2.11 shall have been satisfied on or prior to the date which is the fifteenth Business Day next succeeding the date on which the Lease is terminated as a result of such Lease Termination Event, the Lessor shall be released from its obligations hereunder and under the Equipment Notes, and the Equipment Notes shall be deemed discharged and converted

to Certificates of Participation in the Lessor's rights under the Lease so conveyed to the Indenture Trustee pursuant to the Assignment of Lessor's Interest in Lease and Supplemental Indenture described in Section 2.11(b)(ii)(x). Each holder of Equipment Notes shall, upon surrender of such Equipment Notes, be entitled to a proportion of such Certificates of Participation equal to the proportion that the principal amount of Equipment Notes held by such holder at the time of such surrender bore to the aggregate unpaid principal amount of the Equipment Notes. As soon as practicable after the Lessee determines that the conditions set forth above and in Section 2.11(b) for the discharge of the Lessor and the conversion of the Equipment Notes into Certificates of Participation will be satisfied (collectively, the "Discharge and Conversion"), as provided in such Assignment of Lessor's Interest in Lease and Supplemental Indenture, the Lessee shall give the Indenture Trustee written notice that it expects that such conditions will be so satisfied. Failure to give such notice shall not affect the occurrence of the Discharge and Conversion. The Lessor automatically shall be released and discharged, without further act or formality whatsoever, from the obligations under this Indenture and the Equipment Notes concurrently with the satisfaction of the conditions set forth in clause (b) of this Section 2.11. The Indenture Trustee shall confirm to the Lessor in writing when such conditions are so satisfied. Thereupon, the Indenture Trustee shall execute and deliver to the Lessor, at the Lessee's expense, such documents or instruments as the Lessor may reasonably request to evidence (on the public record or otherwise) the release and discharge of the Lessor hereunder and under the Equipment Notes.

On the date (the "Conversion Date") on which the Discharge and Conversion is effected, (i) the Indenture Trustee shall execute and deliver to each holder of Equipment Notes that has surrendered such Equipment Notes to the Indenture Trustee a Certificate of Participation or Certificates of Participation in an aggregate principal amount equal to the aggregate principal amount of Equipment Notes so surrendered; provided, however, that no such surrender shall be required hereunder and, if any such surrender does not so occur, the holder of such Equipment Notes shall be deemed the holder of Certificates of Participation with an aggregate principal amount equal to the aggregate principal amount of the Equipment Notes not so surrendered and (ii) all references herein to Equipment Notes (or portions thereof) shall be deemed references to Certificates of Participation.

(b) The Discharge and Conversion pursuant to subsection (a) hereof shall be subject to compliance with the following conditions and the delivery of an Officer's Certificate of the Lessee to the effect that the below enumerated conditions (to the extent such conditions relate to the Lessee) have been duly complied with:

(i) after giving effect to the Discharge and Conversion, no Indenture Event of Default, Lease Default or Lease Event of Default shall have occurred and be continuing;

(ii) (w) The Lessor shall have received payment from or on behalf of the Indenture Trustee (which payment may be made by the Lessee or any other Person on behalf of the Indenture Trustee) of the relevant Special Termination Payment set forth in Section 9(e)(ii)(B), 9(e)(iii)(B) and 9(e)(iv)(B) of the Lease and all other amounts owed to the Lessor under the Lease on the Conversion Date (and it is understood that in the event that the Lessee so pays such amounts on behalf of the Indenture Trustee and a Discharge and Conversion occurs, the Indenture Trustee shall have no rights against the Lessee following such Discharge and Conversion in respect of Basic Rent payable in Yen or in respect of any Special Termination Payment, Purchase Price or Deficiency Payments payable in Yen) (x) the Lessee and the Lessor shall have executed and delivered to the Indenture Trustee for execution the Assignment of Lessor's Interest in Lease and Supplemental Indenture in the form of Exhibit C annexed hereto and (y) the Lessee shall have executed, delivered and filed such Assignment of Lessor's Interest in Lease and Supplemental Indenture and other documents and instruments in the manner and locations as this Indenture and such other documents and instruments shall have been filed pursuant to Section 4(g) of the Debt Participation Agreement and as may be necessary to maintain the perfection of the security interest created by this Indenture in favor of the Indenture Trustee in the Items of Equipment (and certain transferred rights specified in such Assignment of Lessor's Interest in Lease and Supplemental Indenture) in any applicable jurisdiction;

(iii) the Indenture Trustee shall have received an Opinion of Counsel to the Lessee to the effect that:

(A) each of the documents executed and delivered pursuant to clause (b)(ii) above consti-

tutes a legal, valid and binding obligation of the Lessee, enforceable in accordance with its terms, except as the enforceability thereof may be limited by (1) bankruptcy, insolvency, reorganization or other similar laws of general application affecting creditors' rights and (2) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and subject to such other assumptions, qualifications and limitations similar to those contained in the opinions of Lessee's counsel delivered on the Closing Date, and the documents described in (b)(ii)(y) above create or continue, as the case may be, a legal, valid and perfected first priority Lien on and security interest in the Items of Equipment (and such transferred rights);

(B) after such Discharge and Conversion, the Items of Equipment (and such transferred rights) will be free and clear of all Liens other than Permitted Liens (as defined in the Lease) (and, with respect to such opinion, such counsel shall be entitled to rely as to any factual matters on a certificate or certificates of appropriate officers) and the Indenture Trustee will, subsequent to such Discharge and Conversion, continue to have the benefits of 11 U.S.C. § 1168, or any successor provision, as to such Items of Equipment;

(C) all authorizations, consents, approvals and exemptions of, or other action by, all regulatory bodies necessary in connection with the execution and delivery of such documentation by the Lessee and the performance by the Lessee of its obligations thereunder, have been obtained (specifying the same), or that no such authorization, consent, approval, exemption or other action is required;

(D) no other action is necessary or advisable in order to establish and perfect the Indenture Trustee's title to and interest in the Items of Equipment (and such transferred rights) as against any third party; and

(E) such recording, registration, filing and other actions have been taken as are required by law to perfect, preserve and protect the Lien and security interest granted hereunder to the Inden-

ture Trustee with respect to the Items of Equipment (and such transferred rights), and reciting the details of such action or stating that, in the opinion of such counsel, no such action is necessary to perfect, preserve and protect such Lien and security interest.

(iv) the Indenture Trustee shall have received an Opinion of Counsel to the Lessor to the effect that:

(A) the Assignment of Lessor's Interest in Lease and Supplemental Indenture (the "Assignment"), when duly executed and delivered by a duly authorized representative of the Lessor, shall constitute the legal, valid and binding obligation of the Lessor, enforceable against the Lessor in accordance with its terms, except as the enforceability thereof may be limited by (a) bankruptcy, insolvency, reorganization or other similar laws of general application affecting creditors' rights and (b) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and subject to such other assumptions, qualifications and limitations similar to those contained in the opinions of Lessor's counsel delivered on the Closing Date.

(B) no consent, approval, order or authorization of, giving of notice to, or registration or filing with, or taking of any other action in respect of, any governmental authority or agency in Japan or the Cayman Islands is required for the execution and delivery by the Lessor of, or the performance by the Lessor of its obligations in respect of, the transactions contemplated by the Assignment or, if any such consent, approval, order, authorization, notice, registration, filing or other action is required, that it has been obtained.

(v) the Indenture Trustee shall have received a certificate of a duly authorized officer of the Lessor to the effect that:

(A) the Lessor has duly authorized by all requisite corporate action the execution, delivery and performance of the Assignment, has duly executed and delivered the Assignment, and the Assignment constitutes a legal, valid and binding

obligation of the Lessor, enforceable against it in accordance with its terms except as the enforceability thereof may be limited by (i) bankruptcy, insolvency, reorganization or similar laws of general application affecting creditors' rights, and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and subject to the same qualifications as contained in the Opinion of Counsel to Lessor.

(B) no consent, approval, order or authorization of, giving of notice to, or registration or filing with, or taking of any other action in respect of, any governmental authority or agency in Japan or the Cayman Islands is required for the execution and delivery by the Lessor of, or the performance by the Lessor of its obligations in respect of, the transactions contemplated by the Assignment or, if any such consent, approval, order, authorization, notice, registration, filing or other action is required, that it has been obtained.

(C) on the Conversion Date, the Items of Equipment will be free and clear of all Lessor's Liens.

(c) The Lessee hereby agrees that, upon request of the Indenture Trustee or the Lessor, it shall promptly pay to the Indenture Trustee or the Lessor, as the case may be, an amount equal to the reasonable costs and expenses incurred by the Indenture Trustee or the Lessor (including reasonable costs and expenses of counsel), as the case may be, in connection with the Discharge and Conversion regardless of whether such Discharge and Conversion becomes effective.

(d) If the Discharge and Conversion occurs pursuant to this Section 2.11, the Lessor shall thereafter be discharged of all obligations hereunder and under the Equipment Notes.

(e) Anything to the contrary in this Section 2.11 or elsewhere in the Operative Documents notwithstanding, the Lessor shall not be obligated to participate in any proposed Discharge and Conversion or to perform or comply with any of the conditions described in this Section 2.11, if either (i) it shall be unlawful for the Lessor to participate in such Discharge and Conversion or to so perform or comply with such

conditions, or (ii) as a result of a Change in Law or a Tax Ruling issued on or after the Delivery Date, any Taxes will, or, in the opinion of nationally recognized tax counsel to Lessor, a copy of which shall be provided to Lessee and the Indenture Trustee, would be, imposed on the Lessor or any other Tax Indemnitee by Japan or any taxing authority or governmental subdivision thereof or therein as a result of Lessor's participation in such Discharge and Conversion to the extent such Taxes would not have been imposed had the Lessee paid all Termination Payments in full.

Section 2.12. Equally and Ratably Secured. All Equipment Notes at any time outstanding under this Indenture shall be equally and ratably secured hereby without preference, priority or distinction on account of the date or dates or the actual time or times of the issue or maturity of such Equipment Notes so that all Equipment Notes at any time issued and outstanding hereunder shall have the same rights, preferences, and be entitled to the same benefits provided by the Liens created, under and by virtue of this Indenture.

### ARTICLE III

#### RECEIPT, DISTRIBUTION AND APPLICATION OF INCOME FROM THE INDENTURE ESTATE

Section 3.01. Basic Rent Distribution. Except as otherwise provided in Section 3.03, each installment of the Dollar portion of Basic Rent as well as any installment of interest on overdue installments of the Dollar portion of Basic Rent, and any other monies paid over by the Lessee or the Lessor to the Indenture Trustee for such purpose, shall be distributed by the Indenture Trustee as promptly as possible to the holders of the Equipment Notes to pay in full the aggregate amount of the payment or payments of principal, premium, if any, and interest (as well as any interest on overdue principal, overdue premium, if any, and (to the extent legally enforceable) overdue installments of interest) then due, such distribution to be made ratably, without priority of one over the other, in the proportion that the amount of such payment or payments then due or so scheduled with respect to each such Equipment Note bears to the aggregate amount of payments then due under all such Equipment Notes provided that if the Indenture Trustee has received the dollar portion of Rent on or prior to 11:30 a.m. (New York City time), it shall make a distribution to the holders of the Equipment Notes in immediately available funds no later than 1:00 p.m. (New York City time) on the same day. The

portion of each such installment distributed to a holder of an Equipment Note shall be applied by such holder in payment of such Equipment Note in accordance with the terms of Section 2.05.

Section 3.02. Payments in the Event of Prepayment.

(a) Except as otherwise provided in Section 3.03, in the event of any prepayment of the Equipment Notes, in whole or in part, in accordance with the provisions of Section 2.10 any amount received shall in each case be distributed and paid in the following order of priority: first, so much of such amount as shall in each case be required for the purpose of prepayment shall be distributed and paid to the holders of such Equipment Notes to pay the aggregate amount of the payment of principal, premium, if any, and interest to be prepaid on the Equipment Notes pursuant to Section 2.10, such prepayment to be made ratably, without priority of one over any other, in the proportion that the amount to be prepaid on each such Equipment Note bears to the aggregate amount to be paid on all such Equipment Notes, provided that any partial prepayment of principal pursuant to Section 2.10(b) shall be applied toward the pro rata reduction of all remaining installments of principal on each Equipment Note; second, so much of such amount as shall be required to reimburse the Indenture Trustee for any expenses not reimbursed by the Lessee in connection with the collection or distribution of such amount and for any unpaid fees for the Indenture Trustee's services under this Indenture and any tax, expense (including reasonable attorneys' fees) or other loss incurred by it (to the extent incurred in connection with its duties as Indenture Trustee and to the extent reimbursable and not previously reimbursed) shall be applied in reimbursement of such amounts; third, in the manner provided in clause "second" of Section 3.03 hereof; and fourth, in the manner provided in clause "fourth" of Section 3.03 hereof; or, in the event of a prepayment, as may otherwise be agreed.

(b) Except as otherwise provided in Section 3.03 hereof, any amounts received directly or through the Lessee from any governmental authority or other party pursuant to Section 10 of the Lease with respect to any Item of Equipment as the result of an Event of Loss, to the extent that such amounts are not at the time required to be paid to the Lessee pursuant to said Section 10, and any amounts of insurance proceeds for damage to the Indenture Estate received directly or through the Lessee from any insurer pursuant to Section 11 of the Lease with respect thereto as the result of an Event of Loss, to the extent such amounts are not at the time required to be paid to the Lessee pursuant to said Section

10, shall be applied in reduction of the Lessee's obligation to pay Casualty Value Termination Payments as provided in the Lease.

Section 3.03. Payments After Indenture Event of Default. (a) All payments received and amounts realized by the Indenture Trustee (except any payment described in Section 2.10(a) hereof) after an Indenture Event of Default shall have occurred and be continuing and after the Indenture Trustee has declared (as assignee from the Lessor of certain rights under the Lease) the Lease to be in default pursuant to Section 15 thereof (and such declaration shall not have been rescinded) or has declared the Equipment Notes to be accelerated pursuant to Section 4.02 (and such declaration shall not have been rescinded), as the case may be, or has elected to foreclose or otherwise enforce its rights under this Indenture (including any amounts realized by the Indenture Trustee from the exercise of any remedies pursuant to Section 15 of the Lease, or Article IV), as well as all payments or amounts then held or thereafter received by the Indenture Trustee as part of the Indenture Estate while such Indenture Event of Default shall be continuing, shall be distributed forthwith by the Indenture Trustee in the following order of priority: first, so much of such payments or amounts as shall be required to reimburse the Indenture Trustee for any unpaid fees for its services under this Indenture and any tax, expense (including reasonable attorneys' fees) or other amounts owed to the Indenture Trustee hereunder (to the extent reimbursable and not previously reimbursed and to the extent incurred in connection with its duties as Indenture Trustee) shall be distributed to the Indenture Trustee; second, so much of such payments or amounts as shall be required to reimburse the holders of the Equipment Notes for payments made by them to the Indenture Trustee pursuant to Section 5.03 (to the extent not previously reimbursed), and to pay such holders of the Equipment Notes the amounts payable to them pursuant to the provisions of the Debt Participation Agreement, shall be distributed to such holders of the Equipment Notes, without priority of one over the other, in accordance with the amount of the payment or payments made by, or payable to, each such holder; third, so much of such payments or amounts as shall be required to pay in full the aggregate unpaid principal amount of all Equipment Notes, plus the accrued but unpaid interest thereon to the date of distribution (including any interest on overdue principal and, to the extent legally enforceable, overdue interest due on the Equipment Notes), shall be distributed to the holders of the Equipment Notes, and in case the aggregate amount so to be distributed shall be insufficient to pay in full the

aforesaid amounts, then, ratably, without priority of one over the other, in the proportion that the aggregate unpaid principal amount of all Equipment Notes held by each such holder, plus the accrued but unpaid interest thereon to the date of distribution, bears to the aggregate unpaid principal amount of all Equipment Notes, plus the accrued but unpaid interest thereon to the date of distribution; and fourth, the balance, if any, of such payments or amounts remaining thereafter shall be distributed to, or as directed by, the Lessor to be held or distributed in accordance with the terms of the Lease;

(b) If an Indenture Event of Default shall have occurred and be continuing, the Indenture Trustee shall not make any distribution to the Lessor but shall hold amounts otherwise distributable to the Lessor as collateral security for the obligations secured hereby until such time as no Indenture Event of Default shall be continuing hereunder or such amounts are applied pursuant to Section 3.03(a).

Section 3.04. Other Payments. Except as otherwise provided in Section 3.03,

(a) any payments received by the Indenture Trustee for which no provision as to the application thereof is made in the Lease or the Debt Participation Agreement or elsewhere in this Article III, and

(b) all payments received and amounts realized by the Indenture Trustee under the Lease or otherwise with respect to the Items of Equipment to the extent received or realized at any time after payment in full of the principal of and interest and premium, if any, on all Equipment Notes, as well as any other amounts remaining as part of the Indenture Estate after payment in full of the principal of and interest and premium, if any, on all Equipment Notes issued hereunder,

shall be distributed forthwith by the Indenture Trustee in the order of priority set forth in Section 3.03, except that in the case of any payment described in clause (b) above, such payment shall be distributed omitting clause "third" of such Section 3.03.

Any payments received by the Indenture Trustee for which provision as to the application thereof is made in the Lease or the Debt Participation Agreement but not elsewhere in this Indenture shall be applied forthwith to the purposes for which such payments were made in accordance with the

provisions of the Lease or the Debt Participation Agreement, as the case may be.

#### ARTICLE IV

##### REMEDIES OF THE INDENTURE TRUSTEE UPON AN INDENTURE EVENT OF DEFAULT

Section 4.01. Indenture Events of Default. The following events shall constitute "Indenture Events of Default" and each such Indenture Event of Default shall be deemed to exist and continue so long as, but only so long as, it shall not have been remedied:

(a) a Lease Event of Default (other than a Lease Event of Default by reason of a default by the Lessee to pay any amounts which are payable in Yen); or

(b) default by the Lessor in making any payment when due of principal of or premium, if any, or interest on, any Equipment Note or Equipment Notes, and the continuance of such default unremedied for 10 Business Days after the same shall have become due and payable; or

(c) any failure by the Lessor to observe or perform any covenant or obligation of it in this Indenture or the Equipment Notes or in the Debt Participation Agreement, if, but only if, such failure is not remedied within a period of 30 days after there has been given to the Lessor by the Indenture Trustee a written notice specifying such failure and requiring it to be remedied; provided that, if such failure is capable of being remedied, no such failure shall constitute an Indenture Event of Default hereunder for a period of 180 days after such notice so long as the Lessor is diligently proceeding to remedy such failure; or

(d) any representation or warranty made by the Lessor under the Debt Participation Agreement or hereunder, or by any representative of the Lessor in any document or certificate furnished to the Indenture Trustee or the Pass Through Trustee in connection herewith or therewith or pursuant hereto or thereto, shall prove at any time to have been incorrect in any material respect as of the date made and such incorrectness shall remain material and continue unremedied for a period of 30 days after there has been given to the Lessor by the Indenture Trustee or by any holder of an Equipment Note

a written notice specifying such incorrectness, stating that such incorrectness is a default hereunder and requiring it to be remedied; provided that, if such incorrectness is capable of being remedied, no such incorrectness shall constitute an Indenture Event of Default hereunder for a period of 180 days after such notice so long as the Lessor is diligently proceeding to remedy such incorrectness; or

(e) the Lessor shall consent to the appointment of a custodian, receiver, trustee or liquidator of itself or of a substantial part of its property or shall make a general assignment for the benefit of creditors; or

(f) the Lessor shall file, or consent by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy, for liquidation or to take advantage of any bankruptcy or insolvency law of any jurisdiction; or

(g) an order, judgment or decree shall be entered by any court of competent jurisdiction appointing, without the consent of the Lessor, a receiver, trustee or liquidator of the Lessor, or of any substantial part of its property, or granting any order for relief in respect of the Lessor under any applicable bankruptcy laws, and any such order, judgment or decree of appointment shall remain in force undismissed, unstayed or unvacated for a period of 90 days after the date of entry thereof;

(h) a petition against the Lessor, in a proceeding under any applicable bankruptcy laws or other insolvency law, as now or hereafter in effect, shall be filed and shall not be withdrawn or dismissed within 90 days thereafter, or if, under the provisions of any law providing for reorganization or winding-up of corporations which may apply to the Lessor, any court of competent jurisdiction shall assume jurisdiction, custody or control of the Lessor or of any substantial part of its property and such jurisdiction, custody or control shall remain in force unrelinquished, unstayed or unterminated for a period of 90 days; or

(i) any proceeding similar to those referred to in subparagraphs (e), (f), (g) or (h) above for the relief of financially distressed debtors under the laws of any jurisdiction is entered into by Lessor voluntarily.

Section 4.02. Acceleration; Rescission and Annulment. If an Indenture Event of Default occurs and is continuing, the Indenture Trustee may, and upon the directions of a Majority in Interest shall, declare the unpaid principal amount of all Equipment Notes then outstanding and accrued interest thereon to be due and payable plus a premium in an amount equal to the Make-Whole Amount, if any, whereupon the same shall become and be immediately due and payable; provided that no premium or Make-Whole Amount will be payable if such Indenture Event of Default is a result of the occurrence of the event described in Section 4.01(a). At any time after the Indenture Trustee has declared the unpaid principal amount of all Equipment Notes then outstanding to be due and payable and prior to the sale of any of the Indenture Estate pursuant to this Article IV, a Majority in Interest, by written notice to the Lessor, the Lessee and the Indenture Trustee, may rescind and annul such declaration and thereby annul its consequences if: (i) there has been paid to or deposited with the Indenture Trustee an amount sufficient to pay all overdue installments of interest on the Equipment Notes, and the principal of and premium, if any, on any Equipment Notes that have become due otherwise than by such declaration of acceleration, (ii) the rescission would not conflict with any judgment or decree, and (iii) all other Indenture Defaults and Indenture Events of Default, other than nonpayment of principal or interest on the Equipment Notes that have become due solely because of such acceleration, have been cured or waived; provided, however, that if at any time prior to the sale of any part of the Indenture Estate pursuant to this Article IV, the conditions to a Discharge and Conversion set forth in Section 2.11(b) hereof shall have been satisfied, any such declaration shall be and be deemed automatically rescinded and annulled, and the consequences thereof annulled, without any notice to, or action by, the Indenture Trustee, the holders of the Equipment Notes or any other Person.

Section 4.03. Remedies with Respect to Indenture Estate. (a) After an Indenture Event of Default shall have occurred and so long as such Indenture Event of Default shall be continuing, and payment of the Equipment Notes accelerated (and such acceleration not rescinded) pursuant to Section 4.02 hereof, then and in every such case the Indenture Trustee, as assignee hereunder of certain rights under the Lease or as mortgagee hereunder of the Equipment or otherwise, may, and when required pursuant to the provisions of Article V hereof shall, exercise any or all of the rights and powers and pursue any and all of the remedies pursuant to Section 15 of the Lease and this Article IV and may recover

judgment in its own name as Indenture Trustee against the Indenture Estate and may take possession of all or any part of the Indenture Estate, and may exclude the Lessor and all persons claiming under any of them wholly or partly therefrom.

(b) The Indenture Trustee may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession, and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Lessor and the Lessee once at least 30 days prior to the date of such sale or the date on which the Indenture Trustee enters into a binding contract for a private sale, and any other notice which may be required by law, sell and dispose of the Indenture Estate, or any part thereof, or interest therein, at public auction to the highest bidder or at private sale in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Indenture Trustee may determine, and at any place (whether or not it be the location of the Indenture Estate or any part thereof) and time designated in the notice above referred to. Any such public sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further notice, and the Indenture Trustee or the holder or holders of any Equipment Notes, or any interest therein, may bid and become the purchaser at any such public sale. The Indenture Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as representative of the holders may exercise such right without including the holders as parties to any suit or proceeding relating to foreclosure of any property in the Indenture Estate. The Lessor hereby irrevocably constitutes the Indenture Trustee the true and lawful attorney-in-fact of the Lessor (in the name of the Lessor or otherwise) for the purpose of effectuating any sale, assignment, transfer or delivery for enforcement of the Lien of this Indenture, whether pursuant to foreclosure or power of sale or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as the Indenture Trustee may consider necessary or appropriate, with full power of substitution, the Lessor hereby ratifying and confirming all that such attorney or any substitute shall lawfully do by virtue hereof. Nevertheless, if so requested by the Indenture Trustee or any purchaser, the Lessor shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and

delivering to the Indenture Trustee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

(c) The Lessor agrees, to the fullest extent that it lawfully may, that, in case one or more of the Indenture Events of Default shall have occurred and be continuing, then, in every such case, the Indenture Trustee may take possession of all or any part of the Indenture Estate and may exclude the Lessor and all persons claiming under any of them wholly or partly therefrom. At the request of the Indenture Trustee, the Lessor shall promptly execute and deliver to the Indenture Trustee such instruments of title and other documents as the Indenture Trustee may deem necessary or advisable to enable the Indenture Trustee or an agent or representative designated by the Indenture Trustee, at such time or times and place or places as the Indenture Trustee may specify, to obtain possession of all or any part of the Indenture Estate. If the Lessor shall fail for any reason to execute and deliver such instruments and documents to the Indenture Trustee, the Indenture Trustee may pursue all or part of the Indenture Estate wherever it may be found and may enter any of the premises of the Lessee wherever the Indenture Estate may be or be supposed to be and search for the Indenture Estate and take possession of and remove the Indenture Estate. Upon every such taking of possession, the Indenture Trustee may, from time to time, at the expense of the Indenture Estate, make all such expenditures for maintenance, insurance, repairs, replacements, alterations, additions and improvements to any of the Indenture Estate, as it may deem proper. In each such case, the Indenture Trustee shall have the right to use, operate, store, control or manage the Indenture Estate, and to carry on the business and to exercise all rights and powers of the Lessor relating to the Indenture Estate, as the Indenture Trustee shall deem best, including the right to enter into any and all such agreements with respect to the maintenance, operation, leasing or storage of the Indenture Estate or any part thereof as the Indenture Trustee may determine; and the Indenture Trustee shall be entitled to collect and receive all tolls, rents, revenues, issues, income, products and profits of the Indenture Estate and every part thereof, without prejudice, however, to the right of the Indenture Trustee under any provision of this Indenture to collect and receive all cash held by, or required to be deposited with, the Indenture Trustee hereunder. Such tolls, rents, revenues, issues, income, products and profits shall be applied to pay the expenses of holding and operating the Indenture Estate and of conducting

the business thereof, and of all maintenance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Indenture Trustee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Indenture Estate or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Lessor), and all other payments which the Indenture Trustee may be required or authorized to make under any provision of this Indenture, as well as just and reasonable compensation for the services of the Indenture Trustee, and of all persons properly engaged and employed by the Indenture Trustee, including the reasonable expenses of the Indenture Trustee. Any action by the Indenture Trustee pursuant to this Section 4.03(c) will in all respects be subject to compliance with any mandatory legal requirements applicable to any such action.

(d) If an Indenture Event of Default occurs and is continuing and the Indenture Trustee shall have obtained possession of an Item of Equipment, the Indenture Trustee shall not be obligated to use or operate such Item of Equipment or cause such Item of Equipment to be used or operated directly or indirectly by itself or through agents or other representatives or to lease, license or otherwise permit or provide for the use or operation of such Item of Equipment by any other Person unless (i) the Indenture Trustee shall have been able to obtain insurance in kinds, at rates and in amounts satisfactory to it in its discretion to protect the Indenture Estate and the Indenture Trustee, as trustee and individually, against any and all liability for loss or damage to such Item of Equipment and for public liability and property damage resulting from use or operation of such Item of Equipment and (ii) funds are available in the Indenture Estate to pay for all such insurance or, in lieu of such insurance, the Indenture Trustee is furnished with indemnification from the holders of the Equipment Notes or any other Person upon terms and in amounts satisfactory to the Indenture Trustee in its discretion to protect the Indenture Estate and the Indenture Trustee, as trustee and individually, against any and all such liabilities.

Section 4.04. Waiver of Existing Defaults. A Majority in Interest by notice to the Indenture Trustee on behalf of all holders of the Equipment Notes may waive any past default hereunder and its consequences, except that the consent of each holder of an Equipment Note so affected thereby shall be required to waive a default: (i) in the payment of the principal of, premium, if any, or interest on

any Equipment Note, or (ii) in respect of a covenant or provision hereof which under Article IX hereof cannot be modified or amended without the consent of the holder of each Equipment Note affected. Upon any such waiver, such default shall cease to exist, and any Indenture Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

## ARTICLE V

### DUTIES OF THE INDENTURE TRUSTEE

Section 5.01. Action Upon Indenture Event of Default. If any payments of any Dollar portion of Basic Rent or payments of the principal of or interest or premium, if any, on the Equipment Notes due and payable on any Rent Payment Date shall not have been paid in full on such Rent Payment Date, the Indenture Trustee shall give telephonic notice within one Business Day (followed by prompt written notice) to the Lessor and the Lessee specifying the amount and nature of such deficiency in payment. In the event the Indenture Trustee shall have knowledge of an Indenture Event of Default or an Indenture Default, the Indenture Trustee shall give prompt notice of such Indenture Event of Default or Indenture Default to the Lessee, the Lessor and each holder of Equipment Notes by telegram, telex, or telephone (to be promptly confirmed in writing). In the event the Lessor shall have knowledge of an Indenture Event of Default or an Indenture Default, the Lessor shall give notice of such Indenture Event of Default or Indenture Default in the same manner to the Lessee, the Indenture Trustee and each holder of Equipment Notes. Subject to the terms of Section 5.03, the Indenture Trustee shall take such action, or refrain from taking such action, with respect to such Indenture Event of Default as the Indenture Trustee shall be instructed in writing by a Majority in Interest. If the Indenture Trustee shall not have received instructions as above provided within 20 days after the mailing of notice of such Indenture Event of Default or such Indenture Default to the holders of Equipment Notes by the Indenture Trustee, the Indenture Trustee may, but shall not be obligated to, take such action, or refrain from taking such action, with respect to such Indenture Event of Default or Indenture Default as it shall determine to be advisable in the best interests of the holders of Equipment Notes. For all purposes of this Indenture, in the absence of actual knowledge, neither the Lessor nor the Indenture

Trustee shall be deemed to have knowledge of an Indenture Event of Default (except, in the case of the Indenture Trustee, the failure of the Lessee to pay any installment of the Dollar portion of Basic Rent that is required to be paid directly to the Indenture Trustee within the 10 Business Days after the same shall become due or the failure of the Lessee to maintain insurance as required under Section 11 of the Lease if the Indenture Trustee shall receive notice thereof from an insurer or insurance broker) unless notified in writing by the Lessee, the Lessor, or one or more holders of Equipment Notes; and "actual knowledge" (as used in the foregoing clause) of the Indenture Trustee shall mean actual knowledge of an officer in the Corporate Trust Administration of the Indenture Trustee.

Section 5.02. Action Upon Instructions. Subject to the terms of Sections 5.01 and 5.03, upon the written instructions at any time and from time to time of a Majority in Interest, the Indenture Trustee shall take such of the following actions as may be specified in such instructions (subject to the rights of the other parties thereto, except to the extent assigned hereunder): (i) subject to and solely to the extent permitted by the terms hereof and of the Lease, give such notice, direction or consent, or exercise such right, remedy or power hereunder or under the Lease or in respect of any part or all of the Indenture Estate or take such other action as shall be specified in such instructions; and (ii) after an Indenture Event of Default shall have occurred and so long as such Indenture Event of Default shall be continuing, approve as satisfactory to it all matters (except with respect to Excepted Interests) required by the terms of the Lease to be satisfactory to the Lessor, it being understood that without the written instructions of a Majority in Interest the Indenture Trustee shall not take any action described in clauses (i) and (ii) above.

Section 5.03. Indemnification. (a) The Indenture Trustee shall not be required to take any action or refrain from taking any action under Section 5.01 (other than the first two sentences thereof) or 5.02 or Article IV if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnification against such risk is not reasonably assured to it. The Indenture Trustee shall not be required to take any action under Section 5.01 or 5.02 or Article IV, nor shall any other provision of this Indenture be deemed to impose a duty on the Indenture Trustee to take any action, if the Indenture Trustee shall have been advised in writing by independent counsel that such action is

contrary to the terms hereof or of the Lease or the Debt Participation Agreement, or is otherwise contrary to law.

(b) Each holder of Equipment Notes may, but shall not be required to, participate in any indemnification of the Indenture Trustee given pursuant to paragraph (a) of this Section 5.03. Each holder of Equipment Notes so participating shall be entitled to reimbursement for such participation in accordance with Article III.

Section 5.04. No Duties Except as Specified in Indenture or Instructions. The Indenture Trustee shall not have any duty or obligation to manage, control, use, sell, dispose of or otherwise deal with the Items of Equipment or any other part of the Indenture Estate, or to otherwise take or refrain from taking any action under, or in connection with, this Indenture, the Lease, or the Debt Participation Agreement, except as expressly required by the terms of this Indenture or as expressly required in written instructions received pursuant to the terms of Section 5.01 or 5.02; and no implied duties or obligations shall be read into this Indenture against the Indenture Trustee. The Indenture Trustee nevertheless agrees, in its individual capacity, that it will, at its own cost and expense, promptly take such action as may be necessary duly to discharge any liens or encumbrances on any part of the Indenture Estate, or on any properties of the Lessor assigned, pledged or mortgaged as part of the Indenture Estate, which result from claims against it in its individual capacity not related to the administration of the Indenture Estate or any other transaction under this Indenture or any document included in the Indenture Estate.

Section 5.05. No Action Except Under Lease, Indenture or Instructions. The Indenture Trustee agrees that it will not manage, control, use, sell, dispose of or otherwise deal with the Items of Equipment or other property constituting part of the Indenture Estate except (i) as required by the terms of the Lease, (ii) in accordance with the powers granted to, or the authority conferred upon, the Indenture Trustee pursuant to this Indenture, or (iii) in accordance with the express terms hereof or with written instructions pursuant to Section 5.01 or 5.02.

Section 5.06. Replacement Items of Equipment. At any time and from time to time prior to the expiration of the term of the Lease, any Items of Equipment which the provisions of Section 10(a) of the Lease require to be disposed of may be disposed of in accordance with the provisions of

Section 10(a) of the Lease, and the Lessor shall, from time to time, direct the Indenture Trustee to execute and deliver to it, or as directed in writing by the Lessor, an appropriate instrument furnished by the Lessor or the Lessee releasing such Items of Equipment from the Lien of this Indenture, but only in respect of such Items of Equipment, and from the assignment and pledge thereof hereunder and the Indenture Trustee shall execute and deliver such instrument as aforesaid upon satisfaction of the conditions for the Replacement Item of Equipment contained in Section 10(a) of the Lease.

Section 5.07. Indenture Supplements for Replacements. In the event of a Replacement Item of Equipment being substituted as contemplated by Section 10(a) of the Lease, the Lessor and the Indenture Trustee agree for the benefit of the holders of the Equipment Notes and the Lessee, subject to compliance by the Lessee with its obligations set forth in Section 10(a) of the Lease, to execute and deliver an Indenture Supplement substantially in the form of Exhibit A hereto.

Section 5.08. Effect of Replacements. In the event of the substitution of a Replacement Item of Equipment, all provisions of this Indenture relating to the Item of Equipment or Items of Equipment being replaced shall be applicable to such Replacement Item of Equipment with the same force and effect as if such Replacement Item of Equipment was the same Item of Equipment being replaced.

Section 5.09. Withholding Taxes. The Indenture Trustee, as agent for the Lessor and the Lessee, shall exclude and withhold from each payment of principal, premium, if any, and interest and other amounts due hereunder or under the Equipment Notes any and all withholding taxes applicable thereto as required by law. The Indenture Trustee agrees to act as such withholding agent and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Equipment Notes, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the holders of the Equipment Notes, that it will file any necessary withholding tax returns or statements when due, and that, as promptly as possible after the payment thereof, it will deliver to each holder of an Equipment Note appropriate documentation showing the payment thereof, together with such additional documentary evidence as such holders may reasonably request from time to time.

### THE INDENTURE TRUSTEE

#### Section 6.01. Acceptance of Trusts and Duties.

The Indenture Trustee accepts the trusts hereby created and applicable to it and agrees to perform the same but only upon the terms of this Indenture and agrees to receive and disburse all monies received by it constituting part of the Indenture Estate in accordance with the terms hereof. The Indenture Trustee shall not be answerable or accountable under any circumstances, except for (a) its own wilful misconduct or gross negligence or, with respect to the handling of funds, its ordinary negligence, (b) its breach of any of its representations or warranties made in its individual capacity set forth herein or in the Debt Participation Agreement, or (c) the performance of its obligations under the last sentence of Section 5.04.

#### Section 6.02. Absence of Duties. Except in

accordance with written instructions or requests furnished pursuant to Section 5.01 or Section 5.02 and except as provided in, and without limiting the generality of, Section 5.04, the Indenture Trustee shall have no duty (i) to see to any registration of the Items of Equipment or any recording or filing of the Lease, or of this Indenture or any other document, or to see to the maintenance of any such registration, recording or filing, (ii) to see to any insurance on the Items of Equipment or to effect or maintain any such insurance, whether or not the Lessee shall be in default with respect thereto, (iii) to confirm, verify or inquire into the failure to receive any financial statements of the Lessee or (iv) to inspect the Items of Equipment at any time or ascertain or inquire as to the performance or observance of any of the Lessee's covenants under the Lease with respect to the Items of Equipment. Notwithstanding the foregoing, the Indenture Trustee will furnish to any holder of the Equipment Notes, promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and other instruments furnished to the Indenture Trustee under this Indenture.

Section 6.03. No Representations or Warranties as to the Items of Equipment or Documents. THE INDENTURE TRUSTEE NEITHER MAKES NOR SHALL BE DEEMED TO HAVE MADE (i) ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE VALUE, CONDITION, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS FOR USE OF THE ITEMS OF EQUIPMENT OR AS TO THE TITLE THERETO, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT

TO THE ITEMS OF EQUIPMENT WHATSOEVER, or (ii) any representation or warranty as to the validity, legality or enforceability of this Indenture, the Debt Participation Agreement, the Equipment Notes, the Lease, any Lease Supplement, or any Indenture Supplement or any other document or instrument or as to the correctness of any statement contained in any thereof (except as to the representations and warranties made by the Indenture Trustee in the Debt Participation Agreement).

Section 6.04. No Segregation of Moneys; No Interest; Investments. (a) Subject to Section 6.04(b), no monies received by the Indenture Trustee hereunder need be segregated in any manner except to the extent required by law, and any such monies may be deposited under such general conditions for the holding of trust funds as may be prescribed by law applicable to the Indenture Trustee, and, except as otherwise agreed by the Indenture Trustee, the Indenture Trustee shall not be liable for any interest thereon.

(b) Any amounts held by the Indenture Trustee pursuant to the express terms of this Indenture or the Lease and not required to be distributed as herein provided shall be invested and reinvested by the Indenture Trustee from time to time in Specified Investments at the written direction and at the risk and expense of the Lessee, except that in the absence of any such direction or after a Lease Event of Default shall have occurred and be continuing, such amounts shall be so invested and reinvested by the Indenture Trustee in Specified Investments and the Indenture Trustee shall hold any such Specified Investments until maturity. Any net income or gain realized as a result of any such investments or reinvestment shall be held as part of the Indenture Estate and shall be applied by the Indenture Trustee at the same times, on the same conditions and in the same manner as the amounts in respect of which such income or gain was realized are required to be distributed in accordance with the provisions hereof or of the Lease pursuant to which such amounts were required to be held and if no Lease Event of Default shall have occurred and be continuing any excess shall be paid to the Lessee. Any such Specified Investments may be sold or otherwise reduced to cash (without regard to maturity date) by the Indenture Trustee whenever necessary to make any application as required by such provisions. The Indenture Trustee shall have no liability for any loss resulting from any such investment or reinvestment other than by reason of the willful misconduct or negligence of the Indenture Trustee.

Section 6.05. Reliance; Agents; Advice of Counsel.

The Indenture Trustee shall incur no liability to anyone acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it in good faith to be genuine and believed by it in good faith to be signed by the proper party or parties. The Indenture Trustee need not investigate any fact or matter stated in any of the above documents. The Indenture Trustee may accept a copy of a resolution of the Board of Directors of any party to the Debt Participation Agreement, certified by the Secretary or an Assistant Secretary of such party as duly adopted and in full force and effect, as conclusive evidence that such resolution has been duly adopted by said Board and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically described herein, the Indenture Trustee may for all purposes hereof rely on an Officer's Certificate of the Lessee, as to such fact or matter, and such certificate shall constitute full protection to the Indenture Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon. The Indenture Trustee shall furnish to the Lessor upon request such information and copies of such documents as the Indenture Trustee may have and as are necessary for the Lessor to perform its duties under Article II hereof. The Indenture Trustee shall assume, and shall be fully protected in assuming, that the Lessor is authorized to enter into this Indenture and to take all action permitted to be taken by it pursuant to the provisions hereof, and shall not be required to inquire into the authorization of the Lessor with respect thereto. In the administration of the trusts hereunder, the Indenture Trustee (i) may execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents or attorneys but shall not be liable for the default or misconduct of any agent or attorney appointed by it in good faith and (ii) may, at the expense of the Indenture Estate, consult with independent counsel, accountants and other skilled persons to be selected and employed by it, and the Indenture Trustee shall not be liable for anything done, suffered, or omitted in good faith by it in accordance with the written advice or opinion of any such independent counsel, accountants or other skilled persons acting within such persons' area of competence (so long as the Indenture Trustee shall have exercised reasonable care in selecting such persons). The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers.

Section 6.06. Fees; Compensation. The Indenture Trustee shall be entitled to receive from the Lessee compensation as set forth in the schedule agreed to by the Indenture Trustee and the Lessee for services rendered by it hereunder. Additionally, the Indenture Trustee, in both its individual and trust capacities, shall be entitled to receive reimbursement from the Lessee for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by the Indenture Trustee (including the reasonable compensation and expenses and disbursements of its agents and counsel).

Section 6.07. Not Acting in Individual Capacity. The Indenture Trustee acts hereunder solely as trustee and not in its individual capacity unless otherwise expressly provided; and all Persons, other than the holders of Equipment Notes to the extent expressly provided in this Indenture, having any claim against the Indenture Trustee by reason of the transactions contemplated hereby shall, subject to the lien and priorities of payment as herein provided, look only to the Indenture Estate for payment or satisfaction thereof.

Section 6.08. No Compensation from Holders or Indenture Estate. The Indenture Trustee agrees that it shall have no right against the holders of the Equipment Notes or, except as provided in Sections 3.03 and 4.03, the Indenture Estate, for any fee as compensation for its services hereunder.

## ARTICLE VII

### INDEMNIFICATION OF INDENTURE TRUSTEE

Section 7.01. Scope of Indemnification. The Lessor hereby agrees, whether or not any of the transactions contemplated hereby or in the Debt Participation Agreement shall be consummated, except as to matters covered by the indemnity furnished pursuant to Section 5.03 hereof, to assume liability for, and does hereby indemnify, protect, save and keep harmless the Indenture Trustee, in its individual capacity and its successors, assigns, agents and servants, from and against any and all liabilities (including strict tort liability), obligations, losses, damages, penalties, taxes (excluding any taxes, fees or other charges on, based on, or measured by, any fees or compensation received by the Indenture Trustee for services rendered in connection with the transactions contemplated hereby and any taxes, fees or other charges against which the Lessee is not required to

indemnify pursuant to Section 10 of the Debt Participation Agreement), claims, actions, suits, costs, expenses or disbursements (including reasonable legal fees and expenses) of any kind and nature whatsoever which may be imposed on, incurred by or asserted against the Indenture Estate or the Indenture Trustee (whether or not also indemnified against by any other person under any other document) in any way relating to or arising out of this Indenture, any Indenture Supplement, the Equipment Notes, the Lease, or the Debt Participation Agreement or the enforcement of any of the terms of any thereof, or in any way relating to or arising out of the manufacture, purchase, acceptance, nonacceptance, rejection, ownership, delivery, lease, sublease, possession, use, operation, condition, sale, return or other disposition of the Items of Equipment or any part thereof (including, without limitation, latent and other defects, whether or not discoverable, and any claim for patent, trademark or copyright infringement), or in any way relating to or arising out of the administration of the Indenture Estate or the action or inaction of the Lessor, the Lessee, or the Indenture Trustee hereunder except only in the case of willful misconduct or gross negligence or, with respect to the handling of funds, ordinary negligence of the Indenture Trustee in the performance of its duties hereunder or the breach of any of its representations and warranties set forth herein or in Section 7 of the Debt Participation Agreement; provided that the Indenture Trustee shall not make any claim under this Section 7.01 for any claim or expense indemnified against by the Lessee under the Debt Participation Agreement without first making demand on the Lessee for payment of such claim or expense; provided further that, notwithstanding any provision to the contrary herein, the scope of the Lessor's indemnity obligations under this Section 7.01 shall not exceed the scope of the indemnity obligations of the Lessee under Section 11 of the Debt Participation Agreement.

## ARTICLE VIII

### SUCCESSOR TRUSTEES

Section 8.01. Resignation of Indenture Trustee; Appointment of Successor. (a) The resignation or removal of the Indenture Trustee and the appointment of a successor Indenture Trustee shall become effective only upon the successor Indenture Trustee's acceptance of appointment as provided in this Section 8.01. The Indenture Trustee or any successor thereto may resign at any time without cause by giving at least 30 days' prior written notice to the Lessor,

the Lessee and the holders of the Equipment Notes. A Majority in Interest may at any time remove the Indenture Trustee without cause by an instrument in writing delivered to the Lessor, the Lessee and the Indenture Trustee. In addition, the Lessee, on behalf of the Lessor, may remove the Indenture Trustee if: (i) the Indenture Trustee fails to comply with Section 8.01(c), (ii) the Indenture Trustee is adjudged a bankrupt or an insolvent, (iii) a receiver or public officer takes charge of the Indenture Trustee or its property or (iv) the Indenture Trustee becomes incapable of acting as provided herein.

In the case of the resignation or removal of the Indenture Trustee, the Lessee, on behalf of the Lessor, shall promptly appoint a successor Indenture Trustee, provided that a Majority in Interest may appoint, within one year after such resignation or removal, a successor Indenture Trustee which may be other than the successor Indenture Trustee appointed as provided above, and such successor Indenture Trustee appointed as provided above shall be superseded by the successor Indenture Trustee so appointed by a Majority in Interest. If a successor Indenture Trustee shall not have been appointed and accepted its appointment hereunder within 60 days after the Indenture Trustee gives notice of resignation as provided above, the retiring Indenture Trustee, the Lessee, the Lessor or a Majority in Interest may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee. Any successor Indenture Trustee so appointed by such court shall immediately and without further act be superseded by any successor Indenture Trustee appointed as provided in the proviso to the fifth sentence of this paragraph (a) within one year from the date of the appointment by such court.

(b) Any successor Indenture Trustee, however appointed, shall execute and deliver to the Lessor and the Lessee and to the predecessor Indenture Trustee an instrument accepting such appointment, and thereupon such successor Indenture Trustee, without further act, shall become vested with all the estates, properties, rights, powers, duties and trusts of the predecessor Indenture Trustee hereunder in the trusts hereunder applicable to it with like effect as if originally named the Indenture Trustee herein; but nevertheless, upon the written request of such successor Indenture Trustee, such predecessor Indenture Trustee shall execute and deliver an instrument transferring to such successor Indenture Trustee, upon the trusts herein expressed applicable to it, all the estates, properties, rights, powers and trusts of such predecessor Indenture Trustee, and such

predecessor Indenture Trustee shall duly assign, transfer, deliver and pay over to such successor Indenture Trustee all monies or other property then held by such predecessor Indenture Trustee hereunder.

(c) The Indenture Trustee shall be a bank or trust company having a combined capital and surplus of at least \$100,000,000 (or the obligations and liabilities of which are irrevocably and unconditionally guaranteed by an affiliated company having a combined capital and surplus of at least \$100,000,000), if there be such an institution willing, able and legally qualified to perform the duties of the Indenture Trustee hereunder upon reasonable or customary terms.

(d) Any corporation into which the Indenture Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Indenture Trustee shall be a party, or any corporation to which substantially all the corporate trust business of the Indenture Trustee may be transferred, shall, subject to the terms of paragraph (c) of this Section, be the Indenture Trustee under this Indenture without further act.

## ARTICLE IX

### SUPPLEMENTS AND AMENDMENTS TO THIS INDENTURE AND OTHER DOCUMENTS

Section 9.01. (a) Supplemental Indentures Without Consent of Holders. The Lessor, the Lessee and the Indenture Trustee, at any time and from time to time, without notice to or the consent of any holders of any Equipment Notes, may enter into one or more indentures supplemental hereto for any of the following purposes:

(i) to correct or amplify the description of any property at any time subject to the Lien of this Indenture or better to assure, convey and confirm unto the Indenture Trustee any property subject or required to be subject to the Lien of this Indenture or to subject to the Lien of this Indenture any Item of Equipment or Items of Equipment substituted for any Item of Equipment or Items of Equipment in accordance with the Lease; provided, however, that indenture supplements entered into for the purpose of subjecting to the Lien of this Indenture any Item of Equipment or Items of Equipment

substituted for any in accordance with the Lease need only be executed by the Lessor; or

(ii) to evidence (in accordance with Article VIII) the succession of a new Indenture Trustee hereunder; or

(iii) to add to the covenants of the Lessor, for the benefit of the holders of the Equipment Notes, or to surrender any right or power herein conferred upon the Lessor; or

(iv) to cure any ambiguity, to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising hereunder so long as any such action does not adversely affect the interests of the holders of the Equipment Notes; or

(v) to evidence the Discharge and Conversion as provided in Section 2.11;

provided that no amendment of or supplement to this Indenture or any waiver or modification of the terms hereof may be effected without the written consent of each of the Lessor, the Lessee and, in accordance with this Section 9.01(a), the Indenture Trustee.

(b) Supplemental Indentures With Consent of Majority In Interest. With the written consent of a Majority in Interest (except as otherwise provided in Section 9.01 hereof), the Lessor and the Lessee may, and the Indenture Trustee, subject to Section 9.02 hereof, shall, at any time and from time to time, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights and obligations of holders of the Equipment Notes and of the Lessor under this Indenture; provided, however, without the consent of each holder of an Equipment Note affected thereby, no such supplemental indenture shall:

(1) change the final maturity of the principal of any Equipment Note, or change the dates or amounts of payment of any installment of the principal of or premium, if any, or interest on any Equipment Note, or reduce the principal amount thereof or the premium, if any, or interest thereon, or change to a location outside the United States the place of payment where, or

the coin or currency in which, any Equipment Note or the premium, if any, or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment of principal or premium, if any, or interest on or after the date such principal or premium, if any, or interest becomes due and payable; or

(2) create any lien with respect to the Indenture Estate ranking prior to, or on a parity with, the security interest created by this Indenture except such as are permitted by this Indenture, or deprive any holder of an Equipment Note of the benefit of the lien on the Indenture Estate created by this Indenture; or

(3) reduce the percentage in principal amount of the Equipment Notes, the consent of whose holders is required for any such supplemental indenture, or the consent of whose holders is required for any waiver of compliance with certain provisions of this Indenture, or of certain defaults hereunder and their consequences provided for in this Indenture; or

(4) modify any provisions of this Section 9.01(b), except to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the holder of each Equipment Note affected thereby;

provided that no amendment of or supplement to this Indenture or any waiver or modification of the terms hereof may be effected without the written consent of each of the Lessor, the Lessee, the Indenture Trustee and either a Majority in Interest or each holder of the Equipment Notes, as the case may be, in accordance with this Section 9.01(b).

Section 9.02. Indenture Trustee Protected. If in the opinion of the Indenture Trustee any document required to be executed pursuant to the terms of Section 9.01 adversely affects any right, duty, immunity or indemnity in favor of the Indenture Trustee under this Indenture, the Debt Participation Agreement or the Lease, the Indenture Trustee may in its discretion decline to execute such document.

Section 9.03. Request of Substance, Not Form. It shall not be necessary for the consent of the holders of Equipment Notes under Section 9.01(b) to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Section 9.04. Documents Mailed to Holders.

Promptly after the execution by the Indenture Trustee of any document entered into pursuant to Section 9.01(b), the Indenture Trustee shall mail, by first-class mail, postage prepaid, a conformed copy thereof to each holder of an Equipment Note at its address last known to the Indenture Trustee, but the failure of the Indenture Trustee to mail such conformed copies shall not impair or affect the validity of such document.

Section 9.05. Amendments, Waivers, etc. of Other Documents. (a) Without the consent of a Majority in Interest or such higher number of holders of Equipment Notes as provided in Section 9.05(c) below, the respective parties to the Lease and the Vendor Assignment Agreement may not modify, amend or supplement any of such agreements, or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder; provided, however, that the actions specified in subsection (b) of this Section 9.05 may be taken without the consent of the Indenture Trustee or of any holder of an Equipment Note.

(b) Subject to the provisions of subsection (c) of this Section 9.05, the respective parties to the Lease and the Vendor Assignment Agreement, at any time and from time to time without the consent of the Indenture Trustee or of any holder of an Equipment Note, may:

(1) so long as no Indenture Event of Default shall have occurred and be continuing, modify, amend or supplement the Lease, or give any consent, waiver, authorization or approval with respect thereto, except that without compliance with subsection (a) of this Section 9.05, the parties to the Lease shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Lease: Section 2, Section 3(a) (if the result thereof would be to shorten the Term (as defined in the Lease) to a period shorter than the period ending with the final maturity of the Equipment Notes), Section 3(b) (if the result thereof would be to decrease the Basic Rent payable in Dollars), Section 3(c) (except with respect

to Excepted Interests), Section 3(d), Section 3(e) (except with respect to any amounts payable in Yen) Section 5(c), Section 6, Section 7 (except Section 7(e), except insofar as it adversely affects the Indenture Trustee's rights under the Indenture or the availability to the Indenture Trustee of the benefits of Section 1168 of the Bankruptcy Code), Section 9 (except that (i) additional requirements may be imposed on the Lessee's ability to terminate the Lease and (ii) any amount payable pursuant thereto in Yen may be changed), Section 10 (except that (i) additional requirements may be imposed on the Lessee's ability to replace an Item of Equipment subject to an Event of Loss and (ii) any amount payable pursuant thereto in Yen can be changed), Section 11 (except that additional insurance requirements may be imposed on the Lessee), Section 12, Section 13 (b)(iv) and the first sentence of the first paragraph of Section 13(c), Section 14, Section 15, Section 16, Section 18 (except with respect to Excepted Interests), Section 19, Section 21(d), (e) (except with respect to any amounts payable in Yen), (f), (g) and (h) and Section 24; provided that, in the event an Indenture Event of Default shall have occurred and be continuing, the Indenture Trustee shall have all rights of the Lessor as "Lessor" under the Lease to modify, amend or supplement the Lease or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the "Lessor" thereunder; provided further that, subject to the Indenture Trustee's rights to exercise remedies under Section 15 of the Lease without the prior consent of the Lessor, and whether or not an Indenture Event of Default shall have occurred and be continuing, no such action shall be taken with respect to any of the provisions of the Lease set forth above and any definition of terms used in the Lease, to the extent that any modification of such definition would result in a modification of the Lease not permitted pursuant to this proviso or, to the extent such action shall affect the amount or timing of any amounts payable by the Lessee under the Lease as originally executed (or as subsequently modified with the consent of the Lessor) which, absent the occurrence and continuance of an Indenture Event of Default, will be distributable to the Lessor under Article III or any other section of the Lease; and any definition of terms used in the Lease, to the extent that any modification

of such definition would result in a modification of the Lease not permitted pursuant to this subsection (b);

Section 12.03. Lifting of Lessor's Liens. Notwithstanding clause (c) of Section 6 of the Lease, the Lessee hereby covenants and agrees with the Indenture Trustee that it shall, at all times, keep the Indenture Estate free and clear of all Lessor's Liens not promptly discharged or adequately bonded by the Lessor or being contested by the Lessor pursuant to and in accordance with the Lease.

### ARTICLE XIII

#### MISCELLANEOUS

Section 13.01. Release of Property. With respect to each Item of Equipment, this Indenture and the trusts created hereby shall terminate and this Indenture shall be of no further force or effect upon the earliest to occur of (i) the termination of the Lease with respect to such Item of Equipment pursuant to Section 10 thereof and upon payment in full to the Indenture Trustee of the amounts required to be paid pursuant to Section 2.10(b) in respect of such Item of Equipment, and (ii) the payment in full of the principal amount of and interest and premium (if any) on all Equipment Notes outstanding hereunder and all other sums payable to the Indenture Trustee and the holders of the Equipment Notes hereunder and under such Equipment Notes and under the Debt Participation Agreement, and, in any such event, the Indenture Trustee shall, upon the written request of the Lessor or the Lessee, execute and deliver to, and at the expense of, the Person submitting such request, an appropriate instrument (in due form for recording) furnished by such Person to the

Indenture Trustee, releasing such Item of Equipment from the Lien of this Indenture. Upon the partial prepayment of the Equipment Notes under Section 2.10(b) hereof as the result of an Event of Loss with respect to any Item of Equipment or upon the subjection to the Lien of this Indenture of a Replacement Item of Equipment as a result of an Event of Loss or otherwise, the Indenture Trustee shall, upon the written request of the Lessor or the Lessee, execute and deliver to, and at the expense of, the Person submitting such request, an appropriate instrument (in due form for recording) furnished by such Person to the Indenture Trustee, releasing the Item of Equipment with respect to which such prepayment or substitution occurred from the Lien of this Indenture.

Section 13.02. No Legal Title to Indenture Estate in Holders. No holder of an Equipment Note shall have legal title to any part of the Indenture Estate, the rights of all holders of Equipment Notes derive solely from this Indenture, the Indenture Estate and the other Operative Documents to the extent provided therein and the holders of the Equipment Notes derive no interest in the Items of Equipment other than their beneficial interest in the Indenture Estate. No transfer, by operation of law or otherwise, of any Equipment Note or other right, title and interest of any holder of an Equipment Note in and to the Indenture Estate or hereunder shall operate to terminate this Indenture or the trusts hereunder or entitle any successor or transferee of such holder to an accounting or to the transfer to it of legal title to any part of the Indenture Estate.

Any sale or other conveyance of any Items of Equipment by the Indenture Trustee made pursuant to the terms of this Indenture or the Lease shall bind the holders of the Equipment Notes and the Lessor and shall be effective to transfer or convey all right, title and interest of the Indenture Trustee, the Lessor and such holders of the Equipment Notes in and to the Equipment. No purchaser or other grantee shall be required to inquire as to the authorization, necessity, expediency or regularity of such sale or conveyance or as to the application of any sale or other proceeds with respect thereto by the Indenture Trustee.

after existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Indenture Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the time or thereafter any other right, power or remedy. No delay or omission by the Indenture Trustee in the exercise of any right, remedy or power or in the pursuance of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Lessor or the Lessee or to be an acquiescence therein.

Section 13.05. Discontinuance of Proceedings. In case the Indenture Trustee shall have proceeded to enforce any right, power or remedy under this Indenture by foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Indenture Trustee, then and in every such case the Lessor, the Indenture Trustee and the Lessee shall be restored to their former positions and rights hereunder with respect to the Indenture Estate, and all rights, remedies and powers of the Indenture Trustee shall continue as if no such proceedings had been undertaken (but otherwise without prejudice).

Section 13.06. Indenture and Equipment Notes for Benefit of Lessor, Indenture Trustee, Lessee and Holders Only. Nothing in this Indenture, whether express or implied, shall be construed to give to any Person other than the Lessor, the Indenture Trustee, the Lessee and the holders of the Equipment Notes any legal or equitable right, remedy or claim under or in respect of this Indenture or any Equipment Note.
