SECURITY AGREEMENT

SECURITY AGREEMENT AND COLLATERAL ASSIGNMENT, dated as of July 29, 1992, among each of the undersigned corporations (each, a "Grantor" and, collectively, the "Grantors") and WILMINGTON TRUST COMPANY, a Delaware banking institution and WILLIAM J. WADE, not in their respective individual capacities but solely as Trustees under the Trust Agreement, dated as of July 29, 1992, as amended (the "Trust Agreement") among the Grantors and the Trustees.

The parties hereto agree as follows:

1. Definitions. (a) The capitalized terms used herein which are defined in, or by reference in, Schedule I to the Trust Agreement referred to above shall have the meanings specified therein.

(b) The words "hereof", "herein" and "hereunder" and words of similar import when used in this Security Agreement shall refer to this Security Agreement as a whole and not to any particular provision of this Security Agreement.

2. Grant of Security Interest. To secure the due and punctual payment of all Secured Obligations, howsoever created, arising or evidenced, whether direct or indirect, absolute or contingent, now or hereafter existing or due or to become due, in accordance with the terms thereof and to secure the due and punctual performance of all of the obligations of each of the Obligors contained in the Security Documents, the Secured Instruments and the Trust Agreement, each Grantor hereby grants to the Trustees a security interest in all of such Grantor's right, title and interest in, to and under the following, except such of the following as such Grantor is prohibited by law or by any Contractual Obligation from granting a security interest in (all of which being more fully defined in Schedule I to the Trust Agreement are hereinafter collectively called the "Security"):

(i) all Equipment,

(ii) all Inventory,

(iii) all General Intangibles,

(iv) all Accounts,

(v) all Instruments, including Customer Instruments,

(vi) all Related General Intangibles,

(vii) all Chattel Paper, including Dealer Paper and Retail Paper,

(viii) all Documents,

(ix) all Insurance Policies, and

(x) all Proceeds of any and all of the foregoing

whether now existing or hereafter created or acquired.

3. Continuing Liability. Each Grantor hereby expressly agrees that, anything herein to the contrary notwithstanding, it shall remain liable under each contract, agreement, interest and obligation in which a security interest is granted to the Trustees hereunder to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with and pursuant to the terms and provisions thereof. Neither the Trustees, nor any Public Debt Trustees, nor any Private Agent, nor the Agent, nor any other Secured Party shall have any obligation or liability under any such contract, agreement, interest or obligation by reason of or arising out of this Security Agreement or the grant of a security interest therein to the Trustees or the receipt by the Trustees, any Public Debt Trustee, the Agent, any Private Agent or any other Secured Party of any payment relating to any such contract, agreement, interest or obligation pursuant hereto, nor shall the Trustees, any Public Debt Trustee, the Agent, any Private Agent or any other Secured Party be required or obligated in any manner to perform or fulfill any of the obligations of any Grantor thereunder or pursuant thereto, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any such contract, agreement, interest or obligation, or to present or file any claim, or to take any action to collect or enforce any performance or the payment of any amounts in which a security interest may have been granted to it or to which it may be entitled at any time or times.

4. Remedies, Rights Upon Acceleration of Secured Obligations. (a) If a Notice of Acceleration is in effect:

(i) The Trustees may at any time, without further notice to any Grantor, notify account debtors and other Persons whose obligations to any Grantor have been subjected to a security interest hereunder that a security interest in such obligations has been granted to the Trustees and that payments thereunder or in respect thereof shall be made directly to the Corporate Trustee. If requested by the Trustees, each Grantor will (at such Grantor's own expense) so notify such account debtors and other Persons. The Trustees may in their own names or in the name of others communicate with such account debtors and other Persons.

(ii) All payments received by any Grantor under or in connection with any of the Security shall be held by such Grantor in trust for the Trustees, shall be segregated from

other funds of such Grantor and shall, forthwith upon receipt by such Grantor, be turned over to the Corporate Trustee, in the same form as received by such Grantor (duly indorsed to the Corporate Trustee, if required) for deposit in the Collateral Account.

(iii) Any and all such payments so received by the Trustees (whether from a Grantor or otherwise), or received by the Trustees by virtue of the exercise of the license granted to the Trustees in Section 6 hereof, shall be deposited by the Trustees in the Collateral Account and shall be held by the Trustees as part of the Trust Estate. Any Proceeds which are Security, whether consisting of checks, notes, drafts, bills of exchange, money orders, or commercial paper of any kind whatsoever shall be held or deposited, when collected, in the Collateral Account and held as part of the Trust Estate subject to withdrawal and distribution by the Trustees as provided in the Trust Agreement.

(b) If a Notice of Acceleration is in effect, the Trustees may exercise, in addition to all other rights and remedies granted to them in this Security Agreement, all rights and remedies of a secured party under the Code. Without limiting the generality of the foregoing, each Grantor expressly agrees that in any such event the Trustees, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon any Grantor or any other Person (all and each of which demands, advertisements and/or notices are hereby expressly waived), may forthwith collect, receive, appropriate and realize upon the Security, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or sell or otherwise dispose of and deliver said Security (or contract to do so), or any part thereof, in one or more parcels at public or private sale or sales, at any exchange, broker's board or at any of the Corporate Trustee's offices or elsewhere at such prices as it may deem best, for cash or credit or for future delivery without assumption of any credit risk. The Trustees or any Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Security so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby expressly waived and released. Each Grantor further agrees, if a Notice of Acceleration is in effect, at the Trustees' request, to assemble the Security (to the extent the same is in tangible form) and to make it available to the Trustees at places which the Trustees shall reasonably select, whether at such Grantor's premises or elsewhere. The Trustees shall deposit the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale in the Collateral Account pursuant to subsection 3.1 of the Trust Agreement. To the extent permitted by applicable law, each Grantor waives all claims,

damages and demands against the Trustees, any Public Debt Trustee, any Private Agent, the Agent or any Secured Party arising out of the repossession, retention or sale of the Security. Each Grantor agrees that the Trustees need not give more than 10 days' notice (which notification shall be deemed given when mailed, postage prepaid, addressed to such Grantor at its address determined pursuant to Section 8 hereof) of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matters.

5. Delivery of Instruments. The Corporate Trustee shall hold in its possession all Customer Instruments and other Instruments pledged, assigned or transferred hereunder and from time to time constituting a portion of the Security, except for any documents or instruments which from time to time are certified by the relevant Grantor to be required for recordation or for the purpose of enforcing or realizing upon any right or value represented thereby or except as may be required in the administration of a Grantor's business in the ordinary course (subject to such requirements as the Trustees or any custodian shall reasonably request) and except as otherwise permitted by the CFC Credit Agreement or the Trust Agreement. The Corporate Trustee may, from time to time, in its sole discretion, appoint one or more agents or nominees (which in no case shall be a Grantor or an affiliate, employee or agent of any Grantor) to hold physical custody, for the account of the Corporate Trustee, of any or all Instruments.

6. Grant of License to Use Intangibles. For the purpose of enabling the Trustees to exercise rights and remedies under Section 4 hereof at such time as the Trustees, without regard to this Section 6, shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, each Grantor hereby grants to the Trustees an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, assign, license or sublicense any of the General Intangibles, now owned or hereafter acquired by such Grantor, and wherever the same may be located, including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof.

7. Representations and Warranties. Each Grantor represents and warrants that its chief executive office is located at the address specified on Schedule VII to the CFC Credit Agreement.

8. Notices. All notices or other communications hereunder shall be given in the manner and to the addresses determined under subsection 7.1 of the Trust Agreement.

9. Severability. Any provision of this Security Agreement which is prohibited or unenforceable in any

jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10. No Waiver; Cumulative Remedies. Neither the Trustees nor the Secured Parties shall by any act, delay, omission or otherwise be deemed to have waived any of its or their rights or remedies hereunder and no waiver shall be valid unless in writing, signed by the Trustees, and then only to the extent therein set forth. A waiver by the Trustees of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Trustees or the Secured Parties would otherwise have had on any future occasion. No failure to exercise nor any delay in exercising on the part of the Trustees any right, power or privilege hereunder, shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege. The rights and remedies hereunder provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by law.

11. Waivers; Amendments. None of the terms and provisions of this Security Agreement may be waived, altered, modified or amended except by an instrument in writing executed by the parties hereto in accordance with subsection 7.3 of the Trust Agreement.

12. Limitation by Law and Contract. All rights, remedies and powers provided under this Security Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law or any Contractual Obligation, and all the provisions under this Security Agreement are intended to be subject to all applicable mandatory provisions of law or any Contractual Obligation which may be controlling and (subject to Section 9 hereof) to be limited to the extent necessary so that they will not render this Security Agreement invalid, unenforceable in whole or in part or not entitled to be recorded, registered, or filed under the provisions of any applicable law. In addition, and without limiting the generality of the foregoing, (x) if any applicable law or Contractual Obligation restricts the granting of a security interest in any property or asset of a Grantor unless one or more consents have been obtained or one or more conditions have been satisfied, then such property or asset shall not be subject to a security interest hereunder unless such consents have been obtained and such conditions have been satisfied, and (y) if any applicable law or Contractual Obligation restricts the sale, assignment or other transfer of any interest of a Grantor which is subject to a security interest hereunder unless one or more consents have been obtained or one or more conditions have been satisfied, then no such sale, assignment or other transfer of such interest shall be made hereunder or in connection herewith unless such consents have been obtained and such conditions have been satisfied.

13. Successors and Assigns. This Security Agreement shall be binding upon and inure to the benefit of the parties hereto and shall inure to the benefit of the Secured Parties and their respective successors and assigns and nothing herein or in the Trust Agreement or any other Security Document is intended or shall be construed to give any other Person any right, remedy or claim under, to or in respect of this Security Agreement, the Trust Agreement any other Security Document or any Collateral.

14. Effectiveness. Anything in this Security Agreement to the contrary notwithstanding, this Security Agreement shall not become effective until the Restatement Effective Date specified in a notice delivered to the Corporate Trustee pursuant to subsection 12.2 of the CFC Credit Agreement. Until the Restatement Effective Date, this Security Agreement shall have no force or effect, no representation or warranty contained herein shall be deemed made, no Grantor shall have any obligations hereunder, and no security interest shall be created hereby. The parties intend that the foregoing shall constitute an explicit agreement within the meaning of the second sentence of Section 9-203(2) of the Code postponing the time of attaching of the liens described in this Security Agreement until the Restatement Effective Date.

15. Termination of Security Agreement. This Security Agreement, and all of the obligations of each Grantor hereunder, shall terminate simultaneously with the reversion of the Trust Estate to the Obligors in accordance with subsection 7.10(a) of the Trust Agreement.

16. Right to Sell. It is agreed that, to the extent permitted by subsection 5.1 of the Trust Agreement, each Grantor shall have the right to sell or otherwise dispose of, free and clear of the security interest created hereby, any of the Security.

17. Applicable Law. This Security Agreement shall be governed by, and be construed and interpreted in accordance with, the law of the State of New York.

IN WITNESS WHEREOF, the parties hereto have caused this Security Agreement to be executed and delivered (by their duly authorized officers in the case of corporate parties) as of the date first set forth above.
