Without limiting the foregoing, the Collateral Agent is hereby authorized to file one or more financing statements (including fixture filings), continuation statements, filings with the United States Patent and Trademark Office, United States Copyright Office or the Interstate Commerce Commission (or any successor office or any similar office in any other

country) or other documents for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest granted by each Grantor, without the signature of any Grantor, naming any Grantor or the Grantors as debtors and the Collateral Agent as secured party. The Collateral Agent shall provide to the applicable Grantor notice of the filing of all statements or other documents pursuant to this Section 2.

Each of the Grantors agrees at all times to keep accurate and complete accounting records with respect to the Collateral, including a record of all payments and Proceeds received.

The Security Interest is granted as security only and shall not subject the Collateral Agent or any Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of any of the Collateral.

3. Further Assurances. Each of the Grantors agrees, at its expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent or any of the Secured Parties may from time to time reasonably request for the better assuring and preserving of the security interests and the rights and remedies created hereby, including, without limitation, the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the security interests created hereby and the filing of any financing statements or other documents in connection herewith. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any promissory note, security agreement, guaranty or other instrument, such note, security agreement, guaranty or instrument shall be immediately pledged and delivered to the Collateral Agent pursuant to the Pledge Agreement, duly endorsed in a manner satisfactory to the Collateral Agent.

4. Inspection and Verification. The Collateral Agent and such persons as the Collateral Agent may reasonably designate shall have the right, at any reasonable time or times with reasonable prior notice during the usual business hours of any Grantor, to inspect the Collateral of such Grantor, all records related thereto (and to make extracts and copies from such records), and the premises upon which any of the Collateral is located, to discuss such Grantor's affairs with the officers of such Grantor and

their independent accountants and to verify under reasonable procedures the validity, amount, quality, quantity, value, and condition of, or any other matter relating to, the Collateral, including, in the case of Accounts or Collateral in the possession of any third person, contacting any Account Debtor or the third person possessing such Collateral for the purpose of making such a verification (it being understood that where appropriate the Collateral Agent and any such designees shall observe reasonable safety procedures, sign reasonable releases of Grantor liability and agree to be accompanied by employees of the applicable Grantor prior to entering upon such premises). The Collateral Agent shall have the absolute right (unless prohibited by law) to share any information it gains from such inspection or verification with any or all of the Secured Parties.

5. Taxes; Encumbrances. At its option, the Collateral Agent, upon five Business Days' notice to the applicable Grantor, may discharge past due taxes, liens, security interests or other encumbrances at any time levied or placed on the Collateral of such Grantor and not permitted under the Transaction Documents, and may pay for the maintenance and preservation of the Collateral to the extent any of the Grantors fails to do so as required by the Transaction Documents, and each of the Grantors jointly and severally agrees to reimburse the Collateral Agent on demand for any payment made or any expense incurred by it pursuant to the foregoing authorization; provided, however, that nothing in this Section 5 shall be interpreted as excusing the Grantors from the performance of any covenants or other promises with respect to taxes, liens, security interests or other encumbrances and maintenance as set forth herein or in the Transaction Documents or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, liens, security interests or other encumbrances and maintenance as set forth herein or in the Transaction Documents.

6. Assignment of Security Interest. If at any time any of the Grantors shall take and perfect a security interest in any property of an Account Debtor or any other person to secure payment and performance of an Account, such Grantor shall promptly assign such security interest to the Collateral Agent. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other person granting the security interest.

7. Representations and Warranties. Each Grantor represents, warrants and covenants, as to itself and the Collateral pledged by it hereunder, to and with the Collateral Agent and the Secured Parties that:

(a) Title and Authority. Such Grantor has rights in and good title to the Collateral with respect to which it has purported to grant the Security Interest hereunder and has full corporate power and authority to grant to the Collateral Agent the Security Interest in such Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other person other than any consent or approval which has been obtained.

(b) Filings. (i) Upon the filing of this Agreement with the ICC in accordance with 49 U.S.C. § 11303, and the depositing of this Agreement with the Registrar General of Canada (notice of such deposit to be forthwith given in The Canada Gazette) pursuant to Section 90 of the Railway Act of Canada, there will be established a valid, legal and perfected security interest in favor of the Collateral Agent in all Collateral consisting of rolling stock, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in the United States or in Canada to establish or maintain such security interest and the perfection and priority thereof.

(ii) Fully executed Uniform Commercial Code financing statements containing a description of the Collateral have been delivered to the Collateral Agent for filing in every governmental, municipal or other office in every jurisdiction in which any material portion of the Collateral (other than rolling stock) is located necessary to establish a valid, legal and perfected security interest in favor of the Collateral Agent in respect of the Collateral located therein in which a security interest may be perfected by filing in the United States and its territories and possessions (other than the filing referred to in clause (i)), and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements, to establish or maintain such security interest and the perfection and priority thereof.

(iii) The Perfection Certificate has been duly prepared, completed and executed and the information set

forth therein is correct and complete. Paragraph 1 of the Perfection Certificate sets forth, as to each Grantor, its corporate name as set forth in its certificate of incorporation, as amended, and the location of its chief executive office or its principal place of business. Schedule I to the Perfection Certificate sets forth, as to each Grantor, each state and county in which a material portion of the Collateral (other than rolling stock) is located and/or in which is located any office in which it maintains records relating to a material portion of the Collateral owned by it and each state and county in which any material parcel of real estate is located in which it has an interest.

(c) Validity of Security Interest. The Security Interest, assuming filing of the documents referred to in paragraph (b) above, constitutes a valid, legal and perfected security interest in all of the Collateral (other than Collateral which individually and in the aggregate is not material to the Company and its subsidiaries) for payment and performance of the Obligations and the Collateral is not, and will not be at any time, subject to any liens, other than liens permitted by Section 6.04 of the Credit Agreement and Section 9.02 of the Note Purchase Agreement or created hereby.

8. Location of Collateral; Place of Business; Records and Schedules of Accounts and Collateral; Marking of Rolling Stock; Documents of Title. (a) Each Grantor agrees promptly to notify the Collateral Agent of any change (i) in its corporate name or in any trade name used to identify it in the conduct of its business or in the ownership of its properties, (ii) in the location of its chief executive office or its principal place of business, or in the location (other than to a state or county set forth on Schedule I to the Perfection Certificate or in which filings which meet the requirements of Section 7(b)(ii) above have been made) of any office in which it maintains records relating to a material portion of the Collateral owned by it or the offices or facilities at which a material portion of the Collateral (other than rolling stock) owned by it is located (including the establishment of any such new office or facility) or (iii) in its identity or corporate structure. Each Grantor agrees not to effect or permit any change referred to in the preceding sentence unless all filings under the Uniform Commercial Code or otherwise which are required in order for the Collateral Agent to continue at all times following such change to have a valid and perfected first priority security interest in all the Collateral to be located in the new state and/or county have been made. Each Grantor agrees promptly to notify the

Collateral Agent if any material portion of the Collateral is damaged or destroyed.

(b) Each Grantor shall keep or cause to be kept records of Accounts which are accurate in all material respects.

(c) Each Grantor agrees to maintain complete and accurate records in all material respects with respect to the Collateral, in addition to those records described in the foregoing paragraph (b), owned by it, including, but not limited to, a record of all payments and Proceeds received, and, at such time or times as the Collateral Agent may request, promptly to prepare and deliver to the Collateral Agent a duly certified schedule or schedules in such form and detail as the Collateral Agent may reasonably request, showing the identity, amount and location of any and all such Collateral.

(d) Each Grantor shall keep and maintain, or cause to be kept and maintained, plainly, distinctly, permanently and conspicuously marked on any rolling stock that is hereafter acquired or obtained by any Grantor in a transaction or series of related transactions which either individually or in the aggregate, as the case may be, involve a total purchase price of not less than $10,000,000 for such rolling stock (including, without limitation, through the exercise of any purchase option) in letters not less than seven-sixteenths of an inch in height:

"OWNERSHIP SUBJECT TO SECURITY AGREEMENT FILED WITH THE INTERSTATE COMMERCE COMMISSION"

or other appropriate words of similar effect with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the security interests of the Secured Parties in such rolling stock and its rights hereunder. Each Grantor agrees that it will cause all rolling stock when subject to routine off-line maintenance to be numbered with the respective serial, running or other identifying numbers (and to bear the above-captioned legend). To the extent that such numbers are present on the rolling stock owned by the Grantors as of the date hereof, such numbers are set forth completely and accurately in Schedule II to the Perfection Certificate. Each Grantor agrees that it will not place any item of rolling stock purchased in a transaction or a series of related transactions for a purchase price of not less than $10,000,000 in service or otherwise exercise any control or dominion over any item of rolling stock if the serial,

running or other identifying number of such item of rolling stock is not contained in Schedule II to the Perfection Certificate, unless and until an amendment to this Agreement shall have been filed and recorded by such Grantor with the ICC and deposited with the Registrar General of Canada (notice of such deposit to be forthwith given in The Canada Gazette) pursuant to Section 90 of the Railway Act of Canada, and, at the request of the Collateral Agent in its sole and absolute discretion, such Grantor shall have furnished to the Collateral Agent a legal opinion to the effect that (i) such amendment has been so filed and recorded, (ii) such filing and recordation will protect the Security Interest in the rolling stock and (iii) no other filing or recording with or to any other Federal, state or local government or agency thereof is necessary to protect the Security Interest in the rolling stock in the United States or Canada. If any Grantor fails to take any action specified in the immediately preceding sentence, the Grantors hereby authorize the Collateral Agent to modify this Agreement by amending Schedule II to the Perfection Certificate as applicable, to reflect such changes or additions to the serial, running or other identifying numbers contained therein and to record the same with the ICC and the Registrar General of Canada.

(e) Each of the Grantors agrees immediately to deliver all documents of title (as such term is defined in the Uniform Commercial Code) to the Collateral Agent or its designee upon the creation and issuance of such documents of title to the extent necessary to maintain a valid, legal and perfected security interest in favor of the Collateral Agent in respect of any Equipment (including, without limitation, all vehicles).

9. Protection of Security. Each Grantor shall, at its own cost and expense, take any and all actions necessary to defend its right, title or other interest in and to the Collateral against all persons and to defend the Security Interest of the Collateral Agent in the Collateral and the priority thereof, against any lien not permitted under the Transaction Documents.

10. Continuing Obligations of the Grantors. Each of the Grantors shall remain liable to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement, interest or obligation relating to the Collateral, all in accordance with the terms and conditions thereof, and shall indemnify and hold harmless the Collateral Agent and the Secured Parties and each of them severally, from any and all

liability for such performance (such indemnification to survive the termination of this Agreement).

11. Insurance. (a) Each Grantor shall, at its sole cost and expense, use its best efforts to maintain insurance policies (i) naming the Collateral Agent as an additional insured or loss payee, as the case may be, with respect to the Collateral in accordance with the provisions of Section 5.02 of the Credit Agreement and Section 8.05 of the Note Purchase Agreement, and (ii) that provide that such policies may not be canceled or otherwise terminated without at least 10 days' prior written notice to the Collateral Agent and shall permit the Collateral Agent to pay any premium thereof within 10 days after receipt of any notice stating that such premium has not been paid when due. Each Grantor required to maintain insurance policies hereunder shall (A) deliver or cause the applicable insurance broker to deliver annually to the Collateral Agent a certificate stating and certifying to the expiration date of each such required insurance policy, (B) notify the Collateral Agent at least 10 Business Days prior to such expiration date if such Grantor intends to permit such policy to expire and (C) notify the Collateral Agent within 3 Business Days of such Grantor's receipt of notice of cancelation or other termination of such insurance policy from the issuer of such insurance policy. The policy or policies of such insurance or certificates of insurance evidencing the required coverages shall be delivered to the Collateral Agent. In the event of a casualty loss, the proceeds from such insurance policies shall be paid and applied as specified in Paragraph (b) below.

(b) Casualty Loss. If any portion of the Collateral shall be destroyed or damaged by fire or any other casualty, resulting in a loss in excess of $5,000,000, the Grantors shall give immediate notice to the Collateral Agent of any such destruction or damage, who may make proof of loss if not promptly made by the Grantors, and each insurance company concerned is hereby authorized and directed by the Grantors to make payment for any loss in excess of $5,000,000 directly to the Collateral Agent; provided, however, that such insurance company may first make payment to any creditor possessing a Lien on such Collateral that is prior to the Lien of the Collateral Agent in an amount equal to the obligations secured by such Collateral. In the case of any loss of less than $5,000,000, the Grantors shall have the right to adjust such loss independently of the Collateral Agent, and available proceeds net of any costs and expenses of the Grantors or the Collateral Agent, shall be

paid directly to the Grantors and, within 12 months of the receipt of such proceeds, at the election of the Grantors either (i) applied by the Grantors, at the election of the Grantors, (A) to the repair, restoration and replacement of the Collateral or (B) to the purchase of capital assets or to other Capital Expenditures resulting in or improving capital assets or (ii) treated as Net Proceeds of a disposition of property for purposes of the Credit Agreement and the Note Purchase Agreement (including for the purposes of the definition therein of Excess Cash Flow). In the event of any loss in excess of $5,000,000, the Collateral Agent shall participate in the adjustment of such loss, available proceeds in respect of such loss shall, within 12 months of the receipt of such proceeds at the election of the Grantors, be either (i) paid to the Collateral Agent and such proceeds, net of any costs and expenses of the Grantors or the Collateral Agent, shall be applied at the election of the Grantors (A) to the repair, restoration and replacement of the Collateral, (B) to the purchase of capital assets or to other Capital Expenditures resulting in or improving capital assets or (ii) treated as Net Proceeds of a disposition of property for purposes of the Credit Agreement and the Note Purchase Agreement (including for the purposes of the definition therein of Excess Cash Flow); provided, however, that if the amount of any loss exceeds $20,000,000, such proceeds shall not be applied to the purchase of capital assets or other Capital Expenditures resulting in capital assets without the Collateral Agent's consent. In the case of the repair, restoration and replacement of Collateral or the purchase of capital assets or other Capital Expenditure as referred to above, the Grantors shall in each case involving the application of insurance proceeds in excess of $5,000,000 provide the Collateral Agent with certification reasonably satisfactory to the Collateral Agent that the fair value of such repair, restoration, replacement or resulting capital asset is not less than the value of such proceeds applied thereto.

Notwithstanding the foregoing, upon the occurrence and during the continuance of a Default or an Event of Default all insurance proceeds in excess of $100,000 shall be paid to the Collateral Agent, and such proceeds, net of any costs and expenses, of the Grantors and the Collateral Agent, shall, within 12 months of the receipt of such proceeds, at the election of the Collateral Agent, either (i) be applied as directed by the Collateral Agent in its sole discretion (A) to the repair, restoration and replacement of the Collateral, (B) to the purchase of capital assets or to other Capital Expenditures resulting in capital

assets or (ii) treated as Net Proceeds of a disposition of property for purposes of the Credit Agreement and the Note Purchase Agreement (including for the purposes of the definition therein of Excess Cash Flow).

12. Use and Disposition of Collateral. None of the Grantors (i) shall make or permit to be made an assignment, pledge or hypothecation of the Collateral, and shall grant no other security interest in the Collateral (other than pursuant hereto) or (ii) shall make or permit to be made any transfer of the Collateral, and, except for use in the ordinary course of business of rolling stock and other Equipment of the Company and Midwestern Railroad Properties, Incorporated, shall remain at all times in possession thereof other than transfers to the Collateral Agent pursuant to the provisions hereof; the Grantors may use and dispose of the Collateral in any lawful manner not inconsistent with the provisions of this Agreement, or any other Transaction Document, unless the Collateral Agent shall, after a Default or an Event of Default shall have occurred and during the continuance thereof, notify the Grantors not to sell, convey, lease, assign, transfer or otherwise dispose of any Collateral.

13. Limitation on Modifications of Accounts. None of the Grantors will, without the Collateral Agent's prior written consent, grant any extension of the time of payment of any of the Accounts Receivable, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any person liable for the payment thereof, or allow any credit or discount whatsoever thereon except for extensions, credits, discounts, compromises or settlements granted or made in the ordinary course of business. After a Default or an Event of Default shall have occurred and during the continuance thereof, the Collateral Agent may notify the Grantors not to grant or make any such extension, credit, discount, compromise, or settlement under any circumstances without its prior written consent.

14. Collection Deposit Accounts. (a) At any time after a Default or Event of Default shall have occurred and be continuing, upon written request of the Collateral Agent, each Grantor agrees (i) to establish and maintain lockbox accounts (the "Collection Deposit Accounts") with the Collateral Agent or with any financial institutions that (x) are satisfactory to the Collateral Agent, (y) agree that they will act solely on behalf of the Collateral Agent and (z) agree that with respect to such lockbox accounts such financial institutions will not exercise any right of setoff

against any Grantor, (ii) to notify and direct promptly each Account Debtor and every other person obligated to make payments and remittances on Accounts Receivable to make all such payments and remittances to the Collection Deposit Accounts and (iii) will cause all dividehds, distributions or any other amounts received from WRPI to be paid directly into a Collection Deposit Account. Each Grantor shall use all reasonable efforts to cause each Account Debtor and every other person identified in the preceding sentence to make all payments and remittances with respect to Accounts Receivable directly to the Collection Deposit Accounts.

(b) Each Grantor shall use its best efforts to prevent any funds which are not payments on Accounts Receivable or WRPI dividends or distributions from being deposited into, or otherwise commingled with, the funds held in the Collection Deposit Accounts. Other than upon the happening and during the continuance of an Event of Default, the applicable Grantor may at any time withdraw any of the funds contained in a Collection Deposit Account for use, subject to the provisions of the Transaction Documents and the Hedging Agreements, for general corporate purposes.

(c) Upon the occurrence and during the continuance of an Event of Default, each Collection Deposit Account will, without any further action taken on the part of any Grantor or the Collateral Agent, automatically convert into a closed lockbox account under the exclusive dominion and control of the Collateral Agent in which funds are held subject to the rights of the Collateral Agent hereunder. No Grantor shall thereafter have any right or power to withdraw any funds from any Collection Deposit Account without the prior written consent of the Collateral Agent until all Events of Default are cured or waived.

(d) In the event that any Grantor directly receives any payments or remittances on Accounts Receivable or dividends or distributions from WRPI, notwithstanding the arrangements for payment directly into the Collection Deposit Accounts, such payments or remittances shall be held in trust for the benefit of the Collateral Agent and the Secured Parties and shall be segregated from other funds of the applicable Grantor, subject to the Security Interest granted hereby, and such Grantor shall cause such payments and remittances to be deposited into the Collection Deposit Account (in the form received) maintained with the Collateral Agent as soon as practicable after such Grantor's receipt thereof.

15. Collections. Upon the occurrence and during the continuance of an Event of Default, the Collateral Agent shall have the right, as the true and lawful agent of each of the Grantors, with power of substitution for each Grantor and in each Grantor's name, the Collateral Agent's name or otherwise, for the use and benefit of the Collateral Agent and the Secured Parties (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts Receivable to any customer; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to or pertaining to all or any of the Collateral; (g) to notify, or to require the Grantors to notify, the Account Debtors obligated on any or all of the Accounts Receivable to make payment thereof directly to the Collateral Agent; and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes; provided, however, that nothing herein contained shall be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby, and no action taken by the Collateral Agent or omitted to be taken with respect to the Collateral or any part thereof shall give rise to any defense, counterclaim or offset in favor of the Grantors or to any claim or action against the Collateral Agent. Upon taking of possession of any Collateral hereunder, the Collateral Agent shall deal with such Collateral in substantially the same manner as it deals with similar property for its own account. It is understood and agreed that the appointment of the Collateral Agent as the agent of each of the Grantors for the purposes set forth above in this Section 15 is coupled with an

interest and is irrevocable. The provisions of this Section 15 shall in no event relieve any Grantor of any of its obligations hereunder or under any other Transaction Document with respect to the Collateral or any part thereof or impose any obligation on the Collateral Agent, or the Secured Parties to proceed in any particular manner with respect to the Collateral or any part thereof, or in any way limit the exercise by the Collateral Agent or any Secured Party or any other or further right which it may have on the date of this Agreement or hereafter, whether hereunder, under any other Transaction Document or by law or otherwise.

16. Remedies upon Default. Upon the occurrence and during the continuance of an Event of Default, each of the Grantors agrees to deliver each item of Collateral to the Collateral Agent on demand, and it is agreed that the Collateral Agent shall have the right to take any or all of the following actions at the same or different times: with or without legal process and with or without previous notice or demand for performance, to take possession of the Collateral and without liability for trespass to enter any premises where the Collateral may be located for the purpose of taking possession of or removing the Collateral and, generally, to exercise any and all rights afforded to a secured party under the Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing, each of the Grantors agrees that the Collateral Agent shall have the right, subject to the mandatory requirements of current law, to sell or otherwise dispose of all or any part of the Collateral, at public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereto, and upon consummation of any such sale the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any of the Grantors, and each of the Grantors hereby waives (to the maximum extent permitted by law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Collateral Agent shall give the applicable Grantor 10 days' prior written notice (which each of the Grantors agrees is reasonable notice within the meaning of Section 9-504(3) of the Uniform Commercial Code as in effect in the State of New York or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral of such Grantor. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. Subject to the terms of the Intercreditor Agreement, at any public sale made pursuant to this Section 16, the Collateral Agent or any Secured Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any of the Grantors (all said rights being also hereby waived and released to the maximum extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to the Collateral Agent and the Secured Parties from any of the Grantors as a credit against the purchase price, and it may, upon compliance with the terms of sale, hold, retain and dispose of such property

without further accountability to any of the Grantors therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement, and none of the Grantors shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the obligations paid in full: provided, however, that in the event the Obligations shall have been paid in full, the Grantors shall be entitled to the return of the proceeds of the sale of any such Collateral to the extent not applied to payment of the Obligations. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 16 shall be deemed to conform to commercially reasonable standards as provided in Section 9-504(3) of the Uniform Commercial Code as in effect in the State of New York.

17. Application of Proceeds. The Collateral Agent shall apply the proceeds of any collection or sale of the Collateral as follows:

FIRST, to the payment of all costs and expenses incurred by the Collateral Agent (in its capacity as such hereunder or under any other Transaction Document) in connection with such collection or sale or otherwise in connection with this Agreement, any other Transaction Document or any of the Obligations, including all court costs and the fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder or under any other Transaction Document on behalf of any of the Grantors and any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Transaction Document;

SECOND, to the Collateral Agent for distribution to the Participating Creditors as provided in Article IV of the Intercreditor Agreement for the payment in full of Indebtedness and satisfaction of the Obligations owed to the Participating Creditors; and

THIRD, to the Grantors, their successors or assigns, or as a court of competent jurisdiction may otherwise direct.

Subject to the terms of the Intercreditor Agreement, the Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances. Upon any sale of the Collateral by the Collateral Agent (including, without limitation, pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

18. Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest, and all obligations of the Grantors hereunder, shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of any Transaction Document, any Hedging Agreement any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from any Transaction Document, any Hedging Agreement or any other agreement or instrument, (c) any exchange, release or nonperfection of any other Collateral, or any release or amendment or waiver of or consent to or departure from any guaranty, for all or any of the Obligations, or (d) any other circumstance which might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Obligations or in respect of this Agreement (other than the indefeasible payment in full of all the Obligations by any Grantor).

19. Release Pursuant to Mortgage. In addition to the release provisions set forth in the Intercreditor Agreement and the Note Purchase Agreement, so long as no Actionable Default shall have occurred and be continuing under the Credit Agreement or the Note Purchase Agreement and subject to the observance and performance of the terms of this Security Agreement, the Grantors may sell, exchange, transfer, assign, convey, grant an interest in or otherwise dispose of any Collateral constituting Fixtures then subject to the Security Interest of this Security Agreement and

without the necessity of any release instrument by or notice to the Secured Parties if a release with respect to such Collateral constituting Fixtures is given or is effective pursuant to Section 3.2 of the Mortgage.

20. No Waiver. No failure on the part of the Collateral Agent or any Secured Party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy by the Collateral Agent or any Secured Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by law. Neither the Collateral Agent nor the Secured Parties shall be deemed to have waived any rights hereunder or under any other agreement or instrument unless such waiver shall be in writing and signed by such parties.

21. Amendment, Modification, Waiver. (a) Except as provided in the Intercreditor Agreement, neither this Security Agreement nor any provision hereof may be waived, amended or modified except pursuant to a written agreement entered into between and among the Grantors and the Collateral Agent, with the prior written consent of the Required Lenders and the Required Holders; provided, however, that except as provided herein, in the Transaction Documents or in the Hedging Agreements, no such agreement shall amend, modify, waive or otherwise adversely affect a Secured Party's rights and interests in any material amount of the Collateral without the prior written consent of such Secured Party.

22. Collateral Agent Appointed Attorney-in-Fact. Except as otherwise provided herein, each of the Grantors hereby appoints the Collateral Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument which the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest.

23. Collateral Agent's Fees and Expenses. The Grantors agree, jointly and severally, to reimburse the Collateral Agent, on demand, for any and all expenses and its fully allocated internal costs, including the fees and expenses of its counsel and of any experts or agents, which the Collateral Agent may incur in connection with (i) the

administration of this Agreement, (ii) the custody or preservation of, or the sale of, collection from, or other realization upon, any of the Collateral, (iii) the exercise or enforcement of any of the rights of the Collateral Agent hereunder, or (iv) the failure by any Grantor to perform or observe any of the provisions hereof and to indemnify the Collateral Agent and hold the Collateral Agent harmless to the full extent permitted by law from and against any and all liability incurred by the Collateral Agent hereunder or in connection herewith, unless such liability shall be due to wilful misconduct or gross negligence on the part of the Collateral Agent (such indemnity to survive the termination of this Agreement). If any Grantor shall fail to do any act or thing which it has covenanted to do hereunder or any representation or warranty of any Grantor hereunder shall be breached, the Collateral Agent may (but shall not be obligated to) do the same or cause it to be done or remedy any such breach and there shall be added to the Obligations the cost or expense incurred by the Collateral Agent in so doing, and any and all amounts expended by the Collateral Agent in taking any such action, including without limitation any legal fees in connection therewith, shall be payable to the Collateral Agent upon demand to such Grantor therefor and shall bear interest at the rate of interest equal to 3-1/2% above the Alternate Base Rate (as defined in the Credit Agreement). Any such amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Transaction Documents.

24. Binding Agreement; Assignments. This Agreement, and the terms, covenants and conditions hereof, shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns (including any future Secured Party, any holder of a Senior Note and any purchaser of a participation in any of the Obligations), except that the Grantors shall not be permitted to assign this Agreement or any interest herein or in the Collateral, or any part thereof, or otherwise pledge, encumber or grant any option with respect to the Collateral, or any part thereof, or any cash or property held by the Collateral Agent as Collateral under this Agreement, except as contemplated by this Agreement or the Transaction Documents.

25. Governing Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO CHOICE OF LAW DOCTRINE.

26. Notices. All communications and notices hereunder shall be in writing and given as provided in Section 9.01 of the Credit Agreement and Section 14.01 of the Note Purchase Agreement. All communications and notices hereunder to any Grantor or to the Collateral Agent shall be given to it at its address set forth in Annex 2 hereto.

27. Survival of Agreement; Severability. (a) All covenants and agreements made by the Grantors herein and in the certificates or other instruments prepared or delivered in connection with this Agreement shall be considered to have been relied upon by the Collateral Agent and the Secured Parties, and shall survive the making by the Lenders of the Loans (as defined in the Credit Agreement), the purchase of the Senior Notes by the Purchasers, the execution and delivery to the Lenders of the Notes and to the Purchasers of the Senior Notes and the issuance of any Letter of Credit and shall continue in full force and effect as long as the principal of or any accrued interest on any Notes (as defined in the Note Purchase Agreement) or any other fee or amount payable under or in respect of any Note, Senior Note or Letter of Credit, or this Agreement or, without duplication of the foregoing, under any of the other Transaction Documents or any Hedging Agreement is outstanding and unpaid and so long as the Commitments (as defined in the Credit Agreement) have not been terminated. The representations and warranties contained in this Agreement shall be considered to have been relied upon by the Collateral Agent and the Participating Creditors and shall survive the making of the Loans, the purchase of the Senior Notes and the issuance of any Letter of Credit and shall remain in full force and effect after the termination of this Agreement.

(b) In case any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect with respect to any Grantor, no party hereto shall be required to comply with such provision with respect to such Grantor for so long as such provision is held to be invalid, illegal or unenforceable and the validity, legality and enforceability of the remaining provisions contained herein, and of such provision with respect to any other Grantor, shall not in any way be affected or impaired. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

28. Section Headings. Section headings used herein are for convenience only and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

29. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original, but all of which, when taken together, shall constitute but one instrument; provided that this Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder. This Agreement shall be effective with respect to any Grantor when a counterpart which bears the signature of such Grantor shall have been delivered to the Collateral Agent.

30. Termination. This Agreement and the Security Interest shall terminate when all the Obligations have been fully and indefeasibly paid and when the Lenders have no further commitment to lend under the Credit Agreement, no Letters of Credit are outstanding and the Issuing Bank has no further obligation to issue Letters of Credit, at which time the Collateral Agent shall execute and deliver to the Grantors, or to such person or persons as the Grantors shall reasonably designate, all Uniform Commercial Code termination statements and similar documents prepared by the Grantors at their expense which the Grantors shall reasonably request to evidence such termination. Any execution and delivery of statements or documents pursuant to this Section 30 shall be without recourse to or warranty by the Collateral Agent.

31. Intercreditor Agreement. The Collateral Agent agrees, for itself and for each of the Secured Parties, that it and each Secured Party shall be bound by the terms of the Intercreditor Agreement in connection with the administration of this Agreement.

32. Receipt of Certain Agreements. Each Grantor hereby acknowledges receipt of a copy of and agrees to be bound by the terms of the Intercreditor Agreement, the Credit Agreement and the Note Purchase Agreement.

33. Additional Subsidiary Grantors. Upon execution and delivery by the Collateral Agent and any subsidiary of Holdings that is not already a Grantor of an instrument in the form of Annex 1 attached hereto, such

subsidiary shall become a Subsidiary Grantor hereunder with the same force and effect as if originally named as a Subsidiary Grantor herein. The execution and delivery of any such instrument shall not require the consent of any Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Subsidiary Grantor as a party to this Agreement.

34. References to Credit Agreement. Upon the payment and discharge in full of all Outstanding Credit Agreement Obligations, all references herein to the terms of the Credit Agreement shall become null and void (other than references for the purpose of incorporating herein definitions of terms used therein, which terms will continue to have the meanings assigned thereto immediately prior to such payment and discharge, subject to subsequent amendment or modifications in accordance with the terms hereof).

IN WITNESS WHEREOF, the parties hereto have duly executed this Security Agreement as of the day and year first above written.
