(b) Obligations Secured. The Security Interests secure (i) all present and future obligations and liabilities (whether actual or contingent and whether owed as principal debtor, guarantor, surety or otherwise) of the Grantor to the Secured Party directly or indirectly arising out of or relating to this Agreement, Section 12 or 16 of either of the Leases, the Tax Indemnity or any other Transaction Document, and of the ACF Parent or any affiliate thereof to the Secured Party directly or indirectly arising out of or relating to the ERISA Indemnity, the Tax Indemnity or any other Transaction Document, whether for principal, interest, fees, expenses, reimbursements, required payments, indemnification contribution or otherwise, (ii) all Related Expenses including interest thereon, and (iii) all Collateral Expenses including interest thereon, in each case in clauses (i) and (ii) above, whether now existing or hereafter incurred or arising (including any number of multiple incurrences and repayments), whether acquired or arising directly or by judgment or by assignment or otherwise, whether voluntary or involuntary, due or to become due, whether or not severally or jointly owed with others, determined or inchoate, direct or indirect, absolute or contingent, liquidated or unliquidated, and whether or not from time to time decreased or extinguished and later increased, created or incurred, and all or any portion of such indebtedness, obligations, damages and other liabilities that has been paid, to the extent all or any part of such payment is avoided or recovered directly or indirectly from the Secured Party as a preference, fraudulent transfer or otherwise (collectively, the "Obligations").

(c) Related Expenses. Upon demand by the Secured Party, the Grantor shall pay any and all reasonable costs and other expenses that may be paid or incurred directly or indirectly by the Secured Party in connection with collecting any or all of the Obligations and/or preserving and/or enforcing any rights and remedies under this Agreement, Section 12 or 16 of either of the Leases, the ERISA Indemnity, the Tax Indemnity and/or in respect of the Obligations (including reasonable legal and accounting fees and expenses and fees and expenses of other agents or experts) (all of the aforementioned costs, fees and expenses, collectively, the "Related Expenses"). Notwithstanding the foregoing, from and after the date upon which the Leases terminate or the tolling period provided for in Section 12(f) of the Leases expires, whichever later occurs, the Security Interests hereunder (x) shall survive only to the extent of Obligations arising with respect to the Secured Party's unsatisfied claims, if any, with respect to the Holdback Amount (as defined in the Leases) existing as of such date and (y) shall be limited to railcars having a fair market value at such date equal to the amount of such unsatisfied Obligations; provided, however, that if as of such date the Lessor is subject to a voluntary or

involuntary bankruptcy or insolvency proceeding, such security interests shall be limited to railcars having a fair market value at such date equal to 150% of the amount of unsatisfied Obligations. At the reasonable request and at the expense of the Grantor, the Secured Party shall execute, deliver, file and record or, at the Grantor's option, permit the Grantor to file and record, any termination statements or other documents or instruments necessary to effect the partial release of the Security Interests as contemplated by the foregoing sentence.

3. FILING; FURTHER ASSURANCES.

The Grantor will, at its expense, execute, deliver, file and record (in such manner and form as the Secured Party shall require), or, at the Secured Party's option, permit the Secured Party to file and record, (a) all financing statements, continuation statements and amendments thereto, (b) all carbon, photographic or other reproductions of financing statements or this Agreement (which shall be sufficient as a financing statement hereunder), (c) all Railroad Filings with the Surface Transportation Board as may be required in order to perfect any Security Interest in the Collateral, (d) all filings with the Office of the Registrar General of Canada as may be required under Section 105 of the Canada Transportation Act or otherwise in order to perfect any Security Interest in the Collateral, (e) all filings as may be required under the laws of any other jurisdiction in order to perfect any Security Interest in the Collateral, (f) all endorsements to title to any vehicles or other Collateral as may be required in order to perfect the Security Interests therein, and (g) all specific assignments, instruments or notices or other papers that may be necessary or desirable, or that the Secured Party may request, in order to create, preserve, perfect or validate any Security Interest or to enable the Secured Party to exercise and enforce its rights hereunder with respect to any of the Collateral. In addition, in the event and to the extent that any of Collateral consists of or is represented by instruments or other evidences of ownership such as would require physical possession thereof to perfect the Security Interests therein (including any letter of credit), the Grantor will promptly, at its expense, deliver the same to the Secured Party, with any necessary endorsements thereon.

4. SUBORDINATION; PAY-OVER.

(a) Subordination. Notwithstanding anything in this Security Agreement to the contrary, until (x) the Leases shall have terminated, (y) the Notes shall have been paid or defeased in full or the Assumption (as defined in the Leases) shall have occurred and (z) all other amounts payable by the Grantor in respect of the Indenture and Assignment of Leases shall have been paid in full, the sole remedies of the Secured Party against the Grantor under this Security Agreement shall be the Secured Party's right to

(b) The rights and remedies of the Secured Party hereunder are fully subordinated to the payment and performance in full of the Grantor's respective obligations under (i) the Leases and the Purchase Options and the Secured Party's setoff and other rights and remedies thereunder as lessee and (ii) the Notes, the Indenture and the Assignment of Leases.

(c) Pay-Over. (b) No Defense, Discharge, Release or Revocation. The Grantor hereby consents as follows:

(i) This Agreement shall be construed as a present, continuing, absolute, irrevocable and unconditional grant of a Lien on the Collateral without regard to the validity, regularity or enforceability of the Leases or the ERISA Indemnity, any of the Obligations or any Lien or any collateral security document, collateral or security or guarantee therefor or other document or right with respect thereto at any time or from time to time held by or in favor of the Secured Party and, except as provided in any of the Transaction Documents, without regard to any defense, set-off or counterclaim which may at any time be available to or be asserted by the Grantor or any other Person against the Secured Party, or by any other circumstance whatsoever (with or without notice to or knowledge of the Grantor or any other Person) that constitutes, or might be construed to constitute, an equitable or legal discharge or defense of the Grantor or any other Person for or to any of the Obligations, or an equitable or legal discharge or defense of the Grantor under this Agreement or otherwise, in bankruptcy or reorganization or in any other instance.

(ii) Any demand for payment of any of the Obligations made by the Secured Party may be rescinded by the Secured Party and any of the Obligations renewed, extended or otherwise continued any number of times and for any number of periods of any length, and the Obligations, or the liability of any other Person upon or for any part thereof, and the Leases or the ERISA Indemnity, or any Lien, or any collateral security document, collateral security or guarantee from time to time therefor or other document or right with respect thereto, whether existing or contemplated from time to time may, from time to time (and any number of times and, if applicable, for any number of periods of any length), in whole or in part, be renewed, extended, amended, modified, supplemented, accelerated, compromised, waived, sold, exchanged, surrendered, terminated or released by the Secured Party, or be unconsummated or otherwise dealt with by the Secured Party, or be increased, decreased or reduced to zero, surrendered, terminated or released and thereafter be reincurred any number of times and for any number of periods of any length; in each case above in whole or in part, as the Secured Party may deem advisable from time to time, and all of the foregoing without the necessity of any reservations of rights against the Grantor and without notice to or further assent by the Grantor (which will remain bound hereunder, notwithstanding any of the foregoing events or circumstances), all of which rights the Grantor hereby irrevocably waives.

(iii) No election by the Secured Party in any proceeding under Chapter 11 of the Bankruptcy Code of the application of Section 1111(b)(2) of the Bankruptcy Code (or any successor provision of any law to similar effect) shall be

deemed to modify, reduce, release or otherwise affect the liability of the Grantor hereunder or the Lien granted hereunder.

For all purposes of this Agreement, "demand" shall include demand for payment or performance and the commencement and continuance of any legal or other proceedings.

(c) Certain Acknowledgments. The Grantor hereby agrees and acknowledges that:

(i) it has been advised by legal counsel in the negotiation, execution and delivery of this Agreement;

(ii) the Obligations and all dealings between it and the Secured Party, shall conclusively be deemed and presumed to have been created, contracted, incurred, had or consummated in reliance upon this Agreement;

(iii) there are no conditions precedent to effectiveness of this Agreement and the Lien granted hereunder.

(d) The Grantor's Understanding With Respect to Waivers, Etc. The Grantor warrants and agrees that each of the waivers, agreements and acknowledgments set forth herein is made with the Grantor's full knowledge of their significance and consequences and that, under the circumstances, such waivers, agreements and acknowledgments are reasonable and not contrary to public policy or law. If any of such waivers, agreements and acknowledgments are determined to be contrary to any applicable law or public policy, such waivers, agreements and acknowledgments shall be effective only to the maximum extent permitted by law.

(e) Reinstatement of Agreement and Lien. If all or any portion of the Obligations are paid by the Grantor, the obligations of the Grantor hereunder and the Security Interests shall continue and remain in full force and effect and be deemed for all purposes continuing without interruption or lapse by reason of the making of such payment, or all of the Obligations having been paid in full prior to such recession or recovery, as the case may be, if all or any part of such payment(s) are rescinded or recovered directly or indirectly from the Secured Party or any of them as a preference, fraudulent transfer or otherwise, and any such payments that are so rescinded or recovered shall constitute Obligations for all purposes under this Agreement.

10. NOTICES.

Any notice which is required or permitted to be given to a party to this Agreement shall be deemed to have been given only if such notice is reduced to writing and delivered personally, or by certified first-class United States mail with postage prepaid and return receipt requested, or by electronically confirmed telecopier (facsimile) transmission, or by prepaid overnight courier service to the appropriate party at the address for notices specified for such party on the signature pages hereof. Any party may change its address by giving written notice of such change to the other parties. Any notice given to a party by mail or by courier shall be deemed delivered upon receipt thereof. Any notice given to a party by facsimile shall be deemed effective on the date it is actually sent to the party in question by confirmed facsimile transmission to the facsimile number specified herein.

11. NO WAIVERS; CUMULATIVE REMEDIES; ENTIRE AGREEMENT; AMENDMENT; HEADINGS; GOVERNING LAW; SUCCESSORS AND ASSIGNS; EXPENSES.

No action, failure, delay or omission by the Secured Party in exercising any rights and remedies hereunder or under the Leases or the ERISA Indemnity, as the case may be, or in respect of any of the Obligations or otherwise, shall constitute a waiver of, or impair, any of the rights or privileges of the Secured Party hereunder. No single or partial exercise of any such right or remedy shall preclude any other or further exercise thereof or the exercise of any other right or remedy. Such rights and remedies are cumulative and not exclusive of any rights and remedies provided by law or otherwise available. No waiver of any such right or remedy shall be effective unless given in writing by the Secured Party. No waiver of any right or remedy hereunder shall be deemed a waiver of any other right or remedy hereunder. This Agreement constitutes the entire agreement of the parties relating to the subject matter hereof and supersedes all negotiations, prior discussions, agreements, arrangements, and understandings, written or oral, relating to the subject matter of this Agreement. This Agreement shall not be amended, modified or supplemented except by a written instrument signed by the Grantor and the Secured Party. Section headings herein are for convenience of reference only and shall have no legal effect. **THIS AGREEMENT SHALL BE A CONTRACT UNDER, AND BE GOVERNED BY, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO CONFLICT OF LAWS PRINCIPLES THEREOF.** This Agreement shall inure to the benefit of the Secured Party for the benefit of the Secured Party and be enforceable by the Secured Party and its respective successors, endorsees, transferees and assigns. The Grantor may not directly or indirectly assign or transfer any of its rights or obligations and liabilities hereunder without the prior written consent of the Secured Party.

12. SUBMISSION TO JURISDICTION; **WAIVER OF JURY TRIAL; ETC.**

The Grantor irrevocably (a) submits to the non-exclusive personal jurisdiction of any state or federal court in the State of New York in any suit, action or other legal proceeding relating to this Agreement; (b) agrees that all claims in respect of any such suit, action or other legal proceeding may be heard and determined in, and enforced in and by, any such court; (c) waives any objection that it may now or hereafter have to venue in any such court or that such court is an inconvenient forum; (d) agrees to service of process in any such proceeding by registered or certified mail, postage prepaid, or in any other manner permitted by law, to any then active agent for service of process at any specified address or at its address set forth above or to such other address of which the Secured Party shall have been notified in writing, and hereby waives any claim of error arising out of service of process by any method provided for herein or any claim that such service was not effectively made; (e) agrees that the failure of its agent to give any notice of any such service of process to it shall not impair or affect the validity of such service or any judgment based thereon; (f) to the extent that the Grantor has acquired, or hereafter may acquire, any immunity from jurisdiction of any such court or from legal process therein, it waives, to the fullest extent permitted by applicable law, such immunity; (g) to the fullest extent permitted by applicable law, in connection with, or with respect to, any suit, action or other legal proceeding relating to this Agreement (i) **WAIVES** any claim that it is immune from any legal process (whether through service or notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to it or any of its property, (ii) **WAIVES** any claim that it is not personally subject to the jurisdiction of any such court, and (iii) **WAIVES ANY RIGHT TO A JURY TRIAL**; and (h) agrees that the Secured Party shall have the right to bring any legal proceedings (including a proceeding for enforcement of a judgment entered by any of the aforementioned courts) against the Grantor in any other court or jurisdiction in accordance with applicable law. Furthermore, to the fullest extent permitted by applicable law, in connection with, or with respect to, any suit, action or other legal proceeding relating to this Agreement, the Grantor **WAIVES ANY RIGHT TO ASSERT ANY COUNTERCLAIM THEREIN, EXCEPT TO THE EXTENT EXPRESSLY PERMITTED UNDER THE TRANSACTION DOCUMENTS.** Notwithstanding the foregoing, nothing in this Section shall affect the right of the Secured Party to bring any action or proceeding relating to this Agreement in the courts of any jurisdiction or the right, in connection with any legal action or proceeding whatsoever, to serve legal process in any other manner permitted by law. The Grantor hereby irrevocably designates CT Corporation Systems as agent for service of process, with offices at 1633 Broadway, New York, New York 10019, as its agent to receive service of

any and all process and documents on its behalf in any legal proceeding in the State of New York. If such agent shall for any reason fail to act, or be prevented from acting, as agent, the Grantor agrees to give notice thereof immediately to the Secured Party by any means provided in Section 10, confirmed by registered or certified mail, and the Grantor agrees promptly to designate another agent in the City of New York, satisfactory to the Secured Party, to serve in place of such agent and deliver to the Secured Party written evidence of such substitute agent's acceptance of such designation. Such acting agent shall nevertheless continue to serve as agent until its successor is duly appointed.

13. HEADINGS.

Paragraph headings used in this Agreement are for convenience only and shall not affect the construction of this Agreement.

14. COUNTERPARTS.

This Agreement may be executed in one or more counterparts, each of which shall be a binding agreement, but all of which together shall constitute but one document.

15. SEVERABILITY.

If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable under any particular circumstances or for any reason whatsoever, (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including all other portions of any paragraph or clause of this Agreement that contains any provision that has been found to be invalid, illegal or unenforceable), or the validity, legality or enforceability under any other circumstances shall not in any way be affected or impaired thereby and (b) to the fullest extent possible consistent with applicable law, the provisions of this Agreement (including all other portions of any paragraph or clause of this Agreement that contains any such provision that has been found to be invalid, illegal or unenforceable that are not themselves invalid, illegal or unenforceable) shall be deemed revised, and shall be construed so as to give effect to the intent manifested by this Agreement (including the provision held invalid, illegal or unenforceable).

16. NO MERGER.

No exercise by the Secured Party of any of its rights or remedies hereunder shall be deemed to operate as an exercise under law of the Secured Party's rights or remedies under the Leases or the ERISA Indemnity or any of the other Transaction Documents without the express prior written consent of the Secured Party.

17. PRIORITY OF LEASES.

The Secured Party's leasehold estates and the Secured Party's other rights (including the right to be subrogated to claims of the Grantor, as lessor, against other Persons) and interests as Lessee under the Leases and the Purchase Options are prior in all respects to the Trustee Lien and the Security Interests granted to it hereunder. So long as no Lease Event of Default has occurred and is continuing, none of the Trustee, any Holder and the Secured Party (as secured party under this Agreement) may take any action to terminate any Lease Agreement or any Purchase Option or otherwise interfere with the Secured Party's quiet enjoyment thereunder, except upon the occurrence and continuation of a Lease Event of Default and then only in accordance with the provisions of the Leases, and subject to the rights of the Trustee as a senior secured creditor.

IN WITNESS WHEREOF, the undersigned has caused this Agreement to be duly executed and delivered by its duly authorized officers as of the day and year first above written.
