Re: Agreement Between Philip Morris, Inc. and Rader Railcar, Inc.

Dear Mr. Williams:

Enclosed please find two copies of the documents described below, to be recorded pursuant to Section 11301 of Title 49 of the U.S. Code. I am providing under separate cover an affidavit certifying their authenticity.

The following document creates a bailment relationship between Philip Morris, Inc. ("PM") as bailor and Rader Railcar, Inc. ("Rader") as bailee, and requires recordation:

> Amendment No. 9, dated July 26, 1996, to the Agreement between PM and Rader dated October 1, 1964. This is a secondary document.

The names and addresses of the parties to the document are as follows:

Bailor: Philip Morris, Inc.
120 Park Avenue
New York, N.Y. 10017

Bailee: Rader Railcar, Inc.
10700 E. 40th Avenue
Denver, CO 80239

A description of the 18 rail cars covered by the document follows:

Seven (7) Sleeper Cars (Code Numbers THSC 1-3, 5-8): Three (3) bi-level rail cars with 13 Standard State rooms, one (1) Deluxe Cabin and one (1) Superior Cabin; all cabins having independent bathroom with showers, vanity sink and toilets and double sleeping accommodations. Communications to all other cabins and public phones. Audio visual entertainment center and individual climate and lighting controls. Security safes and luggage storage. Upper level cabins have overhead dome windows.

One (1) Sleeper Car (Code Number THSC4): Bi-level rail car with 13 Standard State rooms, one (1) Deluxe Cabin and one (1) Superior Cabin; all cabins having independent bathroom with showers, vanity sink and toilets and double sleeping accommodations. Communications to all other cabins and public phones. Audio visual entertainment center and individual climate and lighting controls. Security safes and luggage storage. Upper level cabins have overhead dome windows. This car also has one cabin that can accommodate a disabled person and one cabin that will serve as an infirmary.

One (1) Spa Car (Code Number THSPA): Single level domed glass rail car with panoramic view and open-end platform equipped with five (5) spa hot tubs each accommodating up to seven (7) people, two (2) massage rooms and shower and changing facilities.

One (1) Diner with Galley (Code Number THDWG): Bi-level rail dining car with full service galley on lower level. Upper level dining area capable of seating approximately 60 guests. Upper level also includes two (2) hydraulic dumb waiters from the lower level main galley, and a small food service area for final meal preparation.

One (1) Diner no Galley (Code Number THDNG): Bi-level rail car with upper level dining area able to accommodate approximately 52 guests with access to upper level of adjoining public cars, one of which is DWG to accommodate meal service. Lower level entertainment area and cinema able to seat 10 as well as a reading room and open sitting area. This car also has an ADA accessible toilet.

One (1) Lounge Car (Code Number THLC1): Bi-level rail car with office facilities on lower level, including full time security. This car has an open platform at the end of the car. Upper level lounge seating with small bar.

This car will eventually have an ADA lift for disabled passenger access from station platforms. This car has a unisex public toilet on lower level. Upper level has lounge seating and a small bar.

One (1) Lounge Car (Code Number THLC2): Bi-level rail car with lower level arrangement for lounging. This car has a public unisex toilet as well as a separate ADA accessible toilet on one end of car. Upper level has two lounging areas plus a small bar and an open floor area to view the lounge area below.

One (1) Lounge Car (Code Number THLC3): Bi-level rail car where the lower level arrangement has a bar and dance floor with adjoining lounge area immediately below an opening to the upper level. This car also has a public unisex toilet as well as a separate ADA accessible toilet on one of the cars. The upper level has a bar and lounging area on either side of opening to the lower level.

One (1) Staff Sleeping Car (Code Number THST1): Single level rail car with sleeping accommodations for 33 people.

One (1) Staff Car (Code Number ST2): Single level rail car with dining area, full galley and lavatory facilities.

One (1) Staff Car (Code Number THST3): Single level rail car with sleeping accommodations for 28; also houses all hardware for IS communications.

One (1) Power Car (Code Number PWR): Single level rail car equipped with three (3) diesel caterpillar units each capable of producing 725 kilowatts and 950 horsepower.

A short summary of the document to appear in the index follows:

Amendment No. 9 dated July 26, 1996, to the Agreement between Philip Morris Inc. ("PM") and Rader Railcar, Inc. ("Rader") dated October 1, 1994 creates a bailment relationship between PM as bailor and Rader as bailee. Pursuant to this document, Rader was entrusted with possession of the equipment owned by PM, consisting of 18 railcars, solely to provide the service of outfitting such railcars to conform to specifications set forth in the agreement. Once the service was complete, Rader would return the cars to PM's possession and terminate the bailment.

A fee of $22.00 is enclosed. I have enclosed three (3) additional copies to be stamped and returned to me via our messenger. Thank you for your attention to this matter.

Respectfully submitted,

Charles. A. Spitulnik

Re: Agreement Between Philip Morris, Inc. and Rader Railcar, Inc.

Dear Mr. Williams:

I am enclosing an Acknowledgement and Certification of Dennis Floam, Assistant Secretary of Philip Morris, Inc. certifying that the following documents, filed today with the Surface Transportation Board, are complete and identical copies of the originals of each of those agreements, respectively:

1. An agreement between Philip Morris and Rader Railcar, Inc. dated October 1, 1994. This is the primary document.

2. Amendment No. 5, dated June 13, 1996, to the Agreement between Philip Morris, Inc. and Rader Railcar, Inc. dated October 1, 1964. This is a secondary document; and

3. Amendment No. 9, dated July 26, 1996, to the Agreement between Philip Morris, Inc. and Rader Railcar, Inc. dated October 1, 1964.

I am also enclosing an additional copy of this Certification, along with three additional copies that I would appreciate your date-stamping and returning to me via our messenger. Thank you for your assistance.

Sincerely,

Charles A. Spitulnik

Amendment #9: Agreement Effective October 1, 1994

Dear Mr Rader:

In confirmation of the discussions between senior executives of Philip Morris Incorporated, doing business as Philip Morris U.S.A., a Virginia corporation with offices at 120 Park Avenue, New York, New York 10017 ("Philip Morris"), and Rader Railcar, Inc., a Colorado corporation with offices at 10700 East 40th Avenue, Denver, Colorado 80239 ("Contractor"), which began May 31, 1996, and in accordance with Section 41.6 of the agreement, effective October 1, 1994, between Philip Morris and Contractor, as previously amended by the letter agreements, dated as of July 5, 1995, August 21, 1995, January 31, 1996, April 29, 1996, June 13, 1996 ("Amendment No 5"), June 28, 1996, July 12, 1996, and July 13, 1996, respectively, between Philip Morris and Contractor (such agreement, as amended, the "Agreement"), Philip Morris and Contractor agree to further amend the Agreement

Because Contractor has not completed the Work in the time provided in the Agreement and is, therefore, in default under the Agreement, and because Philip Morris is unwilling to pay Contractor additional amounts to cover certain labor and miscellaneous expenses, absent the assurances and protections for Philip Morris provided for herein, Philip Morris and Contractor agree as follows:

1 Because (i) Contractor has not completed the Work in the time provided in the Agreement and (ii) Contractor's expenses have exceeded the amount allocated in the Agreement, the following shall be added as a new sixth sentence in Section 11 of the Agreement

Notwithstanding the foregoing, Philip Morris shall pay Contractor $1,530,531 93 based on an invoice dated July 22, 1996, for labor and miscellaneous expenses previously incurred by Contractor

2 The exhibits attached to Amendment No 5 shall be deleted and, in substitution therefor the exhibits attached to this Amendment collectively as Exhibit A shall constitute the Inventory as defined in paragraph 2 of Amendment No 5

3 Contractor hereby agrees (i) that no later than August 15, 1996, the Board of Directors of Contractor will adopt, and its President and Secretary will certify, banking resolutions in the form attached to this Amendment as Exhibit B, or an alternative form approved in advance by Philip Morris, with respect to the Payroll Account and the General Expense Account currently maintained by Contractor, and (ii) that, no later than August 15, 1996, it will enter into Deposit Agreements in the form attached to this Amendment as Exhibit C, or an alternative form approved in advance by Philip Morris, with respect to such Accounts

4 Nothing in this Amendment, any prior amendment to the Agreement or any conduct by Philip Morris before the date of this Amendment shall be deemed a waiver of any of Philip Morris' rights and remedies under the Agreement

5 The terms and conditions of the Agreement will remain in full force and effect, except as expressly set forth in this Amendment

If Contractor agrees with and consents to the foregoing, please sign and return one copy of this letter

Sincerely,
