### RECITALS

A. The defined terms used in this Security Agreement shall have the respective meanings indicated in **Section 1** and **Annex 1** attached hereto and made a part hereof unless elsewhere defined or the context shall otherwise require.

B. The Debtor and the Security Trustee have entered into a Participation Agreement dated as of June 1, 2003 (the “*Participation Agreement*”) with AEP Energy Services, Inc., an Ohio corporation (the “*Lessee*”), American Electric Power Company, Inc., a New York corporation (the “*Lease Guarantor*”) and the Noteholders listed in Schedule 2 thereto (together with their respective successors and assigns as holders of the Notes, individually, a “*Noteholder*” and, collectively, the “*Noteholders*”), providing for the commitment of the Noteholders to purchase the 5.56% Secured Notes, Tranche A, due June 17, 2023 of the Debtor in an aggregate principal amount not to exceed \$35,391,475 (the “*Tranche A Notes*”) and the 5.56% Secured Notes, Tranche B, due June 17, 2023 of the Debtor in an aggregate principal amount not to exceed \$3,406,370 (the “*Tranche B Notes*”; the Tranche A Notes and the Tranche B Notes are hereinafter collectively referred to as the “*Notes*”), each to be dated the date of issue, each to bear interest on the unpaid principal amount thereof at the rate of 5.56% per annum prior to maturity, each to be payable in forty (40) consecutive semiannual installments, including principal and/or interest, in accordance with the amortization schedule set forth in **Annex 2** hereto, payable on each Rent Payment Date, and each to be otherwise substantially in the form of the Tranche A Note and the Tranche B Note attached hereto as **Exhibit A-1** or **Exhibit A-2**, respectively.

C. The proceeds of the Notes are to be applied by the Debtor to finance a portion of the Acquisition Price of the Equipment which will be delivered and leased to the Lessee under the Lease referred to in **Division I** hereof.

D. All of the requirements of law have been fully complied with and all other acts and things necessary to make this Security Agreement a valid, binding and legal instrument to secure the Indebtedness Hereby Secured have been done and performed.

E. Following the execution and delivery of this Security Agreement, the Debtor and the Security Trustee will from time to time, including without limitation on each Closing Date under the Participation Agreement, enter into security agreement supplements substantially in the form of **Exhibit B** attached hereto (individually, a “*Security Agreement Supplement*,” and,

collectively, the “*Security Agreement Supplements*”) for the purpose of more fully describing the Items of Equipment which are or are to become subject to the Lien hereof.

NOW, THEREFORE, the Debtor in consideration of the premises and of the sum of Ten Dollars received by the Debtor from the Security Trustee and other good and valuable consideration, receipt whereof is hereby acknowledged, and in order to secure (i) the payment of the principal of and Make-Whole Amount, if any, and interest on the Notes according to their tenor and effect, and to secure the payment of all other Indebtedness Hereby Secured, and (ii) the performance and observance by the Debtor of all the covenants and conditions contained in the Notes, this Security Agreement and the Participation Agreement (insofar as such covenants and conditions are for the benefit of the Noteholders or the Security Trustee), hereby grants to the Security Trustee, its successors in trust and assigns, forever, a first priority security interest in, all and singular, the following described properties, rights, interests and privileges (hereinafter sometimes referred to as the “*Collateral*”):

#### DIVISION I

Collateral includes the Items of Equipment from time to time specifically described in a Security Agreement Supplement in substantially the form attached hereto as **Exhibit B** and made a part hereof (collectively the “*Equipment*”), constituting the Equipment leased and delivered under the Railcar Lease and Security Agreement dated as of June 1, 2003 (the “*Lease*”) between the Debtor, as lessor, and the Lessee, as lessee, together with all accessories, equipment, parts and appurtenances appertaining or attached to the Equipment, whether now owned or hereafter acquired by the Debtor, except such thereof as remain the property of the Lessee under the Lease, and all substitutions, renewals or replacements of, and additions, improvements, accessions and accumulations to the Equipment, together with all the rents, issues, income, profits, proceeds and avails therefrom and the proceeds thereof, *subject, however*, to Permitted Encumbrances.

#### DIVISION II

Collateral also includes all right, title, interest, claims and demands of the Debtor as lessor in, to and under the Lease, including all extensions of the term of the Lease, together with all rights, powers, privileges, options and other benefits of the Debtor as lessor under the Lease, including, without limitation:

- (1) the immediate and continuing right to receive and collect all Rent, including without limitation Stipulated Loss Value payments, Termination Amount payments, any Lease Balance payments, any Lessee Obligation payments, insurance proceeds, condemnation awards, payments by the Seller in respect of warranty claims, and other payments, tenders and security now or hereafter payable to or receivable by the lessor under the Lease pursuant thereto,

(2) the right to make all waivers and agreements and to enter into any amendments relating to the Lease and to give and receive duplicate copies of all notices and other instruments or communications, and

(3) the right to take such action upon the occurrence of an Event of Default under the Lease, including the commencement, conduct and consummation of legal, administrative or other proceedings, as shall be permitted by the Lease or by law, to give all notices of Default under the Lease, and to do any and all other things whatsoever which the Debtor or any lessor is or may be entitled to do under the Lease.

### DIVISION III

Collateral also includes all right, title, interest, claims and demands of the Debtor in, to and under the Acquisition Agreement between the Lessee and the Debtor, the Sublease Assignment and any and all other contracts and agreements relating to the Equipment or any rights or interests therein to which the Debtor is now or may hereafter be a party, together with all rights, powers, privileges, options and other benefits of the Debtor under the Acquisition Agreement and the Sublease Assignment referred to above and each and every other such contract and agreement (hereinafter collectively referred to as the "*Assigned Agreement*").

### DIVISION IV

Collateral also includes all right, title, interest, claims and demands of the Debtor in, to and under the Lease Guaranty by the Lease Guarantor in favor of the Debtor, the Security Trustee and the holders of the Notes and any and all other contracts and agreements relating thereto (hereinafter collectively referred to as the "*Assigned Guaranty*").

It being the intent and purpose hereof that the assignment and transfer to the Security Trustee of said rights, powers, privileges, options and other benefits shall be effective and operative immediately and shall continue in full force and effect, and the Security Trustee shall have the right to collect and receive said Rent, and other sums for application in accordance with the provisions of **Section 5** hereof at all times during the period from and after the date of this Security Agreement until the Indebtedness Hereby Secured has been fully paid and discharged.

TO HAVE AND TO HOLD the Collateral unto the Security Trustee, its successors and assigns, forever, IN TRUST NEVERTHELESS, upon the terms and trusts herein set forth, for the equal and proportionate benefit, security and protection of all present and future holders of the Notes without preference, priority or distinction of any Note over any other Note by reason of priority at the time of issue, sale, negotiation, date of maturity thereof or otherwise for any cause whatsoever; *provided always, however*, that these presents are upon the express condition that if (i) the Debtor shall pay or cause to be paid all the Indebtedness Hereby Secured, and (ii) the Debtor shall observe, keep and perform all the terms and conditions, covenants and agreements contained herein and in the Participation Agreement (insofar as such covenants and agreements are for the benefit of the Noteholders or the Security Trustee) and the Notes, then these presents and the estate hereby granted and conveyed shall cease and this Security Agreement shall

become null and void; otherwise, this Security Agreement shall, subject to **Section 11.4**, remain in full force and effect.

**SECTION 1. DEFINITIONS.**

The defined terms used in this Security Agreement shall have the respective meanings indicated in **Annex 1** attached hereto and made a part hereof unless otherwise defined or the context shall otherwise require.

**SECTION 2. REGISTRATION OF NOTES.**

*Section 2.1. Registration and Execution.* The Notes shall be signed on behalf of the Debtor by any Person who, at the date of the actual execution of such Note, shall be a proper officer of the Debtor. Only such Tranche A Notes and Tranche B Notes as shall bear thereon a certificate of authentication substantially in the form set forth in **Exhibit A-1** or **Exhibit A-2** hereto, respectively shall be entitled to the benefits of this Security Agreement or be valid or obligatory for any purpose. Such certificate by the Security Trustee upon any Note executed by the Debtor shall be conclusive evidence that the Note so authenticated has been duly authenticated and delivered hereunder and that the holder is entitled to the benefits of this Security Agreement. The authentication by the Security Trustee of any Note issued hereunder shall not be construed as a representation or warranty by the Security Trustee as to the validity or security of this Security Agreement or of such Note, and the Security Trustee shall in no respect be liable or answerable for the use made of such Note or the proceeds thereof. The Security Trustee shall, upon presentation to it of Notes duly executed on behalf of the Debtor, authenticate such Notes upon the written request of the Debtor so to do and shall thereupon deliver such Notes to or upon the written order of the Debtor.

*Section 2.2. Payment of the Notes.* (a) The principal of, Make-Whole Amount, if any, and interest on the Notes shall be payable at the principal corporate trust office of the Security Trustee, in lawful money of the United States of America. Payment of principal and interest on the Notes shall be made only upon presentation or surrender of the Notes to the Security Trustee for notation thereon of the amount of such payment. Final payment of any Note shall be made only against surrender of such Note to the Security Trustee at the principal office of the Security Trustee. Any payment or prepayment of amounts due on the Notes in accordance with the terms thereof and hereof which is due on a date which is not a Business Day shall be payable, without any additional interest or late charges on such payment or prepayment, on the next succeeding Business Day.

(b) Notwithstanding the foregoing provisions of **paragraph (a)** of this **Section 2.2**, if any Note is held by any Noteholder, any Affiliate of any Noteholder, or any other institutional investor, or a nominee of any thereof, the Security Trustee shall, if so requested in writing by such holder (and Section 6 of the Participation Agreement shall constitute such written request in the case of the Noteholders), make payment of interest on such Notes and shall make payments or prepayments (except in the case of a payment or prepayment which will discharge all indebtedness of the Debtor evidenced by such Note) of the principal thereof, and any Make-Whole Amount, by check, duly mailed, by first-class mail, postage prepaid, or delivered to such

holder at its address appearing on the Register as defined in **Section 2.3** hereof and such holder (or the Person for whom such holder is a nominee) will, before selling, transferring or otherwise disposing of such Note, make a notation on such Note of the date to which interest has been paid thereon and of the amount of any prepayments made on account of the principal thereof and will present such Note to the Security Trustee for transfer and notation as provided in **Sections 2.4** and **2.5** hereof. All payments so made shall be valid and effective to satisfy and discharge the liability upon such Note to the extent of the sums so paid. The Security Trustee is authorized to act in accordance with the foregoing provisions and shall not be liable or responsible to any such holder or to the Debtor or to any other Person for any act or omission on the part of the Debtor or such holder in connection therewith.

(c) So long as any Note is held by any Noteholder or a nominee thereof, the Security Trustee will, upon written notice from any Noteholder or its nominee given not less than 20 days prior to the payment or prepayment of the Notes (and the instructions set forth in Schedule 2 to the Participation Agreement shall constitute such notice with respect to the Noteholders) cause all subsequent payments and prepayments of the principal of, and interest and Make-Whole Amount, if any, on the Notes held by such Noteholder or its nominee to be made to any bank in the continental United States as shall be specified in such notice by wire transfer in immediately available Federal Reserve funds to such bank, on each such date such payment or prepayment is due, provided that such bank has facilities for the receipt of a wire transfer. The Security Trustee will transmit any such wire transfer, together with any and all amounts received by the Security Trustee and payable to the Lessor pursuant to the terms hereof from its offices not later than 1:00 P.M., Wilmington, Delaware time, on each such date payment or prepayment is due, *provided* that the Security Trustee has received Federal Reserve or other funds current and immediately available on such date prior to 12:00 noon, Wilmington, Delaware time on such date, or if not so received, promptly upon receipt. In the event that by reason of its negligence the Security Trustee does not transmit any such payment or prepayment to such holder, the Lessor in immediately available funds on such date (or, if such date is not a Business Day, on the next succeeding Business Day without any additional interest or late charges on such payment or prepayment) by 1:00 P.M., Wilmington, Delaware time, the Security Trustee shall pay interest on such payment or prepayment at the Late Rate.

*Section 2.3. Registered Notes; The Register.* The Tranche A Notes and Tranche B Notes shall be issuable only as fully registered Notes in the form attached hereto as **Exhibit A-1** or **Exhibit A-2**. The Debtor shall cause to be kept at the principal office of the Security Trustee a register for the registration and transfer of the Notes (herein called the "*Register*"). The names and addresses of the holders of the Notes, the transfers of the Notes and the names and addresses of the transferees of all Notes shall be registered in the Register.

*Section 2.4. Transfers and Exchanges of Notes; Lost or Mutilated Notes.* (a) The holder of any Note may transfer such Note upon the surrender thereof at the principal office of the Security Trustee. Thereupon, the Debtor shall execute in the name of the transferee a new Note or Notes and in aggregate principal amount equal to the original principal amount of the Note so surrendered, and the Security Trustee shall authenticate and deliver such new Note or Notes to such transferee.

(b) All Notes presented or surrendered for exchange or transfer shall be accompanied (if so required by the Debtor or by the Security Trustee) by a written instrument or instruments of assignment or transfer, in form satisfactory to the Security Trustee and the Debtor, duly executed by the registered holder or by its attorney duly authorized in writing. The Debtor and the Security Trustee shall not be required to make a transfer or an exchange of any Note for a period of ten days preceding any installment payment date with respect thereto.

(c) Unless specifically required by law, no notarial act shall be necessary for the transfer or exchange of any Note pursuant to this **Section 2.4**, and the holder of any Note issued as provided in this **Section 2.4** shall be entitled to any and all rights and privileges granted under this Security Agreement to a holder of a Note.

(d) In case any Note shall become mutilated or be destroyed, lost or stolen, the Debtor, upon the written request of the holder thereof, shall execute and deliver a new Note in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. The applicant for a substituted Note shall furnish to the Debtor and to the Security Trustee such security or indemnity as may be required by them to save each of them harmless from all risks, and the applicant shall also furnish to the Debtor and to the Security Trustee evidence to their satisfaction of the mutilation, destruction, loss or theft of the applicant's Note and of the ownership thereof. In case any Note which has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Debtor may, instead of issuing a substituted Note, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Note), if the applicant for such payment shall furnish to the Debtor and to the Security Trustee such security or indemnity as they may require to save them harmless, and shall evidence to the satisfaction of the Debtor and the Security Trustee the mutilation, destruction, loss or theft of such Note and the ownership thereof. If any Noteholder, any affiliate of any Noteholder, or any other institutional investor, or a nominee of any thereof is the owner of any such lost, stolen or destroyed Note, then the affidavit of the president, vice president, treasurer or assistant treasurer of such holder setting forth the fact of loss, theft or destruction and of its ownership of the Note at the time of such loss, theft or destruction shall be accepted as satisfactory evidence thereof and no security or indemnity shall be required as a condition to execution and delivery of a new Note other than the written agreement of such holder to indemnify the Debtor and the Security Trustee (including their attorneys' fees) for any claims or actions against them resulting from the issuance of such new Note.

*Section 2.5. The New Notes.* (a) Each new Note (herein, in this **Section 2.5**, called a "New Note") issued pursuant to **Section 2.4(a)** or **(d)** hereof in exchange for or in substitution or in lieu of an outstanding Note (herein, in this **Section 2.5**, called an "Old Note") shall be dated the date of such Old Note and shall be in the same Tranche as such Old Note. The Security Trustee shall mark on each New Note (i) the date to which principal and interest have been paid on such Old Note, (ii) all payments and prepayments of principal previously made on such Old Note which are allocable to such New Note, and (iii) the amount of each installment payment payable on such New Note. Each installment payment payable on such New Note on any date shall bear the same proportion to the installment payment payable on such Old Note on such date as the original principal amount of such New Note bears to the original principal amount of such Old Note. Interest shall be deemed to have been paid on such New Note to the date on which

interest shall have been paid on such Old Note, and all payments and prepayments of principal marked on such New Note, as provided in clause (ii) above, shall be deemed to have been made thereon.

(b) Upon the issuance of a New Note pursuant to **Section 2.4(a)** or **(d)** hereof, the Debtor may require the payment from the transferring Noteholder of a sum to reimburse it for, or to provide it with funds for, the payment of any tax or other governmental charge or any other charges and expenses connected therewith which are paid or payable by the Debtor.

(c) All New Notes issued pursuant to **Section 2.4(a)** or **(d)** hereof in exchange for or in substitution or in lieu of Old Notes shall be valid obligations of the Debtor evidencing the same debt as the Old Notes and shall be entitled to the benefits and security of this Security Agreement to the same extent as the Old Notes.

(d) Upon the issuance of any Note pursuant to this Security Agreement, the Debtor shall deliver to the Security Trustee two copies of an amortization schedule prepared by the Lessor with respect to such Note setting forth the amount of the installment payments to be made on such Note after the date of issuance thereof and the unpaid principal balance of such Note after each such installment payment. The Security Trustee shall deliver, or send by first-class mail, postage prepaid, one copy of the applicable schedule to the holder of such Note.

*Section 2.6. Cancellation of Notes.* All Notes surrendered for the purpose of payment, redemption, transfer or exchange shall be delivered to the Security Trustee for cancellation and, if surrendered to the Security Trustee, shall be cancelled by it, and no Notes shall be issued in lieu thereof except as expressly required or permitted by any of the provisions of this Security Agreement. The Security Trustee shall deliver a certificate to the Debtor specifying any cancellation of Notes which has been made, and all such cancelled Notes shall be delivered to or disposed of as directed by the Debtor.

*Section 2.7. Security Trustee as Agent.* The Security Trustee is hereby appointed the agent of the Debtor for the payment, registration, transfer and exchange of Notes. Subject to the provisions of **Section 2.2** hereof, Notes may be presented for payment at, and notices or demands with respect to the Notes or this Security Agreement may be served or made at, the principal corporate trust office of the Security Trustee.

*Section 2.8. Ownership.* The Person in whose name any Note shall be registered shall be deemed and treated as the owner thereof for all purposes of this Security Agreement and neither the Debtor nor the Security Trustee shall be affected by any notice to the contrary. Payment of or on account of the principal of, Make-Whole Amount, if any, and interest on such Note shall be made only to or upon the order in writing of such registered owner. For the purpose of any request, direction or consent hereunder, the Debtor and the Security Trustee may deem and treat the registered owner of any Note as the owner thereof without production of such Note.

SECTION 3. COVENANTS AND WARRANTIES OF THE DEBTOR.

The Debtor covenants, warrants and agrees for the benefit of the Security Trustee and the holders of the Notes as follows:

*Section 3.1. Debtor's Duties.* The Debtor covenants and agrees well and truly to perform, abide by and be governed and restricted by each and all of its covenants and agreements set forth in the Participation Agreement, and in each and every supplement thereto or amendment thereof which may at any time or from time to time be executed and delivered by the parties thereto or their successors and assigns, to the same extent as though each and all of its covenants and agreements were fully set out herein and as though any amendment or supplement to the Participation Agreement were fully set out in an amendment or supplement to this Security Agreement.

*Section 3.2. Authorization, Discharge of Liens.* The Debtor has the right, power and authority to grant a security interest in the Collateral to the Security Trustee for the uses and purposes herein set forth. The Debtor agrees that it will, in its individual capacity and at its own cost and expense, without regard to the provisions of **Section 9** hereof, promptly take such action as may be necessary to duly discharge any Liens and encumbrances on the Collateral which result from claims against the Debtor in its individual capacity and not related to the transactions contemplated by the Operative Agreements or, the ownership of the Equipment. Without limiting the foregoing, the Debtor has no knowledge of any financing statement or other filed or recorded instrument in which the Debtor is named and which the Debtor has signed, as debtor or mortgagor, now on file in any public office covering any of the Collateral excepting the financing statements or other instruments filed or to be filed in respect of and for the security interest provided for herein.

*Section 3.3. Further Assurances.* The Debtor will, at no expense to the Security Trustee, do, execute, acknowledge and deliver all and every further acts, deeds, conveyances, transfers and assurances necessary or proper for the perfection of the security interest being herein provided for in the Collateral, whether now owned or hereafter acquired, and requested in writing by the Security Trustee. If a Lease Event of Default hereunder shall have occurred and be continuing the Debtor shall have the following rights hereunder:

(a) *Right to Cure.* In the event that as a result of the occurrence of a Lease Event of Default in respect to the payment of Fixed Rent under the Lease, the Security Trustee shall have insufficient funds to pay any installment of principal and interest on any Note on the day it becomes due and payable then, so long as no Event of Default hereunder which is not concurrently being cured pursuant to the second paragraph of this **Section 7.3(a)** shall have occurred and be continuing (other than any such Default resulting from such failure), the Debtor may, but shall not be obligated to, pay to the Security Trustee prior to the Enforcement Date, an amount equal to any principal and interest (including interest, if any, on overdue payments of principal and interest) then due and payable on the Notes, and, unless the Lessee has failed for any reason to pay when due the immediately preceding two payments of Fixed Rent on the Rent Payment Dates, or the Debtor has cured four previous Lease Events of Default in respect of the payment of Fixed Rent under the Lease, such payment by such Debtor shall be deemed to cure any Event of Default which would otherwise have arisen on account of the non-payment by the Lessee of such installment of Fixed Rent under the Lease.

In the event of the occurrence of a Lease Event of Default (other than a default in payment of Fixed Rent) which can be cured by the payment of money, then, so long as no Event of Default hereunder which is not concurrently being cured pursuant to the first paragraph of this **Section 7.3(a)** shall have occurred and be continuing (other than any such Default resulting from such failure), the Debtor may, but shall not be obligated to, cure such Lease Event of Default by making such payment prior to the Enforcement Date as is necessary to accomplish the observance or performance of the defaulted covenant, condition or agreement to the party entitled to the same, *provided* that the Debtor shall not have any such right to cure any such Lease Event of Default if the amount of such payment when added to the amount of any prior payments made by the Debtor pursuant to this paragraph and unreimbursed by the Lessee would exceed \$1,000,000;

Except as hereinafter in this **Section 7.3(a)** provided, the Debtor exercising the right to remedy any such Lease Event of Default shall not obtain any Lien, charge or encumbrance of any kind on the Equipment or any Rent payable under the Lease for or on account of costs or expenses incurred in connection with the exercise of such right nor shall any claims of the Debtor against the Lessee or any other party for the repayment of such costs or expenses impair the prior right and security interest of the Security Trustee in and to the Collateral. Upon such payment by the Debtor of the amount of principal

and interest then due and payable on the Notes, the Debtor shall be subrogated to the rights of the Security Trustee and the holders of the Notes in respect of the Fixed Rent which was overdue at the time of such payment and interest payable by the Lessee on account of its being overdue, and therefore, if no other Lease Event of Default or Event of Default hereunder shall have occurred and be continuing and if all principal and interest payments due on the Notes have been paid at the time of receipt by the Security Trustee of such Fixed Rent, the Debtor shall be entitled to receive such Fixed Rent and such interest upon receipt thereof by the Security Trustee; *provided* that (i) in the event the principal and interest on the Notes shall have become due and payable pursuant to **Section 7.2(b)** hereof, such subrogation shall, until principal of and interest on all Notes shall have been paid in full, be subordinate to the rights of the Security Trustee and the holders of the Notes in respect of such payment of Fixed Rent and such interest on such overdue Fixed Rent prior to receipt by the Debtor of any amount pursuant to such subrogation, and (ii) the Debtor shall not be entitled to seek to recover any such payment (or any payment in lieu thereof) except pursuant to the foregoing right of subrogation.

(b) *Option to Purchase Notes.* Whether or not the Debtor shall then have the right to cure a Lease Event of Default pursuant to **Section 7.3(a)** above, if the unpaid principal amount of the Notes has been declared to be immediately due and payable pursuant to **Section 7.2(b)**, the Debtor may, in any such case, at any time during the Remarketing Period (as defined below) and at its option purchase all, but not less than all, of the Notes then outstanding within 10 Business Days of the delivery of written notice to the holders of the Notes of the Debtor's intention to purchase the Notes, by payment of the entire unpaid principal amount thereof, together with accrued interest thereon to the date of prepayment, plus all other sums then due and payable to such holder hereunder or under the other Operative Agreements. The holders of the Notes agree that they will, upon receipt from the Debtor of such notice, not exercise any remedy permitted hereunder or under any other Operative Agreement until the expiration of 10 Business Days following the delivery of such notice. The holders of the Notes further agree that they will, upon receipt from the Debtor of an amount equal to the aggregate unpaid principal amount of all Notes, together with accrued interest thereon to the date of payment and all other Indebtedness Hereby Secured (but excluding the Make-Whole Amount, if any or any other premium), forthwith sell, assign, transfer and convey to the Debtor (without recourse or warranty of any kind), all of the right, title and interest of the holders in and to this Security Agreement, the Lease, the Lease Guaranty and the Notes.

(c) *Limits on Foreclosure.* (i) Notwithstanding any provision of this Security Agreement to the contrary, the Security Trustee shall not foreclose the Lien of this Security Agreement as a result of an Event of Default under this Security Agreement that constitutes or occurs solely by virtue of one or more Lease Events of Default (at a time when no other Event of Default under this Security Agreement unrelated to any Lease Event of Default shall have occurred and be continuing), unless the Security Trustee (A) shall have given the Debtor at least 60 days' prior written notice of the Security Trustee's intent to so foreclose (such 60-day period being herein referred to as the "*Remarketing Period*") and (B) as security assignee of the Debtor, has proceeded or is then currently proceeding, to the extent it is then entitled to do so hereunder and under the Lease and is

not then stayed or otherwise prevented from doing so by operation of law or otherwise, to exercise one or more, as it shall in its sole discretion determine, of the remedies provided for in Section 19 of the Lease.

(ii) During the Remarketing Period, the Debtor may, at its option, sell for cash to a purchaser or purchasers all, but not less than all, of the Items of Equipment; *provided* that as an absolute condition to any sale of the Equipment by the Debtor, the sale proceeds from such sale, net of any and all marketing, sale and related expenses, must exceed the sum of (i) all accrued and unpaid principal and interest payable on the Notes and (ii) all other fees and expenses and other amounts then due and payable under the Operative Agreements to the Noteholders. Without limiting the foregoing, if the Security Trustee proposes to sell the Equipment at any time during the Remarketing Period, as a condition thereto, the sale proceeds from such sale, net of marketing, sale and related expenses, must exceed the sum of (i) all accrued and unpaid principal and interest payable on the Notes and (ii) the Debtor's outstanding investment constituting principal and accrued interest thereon.

(d) *Shared Rights.* (i) The Debtor and the Security Trustee shall each retain the right to receive from the Lessee all notices, certificates, reports, filings, opinions of counsel, copies of all documents and all information which the Lessee is permitted or required to give or furnish to the "Lessor" pursuant to the Lease or any other Operative Agreement and to exercise rights with respect to insurance permitted in Section 16(e) of the Lease; and

(ii) So long as no Event of Default under this Security Agreement shall have occurred and be continuing and subject to **Sections 7.3(d)(i) and (ii)**, the Debtor and the Security Trustee shall each retain the right, acting jointly, to exercise the rights, elections and options of the Debtor, as lessor under the Lease, to make any decision or determination, to consent to any amendment, supplement or modification and to give any notice, consent, waiver or approval under the Lease and upon the occurrence and continuance of an Event of Default under this Security Agreement, all such rights may be exercised solely by the Security Trustee; *provided* that if an Event of Default under this Security Agreement shall have occurred solely because of a Lease Event of Default, and no other Events of Default under this Security Agreement unrelated to a Lease Event of Default shall then be continuing, the Security Trustee shall not, without the consent of the Debtor, amend the Lease or waive any provision thereof if such amendment or waiver would amend the terms and provisions of any of Sections 4, 6, 7, 9, 10, 11, 13(a), 14, 15, 16, 20, 21, 25, 26, 27, 28 or 29 of the Lease.

*Section 7.4. Acceleration Clause.* In case of any sale of the Collateral, or of any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Security Agreement, the principal of the Notes, if not previously due, and the interest accrued thereon and all other sums required to be paid by the Debtor pursuant to this Security Agreement, shall at once become and be immediately due and payable; also, in the case of any such sale, the purchaser or purchasers, for the purpose of making settlement for or payment of the purchase price, shall be entitled to turn in and use the Note or

Notes and any claims for interest matured and unpaid thereon, in order that there may be credited as paid on the purchase price the sum apportionable and applicable to the Notes so turned in, including principal and interest thereof, out of the net proceeds of such sale.

*Section 7.5. Waiver by Debtor.* To the extent now or at any time hereafter enforceable under applicable law, the Debtor covenants that it will not at any time insist upon or plead, or in any manner whatsoever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Collateral or any part thereof prior to any sale or sales thereof to be made pursuant to any provision herein contained or any decree, judgment or order of any court of competent jurisdiction, nor after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and hereby expressly waives for itself and on behalf of each and every Person, except decree or judgment creditors of the Debtor acquiring any interest in or title to the Collateral or any part thereof subsequent to the date of this Security Agreement, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Security Trustee, but will suffer and permit the execution of every such power as though no such law or laws had been made or enacted.

*Section 7.6. Effect of Sale.* Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the property sold and shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all Persons claiming the property sold or any part thereof under, by or through the Debtor, its successors or assigns (subject, however, to the then existing rights, if any of the Lessee under the Lease).

*Section 7.7. Application of Sale Proceeds.* The purchase money proceeds and/or avails of any sale of the Collateral, or any part thereof, and the proceeds and the avails of any remedy hereunder shall be paid to and applied as follows:

(a) *First*, to the payment of costs and expenses of foreclosure or suit, if any, and of such sale, and of all proper fees, expenses, liability and advances, including legal expenses and attorneys' fees, incurred or made hereunder by the Security Trustee, or the holder or holders of the Notes, and to the payment of all taxes, assessments or Liens superior to the Lien of these presents, except any taxes, assessments or other superior Lien subject to which said sale may have been made;

(b) *Second*, to the payment to the holder or holders of the Notes of the amount then owing or unpaid on the Notes for interest; and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid upon the Notes, then ratably according to the aggregate of accrued and unpaid interest of such Notes;

(c) *Third*, to the payment to the holder or holders of the Notes of the amount then owing or unpaid on the Notes for principal; and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid upon the Notes, then ratably according to the aggregate of such principal; such application to be made upon presentation of the several Notes, and the notation thereon of the payment, if partially paid, or the surrender and cancellation thereof, if fully paid;

(d) *Fourth*, to the payment to the Lessor of the amount of interest then owing or unpaid on the outstanding Lessor Investment;

(e) *Fifth*, to the payment to the Lessor of the amount then outstanding on the Lessor Investment constituting principal;

(f) *Sixth*, to the payment to the holder or holders of the Notes of the amount then owing or unpaid on the Notes for Make-Whole Amount; and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid upon the Notes, then ratably according to the aggregate of aggregate of principal and the accrued and unpaid interest;

(g) *Seventh*, to the payment, *pari passu*, of any other amounts then due and payable to the holders of the Notes, the Security Trustee or the Debtor under any of the Operative Agreements; and

(h) *Eighth*, to the payment of the surplus, if any, to the Debtor.

*Section 7.8. Discontinuance of Remedies.* In case the Security Trustee shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, then and in every such case the Debtor, the Security Trustee and the holder or holders of the Notes shall be restored to their former positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

*Section 7.9. Cumulative Remedies.* No delay or omission of the Security Trustee or the holder of any Note to exercise any right or power arising from any default, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Security Trustee or the holder of any Note of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided therein. No remedy hereunder is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing; nor shall the giving, taking or enforcement of any other or additional security, Collateral or guaranty for the payment of the Indebtedness Hereby Secured operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Security Trustee or holder of any of the Notes be required to first look to, enforce or exhaust such other additional security, Collateral or guaranties.

SECTION 8. THE SECURITY TRUSTEE.

The Security Trustee in its individual capacity accepts the trusts hereunder and in its capacity as Security Trustee agrees to perform the same, but only upon the terms and conditions hereof, including the following, to all of which the Debtor and the respective holders of the Notes at any time outstanding by their acceptance thereof agree:

*Section 8.1. Duties of Security Trustee.* The Security Trustee undertakes (a) except while an Event of Default under this Security Agreement shall have occurred and be continuing, to perform such duties and only such duties as are specifically set forth in this Security Agreement, and (b) while an Event of Default under this Security Agreement shall have occurred and be continuing, to exercise such of the rights and powers as are vested in it by this Security Agreement and to use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

The Security Trustee upon receipt of instruments furnished to the Security Trustee pursuant to the provisions of this Security Agreement, shall examine the same to determine whether or not such instruments conform to the requirements of this Security Agreement.

The Security Trustee is authorized to enter into the Reimbursement and Remarketing Agreement and the Reimbursement Security Agreement.

*Section 8.2. Security Trustee's Liability.* No provision of this Security Agreement shall be construed to relieve the Security Trustee from liability for its own negligent action, negligent failure to act, or its own wilful misconduct, except that:

(a) unless an Event of Default under this Security Agreement shall have occurred and be continuing, the Security Trustee shall not be liable except for the performance of such duties as are specifically set forth in this Security Agreement and no implied covenants or obligations shall be read into this Security Agreement or the Operative Agreements against the Security Trustee but the duties and obligations of the Security Trustee shall be determined solely by the express provisions of this Security Agreement and the Operative Agreements;

(b) in the absence of bad faith on the part of the Security Trustee, the Security Trustee may rely upon the authenticity of, and the truth of the statements and the correctness of the opinions expressed in, and shall be protected in acting upon, any resolution, Officer's Certificate, opinion of counsel, request, notice, consent, waiver, order, signature guaranty, notarial seal, stamp, acknowledgment, verification, appraisal, report, stock certificate or other paper or document believed by the Security Trustee to be genuine and to have been signed, affixed or presented by the proper party or parties;

(c) in the absence of bad faith on the part of the Security Trustee, whenever the Security Trustee, or any of its agents, representatives, experts or counsel, shall consider it necessary or desirable that any matter be proved or established, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be

deemed to be conclusively proved and established by an Officer's Certificate; *provided, however,* that the Security Trustee, or such agent, representative, expert or counsel, may require but shall not be under any duty or obligation to require such further and additional evidence and make such further investigation as it or they may consider reasonable;

(d) the Security Trustee may consult with independent counsel of recognized national standing (which shall be deemed to include the law firm of Richards, Layton & Finger) and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered hereunder in good faith and in accordance with such advice or opinion of counsel;

(e) the Security Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with any direction or request of the holders of the Notes;

(f) the Security Trustee shall not be liable for any error of judgment made in good faith by an officer of the Security Trustee unless it shall be proved that the Security Trustee was negligent in ascertaining the pertinent facts;

(g) whether or not an Event of Default under this Security Agreement shall have occurred, the Security Trustee shall not be under any obligation to take any action under this Security Agreement which may tend to involve it in any expense or liability, the payment of which within a reasonable time is not, in its reasonable opinion, assured to it by the security afforded to it by the terms of this Security Agreement, unless and until it is requested in writing so to do by one or more holders of the Notes outstanding hereunder and furnished, from time to time as it may require, with reasonable security and indemnity; and

(h) whether or not an Event of Default under this Security Agreement shall have occurred, whenever it is provided in this Security Agreement that the Security Trustee consents to any act or omission by any Person or that the Security Trustee exercise its discretion in any manner or if the Security Trustee is unsure of any matter, the Security Trustee may (but need not) seek the written acquiescence the Required Noteholders then outstanding and, unless written evidence of such acquiescence has been received by the Security Trustee, it shall be fully justified in refusing so to consent or so to exercise its discretion; *provided, however,* the Required Noteholders shall have the right, upon furnishing to the Security Trustee such indemnification as the Security Trustee shall reasonably request, by an instrument in writing delivered to the Security Trustee, to determine which of the remedies herein set forth shall be adopted and to direct the time, method and place of conducting all proceedings to be taken under the provisions of this Security Agreement for the enforcement thereof or of the Notes, but the Security Trustee shall have the right to decline to follow any such direction if the Security Trustee shall be advised by counsel that the action or proceedings so directed may not lawfully be taken or would be unjustly prejudicial to the holders of the Notes not parties to such direction.

*Section 8.3. No Responsibility of Security Trustee for Recitals.* The recitals and statements contained herein and in the Notes (except for the Security Trustee's certificate of authentication endorsed on the Notes) shall be taken as the recitals and statements of the Debtor, and the Security Trustee assumes no responsibility for the correctness of the same, nor shall the Security Trustee have any responsibility for or any liability with respect to any disclosure, warranty, representation or concealment or failure to disclose in connection with the offering, solicitation, sale or distribution of the Notes by the Debtor or by any other Person.

The Security Trustee makes no representation as to the validity or sufficiency of this Security Agreement, or of the Notes secured hereby, the security hereby or thereby afforded, the title of the Debtor to the Collateral or the description thereof, or the filing or recording or registering of this Security Agreement or any other document.

The Security Trustee shall not be concerned with or accountable to anyone for the use or application of any deposited moneys which shall be released or withdrawn in accordance with the provisions of this Security Agreement or of any property or securities or the proceeds thereof which shall be released from the security interest hereof in accordance with the provisions of this Security Agreement. The Security Trustee shall release no funds pursuant to the Operative Agreements unless said funds have been received by the Security Trustee pursuant to said Operative Agreements.

*Section 8.4. Certain Limitations on Security Trustee's Rights to Compensation and Indemnification.* The Security Trustee agrees that it shall have no right against the Debtor, the Noteholders or any other holder of the Note for the payment of compensation for its services hereunder or any expenses or disbursements incurred in connection with the exercise and performance of its powers and duties hereunder or any indemnification against liabilities which it may incur in the exercise and performance of such powers and duties but on the contrary, shall look solely to the Lessee under Section 2.6 of the Participation Agreement for such payment and indemnification and that it shall have no Lien on or security interest in the Collateral as security for such compensation, expenses, disbursements and indemnification except to the extent provided for in **Sections 7.7(a)** and **8.2(h)** hereof.

*Section 8.5. Status of Moneys Received.* Subject to **Section 5.3** hereof, all moneys received by the Security Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys, except to the extent required by law, and may be deposited by the Security Trustee under such general conditions as may be prescribed by law in the Security Trustee's general banking department, and the Security Trustee shall be under no liability for interest on any moneys received by it hereunder.

*Section 8.6. Security Trustee May Hold Notes.* The Security Trustee and any affiliated corporation may become the owner of any Note secured hereby and be interested in any financial transaction with the Debtor or any affiliated corporation, or the Security Trustee may act as depository or otherwise in respect to other securities of the Debtor or any affiliated corporation, all with the same rights which it would have if not the Security Trustee.

*Section 8.7. Resignation of Security Trustee.* The Security Trustee may resign and be discharged from the trusts created hereby by delivering notice thereof, by first-class mail, postage prepaid, to the Debtor and all holders of the Notes at the time outstanding, specifying a date (not earlier than 60 days after the date of such notice) when such resignation shall take effect.

Such resignation shall take effect on the day specified in such notice, unless previously a successor Security Trustee shall have been appointed as provided in **Section 8.9** in which event such resignation shall take effect immediately upon the appointment of such successor Security Trustee, *provided, however*, that no such resignation shall be effective hereunder unless and until a successor Security Trustee shall have been appointed and shall have accepted such appointment as provided in **Sections 8.9** and **8.10**.

*Section 8.8. Removal of Security Trustee.* The Security Trustee may be removed at any time, for or without cause, by an instrument or instruments in writing executed by the holders of a majority in aggregate principal amount of the Notes at the time outstanding and delivered to the Security Trustee with a copy to the Debtor, specifying the removal and the date when it shall take effect, *provided, however*, that no such removal shall be effective hereunder unless and until a successor Security Trustee shall have been appointed and shall have accepted such appointment as provided in **Sections 8.9** and **8.10**.

*Section 8.9. Appointment of Successor Security Trustee.* In case at any time the Security Trustee shall resign or be removed or become incapable of acting, a successor Security Trustee may be appointed by the holders of a majority in aggregate principal amount of the Notes at the time outstanding, by an instrument or instruments in writing executed by such holders and filed with such successor Security Trustee.

Until a successor Security Trustee shall be so appointed by the holders of the Notes, the Debtor shall appoint a successor Security Trustee to fill such vacancy, by an instrument in writing executed by the Debtor under the Trust Agreement and delivered to the successor Security Trustee. If all or substantially all of the Collateral shall be in the possession of one or more receivers, trustees, liquidators or assignees for the benefit of creditors, then such receivers, trustees, custodians, liquidators or assignees may, by an instrument in writing delivered to the successor Security Trustee, appoint a successor Security Trustee. Promptly after any such appointment, the Debtor, or any such receivers, trustees, custodians, liquidators or assignees, as the case may be, shall give notice thereof by first-class mail, postage prepaid, to each holder of Notes at the time outstanding.

Any successor Security Trustee so appointed by the Debtor, or such receivers, trustees, custodians, liquidators or assignees shall immediately and without further act be superseded by a successor Security Trustee appointed by the holders of a majority in aggregate principal amount of the Notes then outstanding.

If a successor Security Trustee shall not be appointed pursuant to this Section within 60 days after a vacancy shall have occurred in the office of the Security Trustee, the holder of any Note or such retiring Security Trustee (unless the retiring Security Trustee is being removed)

may apply to any court of competent jurisdiction to appoint a successor Security Trustee, and such court may thereupon, after such notice, if any, as it may consider proper, appoint a successor Security Trustee.

*Section 8.10. Succession of Successor Security Trustee.* Any successor Security Trustee appointed hereunder shall execute, acknowledge and deliver to the Debtor and the predecessor Security Trustee, an instrument accepting such appointment, and thereupon such successor Security Trustee, without any further act, deed, conveyance or transfer, shall become vested with a security interest in the Collateral, and with all the rights, powers, trusts, duties and obligations of the predecessor Security Trustee in the trust hereunder, with like effect as if originally named as Security Trustee herein.

Upon the request of any successor Security Trustee, however, the Debtor and the predecessor Security Trustee shall execute and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Security Trustee a security interest in the Collateral and all such rights, powers, trusts, duties and obligations of the predecessor Security Trustee hereunder, and the predecessor Security Trustee shall also assign and deliver to the successor Security Trustee any property subject to the security interest of this Security Agreement which may then be in its possession.

Any Security Trustee which has resigned or been removed shall nevertheless continue to retain the benefit of the priority with respect to the proceeds of the Collateral afforded to it by **Section 7.7(a)** hereof.

*Section 8.11. Eligibility of Security Trustee.* The Security Trustee shall be a state or national bank or trust company in good standing organized under the laws of the United States of America or any State thereof, having capital, surplus and undivided profits aggregating at least \$500,000,000 if there be such a bank or trust company willing and able to accept such trust upon reasonable and customary terms.

In case the Security Trustee shall cease to be eligible in accordance with the provisions of this Section, the Security Trustee shall resign immediately in the manner and with the effect specified in **Section 8.7** hereof.

*Section 8.12. Successor Security Trustee by Merger.* Any corporation into which the Security Trustee may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Security Trustee shall be a party, or any state or national bank or trust company in any manner succeeding to the corporate trust business of the Security Trustee as a whole or substantially as a whole, if eligible as provided in **Section 8.11**, shall be the successor of the Security Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything to the contrary contained herein notwithstanding.

*Section 8.13. Co-Trustees.* At any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Collateral may at the time be located,

the Debtor and the Security Trustee jointly shall have the power and shall execute and deliver all instruments, to appoint one or more Persons approved by the Security Trustee, to act as co-trustee, or co-trustees, of all or any part of the Collateral, and to vest in such Person or Persons, in such capacity, such title to the Collateral or any part thereof, and such rights, powers, duties, trusts or obligations as the Debtor and the Security Trustee may consider necessary or desirable. If the Debtor shall not have joined in such appointment within 15 days after the receipt by it of a request so to do, or in case an Event of Default under this Security Agreement shall have occurred and be continuing, the Security Trustee alone shall have power to make such appointment.

*Section 8.14. Letter of Credit.* The Security Trustee shall, upon the written instructions of the Required Noteholders or upon receipt of a notice from the Lessee pursuant to Section 27.1(o) of the Lease, promptly draw upon the Letter of Credit pursuant to the terms thereof.

#### SECTION 9. LIMITATIONS OF LIABILITY.

Anything in this Security Agreement to the contrary notwithstanding, neither the Security Trustee, the holder of any Note nor the successors or assigns of any of said Persons, shall have any claim, remedy or right to proceed against the Debtor in its individual capacity or any incorporator or any past, present or future subscriber to the capital stock of, or stockholder, officer or director of the Debtor, whether by virtue or any constitutional provision, statute or rule of law or by enforcement of any penalty or assessment or otherwise, for the payment of any deficiency or any other sum owing on account of indebtedness evidenced by the Notes or for the payment of any liability resulting from the breach of any representation, agreement or warranty of any nature whatsoever in the Participation Agreement, this Security Agreement or the Notes, from any source other than the Collateral, including the Rent. The Security Trustee by the execution of this Security Agreement and the holders of the Notes by acceptance thereof, waive and release any personal liability of the Debtor in its individual capacity and any incorporator or any past, present or future subscriber to the capital stock of, or stockholder, officer or director of the Debtor for and on account of such indebtedness or such liability, and the Security Trustee and the holders of the Notes agree to look solely to the Collateral, including the Rent for the payment of said indebtedness or the satisfaction of such liability; *provided, however*, nothing herein contained shall limit, restrict or impair the rights of the holders of the Notes or the Security Trustee to accelerate the maturity of the Notes upon an Event of Default under this Security Agreement; to bring suit and obtain a judgment against the Debtor on the Notes for purposes of realizing upon the Collateral or to exercise all rights and remedies provided under this Security Agreement or otherwise realize upon the Collateral; *provided further* that nothing contained in this **Section 9** shall be construed to limit the liability of BTMCC, in its individual capacity for any breach of any representations or warranties set forth in Section 3.1 of the Participation Agreement or limit the liability of BTMCC for gross negligence or wilful misconduct or for a breach of the agreements contained in Section 9 of the Participation Agreement, it being understood and agreed that the liability of BTMCC in any such event shall be limited to the extent of actual damages resulting from such breach suffered by the party making a claim with respect thereto.

SECTION 10. SUPPLEMENTAL SECURITY AGREEMENTS; WAIVERS.

*Section 10.1. Supplemental Agreements Without Noteholders' Consent.* The Debtor and the Security Trustee from time to time and at any time, subject to the restrictions in this Security Agreement contained, may enter into an agreement or agreements supplemental hereto and which thereafter shall form a part hereof for any one or more or all of the following purposes:

(a) to add to the covenants and agreements to be observed by, and to surrender any right or power reserved to or conferred upon the Debtor;

(b) to subject to the Lien of this Security Agreement additional property hereafter acquired by the Debtor and intended to be subjected to the security interest of this Security Agreement, and to correct and amplify the description of any property subject to the security interest of this Security Agreement;

(c) to permit the qualification of this Security Agreement under the Trust Indenture Act of 1939, as amended, or any similar Federal statute hereafter in effect, except that nothing herein contained shall permit or authorize the inclusion of the provisions referred to in Section 316(a)(2) of said Trust Indenture Act of 1939 or any corresponding provision in any similar Federal statute hereafter in effect; or

(d) for any other purpose not inconsistent with the terms of this Security Agreement, or to cure any ambiguity or cure, correct or supplement any defect or inconsistent provisions of this Security Agreement or any supplement;

and the Debtor covenants to perform all requirements of any such supplemental agreement. No restriction or obligation imposed upon the Debtor may, except as otherwise provided in this Security Agreement, be waived or modified by such supplemental agreements, or otherwise.

*Section 10.2.
