ASSIGNMENT AND ASSUMPTION OF LEASE AGREEMENTS

SURFACE TRANSPORTATION BOARD

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Cypress Tankcar Leasing V, LLC, a California limited liability company ("Assignor"), hereby sells, assigns, transfers and sets over unto Sulcom, Inc., a Delaware corporation ("Assignee"), all of Assignor's right, title and interest as lessor under the lease documents set forth and described on Schedule 1 hereto (collectively, the "Leases"), but only to the extent such Leases relate to the railcars identified on Schedule 2 hereto (the "Railcars") and only effective as of the date set forth opposite each Railcar in Schedule 2 (the "Transfer Date").

Except as otherwise specifically set forth in Section 5.1 of the Purchase and Sale Agreement by and between Assignor and Assignee dated as of April 30, 2008 (the "Purchase Agreement"), each assignment set forth herein is made without warranty or representation of any kind or type whatsoever, express or implied. No representation or warranty is made by Assignor as to, and Assignor shall have no liability hereunder with respect to, (i) the collectibility of any rents or other payments under a Lease and (ii) the performance of any other duties or obligations of a lessee under a Lease. Assignor hereby agrees to execute such further documentation as Assignee may reasonably request in order to carry out the purpose of this Assignment.

Assignee hereby accepts the rights, and assumes the obligations, of Assignor as lessor under the Leases for each Railcar arising, accruing or occurring from and after the Transfer Date for such Railcar as if the Assignee had been an original party thereto. For each Railcar, Assignor shall have no liabilities or obligations as lessor under the Lease arising, accruing or occurring from and after such Railcar's Transfer Date. For each Railcar, Assignor agrees to perform when due all obligations of Assignor under the Leases arising, accruing or occurring prior to such Railcar's Transfer Date. For each Railcar, Assignor acknowledges and agrees that from and after the Transfer Date for such Railcar, Assignor shall have no further right, interest or title in or under the Leases to such Railcar, including any right, interest or title to any payments due under the Leases; *provided, however, that* all monies (including rent payments pursuant to a Lease) accrued in the ordinary course with respect to any Railcar for the period prior to the Transfer Date of such Railcar shall be for the account of Assignor and to the extent Assignee receives such monies, Assignee is deemed to hold such monies in escrow for the benefit of Assignor and shall forward such monies to Assignor as soon as possible; *provided, further, however, that* Assignee acknowledges and agrees that Assignor has not assigned to Assignee and Assignor hereby reserves, and Assignee has not accepted any rights of Assignor to, any liability insurance payments or indemnity payments made or to be made after the Transfer Date for such Railcar but relating to acts or events prior to the Transfer Date for such Railcar or relating to Assignor's ownership of such Railcar and the Leases prior to the Transfer Date for such Railcar, and the right to receive any communications under the Leases with respect to the foregoing reserved rights.
