Re: Regions Bank, formerly The First National Bank of Little Rock
Security Interest in 100-Ton Truck covered Hopper Railcars
Owned by Robert and Ray Forsythe
Recordation # 12232

Dear Sir:

In connection with the above referenced interests, Regions Bank, formerly The First National Bank of Little Rock no longer has any interest in the railcar equipment described on the STB Recordation # 12232. The railcars are numbered RRRX2079 and RRRX2080 now marked RRRX182988 and RRRX182987. The debt secured by this equipment has been satisfied in full.

Regions Bank, formerly The First National Bank of Little Rock is therefore requesting that the interest placed on this railcar equipment recorded on July 10, 1980 and assigned recordation # 12232 be removed. I have enclosed a fee of \$28.00 for the release of the assignment.

If I can be of further assistance, please feel free to contact me at Regions Bank 501-371-7220.

Sincerely,

Diana Smithson
Assistant Vice President
