1. MASTER EQUIPMENT LEASE AGREEMENT AND MASTER US AGREEMENT. Reference is made to the following agreements:

(a) Master Equipment Lease Agreement No. 1992-1 dated as of August 1, 1992 (the "Lease"), between State Street Bank and Trust Company (successor to Fleet National Bank (formerly the Connecticut National Bank)) not in its individual capacity but solely as the trustee (in such trustee capacity, "Owner Trustee," and in its individual capacity, "State Street") under the Trust Agreement dated as of August 1, 1992 between Verizon Capital Corp. (formerly, Bell Atlantic Credit Corporation and prior to that, NYNEX Credit Company) ("Owner Participant") and State Street, and Assignor; and

(b) Master US Agreement dated as of August 4, 2001 (the "Master US Agreement"), by and among BP Amoco Polymers, Inc. ("BP API") and Assignor. Pursuant to the Master US Agreement, Addendum C to the Master US Agreement ("Addendum C") and the Contribution Agreement (as defined in the Master US Agreement), the HDPE US Leased Equipment and the HDPE US Contracts (each as defined in Addendum C), including the Lease, are to be assigned and transferred to Assignee.

2. DEFINITIONS. Each capitalized term used in this Assignment and not otherwise defined herein shall have the meaning specified in Schedule X hereto or in the Lease, as applicable. As used herein, the term "Lessee Documents" means the Lease, each Lease Schedule and the Supplemental Agreements.

3. ASSIGNMENT AND DELEGATION. Assignor hereby assigns to Assignee an undivided 51% interest in and to all of Assignor's rights and benefits, and Assignor hereby delegates and transfers to Assignee an undivided 51% interest in and to all of Assignor's obligations and duties, under or in connection with the Lease and each of the other Operative Documents, in each case, to the extent accruing, arising or attributable to the period from and after the date hereof (collectively, the "Transferred Rights and Obligations").

4. ACCEPTANCE OF ASSIGNMENT AND DELEGATION. Assignee hereby accepts the assignment and the delegation of the Transferred Rights and Obligations; and Assignee agrees to be bound by, and agrees promptly to perform or cause to be performed, the terms, conditions and covenants agreed to be done, kept and performed by Assignor arising on and after the date hereof under any one or more of the Lease and each of the other Operative Documents.

5. INDEMNITIES. Assignee agrees to defend, indemnify, save and hold harmless Assignor from and against any and all claims, demands, costs, expenses, reasonable attorneys'

fees and any other damages, losses or injuries (collectively, "Claims") which Assignor may sustain as a result of any failure or delay by Assignee in performing the obligations and duties assumed by Assignee pursuant to this Assignment. Assignor agrees to defend, indemnify, save and hold harmless Assignee from and against any and all Claims which Assignee may sustain as a result of any failure or delay by Assignor in performing the obligations and duties under the Operative Documents prior to the date hereof.

6. SECURITY INTEREST IN FAVOR OF LENDER. Assignee acknowledges that, pursuant to Section 23 of the Lease, (i) Lessor has assigned, transferred, conveyed, sold and/or encumbered the Lease, the Equipment and the Rent payments (other than Excluded Payments, as defined in the Security Agreement) thereunder to the Lender and (ii) that Lessee is required to pay directly to Lender all Rent payments (other than Excluded Payments) and other sums due or to become due under the Lease and (iii) that the Equipment leased under the Lease has been mortgaged by Owner Trustee under the Security Agreement in favor of Lender. Assignee specifically accepts assignment of the Lease subject to the provisions of Section 23 thereof, and agrees to be bound thereby and comply therewith.

7. FURTHER ASSURANCES. Assignor and Assignee hereby covenant and agree to execute, acknowledge and deliver all and every further assignment, bill of sale and other instrument and to do such further acts as either party reasonably may deem necessary or appropriate more fully to assure it and its successors and assigns that this Assignment has validly assigned and delegated the Transferred Rights and Obligations.

(c) There are no actions, suits or proceedings pending or, to the knowledge of Assignor, threatened against or affecting Assignor or any of its property or rights before any Authority that (i) question the validity of this Assignment or Assignor's ability to perform its obligations hereunder or under the Lessee Documents or (ii) if adversely determined, would materially and adversely affect the ability of Assignor to perform its obligations hereunder or under any of the Lessee Documents.

(d) Except for those obtained on or prior to the date hereof, no consent, approval or Authorization of, and no filings or registrations with, any Authority (other than approval to be obtained by appropriate submissions to the United

Solvay PE, Inc., a Delaware corporation, is the sole general partner of Assignee.

(b) Assignee is duly authorized by all necessary limited partnership action to execute and deliver this Assignment and to fulfill and comply with the terms, conditions and provisions hereof and of the Lessee Documents, and this Assignment has been duly executed and delivered by Assignee.

(e) Neither the execution and delivery of this Assignment, nor Assignee's compliance with the terms and provisions hereof and with the terms and provisions of the Lessee Documents that are applicable to Assignee, (i) conflicts with, results in a breach of, constitutes a default under (with or without the giving of notice or the lapse of time or both), or violates any of the terms, conditions or provisions of, (A) the Limited Partnership Agreement of Assignee or (B) any bond, debenture, note, mortgage, indenture, agreement, lease or other instrument to which Assignee is now a party or by which it or its property is bound, where such conflict, breach, default or violation, in the case of any of the instruments described in this subclause (B), would have a material adverse effect on the business, results of operations, assets or financial condition of Assignee or would materially and adversely affect the ability of Assignee to perform its obligations under this Agreement or the Lessee Documents or (ii) results in the creation or imposition of any Lien upon the Equipment (other than Permitted Liens) pursuant to the terms of any such Limited Partnership Agreement, bond, debenture, note, mortgage, indenture, agreement, lease or other instrument.

(f) Neither the execution and delivery by Assignee of this Assignment, nor the fulfillment of, or compliance with, the terms and provisions of this Assignment and with the terms and provisions of the Lessee Documents that are applicable to Assignee, conflicts with, or results in a breach of, or violates, any of the terms, conditions or provisions of any law, rule, regulation, order, injunction or decree of any Authority applicable to Assignee, the breach or violation of which would (i) have a material adverse effect on Assignee, Guarantor, Owner Participant, Owner Trustee, Lender, the Trust Estate, the Collateral or the Lien of the Security Agreement, (ii) materially and adversely affect Assignee's ability to perform its obligations under this Assignment or the Lessee Documents, or (iii) result in, or materially increase the risk of, the imposition of any criminal liability on Assignee, Guarantor or any Indemnitee.

(g) All federal, state, local and foreign income tax returns (if any) required to be filed by Assignee have, in fact, been filed, and all taxes which are shown to be due and payable (if any) in such returns have been paid. No material controversy

in respect of additional income taxes due is pending or, to the knowledge of Assignee, threatened, which controversy if determined adversely would materially and adversely affect Assignee's ability to perform its obligations hereunder or under any of the Lessee Documents.

(h) Except for those obtained or duly waived on or prior to the date of this Assignment, no consent, approval or Authorization of any Authority (other than approval to be obtained by appropriate submissions to the United States Surface Transportation Board and filings with the office of the Registrar General of Canada) is required for Assignee's execution, delivery and performance of this Assignment or for the performance of its obligations under the Lessee Documents; and Assignee has complied with all applicable provisions of law requiring the designation, declaration, filing, registration and/or qualification with any Authority in connection with the execution and delivery and performance of this Assignment or for the performance of its obligations under the Lessee Documents.

(i) Assignee has not created any Lien on any of the Equipment. Assignee has not taken any action that would interfere in any way with Owner Trustee's title to the Equipment, and no party has any claim to the Equipment by, through or under Assignee other than Permitted Liens. Assignee has not signed any Uniform Commercial Code financing statement with respect to the Equipment.

(j) Assignee is not an "investment company" or a company controlled by an "investment company" within the meaning of the Investment Company Act of 1940, as amended.
