1. Grant of Interest. To secure the prompt payment in full of the Subject Debt as and when the respective parts thereof become due, whether by lapse of time, by acceleration of maturity, or otherwise, Grantor hereby grants Bank a security interest in the Collateral. As to Collateral not now in existence or in which Grantor does not presently have any rights, Bank's security interest shall automatically attach thereto immediately when the same comes into existence and Grantor acquires any rights therein, in each case without the making or doing of any further or other act or thing. "Collateral" means, collectively, the following property: The Equipment and fixtures described or referred to in Exhibit A (the "Supplemental Schedule") which is attached to and hereby made a part of this Agreement, and any and all replacements and substitutions therefor and additions and accessions thereto, all Products of all or any part of the goods hereinbefore described, all Chattel Paper describing all or any part of the Equipment hereinbefore described, all Documents covering all or any part of the Equipment hereinbefore described, and all Proceeds of all or any part of the property, including, without limitation, Products, hereinbefore described.

"**Debt**" means, collectively, all obligations of the Person or Persons in question, including, without limitation, every such obligation whether owing by one such Person alone or with one or more other Persons in a joint, several, or joint and several capacity, whether now owing or hereafter arising, whether owing absolutely or contingently, whether created by loan, overdraft, guaranty of payment, or other contract, or by quasi-contract, tort, statute, other operation of law, or otherwise; "**Default**" means (a) the nonpayment of the Subject Debt or any part thereof when due or (b) the occurrence or existence of any event, condition, or other thing (other than any event, condition, or other thing which would constitute a "Default" pursuant to the next preceding clause (a)) which gives (or which with the lapse of any applicable grace period, the giving of notice, or both would give) Bank the right to accelerate or which automatically accelerates the maturity of any of the Subject Debt; "**Document**" means (a) a document that purports to be issued by or addressed to a bailee and that purports to cover goods that are in the bailee's possession that are either identified or fungible portions of an identified mass, and includes a bill of lading, dock warrant, dock receipt, warehouse receipt, or order for the delivery of goods, and any other document that in the regular course of business or financing is treated as adequately evidencing that the Person in possession of it is entitled to receive, hold, and dispose of the document and the goods it covers or (b) a receipt issued by the owner of goods including distilled spirits or agricultural commodities that are stored under a statute requiring a bond against withdrawal or a license for the issuance of receipts in the nature of a warehouse receipt; "**Subject Debt**" means, collectively, all Bank Debt created or incurred by Grantor; and the foregoing definitions shall be applicable to the respective plurals of the foregoing defined terms.

3.1 Existence. Grantor is a corporation organized and in good standing under PA law.

3.2 Taxpayer Identification and Legal Name. Grantor's social security or federal taxpayer identification number is 251764267. Except as set forth in the Supplemental Schedule, if any, Grantor is not known among creditors by, and does not use or do business under, any name other than the name of Grantor first set forth above.

3.3 Authority. Each Person, if any, executing and delivering this Agreement on behalf of Grantor or any other Person has been duly authorized to do so, and this Agreement is valid and enforceable against Grantor in accordance with its terms.

3.4 Location of Chief Executive Office and Collateral. Grantor's chief executive office is located at PO Box 127 Verona PA. 15147-0127

Grantor keeps all of Grantor's records relating to the Collateral at Grantor's chief executive office. All Equipment in which Grantor has any rights is kept at Grantor's chief executive office, at the other locations, if any, described in the Supplemental Schedule, if any, to this Agreement, and, with respect to certain Equipment, at such other locations to which Grantor is entitled to move that Equipment pursuant to section 8.

3.5 Ownership. Grantor owns all of the Collateral described in the most recent financial statements furnished by Grantor to Bank or in which Grantor has thereafter acquired any rights absolutely free from any assignment, attachment, lease, license, mortgage, security interest, or other lien, and free from any other claim, right, or interest of any kind, *except* for any in favor of or consented to by Bank. No assignment, financing statement, or other writing (except any evidencing any lien or interest expressly permitted by this Agreement) describing the Collateral or any part thereof is on file in any public office.

4. Further Assurance. Grantor will, at Grantor's expense, make and do all such acts and things (including, without limitation, the delivery to Bank of any Chattel Paper, Document, Instrument, or other writing of any kind the possession of which perfects a security interest therein) as Bank may from time to time require for the better evidencing, perfection, protection, or validation of, or realization of the benefits of, its security interest. Without limiting the generality of the foregoing, Grantor will, at Grantor's expense, upon each request of Bank, (a) sign and file or permit Bank to file such financing statements and other writings as Bank may from time to time require and in such public offices as Bank may from time to time require, (b) comply with every other requirement deemed necessary by Bank for the perfection of its security interest, (c) execute and deliver such affidavits, assignments, financing statements, indorsements of specific items of Collateral, mortgages, powers of attorney, security agreements, and other writings, as Bank may from time to time require, each in form and substance satisfactory to Bank, and (d) cause all applicable certificates of title (in the case of any motor

vehicle or other chattels in which Bank has been granted a security interest pursuant to this Agreement and which is subject to any certificate of title law) to be duly noted with Bank's security interest and to be deposited with Bank. Without diminishing or impairing any obligation of Grantor under this Agreement, a carbon, photographic, or other reproduction of this Agreement shall be sufficient as a financing statement.

5. Notice. Grantor will give Bank

- (a) not less than seven (7) days' prior written notice of any change in Grantor's name, in the location of its chief executive office or in the location at which it keeps any records relating to the Collateral or any part thereof, or of any other change in circumstances which affects or may affect the continuing efficacy of any financing statement filed in respect of Bank's security interest or the continuing status of Bank's security interest as the first priority lien on the Collateral or any part thereof,
- (b) immediate written notice whenever any Person other than Grantor or Bank claims any lien or other right or interest of any kind in any of the Collateral, and
- (c) immediate written notice whenever Grantor acquires rights in any Collateral that is subject to (i) a treaty or statute of the United States which provides for national or international registration or a national or international certificate of title or which specifies a place of filing different from that specified in the Uniform Commercial Code as in effect on the date hereof in the jurisdiction in which Bank's banking office is located or (ii) a certificate of title statute of another jurisdiction under the law of which indication of a security interest is required as a condition of perfection.

6. Records. Grantor will at all times keep accurate and complete records of the Collateral. Bank (or one or more Persons selected by Bank) shall have the right at all reasonable times to examine, inspect, and make extracts from Grantor's books and records and to examine, appraise, and protect the Collateral.

7. Dispositions and Encumbrances. Grantor will not, without in each case obtaining Bank's consent,

- (a) sell or otherwise dispose of any Collateral or any interest therein, *except* if and to the extent that the sale or other disposition is expressly permitted by this Agreement or
- (b) suffer or permit any Collateral (i) to be or become subject to any assignment, lease, license, attachment, mortgage, security interest, or other lien, or any other claim, right, or interest of any kind, *except* for any in favor of or consented to by Bank or (ii) to be described in any mortgage, financing statement, or other writing, *except* any evidencing any lien or interest expressly permitted by this Agreement.

8. Movement and Attachment to Real Property. Grantor will not suffer or permit any Equipment in which Bank has been granted a security interest pursuant to this Agreement to be moved from Grantor's chief executive office or the locations, if any, described in the Supplemental Schedule, if any, to this Agreement, as the location of the Equipment in question on the date hereof, *except* if and to the extent that the Equipment is mobile goods which are of a type normally used in more than one jurisdiction and are in fact so used by Grantor in the ordinary course of business. Grantor will not under any circumstance suffer or permit any Equipment in which Bank has been so granted a security interest to be or become a fixture without Bank's consent.

9. Maintenance of Equipment, Taxes and Preservation Costs. Grantor will maintain in good condition all Equipment in which Bank has been granted a security interest pursuant to this Agreement, and will pay promptly all assessments, levies, taxes, and other charges pertaining thereto, and all repair, maintenance, and preservation costs in respect thereof. If Grantor does not do so, then, and in each such case, Bank shall have the right, at its option, to pay the same, and Grantor will, on Bank's demand, reimburse Bank for all amounts Bank so pays.

10. Insurance. Grantor will at all times keep all Equipment in which Bank has been granted a security interest insured under so-called "cause of loss special form" policies of insurance issued by such companies and in such amounts (but in no case less than the greater of the full replacement value thereof or the amount necessary to prevent the operation of any applicable coinsurance provision) as shall be acceptable to Bank. Any determination by Bank regarding the acceptability of the issuer or the amount of any insurance policy shall be deemed to have been made without any representation or warranty of any kind. Grantor hereby assuming the burden of ensuring that each such issuer and each such amount is adequate for the protection of Grantor and all other Persons. Grantor will cause each policy of insurance covering any goods in which Bank has been granted a security interest pursuant to this Agreement to (a) require the insurer to give Bank written notice not less than thirty (30) days prior to any cancellation, expiration, modification, or non-renewal of the policy, (b) have attached thereto (i) a lender's loss payable endorsement in favor of Bank, entitling Bank to collect any and all proceeds payable under the policy and providing in effect that the rights and interests of Bank thereunder are independent of, and shall not be diminished or impaired by, any action, inaction, or breach of condition on the part of Grantor and (ii) a waiver of subrogation endorsement, and (c) be otherwise in form and substance satisfactory to Bank. Grantor will seasonably pay all premiums for the foregoing policies of insurance and will cause the issuer of each such policy to deliver an original counterpart thereof directly to Bank. Grantor hereby assigns to Bank any returned or unearned premiums due upon cancellation of any such insurance and directs insurer to pay to Bank all amounts so due. All or any portion of amounts received by Bank in payment of insurance losses or returned or unearned premiums may, at Bank's option, be applied to the Subject Debt (with such allocation to the respective parts thereof and the respective due dates thereof as Bank in its sole discretion may from time to time deem advisable) or to the repair, replacement, or restoration of the Equipment insured. Grantor hereby irrevocably appoints Bank as Grantor's attorney-in-fact to adjust all insurance losses, to sign all applications, receipts, releases, and other writings necessary to collect any such loss and any returned or unearned premiums, to execute proofs of loss, to make settlements, to indorse and collect any check or other item payable to Grantor issued in connection therewith, and to apply the same to payment of the Subject Debt as hereinbefore provided. If Grantor does not maintain insurance pursuant to this subsection, then, and in each such case, Bank shall have the right to obtain such insurance or obtain insurance covering only Bank's interest, and, if Bank elects to do either, Grantor will, on Bank's demand, reimburse Bank for all amounts Bank expends in doing so.

11. Effects of Default. Bank shall at all times have all of the rights of secured party under the law of the jurisdiction in which Bank's banking office is located and, in addition, if any Default shall occur or commence to exist, then, and in each such case, the following provisions shall apply:

11.1 Possession of Equipment and Records. Bank shall have the right to take possession of all Equipment in which Bank has been granted a security interest pursuant to this Agreement, or such part of that Equipment as Bank may from time to time deem advisable, and Grantor will, on each demand of Bank, assemble and make available to Bank at such place or places as Bank may reasonably require such of that Equipment as Bank shall designate. Grantor will, on Bank's demand, deliver to Bank all of Grantor's books and records in respect of the Collateral.

11.2 Disposition. Bank shall have the right to sell or otherwise dispose of the Collateral or any part thereof or any interest therein at any time or from time to time. Bank shall give Grantor not less than ten (10) days' prior notice of either the date after which any intended private sale is to be made or the time and place of any intended public sale, except that Bank need give no such notice in the case of Collateral which Bank in good faith determines to be declining speedily in value or which is customarily sold on a recognized market. Grantor waives advertisement of any such sale and (except only to the extent notice is specifically required by the next preceding sentence) waives notice of any kind in respect of such sale. At any public sale Bank may purchase the Collateral or any part thereof free from any right of redemption, which right Grantor hereby waives. After deducting any and all fees, costs, and expenses (including, without limitation, the fees and disbursements of legal counsel) incurred in assembling, taking, repairing, storing, and selling or otherwise disposing of the Collateral or any part thereof or any interest therein, Bank shall have the right to apply the net proceeds of sale to the Subject Debt with such allocation to the respective parts thereof and the respective due dates thereof as Bank in its sole discretion may from time to time deem advisable, and Grantor shall be liable for any deficiency.

12. Power of Attorney. Grantor hereby irrevocably constitutes and appoints Bank, through its employees and agents, with full power of substitution, as Grantor's true and lawful attorney-in-fact, with full irrevocable power and authority in the place of Grantor and in the name of Grantor or in Bank's own name, for the purpose of carrying out the terms of this Agreement, to perform, at any time and from time to time, each agreement contained in this Agreement that is on Grantor's part to be complied with, and to take any and all actions and to execute and deliver any and all writings which may be necessary or desirable to give Bank the full benefit of this Agreement, in each case as Bank may from time to time deem advisable, Grantor hereby agreeing that Bank shall owe no duty whatever to Grantor to perform any such agreement, to take any such action, or to execute or deliver any such writing, or, having done so any one or more times, to thereafter continue doing so. Without limiting the generality of the foregoing, Grantor hereby irrevocably authorizes Bank, at any time and from time to time, to (a) fill in any blank space contained in this Agreement or any other Related Writing, (b) to correct patent errors, to complete and correct the description of Collateral, and to complete the date herein or therein, and (c) to sign on Grantor's behalf and file, at Grantor's expense and without Grantor's signature, such affidavits, assignments, financing statements, indorsements of

specific items of Collateral, mortgages, powers of attorney, security agreements, and other writings as Bank may from time to time deem advisable for the better evidencing, perfection, protection, or validation of, or realization of the benefits of, the security interest granted pursuant to this Agreement.

13. Unconditional and Continuing Security Interest. Grantor's obligations under this Agreement and the granting of a security interest to Bank pursuant to this Agreement are unconditional and effective immediately, and (except for obligations surviving indefinitely pursuant to section 18) those obligations and the security interest so granted shall continue in full effect until the Subject Debt shall have been paid in full and thereafter until Bank shall have delivered to Grantor (or such other Person or Persons who Bank determines in good faith to be entitled to the same) all Collateral (except any applied to the Subject Debt) in Bank's possession and until each assignment, financing statement, or other writing describing the Collateral or any part thereof and naming Bank (or its successor or assigns, if any) as assignee or secured party, as the case may be, shall have been released or terminated of record as to all of the Collateral therein described, regardless of the lapse of time, regardless of the fact that there may be a time or times when no Subject Debt is outstanding, regardless of any act, omission, or course of dealing whatever on Bank's part, and regardless of any other event, condition, or thing.

14. Bank's Duties Limited. Bank shall have no duty as to the collection or protection of Collateral or any income therefrom, nor as to the preservation of rights against prior parties, beyond the safe custody of any Collateral in Bank's possession. Bank shall have no liability for its delivery of any property to any Person or Persons who Bank determines in good faith to be entitled to the same.

15. No Setoff. Grantor hereby waives any and all now existing or hereafter arising rights to recoup or offset any obligation of Grantor under or in connection with this Agreement or any Related Writing against any claim or right of Grantor against Bank.

16. Indemnity: Administration, Enforcement, and Termination; Interest. Grantor will reimburse Bank, on Bank's demand from time to time, for any and all fees, costs, and expenses (including, without limitation, the fees and disbursements of legal counsel) incurred by Bank in administering this Agreement and in enforcing, exercising, or protecting its rights under this Agreement or under applicable law, or in attempting to do any of the foregoing. Grantor agrees that if and when Bank's security interest shall have terminated in accordance with the provisions of this Agreement, Grantor will, on Bank's demand from time to time, reimburse Bank for any and all fees, costs, and expenses (including, without limitation, the fees and disbursements of legal counsel) incurred by Bank in releasing or terminating each assignment, financing statement, or other writing signed pursuant to this Agreement. If any amount owing under this Agreement is not paid when due, then, and in each such case, Grantor shall pay, on Bank's demand, interest on that amount from the due date thereof until paid in full at a fluctuating rate equal to four percent (4%) per annum plus the Prime Rate.

17. Waivers; Remedies; Application of Payments. Bank may from time to time in its discretion grant waivers and consents in respect of this Agreement or any other Related Writing or assent to amendments thereof, but no such waiver, consent, or amendment shall be binding upon Bank unless set forth in a writing (which writing shall be narrowly construed) signed by Bank. No course of dealing in respect of, nor any omission or delay in the exercise of, any right, power, or privilege by Bank shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any further or other exercise thereof or of any other, as each such right, power, or privilege may be exercised either independently or concurrently with others and as often and in such order as Bank may deem expedient. Each right, power, or privilege specified or referred to in this Agreement is in addition to and not in limitation of any other rights, powers, and privileges that Bank may otherwise have or acquire by operation of law, by other contract, or otherwise. Bank shall be entitled to equitable remedies with respect to each breach or anticipatory repudiation of any provision of this Agreement, and Grantor hereby waives any defense which might be asserted to bar any such equitable remedy. Bank shall have the right to apply Proceeds and payments in respect of the Subject Debt with such allocation to the respective parts thereof and the respective due dates thereof as Bank in its sole discretion may from time to time deem advisable.

18. Other Provisions. The provisions of this Agreement shall bind Grantor and Grantor's executors, heirs, successors, and assigns and benefit Bank and its successors and assigns. Except for Grantor and Bank and their respective successors and assigns, there are no intended beneficiaries of this Agreement. The provisions of sections 14 through 21, both inclusive, shall survive the payment in full of the Subject Debt and termination of the security interest granted pursuant to this Agreement. The several captions to different sections and subsections of this Agreement are inserted for convenience only and shall be ignored in interpreting the provisions thereof. Each reference to a section includes a reference to all subsections thereof (i.e., those having the same character or characters to the left of the decimal point), except where the context clearly does not so permit. If any provision in this Agreement shall be or become illegal or unenforceable in any case, then that provision shall be deemed modified in that case so as to be legal and enforceable to the maximum extent permitted by law while most nearly preserving its original intent, and in any case the illegality or unenforceability of that provision shall affect neither that provision in any other case nor any other provision. Interest for any given period shall accrue on the first day thereof but not on the last day thereof (unless the last day is the first day) and in each case shall be computed on the basis of a 360-day year and the actual number of days in the period. In no event shall interest accrue at a higher rate than the maximum rate, if any, permitted by law. Bank shall have the right to furnish to its Affiliates, and to such other Persons as Bank shall deem advisable for the conduct of its business, information concerning the business, financial condition, and property of Grantor, the amount of the Bank Debt of Grantor, and the terms, conditions, and other provisions applicable to the respective parts thereof. This Agreement shall be governed by the law (excluding conflict of laws rules) of the jurisdiction in which Bank's banking office is located.

19. Integration. This Agreement and, to the extent consistent with this Agreement, the other Related Writings, set forth the entire agreement of Grantor and Bank as to its subject matter, and may not be contradicted by evidence of any agreement or statement unless made in a writing (which writing shall be narrowly construed) signed by Bank contemporaneously with or after the execution and delivery of this Agreement.

20. Notices and Other Communications. Each notice, demand, or other communication, whether or not received, shall be deemed to have been given to Grantor whenever Bank shall have mailed a writing to that effect by certified or registered mail to Grantor at Grantor's mailing address (or any other address of which Grantor shall have given Bank notice after the execution and delivery of this Agreement); however, no other method of giving actual notice to Grantor is hereby precluded. Each communication to be given to Bank shall be in writing and shall be given to Bank's Regional Banking Division at Bank's banking office (or any other address of which Bank shall have given notice to Grantor after the execution and delivery this Agreement). Grantor hereby assumes all risk arising out of or in connection with each communication given or attempted by Grantor in contravention of this section. Bank shall be entitled to rely on each communication believed in good faith by Bank to be genuine.

21. Jurisdiction and Venue; Waiver of Jury Trial. Any action, claim, counterclaim, crossclaim, proceeding, or suit, whether at law or in equity, whether sounding in tort, contract, or otherwise at any time arising under or in connection with this Agreement or any other Related Writing, the administration, enforcement, or negotiation of this Agreement or any other Related Writing, or the performance of any obligation in respect of this Agreement or any other Related Writing (each such action, claim, counterclaim, crossclaim, proceeding, or suit, an "Action") may be brought in any federal or state court located in the city in which Bank's banking office is located. Grantor hereby unconditionally submits to the jurisdiction of any such court with respect to each such Action and hereby waives any objection Grantor may now or hereafter have to the venue of any such Action brought in any such court. Grantor HEREBY, AND EACH HOLDER OF THE Subject Debt OR ANY PART THEREOF, KNOWINGLY AND VOLUNTARILY WAIVES JURY TRIAL IN RESPECT OF ANY Action.
