(a) The Lead Lender shall have all the rights of a secured party under the ITA, under the Canada Transportation Act and under the UCC to enforce the security interests contained herein.

(b) The Lead Lender personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Debtor, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession of, remove, keep and store the Collateral, or use and operate or lease the Collateral until sold, and the Debtor shall deliver, or cause to be delivered, possession of the Equipment to the Lead Lender or its agents where the same may be found or at such place or places as the Lead Lender may reasonably require. Notwithstanding anything hereunder to the contrary, so long as no Event of Default has occurred and is continuing unremedied, the original Equipment Leases delivered to the Debtor shall remain at the chief executive offices of the Debtor; provided, however, that in the event an Event of Default has occurred and is continuing, the Debtor shall provide to the Lead Lender the original Equipment Leases or, in case originals are not available because one or more lenders have an interest in leases reflected in the same document as such Equipment Leases, duplicate copies of the Equipment Leases and the Equipment Schedules to master Equipment Leases and, in all cases, all relevant information that the Lead Lender may request regarding all other leases and all other lenders, and if requested by all lenders with a security interest in any Equipment Lease, deliver such Equipment Leases to a trustee designated by the Lead Lender and all the other lenders.

(c) Any Collateral repossessed by the Lead Lender under or pursuant to this Section 6.1 may be sold, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Lead Lender may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Lead Lender or after any overhaul or

repair which the Lead Lender shall determine to be commercially reasonable. Any such disposition which shall be a private sale or other private proceedings permitted by such requirements shall be made upon not less than 10 days' written notice to Debtor specifying the times at which such disposition is to be made and the intended sale price or other consideration therefor. Any such disposition which shall be a public sale permitted by such requirements shall be made upon not less than 10 days' written notice to Debtor specifying the time and place of such sale and, in the absence of applicable requirements of law, shall be by public auction after publication of notice of such auction not less than 10 days prior thereto in two newspapers in general circulation in the City of New York. To the extent permitted by any such requirement of law, the Lead Lender for the ratable benefit of the Lenders, may itself bid for and become the purchaser of the Collateral or any item thereof, offered for sale in accordance with this Section without accountability to Debtor (except to the extent of surplus money received as provided in Section 6.3). In the payment of the purchase price therefor, the Lead Lender shall be entitled to have credit on account of the purchase price thereof of amounts owing to the Lead Lender and the Lenders on account of the indebtedness hereby secured and the Lead Lender may deliver the claims for interest on or principal of the Loans or other indebtedness hereby secured in lieu of cash up to the amount which would, upon distribution of the net proceeds of such sale, be payable thereon. If, under mandatory requirements of applicable law, the Lead Lender shall be required to make disposition of the Collateral within a period of time which does not permit the giving of notice to Debtor as hereinabove specified, the Lead Lender need give Debtor only such notice of disposition as shall be reasonably practicable in view of such mandatory requirements of applicable law.

(d) The Lead Lender may proceed to protect and enforce this Security Agreement by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein, granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Collateral or any part thereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other legal or equitable remedy available under applicable law.

Section 6.2 Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the property sold and shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all persons claiming the property sold, or any part thereof under, by or through the Debtor, its successors or assigns.

Section 6.3 Application of Sale Proceeds. The proceeds of any sale of the Collateral, or any part thereof, and the proceeds of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of all costs and expenses including those of foreclosure or suit, if any, and of such sale, and of all proper expenses, liability and advances, including legal expenses and reasonable attorneys' fees, incurred or made hereunder, under the Notes, or under the Loan Agreement, the Guaranty or the other Loan Documents, by the Lead Lender and any of the Lenders;

(b) Second, to the payment of the amounts then owing or unpaid in respect of the Debtor's Notes and any other amounts owed to the Lenders in respect of the Debtor in accordance with the provisions of the Loan Documents;

(c) Third, to the payment of the amounts then owing or unpaid in respect of that certain Guaranty dated the date hereof executed by Debtor in favor of Lenders; and

(d) Fourth, to the payment of the surplus, if any, to the Debtor, its successors and assigns, or to whosoever may be lawfully entitled to receive the same; provided, however that no proceeds shall be paid to the Debtor, its successors or assigns so long as the Debtor has any potential liability under its Guaranty including, without limitation, in respect of amounts outstanding to Lenders by any of the other Borrowers under the Loan Agreement.

Section 6.4 Discontinuance of Remedies. In case the Lead Lender shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then, and in every such case, the Debtor, the Lead Lender and the Lenders shall be restored to their former respective positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

Section 6.5 Cumulative Remedies. No delay or omission of the Lead Lender or any Lender to exercise any right or power arising from any default on the part of the Debtor, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Lead Lender or any of the Lenders of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided herein. The Lead Lender and the Lenders may exercise any one of more or all of the remedies hereunder and no remedy is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing now or hereafter at law or in equity; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Lead Lender or the Lenders be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

Section 6.6 Costs and Expenses. Any and all reasonable fees, costs and expenses, of whatever kind or nature, including the reasonable attorneys' fees and legal expenses incurred by the Lead Lender and any of the Lenders, in connection with the preparation of this Security Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of financing statements and other documents (including all taxes in connection with the filing and recording of such documents) in public offices, the payment or discharge of any taxes relating to the Collateral or imposed upon the Debtor, insurance premiums, encumbrances or otherwise protecting, maintaining or preserving the Collateral, or the enforcing, foreclosing, retaking, holding, storing, processing, selling or otherwise realizing upon the Collateral and the Lead Lender's security interest therein, whether through judicial

proceedings or otherwise, or in defending or prosecuting any actions or proceedings arising out of or related to the transaction to which this Security Agreement relates, shall be borne and paid by the Debtor on demand by the Lead Lender or any Lender and until so paid shall be added to the principal amount of the Obligations and shall bear interest at the Default Rate prescribed in the Loan Agreement.
