The Secured Party shall, upon receipt in immediately available funds, deposit into such Collateral Account all amounts received by it which are required to be deposited therein in accordance with the provisions of this Security Agreement. All such amounts and all interest income earned on such amounts, shall be held by the Secured Party in such Collateral Account as part of the Collateral as herein provided, subject to withdrawal by the Secured Party in accordance with, and for the purposes specified in this Security Agreement, and shall constitute funds on deposit therein for all purposes of this Security Agreement.

(b) So long as no Event of Default shall have occurred and be continuing, the funds on deposit in the Collateral Account shall be invested and reinvested by the Secured Party in one or more Eligible Investments which shall be specified by the Borrower; *provided, however*, in the event the Secured Party shall receive orders from the Borrower directing the Secured Party to take action with respect to the Collateral Account, which in the Secured Party's opinion conflict with any provision of this Security Agreement, the Secured Party shall give written notice thereof to the Borrower and shall be entitled to refrain from acting hereunder and its sole obligation with respect to such action shall be to keep safe funds held in the Collateral Account. Subject to the restrictions on the maturity of investments set forth in Section 3.1(d), the Borrower may authorize the Secured Party to make the specific Eligible Investments set forth in the definition thereof, to make Eligible Investments from time to time consistent with the general instructions set forth in the definition thereof, or to make specific Eligible Investments pursuant to instructions received in writing or by telegraph or facsimile transmission.

(c) In the event that the Borrower shall have failed to give investment directions to the Secured Party by 12:00 P.M. (iv) the proceeds of any sale of an investment shall be remitted by the purchaser thereof directly to the Secured Party for deposit in the account in which such investment was held.

(f) The Secured Party shall not in any way be held liable by reason of any insufficiency in the Collateral Account resulting from losses on investments made in accordance with the provisions of this Section 3.1, except to the extent that the institution then serving as Secured Party is the obligor on such Eligible Investment. The Secured Party shall not be liable for any investment made by it in accordance with this Section 3.1 on the grounds that it could have made a more favorable investment.

(g) The depositary institution holding such Collateral Account shall have no right of set-off with respect to the Collateral Account or any funds therein.

(h) On or prior to the Closing Date, the Borrower shall have become a "Tranche II Owner" under the Lease Administration Agreement and shall have designated the Collateral Account as the Borrower's "Tranche II Owner Account" thereunder and, until the payment in full of all Obligations, the Borrower shall not make any contrary designation thereunder without the prior written consent of the Secured Party. Funds on deposit in the Collateral Account shall be applied only as expressly as set forth in this Article III.

Section 3.2 Payments from Collateral Account.

(a) On each Payment Date on which no Event of Default shall have occurred and be continuing, funds on deposit in the Collateral Account (other than Casualty Loss Proceeds) shall be applied by the Secured Party in the following order of priority:

sixth, to the Borrower or its designee, an amount equal to the excess of remaining funds in the Collateral Account on such Payment Date.

(b) On the date on which all Obligations have been paid in full, the Secured Party shall withdraw all amounts then on deposit in the Collateral Account and deliver such amounts to the Borrower or its designee.

(c) Upon the occurrence and during the continuance of any Event of Default, all amounts in the Collateral Account shall be paid to the Secured Party and applied as specified in Section 7.3.

(d) So long as no Default or Event of Default has occurred and is continuing, the Borrower may, at any time prior to any Payment Date upon same day notice delivered prior to 12:00 p.m. on such day, request that the Secured Party pay, and the Secured Party shall pay, to the Borrower an amount of funds on deposit in the Collateral Account equal to the excess of (x) the amounts on deposit in such Collateral Account (other than Casualty Loss Proceeds) over (y) the amounts required to make all principal and interest payments due to the Lenders plus any Fees, indemnity payments and Break Funding Losses due to any of the Agent, the Lenders, the Arranger and the Secured Party under the Loan Documents regarding which any of the foregoing parties has delivered notice to the Secured Party and the Agent setting forth the amount owed such party, in each case on the immediately succeeding Payment Date.

(i) the Liens created by and pursuant to this Security Agreement and the Pledge Agreement and by the Equipment Leases or any Replacement Leases, or any of the other Loan Documents, or any of the Liens actually released contemporaneously with the delivery of this Security Agreement or supplements thereto (provided, however, that with respect to Liens actually released contemporaneous with the delivery of this Security Agreement, UCC Financing Statements in favor of such lenders released on such Closing Date may not be terminated until 3 Business Days following such Closing Date);

(ii) with respect to any Item of Equipment or Pledged Collateral, Liens arising from taxes, assessments or governmental charges or levies either not yet assessed or, if assessed not yet due or contested in good faith by appropriate proceedings (and for which adequate reserves have been made in the Servicer's books in accordance with GAAP consistently applied);

(iii) with respect to any Item of Equipment or Pledged Collateral, mechanics', materialmen's, suppliers', warehousemen's, workmen's, repairmen's, employees', or other like Liens arising by operation of law in the ordinary course of business for amounts which are either not yet due or are not yet overdue for more than fifteen (15) days or are being contested in good faith by appropriate proceedings (and for which adequate reserves have been made in the Servicer's books in accordance with GAAP consistently applied or when required in order to pursue such proceedings, an adequate bond has been obtained) so long as such proceedings, in the reasonable judgment of the Secured Party, do not involve any danger of sale, forfeiture or loss of such Item of Equipment; and

(iv) the Liens arising out of judgments or awards against the Borrower or the Guarantor which are being contested in good faith by appropriate proceedings (and for the payment of which an adequate bond has been obtained) and with respect to which there shall have been secured a stay of execution pending such appeal or proceedings for review, so long as such proceedings, in the reasonable judgment of the Secured Party, do not involve any danger of sale, forfeiture or loss of such Item of Equipment.

(b) The Borrower shall advise the Secured Party promptly, in reasonable detail, of any Lien (other than Permitted Liens), claim or demand made or asserted against

any of the Collateral and of any event affecting the Secured Party's security interest in the Collateral.

Section 4.4 Further Assurances. The Borrower will, at its own expense, do, execute, acknowledge and deliver all and every further acts, deeds, conveyances, transfers and assurances necessary for the perfection and maintenance of the perfection and priority of the security interests in the Collateral (other than Permitted Liens), whether now owned or hereafter acquired, including, without limitation, with the United States Surface Transportation Board, pursuant to the UCC, and with the Registrar General of Canada, pursuant to the Canada Transportation Act.

Section 4.5 Recordation and Filing.

(a) The Borrower will (i) cause this Security Agreement and any supplements hereto at all times to be executed, recorded and filed, at no expense to the Secured Party, with the United States Surface Transportation Board and with the Registrar General of Canada, and all financing and continuation statements to be filed with the Secretary of State of the State of Delaware, and cause such documents and all similar notices required by applicable law to be filed in such other jurisdictions and with such other Federal, state, provincial or local government or agency thereof where the Secured Party deems it necessary or reasonably appropriate under the circumstances to perfect, protect, or preserve its lien on the Collateral, in order to fully preserve and protect the rights of the Secured Party hereunder; and (ii) at its own expense, furnish to the Secured Party promptly after the execution and delivery of any supplement to this Security Agreement, opinions of each of in-house counsel to the Borrower or its affiliates, of Alvord & Alvord, special Surface Transportation Board counsel to the Borrower, and of Aird & Berlis, special Canadian counsel to the Borrower, which opinions shall be in form and substance reasonably satisfactory to the Secured Party.

(b) The Borrower hereby authorizes the Secured Party to execute and file all such documents (including, without limitation, the filing of this Security Agreement and any supplements thereto, and any Uniform Commercial Code Financing Statements or amendments thereto) which the Secured Party may deem necessary to perfect, protect, or preserve the liens and security interests created hereunder (including the priority thereof (other than Permitted Liens)) and the Borrower grants to the Secured Party a power of attorney to sign on behalf of the Borrower, execute and file any such documents.

Section 4.6 Power of Attorney.

(a) The Borrower does hereby irrevocably constitute and appoint the Secured Party its true and lawful attorney with full power of substitution for it and in its name, place and stead, to file UCC-1 Original Financing Statements and continuation statements, which appointment is irrevocable and coupled with an interest.

(b) The Borrower does hereby irrevocably constitute and appoint the Secured Party, upon occurrence and during the continuance of an Event of Default, its true and lawful attorney with full power of substitution for it and in its name, place and stead, to

ask, demand, collect, receive receipt for and sue for any and all Equipment Lease Proceeds hereof with full power to settle, adjust or compromise any claim thereunder as fully as the Borrower could itself do, and to endorse the name of the Borrower on all instruments or commercial paper given in payment or in part payment thereof, and in its discretion to file any claim or take any other action or proceedings, either in its own name or in the name of the Borrower or otherwise, which the Secured Party may deem necessary or, in its reasonable discretion, appropriate under the circumstances, to perfect, protect and preserve the right, title and interest of the Secured Party in and to such Equipment Lease Proceeds and the liens and security interests intended to be afforded hereby (including the priority thereof (other than Permitted Liens)).

(c) The parties acknowledge that the powers conferred on the Secured Party hereunder are solely to protect its interest in the Collateral and that anything herein contained to the contrary notwithstanding, the Secured Party shall have no duty, obligation or liability by reason of or arising out of this Security Agreement to make any inquiry as to the nature or sufficiency of, to present or file any claim with respect to, or to take any action to collect or enforce the payment of, any amounts to which it may be entitled at any time by virtue of this Security Agreement.

Section 4.7 Location. The Borrower's location (as such term is used in Section 9-307 of the UCC as in effect in the State of Delaware) is Delaware and the place where all its interest in, to and under the Security Agreement and its records concerning the Equipment are kept, are located at 100 Clark Street, St. Charles, Missouri, and it agrees to give the Secured Party at least 45 days' prior written notice of any change in the Borrower's location (as such term is used in Section 9-307 of the UCC as in effect in the State of Delaware) or place where said records are kept and, if applicable, of any change in its name or the Borrower's type of, or jurisdiction of, organization.

Section 4.8 Acquisition of Interest in the Equipment. The Borrower has acquired its interest in the Equipment for its own account and with its general corporate assets and no funds used to acquire any Item of Equipment have been furnished directly or indirectly out of the assets of or in connection with any employee benefit plan (or its related trust) or any separate account in which any employee benefit plan has any interest. As used in this paragraph, the terms "employee benefit plan" and "separate account" shall have the respective meanings assigned to them in ERISA.

Section 4.9 Actions Under the Equipment Leases.

(a) Without the prior consent of the Secured Party (which consent shall not be unreasonably withheld or delayed so long as no Event of Default has occurred and is continuing), the Borrower shall not, other than in the ordinary course of its business and on such terms and conditions which are consistent with those of the equipment leases for the railcars managed by the Servicer and in the Guarantor's and its Subsidiaries' fleet: (i) amend, supplement or modify any of the Equipment Leases in any respect, (ii) grant any waiver or consent under the Equipment Leases, (iii) settle or compromise any claim against any Equipment Lessee arising under the Equipment Leases, or (iv) submit or consent to the

submission of any dispute, difference or other matter arising under or in respect of the Equipment Leases to arbitration thereunder.

(b) The Borrower shall comply, and use its reasonable efforts to cause each of the Equipment Lessees to comply, in all material respects, with all acts, rules, regulations and orders of any legislative, administrative or judicial body or official applicable to the Collateral or any part thereof, or to the operation of the Borrower's business (including all laws of the jurisdictions in which operations involving the Equipment may extend the interchange rules of the Association of American Railroads and all rules of the United States Surface Transportation Board) and the Registrar General of Canada; provided, however, that the Borrower may contest any acts, rules, regulations, orders and directions of such bodies or officials in any reasonable manner which will not, in the reasonable opinion of the Borrower (upon notice to the Secured Party), materially adversely affect the Secured Party's rights or the priority, validity or perfection of its security interests in the Collateral.

Section 4.10 Reports.

(a) On or before December 31 in each year, commencing with the calendar year 2004, the Borrower shall furnish to the Secured Party an accurate statement (a) setting forth as of the date of such report the amount, description and numbers of all Items of Equipment then covered by each Equipment Lease, the amount, description and numbers of all Items of Equipment that have suffered a Casualty Loss during the preceding calendar year or, in the case of the first such statement, since the date of this Security Agreement (specifying the dates of such Casualty Loss) or to the knowledge of the Borrower are then undergoing repairs (other than running repairs) or are then withdrawn from use pending repairs (other than running repairs) and such other information regarding the condition and state of repair of the Items of Equipment as the Secured Party may reasonably request and (b) stating that, in the case of all Items of Equipment repainted or repaired during the period covered by such statement, the numbers and the marking required by Section 4.11 and the Equipment Leases have been preserved or replaced. The Borrower shall keep proper books and records with respect to the Equipment and each Equipment Lease and the other Collateral. The Secured Party shall have the right (but not any obligation) by its agents to inspect the Borrower's records with respect to the Items of Equipment (and the right to make extracts from and to receive from the Borrower true copies of such records relating to the Collateral other than the Equipment Leases except as otherwise provided herein) at such reasonable times as the Secured Party may request during the continuance of this Security Agreement.

Section 4.11 Marking of Equipment.

(a) With respect to Equipment more fully described on Schedule A hereto, the Borrower will cause each Item of Equipment to be kept numbered with the corresponding identifying number set forth on Schedule A hereto and, with respect to Equipment added or substituted in accordance with the express provisions of the Loan Documents, the Borrower will cause each such Item of Equipment to be kept numbered with the corresponding identifying number set forth on Schedule A to the applicable Addition to Collateral. The Borrower shall not change, or permit to be changed, the identifying number of any Item of

Equipment except in accordance with a statement of new identifying numbers to be substituted therefor after the Secured Party has been notified in writing and which statement shall be filed, recorded or deposited in all public offices where this Security Agreement shall have been filed, recorded or deposited. The Borrower shall forthwith furnish to the Secured Party an opinion of such counsel and in form and substance satisfactory to the Secured Party to the effect that such statement has been so filed, recorded and deposited, such filing, recordation and deposit will protect the Secured Party's first priority Lien on and security interests in such Items of Equipment and no further filing, recording, deposit or giving of notice with or to any other Federal, state or local government or agency thereof is necessary to perfect, protect, or preserve the security interest of the Secured Party in such Items of Equipment.

(b) Except as above provided, the Borrower will not allow the name of any Person (other than the Borrower) to be placed on an Item of Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Borrower may permit the Equipment to be lettered with the names, trademarks, initials or other insignia customarily used by the user of such Equipment or its affiliates.

Section 4.12 Use of Equipment. Subject to Section 5.1(r) of the Loan Agreement, the Equipment will be used by a lessee, a sublessee or user incorporated in the United States of America (or any State thereof or the District of Columbia) or Canada (or any Province thereof) only upon lines of railroad owned or operated by a railroad company or companies incorporated in the United States of America (or any State thereof or the District of Columbia) or Canada (or any Province thereof) or over lines upon which such railroad company or companies have trackage rights or rights for operation of their trains, and upon connecting with other carriers in the usual interchange of traffic in the continental United States and Canada, subject to all the terms and conditions of the Equipment Leases.

Section 4.13 Replacement Units and Replacement Leases. The representations and warranties of the Borrower with respect to the Equipment and the Equipment Leases which are set forth in Section 4.1(p) of the Loan Agreement shall be true and correct with respect to each Replacement Unit and each Replacement Lease as of the date such Replacement Unit or Replacement Lease becomes subject to this Security Agreement.

ARTICLE V

SPECIAL PROVISIONS CONCERNING LEASES

Section 5.1 Borrower's Rights Under Equipment Leases. Anything to the contrary notwithstanding (but subject to Sections 3.1, 3.2 and 4.9), until the occurrence and continuance of an Event of Default, the Borrower may exercise all of the Borrower's rights, powers, privileges and remedies under the Equipment Leases, including, without limitation but subject to Sections 3.1 and 3.2 hereof, the right to receive any and all monies due or to become due under the Equipment Leases.

Section 5.2 Equipment Lease Location and Legend. (a) On or before the date hereof, the Borrower shall deliver to the Collateral Agent all original counterparts of the written Equipment Leases executed on or prior to the Closing Date, other than (i) Equipment Leases subject to a security interest in favor of financing parties being released contemporaneously with the consummation of the transactions contemplated by the Loan Documents, which the Borrower shall, within 30 days after the Closing Date, deliver and (ii) original counterparts of Equipment Leases not otherwise in the Borrower's (or any affiliates' of the Borrower) possession which the Borrower shall deliver in the ordinary course of the Servicer's and its business. Thereafter, the Borrower shall, promptly in the ordinary course of the Servicer's and its business, deliver to the Collateral Agent the executed original counterpart of each Equipment Lease executed subsequent to the date hereof and all amendments or modifications thereto. The Borrower will authorize the Collateral Agent to attach the following legend onto the original of each Equipment Lease delivered to it: ALL OF THE RIGHT, TITLE AND INTEREST IN AND TO THIS LEASE HAVE BEEN ASSIGNED TO AND ARE SUBJECT TO A FIRST PRIORITY SECURITY INTEREST IN FAVOR OF CERTAIN FINANCING PARTIES UNDER CERTAIN FINANCINGS AS REFERENCED IN THE COLLATERAL AGENCY AGREEMENT, DATED AS OF JULY 20, 2004, AMONG HSH NORDBANK AG, NEW YORK BRANCH, AS COLLATERAL AGENT, EACH MANAGER (AS DEFINED THEREIN) AND EACH PLEDGOR (AS DEFINED THEREIN). THIS LEASE HAS BEEN EXECUTED IN SEVERAL COUNTERPARTS. ONLY THIS ORIGINAL SHALL BE DEEMED THE CHATTEL PAPER ORIGINAL.

(b) The Equipment Leases shall only be released by the Collateral Agent pursuant to the Collateral Agency Agreement to the Borrower or its designee upon the Borrower's written request given in connection with release of any of the Equipment and the Equipment Leases in accordance with and as permitted by this Security Agreement, and the Secured Party agrees to execute and deliver notices to the Collateral Agent as instructed by the Borrower to effect such release.

ARTICLE VI

COLLATERAL

Section 6.1 Possession of Collateral. So long as no Event of Default has occurred and is continuing, the Borrower and each Equipment Lessee party to an Equipment Lease shall be permitted to remain in full possession, enjoyment and control of the Equipment, including, without limitation, but subject to Sections 3.1 and 3.2, the rights under the Equipment Leases, and to manage, operate and use the Equipment and each part thereof with the rights and franchises pertaining to the Equipment; provided always that the possession, enjoyment, control and use of the Equipment shall at all times be subject to the observance and performance of this Security Agreement and the other Loan Documents.

Section 6.2 Casualty Loss; Insurance Proceeds; Replacement Units; Additions to Collateral.

(a) In the event and at such time as any Equipment Lease expires (the "Expiration Date") prior to the maturity of any Note (each, an "Expired Lease") or a Responsible Officer first has knowledge (a "Casualty Date") that any Item of Equipment is destroyed, lost, stolen, irreparably damaged, or missing for a period in excess of thirty (30) days, taken by any governmental entity (including without limitation condemnation, confiscation, requisition, taking of title or use by any governmental entity) or otherwise becomes unusable in the business of the Borrower (such event or condition, an "Equipment Casualty Loss"), the Borrower shall promptly inform the Secured Party of the Equipment Casualty Loss or the expiration of the Expired Lease, as the case may be. If on any date (a "Casualty Total Date") that either (i) an Equipment Casualty Loss has occurred with respect to one or more Items of Equipment, or (ii) one hundred twenty (120) days after an Expiration Date unless the Expired Lease has been renewed or the Item of Equipment covered by such Expired Lease has been made subject to a Replacement Lease (together with an Equipment Casualty Loss, a "Casualty Loss"), and the Loan to Value Ratio is more than 85% on such date (based on the most recently delivered Appraisal not taking into account the Equipment suffering a Casualty Loss), then, within ten (10) Business Days after such Casualty Total Date, the Borrower shall, at its option, either (i) deposit into the Collateral Account an amount (the "Casualty Loss Proceeds") such that the Loan to Value Ratio on such date (based on the most recently delivered Appraisal not taking into account the Equipment suffering a Casualty Loss) is 85% or (ii) substitute for such Item of Equipment suffering a Casualty Loss such number of Replacement Units which are subject to Replacement Leases in accordance with Section 6.2(b) (together, at the Borrower's option, with a portion of the Casualty Loss Proceeds), so that after such substitution (and delivery of a portion of the Casualty Loss Proceeds, if applicable), the Loan to Value Ratio on such date (based on the most recently delivered Appraisal with respect to all Equipment (other than the Equipment suffering a Casualty Loss) and the Fair Market Value of the Replacement Units on such date) equals or is less than 85%. Upon the taking of the actions set forth in clauses (i) or (ii) above, (x) at the request of the Borrower, the Secured Party shall take such actions as may reasonably be requested by the Borrower in order to release such Items of Equipment which were subject to a Casualty Loss from the Lien of this Security Agreement, including the delivery to the Borrower of releases in recordable form with the United States Surface Transportation Board and the Registrar General (Canada) in the form of the release attached hereto as Exhibit A and UCC Amendment Statements, all at the expense of the Borrower, (y) so long as no Event of Default or Default has occurred and is continuing, the Borrower shall be entitled to retain, free of the Secured Party's Lien hereunder, any insurance proceeds, lessee payments, railroad payments or other casualty recoveries, other than Casualty Loss Proceeds ("Casualty Payments") received by the Borrower to the extent they relate to the Items of Equipment subject to such Casualty Loss, and (z) so long as no Event of Default or Default has occurred and is continuing, the Secured Party shall pay over to the Borrower any and all Casualty Payments received by the Secured Party relating to such Items of Equipment and not taken into account in any calculation of the Loan to Value Ratio on such date.

The Secured Party shall be entitled to retain all Casualty Loss Proceeds in respect of Items of Equipment that have been the subject of a Casualty Loss, and to hold them as additional Collateral hereunder in accordance with clauses (A) and (B) below.

(A) All such Casualty Loss Proceeds shall be deposited by the Secured Party into the Collateral Account.

(B) Except as otherwise provided in paragraph (b) of this Section 6.2, amounts on deposit in the Collateral Account consisting of Casualty Loss Proceeds shall not be released to Borrower except that, so long as no Event of Default or Default, has occurred and is continuing, the Borrower shall be permitted to use such monies to acquire Replacement Units under this Security Agreement; provided, however, that no such monies shall be released to the Borrower prior to the delivery of such Replacement Unit and the perfection of the Lien hereof on such Replacement Unit.

(b) In the event that Items of Equipment have been the subject of a Casualty Loss and the Borrower in consequence thereof has deposited Casualty Loss Proceeds in respect thereof pursuant to clause (i) of the second sentence of Section 6.2(a), the Borrower may at any time substitute Replacement Units which are subject to Replacement Leases as provided in this Section 6.2. In the event the Borrower elects to replace an Item of Equipment under the Equipment Lease with a Replacement Unit pursuant to this Section 6.2, such Replacement Unit and the Replacement Lease covering such Replacement Unit shall become subject to the perfected Lien of this Security Agreement and the security interest of the Secured Party, all pursuant to a supplement to this Security Agreement in the form of Exhibit C, to be executed by the parties hereto and filed with the United States Surface Transportation Board and the Registrar General (Canada).

(c) Upon the occurrence and during the continuance of any Event of Default, all Casualty Loss Proceeds, all Casualty Payments and all other amounts standing to the credit of the Collateral Account shall be paid to the Secured Party to be applied by the Secured Party, as specified in Section 7.3.

(d) So long as no Event of Default or Default has occurred and is continuing, the Borrower may, upon the written request of the Borrower delivered to the Agent at least 30 days' prior to any proposed substitution together with the determination of the Fair Market Value of such Replacement Unit, substitute Replacement Units for Items of Equipment upon the terms and conditions set forth herein; provided, however that the Borrower shall not replace (whether by one or multiple replacements) more than 15% of the Fair Market Value of the Equipment in the aggregate as set forth in the Appraisal delivered pursuant to the first sentence of Section 5.1(s) of the Loan Agreement without the consent of the Agent acting upon the instructions of all of the Lenders. The Borrower shall subject any such Replacement Unit and the Replacement Lease covering such Replacement Unit to the perfected Lien of this Security Agreement and the security interest of the Secured Party, all pursuant to a supplement to this Security Agreement in the form of Exhibit C, to be executed by the parties hereto and filed with the United States Surface Transportation Board and the

Registrar General (Canada). The Borrower shall deliver such supplement together with opinions of counsel reasonably acceptable to the Agent (and opinions of such counsel substantially in the form as delivered on the Closing Date shall be deemed acceptable) and addressed to the Agent on behalf of the Lenders confirming the Secured Party's perfected security interest therein under United States, Canada and Delaware law and all applicable UCC financing statements and certified copies of all other documents and instruments relied upon by such counsel in providing their opinions. The Secured Party shall take such actions as may be requested by the Borrower in order to release, and shall execute and deliver releases in a form reasonably satisfactory to the Borrower releasing (i) all the Secured Party's interest in and to any Item of Equipment and/or Equipment Lease, and (ii) such Item of Equipment and/or Equipment Lease from the Lien of this Security Agreement; provided, however, that no Item of Equipment and/or Equipment Lease shall be so released unless simultaneously there shall be subject to the Lien of this Security Agreement and the interest of the Secured Party (A) Replacement Units having an aggregate Fair Market Value as of the date of release not less than the Fair Market Value of any Item or Items of Equipment and/or Equipment Lease to be so released, and (B) Replacement Leases; provided, however, that after giving effect to any substitution the Loan to Value Ratio (based on the most recently delivered Appraisal (not taking into account any Equipment being replaced) and the Fair Market Value of the Replacement Units) equals or is less than 85%. Notwithstanding the foregoing provisions, neither the proviso of the first sentence of this Section 6.2(d) nor the 30 day prior notice requirement shall apply in any way to limit the Borrower's right to substitute any Equipment and related Equipment Leases (i) in the event of a Casualty Loss or Casualty Losses pursuant to this Section 6.2, (ii) pursuant to Section 2.9 of the Loan Agreement, (iii) to cure any Default or Event of Default under the Loan Agreement capable of being cured by substituting Equipment and related Equipment Leases or (iv) to cure any breach of the Borrower's covenant contained in any Loan Document capable of being cured by substituting Equipment and related Equipment Leases.

(e) So long as no Event of Default or Default has occurred and is continuing, the Borrower may, in connection with any partial prepayment of any Note made in accordance with Section 2.8 of the Loan Agreement, request the Secured Party to release and the Secured Party shall take such actions as may be requested by the Borrower in order to release, including, without limitation, permitting the filing of the appropriate UCC amendments and releases and executing and delivering a release in the form of Exhibit A hereto to the Borrower releasing, (i) all the Secured Party's interest in and to any Item of Equipment and/or Equipment Lease, and (ii) such Item of Equipment and/or Equipment Lease from the Lien of this Security Agreement; provided, however, that no Item of Equipment and/or Equipment Lease shall be so released, unless after giving effect to any such release, the Loan to Value Ratio on such date (based on an Appraisal delivered not more than 30 days prior to any such proposed release) equals or is less than 85%; provided, however that any Equipment added pursuant to Section 6.2(f) below shall be released prior to the release of any Equipment identified on Schedule A hereto on the Closing Date or any Replacement Units therefor.

(f) At any time and from time to time prior to the exercise of remedies by the Secured Party under Article VII hereof, the Borrower may, in accordance with the

following provisions, add railcars and related leases to the Collateral subject to the Lien of this Security Agreement (i) in the event of a Casualty Loss or Casualty Losses, (ii) pursuant to Section 2.9 of the Loan Agreement, (iii) to cure any Default or Event of Default under the Loan Agreement capable of being cured by adding Equipment and related Equipment Leases or (iv) to cure any breach of the Borrower's covenant contained in any Loan Document capable of being cured by adding Equipment and related Equipment Leases. The Borrower shall effect such addition by subjecting any such railcars and related Leases to the Lien of this Security Agreement and the security interest of the Secured Party, pursuant to a supplement to this Security Agreement in the form of Exhibit C hereto, to be executed by the parties hereto and filed with the United States Transportation Board and the Registrar General (Canada). The Borrower shall deliver to the Secured Party such supplement, together with opinions of counsel reasonably acceptable to the Agent (and opinions of such counsel substantially in the form as delivered on the Closing Date shall be deemed acceptable) and addressed to the Agent on behalf of the Lenders confirming the Secured Party's perfected security interest therein under United States, Canada and Delaware law and all applicable UCC financing statements and certified copies of all other documents and instruments relied upon by such counsel in providing their opinions.

ARTICLE VII

SECURED PARTY'S RIGHTS

Section 7.1 Secured Party's Rights. The Borrower agrees that when any Event of Default as defined in the Loan Agreement has occurred and is continuing, the Secured Party shall have the rights, options, duties and remedies of a secured party, and the Borrower shall have the rights and duties of a borrower under applicable law and the rules of United States Surface Transportation Board and under the UCC (regardless of whether such UCC or a law similar thereto has been enacted in a jurisdiction wherein the rights or remedies are asserted) as applicable, and the Secured Party shall have the following rights and remedies:

(a) The Secured Party shall have all the rights of a secured party under the rules of United States Surface Transportation Board and under the UCC to enforce the security interests contained herein.

(b) The Secured Party personally or by agents or attorneys, shall have the right (subject to (i) compliance with any applicable mandatory legal requirements and (ii) the rights of the Equipment Lessees in the Equipment and under the Equipment Leases) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Borrower, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession of, remove, keep and store the Collateral, or use and operate or lease the Collateral until sold, and the Borrower shall deliver, or cause to be delivered, possession of the Equipment to the Secured Party or its agents where the same may be found or at such place or places as the Secured Party may reasonably require.

(c) The Secured Party shall have the right to deliver the Notice of Assignment to the Equipment Lessees (it being agreed that the Secured Party shall not deliver such Notice prior to the occurrence and during the continuance of an Event of Default).

(d) Any Collateral repossessed by the Secured Party under or pursuant to this Section 7.1 may be sold, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Secured Party may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Secured Party or after any overhaul or repair which the Secured Party shall determine to be commercially reasonable. Any such disposition which shall be a private sale or other private proceedings permitted by such requirements shall be made upon not less than 10 days' prior written notice to Borrower specifying the times at which such disposition is to be made and the intended sale price or other consideration therefor. Any such disposition which shall be a public sale permitted by such requirements shall be made upon not less than 10 days' prior written notice to Borrower specifying the time and place of such sale and, in the absence of applicable requirements of law, shall be by public auction after publication of notice of such auction not less than 10 days prior thereto in two newspapers in general circulation in the City of New York. To the extent permitted by any such requirement of law, the Secured Party may itself bid for and become the purchaser of the Collateral or any item thereof, offered for sale in accordance with this Section without accountability to Borrower (except to the extent of surplus money received as provided in Section 7.3). In the payment of the purchase price therefor, the Secured Party shall be entitled to have credit on account of the purchase price thereof of amounts owing to the Secured Party on account of the indebtedness hereby secured and the Secured Party may deliver the claims for interest on or principal of the Loan or other indebtedness hereby secured in lieu of cash up to the amount which would, upon distribution of the net proceeds of such sale, be payable thereon. If, under mandatory requirements of applicable law, the Secured Party shall be required to make disposition of the Collateral within a period of time which does not permit the giving of notice to Borrower as hereinabove specified, the Secured Party need give Borrower only such notice of disposition as shall be reasonably practicable in view of such mandatory requirements of applicable law.

(e) The Secured Party may proceed to protect and enforce this Security Agreement by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Collateral or any part thereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other legal or equitable remedy available under applicable law.

Section 7.2 Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Borrower in and to the property sold and shall be a perpetual bar, both at law and in equity, against the Borrower,

its successors and assigns, and against any and all persons claiming the property sold, or any part thereof under, by or through the Borrower, its successors or assigns.

Section 7.3 Application of Sale Proceeds. The proceeds of any sale of the Collateral, or any part thereof, and the proceeds of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of all costs and expenses including those of foreclosure or suit, if any, and of such sale, and of all reasonable expenses, liability and advances, including legal expenses and reasonable attorneys' fees, incurred or made hereunder, under the Notes, or under the Loan Agreement or the other Loan Documents, by the Secured Party, the Agent and the Lenders;

(b) Second, to the payment of the amounts then owing or unpaid in respect of the Notes (including any Break Funding Loss) ratably to the Lenders and any other amounts owed to the Secured Party, the Agent and the Lenders in accordance with the provisions of the Loan Documents; and

(c) Third, to the payment of the surplus, if any, to the Borrower, its successors and assigns, or to whosoever may be lawfully entitled to receive the same.

Section 7.4 Discontinuance of Remedies. In case the Secured Party shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then, and in every such case, the Borrower and the Secured Party shall be restored to their former respective positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

Section 7.5 Cumulative Remedies. No delay or omission of the Secured Party to exercise any right or power arising from any default on the part of the Borrower, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Secured Party of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting there from except as may be otherwise provided herein. The Secured Party may exercise any one or more or all of the remedies hereunder and no remedy is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing now or hereafter at law or in equity; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Secured Party be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

Section 7.6 Indemnity. The Borrower agrees to indemnify, protect and hold harmless the Secured Party, and its assigns, directors, officers, employees, agents or

representatives in accordance with and pursuant to Section 9.8 of the Loan Agreement as if such Person were an Indemnified Person named therein.

Section 7.7 Costs and Expenses.
