Railcar MILW 102069  
Owned by C.J. and Betty L. Moser  
Recordation #12573 dated December 15, 1980

Dear Mr. Secretary:

In connection with the above referenced interest, Bank of the West, successor in interest to Central Bank, no longer has any interest in the railcar equipment described on the STB Recodation #12573. The debt secured by this equipment has been satisfied in full.

Bank of the West is therefore requesting that the interest placed on this railcar equipment recorded on December 15, 1980 under recordation #12573 be removed. Enclosed is a check in the amount of \$30.00 for the release of the security interest.

Thank you for your assistance in this matter and if you have any questions, please feel free to contact me at (323) 727-3461.

Very truly yours,

Bank of the West  
successor in interest to  
Central Bank
