Section 3.10 Reports. On or before January 31, in each year, commencing with January 31, 2008, the Borrower shall furnish to the Lender an accurate statement (a) setting forth as of the date of such report the amount, description and numbers of all Items of Equipment then covered by an Equipment Lease, the amount, description and numbers of all Items of Equipment that have suffered a Casualty Loss during the preceding calendar year or, in the case of the first such statement, since the date of this Security Agreement (specifying the dates of such Casualty Loss) or to the knowledge of the Borrower are then undergoing repairs (other than running repairs) or are then withdrawn from use pending repairs (other than running repairs) and such other information regarding the condition and state of repair of the Items of Equipment as the

Lender may reasonably request and (b) stating that, in the case of all Items of Equipment repainted or repaired during the period covered by such statement, the numbers and the marking required by Section 3.11 and the Equipment Leases have been preserved or replaced. The Borrower shall keep proper books and records with respect to the Equipment and each Equipment Lease and the other Collateral covered thereby. The Lender shall have the right (but not any obligation) by its agents to inspect the Borrower's records with respect to the Items of Equipment (and the right to make extracts from and to receive from the Borrower true copies of such records relating to the Collateral other than the Equipment Leases except as otherwise provided herein) at such reasonable times as the Lender may request during the continuance of this Security Agreement.

Section 3.11 Marking of Equipment.

(a) Borrower will cause each Item of Equipment to be kept numbered with the identifying number set forth in Schedule A hereto, and at the request of the Lender if the Lender determines that it is necessary in order to perfect, protect or preserve its first security interest in the Collateral, the Borrower shall keep and maintain plainly, distinctly, permanently and conspicuously marked on each side of each Item of Equipment, in letters not less than one inch in height, the words, "Ownership subject to a Security Agreement filed with the United States Surface Transportation Board". The Borrower shall not change, or permit to be changed, the identifying number of any Item of Equipment except in accordance with a statement of new identifying numbers to be substituted therefor after the Lender has been notified in writing and which statement shall be filed, recorded or deposited in all public offices where this Security Agreement shall have been filed, recorded or deposited. The Borrower shall forthwith furnish to the Lender an opinion of such counsel and in form and substance satisfactory to the Lender to the effect that such statement has been so filed, recorded and deposited, such filing, recordation and deposit will protect the Lender's first Lien or security interests in such Items of Equipment and no further filing, recording, deposit or giving of notice with or to any other Federal, state or local government or agency thereof is necessary to perfect, protect, or preserve the security interest of the Lender in such Items.

(b) Except as above provided, the Borrower will not allow the name of any Person (other than the Borrower) to be placed on the Item of Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Borrower may permit the Equipment to be lettered with the names, trademarks, initials or other insignia customarily used by the user of such Equipment or its affiliates.

Section 3.12 Use of Equipment. The Equipment will be used by a lessee, a sublessee or user incorporated in the United States of America (or any State thereof or the District of Columbia) or Canada (or any Province thereof) only upon lines of railroad owned or operated by a railroad company or companies incorporated in the United States of America (or any State thereof or the District of Columbia) or Canada (or any Province thereof) or over lines upon which such railroad company or companies have trackage rights or rights for operation of their trains, and upon connecting with other carriers in the usual interchange of traffic in the continental United States and Canada, only upon and subject to all the terms and conditions of Equipment Leases.

Section 3.13 Replacement Units and Replacement Leases. The representations and warranties of the Borrower with respect to the Equipment and the Equipment Leases which are set forth in Section 4.1(o) of the Loan Agreement shall be true and correct with respect to each Replacement Unit and each Replacement Lease as of the date such Replacement Unit or Replacement Lease becomes subject to this Security Agreement.

Section 5.2 Casualty Loss; Insurance Proceeds; Cash Collateral Account.

(a) In the event and at such time as any Equipment Lease expires (the "Expiration Date") prior to the maturity of the Note (each, an "Expired Lease") or a Responsible Officer first has knowledge (a "Casualty Date") that any Item of Equipment, is destroyed, lost, stolen, irreparably damaged, or missing for a period in excess of thirty (30) days, taken by any governmental entity (including without limitation condemnation, confiscation, requisition, taking of title or use by any governmental entity), returned permanently to the Borrower pursuant to a material breach of a warranty of the Borrower, or the use of any Item of Equipment in the normal course of interstate rail transportation shall have been prohibited as a result of any rule, regulation, order or other action by a United States Governmental Authority for a continuous period, or otherwise becomes unusable in the business of the Borrower (such event or condition, a "Equipment Casualty Loss"), the Borrower shall promptly inform the Lender of the Equipment Casualty Loss or the expiration of the Expired Lease, as the case may be. If on any date (a "Casualty Total Date") that either (i) a Responsible Officer (as defined in the Loan Agreement) has knowledge that an Equipment Casualty Loss has occurred with respect to one or more Items of Equipment, or (ii) one hundred twenty (120) days after an Expiration Date if neither the Expired Lease has been renewed nor the Item of Equipment covered by such Expired Lease been made subject to a Replacement Lease (together with an Equipment Casualty Loss, a "Casualty Loss"), and the sum of (x) 95% of the AAR Value of the Equipment not subject to any Casualty Loss and (y) the amount on deposit on such date in the Cash Collateral Account (as defined below) (such sum being herein referred to as the "Loan Collateral Value") is less than the then outstanding principal amount of the Loan on such date, then, at the option of the Borrower, within ten (10) Business Days after such Casualty Total Date, either (i) the Borrower shall deposit into the Cash Collateral Account an amount (the "Casualty Loss Proceeds") equal to the sum of the then outstanding principal amount of the Loan less the then applicable Loan Collateral Value, or (ii) the Borrower shall pledge to the Lender such number of Replacement Units which are subject to Replacement Leases so that after taking into account such pledge, the Loan Collateral Value equals or exceeds the then outstanding principal amount of the Loan. Upon the taking of the actions set forth in clauses (i) or (ii) above, (x) at the request of the Borrower, the Lender shall take such actions as may reasonably be requested by the Borrower in order to release such Items of Equipment which were subject to a Casualty Loss from the Lien of this Security Agreement, including the delivery to the Borrower of releases in recordable form with the United States Surface Transportation Board and the Registrar General (Canada) in the form of the release attached hereto as Exhibit A and UCC-3 Release Statements, all at the expense of the Borrower, (y) the Borrower shall be entitled to retain, free of the Lender's Lien hereunder, any insurance proceeds, lessee payments, railroad payments or other casualty recoveries ("Casualty Payments") received by the Borrower to the extent they relate to the Items of Equipment subject to such Casualty Loss, and (z) the Lender shall pay over to the Borrower any and all Casualty Payments received by the Lender relating to such Items of Equipment. The Lender shall be entitled to retain all Casualty Loss Proceeds in respect of Items of Equipment that have been the subject of a Casualty Loss, and to hold them as additional Collateral hereunder in accordance with clauses (A) (B) and (C) below.

(A) All such Casualty Loss Proceeds shall be deposited by the Lender into a special cash collateral account (the "Cash Collateral Account") maintained at the Lender or such other bank designated by the Lender and reasonably acceptable to the Borrower provided such bank agrees to hold such proceeds on behalf of the Lender, under the sole control and dominion of the Lender, for so long as, but only so long as, the Security Agreement shall be in full force and effect.

(B) All amounts from time to time on deposit in the Cash Collateral Account shall, so long as no Event of Default shall have occurred or be continuing, be invested by the Lender at the direction of the Borrower in certificates of deposit with such maturities as Borrower shall request.

(C) Except as otherwise provided in paragraph (b) of this Section 5.2, amounts on deposit in the Cash Collateral Account shall not be released to Borrower except that, so long as no Event of Default, or event or condition that with the giving of notice, the lapse of time or both may become an Event of Default, has occurred and is continuing, the Borrower shall be permitted to use such monies to acquire Replacement Units under this Security Agreement.

(b) In the event that Items of Equipment have been the subject of a Casualty Loss and the Borrower in consequence thereof has deposited Casualty Loss Proceeds in respect thereof pursuant to subsection (a) (i) of this Section 5.2, the Borrower may at any time substitute Replacement Units which are subject to Replacement Leases as provided in this Section 5.2, and so long as no Event of Default, or event or condition that with the giving of notice, the lapse of time or both may become an Event of Default, has occurred and is continuing, the Borrower shall be entitled to the release of the amount of Casualty Loss Proceeds so that after taking account of such release, the Loan Collateral Value equals or exceeds the then outstanding principal amount of the Loan. In the event the Borrower elects to replace an Item of Equipment under an Equipment Lease with a Replacement Unit pursuant to this Section 5.2, such Replacement Unit and the Replacement Lease covering such Replacement Unit shall become subject to the perfected Lien of this Security Agreement and the security interest of the Lender, all pursuant to a supplement to this Security Agreement in the form of Exhibit C, to be executed by the parties hereto and filed with the United States Surface Transportation Board and the Registrar General (Canada).

(c) Upon the occurrence and during the continuance of any Event of Default, all Casualty Loss Proceeds and all other amounts standing to the credit of the Cash Collateral Account shall be paid to the Lender and applied by the Lender, as specified in Section 6.3.

(d) So long as no Event of Default shall have occurred and be continuing, upon the request of the Borrower, the Lender shall take such actions as may be requested by the Borrower in order to release, and shall execute and deliver releases in a form reasonably satisfactory to the Borrower releasing (i) all the Lender's interest in and to any item of Equipment and/or Equipment Lease, and (ii) such Item of Equipment and/or Equipment Lease from the Lien of this Security Agreement; provided, however, that no Item of Equipment and/or Equipment Lease shall be so released unless simultaneously there shall be subject to the Lien of

this Security Agreement and the interest of the Lender (A) Replacement Units having an aggregate AAR Value as of the date of release (which AAR Value shall be certified to by an officer of the Borrower) not less than the AAR Value of any Item or Items of Equipment and/or Equipment Lease to be so released, and/or (B) Replacement Leases. The foregoing shall not be deemed in any way to limit the Borrower's right to purchase or substitute any Replacement Unit in the event of a Casualty Loss or Casualty Losses pursuant to this Section 5.2

ARTICLE VI

SECURED PARTY'S RIGHTS

Section 6.1 Secured Party's Rights. The Borrower agrees that when any Event of Default as defined in the Loan Agreement has occurred and is continuing, the Lender shall have the rights, options, duties and remedies of a secured party, and the Borrower shall have the rights and duties of a borrower, under the rules of United States Surface Transportation Board and under the UCC (regardless of whether such UCC or a law similar thereto has been enacted in a jurisdiction wherein the rights or remedies are asserted) as applicable, and the Lender shall have the following rights and remedies:

(a) The Lender shall have all the rights of a secured party under the rules of United States Surface Transportation Board and under the UCC to enforce the security interests contained herein.

(b) The Lender personally or by agents or attorneys, shall have the right (subject to (i) compliance with any applicable mandatory legal requirements and (ii) the rights of the Equipment Lessees in the Equipment and under the Equipment Leases) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Borrower, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession of, remove, keep and store the Collateral, or use and operate or lease the Collateral until sold, and the Borrower shall deliver, or cause to be delivered, possession of the Equipment to the Lender or its agents where the same may be found or at such place or places as the Lender may reasonably require and as provided in this Article VI. Notwithstanding anything hereunder to the contrary, so long as no Event of Default has occurred and is continuing unremedied, the original Equipment Leases delivered to the Borrower shall remain at the chief executive offices of the Borrower; provided, however, that in the event an Event of Default has occurred and is continuing, the Borrower shall provide to the Lender the original Equipment Leases or, in case originals are not available because one or more lenders have an interest in leases reflected in the same document as such Equipment Leases, duplicate copies of the Equipment Leases and the Equipment Schedules to master Equipment Leases and, in all cases, all relevant information that the Lender may request regarding all other leases and all other lenders, and if requested by all lenders with a security interest in any Equipment Lease, deliver such Equipment Leases to a trustee designated by the Lender and all the other lenders.

(c) Any Collateral repossessed by the Lender under or pursuant to this Section 6.1 may be sold, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Lender

may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Lender or after any overhaul or repair which the Lender shall determine to be commercially reasonable. Any such disposition which shall be a private sale or other private proceedings permitted by such requirements shall be made upon not less than 10 days' prior written notice to Borrower specifying the times at which such disposition is to be made and the intended sale price or other consideration therefor. Any such disposition which shall be a public sale permitted by such requirements shall be made upon not less than 10 days' prior written notice to Borrower specifying the time and place of such sale and, in the absence of applicable requirements of law, shall be by public auction after publication of notice of such auction not less than 10 days prior thereto in two newspapers in general circulation in the City of New York. To the extent permitted by any such requirement of law, the Lender may itself bid for and become the purchaser of the Collateral or any item thereof, offered for sale in accordance with this Section without accountability to Borrower (except to the extent of surplus money received as provided in Section 6.3). In the payment of the purchase price therefor, the Lender shall be entitled to have credit on account of the purchase price thereof of amounts owing to the Lender on account of the indebtedness hereby secured and the Lender may deliver the claims for interest on or principal of the Loan or other indebtedness hereby secured in lieu of cash up to the amount which would, upon distribution of the net proceeds of such sale, be payable thereon. If, under mandatory requirements of applicable law, the Lender shall be required to make disposition of the Collateral within a period of time which does not permit the giving of notice to Borrower as hereinabove specified, the Lender need give Borrower only such notice of disposition as shall be reasonably practicable in view of such mandatory requirements of applicable law.

(d) The Lender may proceed to protect and enforce this Security Agreement by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Collateral or any part thereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other legal or equitable remedy available under applicable law.

Section 6.2 Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Borrower in and to the property sold and shall be a perpetual bar, both at law and in equity, against the Borrower, its successors and assigns, and against any and all persons claiming the property sold, or any part thereof under, by or through the Borrower, its successors or assigns.

Section 6.3 Application of Sale Proceeds. The proceeds of any sale of the Collateral, or any part thereof, and the proceeds of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of all costs and expenses including those of foreclosure or suit, if any, and of such sale, and of all proper expenses, liability and advances, including legal expenses and reasonable attorneys' fees, incurred or made hereunder, under the Note, or under the Loan Agreement or the other Loan Documents, by the Lender;

(b) Second, to the payment of the amounts then owing or unpaid in respect of the Note and any other amounts owed to the Lender in accordance with the provisions of the Loan Documents; and

(c) Third, to the payment of the surplus, if any, to the Borrower, its successors and assigns, or to whosoever may be lawfully entitled to receive the same.

Section 6.4 Discontinuance of Remedies. In case the Lender shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then, and in every such case, the Borrower and the Lender shall be restored to their former respective positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

Section 6.5 Cumulative Remedies. No delay or omission of the Lender to exercise any right or power arising from any default on the part of the Borrower, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Lender of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided herein. The Lender may exercise any one or more or all of the remedies hereunder and no remedy is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing now or hereafter at law or in equity; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Lender be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

Section 6.6 Indemnity. The Borrower agrees to indemnify, protect and hold harmless the Lender, and its assigns, directors, officers, employees, agents or representatives (each an "Indemnified Party") from and against all losses, damages, injuries, liabilities, claims, suits, obligations, penalties, actions, judgments, costs, interest and demands of any kind or nature whatsoever (all the foregoing losses, damages etc. are the "indemnified liabilities"), and expenses in connection therewith (including, without limitation, the reasonable fees and disbursements of counsel for such Indemnified Party in connection with any investigative, administrative or judicial proceeding, whether or not such Indemnified Party shall be designated a party thereto, and the expenses of investigation by engineers, environmental consultants and similar technical personnel) arising out of, in connection with, or as the result of any claim for personal injury or property damage arising from the operation, use, condition, possession, storage or repossession of any of the Collateral, or any claim relating to any laws, rules or regulations, including, without limitation, environmental control, noise and pollution laws, rules or regulations or the entering into or performance of this Security Agreement, the Loan Agreement, the Note, and the other Loan Documents, the enforcement of any rights thereunder, the retention by the Lender of a security interest in the Collateral, or arising during the period of any delivery, rejection, storage or repossession of any of the Equipment while a security interest therein remains in the Lender or during the period of the transfer of such security interest in the Collateral by the Lender pursuant to any of the provisions of this Security Agreement; provided, however, that the Borrower shall

have no obligation to so indemnify any Indemnified Party for any indemnified liabilities arising from its willful misconduct or gross negligence. The foregoing indemnity shall survive the termination of this Security Agreement and the Loan Agreement and payment in full of the Obligations.

Section 6.7 Costs and Expenses. Any and all fees, costs and expenses, of whatever kind or nature, including the reasonable attorneys' fees and legal expenses incurred by the Lender, in connection with the filing or recording of this Security Agreement, financing statements and other documents (including all taxes in connection with the filing and recording of such documents) in public offices, the payment or discharge of any taxes relating to the Collateral or imposed upon the Borrower, insurance premiums, encumbrances or otherwise protecting, maintaining or preserving the Collateral, or the enforcing, foreclosing, retaking, holding, storing, processing, selling or otherwise realizing upon the Collateral and the Lender's security interest therein, whether through judicial proceedings or otherwise, or in defending or prosecuting any actions or proceedings arising out of or related to the transaction to which this Security Agreement relates, shall be borne and paid by the Borrower on demand by the Lender and until so paid shall be added to the principal amount of the Loan and shall bear interest at the Default Rate prescribed in the Loan Agreement.

Section 6.8 Return of Cars. Subject to the rights of any Equipment Lessee, if, following the occurrence of an Event of Default, the Lender requests the Borrower to return all cars not currently leased, the Borrower shall forthwith deliver, or cause to be delivered, possession of the cars at a mutually agreeable point, if and only if the then-current storage location is not reasonably acceptable to the Lender, empty, free from residue, and in the same good order and condition as the cars were in when they were delivered by the Borrower to Lessee, ordinary wear and tear excepted.
